ur Grand Knight has given the start- signal and is preparing to make an nded drive for new members under new regime of office. He is appealing the entire membership to get behind chairman and give him the support s entitled to. It is very embarrassing e continually harping in our column it membership but after all it is your ncil as well as your officers and you just as much interested or should be ou want your council to succeed.

e U. S. O. committee is being or- zed—and your officers are very much rested and the purpose of the or- zation is so worthy as it is for the fort of men in camps, we hope when d upon you will respond and help in manner set up by our Grand Knight. ank J. Barker day is under way and chairman and his committee are ting every effort to make it a day we can be proud of not only from attendance standpoint but for your sure and enjoyment. We have many able prizes and we can assure you her real day for our members and lady friends.

e tournament will be held at West- Country Club, 135th and S. Ridgeland which is under the guidance of our Bro. Thos Walsh of Calumet Council and a real booster for our council. The tickets are $2.50, which includes golf and dinner.

We invite more of our fair sex to golf —and our aim is to make this day a real Dowling field day with something doing all day. For further details watch our column and keep plugging our day to your friends.

COUNCIL NOTES

We were honored with a visitor from Weber Council, Br. Karias.

Bro. Geo. Connelly Sr. and Dr. Laibe are really taking their golf seriously this year as they are shooting in the eighties and go out a couple of days a week.

The Ground Hog Club of Chicago held its annual tournament last Saturday and it was very successful. Many of our members belong to this organization and hold important offices.

Remember to drop me a card when on your vacation as we like to keep a line on you.

Mrs. Maloney, the loving mother of our Past Chaplain, Father Pat, has been very seriously ill for the past few weeks and we ask for your prayers for her speedy recovery.

Our sick chairman and warden, Austin Haley, has been laid up for a few days, but at this writing he is up and around. This will have to stop as Aust is not supposed to get sick, but to keep our sick comforted in the great style he performs.

CONDOLENCES

Mrs. Ellen Carson, the loving mother of Bro. John Carson (park policeman) and mother-in-law of Bro. Charley Mooney passed away to her eternal reward last Wednesday and was buried Saturday in Holy Sepulchre Cemetery.

We extend our sincere sympathy to her family and pray for the repose of her soul.

St. Paul Expresses Gratitude for the Fine Work of Retiring G.K.

1-3 Tues. . . . . 6713 Olmsted Ave.

We read last week's column over several times in the hopes of finding there what we were looking for and, sure enough, all through were expressions of thanks for this, that, and the other thing; for the appreciation of the assistance rendered by those who lent a hand; for the happy circumstance of having a really active chaplain throughout his regime and through all of the article there was that unmistakable characteristic of giving credit to others for the success attained by your council during the past two years without, even in the tiniest degree, taking some of the glory for himself.

Personally, we consider this a mark of leadership. Leadership gained from the experience of having followed; from learning well the lesson that only those can command who have learned well how to obey; that to become a general, one must need first know how to be a good soldier. All of which teaches that the man at the head cannot be successful without the loyal support and assistance of his followers, in recognition of which the really true leader passes the encomiums down the line. Harold has learned the lessons well and, partly as a result of this, has served his council in an outstanding manner for which he can be justly proud.

Next Tuesday evening he will cross over the threshold from the Grand Knight's office into the realm of Past Grand Knights. It will be commencement day for him to carry on as he, himself, would express it, "in the best tradition of St. Paul of the Cross Council" for the greater honor and glory of the best little council in the order of the Knights of Columbus. As for ourselves, we realize that no good job is accomplished without some effort but if we have made your row a little easier to hoe, then we feel well repaid for the time given to the task to which, at the beginning, we had much misgivings.

The dinner dance last Saturday night, engineered by the lecturer, Jerry O'Donahue, as his parting effort of his two year term, was a real success. The arrangements were perfect and the dinner was swell. Everyone had a wonderful time. It was a fitting climax to all the entertainment provided by Jerry during his term. Having had the experience as lecturer in years gone by, we know that Jerry worked long and hard to make the meetings interesting and to arrange social affairs for the members so that we might become better acquainted and truly be one big happy family.

In case any of you may not have known, you can get together for a golfing date on any Saturday with other council members if you will make your wishes known to P.G.K. Henry Blim at Newc. 5926. This affords an excellent opportunity to be with your friends at least once each week during the summer vacations if you are staying at home or for other days of the week if arrangements can be made.

We haven't heard: That the softball team has played any games recently. . . . That anyone has gone away on their vacations yet. . . . That any council member has broken 80 in golf.

We've been keeping our ears glued to the ground for rumblings of news. We hope to be able to report progress soon.

St. Cyr's Fourth Degree Club Will Hold Picnic Soon

1-3 Mon. . . . . 1609 N. Halsted St.

So begins the summer, and as the temperature increases, the size of your scribe's columns decrease accordingly.

In previous years, it has been the custom of the Cyrfours to hold an annual dance sometime in September. This year we're going to try something different. We're going to run a picnic, and according to Jimmie Giambrone, Cyrfour president, it's going to go over in great style. The picnic will be held in August, so that gives you a good long while to plan to attend. We'll give you more information on it from time to time, and for details ask Jim, or any of the Cyrfour officers.

Last Thursday night a good number of St. Cyr members were in attendance at the exemplification of the third degree, which was held in conjunction with De Soto Council at Belmont Hall. Between thirty-five and forty men from St. Cyr were initiated, and this number in conjunction with the Irish lads from De Soto, made up a class which shall long live in the memory of the brothers who were in attendance.

The century class lies behind us. One hundred and eight new men joined our ranks in the past year. This, brothers, is something we should be justly proud of. However, let us not lose sight of the fact that diligence and perseverance henceforth and heretofore should be the watchword of our council. Let us not lean back on our glory, but let us multiply our success.

SOFTBALL WARS

Jovial manager, Vic Priola, is keeping your scribe informed these days, as to the softball wars, which are now raging on all around us. Almost criminal to see the slaughter which is befalling our victims on the softball lot, Phil, still persists in knocking the ball for a four-bagger every third time he comes up to bat. This guy Lefty Jeldum is no slouch either; nor is the fielding and hitting of that pride of Larrabee street, known by the name of Tony Magno. Herb Morin and Sam Ippolito, Joe Gerace, the subs, the regulars, each and everyone of the boys is doing his bit, in piling up scores such as 13-6 and 15-6, the first over University Council, and the latter over Brownson Council. Careful, opponents, the new suits the boys have must be doing something. Polish your clubs, and sharpen your eye, because the St. Cyr boys will soon be hitting them around the lot in your home camp.

CYR-IOUSLY SPEAKING

Mike Cavaretta and family and Sam Rannochi, et al., are now vacationing in Northern Wisconsin, up near Iron Mountain, Michigan. Rynie (Sam Rannochio), bowling league president, says that while up in Wisconsin, he's going to think up a lot of ways of making the coming bowling season, a spectacular show. Too all you vacationers, who are planning little trips, drop us a line and keep us informed as to your whereabouts.

Tony Genovese, who is in paper business with the Excel Paper Company, I'm sure is planning to take a vacation. He didn't say he would, but the last time seen he had the look of a wanderlust in his eye. James Pernice had the same look of wanderlust, but it was a sad one, because Jim is so busy these days that it will be impossible to get away. And now a thought at random. I wonder if Sam Nicosia's youngster is going to be as bad a poker player as his old man. They tell me he's pretty bad. For verification, ask any of the boys who took Sam in camp, a week or so ago.

Tonti Member Gravely Ill; May Require More Aid from Donor Group

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

Bro. Albert Menkicki still is in a very serious condition in the Lutheran Deaconess Hospital. Last week he received another blood transfusion from Bro. Frank Bambula, Sr., and from the reports of his doctor he may need a few more transfusions.

All the brothers of the blood donor group who have Type 2 blood and who wish to volunteer to give a transfusion, get in touch with D. G. K. Louis Buettner at ('phone) Briargate 3157.

Inasmuch as we have only a limited number of men of Type 2 blood in our blood donors' group, any brother who has this type of blood and wishes to volunteer for a transfusion may do so.

The blood donors' group of Tonti Council has been very active since its inauguration a short time ago, and is always ready to welcome new members to its midst.

Dorothy Olsta, daughter of P. G. K. John Olsta, will be in charge of the class of women retreatants making a retreat in the Cenacle.

Eldebrand Officers Will Be Installed at July 17 Meeting

1- Thurs. . . . 5711 W. Chicago Ave.

ngratulations to our near members, Bothers Edward G. Tyrell and John H. W on who received their third degree ia week, making them full fledged Kights. . . . The old vacation spots are ing and a card from our vacationers will enable us to pass along information as o the whereabouts of our members du ng the summer. . . . Walter Kampa is mong the first to set forth and he ha pitched camp with his family somewhe in Minnesota. . . . Bill Murphy an family are on a motor trip to the E and winding up somewhere in Northern Michigan. . . . Installation of offers at next meeting, Thursday, July 17 . . . Harry Leddy and Bill Byrne were re ients of fine prizes at the Golf To nament last Wednesday at Olympia Fields. . . . We hope our members and th families enjoy a pleasant summer, an then be ready for another year of so l and fraternal activities in the Fall. . . . May we tender our belated congr ulations to the parents of Clarence Ro er who recently celebrated their 42nd we ding anniversary by a renewal of the sacred promises at High Mass in hon r of the occasion. . . . Their splendid Ca olic life and fine example are refre ing in this day and age.

CHICAGO, JULY 4, 1941 100

DEARBORN PLEASED AT MAJ. DEGREE TURNOUT

3rd Thursday . . 820 W. Garfield Blvd.

Thank you, Dave, for your last paragraph and if your successor is any judge of technique he is going to have plenty to do in order to maintain the extremely high Dearborn standard set up by you in reporting all the events of, for and with Fort Dearborn Council. Many times we of Dearborn have agreed that your "scribing" is among the best; you did your job well and we don't have to remind you that we are behind you 100 per cent in your new endeavor as Chancellor.

BOLTON THIRD DEGREE

Father Perez Clubhouse, Friday night, June 27, was the scene of one of the greatest Third Degree Exemplifications that Chicago has witnessed in many years. This class of 138 members was a testimonial to that distinguished and illustrious Knight, Judge John F. Bolton, retiring State Deputy.

Plenty of spirit and action was displayed by the 138 young men in the class and list. Deputy Sheahan, whose son, by the way, was in the class, did a noble piece of work. Dearborn salutes you, Jerry. Every member of Dearborn should be proud to know that their Council, out of their own jurisdiction, had 15 candidates in the class, second only to Calumet Council, who had 26.

The names of the newly elected Third Degree Knights of Dearborn are as follows: Frank Koss, John J. Kavanaugh, Richard E. Evoy, Frank A. Johnson, Thos. J. McCarthy, Thos. D. Mulcahy, Richard J. McCurrie, Jack Sansone, Mathew S. Krysanski, James Ciccia, Zane J. Daucunas, Ray S. Chodor, John E. Griffin, Vincent F. McCarthy, John Gleason.

SOFT BALL

A few years ago we used to think of Soft Ball as a game for school kids and after putting on long pants paid little or no attention to it because that was the way we classed it and that was the way it remained. But it is a hard and tried fact that Dearborn Softballers play a man's game of ball and that very well.

Under the able guidance of Brother John Logan, Dearborn's soft ball team is one to be reckoned with in the Central Section of the K. of C. League. On Tuesday, June 24, Dearborn defeated Archbishop Weber Council by a score of 10 to 4. Dearborn's 13 hits had the Weber boys running all over the lot. Weber got eight safeties and furnished some fine opposition. Richard McCurrie stole all the honors of this game, getting three home runs and accounting for 6 out of 10 tallies. He was all over the field letting nothing get past him. Kryzanski in left field and Kenny in right field, along with McCurrie, makes an outfield combination where every inch of ground is covered.

On Thursday, June 26th, Dearborn did not fare so well, losing what you might call a one inning game to our good friends and dearest enemies, Leo Council, by a score of 8 to 2. Leo got 14 hits while Dearborn counted 9. The first inning was the bad one, when Leo put six markers across the pan and kinda took the heart out of the Dearborn boys. After the first inning the pitching of little Ray Chodor had the Leo outfit practically stopped. Ray was putting plenty stuff on the ball and had he gotten a break at all that score might very easily have been reversed. Ray is such a little fellow that when he has his both feet in the pitcher's hole, you can just about see his hips.

There is one Dearbornite on the sidelines at every game who the opposing pitcher and umpire hate to see there. The champion razzer and fellow with the best pair of lungs at the game is none other than our worthy financial secretary, Johnny Feilen. Also in the cheering section at most of the games you will find Irving Brazil and Tom Maney shouting encouragement. Every ball club needs support and the council members, in all justice to these hard working players, should get out and cheer them along. You can bring your wife or sweetheart with you too, because we like to hear them scream when some Dearborn player knocks one 10 feet over the center fielder's head for a round trip ticket.

On Tuesday, July 8th, we play Archbishop Quigley Council at 57th and Shields avenue, and on July 10th we play Daniel Dowling Council on Diamond No. 1 in McKinley Park at Archer and Western avenues. All games start at 7 P. M. so let us see you out there, Brothers, cheering your team on to victory.

Dearborn's only meeting in July will be the third Thursday, which is the 17th. This meeting will be for the installation of officers and every Dearborn member should plan to be there. It is planned to have our newly elected State Deputy Leo Flynn, a long time friend of Dearborn, and our new State Secretary, Brother Ray Gleason in attendance. It is hoped that the Hon. Judge Jos. E. Hermes will do the honors of installation.

Columbus Again Sets New Barbecue Record in Drive Just Ended

2-4 Tues. . . . . 6932 N. Clark St.

For the second year in a row Columbus Council exceeded the previous year's sales in the Barbecue drive just ended. Much thanks should be given our Grand Knight-elect, Al Irving, for the wonderful work that he did during this drive. Al himself set a good example for his fellow members by selling six books, closely followed by Grand Knight Eddie Roche with five and one-half.

Both of these brothers were guests at the Victory drive banquet held for those members of the Order who sold two or more books. They will also get the final reckoning on this year's drive as well as the council's share. If every member of our council did as much for this drive as our officers, our check would be a very handsome one. A list of all the members that sold at least one book will appear in next week's issue of The Columbian.

Installation will be the second Tuesday in July, at which time District Deputy Marco De Stefano and Arthur Donoghue will install the newly elected officers of our council. Try to be on the job on this evening to lend your support to your newly elected officers.

Columbus had a nice gathering at the Annual Golf Tournament of the Knights of Columbus held last Wednesday at Olympia Fields. None of our brothers came away with any of the prizes, but a good time was had by all. Eddie Roche, as ever, was master of our gang and he saw to it that we all got back to the North Side at a reasonable time despite the fact that "Wrong Road MacAlinden" was not with us.

By the way, we hope that Mac finds the right road up to Michigan this weekend on the occasion of Jack Schmidt's wedding. Yes, girls, you blew your last chance. The handsome Jack is being married this Saturday and he is stealing far, far away from us to see that everything is taken care of all right. However, Jack will be back with us, residing in St. Timothy's parish after an extended honeymoon to Honolula and the west coast. Congratulations, Jack, and thanks for the assistance in helping us beat your friend Mac out of a bet. Come up to the meetings after you get back: we want to see that picture that you took at the Sovereign a few weeks ago as well as your own wedding pictures.

Missed Judge John J. Griffin at our last Golf Tournament. He would have been right at home with all of the other judges that were on the job. Met an old-time member of Columbus out at Olympia Fields last Wednesday, Jack Heavy, who used to be one of our best bowlers. Also ran into one of the remaining bachelors of the council, Mike Lane, who resides with the elite at the Olympia Fields. Well, it is hotter than hot, so I will have to ring off for this time. What! No answers to that Scribe advertisement yet? See you at the next meeting. Happy Fourth of July!

Leo's New Staff Logs Course for More Successes

1-3 Tuesday . . . 820 W. Garfield Blvd.

In line with our usual custom there will be but one meeting a month during the months of July and August and this meeting will be on the first Tuesday of the month. Because of going to press so early details of the Installation will be given here next week.

As the fiscal year draws to a close and the Council changes Officers it is fitting and proper to reflect on what has gone before. The Council has just finished one of its most successful years and Grand Knight Wagner is deserving of a great deal of praise for the capable and energetic manner in which all situations were handled. A born leader, capable and thorough he was at all times master of the many knotty problems that confronted him. He enjoyed the confidence and respect of the officers and members, the most necessary requisite for success in an administrative position. He now closes the book on his fourth term as Grand Knight and thereby enjoys a special distinction in that no member of the Council has been similarly honored.

It has been a pleasure to work with and for Clarence and the Council was fortunate to have one so devoted and willing to give so generously of his time. Clarence, however, hastens to give credit to others and to point with pride to the member response to every undertaking. Particularly does he feel grateful to P. G. K. John Ruberry who has been helping Grand Knights for many years and doing a swell job of it.

The writer as the new Grand Knight feels that to carry on as Clarence has done will mean the having of a good record and with the help of every one there is every indication that with perfect teamwork this goal may be secured. I am interested solely in the good record of Leo Council and in keeping it in the forefront in the Chicago area. With your help this can be done. May I have the privilege to call on you for that support.

SOFT BALL

Our team had a busy week, winning one and dropping one and finishing up the week as the banner attraction at a night game where they met the Visitation seniors. The result of this game will be reported next week.

In the game of Tuesday which we lost we are sorry to report that Brother Brogan was injured. However his hand is responding to treatment and soon it will be O. K. Efficient first-aid rendered by Dr. Leo M. Hogan, 56th and Halsted street, proved very effective while x-rays show that a slight fracture took place.

On Thursday we took Fort Dearborn into camp again. They have a fine team and are good sports. Manager Peterson and all the boys are doing a fine job of keeping the Council name in the forefront. As a rooter we all can help.

APPOINTMENTS

Grand Knight Breen announces the reappointment of Chaplain Rev. John Cashman, Assistant Pastor of St. Agatha's Church, Douglas boulevard and Kedzie avenue and the son of Warden John Cashman. Fr. Cashman is a member of the Council. To the office of Lecturer, John Vaughn has been appointed. This choice seems to meet with general approval and John pledges himself to give the Council a good account of his stewardship. There remains the picking of a scribe and the announcement of the various committee chairmanships. Various conferences have been held and the organization of the council will be complete before the start of the Fall season.

Quigley Golfers Take Ninth State K.C. Championship

1-3 Tues. . . . . 1035 W. 31st St.

Once more a Quigley quartet brought home the bacon, and definitely established Quigley Council as the golfing elites in our state organization.

Sid Smith, last year's champ with a sub par 71, recovered after a poor 42 on the first nine to post a 76, good for a second place tie with Johnny Krutilla, also of Quigley. Walter Crowe of Barry Council carried off individual honors with a 75, and Quigley Council congratulates a real champ.

BALL CLUB TAKES LEAD

In a thrilling ball game, Quigley down Madonna Council on June 26 at Mark White Square, by a score of seven to six. Quigley trailed in the last inning, but tied the score on Krolak's walk and a two bagger by Milanowski. Ray Radecki then decided the issue with a smash past the shortstop to score the winning marker. This win gave Quigley undisputed possession of first place in the Central division.

Quigley will meet Fort Dearborn on July 8 at Dearborn and a large delegation of Quigleyites will be on hand to cheer the team on to a championship. BARRY VETERAN TAKES ILL. K. C. GOLF TITLE

.3 Tues. . . . . 2856 Wash. Blvd.

It was a great day for the members of Barry Council, who attended the State K. of C. Golf Tournament at Olympia Fields Country Club last Wednesday. The dinner and a new champion of K. of C. golf is that old veteran, Walter Crowe.

Walter has knocked often at the door of golfing fame and many times he has been admitted. However, his victory of last week is without a doubt most cherished of all. Most certainly, the victory was thrilling to those of us who went out for a day of fun. It was the good start that will encourage our new G. K. Barry Cunningham for the coming year.

If you go back a few years (perhaps more than Walter would care to have me mention), you'll find the pages of local golf history often listing the name of Walter Crowe as the winner of golf tournaments. Such victories include the winning the Cook County Amateur Championship on three occasions. A record score of 26 for the old nine hole course at Garfield Park is just another evidence of his golfing skill. Our trophy case at the clubhouse contains many cups showing "Walter Crowe" as winner of several K. of C. events.

Walter has been a member of Commodore Barry Council since June 11, 1920, with few exceptions he has represented us in all tournaments sponsored by the State Council of the K. of C. As was often said on Wednesday after the scores were in. "Walter is a sweet golfer and a grand boy." Who could say more?

BARRY BOWLING LEAGUE

"Tempus Fugit" and before we know it we are ready for the next season of bowling, and for the season of 1941-42 the Barry Bowling League have some wonderful plans for the bowlers. As one of these is a Barry Special with all expenses paid except meals to the National K. of C. Bowling Tournament which will be held in Cleveland, Ohio, next year. In order to put this over we need your help, and an easy way you can help will be told in these columns later.

As you know, we will bowl at Cascade Alleys, 3825 West Madison Street again and are planning on increasing our league from a fourteen team league to a sixteen team league, so any of the members who would like to shoot next year in this classy league are asked to turn their name into the clubhouse and we will see that you are taken care of. We are also looking for sponsors for some of the teams and if any of the bowlers know of anyone who might sponsor a team would appreciate getting in touch with secretary of league at clubhouse.

As you know that the great "Oscar" is now on the job at Twin Lakes looking for all news about what is going on, so if you have any news that you think might be interesting to the members, why just look up our friend "Oscar" and he will see that it is passed on to the members. If you are unable to find this wizard just leave the news in the office and it will be given to him.

We are trying to create a kind of a family gathering up at the Country Club so little fun about this one and that one will put a little pep in the doings. And this column is for the guests keep the "car" busy with your report on who was there and what they were doing.

Arch. Weber's Scribe Gets Article Out This Week as "Penance"

1- Mon. . . . . 4758 S. Pulaski Rd.

The conclusion of the 1940-41 season is here for ye old Scribe; fifty-one issues have been successfully taken care of, and with the cooperation of Editor DuChateau and staff, each one was fitted into some slot in The Columbian. Nevertheless, the fifty-second issued becomes a problem—no news during the week. Friday night I joined the Retreat Class and now I am in a room with fie retreatants; two of them are strangers and one of Edgebrook Council. It is Saturday night, 10 o'clock, and lights are out, but through the courtesy of my fellow retreatants, I was allowed to have light in order to write these notes. And here is what little news I can think of while sitting at the walls.

PICNIC

Friday, July 4, is our annual basket picnic at Red Gate Grove, 97th and Archer Ave. Trucks will leave 48th and Pulaski at 11, 12 and 1 p. m. They will also stop at Archer and Lockwood. Dancing, baseball, games and gate prizes. Souvenirs for the children will feature the picnic program. Admission is free. Pat's hamburger and ice cream stands will be handy for your convenience. Don't forget our chairman, Vince Lelewicz, and his intelligent committee, who have planned to make this a success. Bring your wives and sweethearts, friends and neighbors, and enjoy yourself immensely.

The new officers will be installed by our District Deputy, Phil Nilles, on July 21st the second meeting of the month. The appointments for chairmen and committees will also take place that night. Make this a date, and give the newly elected officers courage and confidence to guide the destinies of your council to the best of their ability.

Birthdays and Anniv.—July 2, Jos. Bartusiak; July 5, Albert Ogar. Anniversaries: June 30, Mr. and Mrs. Louis Topolski, 18th; July 1, Mr. and Mrs. Peter Szyper; 28th and July 2, Mr. and Mrs. Matt Figura, 3rd. Congratulations to you all.

CAMP NEWS

The following brothers in service have sent their best regards to the officers and members of Weber Council: Pvt. Ed Podgorski, Anti-Tank, 1st Bn., 182 F. A., Fort Leonard Wood, Missouri; Pvt. Casey Paulinski, Battery B, 14th Bn., 5th Trg., Reg. Repl. Center, Fort Bragg, N. Car.; Pvt. John Rostocki, 60-H, 10th Inf., A.P.O. No. 5, Camp Forrest, Tullahoma, Tenn.; Pvt. Casey Chromik, "A" Battery, 124th F. A., Camp Forrest, Tullahoma, Tenn. Let us spare a few minutes to write to these boys and cheer them up.

To the rest of our brothers in service, please drop your Scribe a card giving full details of your life and your location. I assure you of making a paragraph in The Columbian for you. My address is F. A. Kubiak, 4950 N. Avers Ave., Chicago.

St. James Grateful to Champion J. Greene for Barbecue Efforts

2-4 Mon. . . . 64th and University Ave.

Led by our Champion, John Greene and chairman of our barbecue drive, members and officers of the council celebrated at the Palmer House, Monday evening, in a Victory dinner. Incidentally John is champion and likewise boosted our council 200 per cent over last year. The members thank John for his supreme effort and to that charitable cause which was indeed a worthy one.

Last Sunday, members and officers held the annual St. James picnic at Thornton, Ill., at the scenic Glenwood forest preserve. A fine ball game was played, led by Mgr. Mike Connolly and Jim Bird. Likewise golfing, refreshments, entertainment, prizes were all on the program. A fine crowd was on hand and festivities lasted until sundown with a fine time.

STATE GOLF TOURNEY

Members seen at the State Golf Tournament were G. K.-elect John McKean, D. G. K. Tom Groark, Chancellor-elect Dr. Clarence Strobel, Ed Bryar, Martin Quinn, Dan McKenna, Vincent McGuire, Robert E. Lee, Thos. Kelly, M. J. Moriarity, Chris Davis and others. Winners were Chris Davis who received a season pass to Westgate and Tommy Groark who received a Bombay cooler. After golf, cards and the supper were indulged in with a visit to the McGuire home later in the evening.

We missed Henry Woodmaster who is still laid up. We'll see you next time, Henry.

FIRST AND SECOND DEGREES

Last meeting St. James held a 1st and 2nd degree with a fine turn-out. We thank the degree team who did such a splendid job, namely: Frank McGillen of Genoa, Ambrose Burke, Dr. C. J. Strobel and Pete Wehle of our council and "Speedy" McGlynn of Ridge Council. The candidates were inspired thoroughly. Thanks again, brothers.

Next meeting, Monday, July 14, will be installation of officers.

SOFTBALL

Last Tuesday we met Loyola-Hyde Park and beat them 12 to 3 in a hitting spree led by MacSweeney, Merigold, Connolly and Bird. Home runs were hit by Mike Connolly, MacSweeney and Charlie Merigold. This was our 1st night with the new uniforms.

Thursday night the boys traveled to Santa Maria and we lost 3 to 1 in a close game. Several errors on our part caused us to lose but watch out next time, Santa Maria. This week we play Genoa and next Tuesday we play Neri at 76th and Lake Michigan, while Thursday, July 10, we meet Calumet at home.

Reservations for July 12-13, Twin Lakes, should be in to Ed Enright, Vin. 4141, by July 6th. Call him by then.

AROUND THE CHAMBER

Mr. and Mrs. Charlie Merigold won 1st place in the egg throwing contest Sunday, and received a nice camera to the Mrs. and a watch. Jim Bird and G. Thornton won the married men's race tieing in a dead heat. In the single vs. married men, J. Connolly was winner. In the fat men's race, Chuck Merigold again took away the honors.

A softball game was played against the South Shore Post Office Clerks in which we came out on top 14 to 11. All in all everyone had a fine time.

Old-timers seen at the picnic were Mr. and Mrs. John McFadden, Mr. and Mrs. J. McKenna, Joe Schneider and girl friend, Francis McGuire and girl friend, the winner of a barbecue prize, Dennis O'Neil, who is the son of Bro. Clifford O'Neil, a member of St. James, and many visitors. The committee deserves a good hand as they did wonderful work including: Pete Wehle, Larry Duby, Henry, Ray and Frank Steffens, John McKean, Joe MacGillivray, Martin Quinn, Ed Bryar, Ambrose Burke and others who aided in making it a success.

KETTELER LEADERS TO BE INSTALLED JULY 14

2-4 Mon. . . . . 3437 Ogden Ave.

The summer months have brought a lull in council activities so far as meetings are concerned, and as a direct result, news also is somewhat scarce. The next council meeting will be held on July 14, on which night the duly elected officers of your council will be installed.

It is the opening event of a new fiscal year, a year in which many and great things are expected. We trust that it will be an era of a new and large influx of new blood into the council. We hope it will be a year of many social events and triumphs, and above all else, as a Catholic organization we will more than ever respond to the appeals of our Holy Father for greater interest in Catholic Action.

PICNIC

The big event of the summer season, and practically the only event sponsored by the council during the warm months, is our annual picnic. Our picnics have always been something to look forward to, and this year should prove no exception. On the contrary, the grove we have selected and the program being formulated by the committee should prove an inducement to those who were inclined to forego the pleasures of a Ketteler outing and get-together affair.

Bergman's Grove, at 24th St. and Des Plaines Ave., because of its convenience and locality and because of the many splendid facilities it offers, has been chosen as the picnic site. It is only a few minutes' drive by automobile, and there is street car and busservice to the gates at all hours of the day and evening.

There will be a greater and better variety of prizes offered this year and a greater diversity of events for all ages from six to sixty. In other words, the entire affair is being planned with the sole thought of providing a day complete with pleasure and fun for you and your family and your friends.

Keep the date in mind, August 10! Keep the place in mind, Bergman's Grove, at 24th St. and Des Plaines Ave.

SOFTBALL

Next Thursday night our softball team will take on St. Francis Council at Sheridan Park. That will be the evening of July 10. Last Thursday night our team beat St. Patrick's Council, 9 to 2, at Columbus Park. We really have a good softball team this year, with a possibility of winning the championship of our division. Why not come out and lend the boys your moral support?

OFFICERS' MEETING: On Monday, July 7, at 8:30 P. M., your Grand Knight-elect, Edward A. Oakes, will call together all the present officers, officers-elect and all past Grand Knights in a special meeting to formulate plans for the coming year. All officers are urgently requested to be present.

St. Joseph's Urges a Large Attendance at Installation Meeting

1-3 Thurs. . . . . 57th and Archer-Summit

The first regular meeting of July will be held next week, Thursday, July 10, and will be the date previously announced for the installation of officers elected last month. It is the hope of those officers that you will be present on this occasion not only for their sake but also because your District Deputy will conduct the ceremony and respect for him should bring a larger attendance.

Today, Friday, the Fourth of July, is the anniversary of the Declaration of Independence and the greatest cause for celebration in the calendar of American history. We hope that every one will feel that spirit of thankfulness that should be imbued in every American and especially so in these times when the greatest privilege in this troubled world is that of saying "I am an American." Maybe many of you have relatives or friends in war-torn Europe who would probably give everything they have to have this same privilege, so thank God you are what you are and where you are.

The danger from the improper handling of fireworks is so great that we repeat what we said last week. Be careful! Especially watch children. Safety and sanity are better than sorrow and sickness. The American Legion invites everyone to enjoy the display to be staged tonight under their auspices.

We extend the council's congratulations to Bro. Martin Ferentehak on his appointment by the President to the office of postmaster in our community. We offer our personal congratulations to him and wish him every success.

We managed to get in touch with G. K. Lloyd and get the principal details of the special officers' meeting held last week. Due to the nearness of the date which is set annually for the third Sunday in July, it was decided to hold the picnic at Sag Grove.

The following chairmen of committees were chosen: G. K. Lloyd, general and games; Bros. D. Spadoni, games and prizes; J. Flaherty, refreshments; M. Dalman, grove, and the writer for publicity. The actual date this year is Sunday, July 20, and this of course will be kept, wet or fine weather, since the grove has inside accommodation which we hope will not be needed.

This annual picnic is for the enjoyment of members and their families in particular and especially for the children. If, however, you have a good Catholic friend who is not and should be a member of the council, bring him along and carry an application in your pocket.

Three good dates to remember: Friday, July 4, American Legion Fireworks Display, in Summit; Thursday, July 10, Installation of Officers; Sunday, July 20, Council Picnic at Sag Grove.

Marquette Has Several Members Present at Barbecue Celebration

1-3 Thurs. . . . . 1928 Devon Ave.

Guests of Marquette Council at the Victory Dinner last Monday evening at the Palmer House were G.K. John E. Hesse, P.G.K. and D.D. Arthur Donoghue, P.G.K. Jerome Graham, Warden Walter Pettis, Fin. Sec. Joseph Sacheck, Advocate James Buckley and Bros. Lyman Clark and Hugh McGovern.

At this dinner the profits from the recent barbecue in the form of a check was given to Bishop Sheil for his underprivileged youth, and the various Grand Knights of all the councils received a check in the amount of $2.50 for each book sold by his council. A complete audit of the Barbecue and details on the Victory Dinner will appear in the next issue, because of this week's early deadline.

DUES ARE DUE

Brothers, if you are delinquent in your dues, please contact Joseph Sacheck, our Financial Secretary at once as the trustees must audit our books on July 10. Many members are in danger of suspension if they do not remit by that day. If you are one of the delinquents, won't you please take care of the matter at once?

The grapevine advises that a bundle from heaven is expected very soon at the homes of Bros. Tom Carrol and Harry Hofherr. Happy it is for our officers to see the following newer members of our Council taking a deep interest in it. I refer to Bros. Martin Rauscher, John Lajka, Morgan Muench and Walter B. Panko. Bro. Phil Wetter has fully recovered from his recent attack of the flu. Bro. Winan C. Buettgen, head usher at St. Henry's, is very efficient and always on the job. He has promised G.K. Hesse that he will bring in some new members for Marquette Council. Don't forget, our council goes to Mayslake for our annual retreat on July 25 to 27.

Goodbye now until next week and here's hoping all our members and their families enjoy the coming weekend, and that no accidents in driving or celebration of the great national holiday will interfere in your happiness or of those who are dear to you.

FR. O'CONNOR SCRIBE LOOKING UP A.S.C.A.P.

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

We can't say he didn't warn us, but just the same, it's no fun. Another perfect Saturday afternoon spent writing this column. If this keeps up, I'm going to join a union. That guy. DuChateau (the editor to you) just isn't going to get away with it. Starvation wages, early deadlines, overtime without pay. It just isn't right. However, I suppose it's best to accept the inevitable, so here goes.

We're in receipt of a letter from the Maurice Baths at Hot Springs National Park, Arkansas. It comes from our good friend Marty Hough. He writes that he had had a dozen baths to date and they're doing wonders for him. He advises your scribe to make the trip for the baths as soon as I get a chance. It's a swell idea, but with writing this column, I hardly find time to take a bath at home. Seriously, we're very happy to hear that Marty is coming along so well and trust that he will return to us in perfect health.

Word reaches us that the council's soldier boy, Jack Reilly, has been transferred. His new address is, Pvt. John A. Reilly, Camp L. — 160 Regiment, Camp San Luis Obispo, California. Drop him a line when you find time. They say the boys just live for letters from their friends at home.

Two weddings rate a mention here, both took place last Saturday. Jack Gaughan middle aisled it last Saturday at St. Catherine's Church while Betty Purtell and Bob Besse were saying "I Do" at Our Lady of Mercy Church. Our sincere wish that both couples enjoy many years of happiness and wedded bliss.

Paul Mercer became the proud pappy of a bouncing baby boy last Thursday. The future knight and his Mama are doing just fine. However, the Doctor feared that he was going to lose the Daddy for awhile. He rallied valiantly after it was all over and with the assistance of Jack McGuire and Bill McCarthy ended up in great shape. Along the same line of thought, it won't be very long before we'll be informing you that Jack "Gumshoe" Keehan will be walking the floor nights with another little Keehan.

The last few paragraphs have been all good news. Now it's time for some real bad news. Father Farrell, of Our Lady of Mercy Church, will be transferred to St. Matthews Parish this coming Saturday. Father Farrell has been with us for seven years. In that time we have all learned to love and respect him. His departure will sadden us beyond words.

The Council Softballers shamefully admit their first victory of the season. They journeyed all the way to Wilmette, Illinois last Thursday only to find that the Ouilmette team had not shown up for the game. They even had spectators in the persons of Mr. and Mrs. Phil Doyle and their pretty niece from Providence High School. The team will be without the counsel of Manager Bill Sullivan for the next three weeks. Bill and his family leave very soon for their annual vacation. This Thursday's game with University Council has been postponed. Next Tuesday evening the boys meet DeSoto Council at Waveland Avenue and the Lake, and on Thursday they take on St. Cyr Council at Stanton Park, Clybourn-Evergreen and Larrabee Sts.

Bill King might have lost his way in trying to locate the Olympia Fields Golf Course and the State K. of C. Tournament last week, but he did come up with a prize. In addition to Bill, Fr. O'Connor's foursome was made up of Eddie Droske, Bern Kamins and Curly Button. Best score was turned in by Eddie Droske.

We're informed that Dick Navin left no question as to where his political sympathies rest when he plowed under a field of corn on his recent trip to Mechanicsburg, Ohio. This information comes to us by way of his waterboy.

A word of congratulations to Jack Hausmann who took his third degree last Thursday evening along with a record crowd of candidates in the John F. Bolton Class.

Grand Knight Bill Cunningham has recovered from his recent illness and is in perfect shape again. . . . John Metzen asks that we remind you that your dues are due. A statement of your account will reach you within the next few days. We ask that you make your remittance at once. The Trustees will audit the Council books in the very near future and warn that their intentions are to suspend all delinquent members.

Pinta's Grand Knight Picks Joe Stepenski to Fill Lecturer's Job

1-3 Thursady . . St. Mary's, Riverdale

Heading the list of appointments at Pinta for the ensuing year is that of Bro. Joe Stepenski as Lecturer. We agree with G. K. Prymas that his choice is a good one and that Bro. J. Stepenski, a newcomer in our midst, will give all he has to assure interesting and active meetings in our council.

Other appointments in accord with the five point plan of Membership, Publicity, Catholic Action, Program and Insurance will be made after the next meeting.

Due to an early deadline of the Columbian this week, there is no report made on Pinta's participation in the recent Barbecue nor on the Victory Dinner tendered to His Excellency Bishop Sheil.

The Bros. who attended the First and Second degrees at St. James bring back word that they were the most impressive exemplifications witnessed in many a day. Likewise the Third Degree at Fr. Perez Clubhouse last Friday was splendidly handled by D. D. Jerry Sheehan.

Pinta's new member is Egisto Carrarini of 13741 Leyden Ave., Riverdale. He was very much impressed last week. Stop in and get acquainted with Bro. Carrarini.

We are pleased to hear that G. K. Prymas is up and around again after a short illness.

Our late congratulations to G. K. Joe DuBois of San Salvador on his reelection, also to G. K.-elect John Mech of Garcia Moreno. As well as to G. K.-elect George Pallo of Chicago Heights. An opportunity to extend our congrats personally and to renew our Good Neighbor Policy is given us by attending San Salvador's picnic on July 27, and Garcia Moreno's sometime late in August.

At the Victory Dinner was shown the result of what the Knights of Columbus united can do toward Catholic Action. We can follow this example by our continued support in church and civic affairs which are sponsored or promoted by any Catholic organization in or about our community. Now more than ever our unity is urgently needed.

The next meeting of Pinta will be on July 17. Installation and 22nd Anniversary.

News is getting scarce, Bros. How about a word or two at Com. 1750? We wish him continued success in his new venture.

Gar. Moreno Is Host for Installations at Meeting Next Tues.

2-4 Tues. . . 155th and Lexington Ave.

Attention Brother Knights! Tuesday evening, July 8, is the date of our next council meeting. At this meeting, the joint installation of council officers of Chicago Heights and our officers will take place. District Deputies Edward Martens and Henry Hilkendorf will be the officers in charge of the installation. The meeting will be called promptly at 8 o'clock.

There will be a large delegation from Chicago Heights Council, and we hope our membership will turn out in large numbers to greet our new officers, and pay their respects to our retiring Grand Knight and other officers who go back to the sidelines after their labors for us and our council. Others who are leaving office are Lecturer Clyde White, Guard John Kerkhoven, Trustee Simon Ryan, Advocate James Munro and Ben Walenga. To the above retiring officers, the membership adds its sincere thanks for the splendid service performed by them. May their return to the sidelines again give them a rest well-earned.

No doubt we will again run into one of those warm evenings. Don't let that keep you away from the meeting. The Lecturer will provide ample refreshments for all. So as this starts the first meeting with our new officers. Let's hang out the S.R.O. sign. It can be done.

LAST MEETING NOTES

The attendance was fair, but the weather wasn't. Sick chairman reported that Clyde White broke a finger playing softball. Chas. Wisell, athletic chairman, reported that the softball team has a hard time to book games. He said the draft has broken up most of the leagues. Francis De Mayo, picnic chairman, said he hopes to have a complete report of the picnic chairmen appointees for our July 8th meeting. He also asks the members whom he appoints, to accept the given duties. G.K. James Mann reported on the blood donors groups. He said twenty-four members are typed and he urges others to contact him in order to raise our council group to one hundred members. Marty McGee, barbecue chairman, reported that there was fifty-nine books sold by the members. D.D. Henry Hilgendorf sold three; John Mac, 2; and Jimmie Young, 2. Bro. McGee said that the showing was about the same as last year, but he was disappointed that so many brothers took no part in the great Catholic Action. We thank all those who helped, and we might add that Bro. McGee deserves the thanks of all the membership for his splendid job.

P.G.K. Frank McMahon of San Salvadoor, and district chairman for the U.S.O., was present and gave an interesting and entertaining discourse on Army life and just what the U.S.O. will do for our boys in camp. Thanks for your visit, Bro. McMahon, Garcia Moreno will do its part. Bro. Simon Ryan made his last visit to our council for some time. He left last week for the state of Washington, where he will go into government service, not as a soldier but as a worker. We will miss Bro. Ryan because he has always been a real booster and worker for our Council. His many appointments, as well as the many offices he held, always were a real job. We wish him and his wife happiness in their new surroundings. His old side-kick, Frenchy De Mayo presented him with a traveling bag from the council. Bro. Ryan expressed his gratitude for the gift and assured us he would be very lonely for his brother knights.

Please Note—D.G.K. Jeo Dehnert-elect is the chairman of the sick committee. Make a note of his phone number and report all sickness and deaths to him. It is W-2750.

Hen.-Shields Officers Take Over Duties After Last Meeting

July 9-Aug. 27 . . . 446 N. Parkside Ave.

LeRoy F. Cummins, newly installed Grand Knight of Hennepin-Shields Council, brings to his high office a wealth of experience in fraternalism and a volume of ideas, which he intends to put into practice for the further prosperity and success of the council. The ideas and experience have not come overnight, but are the result of observations and service during the passing years.

Brother Cummins began his career in the parish of St. Charles Borremeo, the parish in which many notables of today started their journey of life, and following his graduation there, completed the course of the studies at St. Patrick's Academy.

After his school days, he took up the study of electrical work, interrupted by two years' service in the U. S. Navy, from 1917 to 1919. After his navy service he resumed his profession and went along with such excellent progress that he is now electrical engineer for the city of Chicago.

G.K. Cummins entered the K. of C. some 22 years ago, joining Hughes Council, transferring to Hennepin-Shields Council some ten years ago. His interest in council work and willingness at all times to give time and assistance to council projects soon put the finger on him with the result that he was appointed Lecturer, serving two years, followed by his election to Deputy Grand Knight for two years and now his elevation to the high office of Grand Knight which he has well merited.

A member of the Elks, he is Past Exalted Ruler of the Oak Park Lodge, Treasurer of the Harmony Club of Chicago and a member of the Holy Name Society of Resurrection Parish, in which parish he has resided for the past twenty-five years in the family home at 4814 Jackson Blvd. Mary, his wife, a son and daughter complete the picture of a happy family and we wish G.K. Cummins every success in his tenure of office.

MATTHEW J. FARLEY

Matthew J. Farley, member of Hennepin-Shields Council was called to his eternal reward June 7. Funeral was held June 9th from Costello's Chapel to St. Thomas Aquinas Church with burial in Mt. Carmel. To his wife Catherine Mackey Farley and members of his family we extend our sincere sympathy. May his soul rest in peace.

Many thanks to D.D. John McKeown and his Warden, John Bannon, both P.G.K.s of Hughes Council for their able installation of officers at the last meeting. These gentlemen did a grand job, despite the heat, and we are greatly appreciative of their efforts. The unusually large attendance and general air of enthusiasm was an indication of great days ahead.

D.D. McKeown's talk to the council was well given and well received. Warden Bannon's remarks were sincere, but too many of those might give us a bad case of swelled head.

A sad event occurred in connection with the death of Ralph Carroll whose death took place last week. His mother, Mrs. Belle Dodge Carroll who had been ill for several weeks passed away on Monday, June 23rd, without realizing her son had already passed on. Her funeral was also held on Tuesday, at the same time as Ralph's, with burial in St. Joseph's Cemetery. Our sincere sympathy to Don J. Carroll, the remaining brother. May her soul rest in peace.

John Daly of 4700 Gladys Ave., is reported on the sick list. Visits of friends of the ailing brother will be appreciated.

Doctor Freeman reports the arrival of a baby girl, born at St. Anne's Hospital, June 14. Mother and daught are getting acquainted nicely. Co gratulations and best wishes.

This is a busy year for the Quill far ily clan. Charlene, daughter of Charl graduated on June 26; Walter, son George graduated from Austin on Ju 25, his eldest daughter Gertrude pla marriage on October 4, and the la Jerry Shanahan's sons, Martin, will married July 7th to Mary Hermann, a Edward will be married on Septemb 6 to Marie Charlton.

It is confusing trying to determi what is a patriot this year. If y want to go to war you are an interve tionist. If you want to stay out, y are an isolationist. Maybe, in the b ginning, we should have minded o our business, as George Washingt advised. G'Bye.

YOUR VACATION

As vacation time draws nigh, don't forget to scribble your scribbler a note or card. As you know he always dislikes to hear from you at some haven, miles and miles away from the sweatshop. It always makes him feel bad to know you are having a swell time, catching a lot of fish, enjoying a lot of rest and the company of the fair sex parading around the resorts. Although being somewhat jealous, he is nevertheless somewhat suspicious, as well, about the swell time you are having and the big fish you are catching, but in any event, let's hear from you—address—Charles F. McCarter, 30 North La Salle Street, Chicago.

DE SOTO EVENTS: Brothers, as I sit here submerged in a bathlike perspiration, I am reminded of two important events on which I should really bear down—it's too hot—but just a reminder of De Soto's Golf Tournament on July 15 at Sportsman's Park and De Soto's Annual Basket Picnic at Northwestern Park in Des Plaines on August 10. Jot them down immediately, without delay.

Americus Installs Geo. Howlett G. K.

Among the host of friends who attended the installation of George Howlett as Grand Knight of Americus Council last week were the state officers pictured above.

Rear, l. to r., are: Raymond F. Gleason, State Secretary-elect; Henry J. Lynch, Father Thomas M. Keenan, and retiring G.K. Ned Kelly. Front row: Leo M. Flynn, State Deputy-elect; George Howlett; Judge John F. Bolton, State Deputy; and Michael J. Howlett, Supreme Director and a brother of Grand Knight George Howlett.

The officers for the ensuing year were installed with full ceremony at our last meeting. G. K. George T. Howlett's acceptance speech, the theme of which was appreciation of the honor of membership, was a masterpiece. He was followed by State Deputy Judge John J. Bolton, State Deputy-elect Leo M. Flynn, and State Secretary-elect Raymond T. Gleason, all of whom eulogized George, deservedly, and enlightened an interested audience on many phases of the fine work and accomplishments of the Order in the State of Illinois and nationally.

At the beginning of the meeting P. G. K. Thomas J. Gannon, Warden John Whalen, and Outside Guard William Twohig were excused for the purpose of going to the hospital for an emergency blood transfusion to a needy patient.

Brother Costello reported that Americus' soft ball team so far this season has won its contests against St. Patrick s, Damen, Kettler and St. Francis Xavir Councils and lost one to Chicago. We sincerely hope they win the remainder of the games on their schedule and follow through the finals at the same speed. Through D. G. K. John J. Powers, the remaining home games will be played on diamond No. 8 at Garfield Park.

We note from Father O'Connor column that Brothers Al Stagg, Bob Boland and Joe McGuire participated in the recent golf tournament. Through the grapevine we understand this triumvirate of golfers all qualified for prizes.

Congratulations to the following new members who received the Major Degree of our Order on June 27th. Rev. Louis M. Courtney, O. S. M., Wilburt Murphy, and Harry G. Pokorny (son of Brother George Pokorny).

Brother Henry P. Ryan is leaving for a three weeks' trip by motor to Arizona and surrounding terrain.

Through necessity, but with deep regret, your scribe pro tem must forego the pleasure of further offerings to this column. Continuing to do so would mean detracting from the duties incident to Council finances.

IMPORTANT ITEMS

There has never been a time when prompt payment of your indebtedness has been more important than at present. As mentioned previously, payment must be made in full each month to the Supreme office covering insurance assessments of every member . . . which is only good business procedure on their part. Those members who do not remit promptly force the burden on the Council of advancing the amount of their assessment each month in arrears.

Other large items of expense incurred are Supreme Council, Illinois State and Chicago Chapter per capita taxes; monthly payment for the "Columbian," hall rent, postage, and a myriad of other miscellaneous expenses . . . and usually the last to be paid, officers' salaries.

One of the bright minds of the Council recently made a suggestion that the salaried officers accept a twenty-five per cent reduction. For the amount of time and energy that is required in the performance of his duties, no paid officer of Americus Council would even think of accepting from a business firm less than four times the amount of remuneration he is receiving from your Council.

The main objective of the Knights of Columbus is to bring into closer contact Roman Catholic gentlemen, for the purpose of increasing their happiness and that of their families. The welfare of the individual member is the right foundation for a highly efficient and successfully operated fraternal organization. Success in any enterprise can be gained only through concerted effort. All members who can possibly be active are invited to volunteer their services in the hope of making Americus the outstanding Council of this jurisdiction.

So sayeth the last chapter.

Chicago Installation Ceremonies Set for Next Tuesday Night

2-4 Tues. . . . . 64 E. Lake St.

Next Tuesday night, July 8th, Chicago Council No. 182 begins another fiscal year. The new officers will be installed and we will have some kind of pow-wow. Nothing can be said about the nature of this festivity because weather has a lot to do with the Lecturer's plans—and you may remember how warm it was earlier this week. Well—come to the installation and give our new officers a rousing send-off.

BARBECUE

While Chicago Council exceeded its last year's barbecue record, two or three other councils had been stirred out of what might have been a sort of lethargy, so they beat our percentage record and kept us out of first place honors. Outside of that, we have no comment.

Our Chicago Council, thanks to our very active chairman, Jack Caponi, and to Co-chairman Charles Schroeder, and to our hard-working co-pilots, did better than last year, and thanks are also extended to the members who sold the books. For another year Chicago Chapter has been able to accumulate a tidy sum to help finance our Bishop Sheil's program for our boys and girls.

SAFE JOURNEY

G. K. Henry L. Phoenix 'phoned that he had just received a postcard from Sam and Rose Mercurio dated at Avalon out on the west coast. They were enjoying a blissful itinerary, twice crossing the flower-strewn path of another pair of Chicago honeymooners popular at Chicago Council. P. G. K. Charles Lannon of Brownson Council and his charming bride turned up at Grand Canyon and again on the Pacific steamer on the way to lovely Avalon. How small is the world. (Sam conveyed Chicago Council greetings to Bro. Lannon.)

Ouilmette Sends a Large Delegation to Bolton Degree Class

2-4 Mon. . . . . 1217 Wilmette Ave.

Led by our new Worthy District Deputy Bro. Ed Jeffers, the new officers of the council were inducted into office in an impressive service. Many of the brothers were quite pleased and so expressed themselves, in particular Brothers Tom O'Rourke and Johnny Bell. Several of the brothers from the neighboring council in Evanston attended the ceremony including Messrs. Lewis Bisson, Ken Lawson and Eddy Atchison. All three of the Newmanites expressed their appreciation for the spirit of cooperation and comradery existing between Ouilmette and Newman councils. After the meeting our Worthy Lecturer spread out one of the most replete lunches ever beholden by the eyes of his fraternal brothers, being complete down to radishes, shallots and plates (paper).

The bus hired to carry the brothers down to the exemplification of the third degree last Friday night was filled, and several of the brothers drove down in their own cars. The following applicants "took" their third degree that night and on behalf of the entire council I extend to them the fullest congratulations and a warm welcome: Messrs. Bob Rudd, Jr., Ed "Moon" Schneider, Don Pearson, Harold "Patsy" Steffens, Art Thalman, Walter Scanlon, Nick Schwall, Jr., Frank Frigen, Jr., Jerome Kenney, John Schneider and Ed May.

Brother Peter J. Steffens, financial secretary, reports that the council turned in 136 barbecue books which gives the council an average of approximately .65 books per member. This is the best in gross returns and on a percentage basis ever achieved by our council. Congratulations, brothers.

Brothers—from now on—the picnic is the thing. Der Tag is July 20, 1941; der Platz is Northwestern Golf Club woods just west of the clubhouse which is located on Highway 58 about one mile west of Harms Road. The picnic committee announces races, softball, games and fun for all and above all a hearty welcome.

OVER THE CLOTHESLINE

Brothers Doc Genster, Lawrence Schaeffer and party returned from Squirrel Lake, Wisconsin, with a wonderful story of the fighting qualities of the ferocious northern perch, and brought along some of those ferocious fighters just to prove it. It's too bad they had to pick out a lake with a name like that. Brother Clarence Brown also came back with the "wrong wind" story.

Next meeting is July 14, 1941 one week from next Monday, when you will hear more about the barbecue results and that big picnic.

DE LA SALLE INSTALLS OFFICERS NEXT TUES.

1-3 Tuesday . . . 1105 E. 47th Street

Come one; come all!!!! De La Salle installs new officers on July 8th—so goes the headline of the latest report on our council. On that evening we will install those men who have been chosen to lead the council to another successful year. We'll give the officers the reception due them for the work you will expect them to do. You know, officers can do just so much by themselves, it takes the wholehearted cooperation of the council to give them support. Not only must a few do their duty, but many must come forward to make the year 1941-42 one of the best in the annals of D. L. S.

We might be expecting too much, but we do want to see a goodly number of new candidates join with us within the next year. Each and every present member is expected to bring a new member, and that isn't difficult by any means. Just think how many Catholic men, particularly your acquaintances who are not brother knights. It has been the personal experience of a number of us that some of these fellows are just looking for someone to ask them to join. And if you think that isn't a fact try it out yourself on some friends, and be amazed to find how much truth there is in that statement.

While on the subject of new members we will tell you about the officers' meeting which was held last week. It was decided at this meeting to set up a definite program to bring all you stay-at-homers to our meetings and to establish a drive for new members. However, the program won't get into full swing until the fall, when by that time, all vacations should be over with and very few will have a legitimate excuse for not attending.

The installation on July 8 will begin promptly at 8:15, in order that it will be completed in a minimum of time. The first order of business will be a short meeting. It is guaranteed by G. K. Emmett Markey that everything will be over by 9:30 at the latest. If it isn't, Bro. Markey has been put in charge of the complaint department for the evening, but I don't think he will have any business on that score. Plenty of refreshments have been promised by Bro. Bill Bardon, our perennial and accomplished chef.

Congratulations and best wishes to F. S. Dick Zellar, who is to approach the holy bonds of matrimony on Saturday, July 12, at 10:00 A. M. in St. Ambrose church. The lucky girl, as Bro. Zellar would have it, is Miss Cecelia Elizabeth Moore. Let us take this opportunity to wish them all the blessings of a happily married life. A cordial invitation has been extended to all of Dick's brother members to the wedding reception, being held at 4527 Ellis avenue from 7:30 P. M. Saturday evening until?

Last Monday night the Barbecue Victory Dinner was held at the Palmer House, at which time was distributed the councils' share in the proceeds of the Barbecue. De La Salle's representatives were Bros. Bill Meehan, Emmett Markey, Ed O'Keefe and Jim Young. Wait until you see the check that has been given to De La Salle for its share, this check being made possible only through the steady work and hearty cooperation of all our members. The above mentioned brothers being particularly due for praise because of the lion's share of the burden which they shouldered. As for the exact amount of the check we will be forced to wait until next meeting before we are able to publish it.

Chi. Heights Looks to Good Year With G.K. Geo. Pallo at Helm

2-4 Mon. . . . . 1527 Otto Blvd

The meeting of June 23 was the closing chapter for the fiscal year, and now is the time to look forward to the coming term under the leadership of our G. K.-elect George Pallo with keen interest. In view of his past efforts in behalf of Chicago Heights Council, we feel sure that during his tenure of office George will devote all of his time and energy for the success and welfare of our Council.

As in past years, our newly elected officers will be installed jointly with Garcia Moreno's at Harvey. This will take place Tuesday, July 8, and we would like to see a large delegation of our members with us on this occasion. The summer months are here again and therefore there will be only one meeting in August and September on the fourth Monday. The regular July meeting will be omitted due to the installation.

To carry on the splendid work started by retiring G. K. Joe Dionne is going to require the full cooperation of the members of our council. So let us remind you of the following: Our next regular meeting will be Monday, Aug. 11, and for the event we would like to see a well attended meeting, so be there and help your new officers by your cooperation.

Champions All

Pictured, in the top strip above, with all the spoils of their victory are the 1941 Illinois K. of C. golf champions. From left to right are: Walter Crowe, Barry Council, individual low gross winner; Barney Cunningham, G.K. of Barry, with the council individual low gross trophy; John Jankowski of Archbishop Quigley Council with the second low gross cup and accepting the third low gross award from donor Wm. S. Toohey (won by Sid Smith and Johnny Krutilla).

Second from right, is Leo Sliwinski of Tonti Council, winner of fourth low gross and at extreme right, Johnny Costello holds the team low gross cup won by the Quigley foursome.

In the bottom picture, State Athletic Commission Chairman Thomas D. Griffin (at mike) calls upon State Deputy Judge John F. Bolton (left) to address the dinner guests as Edw. Turner, Fred B. Snite, State Deputy-elect Leo M. Flynn and Ed Lavin look on.

G. K. Dionne expresses his appreciation to the officers and members who so graciously helped during the past two years.

SICK AND VISITING

Bro. Edward F. Widing is now at home again at 1205 Emerald Ave., after being confined in St. James Hospital due to an operation. He is progressing very favorably. Ed will welcome a visit from members and friends.

LAST MINUTE REPORT: A special meeting will be held July 7, at 8 o'clock, for the sole purpose of electing the following new officers: Deputy Grand Knight, Treasurer, and Recorder, in place of those elected at the meeting on June 9, and who for various reasons will not be able to serve as officers during the coming year. We urgently request you to attend and help select candidates for these offices.

FEEHAN OFFICERS WILL BE INSTALLED TUESDAY

2-4 Tues. . . . . Hamlin and Madison

Tuesday, July 8, will be the occasion of the installation of officers for the coming year. This is an important piece of business, and now is the time to let your officers know by your attendance that you are back of them 100 per cent. Let's start off a banner year in bang-up fashion by filling the hall next Tuesday night.

Final barbecue returns show an increase over the past few years, for which Chairman Ed Morrissey is very glad and Feehan Council duly proud. For a while it looked rather bad for the Underprivileged Youth, but last minute returns cleared the decks and saved the day. Leading the parade with 5 books apiece, were Bros. Gil Bussey and Pete Cantalupe. Bill Collins disposed of 3 and Ed Butler, Ed Morrissey, Earl Grondy, Jimmy Shea and Frank Tamburrine, 2 each. The names of other members who participated in this drive will appear in this column at a later date.

U. S. O.

The United Service Organization, as most of us know, was formed for the purpose of supplying aid, comfort, advice and recreation to the boys in the armed forces. The administration of this group is nonpartisan and non-sectarian, but all social and religious groups and bodies are expected to contribute to it and to support it in other ways.

Needless to say, the Knights of Columbus is ready and anxious to do its part in the development and execution of the U. S. O. program. What tasks will be assigned to the order, to each council and to individuals participating, is to be determined by a committee of Knights from the various councils in the Chicago district. Feehan Council representatives on that committee are Bros. Harold Crotty, Tom Collins, Len McSteen, Bill Collins, and Walter Brouder.

Stand by for further orders.

GOLF

A large group of members of Feehan Council attended the State K. of C. tourney at Olympia Fields, Wed., June 25. The day was ideal, and we failed to find anyone who wasn't enjoying himself to the fullest. Feehan's team, composed of Bros. Augie Tamburrine, Joe I. Collins, Roger Power and Ed Morrissey, made a credible showing, finishing third in a very large field.

Jimmy Collins won the G. K.'s award (a handsome bag), while other lucky winners were Bill Collins, Roger Power and Jimmy Opelka. Someone resurrected Ray Sullivan and brought him out to Olympia Fields. Don't be such a stranger, fellow. Get around to a few of the meetings, and bring those other three lugs along. We can hardly wait until they show the movies that were snapped during the day and evening. Very candid and sh prove quite interesting.

MATCH-PLAY

Second round winners to date in "Feehan Tourney," Walter Brouder Ed Ryan, Len McSteen beat Ed Cor Joe Malley beat John Dooley and Collins beat Ed Morrissey. Some round matches are yet to be played, going girls, we've only got all sum and it's already the Fourth of July.

Genoa Wins Trophy for Attendance at State Golf Tourn

AZARETH OFFICERS READY FOR BIG YEAR

Tues. . . 17 W. Harris, La Grange

ith a new regime coming into power he council comes also new faces in ous positions, as well as the retention ome of the present occupants of posts he council lineup. Among the latter K.-elect Francis advises are F. S. vka as financial secretary and the Rev. John O'Shea of St. Joseph's Parish, ners Grove, as Chaplain. We think e are very wise choices.

Father O'Shea we have one of the ger element of the clergy who is pop- both in his parish and among the bership of the council. He has at- ed our meetings as frequently as his h duties would permit which action not gone unnoticed by the rank and of the membership.

e retention of Frank Polivka as cial secretary is an action which s with the most hearty approval of nembers of the council. Frank has on this job almost uninterruptedly nany years and in the course of that has garnered a wealth of knowledge h has been brought into play on y occasions to the benefit of the cil. tee we have, well who do you think? You're right! It couldn't possibly be any one else than the one and only P. G. K. Halm. As a matter of information to all concerned Brother Joe is also division chairman for the U. S. O. which shows that others outside of our council recognize his qualities.

Brother Joe Woods is going to be a very surprised young man when he reads these lines. He was elected inside guard at the last meeting. It came about this way. Bob Lester was originally elected but found that he could not discharge the duties of the post, so at the last meeting he asked that he be permitted to resign, which permission was reluctantly granted. Brother Woods was then elected in his place and he was not in attendance. You'll have to attend now, Joe! We do not like to see Bob Lester step out this way as we think he has some good stuff in him and we hope our new G. K. will have some post for him so that we can avail ourselves of the talent we know he possesses.

Harking back once more to the barbecue we find that Bill Gersch from Berwyn was lucky enough to have sold a winning ticket. Nice going, Bill. Brother Frank White is still confined to the hospital. He has been there for quite some time now and would appreciate callers. He is at St. George Hospital, 79th and Normal, in Chicago. Some time if you are in that neighborhood, stop in and see him. The visiting hours are from two to four p. m. Jack Warner is still confined to his home in Brookfield and he too would appreciate callers.

Under the heading of coming events we have the annual golf tournament coming up soon. The event this year we understand is to be under the supervision of those two demon golfers, "Papa" Simmons and "Doc" (call me Chipso) Lalonde. The date and place has not yet been set but we know that under this leadership we are really going to have a real tournament.

As often mentioned before we are always happy to hear of the success of one of Nazareth's brothers. This time our congratulations go to E. J. Farrell of La Grange. He was recently given the honorary degree of Doctor of Laws at Loyola University. He is a member of the administrative council of the university and was the only one to be recognized with an honorary degree at the commencement exercises of June 11. Brother Farrell served as captain in the 369th infantry during the World War and is a graduate of Northwestern Law School. Congratulations from Nazareth to you, Ed. Farrell.

Don't forget, only one meeting in July and one in August. The July meeting will be the 22nd. Please arrange to attend this one as we will have an item of expense in connection with the barbecue to be voted on. Be there and express your preference.

Auburn Pk.'s Chaplain, Father Leo A. Smith Is Assigned to New Parish

2-4 Thurs. . . . . 7740 S. Emerald Ave.

Seven years ago there came into St. Leo's Parish a young priest who was transferred from St. Killian's Parish at 87th and Aberdeen Streets, just at the time when our previous Chaplain Reverend John Halligan was transferred from St. Leo's Parish to Nativity at 37th and Union Ave. Shortly thereafter Rev. Leo Smith signed an application and joined Auburn Park Council, and during the term of G.K. Richard J. Knight Father Smith was appointed Chaplain and he has been succeeding himself in that capacity for the past five years.

During this time our worthy Chaplain has been most energetic in his efforts to carry on the duties of that office, being most consistent in his attendance at wakes and funerals, and very regular at attending Council meetings. Each year on the Annual Communion Sunday at St. Leo's High School Chapel, Father Smith makes the necessary arrangements to say the Mass at which the Council attends, and has been outstanding in his remarks from the Altar on each occasion in praising the Knights of Columbus and particularly the many activities in Auburn Park Council.

About ten days ago Father Smith received a letter from the Chancery Office assigning him as an Assistant Priest at St. Thomas the Apostle Parish at 55th Street and Kimbark Ave., where Rev. Monsignor Shannon is the Pastor and our Worthy Chaplain reports for duty in his new assignment next Saturday morning.

Inasmuch as Father Smith is going into a new field and doesn't know whether he will be able to carry on as Council Chaplain he tendered his resignation to the Grand Knight, and while we of Auburn Park are going to miss the good advice and pleasant association with Father Smith, we wish him every success in his new surroundings, and hope he frequently has the opportunity of attending future Council meetings and to keep the contacts he has made during his many years in Auburn Park.

REV. WM. L. DEVEREAUX APPOINTED

Two years ago we had a young priest assigned to St. Leo's Parish, Rev. Wm. L. Devereaux, who since his assignment has been in charge of St. Leo's Holy Name Society, and on Friday, June 13th at St. Rita Council Club House took his first and second degrees, having since taken his Third Degree at Perez Club House on Friday evening June 27th.

At the invitation of our Grand Knight Harry J. Cox, Reverend Father Devereaux is being put to work immediately upon his admission to the Council having accepted the duties of Chaplain, succeeding his associate Father Smith and we trust he is left in our community for many years to serve in this capacity and we wish him every success.

COUNCIL ACTIVITY

During the past week our softball squad took St. Rita Council into camp to the tune of 5 to 0, this being their fifth consecutive victory, and on Thursday evening at Hamilton Park we met a very fine aggregation from McHale Council and after winning the first game from this team earlier in the season we met our first defeat to the tune of 10 to 3. The next game will be played on Thursday evening July 3rd against Englewood Council.

The mother of one of our new members, Brother Robert Rettenbacher passed away Friday, June 27. We extend our sincere sympathy to Bro. Rettenbacher and family. May her soul rest in peace.

Each year in a competitive examination at Leo High School an Auburn Park Council Scholarship is awarded to some student. The winner this year is Robert O'Neill, son of Brother Frank O'Neill of 7835 Green Street. Robert was present at the last Council meeting with a letter from his parents expressing their appreciation to the Council, for this opportunity given this young man. We hope he continues his Catholic education and eventually becomes a member of Auburn Park Council.

Englewood Has Fine Suggestion on How to Aid Service Men

2-4 Mon. . . . . 150 W. 69th St.

Last week we told you about the drive being conducted by the U. S. O. for recreational facilities and centers for the boys in the various camps, and there is no doubt that every member is well informed as to its plans and purposes.

However, besides contributing to this cause in a financial way we can assist those we know in camp in a much greater way. That is by writing to them. I have had occasion to write to at least a dozen young Americans, some of them Knights, who have been called since last August, and their constant appeal is to continue writing, and to tell all their friends to do likewise. A little letter from home, telling the boys what is going on helps to while away what would otherwise be a very dull and lone some evening. And you too will be surprised at the vast information and news contained in the letters you receive from them.

To date we have three members of Englewood Council who have been inducted into the United States Army under the Selective Service Training Act. They are Brothers Pvt. Jos. Malloy and Pvt. Jos. F. Kohler with Company K, 10th Infantry, Camp Custer, Michigan, and Pvt. Richard Prendergast, Field Artillery Battery D, 27th Battalion Replacement Center, 6th Training Regiment, Fort Sill, Oklahoma. Arrangements have already been made to have The Columbian sent to them direct at camp to keep them informed of what is going on at the Council, and a letter from them shows that this has been greatly appreciated. How about you writing a few lines to them? And when you hear from them let us know so that we can let the rest of the Council know what they say.

E-THLETICS

Our report this week can just as well start the same as the last, that is, we are still looking for our initial victory, for again last week we were dealt a double dose of defeatitis. But we seem to have found the cure for it, and don't be surprised to hear nothing but victory reports from now on.

Last Tuesday McHale took our measure at Hamilton Park, but the defeat was encouraging to Manager Hannapel in that it produced a full team for the first time this season. Again we had the same turnout Thursday at Meyering Park against St. Rita and had the taste of victory, sweet victory, until the last two innings, when we were leading 5 to 2 at the end of the 5th, but then the Rita Bombers plastered us all over, and took in 11 runs in the last two innings.

Following is the schedule for the balance of the season. July 8th, McHale at Englewood; July 10th, at St. Rita; July 17th, at Auburn Park; July 22nd, McHale at Englewood; July 24th, at St. Rita; July 29th, Auburn Park at Englewood; July 31st, at McHale; August 7th, St. Rita at Englewood.

E-NGLE WOOD-CHIPS

A Happy Fourth of July to you . . . and don't hurt with those fireworks . . . be scotch like me and snap your fingers . . . but watch out for the blisters. . . . Congratulations to Bro. Frank McGuire, Jr. and Germaine Mulholland, daughter of P.G.K. John A. Mulholland, who middle-aisled it on Saturday, June 21st, 1941 at St. Columbanus Church. . . . The couple spent their honeymoon in the Smoky Mountains and should be home this week. . . . Bro. Jimmy Howard was one of the ushers. . . . I see where the South Side Bowling League will be functioning again this fall, and that Englewood Council has a team entered. . . . But this is going to be tough on Kaptink Charley Huguelet, our star first-baseman . . . for the league is to bowl on Monday nights. . . . However, Charley is looking for recruits . . . anyone interested call him . . . which reminds me that Athletic Director Joseph Hannapel is again talking about having a Council bowling league this fall. . . . This is the right time to get started so why not come up at the next meeting and discuss this activity . . . it is one of the real worthwhile activities of the council that will tend toward better relationship and good fellowship among the members during the winter months. . . . Congratulations are also in order to 324 President Chas. J. O'Brien for having the largest individual turnout at the last State Golf Tourney. . . . Didja know that John P. O'Brien is beginning his 21st year as Trustee of Englewood Council? . . . and didja know that Adolph Minster is beginning his 24th year as Treasurer? . . . The Junior Baseball Team is entered in the Hamilton Park Junior League and will begin play next Sunday afternoon. . . . The complete schedule will be drawn this week and will be published next week. . . . Until then, here's hoping you stand the heat better than I do. . . . That's all.

St. Augustine Pleased with Skill Displayed in Handling Elections

1-3 Mon. . . . . 5209 S. Justine

"You never miss the water till the well runs dry" (author unknown to Scribe). And so it is with this column; miss writing one week and you really find out how many members and their families read these notes. Please excuse your humble servant and remember the hot weather. Referring back to last meeting, let us begin by saying that it was gratifying to see so large an attendance. Thanks to our D. D., Ald. James J. McDermott, for taking time out from his many duties to conduct our election. The alderman was in rare form and handled the election with skill and tact.

D. D. Judge Joseph B. Hermes rendered a splendid oration, choosing as his subject "The U.S.O." To verify the remarks made by D. D. Judge Hermes, the next speaker of the evening was our Past Lecturer, Corporal Joe Ossowski, who was on furlough from his cantonment in Cheyenne, Wyo. Corporal Joe told of the necessity for organized activities during a soldier's free time. We appreciate your nice remarks, Joe, and hope you will come to see us again, if you are in town. There were many old-timers and once-in-a-whilers present and we tried to get most of their names during the meeting. If we missed someone, we are sorry. Among those present were: Clem Lesicki, Felix Strzelicki, Phil Breitzke, Vinc Slowinski, August Golz, Geo. Burg, Victor Koscianski, Wm. Novak, Al Fanny, Phill Bross, Steve Martin. We also noticed that a couple of our new members don't believe in missing a meeting. Leo Haselberger and Roman Kaminski attend regularly.

WHAT-DYA-KNOW

Bro. Mike Popernik vacationed in Kansas because it wasn't hot enough in Chicago. He enjoyed the trip to the hot zone so well he took an extra week to tour northern Wisconsin and stopped at Riverview for the barbecue on the way home. Felix Kazmer keeps his candidates coming all the time. Nice going, Felix. Advocate Dr. F. G. Kuchler and his beauteous spouse just returned from Portland, Oregon, and Yellowstone Park. Haven't seen the pictures yet, but they ought to be dandy.

Bro. Chas. Subr sold a winning ticket at the barbecue. Will someone who attended the recent State Tournament at Olympia Fields please call Prospect 1513 and give the details. Also anybody else with news. Financial Secretary Al Labuhn just 'phoned and says to mention that we have only a dozen members who are not paid up with their dues. May we suggest that you take a look at your dues book just in case you think you're paid up and the book shows differently?

St. Francis Gains Century Club with 107 New Members

Meets July 10 . . . . . 4715 W. Madison

Dear Brother Knights: Another year has passed and again St. Francis Xavier Council has taken its position at the top of the ladder of success amongst the other councils in Cook county. Our various accomplishments in the past year such as the membership drive (107 new members and a Century Club rating), Barbecue (193 books sold), Blood donor group, the most successful dance in the council's history, Communion Sunday and Mother's day program, children's Christmas party, Ladies Night, third place in city softball tournament and other events have been successes only because of the fine cooperation of each and every member of the council. Because of all the above accomplishments we have again been honored with the Star Council Rating from the Supreme Council for the third consecutive year.

Brother Knights, as your grand knight I want to thank each and every member for the individual and collective efforts put forth in all of these programs.

I would like to ask each and every member to continue to give his fine support and cooperation toward the council activities in the coming year, and keep St. Francis Xavier Council on top again at the close of the fiscal year ending June 30th, 1942.—Fraternally yours, Carmen Baptiste Mele, Grand Knight.

CENTURY CLUB

For the first time in its history, St. Francis Xavier Council has made the coveted Century Club. During the past year 107 new members have joined the council. Grand Knight C. Baptiste Mele, membership chairman D.G.K. Salvatore Cirrintano and all the members are to be congratulated on this very splendid accomplishment. (Ye scribe is especially happy because he is the first scribe able to make such a report and because he is one of the history-making new members.)

INSTALLATION OF OFFICERS

Will take place at our next meeting, July 10th, under the supervision of D.D. Phillip C. Nilles. All the members are urged to attend. Plenty of refreshments for all. At this meeting the grand knight will appoint the lecturer and financial secretary and the various committees.

NOTICE: As is the custom we will have only one meeting during July and August—July 10 and August 14. The second meeting of each month has been cancelled for the summer months.

Bro. Pasquale Giampa, a member for 20 years, passed away early Sunday morning after a short illness. Bros. Mike and Tony Magaine were saddened last week at the death of their mother. To the bereaved families we extend our sincere sympathies. May the souls of Bro. Giampa and Mrs. Magaine rest in peace. . . . Bro. Alphonse Furlan, who brought in ten new members since he joined last November and sold at least that many barbecue books, and his family are vacationing in Hartford, Michigan. . . . Sheik Pintozzi, besides selling coal, is now in the furniture business. . . . Bro. Edward Carfagnini, who was initiated last week, is participating in an amateur 6-day bike race in Delhi, Ontario, Canada, representing the C.Y.O. On July 9 he will participate in the Humboldt Park bowl where he won several championships last week.

GOLF: Larry Gregorio has announced all the particulars about the intra-council tournament. It will take place Sunday, July 13, at the Villa Olivia country club. (Take Lake street out to route U. S. 20 until you reach WGN's radio tower just this side of Elgin.) There is a picnic grove out there which means you'll be able to take your families with you for a day's outing. All are invited to attend and participate in the tournament. Every one will have an equal chance. Oh yes, the fee is two dollars, which will include the cost of golfing and "incidentals."

SOFTBALL: The victory string was extended to five last Tuesday night by virtue of a 15 to 5 win over Damen council. But on Thursday night the picture changed a little. Americus Council scored 14 runs while our boys could only score 7, despite Butch Rutili's two homers.

And now get yourself a pair of scissors because we're giving you the rest of the schedule and we want you to clip it out and save for future reference.

July 8—Bishop Kettler at Sheridan Pk.
July 10—Chicago Council at Garfield Pk.
July 17—Damen at Sheridan Pk.
July 22—Americus at Sheridan Pk.
July 24—St. Patrick at Sheridan Pk.
July 29—Bishop Kettler at Douglas Pk.
July 31—Chicago at Sheridan Pk.
August 7—Damen at Garfield Pk.

The boys are also participating in the Sheridan Park tournament every Monday and Friday evenings.

Washington Hopes for Bigger Attendance at Quarterly Communions

1-3 Tues. . . . . 503 Main, Maywood

Last Sunday, June 30, was our regular fifth Sunday for receiving Holy Communion. About fifteen Brother Knights assembled at St. James' Church at the 7:30 a. m. Mass for the occasion. Your Grand Knight and officers were rather disappointed at such a poor showing.

It would seem that out of a possible hundred and twenty-five active members, we should be able to do better than this. We are only asking that you Brother Knights approach the Holy Table of God three or four times a year and receive in a body with the council.

Notices were sent out for this, and it is hard to believe that they were simply ignored. We sincerely hope that when our next quarterly Sunday comes (it will be August 31), that a much larger delegation will show up.

The Knights of Columbus all over are encouraging young and older men of various parishes to join, but unless we can give some concrete example of what we are preaching, it is rather difficult to enlist these men in the interests of the Order.

INSTALLATION

The newly elected officers of the council were installed at the regular meeting of the council last Tuesday. District Deputy O'Neill was present early, and performed his usual efficient job.

As announced, we will only have one meeting in July and August, that is on the first Tuesday of the month. The next regular meeting will be held Tuesday, August 5. Due notice will be sent out so that you won't forget. Ye scribe will appreciate any help you can give him for Columbian publication during this long intermission.

Brownson "Old-Timers" Added Much Enjoyment to Last Meeting

2-4 Fri. . . . . 4740 N. Western Ave.

Judging from the success of our "Old Timers' Night" at the last meeting, it would be to the council's benefit if they would show up for every meeting. A nice crowd was on hand, and after a short business session conducted by Deputy Grand Knight Douglas Pons, "The Good of the Order" was turned over to our Warden, Tony Miller.

He introduced the old timers in the council, 25 years or more, and then presented each with a copy of Father Stedman's Mass manual. All were then conducted to the rumpus room, where refreshments were served. A nice time was had by all.

We sent a delegation of four foursomes out to the State K. of C. Golf Tournament at Olympia Fields, and although our boys didn't cop any of the trophies, they all had a grand day.

The weather was perfect, the golfing was up to you. Luncheon was plentiful as always, dinner a big occasion, and the prizes there for the lucky ones. This is always one of the biggest days in K. of C. sport circles.

Ain't love grand! What is so rare as a day in June—maybe one in the first week in July? Another of Brownson's most eligible bachelors is going to middle-aisle it on the 10th of July. Past Grand Knight Frank Kohler and Miss Mary Madaline Shay of Hartford, Conn., are to be married in the East next week.

They will then leave on a motor trip to a camp in Maine, then on through Canada to look the Dominion over. We had the pleasure of meeting Mary at our golf tournament at Briargate last summer. Lovely girl, and Frank a stout fellow. We wish them happiness and a pleasant journey.

Every member of Brownson is expected to be present on July 11 to see the newly elected officers installed. Newcomers and old timers, show by your presence at this installation that you are backing your officers 100 per cent.

Let me cite an example of loyalty. Bro. Andy Martin, who fell and broke his ankle and who has been home from the hospital but a short time, was up to the last meeting for "Old Timers' Night," and on crutches. We didn't expect all the old timers to come up with canes and crutches, but that shows you what a little effort will do.

CALUMET ASKS MEMBER SUPPORT FOR U. S. O.

2-4 Monday . . . . . 6646 Stony Island

Well, they say out with the old and in with the new but as far as scribes are concerned I just can't see it. All Bro. Smith's hard work certainly hasn't made him old and I can't picture myself with a Happy New ribbon wrapped around my 200 pounds. I want to put praise where praise is due and that is to Bro. Smith. In the last two years he has certainly turned out some very good columns. He was always up here prompt and active doing his job. It's no easy job either and takes a lot of time and bother. Say, what am I letting myself in for?

U. S. O.

Before I go any farther I want to say a little about this U. S. O. drive that is now on. The Knights of Columbus have taken a very active interest in it and all Brothers who are sending their donations in, please send them in to the Council so that the Council can make a very good showing for this worthy cause.

Calumet's Excavators Club is asking for work. Anyone who needs their basement dug out please get in touch with the Council. The reason for this is that Jim Grant, Mike Murphy Jr., Bill Fox, and the Lone Ranger on a dark horse Jack Walsh have to raise a large sum of money in a short time to pay for the returfing of Olympia Fields Golf Course. One good thing about the whole matter is that after they finally dug themselves out, in time for the evening banquet, they were told they won second team prize. Yes, they fell right back in. Come up to the Council and see the Cup the four of them are standing guard over.

MEETINGS

Visitors at the last meeting were State Deputy Bolton and State Deputy-elect Leo Flynn, both of whom gave very good talks. Supreme Director Howlett sent a letter offering regrets on inability to attend on account of a meeting out of the city. G. K. Wm. O'Neill of St. Philip Neri, P. G. K. Rooney of St. Philip Neri, G. K. Reilly of Genoa, D. G. K. Wm. Hanney and Chancellor Leo Schavone of Genoa, P. G. K. Francis Murphy of Hildebrand Council and Henry Doolin of St. Philip Neri were guest degree officers. Boy, didn't we have a lot of welcome guests there.

We are only going to have one meeting in July and one in August. They both fall on the second Monday so don't forget. Prizes for the membership drive are to be awarded at the next meeting. Our hard working Financial Secretary Walter Popjoy led his team to victory. He is really deserving of a lot of credit because he really got out and hustled.

SCRAPS

Start throwing the rice. Wait a minute, take it out of the bag first. Margaret Jean, the daughter of Mr. and Mrs. Neil O'Hanley is to be married to Dr. Donald Richard McKay, Saturday, the fifth of July, St. Francis de Paula Church, at eleven in the morning (that's pretty early for me). Michael P. A. Murphy is again an Admiral and wearing his pretty little suit. Mike has been reappointed beach manager at North avenue where he did a fine job last year.

Our picnic is going to be August 17th at Jackson Park. George Harrington will give us details on it later (he better). Our linen man tells me he will give a report on the barbecue at the next meeting (that's right, he's our new Grand Knight). John J. Tierney and our good Chaplain went to the Eucharist Congress. The mother of P. G. K. James H. Lynch is now at home but still isn't up to par. We all hope for a speedy recovery. Arch Mahoney is out at Hines for a general checkup. Wouldn't it be funny if the doctors found out he was allergic to coffee? Jim Casey is still out there. Sam Pacente is home and ready for visitors.

Well wouldn't genoit. Our team won a game from Genoa by default, the game we were all pepped up for. Judas Shinners tells me that these are the names of his stars. Mucles Byrne, Ed and Eli Wagner, F. O. B. Pellegrine, Father Maas, Florida Murphy, Ted Annweiller, John Cotter, Al VanLent, James Gilbo, the St. Viator Flash Joe Kale, Charles Hazard, and Shorty Marshall. The bat boy is Tom Dillon and the water boy is Joe C mings. After seeing Tom Walsh in practice game I know why the junk follow him around (they gave him t appraisals for the lead in his fee far). We had a very important of watching us, too. No other than Higgins, the man who makes the water clean so that you can get it d I heard at the game that Jim Grant got a yen for quarters now. Let some else be a sport once in a while, Jim. waiting to see this column in the Co bian to see how many censored marks Ed clamps on. (Well?—Ed.)

As the D.G.K. he handled the Sick and Relief Committee in fine fashion, and I am urging all to give him the same cooperation that was extended to me, and Blue Island will go far along the road of success. Best of luck Eddie, you are leading a fine group of men.

I am sorry that we are losing the services of Bros. Jauchzer and Walsh as Trustees, "But a person can't go on forever," Herman said as he retired last month. The Council thanks you both. As you gathered at the start of the Column, I am trying to say "Thanks Fellas!", but there are so many things to be grateful for during my terms as G.K. that I am afraid I'll overlook someone who helped, and I do not want to do that so again I say, "Thanks Fellas!"

ON THE CUFF

Don't forget our first golf tournament to be held at Glen Eagles Golf Club on Sunday July 20th. Tee off time is 12:30 and prizes, refreshments and fun for a nominal fee. Tickets are now on sale, so be there with the gang. At the State Tournament, Blue Island was represented with twenty-five golfers, and some lucky lads, in the persons of R. Bentson, S. Rosaves and T. Parsons, who took home ham, preserves and a picnic set in the order named. Now we will all eat, eh, boys.

Very happy to announce that Bro. Les. Johler is a proud Daddy of a Baby Boy, born last week. Congratulations to Mrs. and Mr. Johler. Would like to see Les, Hook and Al at our Golf tournaments that are to be held in July, August and September. How about it boys? Brother Creighton missed his first meeting in many a moon last month, and he was missed very much. Sorry to report that Jim Burke is carrying his arm in a sling due to a chipped elbow. Confined to a bed in St. Francis is Hein Rack, but the nature of the ailment is not known at this writing. Glad to see Bro. Tom Hannon around again after spending some time at St. Lukes recovering from a serious accident incurred while at work.

Wedding bells called Bro. Jim Coffey, Jr. home from camp last week. The bells were for Jim's sister, however, not for the Private himself. The Council Treasury was enriched last Monday due to some hard work by the Barbeque Committee. Nice work fellows and Thanks.

The G. K. made the following appointments last meeting: Chaplain, Fr. Gross; Lecturer, Justin Boyd; Co-Lecturer, Joe Wieland; Golf, Dan Boyd; Sick, D.G.K. Dohrman; Softball, Wm. Creighton; Scribe, Dan Boyd; Blood Donors, L. Frasor; Fin. Secy. P. Paetsch; Scouts, T. Robertson.

Oh, Yes, Bob Harmon, Sr. would like to see some Poker players. How about Daly, Bentson, Hansen, etc.?

McHale Solicits Real Cooperation from All for Council's Success

1-3 Tues. . . . . 150 W. 69th St.

Due to the fact that our notes for this issue of the Columbian had to be in a little early on account of the Fourth of July we are unable to give details regarding the installation of your new officers for the ensuing year.

We will say however, that regardless of how you voted at the election a month ago we hope that you will help your officers to have a successful year. They are worthy of your support and believe me they are swell fellows and hard workers.

Our new Grand Knight Bro. John J. Kelly has many worth while ideas on how he wants to conduct and to work for the council this coming year. One of his ideas is to inject into the working force of the council a few members that we call new or young members—that's why I have been chosen as Scribe!

COUNCIL SPORTS

Bowling: D. G. K. Bro. Tom Garvin, president of the McHale Bowling League has called a meeting of all our bowlers for Tuesday evening, July 15th, eight P.M. at 150 W. 69th Street.

Now, some of you may think that the middle of July is a heck of a time to think about bowling. Well it isn't, for there is much work to be done before the season starts.

The officers of the league want every member of our council to know that they are welcome at the meeting, July 15. Whether you have bowled with our "gang" before or not, come to the meeting and get acquainted. And, to you new members who have joined the council within the past year—I urge you especially, to come to the meeting—you will have a good time and you meet some forty or fifty members of McHale council whom you will be proud to number among your friends.

Softball: Since our last report on softball our team met and defeated the spirited and versatile team of Englewood Council by the score of 14 to 8. The Englewood team may be lacking in victories but not in sportsmanship. Last week our wonder team came home with another victory, this time they defeated the undefeated Auburn Park Council team by the one sided score of 10 to 3. In both of these games our team was sparked to victory by the superb pitching of Leo Wemple. All the boys are playing a wonderful game and are hitting the ball all over the lot. At the games we noticed a few rooters, namely, John Rotroff, Pete Holm, Tom Hackett, Tom Flood, Chas. Ruggles, Jim Duffy and P.G.K. Tom Mulroy.

DON'T FORGET

Pay your dues. The Trustees are going to audit the books soon and they expect to find every member paid up.

In looking at this year's issue of the Leo Lions (St. Leo High School year book) we noticed that Dave Hennessy, Jr., son of member Dave Hennessy, the pitch player, is secretary of his class. Also noticed the Kenneth Kline son of member B. Kline the bowler, graduated with honors. Also the picture of Mrs. Frank Trunk; she is an officer of the Leo Mother's Club. Former member Ed Carroll's picture is there too, he is first vice-president of the Leo Father's Club.

University's Softball Hopes High as Squad Hits Big League Form

2-4 Tues. . . St. Ignatius Auditorium

It may be a little previous to call the present softball season successful at this stage of the summer, but the enthusiasm shown by the players and non-playing members seems to augur well for a winning team. The first game was played on Tuesday, the 17th with Brownson. It was the usual free hitting, hard-fought Brownson-University contest with the final score of 19 to 14 in our favor.

It would not be proper to pass over the game without a fitting tribute to Catcher J. Thomas Moore who has retired from softball for life. Catcher Moore's three hits in five times at bat and his scintillating work behind the plate and on the bases belied his great age. It was only when the full force of his condition became apparent on the following day that he decided to hang up his spiked shoes forever. His excuse is probably that being a law partner of a sickly Grand Knight takes up too much of his time and energy, but the fact is that he wants to retire at the pinnacle of his glory and not wait to be replaced by the young fellows.

The second game of the season was lost to St. Cyr, 13 to 7, St. Cyr taking advantage of us by putting in an infield composed of boys in their twenties, while the University crowd was all past the draft age. The third game was with DeSoto last Thursday, and your scribe hopes to get the results for the next issue.

The piteous plea of Manager Jim Kane for spiked shoes for the team elicited an appropriation, especially after the team trooped in to the council meeting last Tuesday after the St. Cyr defeat, some with tennis slippers and some with carpet slippers.

BARBECUE RESULTS

As we prognosticated, University went over with a bang on this year's Barbecue; 121 books were sold this year—twenty-five more than last year. The leading salesmen were John McGuire with 29, Jim Dolan and Mike Brown with 5 each, Bart Quigley and Ray Hayes with 4 each, Louis Demmer with 3, and Father Lannon, Nick Kasich, Jim Malone with 2 each. The results this year were due to the extraordinary work of Chairman James Dolan and Co-Chairman John McGuire and the members of the committee, Jerry Conway, John Connors, Joe Newhouse and Treasurer Francis Walsh. We could not have been so successful, however, had it not been for the individual responsibility that characterizes so many members of University Council which brought the last minute returns far over the top.

COUNCIL ITEMS

One of the prettiest weddings of the year was celebrated Saturday, June 21, at St. Gertrude's church when Jack O'Sullivan and Anne Gilroy were married. Father Dougherty, a member of the council, officiated at the nuptial high Mass with Brother Stanley Anstett in charge of the music. Many members of University Council were present at the ceremony.

The serious illness of Jim Moylan, who is confined to Edgewater hospital, brought out the advisability of having a blood donors group in the council. Brothers Jim Dolan, Frank Schmit, Jim Brown, Martin Jeffers, Al Calvert and Ed Jeffers volunteered to help Jim, and Ed Jeffers was found to have the proper type. We are glad to report that Jim is much better—as might be expected of anyone who was lucky enough to get a pint of Ed's energetic blood.

In accordance with custom of previous years, only one meeting will be held during July and August. The July meeting will be held on Tuesday, the 15th, at which time there will be installation of officers for the coming year.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

PERSISTENCE WINS FIGHT FOR NEWSSTAND CLEAN-UP

Cleveland.—Months of pavement pounding by three men of Sts. Cyril and Methodius' parish for Slovak people finally cleared the district's newsstands of harmful printed matter. After countless interviews, they discovered that most of the dealers were not averse to co-operating if all would do likewise.

FR. SETTERS NAMES ROY BEDORE GRAND KNIGHT

2-4 Thurs. . . . . 4711 W. Madison St.

Roy P. Bedore was unanimously elected Grand Knight of Father Setters Council No. 1278 at the thirty-fifth annual election of officers held last Thursday evening, June 26.

The enthusiastic choice of Brother Bedore to head the organization comes as a happy and fitting climax to his distinguished career of leadership in both the council and the Order in general. This outstanding period of service began in 1920 when the Grand Knight-elect, then a prominent figure in the athletic world, entered Father Setters Council. At once he became a leader in the athletic program sponsored by the organization, being a star basketball and baseball player and later coach of the council teams in both of these fields of sport.

Roy Bedore was equally active in all other affairs of the Order. For many years he has been an active assistant to the officers of La Salle General Assembly of the Fourth Degree and to the Chicago Chapter. Notwithstanding the many demands upon his time as a result of these activities, he has served as an officer of Father Setters Council, fulfilling each successive post with honor and distinction.

Among the first to congratulate Brother Bedore upon his election to the highest office in the council was the retiring Grand Knight, Maurice J. Kissane who has just brought to a close an unusually successful administration. His term of office has been noteworthy for the splendid progress made by the council in all its varied activities and for the energetic leadership displayed by the retiring Grand Knight.

OFFICERS ELECTED

The following is a complete list of all the officers elected at the meeting of June 26:

Grand Knight, Roy P. Bedore Deputy Grand Knight, William J. Coughlin; Chancellor, James Cullen; Warden, William Blondin; Recorder, William N. Hoffman; Treasurer, Harry G. Sidley; Advocate, Joseph W. Grady; Trustee, Henry Iding.

Inside Guard, Thomas J. Judge; Outside Guard, Edward M. Fitzgerald; Outside Guard, Joseph Doyle; Delegate to State Convention, Maurice J. Kissane! Alternate to Delegate, Edward J. Lavin; Alternate to Grand Knight, Austin E. Ryan.

Each of the new officers named above comes into his respective position eminently qualified to carry out the duties of his post and since each was the unanimous choice of the council, the organization looks forward to a year of the greatest progress under this expert and accomplished leadership.

BARBECUE GREAT SUCCESS

The co-chairmen of the K. of C. Barbecue Committee of Father Setters Council, William N. Hoffman and Edward M. Fitzgerald were happy to report at the last meeting that the returns exceeded, by a substantial margin, those of all previous barbecues. In making this report, the co-chairmen expressed to all Settersites the thanks of the General Committee of the Chicago Chapter, of His Excellency, Bishop Bernard J. Sheil and of the thousands of underprivileged youth who will be the principal beneficiaries of the event.

Final figures were made public at the Victory Dinner held last Monday evening, but, since we are going to press in advance of that date because of the holiday next Friday, we shall defer mentioning them until next issue.

Loyola-H. P. Expects Short Visit from Pvt. Edw. Joyce This Week

2-4 Thurs. . . . . 7435 Cottage Grove Ave.

This will be a gala Fourth of July for the members of Loyola H. P. for on this weekend we will welcome back to our midst if only for a short stay, our former Recorder, Ed Joyce. Ed was called to duty with the 33rd Division of the National Guard, and for the past few months has been quartered at Camp Forrest, Tullahoma, Tennessee. When last heard from Ed seemed quite certain of receiving a short furlough over the Fourth, so plans have been made to hold open house at Ed's parents home, located at 8023 Rhodes Avenue.

The members are invited to drop in and renew contact with the long absent member. We don't want any of you to be disappointed by making this trip to Ed's house in case he is not able to get leave, so hope you will check first to ascertain whether he will be in for certain. You can do this by calling Bud Joyce at the Joyce Hagan Coal Company, Normal 4800; or calling the Bernard Thompson Floral Shop, Stewart 3103, and we will let you know for sure. At the present writing it seems fairly certain Ed will be back, so please be on hand this Saturday, July 5, at the Joyce residence, 8023 Rhodes Avenue.

Due to a few unexpected business trips your Scribe was not able to get out a column in time to reach the presses last week. Last week we planned on paying tribute to our retiring Grand Knight, Arch Hermanns, so will take this opportunity to do so now. Arch will soon join the illustrious group of P.G.K.'s of which we of L.H.P. are so proud, because everyone of them can look back on a period of splendid achievement in their administrations. None of them can present a better record than our retiring Grand Knight. Since entering Loyola-H.P., Arch has been one of the hardest working Brothers ever to take part in Council affairs.

As a Chairman of Membership during Charles Lawler's regime he was more than able in directing the efforts of this group, and in helping us attain the Honor Roll and Star Council ratings for two years. He also served as chairman of our Spring Dance which proved to be our greatest success both socially and financially. Arch has been chairman of the Barbecue committee of our Council, and in this activity has brought Loyola H.P., to near the top of the heap in every year's returns.

He has served on and acted as Chairman of our Fiesta parties, and anyone of you who has worked with him can testify as to the great job he did. We could go on extolling Arch for a couple of more pages, but you all know what a record he leaves behind him, so move over Judge Lawler, Leeland, etc., and make room for another great P.G.K.

The Financial Secretary, John Joyce, asks that you please (and he really said please) get your dues up to date, he's sort of tender-hearted, but if some of you fellows don't break that rubber band around the old bankroll and send in some folding money, John will have to send out the old suspension slip, so hurry, hurry.

Here 'N There: In the mails a card from Brother George Birmingham, who is in Hartford, Conn., for a few weeks doing some special work for good old Underwood, Elliott Fisher. George sends his best to everyone, and we all hope he'll be back among us real soon. Good news to hear that Brother Ed Manion is once again on the upgrade and invites any Brothers who have an opportunity to drop in on him, so get over and chin a bit with Ed.

Trustee John Hungelling is attending Government school in Brooklyn, N. Y., studying to be a "G" man. His lovely frau, Kay, says he is coming along great but sort of lonesome. Hope he sees this greeting from the Gang. Visited with Brother Jim Carlyle and his charming missus over the weekend, and discovered they are taking a trip to Niagara Falls. Both of them looking swell, don't forget the postcards, kids.

O'Connell's Barbecue Efforts Receive Much Praise From Council

2-4 Tues. . . . . 1100 N. Franklin

Well boys, the Barbecue 1941 edition has passed into Knights of Columbus history, as one of the most successful to date. O'Connell Council missed its quota by 8 books. While it seems like water over the dam, we should make up our minds here and now to get going twice as hard next year.

SIDE LIGHTS

Bro. Evo Raffaelli's boy, Francis, is now on a diet. He's a bit over 23 lbs. and measures as many inches long. This means he's a perfect specimen, which I'm sure we're all glad to hear. He'll make a swell O'Connellite in years to come.

Bro. Frank Marino celebrated his birthday on June 25, down in Macon, Ga. From clippings I have in my possession he's pitching the "Peaches" to a lot of victories, having chalked up 7 wins and 1 defeat. When not pitching, he's an outfielder.

Bro. Tim Clifford, Grand Knight, presented the Council with a permit to use division No. 2 of St. Paul's Park, Morton, Sunday, August 10. So now is the time to come to the front with your ideas and suggestions and let's make this O'Connell's biggest and best picnic.

Bro. Anthony Genaro, will spend his vacation in Devils Lake this year, that's a swell place to be around vacation time. Its where I spent mine last year. Have a nice time, Anthony.

According to a report that reached me Saturday eve 10 P.M., Miss Marge Stubing is reported doing nicely after a serious relapse. We hope she will be up and around soon.

During July and August O'Connell Council will have but one meeting per month. Therefore the next two meetings will be held July 8 and August 12 respectively. While it seems that during these two months, with the heat, vacations, and all, there is a general let down in attendance, the business of the council must be attended to just the same.

Therefore when the above dates roll around, if you're not out of town, make it your business to be at the meetings as usual. As you may have noticed we only have one meeting before the picnic, and so that means all the suggestions you have, will necessarily have to come into our hands by July 8.

Here's the big item of the issue. On July 8, 8 P.M., Daniel O'Connell Council will formally hold its annual installation of officers. Our District Deputy, Bro. Marco De Steffeno and his staff, are going to perform the ceremony.

Hughes Officers Pledge Vigorous Efforts for Year

1-3 Tues. . . . . 4711 W. Madison

Hughes Council's installation of officers took place on Tuesday last, the July 1 meeting, and the induction was most impressive. G. K. George N. Daly assumed the high post with poise and dignity, and pledged an administration characterized by vigorous efforts to continue the advancement of Hughes Council's interests. He keynoted for the balance of the officers, his sentiments echoed by the others, and D.G.K. James Ryan, ascending from the Chancellor post, assured concerted and harmonious endeavors under the leadership of the G.K.

Hughes Council's affairs have progressed so smoothly and successfully for the last several years that the new administration will be ever alert to continue the fine record. The new G.K. has risen to his lofty rank by serving Hughes throughout a long and lustrous career; in 1932 he assumed the office of Inside Guard and since that time his progress has been steady in accordance with his own wishes.

At times some of his friends wished to get him along more rapidly, but George Daly would have none of that, but now that he is the leader, it may be taken for granted that he is grounded in every one of the administrative positions and knows the ropes, if we may so put it. Hughes Council is mighty proud of its P.G.K.'s, and a special salvo of applause for the retiring G.K., Dr. Louis Postilion. The membership looks forward with utmost confidence to the term of the new G.K. and his associates. No unit could ask for a better man than Georg Daly!

GOLF NOTES

Chairman Tom McDonnell wasted no time in getting a dandy program slated for the summer. A special preliminary tournament for men only at White Pines on Sunday, July 13. Tee off at 11 o'clock and play golf for the modest fee of $1.25. Refreshments, etc., available at the club house at a reasonable fee to Hughes Council guests. You can invite your golfing buddies to enjoy the day at White Pines with you. Two courses are available there, both in excellent condition, and White Pines is readily accessible. Drive out Lake Street to Elmhurst or York Road, north to the big signs which direct you to the club entrance about ½ mile west.

Sunday, August 10, the second golf tournament of the season to which the ladies are cordially invited. This will be at St. Andrews, where Hughes has played before, and where on the sweeping lawns surrounding the club house the gals can play bridge, bunco, or amuse themselves in diverse ways if they do not care to play golf.

The grand finale, the climax to the season, the Peter M. Kelly Memorial Trophy Championship Tournament will be held September 14 at Westgate Valley. Tom McDonnell has everything set with Hughes Council's good friend, Tom Walsh, pro at Westgate, for another big time. The important thing right now, however, is to make arrangements to play White Pines on Sunday, July 13, so that the summer season will be off to a banner start.

SOFTBALL NEWS

Carroll defeated Hughes 2 to 1 last Tuesday—that is, a week ago, and only P.G.K. Harold F. Enright's tremendous clout for a home run saved the boys from a shut-out. Defensively Hughes was great, even if weak with the willow against Carroll, a stab of a sure hit by Howlett, robbery in broad daylight, and a recovery and throw by John Kelly were featured defensive bits.

On Thursday, June 26, Hughes Council trimmed LaFayette 14 to 5. Bill Kane featured at the plate with three hits. The boys looked mighty good and prospective bridegroom Frank Linskey, manager of the team, can be proud of the way the softball squad is shaping up.

REQUIESCAT IN PACE

Regret to chronicle the death of Bro. Frank J. Matousek of 6948 Riverside drive, Berwyn, an honored member of Hughes. A delegation paid their respects on Sunday. Bro. Matousek is survived by his wife, Agnes, and his daughter, Irene. The funeral was to St. Odilo church and interment, St. Adalbert's cemetery. May his soul rest in peace.

ocal Groups Unite to Push U.S.O. Campaign Over Top

rvice Fund Drive Passes $325,000 Mark as Nine Chicago Communities Exceed Individual Quotas

hirty-six communities of the metolitan district today joined forces h every section of the city to push United Service Organizations past $679,500 objective within the next days.

s volunteer workers increased the po of the campaign, Hughston M. Bain, general chairman of the e, announced that the effort has ady passed the $325,000 mark, h indications of speedy success be- shown daily.

f the 36 communities participating the metropolitan Chicago cam- n, nine have already exceeded r quotas. Nevertheless, workers hese above-the-objective communi- have stated that they will con- e their efforts in order to swell over-all fund which is being ed to establish recreation centers the nation's armed forces.

hree communities have joined in U.S.O. effort within the past week. y are: Harvey, Blue Island and k Ridge. Committees in these s already are at work organizing campaign effort in their localities preparing for their first report olicitation results.

mployee Groups Boost Fund

eanwhile, business and industrial s throughout the area continued demonstrate their support of .O. and its effort to aid the ,000 men now serving in the y and Navy. Employee groups any communities have joined in ributing to the campaign. A rity of these groups will report week, Mr. McBain said.

mployes of hundreds of business are showing that they are sol- l behind U.S.O.," Mr. McBain mented. "They realize that the ce men of today are their former ies and associates in offices and ts. Many have relatives in the d services. Accordingly, the .O. has presented all of us the opportunity to show our appreciation of what our armed forces are doing.

"Business firms are taking a similar viewpoint. Many executives have stated that by raising morale through the U.S.O. effort, the civilian population is making one of its greatest contributions to national defense.

"The soldiers and sailors of today are doing a heroic job, frequently at great personal sacrifice. While they are not asking for favors and are going about their training with a true military spirit, they are in need of wholesome, worthwhile recreation facilities when they are off duty. The U.S.O., through the program which this campaign will make possible, will establish service clubs in communities near the military reservation. This is our way of supporting those who are doing so much for our national welfare."

Council Organization Completed

All Knights of Columbus councils in this jurisdiction are also expected by this time to have completed the organization of their own committee to aid in the service work when it begins here.

Taking a leading part in the organization work of the local drive are six representatives of the Knights of Columbus, State Deputy Leo M. Flynn and Supreme Director Michael J. Howlett along with Jerome J. Crowley, Jacob E. Mueller and Henry J. Lynch.

BEG YOUR PARDON

In listing the total donations made to Bishop Sheil's Underprivileged Youth Fund by the local Knights through their promotion of the four annual barbecue benefits, The Columbian last week failed to include this year's record donation in the grand total given for the four annual affairs. The correct sum realized for the Bishop's Fund through the four barbecue projects is $78,516.48.

Yearly donations were: 1938, $17,911.77; 1939, $18,703.97; 1940, $19,752.41 and this year, $22,148.33.

La Grange Parish Opens Mount Vernon House to Public at July 4 Fete

A delightful blending of colonial and modern patriotic appeal marked the official opening of the beautifully furnished Mount Vernon House of 1941, at 345 N. Malden Ave., in La Grange Park, an exhibit sponsored by the men and women of St. Francis Xavier Parish, La Grange, and now open daily to visitors from 10 a. m. to 9 p. m.

On the spacious lawn fronting the beautiful home colonial belles in 18th century attire stood under the Stars and Stripes that was raised to the colonial balcony, side by side with soldiers of the American Legion and Sons of the Legion, in a balance of color and costume that fused two critical periods of our history into an inspiring unity. The scene is U. S. O. headquarters in the Empire State Building, New York. Standing beside Mr. Matthews are his luncheon guests, chosen to symbolize the nonsectarian aspect of U. S. O., which will establish more than 360 clubhouses for service-men of all faiths. They are (left to right): First Class Petty Officer Clarence Wm. Maley, U. S. Local K. C. Donor Groups Recognize No Slack Season

Over 3000 Volunteers Listed in State as Program Marks Third Anniversary Here

Between the last hectic days of the Knights of Columbus Barbecue program and the opening of the annual fall Chapter Charity affair, there is a marked slackening in most Knights of Columbus circles.

No slack period, however, has ever been recognized in at least one phase of order activity here; that is the Blood Donor Program headed by State Chairman Robert Du Mais of Fort Dearborn Council.

Day and night, throughout every week of the year, upwards of three thousand volunteer donors who are now registered on the local Knights of Columbus lists, stand ready to lend their assistance to any brother knight or member of his family who may be in need of a blood transfusion.

The donor program, begun in Chicago three years ago this month, is now so well organized that almost any type donor can be made available at any hospital in the city within forty-five minutes of the first call for aid. Fifty-five of the Chicago units, Du Mais reported recently, are now organized for the work as are some fourteen of the downstate councils. These sixty-nine organized Illinois councils, he said, "list over 3,100 donors who during the last year provided 518 transfusions at a monetary savings to the recipients of over $18,000.00"

Two of the largest donor units in the entire Order are also among those of the Chicago councils. At the time of the State Convention last May, Archbishop Quigley Council had a total registration of 278 donors while De Soto Council on the north side listed 224. Fort Dearborn Council with 176 and Leo XIII Council with upwards of 125 are also among the larger groups of the entire Order.

UNIVERSITY MEMBER IS NAMED HEAD OF STATE'S LARGEST VETERAN GROUP

Perice J. Fenlon, a member of University Council here for the last quarter century, was installed as Commander of Woodrow Wilson Chapter of the Disabled American Veterans last evening at the La Salle Hotel. Col. Don W. Jones, State Department Commander, conducted the ceremony.

Woodrow Wilson Chapter of the Veterans organization is the largest in the state and is the seventh largest in the nation.

Mr. Fenlon had previously served as Commander of two other veteran groups having headed the Rogers Park Post of the American Legion in 1935 and the Uptown Post of the Veterans of Foreign Wars from 1937 to 1939. He has also long been a delegate to all Cook County Councils of the Legion, the Veterans of Foreign Wars and of the Disabled American Veterans Organizations. For the past ten years, he has been a member of the Veterans Convention's Committee on Rehabilitation.

the summer breeze and the approving flutterings of Old Glory.

Several of the Knights of Columbus Councils of Chicago and the suburbs are showing active interest in the Mount Vernon House, and individual Knights in many quarters are doing wonderful work in spreading the news about this fascinating exhibit. Group visits of Knights and ladies are being arranged by the Program Committee, of which William M. Galvin, Edward J. Farrell, Frank M. Kraman, and John C. Tully, long active in Nazareth Council circles, are busy members.

Approximately 4,000 visitors passed through the house during the recent holidays. Visitors will be welcomed daily from 10 a. m. to 9 p. m. throughout the summer months. Competent attendants will be in charge.

St. Paul Looks Ahead to Successful Season of Council Activities

1-3 Tues. . . . . 6713 Olmsted Ave.

In a council chamber wherein the heat registered 115 degrees, and no thermometer, State Deputy Leo Flynn and State Secretary and our own P.G.K. Ray Gleason installed your officers. Because of the intense heat, the meeting was held with more than usual dispatch to prevent those in attendance from melting into their shoe tops. The installation was inspiring (as well as perspiring) and the short talk of the installing officer was exceptionally brief and to the point.

He emphasized, what we should all know by now, that the best Grand Knight and staff couldn't make much headway without the help and cooperation of the active membership as well as those members who are content to give their financial support and, conversely, an active membership could make any group of officers look good even though the material may not be top grade.

State Deputy Flynn also reminded us not to lose sight of the principles for which our Order was founded; that if we failed to carry through those principles and to support and foster the Catholic Action program set up for us by Holy Mother Church, we should soon be on the road to decay as an organization having nothing tangible or worth while to be united about.

He spoke of an enlarged membership for the council and the Order, particularly in Illinois. Our council has maintained a pretty good record for membership. We haven't gone far in increasing the roster but neither have we receded much from the all-time peak set in the years B. D. But we shouldn't be satisfied simply to get new membes; what we need are new active members.

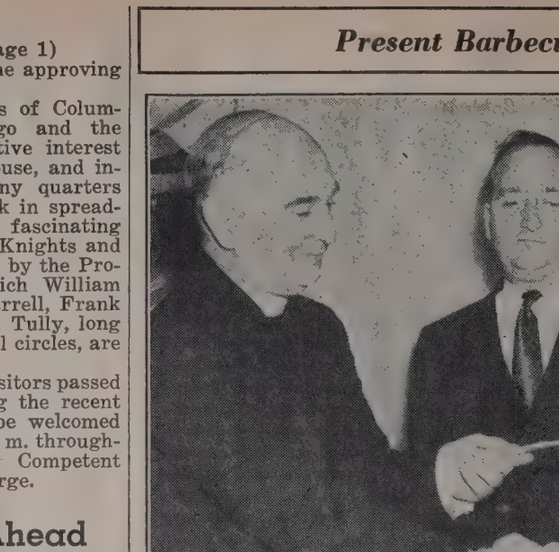
We don't know if G.K. Gene Sass listened to those remarks anent membership, but he informs us that he has reappointed Chancellor Geo. Ellwanger chairman of the membership committee. That sounds as though Gene heard every word of it and also had his eyes and ears open during the past two years while holding down the D.G.K. chair. For our old friend, who has earned the sobriquet "what a man" for his successes in accomplishing his purposes and undertakings to a more than expected degree, will leave no stone unturned to build up our council if you give him only half the support you have promised.

It would seem that every member would be interested in having his friends belong to his own council and that is just exactly what is expected of you. If every member brought in his Catholic friends, the membership job would be a cinch. And we don't mean maybe.

We hear that: Treasurer Al Westemeier is getting the council cash books in good order as he will be leaving for the Ozarks one of these days in that swell new Buick he has been breaking in the past few weeks. Yep, it's his vacation, but we wonder if he isn't going in the wrong direction. . . . Alex Kremer is spending his vacation in and around Chicago principally because Alex has had a minor operation. The fish will mis you, Alex, but you will be the more welcome on the next trip. . . . G.K. Gene Sass will be in Davenport, Ia., over the next week end, attending (what he says is) the Mayflower warehousemen's convention. I dunno; it could be. . . . We will personally sponsor and promote a resolution to have the council reimburse any member for the epense of sending a postcard while on vacation to the scribe in any amount not to exceed the tenth part of a dollar. And we will record the cards in the column in the order received. Does that sound interesting? No back talk from Harold's galleries.

From the viewpoint of area, Los Angeles is said to be just about the world's largest city.

Present Barbecue Returns



The sum of $22,148.33 was added to Bishop Sheil's Underprivileged Youth Fund here last week Monday, when State Deputy Judge John F. Bolton (right) presented His Excellency with the final receipts of the Fourth Annual Knights of Columbus Barbecue Benefit.

Ludwig A. Streck (center), general chairman of the 1941 program, volubly thanked the local membership for their efforts in setting the new record—$2,395.92 better than the previous high. With this year's donation the local councils have in the last four years contributed a total of $78,516.48 to the Underprivileged Youth Fund.

Setters Proud of Role in Barbecue Campaign for Benefit of Youth

2-4 Thurs. . . . . 120 N. Kildare

That the 1941 Barbecue was a magnificent success, is already a well-known and widely-circulated fact which cannot help but bring a perfectly pardonable glow of pride to all the Knights of Columbus of the Chicago area, and in particular to those who heard His Excellency, Bishop Bernard J. Sheil, speaking at the Victory Dinner on Monday evening, June 30, express the profound gratitude of all the underprivileged boys and girls who will so richly benefit from the total of $22,148.33 raised through the medium of this great charitable project.

The nine members of Father Setters Council who were present at the dinner and the ceremonies attendant upon the presentation of the proceeds to His Excellency are happy indeed to relay to all their brother-members the information that the Council performed its part of the work of the Barbecue more energetically, enthusiastically and much more successfully than ever before. The ratio of increase in returns measured up fully in proportion to that of all other units of the Order.

Credit for this splendid accomplishment should go to Grand Knight Maurice J. Kissane, Co-chairman William N. Hoffman and Edward M. Fitzgerald, to all members of the Council generally and particularly to such outstanding barbecue enthusiasts as Past Grand Knight Edward J. Lavin, Grand Knight Elect Roy P. Bedore, Tom McCaffery, J. Edmund Dwyer, Martin O'Meara, Dave Kissane and Austin E. Ryan. All of those specifically named above were in attendance at the Victory dinner and their unanimous report, after listening to the glowing tribute paid the Knights of Columbus by our beloved Bishop Sheil, was that it is indeed a princely privilege to be associated in such a noble cause.

SUMMER MEET SCHEDULE

For many years, it has been the policy in Father Setters Council to hold only one meeting per month during July and August. Therefore, at the last regular session, it was decided to continue this practice. As a result of this decision, the meetings which would have taken place on the fourth Thursdays of July and August will be omitted. By the time this issue of the COLUMBIAN reaches you, the only meeting for the month of July will have taken place, so you can look forward to the next gathering to be held on the second Thursday in August.

NEWS

Mr. and Mrs. Roy P. Bedore announce the engagement of their daughter, Miss Winifred Mary Bedore to Mr. John Martin McDonnell. The wedding will take place at Presentation church on Saturday morning, October 18. The entire membership of Father Setters Council takes this occasion to express our best wishes to the happy couple. Both Miss Bedore, who is the daughter of our new Grand Knight, and Mr. McDonnell are widely known among the council members and each enjoys a high degree of personal popularity. Again, our best wishes!

Brother Adam Podkrivacky was a delegate to the National Eucharistic Congress which was recently held at St. Paul. As you know, Brother Podkrivacky is past-president of the First Catholic Slovak Union and, as the present treasurer, he represented the organization at the Congress.

Financial Secretary Thomas A. Lavin of 5315 W. Adams street has requested that the attention of the members be called to the fact that the Council's fiscal year has just closed. Hence, Tom is now busily engaged in the work of balancing the books. It will be of considerable help if any member who may be in arrears will see Tom and take care of the matter.

St. Anthony Pleased With High Percentage in Barbecue Returns

1-3 Thurs. . 73rd & Grand, Elmwood Pk.

Despite the intense heat of last week we managed to write a column and rush it to The Columbian office. All of which labor was in vain, because we just missed the issue due to the early deadline. While this news is, therefore, late, we think it will be of interest to you.

We were well represented at the Bishop Sheil victory dinner with eleven of our members present including our worthy chaplain, Father Quinlan, who was honored by being called on to give the invocation. Other members present were Grand Knight John Diegnan, Fin. Sec. Ed Scheitler, Barbecue Chairman Kenneth Lazar, PGK Harold McEvoy, PGK Mike Flynn, Ralph Gohrsch, Jr., Andrew Ruff, Dominic Palmere, Alex Kryger and Ed Casey.

St. Anthony de Padua Council had the distinction of being first in the percentage column and also to be the only council ever to reach the 100 per cent mark. For this record we received quite an ovation from the hundreds in attendance at the dinner.

We hear that Bro. Chester Reardon and family are now vacationing in West Virginia, where they will be for the next several days. We also hear that Bro. Roy Fredette and family have just returned from a two weeks' stay in northern Michigan. The only thing that is preventing yours truly from taking a vacation is time—and money.

Pinta Members to Hear Interesting Facts on United Service Org.

1-3 Thurs. . . . . St. Marys, Riverdale

Bro. Francis McMahon, Past Grand Knight of San Salvador and chairman of our District of the National Catholic Welfare Organization is going to make Pinta acquainted with our version of the U. S. O. His talk will be interesting, and his topic is one that all K. of C. members should know about. Bro. McMahon will be at our next meeting so don't fail to attend.

The Victory Dinner, attended by Bros. Tony and Joe Stepenski, as reported by them was one of their greatest moments since joining this honored order. The inspiring words of Bishop Sheil and his thanks to the Knights of Columbus for helping him in his work was a great reward to the order. It would take a good deal of paper to write what was in his heart.

ST. RITA PLANS 22ND ANNUAL PICNIC AUG. 3

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Under the capable direction of General Chairman Jack Bracken, plans went forward this week for St. Rita Council's twenty-second annual picnic to be held Sunday, Aug. 3, at Sudent's Grove. Jack met with his various chairmen last Tuesday and outlined the specific duties they must perform if this year's picnic is to come up to the standard set by the gala affairs of other years.

It isn't enough, or just, that the committee members put forth all the effort, every member of the council is expected to lend his support. August 3 isn't very far off, why not offer to lend a hand. The picnic strategists meet every Tuesday night at 8:15 o'clock in the council chambers and everybody is welcome.

If through lack of time or some other valid reason you are unable to work on the affair, then just do your part by becoming a volunteer publicity agent and spreading the good word around. Get up a party of members of your family and friends and plan on being with us on August 3 at Sudent's Grove.

Members of the committee include:

Prizes—Chairman James Boyce, John McGowan, Dennis Mahoney, Charles Sullivan, Jerry Dowd, Charles J. Meyer, John Le Bleau, and Francis W. Peppard. . . . Transportation — Chairman George Osborne, Joseph Philbin, Jerry Jayson, Martin Lee, Thomas Leonard and Walter Junkiewicz. . . . Sandwiches and Coffee—Chairman John Dorner, Joseph Clerkin, Vincent Myslewski, Francis Schindler and William Ahearn.

Concessions—Chairman Connie O'Sullivan, Thomas W. Doyle, Frank Bisany, John Devlin, George Foley, Jerry Healey, John Lehner, Charles P. Lehnert, Adolph Leverenz, John J. McNeill, John E. O'Brien, Ralph Perry, Matt Schweihs and Charles Stiefel. . . . Soft Drinks—Chairman Bruno Fracassi, Howard Jeffers, Charles K. Gorney, John C. Schmidt.

Races and Games—Chairman Joe Goyer, Ted Ranicke, A. Bauer, Frank Boyd, John Egan, Dr. M. J. Hoffman, Dr. Joseph Jun, John B. McCarry, M. O'Brien, M. J. O'Brien, Herbert Wielatz, Joseph Yanovich and Joseph F. Zavrel. . . . Entertainment — Chairman Harold Hilbert, Charles Nash, Frank Burge, Theodore Kucharski and George J. Miller.

Finance—Chairman Frank Zavrel, F. J. Small, William Stoeller and Edward Shilt. . . . Publicity—Chairman Joe Shanahan, Joseph Gallagher, Edward J. Glatz and Charles Clarke. . . . Reception and Advisory—Chairman Harry P. Sullivan, Rev. M. J. Fennessey, Thomas F. Byrne, E. F. Conway, Sr., Thomas Gaynor, William Fleming, Chris Mathis, Brendan O'Connell, Thomas F. O'Connell, Hugh C. Reilly and William G. Scharf.

Parking — Chairman Stanley Ryska, Herman Kurent, J. P. Kelly, William J. Donovan, William Hallman, James Leonas and Joseph Ascolani. . . . Refreshments—Chairman Pete Salvatori, George Kucharski, Frank Holek, Frank Karbowski, Ray Bernoski, Edward Kundrat, S. S. Nielsen and Frank Shimkus. . . . Dancing — Chairman Arthur Manfredi, John McNally, Joseph McGowan, Ray Sullivan, Edward Greene, R. J. Haley and Tim Shanahan.

Games—Chairman William F. Hart, Peter S. Martin, Nick Hoffman, Matt Kaminskas, Emil Kratoska, George Mauge, Harry J. O'Connor, Honore J. Perry, Dave Roach, John F. Robinson, Frank Scalise, Pete Serone, and Edward C. Lane. . . . Grounds—Chairman Joe Oberik, William Balswick, Robert J. Duffy, Frank Bednar, Joseph L. Hein, Chester Kucharski and Francis Mahoney.

INDUCTION

The induction of our new officers, headed by G.K. Ted Lee, went through without a hitch a week ago last night. The installation was conducted by District Deputy Ted Noonan. The retiring G.K., Charlie Nash, took the floor to urge all members to give the new officers the same support he and his staff received during their term in office.

Financial Secretary Frank Zavrel, because of pressing business, was forced to resign his post. Recorder-elect Joe Shanahan was elevated to the vacaed office. An election was held for the position of Recorder with Jack Devlin getting the nod without any opposition. (Personal to Jack: McGowan always mailed the Scribe news for the column from his minutes. Here's hoping you do the same. Just drop the information in the mail any time Sunday. The address is 7951 S. Hermitage Ave.)

THINGUMBOBS

An election of two directors of the Home Association—for two-year terms—will be held at the next regular meeting, Thursday, July 17. The terms of Bros. Thomas W. Doyle, Sr., and Ted Ranicke have expired. . . . Another important reason to attend that meeting is to get last minute news on the picnic. . . . Thee 2034 Club held its annual monthly meeting last Monday night. . . . We saw Chuck Jarr at Lake Delevan over the Fourth. . . . No softball news, we haven't heard from any of the players.

Washington Saddened by the Death of P. G. K. Bro. James M. Carey

1-3 Tues. . . . 503 Main St., Maywood

During this past week Washington Council suffered a loss that will take quite some time to overcome. Past Grand Knight James M. Carey, the first grand knight of Washington Council and one of its organizers and charter members, passed away to his eternal reward after an illness of nearly two years. The officers and members of Washington Council sincerely offer their deepest sympathies to PGK Harold Carey, Bro. Francis and Mrs. J. M. Carey in their bereavement.

SICK LIST

Reports are to the effect that PGK Max Bertsch and Pat O'Donnell are getting along nicely. PGK O'Donnell is still a patient in the Passavant Hospital and certainly would appreciate some visitors. How about it? We are also glad to report that Bro. McCann is now back on the job again after a long illness.

HERE AND THERE

Grand Knight John Ryan appointed several important committees at the last meeting, the chairmen of which should show results of their work very soon.

DGK Sanservino is looking forward to seeing a real representation of fourth degree brothers at the celebration in honor of the Feast of Our Lady of Mt. Carmel Sunday, July 13. This does not mean only fourth degree members are invited, but third degree brothers are asked to be on hand also.

We certainly appreciated the timely visit from PGK Joe Halm of Nazareth Council, who pointed out to us the necessity of getting behind the U.S.O. movement. Talk this up among your friends and note how much good you can do for your brother Catholics and knights in the various camps throughout the country.

Grand Knight John Joseph and Ed Murphy are holding a conclave in Boston, both brother knights enjoying their annual vacations. Hope they have a good time.

Don't look down on the worm. A famous scientist once said: "It may be doubted whether there are many other animals which have played so important a part in the history of the world as have those lowly organized creatures."

CHICAGO, JULY 11, 1941 100

How Big Is Your Heart?

It is past midnight when the telephone's urgent ring disturbs the sleep of a Knight of Columbus in Vicksburg.

"Will you give a blood transfusion now? You are the only one available in our group with the right type. The patient is 175 miles from here."

"O. K., I'll go."

"We have to start right away. They must have the donation tomorrow morning. I'll call by in the car in fifteen minutes."

So the long, sudden trip on a stormy night started. The donation was made on schedule. And the party left for home—another 175 miles.

Thus was hung up the "distance-traveled-for-a-donation" record in our Order's Blood Donor program.

The member did not get paid for his trip nor for the pint of blood he donated. He gave these out of the bigness of his heart. His reward came when he heard that the patient improved rapidly upon receiving his warm, life-giving fluid.

Thousands of stories such as this can be told about these new Knights in Charity who give of themselves that others might live.

There is the rapidly declining mother, who is valiantly fighting to hold life so that she can see and raise her new babe.

There is the mine worker, frightfully crushed by a run-away mine car. And the youngster seriously burnt. That other lad accidently and seriously shot. The young man, the doctor, the priest, the minister, all of whom relapsed after grievous operations.

The stranger in town who needed his blood built up before another serious operation. Another stranger who received from one council group almost a complete new supply of blood. The member who was so seriously hurt in an automobile accident away from home and who was helped by the local council group.

Yes, there are many similar stories—thousands of them—every one true—every one an inspiring exemplification of one noble kind of charity practiced by thousands of Knights of Columbus throughout North America.

Your council is very much interested in this new program proposed by our Supreme Physician, Dr. Edward W. Fahey of St. Paul, Minn., at our Supreme Council convention at Cincinnati in 1938.

The final success of our program depends on the number of brothers who will volunteer to be ready for a required transfusion. We need a large group in order to serve our members, their immedaite relatives, the clergy, nuns, needy patients and a few emergency cases.

Simple Plan

The plan is simplicity itself: the member volunteering gets an easy test to determine the type and purity of his blood now. As you know, there are four types of blood and the donor and recipient must each have the same type. When a call is received by the council committee for a volunteer, a member with the required blood type is asked to report to the hospital laboratory.

The technicians may make another checkup and then the volunteer, fully clothed, lies down for the simple, painless operation of drawing off a pint or less of his blood. In about fiften minutes the job is done, and the donor is up and on his way to work with a suggestion not to over exercise for a day.

Life-fluid to Patient

As the donor resumes his regular activities, the doctor and nurse visit the patient with his warm, life-giving blood which once again may draw a person back from the shadows of death.

As a member of our council, you have this unusual chance to save human life, to practice Charity in one of its finest forms. Won't you join us in this attempt to make Columbianism real in our community.

It is wise that you have your blood tested for type and that you have that information on your person at all times to prevent delay should you suddenly need aid because of a serious accident. Then, too, you can help to save those precious minutes between life and death should one in your own family have to have an immediate transfusion.

Volunteer your services now. See your Grand Knight, Financial Secretary or the Blood Donor Group Chairman.

Brownson Looks for a Good Attendance at Installation Tonight

2-4 Friday.....4740 N. Western Ave.

Installation of officers will take place at our next meeting, July 11, and a good turnout is expected to greet the newly installed officers and District Deputy John O'Reilly and his staff who will have charge of the ceremony.

The retiring Grand Knight, Thos. V. Casey, wishes to express his thanks to the officers and members who have assisted him during the last year by their cooperation and enthusiasm, especially to the Grand Knight-elect Wm. O'Neil, who served the Council as well as Lecturer and athletic chairman, to Past Deputy Grand Knight Frank O'Connor, who did such an excellent job as chairman of the membership committee, to Past Grand Knight Kohler, who so successfully organized our Blood Donors' group, to P. G. K. Chas. Lammon, who was our worthy scribe and wrote such interesting articles, to Past Chancellor Chas. Case, P. G. K. Ed. Kane, P. G. K. Jno. Brennan, Walter Evrard, Vinc Neary and a host of others who were always glad to help in any way they could, Bill Fergus, Jack Duignan, Pip Papke and the bowlers, all grand fellows to work with. Let us all offer a helping hand to our new G. K. Wm. O'Neill and all the Council officers to pave the way for a very successful year for Brownson.

A BACHELOR'S farewell party was arranged by the benedicts in honor of P. G. K. Frank Kohler at the Aldine Hall last Wednesday evening, and the only other single fellows present were John Leech and Tony Miller, who seemed to have a lot to say to each other. Wonder what about?

Daniel Gibbons Post of the American Legion invites all Brownson members and their friends to join them at their annual golf tournament which will be held at Rob Roy Country Club on Saturday, July 12. The fee is $2.50 which includes golf, refreshments, dinner and a chance at the prizes. Several reservations from Brownson have already been made and there is room for more, just drive out and sign up.

Girl Students Given Audience With Pope as Scholarship Prize

Vatican City.—His Holiness Pope Pius XII received in audience a group of girls who are students at the College of Assumption where he, as a young priest, was for many years a teacher of religion.

The Pope entered the audience chamber accompanied by Monsignori and members of his Anti-chamber. The audience lasted more than an hour and a half.

The Holy Father spoke to the girls individually, inquiring about their studies, and their ambitions. Many of them were daughters of pupils he had taught at the college. Of these he asked for news of their mothers and questioned them about their families.

Officials of the college arranged the audience as a prize for students who had gained an average of 90 or more in studies and conduct over a period of three weeks.

NINTH PILGRIMAGE MADE TO FATHER DUFFY'S GRAVE

New York.—Three hundred persons gathered under a blistering sun in the Bronx on Sunday, June 22—foregoing trips to seashore and countryside—to join the ninth annual pilgrimage to the grave of the Rev. Francis P. Duffy, wartime chaplain of the 165th Infantry (Old Sixty-ninth) and pastor of the Holy Cross Church, Forty-second Street, between Eighth and Ninth Avenues.

Under the sponsorship of the Father Duffy Chapter Rainbow Division Veterans 165th Infantry (Old Sixty-ninth), Inc., the pilgrimage formed around Father Duffy's grave in St. Raymond's Cemetery on East Tremont avenue and paid tribute to the memory of the World War chaplain of the "Fighting Irish." The priest's grave, unmarked by the conventional head stones that covered the cemetery, had instead six small American flags and one Irish flag placed near the four bronze markers contributed by the Rainbow Division, the Catholic War Veterans, the Veterans of Foreign Wars and the Disabled American War Veterans.

DETROIT PARISH NOTING 100 YEARS OF PROGRESS

Detroit.—St. Mary's church, third oldest Catholic parish in Detroit, is celebrating the 100th anniversary of the blessing of the cornerstone of the original parish church. The church was the first established for German Catholics who settled here about 1830. It was dedicated June 29, 1843. The original church was replaced by the present one in 1885.

Auburn Park Installs Officers Thursday at Only Meeting in July

2-4 Thurs. . . 7740 S. Emerald Ave.

At the last Council meeting it was decided to hold our installation of officers at our Club House, 78th and Emerald Ave., instead of at one of the South side hotels as in other years. It has been our custom in the past when a new grand knight is selected, to promote one of these dinner parties, but inasmuch as this year our Grand Knight Harry Cox succeeds himself it was decided to hold the installation ceremony as part of our regular meeting, which will be held on Thursday evening, July 17, at 8:30 p. m., at 7740 Emerald Ave.

The installation ceremony will be very brief after which there will be a short business meeting, followed by refreshments and entertainment. You will receive full particulars concerning this affair through the mail, and inasmuch as this will be the only meeting during the month of July it is expected that there will be a large turnout.

FAREWELL PARTY FOR REV. LEO SMITH

Through the efforts of Past Grand Knights, Richard J. Knight and John H. Clausen, a farewell party was staged for our beloved Chaplain, Father Smith, on Tuesday evening, July 1, at the home of Brother Dick Knight. Members of the council and friends of Father Smith turned out in large numbers, there being approximately one hundred present for the occasion and a very enjoyable time was had by all. Our Grand Knight Harry J. Cox made a very short talk and presented Father Smith with a radio for his room, also a very attractive traveling bag and a personal check.

We are very grateful to Brother Knight for his hospitality and for the assistance given him by Brother John Clausen for this wonderful evening. These two promoters are outstanding when it comes to putting an affair over even on very short notice. Let's put more of these Dick Knight parties on the Council schedule for the coming year.

BARBECUE RESULTS

At the Victory Dinner of the Barbecue held at the Palmer House on Monday evening, June 30, the following members received complimentary tickets from the Council for their activity in disposing of three or more Barbecue books; Brothers Harry Cox, John Coughlin, chairman of the Barbecue Committee; our Chancellor James Sheil, who sold a winner, and Brother Joseph Carey. These brothers in addition to many others have done a very creditable job this year in Barbecue sales, the total books sold this year being larger than any of the previous years.

As has been the custom for many years during the months of July and August there is only one Council meeting, and it was decided to hold these meetings on the third Thursday of each month, so the July meeting will be held on Thursday evening, July 17, and the August meeting on Thursday, August 21. Please bear these dates in mind. Beginning with September we will revert back to the two meetings per month on the second and fourth Thursday.

Our Grand Knight Harry J. Cox and his family left the city over the last week-end for parts in Wisconsin. Inasmuch as Harry is working on a defense project, he will hardly rate a regular vacation this summer so we hope he got a lot out of the three days. Understand he and his family have headed for Alpine Lodge at Egg Harbor, Wis. Let's have a full report upon your return Harry.

TONTI INSTALLS NEW STAFF NEXT THURSDAY

1-3 Thurs. . . . . 5221 Irving Park Rd.

"Leo batting for George," with this brief announcement we introduce a new scribe to Tonti Council readers, namely, Leo Postelanczyk.

The "little round man," who could double for Jimmy Dykes as to size, cigar and wise cracks, is the original "quiz kid" of Tonti Council.

G.K. elect, Louis Buettner

As former Advocate, he always was prompt with the correct answers, and in his daily work as chief of the Information Desk of the Chicago Post Office, he answers many questions pertaining to that riddle of riddles the massive volume known as the Postal Laws and Regulations whose make-up changes faster than the Cub's line-up.

Leo is a popular member of Tonti—he is also secretary of the Polish American Federal Employes Club, and most important he is a lawyer. Therefore, he should know what to write, about whom to write and when to write!

To our retiring scribe, George Schordje, we pay tribute to him for a sincere and conscientious application to his writings —so farewell, George, and welcome—Leo.

INSTALLATION THURSDAY

Thursday, July 17th, Tonti Council will install its newly elected officers. It will be an occasion for all members to show their appreciation of the wonderful work of G.K. Eugene F. Raith, who so splendidly guided the destiny of our Council for the past two years. Also to give encouragement and confidence to G.K.-elect Louis T. Buettner. Being aware of world conditions today, the job of leadership in any organization, and above all Fraternal Organizations, will be put to a severe test. So, Brothers, all shoulders to the wheel, and full support and co-operation to our new Grand Knight. The installing officer will be our genial D.D. Michael Geraty.

THANKS to the untiring efforts of the Barbecue Chairman, Ray Ruszkowski, the Council had 100 per cent distribution of its books. Although only 100 books were sold, a little more zeal on the part of some reluctant members, would have given our council a much better showing.

IN THE FINAL report of the Christmas Cheer Committee of the Chicago Chapter, Tonti Council placed within the first ten, averaging 26c per member. P.G.K. Charles Ruszkowski, chairman of our Christmas Cheer Committee, can be well proud of this record. Co-operation goes a long way towards success and accomplishment.

ONCE AGAIN Tonti Council comes to the "fore," when at the last Annual K. of C. State Golf Tournament, Bro. Leo Silwinski won the "Pat" Flanigan Trophy with a 4th Low Gross Score of 77. Kenny Graves also came home with a prize, a box of golf balls. Other Tonti members who participated in the Tournament were: Tom Berk, Ray Demski, D. G. K. Andrew Eichorn, Len Manczak, Lou Schmitz, Henry Scheffler, Eugene Murphy, P. G. K. Charles Rushzkowski, Bob Beaugureau, Adv. Bill Stevenson, P. G. K. Leo Murray and George Trout. Congratulations to the winners and keep up the good work.

CONDOLENCE

It is my sad duty to notify the membership of the death of Brother Albert Menkicki, who entered eternity, Tuesday, July 2, 1941. Notice of the death was received too late to notify the membership at large, however Tonti Council paid their respects Sunday evening, July 6th, led in prayer by Grand Knight Louis T. Buettner. Brother Menkicki was buried from St. Stanislaus Kostka Church, Monday, July 7, 1941. Nevertheless, it is never too late to say a prayer for a deceased Brother. Our condolence to the brothers and sisters of the late Albert Menkicki, and may God have mercy on his soul.

In the next issue the names of the new Chairmen of the various Committees will be published and if you are asked to serve on any committee kindly cooperate as this is your Council and its welfare depends a great deal on the efforts you give.

Again, let me remind you of the date, Thursday, July 17, Installation of our newly elected officers by D. D. Michael Geraty. You must be there as the Council needs your help. Oh, yes, there will be refreshments.

BLOOD DONOR WORK

P. G. K. John Olsta is Chairman of the Blood Donors Group. Some of our members have already been called upon to perform the act of charity of giving their blood that others may survive. Those donors with type 2 blood are most in demand. Two of such donors of our Group gave transfusions to Bro. Albert Menkicki. Bro. Munger of Genoa Council also volunteered as a Type 2 blood donor. This is just another demonstration of K. of C. Catholic Charity.

THE FOLLOWING comprise the U.S.O. Committee: P. G. K. John Smith, Chairman; P. G. K. John Olsta, P. G. K. Bob Anderson, Ed. Ciessau and Jos. Wiedemann. This committee will soon need your support, as the work will be of a vast and important scope. All of us realize the gigantic task that faces the U.S.O.

A LETTER was received from Brother Julius Kroll, who is serving his country at Camp Roberts, Paso Robles, California. Julius is doing well and certainly would appreciate a few words from some of the members.

St. James Induction of New Officers Will Be Held Monday Night

2-4 Mon. . . . 64th and University Ave.

Our next regular meeting, to be held at the Hayes Hotel on July 14, will be installation of the new officers. All members are urged to attend this important meeting and bid farewell to the passing leaders and to greet the new staff. A certificate of honor for boosting activities and membership will be awarded in honor of the past six months' activities, according to our membership chairman, Ambrose Burke. Remember the time—8:15 p. m.

Softball: Last week Genoa failed to appear and so a forfeit undoubtedly is ours. This week we meet Neri and Calumet. A practice game was held with the Whalen Boosters and with a 2 to 2 tie for six innings we slowed up and were beaten 5 to 2 in the last inning. However, it was a close battle and the boys are gaining their batting eye. On Thursday, July 17, a home game will be played with Loyola-Hyde Park, so all rooters are welcome.

Wedding Bells: On next Saturday Bro. Gregory Strobel will enter the marriage state and join hands with Miss Betty Walsh. The ceremony will take place at Our Lady of Peace Church, 79th and Jeffery. All the members and officers extend their heartiest congratulations and best wishes to the newlyweds.

SUMMER ACTIVITIES

With the picnic, barbecue and golf tourney past history, the next event is Saturday's affair at Twin Lakes, Wis. For last-minute reservations telephone Ed. Enright at Vincennes 4141 Friday evening up to 8 o'clock.

The Chicago Chapter meeting was well attended with Chairman Clarence Phillips, Frank Mayer, Pete Wehle, Gregory Strobel and several others in attendance. What's become of Paul Cummings and Joe McGivern? Remember to save those vacation items and tell us of them at the meeting. A full report on the barbecue will be given Monday. Be sure to back the U.S.O.—now is the time! Henry Woodmaster is at home and will welcome any and all visitors.

Bro. Joe McGreal is at 4513 S. Western Blvd., at the Champion Oil Co. Those in need of gas or oil should stop in and see Joe. The following new members are welcome to St. James and have successfully passed all the degrees to admittance: Joseph E. Ferguson, Sam P. Gattone, Bryce Bryar, Joe Connolly, Jim Connolly and Richard Beck. Congrats! When we win the softball championship a snapshot of the ball team will be taken —how about it, gang? See you Monday night at 8:15 to greet the new officers.

EX-NEWSPAPER MAN IS ORDAINED PRIEST

Boston.—The Rev. Edward J. O'Keefe, former member of the "Boston Post" reportorial staff, recently ordained in the Trenton, N. J., diocese where he will soon assume his duties as a curate, celebrated his first solemn Mass on June 8 in St. Clement's Church, Medford, where he served as an altar boy.

The deacon was the Rev. John J. Twiss of the Immaculate Conception Church of Salem; the Rev. Matthew Coughlin, of the Church of Our Lady of Grace, of Chelsea, was sub-deacon; the Rev. Daniel F. Sullivan of St. Monica's Church of South Boston, was master of ceremonies, and Monsignor Robert P. Barry, pastor of St. Clement's Church, was arch-priest.

DE SOTO GOLF TOURNEY ALL SET FOR JULY 15

2-4 Friday.....Clark and Belmont

On next Tuesday, July 15, from early morn until the last ditch is dug, and ad infinitum until the gang have unloosed and uncorked their sad and sorrowful tales, stretched to a considerable extent as you might know, about their tough breaks, bad lies, and sundry and devious other misfortunes and excuses along and in the fairways, roughs, traps, bunkers, etc., the members of DeSoto Council will convene to perform their antics at Sportsman Golf Club on the occasion of DeSoto's annual golf tournament.

Bro. Joe Merki, chairman of the Golf committee, reports that reservations are piling up and that the old DeSoto pepper, interest and enthusiasm for the tournament is mounting, with sincere expectations of a banner turnout. If at all possible, he urges that you call he or Vinc. Braband at Wabash 0460 and make reservations before next Tuesday. This is not imperative, however, as I am informed that you can come out any old time during the day with your friends and be assured of teeing off immediately.

The tournament is to be conducted according to a handicap system, the details of which will not be divulged by the committee until the event gets under way, but we are assured, provided no excessive lapses of memory occur in the score marking, that arrangements on prize distribution is designed to afford everyone, both pro and dub alike, an equal opportunity to participate in the many valuable gifts which will be offered.

Incidentally, I might mention that nonmembers are invited and all guests who play will be eligible to share in the awards. After the day's plodding, tramping, excavating and cussing has been accomplished, that worn, weary and achy state of subjection will be dissipated by a refreshing shower and your spirits enlivened and kindled by a cool and satisfying draft of some delicious refreshments which will be provided, followed pronto by a thick, juicy steak smothered with mushrooms which will be served for dinner supplemented by all the necessary and customary garnishments, groceries, etc.

As I have mentioned before, Sportsmans Golf Club is an attractive and sporty 36-hole course affording the average golfer every opportunity to enjoy a pleasant and stimulating day of golf. It is located about 30 minutes north of Chicago's north side, one and one-half miles west of Waukegan Road on Dundee Road, just a short distance east of Wheeling. Lockers, towel service and showers are all included in the fee. The price for the whole works, including all the golf you may wish to play, participation in the prizes, lockers and showers and dinner in the evening, is a mere $3.00.

Come out early and tune up with 18 holes before playing in the tournament; come out as late as 3:30 or 4 o'clock and you will still have time to participate in the prizes; come out at 8:00 o'clock in the evening for the dinner which will be offered at a very reasonable charge. Come out whenever you like, but whatever you do, don't forget to be on hand at Sportsmans Golf Club at some time during the day or evening of next Tuesday, July 15, to participate in the tournament.

TONIGHT'S MEETING

Just a reminder that after a very short business meeting tonight, our distinguished and beloved State Deputy Leo M. Flynn will officiate at the induction into office of our recently re-elected Grand Knight, Gene Scanlan, and his fellow officers.

We should make every effort to attend this event as the formal ceremony is quite impressive and merits our participation. After its conclusion, which we are assured will not be delayed or impeded by unnecessary minor details, our new Lecturer, Irwin Schultz, will take charge, and although I am not informed as to what's on the menu, something of interest will be provided.

DE SOTO PICNIC

Up to the present time details concerning DeSoto's annual family outing on August 10 have been rather sparingly and scantily discussed, but with many other important events intervening, news has been somewhat at a premium. Now, with elections, Barbecue, and appointments out of the way, things are perking up and we get an aroma of pleasant news in the air.

Bro. Irv. Schultz and his picnic committee are putting in a load of overtime whipping into shape a varied and all inclusive program for the picnic in order that everyone, men, women and children, will have a pleasant and enjoyable time. The entire program is now rapidly reaching a definite status and in the very near future we shall publish a list of all events and features which, I am sure, will definitely cinch your presence at DeSoto's picnic at Northwest Park on Sunday, August 10. In the meantime keep your shirt on and don't get in a lather.

BLOOD DONOR ACTION

We learn from Bro. Frank Wohleber, chairman of the Blood Donor unit of DeSoto Council, that despite the many intervening events and diversions that occupy the time and attention of most of us during the warm summer months, the noble and inspiring work of the members of this grand organization still carries on rendering aid and assistance of inestimable value to those requiring their services.

I am informed by Frank that during the past few weeks, the following brothers submitted to transfusions: Marty Beilmann, Al Bott, William Connelly, Harv. Dohm, Joseph Drazkauskas, Nicholas J. Frecko, Charles Gutsmiedl, Ray Hoffmeier, Louis Kraft, Dr. Elmer Mertes and Stephen J. Pincsak. Great work, fellows, such service merits our highest praise and commendation.

SOFTBALL

On last Monday evening, July 7, behind some sweet chucking by Lee Schram and a sixth inning power drive by Joe Shemroske, which went for four sacks, DeSotos major league softball team subdued the gang from Father O'Connor Council by a score of 2 to 1.

The team clicked perfectly and gave Lee some excellent support in the field. Leading the hitters with three for four was the Mugzzy himself, Art Booz. Next week, on Monday, July 14, the club will play St. Paul of the Cross at Waveland Ave. and the Lake, and on Thursday, July 17, they will face St. Cyr at Paul Revere Park, 2509 W. Irving Park Blvd. See you out there.

After buttin' my snoot around enough I finally wheedled out of Johnny Brandl the dope on Charlie Thoma's befuddled plight. On next Saturday, July 12, at St. Ignatius of Loyola Church, he will depart from the glorious status of bachelorhood and take unto himself a spouse, by name Miss Margaret Dwyer. We take this opportunity of extending to Charlie and Margaret our congratulations and sincere wishes for a glorious future.

Also learned something about our old friend Johnny Forester in this regard, but to date have not yet obtained possession of all the facts—but shall without delay.

Just heard from Doc. Brahm who is cavortin' with Mrs. Brahm and the youngsters up around Ely, Minn. Rest assured he'll be back with some tall and powerful fish tales.

AGED REDEMPTORIST OFFERS MASS DAILY

Esopus, N. Y.—Sixty years in the priesthood, a record that has been duplicated by only seven other members of the Redemptorist Fathers in their 109 years' history in the United States, were celebrated here at the Redemptorist Seminary by the Rev. John A. Klang, C.SS.R., nationally known scholar. Because of his failing eyesight, 85-year-old Father Klang has the privilege of daily celebrating the Mass of the Blessed Virgin or the Mass of the Dead, whose Propers are easily committed to memory.

A native of New York City, Father Klang saw the draft riots in 1863 at the time of the Civil War. He was in Alsace when the Franco-Prussian war started, and he saw the Germans occupy that province.

One of his classmates when he was studying for the priesthood was the future Archbishop James Blenk of New Orleans. Father Klang was ordained by Cardinal James Gibbons in June, 1881. His priestly life as pastor and teacher has been entirely in the Archdiocese of Baltimore and New York and the Diocese of Erie. Among his students in canon law and church history at Mt. St. Alphonsus Seminary, Esopus, was the present Bishop of Ponce, Puerto Rico, the Most Rev. Aloysius J. Willinger, C.SS.R

1-3 Wednesday . . . 1521 Wilson Ave.

After much searching and seeking, to say nothing of prying, ye scribe has learned the identities of Ravenswood's three delegates to the chapter. They are PGK John McIllvaine, PGK, present Trustee Peter Farrow and Mike Metzger. The writer is genuinely embarrassed for the length of time it has taken him to get this dope for you. Now that you have learned who our delegates are, you also know that Ravenswood's representation is of the best.

GOLF

Ravenswood's annual golf tournament will be held next Thursday afternoon at the Crystal Lake Country Club. Three dollars will cover your golfing and dinner. Bro. Mike Metzger, besides being the reigning champion, is also tournament chairman. A number of the fellows are making tentative plans for gathering at Bill Barr's on N. Broadway Ave. around 12:30 Thursday so that all may drive out Northwest Hwy. together.

If you are interested in meeting the gang, call Bill's place that day, Sheldrake 1842. Why not have every golfer in the council at this tournament? Champion Metzger welcomes tough competition. Get out there and give it to him! Oh yes, those who do not golf are invited to dinner.

NEXT MEETING

This news item is out of chronological order, since it is to take place the evening before the golf tournament. But the majority of our members knew the date of the induction before the tournament was announced, so that's why you got the golf dope first—okeh? How many of our knights will be at our Wilson Ave. clubhouse next Wednesday night to see your new officers invested with the powers of the positions to which you elected them? Let's have a mob there. What do you say?

The knights of our council who earned places at the barbecue victory banquet were GK Morgan, DGK Michael Citti, Financial Secretary Matt Blesius, Treasurer Bill Egert, Dave Heelan, Charles Bouttinet, Al Carroll and ye scribe. We all had a swell time, enjoyed the food and speeches. Probably all of you now know that this year the barbecue earned more money for Bishop Sheil's underprivileged youth than ever before. Don't forget the golf tournament and the induction of officers.

Oak Pk. 'Fours' and Guests to Sail Briny Deep Wednesday

2-4 Mon. . . . 641 S. Scoville, Oak Park

"Ship ahoy!" is the call that's echoing around the council rafters this week as the Oak Park Fours unlimber their sea togs for their boat trip on the City of Grand Rapids next Wednesday evening. Every old salt in the council—even if the only schooner he's ever piloted was the ten-ounce kind—is practicing hornpipes, too, in anticipation of the one-night voyage.

Wednesday's trip will be in keeping with the royal entertainment always associated with the fourth degree affairs. Special arrangements have been made by the Fours to insure a memorable trip, so that when the City of Grand Rapids, excursion boat de luxe, leaves from the south entrance of Navy Pier at 10:15 Wednesday evening, at least two-score council members and their "better halves" are expected to be aboard. Dancing, refreshments and a pleasing program of entertainment will be available, as will deck accommodations for those who prefer the cool comfort and relaxation of just "resting easy."

Tickets for the evening excursion—the trip will last from sailing time at 10:15 until 12:30—may be had from any member of the Fourth Degree Club. The supply is definitely limited so call now or drop over to the meeting Monday and get your share.

MEETING MONDAY NIGHT

Grand Knight Joseph Cagney will conduct his first full meeting next Monday night, the only council session for this month, so that a sizable crowd is expected. Business will definitely get under way at 8:30 and be over quickly. No special programs have been planned for either Monday's meeting or next session on Aug. 11 so that everything will be over early in order to allow for a lot of "just relaxation," "smokes" and/or refreshments there will be, and aplenty.

FINAL DETAILS are even now being made for the council's summer golf tournament. Tourney Chairman McGinn has chartered the pleasant Maywood Club for Sunday, Aug. 10. An all-day program including golf, entertainment and dinner is being given its finishing touches so all that now remains to be done is to enter your reservation. Do it Monday and give the boys a break.

BRO. AND MRS JOHN BURNS have just returned from a trip to California where they visited their son. Both look like the trip agreed with them for they are sporting a real coat of California tan that is sure to last until next year at least.

Peace Without Justice Impossible, Says Prof.

New York.—Any forthcoming peace must be deep-rooted in justice, or it will not endure, and there will be another world conflict in 25 years, Professor John J. O'Connor, chairman of the department and Sciences, St. John's University, said of history at St. John's College of Arts recently in an address on the subject, "The Basis of a Permanent Peace."

He spoke before the regular meeting of the Brooklyn Youth Round Table of the National Conference of Christians and Jews in the Hotel Bossert. Edward Cummings is president of the Youth Round Table group. Dr. Howard H. Hintz, director of the Brooklyn Round Table of the National Conference of Christians and Jews, introduced the speaker.

Noting that "countless men have fought and died for justice yet justice seems to elude us," Prof. O'Connor said. "The great cry of mankind is for justice—a just peace—and a just world order for all. Pagans and Christians have always been in substantial agreement that justice is the virtue which renders to everyone due."

The speaker warned that "justice is for some, but for all," and that "our cial order will not be permanent unl an interest is taken in those persons groups victimized by injustice. groups in this country includes Je Catholics, Negroes, sharecroppers, victims of employer or union racketeer he said.

Monday . . . 1609 N. Halsted St.

Monday, July 21, St. Cyr will com- two events in one. In conjunction the annual installation of officers, hich time Joseph (Chief) Maggiore ake the pledge of grand knight for econd time, St. Cyr will also cele- its recent victory in attaining the rs of the century club.

aring the honors with St. Cyr on that ig will be the other two councils in tate of Illinois who achieved the rs of the century club. Locally the ry club will be represented by our ei bor council, St. Francis Xavier il, and Kanakee Council will repre- the other councils throughout the

attendance will be State Deputy Leo and the two ex-state deputies, John F. Bolton and Michael How- who set such splendid records dur- eir terms in office. The membership men of the respective councils and wn membership chairman, DD Mar- Stefano, will also be there. An in- on is extended to members of other ils to pay St. Cyr a visit on that As always, Knights of Columbus are welcome at St. Cyr meetings.

softball warriors still wield their bats and down all those who d our paths. With the season well under way, our boys still remain undefeated. Regular games are played on Tuesday and Thursday evenings. The following is the schedule for the rest of the regular playing season:

On July 17, St. Cyr meets DeSoto at DeSoto; July 22, Ouilmette at St. Cyr, however since Ouilmette has dropped from the league this game will be forfeited to St. Cyr; July 24, University at University; July 31, Brownson at Brownson, and the last game of the regular season St Cyr will meet Marquette on our own home grounds. Manager Vic Priola at the beginning of the season promised St. Cyr a championship. Vic is well on his way in fulfilling his promise. Let us give the boys our support by going out and giving them a little moral support.

Santa Maria Addolorata Church is currently conducting its annual carnival at Erie and Carpenter Sts. As in past years, one night will officially be designated as St. Cyr night. Thus on Thursday, July 17, St. Cyr will take over and help Santa Maria Addolorata Church carry on the fine work which it is doing among the people of the near west side. Chairman Marco DeStefano is asking for volunteer workers on that night. If you wish to help, get in touch with Marco at 1323 W. Erie St., Monroe 6829.

Shortly after Labor Day the Monte Carlo alleys will again resound with shouts of St. Cyr men who anxiously look forward to the regular bowling season. Secretary Cosmo Coniglio and President Sam Rannochio expect fifteen teams to be enrolled in this year's league.

Last year ten teams rolled in the tournament with sponsors being made up from St. Cyr business men. Most likely these same sponsors will again wish to participate. There will be room for more. If you wish to sponsor a team, get in touch with either Rynie Rannochio or Cosmo Coniglio. And shortly after the first of August Secretary Coniglio will hold a bowlers' meeting. Turn your name in to him now so that plans can be made to get the league under way as per schedule.

Dr. Mario Rubinelli, a young man who has been going a long way in his field in the last few years, has recently taken another step in his program of expansion. Dr. Rubinelli has removed his offices to 612 N. Michigan Ave. with a local office at 519 W. North Ave., where he can be reached in the evening. An expert optometrist, Dr. Rubinelli is well liked by his many friends and acquaintances. Dr. Rubinelli invites all of you to inspect his new offices.

I wonder how many of you thought there was a meeting last Monday night and inadvertently went to our council chambers. Again I wish to repeat that during the summer months our program is somewhat lightened. Our next regular meeting will be held Monday, July 21, two regular meetings in August and one in September, the third Monday of the month.

Englewood's Officers to Be Installed at Meet Next Monday

2-4 Mon.....150 W. 69th St.

Here it is, the month of July, which means the beginning of a new fiscal year for Englewood Council. The first function to be held will be the installation of officers next Monday, July 14. District Deputy Wilfred Byrne will preside over the installation and will be assisted by District Deputy Marco DeStefano.

This is an important event of the council and merits the attendance of every member. Show the new officers that you are going to co-operate with them this next year by being present at the installation. At the same time the Grand Knight will announce appointments, as well as name the various Committee Chairmen and members. If you are one assigned to one of these committees accept the appointment and fulfill your duties faithfully. Then, and only then, can your council prosper. E-ncourage E-nglewood's E-ndeavors.

E-THLETICS

If at first you don't succeed, wait until next week and perhaps your opponents will be weakened by the warm weather. And that is just what our softball team is planning, for last week we were the victims of a 5 to 1 perdition at the hands of Auburn Park's Wildcats. It was a 1 to 1 ball-game until the sixth inning, and like all pitcher's battles, the break has to come sometime, only this time it wasn't our time.

However, Manager Joseph Hannapel is well pleased with the turnout and is hoping that more members of the council who would like to get a little exercise will come out to participate in these games. Joe, like Knute Rockne, states, "It isn't whether you win or lose, but how you play the game."

So, dig out your old tennis shoes, bowling shoes, sport shoes, horseshoes, or anything to cover up those sox, and come out. In fact, PGK Charley Huguelet is looking for company, or else he is going to request an application in the U. P. A.

The Junior Baseball Team opened the Hamilton Park Jr. League last Sunday with a 6 to 5 win over the Panthers. Games will be played at Hamilton Park every Sunday at 1 p. m. The team is rounding up in good shape and should make a very creditable showing for the Council. Ed Lollock's homer and single, together with Sweeney's drive with the bags loaded, aided our team to victory. Come out some Sunday afternoon and see the boys in action. (Perhaps my good friend, Bro. Donegan of Madonna, might stroll over some Sunday, and see what I had in mind.)

E-PITAPH

The officers and members of Englewood Council extend their deepest sympathies to the family of PGK Peter Birong, who passed away on July 4.

Bro. Birong was the present ranking Past Grand Knight, having served in this capacity in the years of 1908 to 1910. He was also a District Deputy, being the only one ever appointed from Englewood Council. He was also a member of St. Peter's Court, Catholic Order of Foresters.

His son, Eugene T. Birong, and his son-in-law, Russell Flood, were former members of Englewood Council, having recently transferred to Ouilmette Council. The funeral was held on Monday, July 7. Many members of the council attended the wake on Sunday night.

May his soul and the souls of all the faithful departed through the mercy of God rest in peace.

E-NGLE WOOD-CHIPS

Well . . . here it is the beginning of a hectic vacation season (mine's all over with) . . . and don't forget to drop a card to the scribe letting us know of your whereabouts . . . and while writing a card to someone back home don't forget to send one to the boys at camp . . . even if you only say "hello" it will make them feel that they are being remembered . . . This goes for Roy Murphy, too, with his 26-day vacation . . . and don't think he don't like to remind you of those 26 days . . . When traveling in the vicinity of 127th Street and Cicero Avenue drop in and see our good friend Fred Barzen and his wife Elsie . . . Many of our meetings were made more enjoyable by the food and refreshments sent up to us from downstairs . . . they now have the Texaco Station and Refreshment Stand on the southwest corner of 127th and Cicero and would appreciate seeing some of their friends . . . And might I say their B-B-Q sandwiches are deeeee-licious.

Our wishes for a speedy recovery to the wife of Justin McGowan . . . And also to Richard A. Phillips, Jr., who was laid up with that "crooked" finger . . . Have you taken that cast off yet, Dick . . . or are you still a castoff? . . . Looking for a place to go on Sunday afternoons? . . . Many of our neighboring councils are holding their annual picnics and extend you an invitation to attend.

St. Augustine's Mail Box Plenty Large for Those Vacation Cards

1-3 Mon. . . . . 5209 S. Justine St.

All good members will attend our next meeting on July 21. We do hope to have an attendance somewhat close to that of our last meeting. Please make arrangements now to be with us. Don't forget, it's installation of officers and that always means a good time.

EXCUSE, PLEASE

When mentioning all the dignitaries and most welcome guests at our last meeting, we failed to include the name of our past-financial secretary, E. M. Follman. Eb came in from Cleveland for the graduation of his son and took in our meeting at the same time. We were really glad to see you Eb and would like to see you oftener.

WELL, WHAT DYA KNOW

The foregoing two short paragraphs represent all the items of interest that have come to the attention of the guy who writes this column. Here it is the middle of July and only a couple of vacation cards were received thus far. (Edward I. Conrad, 5758 S. Wood Street).

All this waiting is doing nothing but taking up space and if you get tired reading this kind of stuff, pass on some news.

Our Barbecue committee, headed by Trustee Joe Handzik, went over the top in ticket sales and the Barbecue itself did likewise so now we say "as goes St. Augustine Council—so goes the K. of C. Barbecue." All members who sold more than one book will be given an opportunity to get free council dues at the next meeting.

LEO OFFICERS ASSUME NEW DUTIES FOR YEAR

1-3 Tues. **820 W. Garfield Blvd.**

Tuesday, July 1, was a great night at the Clubhouse. It was Installation night but because of unforeseen difficulties, D. D. Woods was unable to get to the meeting having been detained out of town on business. In order to cope with this condition the council operated under Section 129 and under the heading of New Business, Grand Knight Wagner turned the gavel over to Grand Knight-elect Breen while the other officers vacated their chairs to their successors. D. D. Woods will arrange for a formal installation ceremony sometime in the Fall. Grand Knight Breen in taking over the gavel paid tribute to the service of P.G.K. Wagner and pledged the Council to follow in Wagner's footsteps.

Due to the continued absence of Recorder Fanning, who is in the hospital, P.G.K. Edward Nugent was appointed Acting Recorder to serve until Bro. Fanning is able to assume his duties which we hope will be real soon. Fin. Secy. P. Jos. McNamara had an unfortunate accident returning from the Victory Dinner and will be unable to be at the club for some weeks; so to accommodate those who wish to pay their dues P.G.K. John Ruberry will serve as Acting Financial Secretary until Joe is able to perform again. John will be at the Clubhouse every Tuesday and Friday evenings from 7:30 until 10:00 for the purpose of collecting dues.

In addition to the appointments of Chaplain Cashman and Lecturer Vaughn, Grand Knight Breen appointed P.D.G.K. William Cullina to head the Council's committee on U.S.O. Other committee appointments will be made during the summer months. The members of the Council presented Retiring Grand Knight Wagner with a token of their esteem and appreciation of his fine work. Bro. Wagner was eloquent in his reply and said that he would continue to work hard for the success of the Council. Refreshments were served by Lecturer Guldan and a good time was had by all.

Brothers Wagner, Ruberry, McNamara, O'Malia and Breen represented the Council at the fine dinner held at the Palmer House for the presentation of the Barbecue check to the Bishop. It was thrilling to hear the words of the Bishop and to see the gladness and appreciation for the work that the order is doing. It was fine to know that you were a Knight of Columbus.

JEREMIAH KELLY

The Council was saddened with the death of one of its oldest members when Bro. Jeremiah Kelly was called to his eternal reward after a long illness. He was an active member for more than a score of years and was an important factor during the days of the building of the Clubhouse. He was the Father of Chancellor John Kelly and during his last days was pleased at his son's return to the official life of the Council. He was a fourth degree member of the Order. To Mrs. Kelly, John, and other members of the bereaved family the Council extends deep and sincere sympathy.

New Scribe: The next issue of the Columbian will carry the first article of the new Scribe of Leo. We are happy to announce the appointment of Trustee Michael Higgins who will act as scribe for the ensuing year. As you all know, Mike is very active in Council and Leo Fourth affairs and will be in a position to render good account of the council happenings.

DOTS AND DASHES

Bro. Chas. Mullins and Aaron Cunningham were blood donors last week. . . . We are grateful to Bro. Vincent Lenard for the pictures he took of the Officers on Installation night. - - - Frank Powers got married but the details are missing, however to Frank and the new Mrs. the Council extends the best of good wishes and hearty congratulations. . . . Bro. Pat Redden is now in business and would be glad to see any of the brothers at his new address, 1343 W. 87th St. - - - We were sorry to hear of the death of the brother of Inside Guard Charles Mullins, and to Charley and the members of the family we offer sincere sympathy. . . . Bro. Leo Francis White was a welcome 4th of July visitor from St. Paul, Minn. Bro. White is a great booster of Leo up in the twin cities. - - - Visit the Clubhouse on these hot days, it's the coolest spot in town.

Marquette Invites Large Turnout for Installation Thurs.

1-3 Thurs. . . . . 1928 Devon Ave.

Meeting next Thursday, St. Henry's Hall, and the important feature of this night will be our installation of officers. A large attendance is expected, and rightly so, to show your newly elected officers that your support will be given them. Refreshments will be served at this meeting.

Final report on the recent barbecue shows that $22,148.33 was given to Bishop Sheil for his Underprivileged Youth Fund. This check, given to the Bishop, was the last official act of Judge John F. Bolton, as the State Deputy of Illinois, and the above amount represented the net proceeds of the July 18 barbecue. A like amount was earned by all the participating councils in this endeavor.

Marquette's check, as presented to Grand Knight Hesse, was for $276.72, for which much thanks is due all those members of Marquette who functioned in this regard. You have helped Bishop Sheil very much, as well as making it possible for our council to receive a substantial check. Again we say thanks to you for your help in this Catholic activity.

MAYSLAKE

Please advise G.K. Hesse at next Thursday's meeting if you plan to attend the retreat with your council Brothers at Mayslake.

NEWS: A card from Niagara Falls has been received from our honeymooners, Rec. Clarence J. O'Hara and his bride. Hope to see the Recorder at our meeting next Thursday. A word to our members for prayers to help our Bro. James R. Grimes to a speedy recovery from his present serious illness.

DUES ARE DUE: Brothers, the trustees are about to audit the books of our Council and many members are in danger of suspension. If this applies to you, won't you kindly remit to the Financial Secretary.

SOFTBALL

Our softball manager, Chas. B. Cronin, has his team doing pretty well in the K. of C. league to date. They have lost one game to Brownson, while their score card shows they won over De Soto, Father O'Connor, St. Paul of the Cross and Ouilmette Councils. These Brothers are doing their bit for Marquette Council in their games each Thursday evening, and should secure a bit of encouragement for their endeavors from the Council.

Next Sunday, the second of the month, all Holy Name men should be at the eight o'clock Mass in their respective parishes.

Warden Pettis has expressed a wish to be a K. of C. Secretary at one of the camps. Pat O'Donnell, who is commander of one of our American Legion Posts, is running down fifth columnists. Our members in St. Timothy's parish regret the transfer of Rev. Fr. James M. Liston, who is now located in Naperville, Ill. See you at meeting Thursday night.

Santa Maria Election Places Joseph Komar at Head of Council

2-4 Thurs. . . 9020 Commercial Ave.

With District Deputy Judge Joseph Hermes presiding, Santa Maria Council held its annual election of officers at the last regular meeting. There will be a few new faces in the staff for the coming year. The election results were as follows: Grand Knight, Joseph Komar; Deputy Grand Knight, William Jakse; Chancellor, John Cullen; Recording Sec'y, Anthony Tiller; Warden, William Iglewski; Advocate, Michael McParland; Inside Guard, William Henry; Outside Guards, Edward Bohling and Florian Gordon; Trustee, William Rosenbach; Delegate to State Convention, Al Schott; Alternate to Delegate, Michael McParland; Alternate to Grand Knight, James Brown.

Bro. John Crowe has again been appointed financial secretary, and Donald Mortimer will continue as scribe. Lecturer's position alone remains to be filled. The newly elected Grand Knight Joseph Komar has served our Council in many capacities and has been an indefatigable worker. Together with his newly elected and appointed staff, we know the Council can expect a good coming year.

NOTES

We met Bro. John McNicholas on 79th Street the other morning, and he greeted us with "So you've been at it eleven years." Which leads us to believe we have at least one reader of the column besides our family. Bro. John Nash says he checked over his fingers and found them all o. k. That was our mistake. The Bro. Nash with the injured digit was Bro. James not Bro. John. All right?

Bro. Wally Meisenbach has returned from a brief trip up to Little Paw Paw, Mich., where he opened his summer home for the season. Bro. Dan Doherty sure is the proud papa, every time we see him he has his small son "Dinty" with him. Bro. Doc Neville injured his side playing golf recently and the attendant layoff from the game has him feeling worse than the actual injury. P.G.K. Al Schott is busy looking around for a suitable golf course for the Council's annual tourney. Bro. Schott hopes to stage this year's tourney on Sunday to give every one a chance to play.

Columbus to Make Appointments Tues. After Installation

2-4 Tues. . . . . 6932 N. Clark St.

Our Grand Knight-elect, Al. Irving, promises to appoint our new Chaplain, Lecturer, Financial Secretary and Scribe at the next meeting, which will be held Tuesday evening, July 22. We will also have with us on this evening, our District Deputy Marco De Stefano and District Deputy Arthur J. Donoghue, who will install the officers-elect. Now that we are having only one meeting a month, we would like to see as many as possible on hand to greet these two distinguished gentlemen, who have given so much of their time for the upbuilding of our Order.

BARBECUE SUCCESS

Our Grand Knight and Grand Knigh elect, together with Frank Coffey, a tended the Victory Dinner in honor Bishop Sheil last Monday and receiv our check for the books that we sold du ing the Drive. The following is a parti list of Brothers who sold at least o book:

"RETURN TO OLD FAITH" URGED BY ARCHBISHOP

Limoges.—"When the peasant was animated by religious feeling, the soil was never too lowly to be tilled and the church was never too far to be attended," Archbishop Louis Fillon of Bourges said in his recent Pastoral on "The Church and the Soil."

Without the Christian spirit, Archbishop Fillon predicts, the very best temporal organization will prove to be only a hollow shell. He then recalled the "happy days" when "the slightest act of our ancestors was a manifestation of the profundity of their faith."

"At table," the Archbishop continued, "the father never cut the bread until he had made the sign of the cross with the point of his knife. Never was a roof repaired or an arbor prepared without first summoning the priest to bless it.

"There was always in the home something of the good God—on the walls and in the hearts. At the crossroads, the farmer raised a cross. On his way to work in the morning, and returning from the fields in the evening, he saluted it: O crux ave, spes unica."

Archbishop Fillon recalled the Rogation processions across the fields, the Corpus Christi procession through the village streets, the calendar which followed the seasons and the Saints' days; the High Mass on Sunday which was the social gathering of the week, and the final resting place close beside the village church so that not even in death was the peasant far removed from what had been the center of his life.

In such a community, the Pastoral pointed out, there could be no such slogan as "Everybody for himself."

RUNNING FOR OFFICE or RUNNING A BUSINESS

If you want to get elected to office you must "rub elbows" with the man in the precincts, stand on corners and listen to the talk of the neighborhood. This is because public opinion begins in the home, and in Chicago party lines are family lines.

Business men as well as politicians must sell the family if they expect to cover the local market.

In Chicago (largest Catholic city in the world) almost 50% of all families are Catholic and of these nearly every other one is represented in the Knights of Columbus.

Since 1906, The Columbian has faithfully served this host of local reader families. Today it enjoys the largest restricted mail circulation of the Chicago market. Thus the local Knights of Columbus market is reached easily and effectively through the pages of their unique weekly.

NEWMANNEWS

Movements about town include those of Larry Dupre, who is moving soon into his baronial estate at Glenview as well as Nipper Hebson's new ranch house being constructed in Morton Grove. Both these towns are in Illinois and we are sorry that space does not permit a map.

We see that Roy Decker has joined the ranks of Uncle Sam's Elite Guards and is peddling the mail for forty hours a week with some of our other more fortunate brethren. Old age finally caught up with Joe Schaefer last week when his daughter presented Tom Steigelman with their first child, a son. Which for fellows like Jack Wiltjer makes Joe a Grandpop and reminds us that it happened to Con Hayes and Barney McCauley in the same manner except that Mrs. McCauley's third and newest offspring is a girl.

George Hebson is spending his vacation playing doorman for his Dad of Hebson's, Inc., on the shores of beautiful Lake Skokie, which is still in Illinois and where things are opening up along with the defense boom. District Deputy Jim Corcoran and family are vacationing in Canada for the past two weeks and his return is eagerly being awaited by Delegate John, who is in need of a couple of weeks' rest and training before embarking for the Order's National Convention.

P. K. Wrigley's Cubs certainly have a few things in common with our own Newman softballers; to wit: the 16-inch farm club has had a change in Managers with Cliff Dalton taking over after a 25 to 8 defeat last week, while the 12 inchers have bought up a couple of stars to fill those gorgeous uniforms of which our representatives can boast as being the most expensive, if nothing else. They had "Nine Old Men" on the field at St. Nick's picnic and their own "Ump," but the Holy Namers' outfumbled them to win the City Catholic championship. Any constructive suggestions except enlarging home plate for Nick Ney, wiping the blood off the ball for Gene Amidon or giving Bob Reitz a third base backstop will be welcomed by Dr. Keefer of this column.

Summer Widowers' Club at Mahony's Station include "Doc" Fitzgerald and Marty Corcoran or any other brothers whose wife is away for the duration.

McHale Induction Scores Success in Attendance Figures

1-3 Tues. . . . . 150 W. 69th St.

Even though it was quite warm last Tuesday night, there was a good attendance at our meeting to witness the installation of your newly elected officers. D.D. Edward Molyneux, assisted by G.K. Norm Northam and P.G.K. Ed Johnson, all of Perez Council, conducted the installation and did their work well. Art Wyatt of Perez and Bro. McGuire of Loyola-Hyde Park were also there.

After the meeting the usual rush was on to the front hall where refreshments were served by the newly appointed Lecturer, Bro. Leo Wemple, and his assistants who consisted of practically all the newly initiated members. Congratulations, Leo, you did a swell job and whenever you need help or advice, just ask and you shall receive.

There will be no meeting now until August 5, and that will be a meeting and ladies' night at Ryan's Woods. Watch our column for details.

BOWLING

D.G.K. Tom Garvin, president of the McHale Bowling League, had a meeting at his home recently at which plans were made for the coming season and also for the bowlers' meeting which will be held on Tuesday evening, July 15, at 150 West 69th St.

As stated in our column last week, it is the desire of Bro. Garvin and the other officers of the league, that the league have a banner season. In order to accomplish that, they will have to have the cooperation of many members of our council. That is why they have asked me to invite to the meeting next Tuesday all of our members. That means that those who did not belong to the league last year are welcome. Come on up, fellows—you'll have a good time. Refreshments? Oh yes!

JUST NEWS

Bro. Leo Kareva, manager of our great softball team, passed the cigars at our last meeting. Reason—proud papa of a baby girl. Bro. Ed McGuire, Recorder, flew to Washington, D. C., several weeks ago on a business trip. Sorry to learn that the young son of D.G.K. Tom Garvin recently broke his arm.

The K. of C. barbecue victory dinner at the Palmer House a week ago was attended by the following McHale members: G.K. John Kelly, D.G.K. Tom Garvin, P.G.K. Jerry Sheehan, P.G.K. Tom Mulroy, Eldon McGuire, Jim Duffy and Earl Edgeworth.

A number of our members attended the Third degree initiation which was under the direction of our P.G.K. D.D. Jerry Sheehan at Perez Clubhouse a week ago Friday. Our G.K. John Kelly was real lonesome last week, cause—wifey went to the country for a vacation.

We have been informed that our honorary chaplain, Rev. Walter Croarkin, has been transferred from St. Joseph's Home for the Friendless to St. Mel's parish. P.G.K. Tom Mulroy left July 5 for a week's stay in Detroit. He says he went on business but we think it was to see the All-Star baseball game.

OBITUARY

It is with deep sorrow that we learn of the death of Bro. Peter B. Birong, a P.G.K. and charter member of Englewood Council. Bro. Birong served on the Board of Directors of the old Englewood Building Association and by so doing became a good true friend of many members of McHale Council. We sympathize with Englewood Council in their loss.

We also extend our sympathy to Bro. Frank Kirkhoff whose brother-in-law, Charles Cotter, passed to his eternal resting place last week.

Our fast stepping softball team hung up another victory last week when they defeated the team from St. Rita Council by the score of 12 to 2. It is impossible to signal out any one player who did more than usual to win this game, for I think that the entire team did a good job. Good luck, fellows—hope you keep on winning.

O'Connell's Initiates Will Receive Cordial Welcome Next Meet

2-4 Tuesday . . . Hill and Franklin Sts.

Last Friday evening, June 27, there was an exemplification of the third degree at St. Phillip's Gymnasium, Jackson Blvd. and Kedzie Ave. Needless to say, Daniel O'Connell Council was fortunate in having two of its members initiated in that class. Because of the fact that our deadline and O'Connell's meeting fall on the same day, it will be impossible for me to describe the reaction of our two new members, Bros. Victor Scimeca and Frank Panieri. Unofficially I might say it went over with a bang, but until we hear it from their own lips at the meeting we'll have to wait until next issue for more.

To these two most recent initiates and to all the men initiated since June of last year may I take just a few lines to tell you how to make your membership in our council a most pleasant one? Your membership in this or any other council is like a player on a baseball team. In order to become proficient in the game he has to spend much time in practice and study, but the player will find that the more practice and work he puts into his game the better he becomes and consequently the more enjoyment and prestige he will gain.

So it is in our order—the more you put into it the more you get out of it. If you're satisfied to merely send the financial secretary your dues every month, the only possible thing you can get out of the Knights of Columbus is your receipted dues book by return mail. On the other hand, if you faithfully attend the meetings and help the council in its discussions, you can get a world of good out of your membership. You will naturally acquire new and lasting friendships; you will become an active member of a prospering council, and, most important, your leadership will be recognized at election time.

"O'CONNELL-LIGHTS"

Here's a bit of pleasant news. Bro. Oscar Viveritto was recently presented with twins. That makes him a daddy five times. My source of information did not mention the sex, but I'm sure I'll learn more about it for next week's issue, and in the interim, congratulations and the very best wishes of the council to Bro. and Mrs. Oscar Viveritto.

A bit more good news reaches me in the form of a note of convalescence. Miss Marge Stubing at the last report was in much better health, for which I'm sure we've all been saying a little prayer.

We've got two Franks out of town. No. 1 is Frank Monardo, working for Uncle Sam in Cleveland, Ohio. No. 2 is Frank Marino, pitching for the Macon Peaches in Georgia. Both Franks should be getting their Columbian at their new address. Let's hear more about what you're doing, fellows. Just send a note to J. F. Henrichs, 4245 N. Broadway, Chicago, Ill. I'll see to it the boys hear all about your progress.

Bro. Joseph Stornello has been reported in ill health; not serious, however, and we hope to see you soon.

Haven't seen Bros. Joseph Fogarty, James Butler, Thomas Riley (incidentally, as I mentioned some weeks ago, Bro. Riley's son, Earl, and Miss Mildred Pufahl have become Mr. and Mrs. Earl Riley—congratulations).

Bernard Brown, A. L. Cauble, Morgan Collins, Jos. De Ricco, Jos. Donahue, Thos. Geary, Louis Glunz, Jack Hataling, Bruno Jagar, Thos. McAndrews, Stewart McEnery, McKay, McLaughlin, John Maloney, Ben Martin, Thos. Naughton, Clarence Nolan, Michael O'Donnell, Wm. O'Leary, O'Malley, Francis Phelan, Wm. Quigley, Jacob Richter, Al and Charles Shillington, A. Smith, Frank Spreitzer, Thos. Sullivan, Frank Tobin, Ed Thompson and Frank Wagner haven't been seen either at the meetings for a while and we're anxious to know how you are. We hope you'll be around soon.

Hope you all come to our picnic Aug. 10 at St. Paul's Park, Morton Grove, Ill., prepare for the best time ever. More next week.

San Salvador's Next Meeting, July 14, to Feature Installation

2-4 Mon. . . . 24 East 114th Place

Our meeting of July 14 will see the newly elected officers for the 1941-42 term installed. These men who give so generously of their time and energy to the faithful performance of the duties of their offices are deserving of a real turnout of the membership on this night to wish them "bon voyage." Let's encourage them and duplicate the attendance of election night.

Under the capable guidance of Chairman Oscar Hines, the picnic committee has just about completed plans for our picnic to be held July 27 at Warning's Grove, Frankfort, Ill. This spot, ideal in every respect, has been the scene of our last five picnics. The program to be released soon compares very favorably with any presented in previous years. There will be games and prizes for young and old.

The Home Association has provided a welcome addition to the clubhouse canteen in the form of a pretty snappy looking juke box. Come up and hear it some time.

June 30 saw two faithful officers of our council relinquish their duties. We refer to Bros. J. C. Beemster and T. J. Griffin, retiring from the offices of treasurer and recorder, respectively. Our thanks to them at this time for the co-operation and support given during their years in office. After a short respite we hope they will again see their way clear to resume office.

Word reaches us from Bro. A. Bogdon at Eagle River, Ont., that the fishing there is tops. Bros. Emile and Edward Royer are looking forward to a vacation touring Canada.

HE RESTS WITH GOD

The last notes from our scribe which appeared in the issue of June 20 announced the birth of a son to Bro. and Mrs. Oscar Hines. We know the joy this event brought to the hearts of this popular couple and to their many friends in both San Salvador and other south side councils. It is our sad duty now to record the death of this wonderful baby on July 26 after a short life of only thirteen days.

Words cannot express the sympathy which we extend to the parents. May we suggest a consoling thought that an angel of their own is now in heaven ever interceding to his Creator for the blessings his earthly parents will need to carry out in their hour of sorrow.

Leo XIII Studied Social Problems in London Slums

Pope Leo XIII knew what he was talking about when he laid down the principles of social justice in his great encyclical, Rerum Novarum, published 50 years ago. The Universe, London Catholic weekly, recalls that in 1845 Leo XIII (then Cardinal Pecci) came here incognito and spent most of his month's visit studying conditions in London's East End slums.

Cardinal Pecci stayed at a private hotel belonging to a fellow-countryman.

Before his return to Rome he had a private talk with Queen Victoria, listened to Lord Palmerston and Daniel O'Connell from the distinguished strangers' gallery of the house of commons, and met many of the leading personages in the country, including some of the higher dignitaries of the Anglican Church. He was once the guest of Lady Palmerston; he was introduced to Daniel O'Connell.

But most of his time was spent in the East End, where he saw conditions that remained in his mind to the end of his life.

After Cardinal Pecci became Pope Leo XIII he always enquired anxiously of English visitors whether any improvements had been made in the condition of the people in London's East End.

The more a man accomplishes the less time he has to talk about it.

Madonna Golfers Practice Up for July 20 Tourney

2-4 Fri. . . . . 4624 Emerald Ave.

Well, it won't be long 'til the snake killers hit the trail to Glen Eagles Country Club (last exhibit of the Golden Gate Exposition) to decapitate a dozen snakes of various colors.

We've been conducting a school in mathematics for the past two weeks, trying to teach the boys simple addition, but it's harder 'n ell to break them of the habit of adding three and three and three and getting two and one practice stroke.

Next Sunday will be practice day and the following Sunday, July 20th, will really be Der Tag. We shudder to think of the scores that will be turned in. Of course you know that for golf, dinner, trophies, liquid cooled tees, you only pay two six bits. The air and scenery are free (provided Springfield hasn't vetoed that).

MARTY MORRISON

In his final role of Lecturer has provided for a knockout tournament and this year we believe that the number of golfers will knock all previous records for a loop. (We could, of course, guarantee Marty a certain number of golfers by betting the Ed. that that number WOULDN'T show up. Boy, wouldn't he scurry around getting all the Green Bay relatives to show up?) Next week we'll list the donors of the pr———oh, oh, mustn't say the naughty word or we'll be out in Leavenworth making shoes.

WELL! WELL!

The boys in the sleeveless vests did it again! Madonna's mighty maulers defeated Fort Dearborn's fighting contingent last week by a score of 5 to 1. Harold Storie's three hits, including a home run plus the exceptional playing of the whole team, augurs well for dear old Madonna. Farrell, Wilson and McLaughlin, all new members, will bear watching. The boys are good.

Again we have to credit Jim Casey and Jack Barry, co-managers, for their excellent work in building up the team. According to these moguls, the outfit will be completely uniformed this week. Next scheduled game of which we have notice is with Leo at 51st and Union Ave. on Thursday, July 17th. You know what we're hopin'!

TONITE

Friday, July 11, as you know by the notice sent you, will be an occasion at Madonna. The newly elected officers will be formally invested with their badge of office. Special arrangements have been made to make our hall as cool as a mother-in-law's kiss. And there'll be cool foam to blow, too. C'mon up.

OUR CONGRATS

To O. G. Frank Jackson and his lovely boss, who are the proud parents of a new son. Yes, Frank is O. K.

And our best wishes to our Chaplain, Father Trainor, who, with a corps of assistants will open St. Gabriel's carnival tonite, July 11th, at 47th and Halsted Sts. May they have fair weather and lots of customers.

Head-Leading "Barbecue Councils"

On the basis of the number of books sold, the ten top councils in this year's barbecue drive were La Fayette, Cardinal, De Soto, St. Cyr, Archbishop Quigley, Calumet, Bishop Ketteler, Fort Dearborn and St. Francis Xavier.

Representing the first five councils at the Victory Dinner last week were Grand Knights Joseph Maggiore of St. Cyr, Raymond F. Mally of Cardinal, Gene P. Scanlon of De Soto, John P. Hopkins of La Fayette, and Leo J. Gawrych of Archbishop Quigley.

St. Anthony de Padua Council led all units on a percentage basis with the all-time high of 1.2 books per member.

Nazareth Scribe Takes Hard Way to Prove He Has a Reader Public

2nd & 4th Tues. 17 W. Harris, La Grange

It seems like news in this council has got to be scarcer than the fabled hen's teeth. Seems like nothing happens—unless it's to us, for the biggest news right now is the boner ye scribe pulled last week. Will we ever hear the end of it? Remember reading, in the last issue of this estimable publication, the announcement as to the date of the July meeting? Well, ye scribe must have been "Non compis meatis" when he wrote that one.

Imagine telling the popeyed populace that the next meeting would be July 22 when it was slated for July 8. Fooey! Must have been using a Chinese calendar. Well, we found out one thing. We were under the impression all the time that when we composed this column each week we were merely getting a little typing exercise. But, O boy, what a reader response we got from that little boner. From Berwyn to Downers Grove and points west we heard that reverberating Bronx cheer.

It is comforting to know that there are so many people taking an interest in you, ever standing ready to correct you when you make a mistake. Thanks a million everybody, but for goodness sake, next time tell us before it happens!

The annual retreat sponsored by the Council has ended. While it might have been greater numerically it certainly lacked nothing spiritually. Those of you who have made retreats at Mayslake have heard or possibly attended a retreat conducted by Father Leonard, who conducted our retreat. Your scribe has heard the Reverend Father on several occasions and has found that the good Father never failed to leave one thinking over some phrase or statement made. We know that those who attended this retreat must have left with the same thoughts.

Our new G. K., the jovial Dan Francis, has just returned from Mayslake and is rarin' to 2go. From what he tells your scribe the coming year is going to be chock full of activity. There will be open nights and parties from time to time, such as Nazareth has never seen before. Looks like our new Lecturer, whoever he might be, is going to be quite a busy young man.

Coming up soon is the annual picnic. This is one of the big events on the calendar each year and is always successful from the standpoint of bringing all the boys and girls and their families together. Watch for the date, which will be announced in this column as soon as possible.

Another affair which has been popular in the past is the annual golf tournament. The plans for this have not yet been perfected but will be announced here as soon as possible.

MISSING

Wonder what has become of some of our boys? Haven't seen some of them at a meeting for a long time. Can't think of all of them immediately, but some come to mind readily. For instance, Tom Collins of Downers Grove, there is a young chap who has literally buried himself. Come on out of hiding, Tom. There are many others we would like to see. How about you, Phil Bellerive? Do your political duties in the town of Westmont tie you up that much? That handsome P. G. K. John Foley of La Grange has been keeping under cover too much lately. Frank Hauser of Hinsdale has not been seen for quite some time.

How about Frank Sherry of Downers Grove? What's keeping him? It has been so long since that man Spevak of Downers Grove has been seen at a meeting that we feel that when he does show up we will have to introduce him to the other brothers. As we ruminate here we can think of many others, Neil Buller, Mike Brislane, Jack Feeney, Walter Rosemeyer, Charlie Schoen, John Hardyman, Pete Johnson and so many others, all good men and true. Let's be seeing you occasionally. Let's show this new G. K. that we are behind him and we'll make Nazareth the Council it should be.

Holy Father Calls Catholic Action a Gem of His Heart

"Catholic Action is as old as Christianity," His Holiness Pope Pius XII declared in a discourse to a representative group of college students, members of Italian Catholic Action.

The Holy Father declared that among the treasures of inheritance left him by his predecessor, one shines forth "like a gem that We shall always have at heart," namely, the faithful preservation of "his particular affection for Catholic Action, energetically promoted and inculcated by him as the most efficacious means for the Church in the development of her mission in the world."

Discussing the special responsibilities of those who are favored with higher education, he said that since God has not changed the natural development of varied keenness in human faculties, "minds of the first degree are to be found even among simple workmen who sat only on the benches of elementary schools." "Everyone recognizes, however, that university students and graduates form a class apart," His Holiness continued. "They readily find common ground with one another in the bond of intellectual training received in institutions of higher learning. There, if intellectual activities are united with good will, they acquire a vast complex of knowledge, varied but precise; but more important, they develop that capacity for personal judgment which is the fruit of long study and observation—that ability methodically and impartially to criticize facts and ideas and to master the most delicate and complicated problems, which is otherwise known as the scientific spirit.

Quigley Softball Team Wins Fifth for Perfect Slate

1-3 Tues. . . . . 1035 W. 31st St.

Last Thursday, July 3, at 49th and Karlov, Quigley met and downed Weber Council by a score of 15 to 10. This win made it five straight and enabled the softball squad to retain undisputed possession of first place in the Central Division of the K. of C. League.

The club has yet to lose a game, winning over Weber 11 to 6 and 15 to 10; Fort Dearborn, 7 to 3; Madonna, 7 to 6, and a forfeit from Dowling. Leo XIII, defending division champs, were to be played last June 19 but inasmuch as the South Division No. 1 sponsored a first and second degree on that date the game was postponed and there seems to be some difficulty in rescheduling this game.

The team last year just failed reaching the playoffs but is determined to make that up this year. Come on out and give the boys a hand. Schedule of coming games appears elsewhere in The Columbian.

LIVE WIRES

Barbecue Chairman Anthony Krolak has submitted his final report, showing a total sale of 289 books, which exceeds all past records. The committee is to be extolled for its outstanding accomplishment.

As reported at the last meeting, Ray Buckley, John Selke and Ben Dalton were the leaders in regards to the sale of barbecue books. Bro. Ray Buckley, who also led the council last year, sold 13 books; Bro. Selke sold nine books and Ben Dalton, major bowler, disposed of five books.

ESPECIALLY

That long-awaited announcement, that most desired event, has become a reality at last! On Aug. 31 the council will sponsor its annual picnic at Sunset Park Grove, Archer and 123rd St., Lemont, Ill Tickets will be only 25 cents. Every picnic feature will be realized, so keep this date open for yourself and your family Let's have an old-fashioned get-together. Transportation facilities will be announced in coming issues of The Columbian.

A RECORD! How about this one? Peter Miklaszewski, a member of Quigley Council, who lives in Fort Worth, Tex., traveled 1,000 miles to attend the last council meeting, and were the boys glad to see Bro. Peter!

Chicago's New Officers Take Over With Hopes High for a Banner Year

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's new officers were formally installed at last Tuesday's meeting by District Deputy Arthur Donahoe assisted by District Deputy Marco DeStefano acting as Warden.

In addition to the elected officers, our new Grand Knight, Henry J. Lynch, announced the re-appointment of Rev. John A. Fleming, Pastor of Immaculate Conception church, as Chaplain for the ensuing year. He also appointed Bro. Charles W. Schroeder as Lecturer. Our new State Secretary, P.G.K. Ray Gleason of St. Paul of the Cross Council, was a witness to the ceremony which was carried out complete in all details.

The worthy state secretary asked that the records show that his was not an official visit but rather his own idea as a mark of respect for our new grand knight. (Incidentally, Chicago Council now enjoys the unique distinction of having as grand knight a past State deputy who has filled all the offices in between with honor to the Order and to himself.)

All the new officers spoke briefly their earnest desire to keep Chicago Council moving forward — and don't forget the Golden Jubilee just ahead a short way.

CHRISTMAS CHEER

Chapter Delegate John Brisch reported on the recent meeting of Chicago Chapter, the success of the Barbecue, and other activities; but in particular he stressed the necessity for thinking now of financing the annual Christmas Cheer work. Money is needed now for the purchase of the toys, dolls and other things that enter into the Christmas parties for the children and old folks in our institutions.

COUNCIL ACTIVITY

THE SOFTBALL TEAM is going right along, winning and losing games but fighting along with plenty of spirit —but not enough man-power. Of course, you understand that some of our good players are in the army now and more candidates for the team are needed.

GOLF—Chairman Frank J. Casey did well in signing up the several foursome that attended the All-State Golfing Tournament but, on account of official duties, was unable to attend. Chancellor Bill Brogan, who played, gave a good first-hand story of the big day. Also, as chairman of our own Golf Tournament, he reported on his scouting for a place for ur 1941 gathering. He will report as soon as he has decided upon the place, the time, and so forth.

MEETINGS—No further meeting in July unless specially convened. Our next meeting is in August.

GREETINGS

A little boy (weight 8 lbs. plus) has arrived at the home of the David Haegers. Baby, mama, papa—and grandpa doing fine. When the young man is ready to talk he will request an application blank to fill out for Chicago Council No. 182. His mother is the daughter of our P.G.K. Dennis M. Finerty; so that automatically enrolls our former membership committee chairman under the noble title of grandpa. Greetings, grandpa.

TOURING—The Sam Mercurids are still postcarding from the West. Latest returns indicate visits to Yosemite and other famous beauty spots. Kodak as you go.

CONDOLENCE—Chicago Council No. 182 extends to Brother Paul Rito a message of sincere sympathy on the death of his mother, who died early this week at the venerable age of 85 years. May her soul rest in peace.

SICK—Dr. Alexander Pope, P.G.K., has suspended his dental practice for a few weeks of needed rest.

Brother John M. Powers, our former warden, would welcome visitorfs at his home, 1941 Clarence avenue, Berwyn.

District Deputy Edward A. O'Connor is steadily improving. We will let you know when visitors are permitted.

St. Francis Will Join Chaplain and Brother in Anniversary Mass

Meets Aug. 14.....4715 W. Madison St.

St. Francis Xavier Council has an important date this month—July 27. Our beloved Chaplain, Rev. Francis X. Breen, S.J., and his "silver haired twin" brother Rev. Paul M. Breen, S.J., will commemorate their golden anniversary of priesthood on that day at the 10 o'clock Mass in St. Ignatius Church, 6559 N. Glenwood Ave. All members will receive a personal invitation to attend this Mass. A section of the church will be reserved for this purpose. Fourth Degree members will be in full dress to act as ushers. Each member should make it his duty to attend and, if possible, receive Holy Communion. This is your chance to pay homage to our beloved "silver haired" padres. More details will be announced later.

At the last meeting Grand Knight Baptiste Mele made the following appointments: Chaplain, Rev. Francis X. Breen, S.J.; Financial Secretary, Alexander Coletta and the same old scribe. The Lecturer will be announced next week.

The following committee chairmen were appointed: Membership, D. G. K. Salvatore Cirrintano; Sick committee, Joseph Gironda; Lapsation committee, Alexander Coletta; Blood Donor group, Advocate Joseph Defily; Children's Christmas party, John Caruso; U. S. O. program, Trustee Anthony Raciti, aided by Charles DiGiovanni, John Guerrierri, John Consalvo and ye scribe.

BARBECUE RESULTS

St. Francis placed tenth in number of Barbecue books sold (193) and seventh in percentage (.54) as announced at the Victory Dinner on June 30 at the Palmer House. A check, amounting to $552.56, was presented to G. K. Baptiste Mele representing our share of the receipts. More details about the dinner and results can be found on the front page of last week's Columbian. An interesting sidelight was the rendition of "Oh Maria" and "O Solo Mio" by the two Century Club "Latin Councils"—St. Cyr and St. Francis.

Present at the dinner were C. B. Mele, A. Frusolone, J. B. Meccia, C. DiGiovanni, C. Principe, D. Frusolone, L. Antagnoli, F. R. Vitullo, F. Pasquale, A. Candice, A. Raciti, S. Cirrintano, J. Gironda, G. Furlan, J. Scelso, Jr., A. Coletta, J. Pane-Gasser, N. Locascio, N. Damore, J. Durante and ye scribe.

NOTES ABOUT KNIGHTS

James Defily, son of our Advocate, announced his engagement to Miss Theresa Nessi on July 3. Miss Nessi is the sister of Bro. Phil Nessi . . . Mrs. Frank Arito is spending a three months' vacation in Los Angeles, Calif. Bro. Frank will make the trip in August to take her back home. How about bringing back some of that famous orange juice, Frank? . . . We extend our deepest sympathies to Sir Knight John Belpedio on the recent death of his mother-in-law, Mrs. Fiora Marino.

The Franfours, the Sir Knights of the Council, elected at their latest meeting the following officers for the following year: Anthony Raciti, president; Charles Gregorio, vice-president; Vincent Candice, secretary; Salvatore Cirrintano, treasurer; and Ernest Marcantonio, trustee.

"Watch the Franfours this year. We're going to go places this year." So said the new leader after the election.

SPORTS

Don't forget the golf tournament and outing Sunday at the Villa Olivia Country Club. Bring the family with you. There's a place for them, too. The place is near WGN's radio tower, just this side of Elgin, Ill. Take Lake street out to Route 20 and you can't miss it. And don't forget your golf clubs. That is the main thing.

Our softball team proved that the Americus defeat was a freak by overwhelming St. Patrick, 12 to 5, last Thursday at Columbus Park. Stellar hitting and fielding performances by Gino Neri, Ned Locascio and "Sheik" Pintozzi sparked the St. Francis onslaught. Next Thursday night, July 17, we will meet Damen Council at Sheridan Park, Polk and May Sts. Be out there to root for the boys. They need your moral support.

Our Council was represented at the recent State Golf Tournament by G. K. C. B. Mele, P. G. K. F. R. Vitullo, P. G. K. J. B. Meccia and Louis (Il duomo) Antagnoli. They were all burned up at the end of the day—by the sun and their scores. The Grand Knight brought home the bacon—six pounds of it.

Sheik Pintozzi announces an old-timers' ball game to take place on Sunday, July 20, at Arthington and Jefferson Sts at 2 o'clock.

Weber Picnic Enjoyed By Happy Throngs of Knights and Friends

1-3 Mon. . . . 4758 S. Pulaski Road

Our Council again will mark on records that the picnic of July 4, at Red Gate Grove was a huge success. Over four hundred attended. The weather was perfect, the location and the grove was ideal with an orchestra that furnished a beautiful background all through the day. The races and games were thoroughly enjoyed, and last but not least, the expression on the children's faces when they received plenty of ice cream and candy free, is really indescribable.

The races were won by the following youngsters: Stanley Krajewski, Sylvia Fister, Richard Kreta, Gloria Churylo, Eugene Podborny, Dolores Ozmina, Harry Wojewnik and Helen Kusko. Other winners of various events and prizes were Mrs. Rose Czapelski, Mrs. F. A. Kubiak, Mr. A. King, Frank Chromik, Jr., Stanley Jawroski, Lenore Jaworski.

The Grand Knight, officers and members wish to thank the chairman, Vince Lelewicz and the co-chairman for the splendid arrangements made. These brothers likewise wish to thank all of those who helped on the committee or in any other way.

COUNCIL BRIEFS

The following brother privates spent their 4th of July at home: Casey Chromik, Ed Podgorski, John Rostocki and John Zdziarski. To our regret they could not remain until Monday and attend our meeting. Bro. Ed Zytka has been transferred to a new destination. It is "C" Battery, 82nd F. A. Bn., Fort Bliss, Texas.

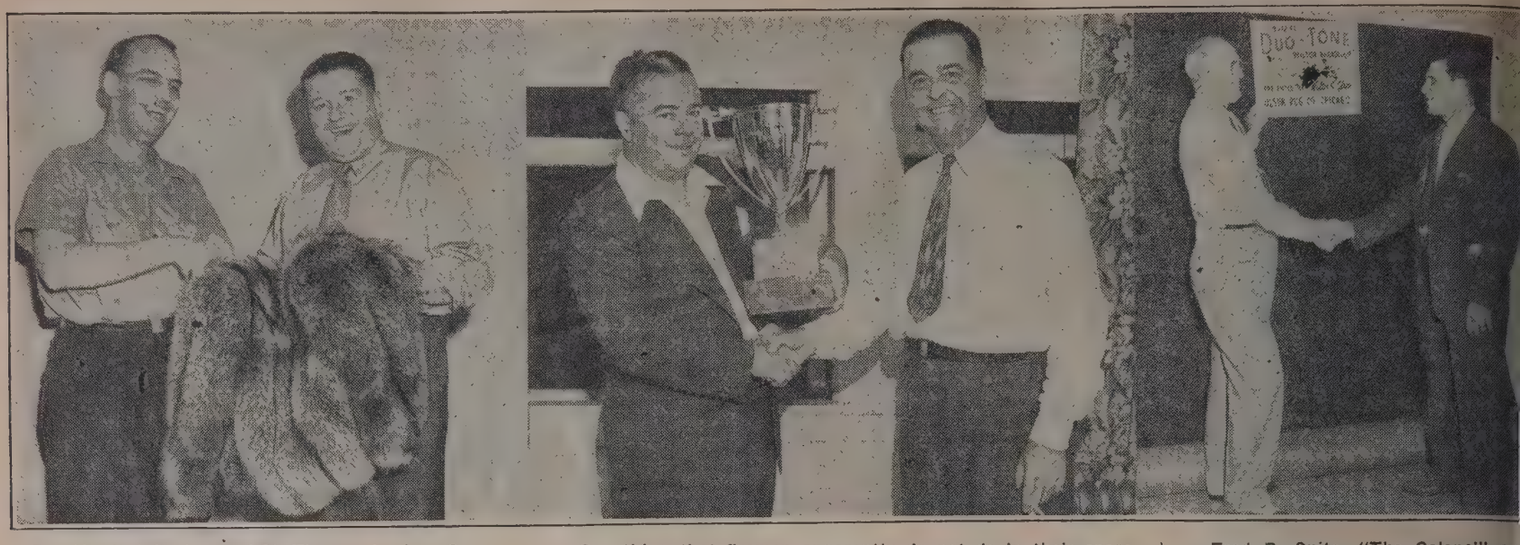
Bro. Frank Wegzyn, president of our bowling league, is vacationing in Topeka, Wis. Bro. Charles Niedojadlo spent his vacation in his new headquarters on Hamlin Ave. Athletic Chairman Mitchell Mazurek, and his bride, were slightly injured in an accident at 47th and Pulaski Rd., on July 3.

BIRTHDAYS AND ANNIVERSARIES: July 11, Chester Nowaczyk and Joseph Czapelyski; July 12, Chester Churylo and John Grzyb. Anniversaries—July 10, Mr. and Mrs. Walter Figura, 4th. Congratulations to you all.

Congratulations also to the following members who received their Third Degree on June 27. Brothers John Dubarek, Joseph Opoka, Michael Zagorski.

St. Turibius Parish extends a cordial invitation to members of Weber Council and their friends to attend the annual parish carnival at 25th and S. Pulaski roads, this week. The affair will continue until July 16 and a good time is assured.

Walter Crowe of Barry Takes Illinois K. of C. Golf Title; Police Beat Firemen



Ray Hardt, left above, of St. Thomas Aquinas Council here, didn't take any one of the dozen or more championship cups awarded at the 14th Annual Illinois Knights of Columbus Golf Tournament June 25 but he did get the $325.00 silver fox jacket donated by John J. Moran (right). Judging from the smile, the fur piece is much more in line with what Gus would like to see around the house than a trophy would be anyhow—there's no doubt about how Mrs. Hardt feels on the matter.

One thing that firemen apparently do not do in their spare time is practice golf—or at least not as much as their brothers in service the hard-hitting representatives of the police department who again, June 25, took the Judge John F. O'Connell trophy, annually awarded to the low foursome in the contest limited to the men in service with the police and fire departments. Sergeant Frank McNamara, who captained the police squad again this year is pictured, left above, as he accepted the victory trophy from donor Judge O'Connell in behalf of his teammates who finished 16 strokes under the firemen foursome's best effort of 320.

Fred B. Snite, "The Colonel" an patron of the Knights of Columbu Annual State Golf Tournament, acte for Walter B. Olsen, donor of th $100.00 Duotone Wilton Rug, last wee in presenting the much sought afte prize to winner, Gus Alanga Champaign, Illinois. Gus explained happily—that no one would believ him if he won a cup at a golf tourna ment, "but a rug—that's different."

Hen.-Shields Summer Schedule Lists Two Important 'Affairs'

August 27. . . . 446 N. Parkside Ave.

After the meeting of this past week, there will be no further meetings of the Council until Wednesday, August 27. However, in spite of this lull it does not follow that all the machinery of the Council has been closed down for the summer duration. Oh, no, indeed.

In the first place, our auditors, or trustees as they are more kindly known are going into a huddle this month and figure up who's who and how much. The how much part will be duly transmitted to you through the intermediary of Fin. Sec'y Joseph Hannon with the polite invitation to "please remit" which we trust you do, preferably before you start off on one of those cross country tours or whatever else you may be contemplating as a summer diversion. A happy vacation to you.

Next, and a much pleasanter subject, is the annual golf tournament, which our new lecturer, of whom more later, has on paper and on order, which will be presented as soon as the production line goes into action. The date, place and conditions, if any, will be announced as soon as possible.

HERE HE IS

Our new lecturer, William J. Phelan, a trustee of the council for many years, was either drafted or coerced into taking the job of lecturer. Knowing this dynamic young man for some many years and being aware of his character, ability, experience, good nature and talents, we know he will do a grand job in the lecturer's office.

Lecturer Phelan is another alumnus of St. Charles Parish and school, proudly wearing the old scohol tie (did we have any), followed by an intensive and extensive course at De La Salle, emerging with honors and a whole skin some years later. Although Bill can't play a note on the piano and sings with a sort of bashful tenor, he has been an employe of the P. A. Starck Piano Co. for twenty-two years, indicating perseverance and accomplishment by the sign on the door which states he is secretary of the company.

He holds office in the C. O. F. and belongs also to the Holy Name Society of St. Angela's Church in which parish he lives at 1409 N. Austin boulevard with his wife and two boys and two girls.

This last is another recommendation for Bill as a lecturer. Anyone who can keep a wife and four children amused, happy and contented, as he does, is doing a man-sized job, doubled, and therefore the position of lecturer should be a cinch. By this time we hope you understand that Phelan is a pretty nice sort of fellow to have around.

THE SOUNDING BOARD

In the pre-vacation clean up of odds and ends notes we find that Jim Ford was judge of our last election, assisted by Tellers Tom Rooney and J. P. O'Brien. Didn't do much, but thanks a lot, anyway.

G. K. Cummins received wire congratulations from Godfrey, Roy Wagner, Jim Finn and Ray Foley, with the result that a second meeting was held at Foley's. Foley's is a good place to meet, but you will never win a golf game there. There were seven past grand knights present on installation night, which indicates the character of the grand knights selected in past years.

Jim Ford, president of the bowling league, suggested that every bowler induce another member to attend meetings. That would make mighty fine meetings and be a big encouragement to the officers.

The Stewart Club, whose members for the most part are descendants of veterans of the battles of Clontarf and the Boyne, will hold their annual picnic Aug. 10. Joe Hannon, Roy Cummins, Henry Bruen and Tom Butler will be among the active picnickers.

P. G. K. Jack Shealy has been appointed West Side K. of C. chairman for the U. S. O., the organization which is seeking to provide amusement and diversion for the service man in his hours of leisure. He has appointed P. G. K.'s Tom Butler, Frank Daley and Bill Welch as his council assistants to aid in the work of the organization.

Charley Costello, Jack Shealy, Mike Hussey, Joe Hannon and Jim Woodward attended the dinner at which Bishop Sheil was tendered the proceeds from Riverview Park Barbecue day for his youth fund.

Summer migration has started. Tom Butler and Jack Shealy and families have retired to Deep Lake for the month of July. Mike Hussey and family can be found, after diligent search, in Long Beach, Mich., also the summer domicile of the Tom Hostys.

The "old men" who advocate war seem to us to be just grownup little boys who used to spend all day on the Fourth of July industriously and sometimes disastrously, shooting off giant firecrackers, and who never outgrew the habit. G'bye.

Milwaukee Mayor Wars on Obscenity

Milwaukee.—Mayor Carl Zeidler of this city has declared war on obscene literature. At a meeting of the Metropolitan Crime Prevention Commission, attended by representatives of civic and religious groups as well as police officials and members of the district attorney's staff, Mayor Zeidler said: "I intend to introduce an ordinance with teeth in it to stamp out the distribution of this kind of trash in this community. It is a threat to the strength and life of the nation. We must see to it that nothing that will break down the high regard for the family and womanhood falls into the hands of our youth." Philip Bowen, chairman of the Catholic Action Committee of the Holy Name Society, urged people of the community to co-operate with law enforcement officials.

K. C. Softball Leagu

cia Moreno Scribe ins His 18th Year at ot With This Issue

es. . 155th St. & Lexington Ave.

re now starting another year in uncil, which we hope will bring our members good health, happi- nd prosperity. The combination i health and a little extra effort ring to us all the desired re- ts which a progressive council can r. Our council does everything ower to aid us, but without the the membership it can't give us e wish.

h spirit of co-operation that will ong the officers and members one of the outstanding factors building of our organization and ention of a high degree of mo- ong the members. Occasionally this lapse a little. We must this spirit of co-operation, es- ecia when we are working with a t of council officers.

John Mech and his able assist- G. K. Joseph Dehnert, cannot ork miracles. We know they will do ll in their power to put their coun- il on op, so let's give them our loyal o-op ation. They have a long and ard ad ahead for the next year.

It ould also be the desire of every member to assist in every way possible to increase the membership of our council. This is the age of high standards, of greater efficiency and real councils want to have a satisfied membership. This being a new year in the life of our council, let us members make it a happy one for our council and for ourselves.

THIS AND THAT

D. D. Henry Hilgendorf installed Blue Island Council officers Tuesday evening, July 1. His assistants were Joseph Reardon, Chas. Moran, Louis Beaupre, John Mech, Wm. Wullette and the scribe. We enjoyed the evening with our neighbor council. A card from Eagle River, Wis., from Clyde White and Frank Walenga who are enjoying their vacations. Joseph Reardon reports a long and interesting letter from Bro. Walter O'Connor of Anderson, Ind. His regards to all the members and a hello to the old timers.

To. Bros. Edward and William Volz our sincere sympathy in the recent loss of your beloved father. May his soul rest in peace. News of the installation of officers will appear in the next issue.

Paul Powers and bride are home after a week's honeymoon at Eagle River, Wis. Don't forget Thursday evening, July 17, is Pinta Council's 22nd anniversary and installation of officers. Yes, we are going to join the gang to help our neighbor celebrate. Hein Rack, brother to Mrs. W. E. Powers, Sr., and Mrs. Lawson Robertson, is confined to St. Francis Hospital, Blue Island. Bro. Rack is a member of Blue Island Council. The mother of Lawson Robertson is on the sick list and the husband of his sister died recently. The mother of Paul Malito and wife of Anthony Malito is confined to Ingalls Memorial Hospital. The mother of Francis Quirk was injured in an auto accident. To our sick and injured our sincere wishes go for a speedy return to good health.

Paul Fragallie spent the weekend in Eagle River, Wis., with Frank Bunyon Walenga and Clyde White. All arrived home and report a wonderful trip. Louis Beaupre and family spent the holiday weekend with his parents at Waukegan, Ill.

Now that the holiday has past, we hope all returned to their homes safe. Yours truly spent his time at home. This column must appear each week, so as this issue concludes the seventeenth year of my writings, may I add my sincere thanks to all for your help and consideration. Thank you and cheerio.

Neri's Induction Will Be Highlight of Meet Next Tuesday Night

1-3 Tuesday.....7515 Yates Ave.

Now that the election of officers is all settled and the Barbecue a matter of history so far as 1941 is concerned, there is little left for we-the-people to think about these days but vacations.

As you all know, Neri Council holds but one meeting a month during July and August and those meetings will be held on the third Tuesday. The next meeting will be held on July 15 which, incidentally, is installation night.

VICTORY DINNER

The victory dinner tendered last week to those members who contributed exceptionally toward the success of the K. C. Barbecue, found Neri Council very well represented. Heading the list of banqueteers was, of course, the G. K., William T. O'Neill, and he was in the company of Jim O'Connor, Mike Mullins, George Fox, John P. Quigley, Ed. Howe, Joe Lapota, Henry Doolin, Bert Kew, Harry Bitter, George O'Donnell and Bill Spinar.

These gentlemen all did hard work in behalf of the Barbecue and the Council's excellent percentage among all Councils was due to their extra efforts. Number one promoter of books was Jim O'Connor with an even dozen and he was followed by the ever-consistent Mike Mullins with nine. John P. Quigley and George Fox came in in a photo with eight each. The rest of these super salesmen all turned in three to five books to help bring the Council total up to fourth place in the city-wide percentages. Total books sold for the Council was 142.

We might also mention here that in the list of Council workers who so generously contributed of their time and labor at Riverview to bring this event to so rousing a finish we failed to include the name of Jim O'Connor. Don't know how that could have happened, for Jim was a big success in a three-balls-for-a-dime booth. He was assisted by Danny Ackerman.

PERSONALS

Frank Newberger, first member of Neri to be inducted into Army service, was home over the Fourth from Camp Forrest . . . Ned Youngs and Bill Farrell are stationed in Virginia . . . George Gunkel is somewhere in South Carolina and Francis Duffy is said to be in California.

The Allen Stephensons vacationed in northern Iowa and Wisconsin . . . John Miner and sister Mary have just returned from a vacation trip in California . . . The Bill Spinars spent their vacation down around Peru, Ill. . . . Henry Doolin's mother has returned home to Springfield, Mass., after a three weeks' visit. Henry's younger brother, Dick, was also in town from San Antonio.

SOFTBALL

The softball team played Loyola-Hyde Park last Thursday night and as a result rang up their first setback of the year. Percentage is now .500. Two games were scheduled for this week—St. James on Tuesday night and Genoa last night. Next Thursday the team will be back at the lakefront diamond unless a change has been made in the schedule. Drop around and watch the boys perform.

NEXT MEETING—Next meeting night, July 15, is installation of officers, District Deputy Patrick Woods, presiding. Refreshments will be served.

St. Pat's Attendance at Victory Dinner Is Climax of Fine Job

1-3 Tues. . . . . 6 N. Hamlin Ave.

After hearing the report from G. K. Thomas Cregan and the various members who attended the victory banquet of the barbecue last Monday night at the Palmer House, it is no small wonder why receipts mounted to a new all-time high this year. When the final tabulation was reached a check for $22,148.33 was remitted to Bishop Sheil, who graciously accepted it in behalf of the Catholic Charities.

Among the many good things made possible by this great work done by the Knights of Columbus is the construction and maintenance of a summer camp for girls, the first of its kind ever to be planned and staffed by individuals who are even paying their own expenses in order to assist in this great program.

Another great feature made possible by your donations is the plan which will help parolees all over the U. S. It will also decrease the number of delinquents among Chicago's youth and convert wayward boys into good citizens of tomorrow. Friends, when you realize what your sale of these tickets has done for underprivileged youth, does it not want to make you go out and work all the more next year?

On behalf of Bishop Sheil and the entire Underprivileged Youth Committee, therefore is extended to you sincere thanks for your untold and untiring efforts toward making this another successful barbecue season. Now relax, brother knights, and don't think about it again until about next February.

PATSQUAD CLUB

Surely you good people haven't forgotten the boys who only a few weeks ago sponsored that great cabaret party. Now they are scheming again. What they have "cooked up" for the future only time can tell. President Arthur Maloney is still chuckling over the success of the May affair and is calling together his "flock" at their next meeting, which is to be held on Thursday, July 24, at Midwest A. C. at 8:30 p. m.

All Fourth Degree members are asked to attend because plans for fall functions will be unfurled. Make it your business to be present and purvey your ideas to the other boys. Some of them may be just what the doctor ordered, and if they're not, then the man with the "white coat" will come along and take you out. Don't miss this important meeting on Thursday, July 24.

DOINGS OF THE MEMBERS

What ever became of P.G.K. Charles Patterson, the genial gentleman who was ever so attendant at our meetings? We certainly miss the fine discourses that he usually delivered and which were attentively listened to by all the members. We learned recently of the heart affliction which has been bothering Joseph Dooley the past six months. Although able to amble around a little, his weakened condition does not permit him to attend meetings. May God grant him the grace of a speedy recovery so that he may see the boys again in the near future. Good luck, old boy.

Charles Kelly was the victim of a major operation some two weeks ago and although we have no late bulletins on his condition, we are almost certain that he is on the road to good health. He is confined at St. Ann's hospital and visitors will be a welcomed sight for good old Charlie.

While Bro. Geo. Damata, recent newlywed tends to business, the senior partner, Frank, goes about the links, yes the missing ones, you duffer, and attempts to break 100. He finally succeeded in making a respectable score of 98, yes, but that, must be the score for 9 holes, eh, "Short Pants?" The Burkes, Bennishes and Al Thompsons are making their week-end treks to their summer homes at Lake Catherine, Antioch, Ill. It must be great when you don't have to sleep in the parks.

SOFT BALL

Well, friends, we took our weekly trimming, this time to the tune of 10-5, at the hands of those Master-Barbers, St. Francis Council. One big inning in which we donated seven runs was the cause of our undoing. While we were looking around for the ball they were circling the bases a la "wild hoss of the osage." When we came to bat it seemed that some one substituted toothpicks for our bats and the results were just as expected—null.

If some of the members have any bats with hits labeled on them please bring them to our next games Thursday, July 17, at Garfield Park, when we meet Chicago, and Tuesday, July 22nd, when we travel to Douglas Park, 19th and Marshall blvd. If you still have more bludgeons left then bring them to Sheridan Park on Thursday, July 24. We'll really need them here because we encounter that vaunted St. Francis outfit. Come and see the fireworks, fans.

Sheridan Shows Real Appreciation of Staff by Re-election of All

1-3 Thurs. . . . . 446 N. Parkside Ave.

After guiding Phil Sheridan Council through one of the most successful seasons of its history, Grand Knight Edward F. Backner was re-elected for another term, as were all the other officers who did such a fine job for the past year. It is beyond the writing ability of the scribe to convey to the members a word description suitable to the fine character and makeup of our Worthy Grand Knight. And, brothers, I do mean Worthy.

If there ever was a real Knight of Columbus and a true Catholic gentleman, Ed. Backner is that man. I can think of no finer tribute to Ed. than to ask all of the younger members of our council who are seeking a pattern for their state in life, to follow in his footsteps and look to him as a shining example of true Knighthood and Catholicity.

With this thought in mind, all members should attend the installation of officers of our Council on next Thursday evening, July 17. Our worthy D. D. O'Neill and his staff will be on hand to officiate at the ceremonies. We especially invite all the new members of the Council to come and witness their first installation of officers. Don't forget July 17.

The 1941 Knights of Columbus Bar-B-Q is now history, and what history it made. In keeping with the annual increase, Phil Sheridan Council made a much better showing than last year. Gus Flashing, our Bar-B-Q chairman, deserves the orchids for his untiring efforts in putting our Council over the top. Come to the meeting July 17 and find out how good we really did in the Bar-B-Q. The check will be presented to the Council at that time by our Grand Knight.

Don't forget installation of officers on Thursday, July 17. Don't stay away from the meeting on account of the heat. Lecturer Joe Broderick has promised to cool you off with some light refreshments.

HELEN C. WHITE RECIPIENT OF HONORARY DEGREE

Milwaukee. — Archbishop Moses E. Kiley of Milwaukee presided at the commencement exercises here, when 40 seniors received degrees in course and the honorary degree, Doctor of Letters, was bestowed upon Helen C. White, prominent Catholic writer, by Mt. Mary college. The commencement address was delivered by Dr. Edward A. Fitzpatrick, president of the college.

FR. O'CONNOR LAMENTS DEARTH OF NEWS ITEMS

1-3 Thurs. . . 4660 North Kedzie Ave.

After a brief rest at his Belly-acres estate, your scribe returns to Chicago and is faced with the problem of getting out a column sans news. There being very little Council activity during the month of July, I feel that this is going to be a very difficult task. We'll give you as much as we know (which shouldn't take very long) and let it go at that.

Our Chaplain, Rev. Father Frank Rausch, has been transferred from St. Pascal's church to St. Clement's Parish. Father spent ten very successful and happy years at St. Pascal's, and his transfer naturally was the cause of much disappointment to St. Pascal parishioners. He was instrumental in forming successful softball and bowling leagues in the parish, and a few years back led the St. Pascal keglers to the City Holy Name Society bowling championship.

Until last year St. Pascal's was the scene of the annual Council Communion Mass. Last year the parish hall was being remodeled and the Mass was shifted to Our Lady of Mercy Parish. We join in the sympathy of St. Pascal's parishioners and at the same time offer our congratulations to the people of St. Clement's Parish. In a more selfish way, we find satisfaction in knowing that no matter where he is located, Father Rausch will always be the Chaplain of Fr. O'Connor Council.

The Council softballers did it again, this time in a more honorable way. Playing errorless ball, they dropped a 2 to 1 heartbreaker to De Soto Council last Monday evening. With their manager, Bill Sullivan, spending his vacation away from Chicago, the boys took the field with a makeshift lineup and gave the strong De Soto Club the scare of their lives. In spite of their poor showing this year, we really have to take our hats off to the boys. They have fifteen to twenty men out each night they play.

Many of the boys get home from work just in time to play ball. Their dinner waits until after the game. For example, Russ Reinke, a new member of the Council, left work one night a few weeks back and boarded the North Shore for Wilmette, Illinois, to participate in the game against Ouilmette Council. He arrived to find that the Ouilmette team had not shown up for the game and had not taken the trouble to telephone Chicago to notify our boys that they wouldn't be there. An orchid for Russ Reinke and you guess what for Ouilmette.

One of the four people who read this column has requested that we print a little article for him. It concerns Rosie Ryan, her dog Osso, and the Cherry bounce. If it doesn't make sense to you, don't feel too badly. We can't figure it out either.

Your scribe was made to feel like the lead horse on a merry-go-round recently. He was rowing likell and getting no place. It seems as how some guy had him anchored to the shore with a twenty-foot chain.

Last year at this time we printed an article about Eddie Wilson and Eddie O'Connor needing a roadmap to find Twin Lakes, Wisconsin. This year the boys started out without the map and believe it or not they never got there.

John Golden did find the lakes, however, and from what we hear, needed more than a road map to find his way home. John and Twin Lakes are as synonomous as a pineapple and Londontown.

Just in case you didn' know, your dues are due. Fin. Sec'y John Metzen informs us that statements were sent out this week and asks that we inform you that it behooves every member to reply promptly. The trustees will audit the books within the next few weeks and all delinquents are in danger of suspension. Don't say we didn't tell you.

We are in receipt of another letter from the Council's soldier boy, Jack Reilly. Jack is now at Camp San Luis Obispo in California. Speaking of Jack brings to mind the United Service Organization. As you know this is a drive to provide a means of recreation to these boys who left good homes and good positions to devote a year of their young lives for your protection. While you're thinking of it, sit down and come up with some folding stuff for these lads. Your contributions may be sent to John J. Metzen, 4415 N. Lavergne.

The next regular council meeting will be held Thursday evening, July 17. At this time the newly elected officers will be installed. Lecturer George McLoughlin who will be giving his farewell performance, has promised to outdo himself for this occasion and really put on a spread. Don't miss it. And now we infringe upon the rights of a pretty young lady we know. Upon finding that we have reached the end of this week's column, we quote the firefly who backed into the electric fan. "Delighted, no end." If I don't rate after that I just won't know what to do.

Aquinas Officers Are Ready for New Season

1-3 Tuesday . . . . 5441 S. Ashland Ave.

On last July 1st a large gathering saw Judge Joseph B. Hermes install the newly elected officers of Aquinas. James Sweeney accepted the chair vacated by Dr. J. K. Hebenstreit. At the meeting Dr. Hebenstreit announced that he was called up for active duty and is to be inducted into the service July 14th.

The bowling league had its final party of the year at Syrena's on 47th St. Guests of honor at the party were the members of the building association of the council. Needless to say, a grand time was had by all.

On behalf of the officers and members of the council we wish to express our deep condolence to PGK John R. Cook on the passing of his mother, and to Frank Condon on the passing of his father. May they rest in peace.

University Athletic Program Provides an Outing for Everyone

2-4 Tues. . . . . 1320 Loyola Ave.

Contfnuing a policy of many years' standing University Council provides athletics for all its members and their children. Every Sunday morning from 10:30 a. m. until all are satisfied beautiful Legion Park is at their disposal. A wonderful softball diamond, a complete playground, horseshoe pits and many acres of open prairie and shaded walks provide opportunities for all to enjoy themselves. Legion Park is located just south of Peterson road and on the east side of the canal (3200 W.)

Legion Park is also the home diamond of our softball team which to date has defeated De Soto and Brownson and has lost only to St. Cyr. The De Soto game brought out a great crowd, among whom were G.K. Scanlon of De Soto and our worthy D.D. Jules Altenhofer. The final score was University 6, De Soto 5. The following is the schedule of University's remaining games:

July 10—Marquette vs. University, Talman and Peterson.

July 17—University vs. St. Paul of the Cross, Legion Park.

July 22 — Brownson vs. University, Wells Park, Diamond No. 2.

July 24—University vs. St. Cyr, Legion Park.

July 31—De Soto vs. University, Waveland Ave. and the Lake.

August 7 — University vs. Father O'Connor, Legion Park.

Come out and watch your team play. Manager James Kane promises there is room for everybody and that a good time is positive—win, lose, or draw.

NEXT MEETING

Tuesday, July 15, 1941, will be the next meeting of the Council. At that time there will be an installation of officers for the coming year conducted by our D.D. Jules Altenhoefer. Plans for the 1941-42 bowling league will be presented. It is also expected that co-chairmen Robert Sullivan and James Malone will announce the time and place of our first golf tournament of this year.

MEMBERS

James Moylan is slowly recovering from his serious illness at the Edgewater hospital. Visitors are not yet permitted.

Perice J. Fenlon on July 10, 1941, was installed as Commander of Woodrow Wilson Chapter No. 4 of the D.A.V.

Mr. and Mrs. James Dolan can be found at Virginia Beach, Va.

The Scribe and his family Francis J. Rooney are hiding in the far north woods and a substitute is responsible for these notes.

Our worthy brothers, J. S. Moore and John Moore are maintaining bachelor quarters while the Mrs. Moore and daughters summer at Paddock Lake, Wis. As close as can be determined 57 people spent the 4th of July at their house at Paddock Lake.

The Frank A. Schmits are back from their annual ocean voyage that apparently even wars can't stop.

Martin C. Jeffers is wheeling back and forth to Minneapolis where he has his family in summer residence. Martin makes a very fine dinner guest.

We heard, through Brother John Rohr, from an old friend and member of University Council for many years. Rev. John S. Usher, S.J., who is and has been for some time at Xavier University, Cincnnati, Ohio.

SOLDIERS LEARN BALLROOM STEPS

El Paso. — Instruction in ballroom dancing is a feature at Tepeyac hall, conducted by the National Catholic Community Service for men in the armed forces.

CALUMET WILL INSTALL NEW LEADERS MONDAY

2-4 Mon. . . . . 6646 Stony Island

HEAR YE, HEAR YE (and for the benefit of the ones that can't we have installed electric ear aids) at 8:30 sharp Monday night our retiring G.K. Bill Birmingham will press a button, a soldier in Camp Forrest will blow the bugle, we'll all whostle and cheer, and into office goes our new G. K. Ty Hyland. Wonder who had the drag to get the soldier to blow the bugle?) Our new Lecturer, Bro. Scully, has appointed Joe Sullivan to take over for the evening. Joe tells us that after the meeting we can all drift to the back of the hall and have a little (censored) and pretzels. We all know that Ty is going to make a very good Grand Knight so come on up and make a good showing for him.

PICNIC

Don't forget our picnic Aug. 17th. G.K. Hyland is all set to kiss the babies (the young ones) and hand out the cigars. It is at the same place in Jackson Park as last year. We want all the mothers to bring the kiddies as there is going to be prizes galore for them. Being single and wanting to get in on some of those prizes, I'm going out to St. Joseph's Orphanage and draft a couple of speedy youngsters. It ought to be a lot of fun just to watch the fat men race. Don't forget August 17th.

SCRAPS

Edward C. Popjoy, the brother of our Financial Secretary, is now connected with the Jewell Paint Co. as Asst. Manager of their Aurora, Ill., store. Any members buying paint ought to hop a street car and give Ed a little business. We received a letter from "Coffee" Mahoney, who is still out at Hines Hospital. Arch expects to be there for some time so drop in at room C422 and have a chat with him. We also received a letter from Bro. John Birmingham, who is stationed at the U. S. Naval Air Station located at Pensacola, Florida. John is very enthused about his work there and recommends it for everyone. We forgot to mention that the Chairman of the picnic is our "blind man," George Harrington. Our new Lecturer and wife are going on a vacation to visit the mother-in-law. (I didn't say anything.) Also Recorder Oran Cox and wife to Ohio. Have a good time, fellows.

We're sorry to report the death of Charlie Cotter, one of our old basketball players, and a member of the Council for years. We're also sorry to report the death of Mrs. Grennan, the mother of Fred Grennan.

Our new D.G.K. Joe O'Connor reports that some time next week a post card will be sent to all interested bowlers, asking of your intention to bowl, as well as your average. (Wait a minute. Don't change that dial. This is a handicap league. Anything goes. Huh, Walsh?). Please return these cards as soon as possible, and if through any error we overlooked someone please send in a card yourself telling us of your desire to bowl.

We want twelve teams this year and twelve SPONSORS. Last year we all made the trip to Indianapolis and this year we'll go to Cleveland. This is something you don't want to miss because you'll have a lot of fun (and I do mean fun).

We had a few offers from Golf Courses who want holes dug so they can install sand traps. Bro. Gartlan, his broken clubs all patched up, tells us that the Excavitors Club will have their Tournament soon.

I've been saving the best news for last. Fr. Terrence Fitzgerald, our beloved Chaplin, is to be with us again next year. I'm sure this is good news for everyone. I wonder if Mike P. A. Murphy ever read that book he's been carrying around for a year?

BARBECUE RECORD

The Grand Knight wishes to take this opportunity of thanking all the members for their cooperation in making this year's Barbecue the greatest ever. This year's total was 280 books, an increase of 38 books over last year. Very, very good.

aul Honors Priest ho Gave City Its Name

t. aul paid tribute recently to the ne priest who founded the little apel that gave the city its name. he site where the Rev. Lucien built the Chapel of St. Paul 100 go, a rugged granite marker was ed as a memorial to the priest. ttending the ceremony were the ev. John G. Murray, Archbishop St. Paul; city officials, Army officers ort Snelling, where Father Gal-ided from a puffing little steam-1841, and 150 descendants of the who helped build the church. ite for the marker was taken e same quarry from which stone tained for the present Cathedral St Paul. The marker bears two laques with inscriptions to Fa-altier.

The memorial was accepted by Mayor McDonough in behalf of the city from officials of the Galtier Memorial Association.

Paying tribute to Father Galtier, Archbishop Murray said:

"It is fitting that we remember this faith and this honesty and true leadership in an era of history when humanity appears at a low ebb, when there is a great lack of leadership and statesmanship through the entire world, when the worst forces of fear and ungodliness are seeking to grind man under the heels of oppression and tyranny."

Genoa's Annual Golf Outing Scheduled for Aug. 17; Glen Eagles

1-3 Mon. . . . 7439 Cottage Grove Ave.

Well, folks, the information is now available. What information? you will ask. Well, it's the news that every member of Genoa has been waiting for for many months and that is the date, the place and full details regarding the annual Genoa Council golf day.

This year the old reliable Glen Eagles Country Club has been reserved for Genoa and its friends for Sunday, Aug. 17. Bros. Wm. Riley and George McCarthy, who staged that long-to-be-remembered train trip to the football game at Urbana last year, are to be chairman and co-chairman.

Although these boys will have plenty to do to make this event surpass all other annual golf days, it is believed that if the football event is any criterion of their ability, this year Genoa will have an affair never before equalled.

At the next meeting, which is to be held Monday evening, July 21, all the details will be considered and more specific plans laid to assure the success of this event. Therefore if it is at all possible for you to attend that meeting please arrange to do so.

NEWS

At the banquet given in honor of Bishop Sheil at the Palmer House recently, Genoa Council made its contribution to the success of the barbecue. Details will also be revealed at the next meeting.

Several of Genoa's old standbys have already been inducted into service of the armed forces of the United States. To these boys we wish success and happiness and we wait their return to the council chambers. Bros. Jim Devins and his brother John are in camp, Jim in California and John in North Carolina. Bro. Joseph Markeby, who is down in Tennessee in the army, was home over last weekend. He reports that he has everything under control at camp and will gladly show any Genoa members about the place if they care to go down to Tullahoma.

DEATHS

Bro. Charles Speaker died suddenly last week and due to the fact information of his death came too late to secure cards of notice to attend his wake in a body, GK Robert Stadler, by use of the telephone, managed to gather together several members and attend the wake.

The father of our former chancellor, James Macklin, died during the past week and was buried on Monday.

To the families of both of these fine men Genoa Council, its officers nad members, express their heartfelt sympathy and only hope that their happy memories will help to relieve the sorrow in some small way in their passing. May their souls rest in peace.

Bro. John Ryan, father of Bros. Tom and Bart Ryan, is in the Illinois Central Hospital. Hope you feel better in a few days, Bro. Ryan, and that you will be at our next meeting.

Louisiana Brides Aided by Bequest

Baton Rouge, La.—A will executed in 1824 is still helping to solve the high cost of marriage for some residents of two of the civil parishes of Louisiana. It is even helping to finance population increase, something the writer of the will never dreamed of, either as a moral or as a financial problem, in those days of large families.

Julian Poydras, merchant-prince, banker and poet, willed $30,000 to West Baton Rouge Parish, in which he had two plantations, and $30,000 to Pointe Coupee Parish, in which he had his home and many holdings. The interest was to be set aside as dowries for poor girls "who find the opportunity to establish themselves by marriage."

The dots are in the form of deferred, although lump payment, for they are not given until after marriage. The interest for the year is divided among the brides of the year who make application, and, it is said, weddings are sometimes postponed to years when less competition is expected. Of course only a small percentage of brides apply for these dots.

The 19 brides of West Baton Rouge Parish for 1940 have just received their shares. Seventeen received $103 each. The other two applicants received less, as their parents own some property—for "which the indigent ones always to be preferred" was a provision of Poydras' will. The same plan will be followed when the distribution is made to the 1940 brides of Pointe Coupee Parish.

The money for frocks and furniture are not the only things helped along by the will of Poydras, for one of the 1940 West Baton Rouge Parish brides used part of her dowry to pay for the first addition to the family, and two of the other beneficiaries are saving part of their dowries to pay for the impending visit of the stork.

There is no documentary proof that Julian Poydras was disappointed in love, but generation after generation it has been told that he was in love with a girl whose parents were too poor to give her a dot. Poydras did not care about her lack of money, but marriage customs were marriage customs in their native Brittany, and without a dot, a girl did not marry.

Brokenhearted, it is said, Poydras joined the French navy. In 1760 he was captured in an engagement with the British and spent two years in prison in England before escaping to Santo Domingo. When in prison he learned English and German. He came to New Orleans from Santo Domingo, worked long enough to buy a stock of goods, which he carried about the country on his back. From his cooking pots, knives, tignons de madras and trinkets his business grew until he became the wealthiest man in Louisiana. He was also talented in literature and became Louisiana's first poet laureate.

Many of the 19 brides of West Baton Rouge Parish married men of this parish, as was contemplated by Julian Poydras. Those who did not, married men of nearby parishes, and not one married outside the state.

La Rabida Names Bro. John J. Mahon Financial Secretary

2-4 Tues. . . . . 6236 Princeton Ave.

P.G.K. John J. Mahon, one of La Rabida's most active and popular sons, has been named financial secretary of the council, according to an announcement of Supreme Knight Francis P. Matthews. Bro. Mahon succeeds our present financial secretary, Andrew C. Bulger, who due to ill health, has been forced to relinquish his duties.

After ten years of outstanding service, Bro. Bulger is generally considered one of the most capable financial secretaries in the Order and his stepping out of office at this time is a bitter blow to the council, even with such an outstanding successor as Brother Mahon, who resides at 6746 South Lowe Ave. Bro. Mahon's telephone number is Wentworth 6579.

SUMMER SCHEDULE

As per custom, the council voted at the last meeting to hold only one meeting during the months of July and August and that to be held on the second Tuesday of the respective months. Thus, the next meeting of the council will be held on Tuesday evening, Aug. 19.

HERE AND THERE: Bro. Ernest Tocci is vacationing at Sister Lakes, Mich. Bro. John P. O'Connor is back in Chicago after spending two weeks motoring through Michigan. Bro. John J. Mahon is vacationing at Rhinelander, Wis., for three weeks. Bro. Andy Bulger is still confined to Washington Blvd. hospital and would be pleased to have any members of the council who might be in the vicinity, call on him.

NCCM PAMPHLETS READY FOR SOLDIERS

Washington. — National Council of Catholic Men pamphlets available for distribution to soldiers are listed in a circular letter to Chaplains from the office of the Very Rev. Msgr. William R. Arnold, Chief of Chaplains.

The pamphlets listed are "Christian Democracy," "Citizen, Church and State," "Making Democracy Work," "The Pope's Peace Program and the U. S.," "Boy Meets Girl—the Christian Way," "A Declaration of Dependence," "Militarism vs. Pacifism," and "Advice to Catholic Recruits."

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. NO DECORATED BOATS AT BLESSING OF FISHING FLEET

Vichy.—The annual "Newfoundland Pardon" was held at St. Malo this year, although there were no gaily decorated boats with bright-hued sails to start for the fishing banks; and many of the men who used to man them are dead on the field of war, or are still in prison camps. Women and children attended the High Mass and marched in a solemn procession to the walls of the town. The Most Rev. Emile Rogues, new Archbishop of Rennes, blessed the sea, following the tradition of his predecessors in the Primatial See of Brittany. The names of local fishermen who fell in the Battles of Flanders and France last summer were read and the Libera was chanted.

Hughes 'Men-folk' Will Golf Sunday at Stag Tourney

1-3 Tues.....4711 W. Madison

Hughes Council's first golf tournament of the season is offered this coming Sunday, July 13, at White Pines Golf Club. Chairman Tom McDonnell, who has done a superlative job framing an attractive program for the linksmen, has announced:

"The management of White Pines assured me everything was in readiness for Hughes Council's golf tournament on Sunday, July 13. This meet is one carded for men only. It is solicited that Hughes players and their guests tee off after 11 a. m. The two courses available at White Pines are in excellent condition and if the weather man gives us a break, it should be a grand day. The fee is reasonable, with club house and locker facilities added without charge, while food, refreshments and so forth are obtainable at low cost at the club.

"Most of Hughes Council's golfers at one time or other played at White Pines and are familiar with the best routes to the club, but for those who have not played there let me say that the course is located on Elmhurst Road, between Lake Street (Route 20) and Irving Park Boulevard, one mile north of Elmhurst. The club house is on Church Road, west of Elmhurst Road, and it is easily accessible. The two layouts are sporty enough, but not too severe a test for the 'Sunday' golfer who likes to wack 'em off the tee and then not have too tough a time finding the ball."

There is nothing that need be added to what Chairman McDonnell has said. The other members of the committee, notably F. Kamper, Joe Postilion, Louis Lepore, Harold Enright, Patrick Barrett, Elmer O'Brien and Charles Geraghty, are all cooperating earnestly to assure the success of not only this tournament, but the other two carded for later in the summer. Incidentally, the three P.G.Ks. on the committee, notably Enright, Barrett and O'Brien, as well as P.D.G.K. Charlie Geraghty, have all had extensive experience in the conduct of these tournaments, and so everything can, with good confidence, be expected to proceed without a hitch. And don't forget the Sunday, August 10, Ladies' Day Hughes Tournament at St. Andrew's.

INSTALLATION

D. D. John H. McKeown, our own P.G.K., conducted the Installation of Officers at the July 1 meeting in fine style. The officers inducted into their new positions reaffirmed the intention to give Hughes Council the very best that is in them, and G.K. George N. Daly and his fellow officers in turn have every right to expect 100 per cent cooperation from the entire membership body.

It might be of interest to say that our new G.K., George Daly, has long been a stalwart in the ranks of Columbianism. He received his degrees at old Robert Emmett Memorial Hall on May 24, 1912, and since that day to this has been an exemplary Knight of Columbus. He was enrolled in Damen Council in 1917 and on January 24, 1928, transferred to Hughes Council. He was instrumental in creation of the [illegible] Side [illegible] of C. Softball League, [illegible]ising [illegible]s unit, and first presi[illegible] the league back some years ag[illegible] when it was played in gymna[illegible] ordinarily referred to as "Indoor."

George, it might be said en passant, was one of the greatest "indoor" players ever developed in the Chicago area. The softball league he organized was the forerunner of the present group. In 1932 George Daly was elected Inside Guard of Hughes, and his progress has been steady until his recent unanimous selection to fill the high position of G.K. He was president as well as secretary of the Council Bowling League for many years.

COUNCIL ITEMS

Bro. James Kennison, Corporal in the U. S. Army, was home on furlough from Camp Lee, Va., during the first week of July. Jim attended the July 1 meeting and was enthusiastically greeted. He told the assemblage of some of his experiences and adventures, the lowdown on army life. Incidentally, the July 1 meeting was the only session to be held during the month, and there will be only a single meeting in August, on the first Tuesday.

Bro. Frank O'Brien received congratulations at the July 1 meeting on his 74th birthday. Frank looked chipper as a draft selectee.

It was reported at the meeting that Bro. Charles Reilly, confined to St. Ann's hospital with stomach ulcers, was critically ill, and Chairman Art Carroll's appeal for blood donors received immediate response from Bros. Tom Dailey and Bernard (Mickey) Dailey. Both went immediately to the hospital and Mickey Dailey donated a pint and a half of his good red blood to aid his brother knight. Additional transfusions would be needed later, it was learned, and when Art Carroll made this known, Bros. Jim Kennison, Raymond O'Brien, Nicholas Mulroe, Elmer O'Brien and John Bannon all responded. Corporal Jimmy was at St. Ann's the next morning and it was found also that Raymond O'Brien was of a different type. Bowling Commissioner Nick Mulroe gave a pint and a half, with P.G.K. Elmer O'Brien and P.G.K. John Bannon standing on call at the last writing.

Bro. Tom Higgins, Jr., attended the last meeting, was enthusiastically welcomed, and it is hoped he will be on hand regularly henceforth.

Regret to learn that Bro. William Raga is in the County hospital. Some of the boys called on him recently.

G.K. George N. Daly confirmed the recent appointments made by his predecessor, P.G.K. Dr. Louis Postilion, and the following were also announced: Lecturer, Raymond J. O'Brien; Fin. Sec., Daniel Leroy Harper; Scribe, William F. Brown; Bowling, Nicholas Mulroe; USO., P.G.K. Elmer J. O'Brien, also named chairman of the Major Bowlers; and the important Membership Committee will be headed by Bro. William Kane.

Ouilmette Donor Group Gives Aid to Several Victims During Week

2-4 Mon. . . . 1215 Wilmette Ave.

During the past week the blood donors were called upon to give of the stream of life to several unfortunate sufferers at the St. Francis and Evanston hospitals, Evanston, Illinois. G.K. George E. White, Sr., P.G.K. Dr. Fred Genster, P.G.K. Peter Thalman, Treas. Phil Hillinger, Trustee Richard Murray, and Joe Alten gave of their blood at the St. Francis Hospital, and P.G.K. Joe Lechner, Bros. Paul Bleser, John Versino, Tony Hermes, Tony Marini, and Warden Leon Steffens donated at the Evanston Hospital.

In addition to those just named there were others who also contributed but whose names were not available to your scribe and also several worthy brothers who offered their services but were rejected for reasons known only to the hospital examiners. I feel certain that the Council is mighty proud of this particular group for this grand act of charity, which is giving from the heart, in its literal interpretation.

NEW OFFICERS

For the benefit of those of the brothers who were not able to attend our last meeting and the members of our neighbor Councils who might be interested, the following is a list of the new officers of the Council for the coming year:

Grand Knight, George E. White, Deputy Grand Knight, Nicholas J. Miller; Chancellor, Harry M. Peters; Fin. Sec'y, Peter J. Steffens; Recorder, Richard Miller; Advocate, Leo J. Hassenauer; Warden, Leon Steffens; Treas., Philip Hillinger, Jr.; Lecturer, George Steiner; Trustee, Richard Murray, Joseph Rossberger (incumbent) and Thomas O'Rourke.

Chaplain, Reverend James M. Sheridan; Inside Guard, Edward Hanke; Outside Guard, John Froelich; Organist, Joe Alten; Scribe, George H. White; Delegates to Chicago Chapter, Anthony Ludovice and Peter J. Thalman; Delegates to State Convention, George E. White, Sr., and Anthony J. Ludovice; Alternate to Grand Knight, Joseph Lechner; Alternate to Delegate, Peter J. Thalman.

Brothers Clarence "Lefty" Steffens and Frank Dolan are occupying adjourning beds in Room 130 in St. Francis, and by the time this appears in print will have undergone operations for hernia and be in the convalescent stage. No visitors will be permitted before next Tuesday by which time they should be sufficiently recovered to welcome company. I have been told that they are sporting dubonnet pajamas but I don't know if there is any truth to it.

Don't forget the big picnic—come July 20, in the Northwestern Golf Club Grove. Bring the bunch.

Watch this column for the golf tournament date now tentatively set for the last week in July. To Mr. and Mrs. John Neuses, the Council extends its deepest sympathy. Mrs. Neuses' father, Mr. Edward Heinzer, passed to his eternal reward last week. Congratulations to the parents of Bro. Edward Harke who celebrated their 33rd wedding anniversary on June 28.

21 SECOND LIEUTENANTS MARRIED AT WEST POINT

West Point, N. Y.—Twenty-one newly commissioned second lieutenants of the United States army were married on the military reservation on the day following their graduation from the United States Military academy. A number of the weddings occurred in the Catholic chapel.

Carroll Inducts New Leaders at Meeting Tuesday

Next Meeting July 15....6 N. Hamlin

THE INSTALLATION OF THE OFFICERS OF CHARLES CARROLL OF CARROLLTON COUNCIL WILL TAKE PLACE AT THE REGULAR MEETING OF THE MEMBERSHIP NEXT TUESDAY EVENING, JULY 15, AT THE MIDWEST ATHLETIC CLUB, 6 NORTH HAMLIN AVENUE, AT 8:30 O'CLOCK.

This being the "turn of a new leaf" for Carroll Council, it should carry with it the resolution bound by each and every member that he shall do his part in the "all-out" effort of getting behind the various council activities, and that he shall moreover try to attend meetings regularly so that the dividends derived from Council activity may best benefit him. Let's get behind the new officers and give them the co-operation that you would expect if you held one of their positions.

As a gesture of your COMPLETE SUPPORT, join the members next Tuesday evening at one of the largest assemblages since Carroll's birth, thirty-eight years ago. Incidentally, refreshments to suit the occasion will be served, and you know what that means. A number of visiting dignitaries will be present to give the affair the official representation fitting such an event.

JOHN J. O'CONNOR

At the break of another year in the history of Carroll Council, our hearts should be joyful, but somehow we cannot, for sadness has come to us with the loss of John J. O'Connor, last surviving charter member of our council. Mr. O'Connor was the husband of Mary Murphy O'Connor, father of Gilbert, Rev. William A., also a member of our council, Mary Gould, Helen, Leonard and the late John, James, Loretta and Bernard, and brother of Michael F. O'Connor.

The late Patrick J. Murphy, P.G.K., was the brother-in-law of Mr. O'Connor. Funeral services were held on Thursday, July 3, from the residence at 920 N. Lockwood avenue to Our Lady of Christians Church and burial was at Calvary. A large delegation of Carrollites attended the wake with prayer led by Monsignor Francis Purcell of St. Mel's Church.

CARROLLITES

George J. Hunt is slowly recovering from Quincy sore throat, and mighty painful it has been, too. George has lost seventeen pounds (according to John Dunleavy and Dan Ryan) . . . Gene Conley is still laid up at the Loretto Hospital at Central and Harrison streets. According to an "official bulletin" Gene will be up and around in a short time. And none too soon for us, because we have missed him a great deal.

Pvt. Daniel J. Ryan, son of Daniel Ryan, Sr., visited his family and friends over the Fourth of July and had some very interesting facts to relate about camp. They were all good, too. Guess the "boys" are pretty lucky, eh? Dan gained fifteen pounds and had a real southern tan. He would appreciate a letter once in a while from the members addressed to him at 108th Medical Regiment, Company C, Camp Forrest, Tennessee . . . Pvt. Joe Powers is in Company C, 108th Engineers Combat, Camp Forrest.

Whoopee! And it's another boy, too! A baby boy was delivered to the home of Mr. and Mrs. Joseph Moreau recently to make three eligible candidates for knighthood. Congratulations to mama and papa . . . Bill McNamara's wife, Nancy, was operated on for a mastoid at St. Anne's Hospital on Wednesday, July 2. According to Bill, she is getting along nicely. We are sorry to hear of this but very glad to know that her condition is so well.

Seated at the Victory Dinner officially closing the Fourth Annual Barbecue at the Palmer House last Monday evening were G.K. James J. Crosby, Recorder George F. Rauh, Chancellor Edward Whelan, Financial Secretary Michael P. Martin, P.G.K. and D.D. John F. McNamara, Ken L. Torgeson, P.G.K. Daniel J. O'Connell, Michael Vanelli, P.G.K. Tom O'Connell, John "Swede" Lawlor (yes, it was him alright and in the prime of health, too), Michael O'Connell and P. G.K. Joseph Fogarty. Hats off to Council Barbecue Chairman Edward J. Whelan. He did a splendid job and topped our last year's efforts for a successful project.

C.C.S. Already Operating Center at Waukegan; Readies Chicago Unit on South Wabash

Volunteer workers in suburban com-nities and in every district of Chi-go today redoubled their efforts as United Service Organizations npaign passed the $400,000 mark d entered the homestretch.

Co-operating with the metropolitan icago campaign committee in its ort to raise $679,500 to establish reation centers for the nation's ned forces are 40 communities of district.

Hughston M. McBain, general chair-n of the campaign, announced that date the community committees e raised more than $35,000 through al efforts. Chairmen have indi-ed, he said, that this amount will doubled within the next ten days. Meanwhile, workers throughout the a concentrated their efforts upon ing $500,000 of their quota this k-end and pushing the drive ough to victory next week.

Expect New Gains This Week

Business firms and employe ups have extended virtually unani-us support to the USO and the job is doing for the men of our armed ces," Mr. McBain said. "A great ber of these firms have informed paign headquarters that they will plete their solicitations this week, s giving tremendous impetus to campaign.

ndividuals, clubs, civic groups and er organizations are moving fast urn in USO contributions. It is nite proof that USO support is espread and growing daily. Suc-e of the campaign will thus show soldiers, sailors and marines that nited nation is behind them and eciates the sacrifices and services lved in the present task of na-al defense."

360 Centers Planned

ith funds raised in the $10,765,-0 campaign, the USO will establish 6 service and recreation centers hughout the country, adjacent to y camps and Naval stations. The r of these centers are now being olished, with others getting un-ay daily. It is expected that more than 60 will be in active operation early this fall.

Buildings to house the USO units will be constructed by the Government, with the USO furnishing trained personnel and specail equipment necessary for the program. Facilities will be available for relatives visitng boys at camp as well as for the service men themselves.

Two Centers Open Here

Two social centers have already been opened by the N.C.C.S. in the Chicago area. One, at Waukegan, has been operating for several weeks and has been found to be a particular favorite of the "off-duty" service men from Fort Sheridan and the nearby naval training station. A second building on South Wabash Avenue is now being rapidly put into shape as an entertainment center for the soldiers and sailors when they visit Chicago.

Rev. Wm. A. O'Connor, chairman of the Chicago Archdiocesan committee of the N.C.C.S. last week, announced the receipt of a gift of $1,500 from the Chicago Community Trust for the N.C.C.S. organization here. The money, according to Frank I. Loomis, secretary of the Chicago Community Trust, was donated in order to provide furnishings and equipment for the Waukegan center.

The local Knights of Columbus, through State Deputy Leo M. Flynn, have volunteered to provide the furnishings for the Wabash Avenue center. (Details of the plan appear in the story in the adjoining column.)

SUPREME KNIGHT MEETS WITH SERVICE MEN IN JULY 4TH PEACE PRAYER

Few York papers recently told how ot uniformed men of the Catholic ai held a patriotic rendezvous with u eme Knight Francis P. Matthews f he Knights of Columbus at St. ack's Cathedral in New York on ndependence Day, there to unite he petitions for the safety of their ou ry and to rededicate themselves merican ideals.

(the day before the Fourth, Mr. Ma news made a radio appeal for the SO. As guests in the studio he had a Jewish soldier, a Catholic and a Protestant marine, and two Catholic soldiers. As the broadcast ended, the service men of Mr. Matthews'

Columbus Day Ball Will Be Given Here for N.C.C.S. Benefit

Party Proceeds Are Marked for Use in Outfitting New Service Center

How the sixty-five councils of the Knights of Columbus in the Chicago area are to add an extra bit of cooperation to the cause of the National Catholic Community Service program in behalf of the men in the country's military forces was revealed this week by State Deputy Leo M. Flynn and Jacob A. Mueller, President of the Chicago Chapter.

According to plans now well underway, the entire Cook County Knights of Columbus membership will be called upon to attend a great Charity Ball on Saturday, October 12, in celebration of Columbus Day and in benefit of the local N.C.C.S. organization.

Proceeds of the gigantic social affair which is to be held in the Grand Ballroom of the Palmer House here, will be turned over to Father William A. O'Connor, who heads the Chicago Archdiocesan Committee of the N.C.C.S., and will be used to provide furnishings for the new recreational center soon to be opened by the organization at 1122 S. Wabash avenue.

Henry J. Lynch Chairman

Heading the organization committee for the Chapter Charity Ball, President Mueller announced, will be Henry J. Lynch and Edward J. Molyneux. Other committee members will included the thirteen district U.S.O. chairmen recently appointed by State Deputy Flynn. These men are Francis McMahon, Frank McGlinn, Richard Judge, Joseph H. Halm, Elmer O'Brien, Charles Nash, John Ruberry, John Shealy, John B. Meccia, Thomas Hayes, Bruno Satkowski, Charles Morgan, Wm. P. King and Henry L. Phoenix.

In addition to the features that have made the Chapter's previous charity balls so popular, the coming Columbus Day program will also include a bridge and card social.

Triple Novena Will Be Held at St. Pius Church July 24 Thru August 1

During July when the Catholic world invokes the Precious Blood of the Son of God, the Dominican Fathers at St. Pius Church, 19th St. and S. Ashland Ave., will conduct a solemn triple novena to the Precious Blood honoring three saints—St. Anne, St. Judge and St. Dominic.

World Peace will be the general intention of the Novena which will begin Thursday, July 24, and terminate on Friday, Aug. 1st. Two noted Dominican preachers will conduct the Novena: Very Rev. Raphael Walter Farrell, O.P., S.T.M., regent of studies at the Dominiacan House of Studies in Washington, D. C., and Very Rev. Joseph Sylvester Considine, O.P., S.T.L., professor of scripture at the Dominican House of Studies in River Forest, Ill.

Services each day will be as follows:

Solemn High Mass and Sermon, 10 a. m.

Afternoon service, 3 p. m.

Loop workers' service, 6:30 p. m.

Evening service, 8 p. m.

Douglas Park elevated to 18th St. provides quick access to the shrine, also Ashland-Southport surface cars or Blue Island-Kenton surface cars.

K. C. BASEBALL STARS HOLD FANS' ATTENTION IN BOTH BIG LEAGUES

The Knights of Columbus seem to have everything under control in the baseball world this week. Leading off the distinguished Order members who are currently under the public spotlight on the diamond is Brother Joe DiMaggio who has now smashed the all-time consecutive game hitting record. Breaking the modern record and the all-time record Brother Joe has continued his amazing hitting streak and with his sigle and double against Eddie Smith here Tuesday he has now hit in fifty-five consecutive games.

Brother Jimmy Dykes still has the White Sox in the pennant fight and is hopeful of an even chance to finish in the world series. Brother Connie Mack has the surprise team in the American League and is causing plenty of trouble for the other clubs.

K. C. Aid Gives Tots First View of Country Life

Barbecue Funds Provide Two-Week Respite from City Heat for 101 Little Girls

One hundred little girls, who had never been in the country before, are spending a happy two weeks at the C.Y.O. summer camp at Dodridge Farm near Libertyville, practically the guests of the Knights of Columbus. Next week another hundred girls will go to the camp, and after two weeks' vacation will be replaced by another hundred.

They may be termed Knights of Columbus guests because it was the check for $22,148 given His Excellency, Most Rev. Bishop Bernard J. Sheil, as the result of the Order's fourth annual barbecue, that made the opening of the girls' camp possible, according to a statement made to the Knights by Bishop Sheil at the Victory dinner June 30.

The children were selected by Rev. Harold J. Kenney and Miss Regina O'Connell of the C.Y.O. social service department, and the first group, actually 101 girls, between eight and fourteen years old, were taken to Dodridge Farm Monday, July 7.

The camp is in charge of the Ladies of the Grail, and the children are being cared for by some thirty women experts in child training who volunteered from many parts of the country to serve without pay in the cause of child welfare.

The camp, a tract of about 120 acres of wooded land, one time the estate of Britton I. Budd, is equipped with several 25 metal-bed dormitories, a dining hall, recreation building, chapel, supervisor's homes, outdoor porcelain lined swimming pool, swings, etc., under the trees, and large playing fields, and other facilities to keep the children employed and happy.

July Novena Will Mark 41st Annual Observance to St. Anne de Brighton

For the forty-first consecutive year the Shrine of St. Anne de Brighton in St. Joseph and St. Anne church, California Ave. at Thirty-eighth Place, will be the center of devotion to the mother of the Blessed Virgin, St. Anne. The annual public novena in her honor will take place from July 17-26.

The novena devotions will be conducted by the Rev. Clayton Kramer, C.SS.R., superior of the Redemptorist Mission at Athabaska, Alberta. He will be assisted by the Rev. Louis F. DeCelle, pastor, the Rev. Henry Boyd and the Rev. Hubert S. Hoffman.

The Novena Mass, daily at 9:30 a. m., will be a Solemn Mass and will be followed by devotions. There will be services daily at 3, 7, and 8 p. m.

A beautiful ceremony, traditional at the Shrine, the Blessing of the children, will take place Tuesday afternoon, July 22, at 3 o'clock. Each child will be presented with a medal that has been blessed and applied to the relic of St. Anne.

Hughes Gets O. K. from Weatherman on Golf Tourney

1-3 Tues. . . . . 4711 W. Madison St.

The season's initial golf tournament for Hughes Council, held at White Pines last Sunday, drew a particularly delightful brand of weather. Must be that Chairman Tom McDonnell or a member of his committee has something on the weatherman! In our book, that old guy has cut so many hi-jinks just at the wrong time that somebody certainly should have something to gossip about and make him come up with some blue skies and sunshie when wanted.

Be that as it may, the weather was bright, sunny, cheerful, the temperature exactly right, though the breeze was mentioned by some, but it was just sufficiently strong to be refreshing. Attendance was about up to expectations. On such a glorious day perhaps more could have taken advantage of the opportunity to play one or the other of the White Pines courses in company with their fellow members of Hughes, but the turnout was entirely satisfactory and Chairman McDonnell is planning extra features for the next two golf tournaments.

Coming up will be the attraction for the ladies, too, on Sunday, August 10, at St. Andrew's Golf Club West Chicago, Ill. Chairman McDonnell announced: "Our good friend, Joe Jemsek, pro at St. Andrew's, will again take the very best care of Hughes' golfers, the ladies and all of our guests.

"It will be remembered that last year Hughes had a wonderful golf outing at St. Andrew's, and for those who do not care to play golf, the wide sweeping lawns, with well foliaged trees providing delightful shade, are just the right setting for a bridge game, bunco, or just to sit around, take things easy and watch the activity going on around. It will be $1.25 for the golf at St. Andrew's, which includes club house facilities, shower and locker room and the opportunity to play either or both of the two 18-hole courses.

"Invite your friends to come out on time. St. Andrew's is about one-quarter mile north of North Ave., Route 64. A convenient route is any north or south side intersecting North Ave., then west to sign about 15 miles west of Harlem Ave."

SUNDAY SIDELIGHTS

The feature foursome at White Pines was made up of G.K. George Daly and three P.G.K.s, Dr. Louis Postilion, Harold Enright and John McKeown, the smiling D.D. A pretty clubby group, for every time you looked all four of them would be close together prowling in the rough.

Treasurer Chick O'Malley, Walter Biezart and Guest George Hamm were a colorful threesome. When asked what he had got, Chick resorted to that old cliche, "Tired!" He was in one trap and from a distance the way his club rose and fell, Treasurer O'Malley was killing gophers.

Joe Garvey, stellar softballer, wished you used a baseball bat to swat the ball rather than the ill designed tools laughingly called golf clubs. Bill Kane, another softballer, whammed out a drive on the eleventh hole that outdistanced the long ball Johnny (Drugstore 300 yds.) Bulla ever hit.

Raymond O'Brien and McClure played a snappy eighteen, while Dan Brown also had a creditable score. Advocate Art Kreutzer was stripped to the waist when he went to work on the course, but all he did was damage the fairways digging dig divots. Trustee Bob Monahan had a lousy day—only fourteen one-putt greens, which means that Bob, the world's greatest putter, was way off his game!

HUGHES IN FIRST PLACE

Hughes Council's softballers with seven victories and a lone defeat are pacing the Far West Section of the K. of C. Softball League. The single loss was sustained at the hands of Carroll. Hughes in a measure atoned by administering a 9 to 7 defeat to Carroll on Tuesday last. Dan Brown led the attack with three hits. Bob Bergeron, Harold Enright, Frank Linskey and Bill Kane also walloped the ball hard, Kane slamming out a home run. Mickey (Proud Papa) Dailey showed excellent defensive play at first base.

Then on Thursday Hughes knocked off Lafayette 8 to 3. The team played smart, heads-up ball, with the outfield of Garvey, Brown and Bergeron featuring. Joe Garvey had a homer, and others who wielded a mighty bat were Bergeron, Lauterbach, Kane and even Pitcher Jerry (No Hit) Conroy.

Special plaudits for Mgr. Frank Linskey, versatile athlete, stellar basketball player, champion golfer and expert softballer. Frank stepped into several breaches lately. A shortstop by choice, and a star one, Frank went into the bog against Carroll and twirled a winning game. Rollie Howlett didn't show against Lafayette and Frank took over the first base assignment, delivering in spectacular style. No wonder Hughes is leading the section and Delegate Chick O'Malley wears a broad grin. Roy Bergeron has been playing brilliantly at third base and showing a throwing arm reminiscent of Jimmy Dykes at his best.

COUNCIL NEWS

Bro. Elmo L. Ward has been reappointed Athletic Director and given the cordial cooperation of the athletic chairmen promises another big year for Hughes in all lines of sporting activity. Every member is urged to help promote these interests in Hughes Council—softball, golf, bowling, particularly, and if you have any suggestions pertaining to any support in which Hughes Council is not now engaging, be sure to tell the Athletic Director or one of the council officers about it. Incidentally, Marietta Morgan, the lovely little miss from the Ozarks, is again visiting with Uncle Elmo.

Sorry to learn that Joe Ryan's mother is still confined to the hospital. D.G.K. James Ryan reports her condition unchanged and the prayers of all the members are requested for her early recovery. Bro. Joe Ryan's twin sister, who is a nun, is now on vacation, which she is spending at the bedside of her mother. Let us join in beseeching the merciful Redeemer to speed the recovery of Mrs. Ryan.

Bro. Edward Ryan, recently transferred from Father O'Connor Council, is an uncle of both D.G.K. Jim Ryan and Past Lecturer Joe Ryan. Ed is the proprietor of Summit Bluff, a resort at Ludington, Mich., where good fishing, boating and swimming are available. Why not patronize Summit Bluff? Drop him a line about reservations or see nephews Jim or Joe.

Next meeting—and only one during August—to be held on Tuesday, Aug. 5.

REQUIESCAT IN PACE

Regret exceedingly to learn of the passing of Joseph Hustoles, brother of our own Edward Hustoles, anchor man on the Ward Builder Golds, and Robert Hustoles. Joe died on Thursday, July 10, a delegation attended the wake on Friday, and the funeral was held last Monday. May his soul rest in peace.

BOND STORES TO CLOSE EVENINGS FOR SUMMER

Beginning Monday, July 21, all Bond Stores will be closed at 6 p. m. every evening except Thursdays and Saturdays. The Madison Street Store will be open until 8:30 p. m. on Thursdays and Saturdays and all outlying stores will remain open until 9:30 on Thursdays and Saturdays. These hours will remain in effect for the balance of the summer.

CATHOLICS ARE ONE-THIRD OF COUNTRY'S CHURCH MEMBERS

The Catholic Church, with an enrollment of 21,284,455 in 1940, continued to lead the nation's 250 religious bodies in membership, it is said in the Yearbook of American Churches for 1941, edited by the Rev. Dr. Benson Y. Landis under the auspices of the Federal Council of the Churches of Christ in America.

The report shows 64,501,594 Church members in the United States during the past year, representing 49 per cent of the nation's population. Thirty-three per cent of the total church members, and 16 per cent of the entire population, of this country are Catholic. Second to the Catholic Church in enrollment is the Methodist Church with 7,377,487 members, and the total of all Protestant bodies is 36,103,984.

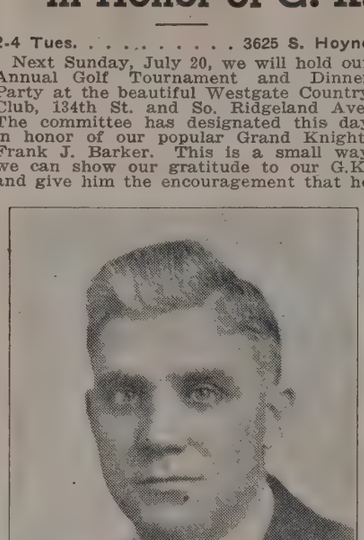
faith impulsively asked him to worship with them on the following day. He gladly accepted. On Friday afternoon they reached the Cathedral in the drizzling rain, stood just inside the shelter of its massive arches to listen to a taxicab radio broadcast the speech of President Roosevelt and the pledge to the flag and the republic, recited by Chief Justic Harlan Fiske Stone, and then repaired to the Lady Chapel of the cathedral, there to join their voices and their hearts in a specially-written prayer for their country.

Dowling to Hold Golf Tourney Sun. in Honor of G. K.

2-4 Tues. . . . . 3625 S. Hoyne

Next Sunday, July 20, we will hold our Annual Golf Tournament and Dinner Party at the beautiful Westgate Country Club, 134th St. and So. Ridgeland Ave. The committee has designated this day in honor of our popular Grand Knight, Frank J. Barker. This is a small way we can show our gratitude to our G.K. and give him the encouragement that he needs to guide the destiny of your council.



FRANK J. BARKER
G.K. DOWLING COUNCIL

The office of Grand Knight is very important and requires much of his time and very often takes him away from his family obligations. I want it understood that this is your scribe's thought and in no way want it misconstrued, as our Grand Knight has no complaints to offer. Having the honor of being one of your Past Grand Knights, I have had the experience and am in a position to speak. Your Grand Knight receives no remuneration from the council for his work and I personally am soliciting your co-operation that a large attendance be on hand to pay him tribute.

Our tournaments and dinners are not promoted for making a profit but for creating pleasure for our members and your committee has left nothing undone to accomplish this goal.

The tee off for golf will start at 10 a. m. and our group will be given the preference all day. The fee is $1.50. The dinner will take place at 6:30 p. m. and we are guaranteed a very delicious spread for $1.50. We will have many valuable prizes and your chairman assures you a day of real pleasure. The tournament is for ladies and gentlemen and we hope the fair sex turns out in large numbers.

This course is under the management of Pro. Tom Walsh, a member of Calumet Council and a friend to most of our members. I am sure his hospitality cannot be equalled. For further information phone me at Wabash 0842 in day or Rep. 1137 evenings.

INSTALLATION

At our last regular meeting we had the distinct honor of having our P.G.K. and Past State Deputy install our officers for the year. Realizing how busy Judge Bolton is and the different engagements that requires his time we are very grateful to him. P.G.K. Tim Cronin acted as Warden and Chancellor John Sheehy as organist. P.S.D. Bolton eulogized our Grand Knight and told of his wonderful work at the State Convention.

G.K. Barker made a short address asking for the full support of his fellow officers and members and delayed making most of his appointments until he could get a definite promise from his assignments that they would fill the position to the best of their ability. His first appointment was that of Father Wunder as Chaplain and our G.K. in making this re-appointment said that Father Wunder's acceptance of the post was a real tribute to our council. Father made a very nice talk and again told of his pride in membership in our council.

The G.K. also reappointed our old warhorse John P. Struve as financial secretary and yours truly as your scribe for the year.

We had several brothers from other councils as visitors: G.K. John Devereau, F.S. John Fielen and R.S. J. Kettrick from Fort Dearborn Council; Joe Breen and Ken Torgason from Carroll Council; also the son of our P.S.D. John came in from Detroit University and was present to witness the ceremony performed by his dad. At the conclusion of the meet our Lecturer, Dr. Laibe, put on refre ments and a real get-together follow

anta Maria Will Join Chaplain in Services Sunday Afternoon

Thurs. . . . . 9020 Commercial Ave.

'he council has a chance to show its ard for our Chaplain, the Rev. Father rlecke, by appearing at the cornerne laying of his new parish church, Peter and Paul. The ceremony will e place promptly at 3:30 p. m. on Sunr afternoon, July 20. Archbishop itch has appointed Fr. Terlecke, him; to preside and perform the cornerstone laying as he is unable to attend.

The foundation for the new church, just west of the present structure, is rapidly taking shape and every day Father Terlecke may be seen out there inspecting the work. Every member of our council should join his enthusiasm and make the cornerstone laying a memorable event. G. K. Joseph Komar joins Trustee Joseph Gerlich, one of SS. Peter and Paul's greatest boosters and hardest workers, in urging everyone to be present.

Installation of the newly-elected officers, headed by G. K. Joseph Komar, will take place at the only meeting during July, the 24th. Plans are being made to make this a pleasant evening. All members who can do so, should be on hand to take part in the installation. A good sized crowd of members will help greatly in assuring the new officers that we are behind their efforts.

The one regular meeting for August will be on Thursday, Aug. 28, but Fin. Secy. John Crowe will be at the council chambers on Aug. 14 only for the purpose of collecting dues. Bro. Crowe wants to remind everyone to get caught up on his dues before the summer is over.

Bro. Vincent L. Knaus, president of the South Chicago Bar. Assoc., and chairman of the 10th Ward Selective Service Board, returned from a vacation at Paw Paw Lake, Monday morning, in time to see draftees from Boards 93 and 94 leave. He distributed 25 of the missils that Santa Maria Council has been giving draftees and told them of their rights under the Soldiers and Sailors Relief Act of 1940.

Bro. James Nash and Walter Kane, and their wives, are off for a vacation at Eagle River, Wis. They plan to fish and relax. The softball team evened up their loss to St. James Council by winning from St. Phillip Neri last week. Have you seen any of the games lately? If not, come out and see Bro. John Cullen, the manager, and the team in action.

The Newman Foundation

(The Knights of Columbus of Illinois, through action taken at the meeting of the State Council in 1917, has annually donated some $3,500.00 to the support and maintenance of a Catholic Chaplain and Priest at the University of Illinois. The following account of the work done at the Universtiy last year is from the report of the present Chaplain, Rev. Roger Schoenbechler, O.S.B., as delivered at the state convention in May.)

For the benefit of those who have never seen The Newman Foundation at the University of Illinois, I should say that it was built during the years 1927 and 1928, with the aid of many and generous donations, specially of the Knights of Columbus. The entire structure is a rather conspicuous landmark almost in the very heart of the campus, built in the Georgian style of architecture and therefore fitting in with the rest of the University buildings. It consists of a large and beautiful Chapel with a roomy basement, and a residence hall, Newman Hall, for men students, with a capacity of 324 beds. The Chapel itself has a seating capacity of over a thousand, and is the officially designated Chapel for all unmarried Catholic students not living with their parents as residents of Champaign.

This year there were 1526 Catholic students (500 of whom are Catholic girls) registered at the University, about 100 more Catholics than in the previous year. Since the total number of students at the University this year was about 13,000, the Catholic student body again this year formed more than ten per cent of the entire student population.

You no doubt know by now that during the summer of 1939, the Benedictine Fathers of St. John's Abbey and University, Collegeville, Minn., were requested by the Most Reverend Joseph H. Schlarman, D. D., Bishop of Peoria, to take over the vacated Catholic chaplaincy at the University of Illinois, agreeing to supply the services of three full-time priests to look after the religious and spiritual needs of the Catholic students attending the University. This we did.

Now, in carrying out our work at the University we have always tried to be mindful of the stirring words of Pope Pius X, in his Encyclical "Acerbo Nimis," April, 1905, in which he gives the following Papal command:

> "We do decree and strictly command that where there are public academies, colleges, and universities, facilities for religious instruction (Scholae religionis) be provided for the purpose of teaching the truths of our faith and the precepts of Christian morality to the youths who attend such public institutions wherein no mention is made of religion."

As to the Foundation Credit Courses, these have been well attended in the estimate of all who are able to judge of such things, and there is reason to think that they will be attended in even greater numbers during the coming year. This year we gave the following credit courses: Christian Apologetics; The Life and Teachings of Christ; The Christian in the World; and Five Great Recent Papal Encyclicals. In giving these courses, we have not proceeded in an arbitrary way, but have sought to give such courses as would best answer the immediate religious and doctrinal needs of the students on the campus. We do not give the same courses year after year, but study constantly the religious trends on the campus and adjust our courses accordingly.

Besides these courses, we have been doing much other instruction work. I myself have been giving a weekly lecture on Medical Ethics throughout the year for a group of pre-medical students; another weekly lecture on Liturgical Arts, Crafts, and Symbols, for a group of architecture students. We have also been conducting an Inquirers' Class twice each week all the year round for those non-Catholics interested in the Church. All through the year, each of us has nearly all the time a number of prospective converts for individual instruction. During the past year we received ten non-Catholic students into the Church and brought perhaps as many others, as far as we know, if not even more, lapsed Catholics back to the Church. Then, too, there were several students, baptized Catholics, who had been neglected all their lives, whom we instructed and prepared for their first Holy Communion. Last spring, we had a class of some twenty-one confirmed by the Bishop of the Diocese. During the past year, we distributed some 25,000 Communions, according to a conservative estimate.

As to Newman Hall, the good discipline there has continued throughout this year and the University authorities have often expressed their entire satisfaction over this fact. We ourselves live in Newman Hall and pay for our own board at a place where a lady has agreed to cook meals for the four of us. Living thus in Newman Hall, we are always at hand, and at the service of the students nearly all the time. We have reasons to believe that our constant presence in Newman Hall has been an important factor for good discipline. Due respect and courtesy for the priesthood have never been wanting on the part of the students.

This present year has been a very busy one, and the number of students calling on us with their problems has been steadily increasing. It would be difficult to estimate the exact number of students who have called on throughout the year, including not a few non-Catholics.

In accord with the Bishops' program for the United States and in junction with the objectives of the Confraternity of Christian Doctrine, have this year made special efforts to introduce religious discussions at meetings of varoius Catholic groups. Thus the Catholic Graduate Lea has been rather regularly devoting part of each meeting to religious cussion; as also the Student Illini Council (No. 2782) of the Knights Columbus; and the Newman Club, with its sponsoring of frequent cultu religious and educational lectures and panel discussions; the two Cath Fraternities, Theta Kappa Phi, and Phi Kappa, which devoted an hour ne each week to religious discussion; and the Catholic sorority, Theta Alpha, similarly. One of us was always present at each of these discus meetings.

While we consider it important to give much of our personal attentio all of these groups, we have not been forgetful of the need also to kee contact with other small groups of Catholics and individual Catholic stud living about the campus in various fraternities, sororities, and other or ized or independent houses.

As to the future, we still look forward to organizing certain facili whereby a Catholic Reading Center would be established at The New Foundation, with tables, chairs, lamps, seats, books and newspapers magazines, all for the purpose of placing well-principled reading matter the hands of our Catholic students. Such a project is not easily solved, with careful planning we hope some day to see it realized. At present, we giving the students every opportunity to find short but solid reading in hundreds of carefully selected pamphlets which are always available in vestibule of the Chapel and which are changed and renewed each week.

I wish again this year to make an appeal herewith for good, solid bo reflecting the Catholic philosophy of life, and the Catholic way of liv We have received a considerable number of books as donations and hop renewing our appeal for donations of books to our Newman Library further donations will continue during this coming year. We have made use of the books we now have and can still use more books on Cath thought, philosophy, and religion or any phase of same, as also Catholi other decent fiction and reading material on a college and university l All books thus received are stamped with the Newman Library stamp properly numbered and recorded, and the name of the donor is inscribe each book, thus expressing our gratitude for the gift.

In planning for the future, we also look forward to getting some m needed articles for the altar and sacristy, such as new vestments to re a few old and shoddy ones, altar cards, a crucifix or two, a new large a Missal, a new processional cross, new altar covers, and the like. This wi done as funds allow or as kind friends may offer to donate money for purpose.

This then gives a fairly close picture of the work at The Newman Fou tion at the University of Illinois during the past year. Because the Kni of Columbus of the State of Illinois are the principal benefactors of Catholic cause at the University, I am very happy to have the privileg telling you what we have been doing as Chaplains, although it is not easy thing to talk about one's personal activities without seeming to b I therefore humbly present this report to you, the Knights of Columbu the State of Illinois, with the hope that you will all continue to take an terest in this important work at the University, and that you will not for the work which you have so nobly begun and so generously espoused thro all these years for the sake of saving our Catholic students.

Feehan Officers Are Inducted Into Office by D.D. John McKeown

2-4 Tues. . . . . .Hamlin and Madison

Installation of officers took place at last meeting. D.D. John McKeown officiated, assisted by P.G.K. John Bannen of Hughes Council. The D.D. and his assistant were given a rising vote of thanks for the neatness and dispatch with which they accomplished their task.

Bro. McKeown responded with a plea for full and aggressive support of your officers and asked one special consideration from Feehan members this year—viz—a large number of good candidates for Feehan. Bob Wingfield is the new chairman of the Membership Committee and is anxious to get off to a flying start. Let's give the kid a little cooperation.

NEXT MEETING

On Tuesday night, July 22, a Bowlers' meeting will be held at our regular meeting place at the Mid-West A. C. The purpose of the meeting will be to form teams and make the rules for next year's bowling league. President Len McSteen and Sec. Augie Tamburrino are anxious to hear any suggestions you may wish to make or present to the meeting.

When, a few issues back, we printed the names of the members who will represent the council in the U. S. O. activities, we included Bro. Walter Brouder. This was a slight error on our part. We should have made it Bro. Pete Cantalupo. But what is really surprising is the fact that we had the other names straight. So here they are again: Harold Crotty, Bill Collins, Tom Collins, D.G.K. Len McSteen and Pete.

And we forgot to welcome young Paul Anthony Kucharski into this old vale of tears. Boy—bring out that brass band and play a fanfare for the young gentleman mentioned above, while proud parents, Dr. and Mrs. K., respond with a deep bow.

DIVERSIONS

A visit to Resurrection Parish picnic looked like a meeting of Feehan Council, what with Bros. Ed Julius, Elmer Spiegel, Barney Miller, Bill McGrath running around with "Committee" tags on their shirts and Bros. Joe Gill, Jack Coakley, Art Murray et al. running around losing theirs (shirts).

NEXT WEDNESDAY, July 23, is the date of Feehan's second tourname the season. The place, Pickwick Clu rectly north on Harlem Ave. (She Rd.), the fee $1.00, and an addit slug for a slab of broiled beef; ref ments on the council and prizes Come as early as 10:00 a. m. or as as you like.

Things have slowed down to a wh in the match-play tourney. In one ond round match Tom Collins beat Barrett 1 up and Frank McQuillan the assistance of Jerry Condon, a pass, tape measure and sextant) Harold Crotty. In a quarter-final fest Joe Collins beat Len McSteen in 20 holes. In the consolation Frank Reynolds beat Tom Fitzgeral Jim Collins beat Joe Brophy.

BIRTHDAY CONGRATULATIONS Bros. Joe Gill, Roger Cannon, Dr. Donlon, Bill Fitzsimmons and Pat H han, who celebrate this week.

Bro. Frank J. Bent, a popular me of Feehan Council, will be confined home at 304 S. Karlov Ave., for the few weeks due to a slight illness.

CHALICE OFFERING MADE BY GOVERN

Vatican City.—On the Feast o Philip Neri the traditional rite o offering of a chalice on the part o Governor of Rome was observed. custom was suspended for several de when Italian life labored under the ence of anti-clerical tendencies, but i since been restored.

Prince Giangiacomo Borghese, G nor of Rome, was received at the hold of the New Church of the Or of St. Philip Neri by the Very Rev. Caresana, Superior of the Congre of the Oratory in Rome, and by Urban Barberini, rector of the Oratory.

After adoration of the Blessed S ment, the Governor went to the where the body of St. Philip is vene and presented a beautiful chalice, that in the offering of the Divine fice with it special prayers be sa the people of Rome, and for an e peace with justice for all.

Care should be taken, when m a slip-cover for a chair, that each tion of the cover is cut on the gra the material; otherwise the cover neither fit nor wear well.

earborn Begins Drive to Top in 5-Point Program

Thurs. . . . 820 W. Garfield Blvd.

icking up where we left off last k when we urged full cooperation our hard-working G.K. and his let us consider for a moment what o be done, not only by the officers ur council, but by the membership whole, before July 1, 1942, in the ram that is to command all the rest and strength of the Knights olumbus throughout the country?

he plan is known as the 5 Point ram of our Order, and is filled valuable suggestions pertaining ur civic, cultural, sports, social, and itual activities.

rst on the program is Catholic Ac- y. Every council must sponsor 4 r religious activities during the Retreats probably are the most lar. General Communions, Blood r work are also ways and means ulfilling this important point.

cond is Council Program work. council must conduct 5 major l, civic, cultural, sports, or other rities for the members or others, ng the year. This means that Chair- committees, and members alike co-operate in order to make these s a success. Card parties dances cals softball, bowling, are pro- d by and for the council under head.

e third point is Insurance. Each cil is to procure at least one in- nce member in every three mem- enrolled. Think of the protection fine point is granting to hundreds ives, children, mothers and other endents who sometimes cannot ex- how thankful they are when the ance check is handed them by the ncial Secretary.

urth on the program is Publicity. means the publishing, in Catholic mmunity press, of news articles ent to our council. Every mem- is a reporter. If he knows of some on Catholic Action, or something terest a Brother member has done, he thinks it would be of interest e membership, he should contact scribe and have him publish it. y member should give his council city.

th Point is Membership. A mighty tant one it is, too. This require- calls for a gain in membership of er cent based upon the member- of July 1, 1941. This point can- e stressed too much. Every mem- ecure at least one new member, d be our goal.

Program is huge and requires y of work to see it through suc- sully. Our G. K. has started it and it is up to the chairmen to keep ving, but how it will end depends each and every member in the il. In other words, its up to us to a success of it, and we can do . because Dearborn has the kind ights who get things done.

re off to a good start this year, by keeping these five points in and assisting the various chair- and committees, it's a cinch we'll on top.

DEARBORN ITEMS

ther John Logan, our athletic ager is in the Southtown Hospital th and Wood streets, and will wel- visitors while he is recovering an operation. We're hoping for successful and speedy recovery, John. reason we don't see or hear from rer Jim Ivers is because he is ing down in Joliet and only comes for the week ends. He reports, ver, that Mrs. Ivers is recovering from her recent illness nicely, and will be up and around again soon.

While Bro. Logan is in the hospital, the softball team will be under the management of Bro. Kelly, who, when he is not catching, is always arguing with the umpire about the decisions.

Dearborn lost to Quigley Thursday, July 8th, 13 to 3. Quigley got 14 hits and Deaborn knocked 9 safeties. The Dearborn boys played most of the game on their knees or from a sitting position as the boys had a hard time standing on their feet. One thing very noticeable was that there were more Dearborn rooters out to the game, which made a very good impression.

On Tuesday, July 22, Dearborn plays Leo Council at O'Toole Field, 51st and Union Ave., and on Thursday, July 24th we play Madonna Council at 57th and Shields Ave. We'll see you out there.

SPECIAL ANNOUNCEMENTS

G.K. Devereaux has appointed Bro. P. J. McCarthy as the Lecturer, and Rev. Father Maloney to succeed himself as chaplain for the coming year.

Condolences of the Council are extended to Bro. Fred Rascop, whose mother passed away in the past week. May she rest in peace.

A brother knight and blood donor of Sublimity, Ore., recently gave a blood transfusion to a Non-Catholic lady saving her life. She is well now, caring for her family, and all are taking instructions to become Catholics.

St. Augustine Invites Good Attendance Next Monday for Induction

1-3 Mon. . . . . 5209 S. Justine

On next Monday night, July 21, the newly elected officers will take over the reins and from that night forward they and they alone will be directly responsible for the success or shortcomings of our council during the ensuing year.

As most of you realize, the installation is a very impressive ceremony and very interesting to witness. As a member of the council it is your privilege to attend and we trust that many will take advantage of their privilege. Lecturer Henry Rieger promises more of his delicious sandwiches and of course "refreshments."

AN ORCHID TO YOU

It is the duty of the scribe to write a farewell column to and about the out-going Grand Knight, who this year is our own lovable Phillip J. Kushenbach. Because it is of Phil that I must write, that duty becomes a genuine pleasure. Too many of us only think of the Grand Knight as one who conducts the meetings and maybe the chair could be filled by that type of Grand Knight, but Phil was Grand Knight seven days of the week. He talked and he slept St. Augustine Council. Meeting nights were a rest for Phil. It was the rest of the week that kept him busy attending a meeting here or a dinner there.

He attended all committee meetings during his two terms of office. Now all this might not seem like a lot of work but just examine your own conscience. How much did you do for your council during the past two years? Each and every venture attempted by this council during Phil's term was a success. What more could we ask of our Grand Knight? What more could he do? And so we say, "Thanks, Phil," and thanks also to his wife and family for sharing their daddy with us.

And so we move on to another year and another Grand Knight. Let us resolve to support Grand Knight-elect George Copps with that same enthusiasm he himself always displays. Let us begin by attending the installation of officers next Monday, July 21.

NAZARETH MEMBERS OFF TO VACATION SPOTS

2-4 Tues. . . . . 17 W. Harris, La Grange

With the vacation season at hand the ranks of our council are quite sparse. So many of our boys are employed by the Western Electric Co., that when that organization closes for its annual vacation it's hard to find any of the boys around. We understand that our Fin. Sec., Frank Polivka, has gone away for his annual trip north. Others who are away are P.G.K. Himpler, and D.G.K. Leo Kriz. O. K., boys; have a good time. When you return and are back in the harness, ye scribe is going to sit back and give you the laugh. Later in the summer he will be on his vacation.

At our last meeting we witnessed the installation of our new officers, which ceremony was ably conducted by D.D. O'Neil. After taking the reins, G.K. Francis announced his appointments as follows: Chaplain, Rev. Fr. O'Shea of Downers Grove; chairman of Catholic Action committee, Emil Polivka; chairman lapsation committee, Jas. Henderson; Lecturer, Bob Lester; chairman golf committee, P.G.K. Simmons, co-chairman A. J. Lalonde; Fin. Sec., F. S. Polivka.

Well, that looks like a strong lineup and we should go places with it. Oh, yes, we missed one position in the lineup, the scribe. Who do you think got that? Two guesses. "Gwan wid ye now. Don't be afther giving me anny of yere blarney." Who did you think it would be? Well, boys and girls you will have to put up with it for another year.

It won't be long now before that long awaited event of the summer is here. We refer to the annual golf tournament. This has got to be an event of rare importance on the calendar of our council. What some of these boys lack in skill on the golf course they make up in effort. One does not have to be the Open champ in order to get in on one of the prizes. Golf Chairman Simmons and co-chairman Lalonde both insist that regardless whether you are champ or dub this affair is so arranged that you stand a good chance to carry something home with you besides your clubs at the end of the day. The event this year is to be held Aug. 10th at the Woodridge Golf Club located southeast of the town of Lisle.

Around the club house are plenty of shade trees for those who wish to sit and rest. In the basement of the building (which basement will be ours for the day) you will be privileged to sit and visit or play cards if you desire, and don't look now, but that is where the nineteenth hole will be. We understand that one of the features of the day will be a P.G.K. contest. That ought to be something. The price will be, golf alone, $1.00, which gives you all the golf you want. Dinner in the evening, $1.25 per plate. Not so bad, is it? An entire day of golf, plus a dinner for the small sum of $2.25. Get your reservations in now to Frank Polivka, Jos. Halm, P.G.K. Simmons or A. J. Lalonde.

You no doubt have noticed the advertisements in the New World and our own esteemed Columbian in regard to the Mt. Vernon Home, which is being promoted by the parisioners of La Grange. Here is a chance to put in some licks for Catholic Action. Buy one or more of these tickets. See P.G.K. Halm; he has them and is anxious to dispose of them.

In looking back over the barbecue campaign we find that the towns in our jurisdiction were led by Downers Gove in total sales. The boys in this town sold 28 books, followed by La Grange with 15. Mention must be made of Riverside. We have only a few men in this town, but they sold 9 books.

The La Grange newspapers recently printed a picture of Brothers Dick Cossitt, Bob Kinnare, Ed Farrell and Bill Galvin and with them in the picture was a very real and life-size goat. On the the goat was a sign which stated that this was Bob Kinnare's goat. We don't believe it. We haven't seen anybody get Bob's goat yet.

We regret to state that Jack Warner is still sick at the Illinois research hospital. P.G.K. Halm visited Brother White recently and reported him still a sick man but somewhat improved.

We'll be seeing you at the next meeting which is (let's take a look at the calendar) the second Tuesday in August. Don't miss it. That new Lecturer has a surprise in store for us. Another item of importance to be voted on at this meeting is the appropriation for the annual picnic.

Marquette Appointees to Be Named Soon by the G. K., John Hesse

1-3 Thurs. . . . . 1928 Devon Ave.

Due to press time for this paper, we cannot describe the meeting and installation ceremony of last Thursday night. Grand Knight Hesse will make his appointments of lecturer, financial secretary, scribe, organist, chaplain and the various committees, etc. You may expect this information in the next issue.

SOFTBALL

Softball Manager Chas. Cronin advises that last week our team won over Brownson Council, but in a tough and hard game with University Council and an even score of 8 apiece in the tenth inning, the game had to be called on account of darkness. So the boys of each of these councils will have to compete again in the near future. This week Marquette is playing St. Cyr Council's team.

Trustee Roy Egan attends all the night games at Comiskey Park. Phil Wetter and wife are enjoying their new car. Grand Knight Hesse spent a week in Washington recently on a business proposition. Pat O'Donnell and wife play golf every Sunday.

P. G. K. Geo. Loderbauer, with his family, spent the three-day holiday (over the Fourth) in Wisconsin. Thos. E. Carroll, manager of our bowling league, is arranging his schedule for September, so it is not too early to give him your application.

If you are one of the delinquent brothers, please call up Joseph Sacheck at Kedzie 0701 at once as you are in danger of suspension. Please do not let this happen to you.

DE LA SALLE CHARTS BUSY FALL PROGRAM

1-3 Tues. . . . . 1105 E. 47th St.

Ho hum, these lazy summer days even have your scribe on the let-it-go-until-tomorrow list, consequently we had no column last week. However, there was very little to report in view of the fact that we have only one meeting during the months of July and August. But watch out for this fall!

Before it slips my memory, I again want to remind you that those news items that you promised haven't been coming in as they were supposed to. A few of the brothers have been co-operative and I want you to know that your help hasn't gone unappreciated. Undoubtedly there are a number of us who know little things of interest, and only a five-cent phone call would suffice to notify us. The council number is Kenwood 9230, and Tuesday night is the best night to call.

Many of us are well acquainted with Bro. Frank Croarkin, who has been laid up lately. Well, I know that you will be pleased to hear that he has recently arrived at the point where he can get around with only one crutch. Mighty glad to hear the good news, Bro. Frank, and we hope that we will be seeing a lot of you from now on. Bro. Tom Daley is confined to the Billings Hospital, Room 525, and would like to see some of his friends from the council. We are sorry to hear of his illness, and wish him a quick recovery.

Bro. Sam Schenkalowski has been showing up lately at meetings, and with Sam's setting the good example we should follow it, and also try to make an appearance once in a while. Bro. John Wideman, who usually is pretty regular, but has been just a little bit lax lately, was at the last meting, and lo and behold, he was presented with an attendance award.

GOLF TOURNAMENT

The council golf tournament has been set for Sunday, Sept. 7, at the Westgate Country Club. It promises to be a fine day (from Dr. Whoozis Almanac) and with a good meal and an afternoon out in the sun, who could ask for more?

Attendance at the previous tournaments has been fine, and at this one, Bro. Ed O'Keefe, chairman for the day, would have it known that we can handle the crowd, no matter how large. Westgate, for those of you who are not familiar with it, is one of the best and most beautifully kept courses in the Chicago area. The meals to be served can't be beaten, and that is a guarantee. So let's see those early reservations, in order that we will be able to make the proper arrangements.

COUNCIL ITEMS

As a part of the council's fall program, the annual retreat at Mayslake will be held from Friday evening, Aug. 10, until Monday morning, Aug. 13. All participants will beable to reach Chicago in time for business Monday morning.

Last meeting we witnessed the installation of officers under our District Deputy, Bro. Ed Molyneaux. Now that the new officers have taken over their positions, it is up to those of us who elected them to support them at all times. Let them know that we are behind them by attending the meetings. Next year is going to be one of the biggest for a long time to come, but it is only through your regular attendance at the meetings that such a goal can be accomplished.

Financial Secretary Dick Zellar reports that collections have fallen off lately, and wishes to remind all those who desire another statement to kindly ask for it, and Bro. Dick will gladly send them one. Here is another phase of council activity that must not be forgotten; it is only through the prompt payment of our obligations that we are able to continue, and so it is with the members, we must have their dues regularly in order to keep our standing within the organization.

In the course of recent events, Father James Doyle was transferred from St. Columbanus parish on the south side to St. Margaret Mary parish on the north side. We sincerely hope that Father will continue his membership in De La Salle Council, even though he may be forced to remain somewhat inactive.

If you have any news about brother members who are ill or otherwise confined to their homes, kindly notify Bro. Joe O'Brien, our recently elected Deputy Grand Knight, whose 'phone number is Vincennes 0616.

Quigley Will Sponsor Basket Picnic Sunday Aug. 31 at Sunset Pk.

1-3 Tues. . . . . 1035 W. 31st St.

SUNDAY, AUG. 31! Mark a red circle around this date for our picnic on that day will be the highlight of Quigley's summer program. The picnic will be headed by Lecturer Kasper Knasiak, and committees to handle various details are now being formed. The site of the picnic is Sunset Park Grove, Archer Ave. and 135th St., Lemont, Ill. (Route 4A).

Gates will open at 12:00 noon. Tickets will be but twenty-five cents and are now obtainable. The picnic will feature music, dancing, entertainment, refreshments, prizes, athletic events, etc.

WIN! LOSE!

The past week was an interesting one for the ball club, winning their sixth straight from Fort Dearborn Council by a score of 13 to 3. Weirbolowicz hit safely three times and Radecki and Al Weir homered.

The next game was against Leo Council and Quigley dropped their first game. Leo was in rare form and took advantage of all Quigley miscues.

CARNIVAL

Immaculate Conception Church will stage a mammoth carnival and homecoming at 32nd St. and Lituanica Ave., one block west of Halsted, July 24 to August 3.

The carnival will feature eleven nights of outstanding attractions featuring nightly awards.

Bro. Frank Ciszewski and his family are having an enjoyable vacation at Paw Paw Lake, Mich.

Bro. Joseph Bachleda and his charming wife celebrated their fifth year of wedded bliss on July 11.

Americus Meets for Only July Session Next Tuesday Night

July 22 . . . . 3350 W. Jackson Blvd.

The first meeting presided over by our newly installed officers will be held Tuesday, July 22, at 3350 Jackson Blvd. This will be the only meeting this month, matters of great import will be discussed and our Lecturer P.G.K. Kelly will have some important announcements to make. Try and give your Council this one evening this month.

Through some oversight the names of three distinguished visitors at our last meeting were omitted, namely, Ed Waibel, Jack Donahoe and Jack O'Sullivan all members of University Council. The last named who was married the Saturday before was out without his bride, which prives something or other. We apologize for the oversight and thank the boys for their presence. Our thanks also to Bro. Joseph Cafferty of University for his contribution on that evening the brothers enjoyed it very much.

Word of Frank Sattler comes from his mother. Frank is confined to the Army hospital after an auto accident and is getting along as well as could be expected. He probably will be laid up for some time so brothers drop him a line—address Frank Sattler Company, 307 School Squadron, Scott Field, Ill.

VACATION NOTES

This is the vacation period, ho hum. So far we have learned of the following brothers who have taken a runout on the hustle and bustle of the city: Treasurer Bill Ryan, P.G.K. Jim Mooney, Inside Guard Archie Corso, the Night Sheriff, Phil Koop and his little Richard, together with their families are scattered around Twin Lakes—hope they get over to see Bro. Bud Beyers at the Bay View. Trustee John O'Brien gets away from the Undertaking Business once in a while to see the family at Lake Lawn in Delavan, and Supreme Director Michael Howlett has nothing else to do for a while but lay around up at Nippersink.

Card from Henry Ryan finds him and his good wife on the road to Californit. And you down in your nice cool sewer. Let us know about your vacation or any other dope you may have regarding our members. Address them to George Howlett, 3110 Polk St., Kedzie 9482, and the old snooper will gather them in.

Solemn High Mass was celebrated Monday, July 7th, in Lac Du Flambeau, Wis., marking the first anniversary of the passing of one of our most beloved brothers, Martin J. O'Brien. The Mass was attend by members of the family and Bros. Al Horan, Joe Gillespie, Art Murphy and John Hassett of our Council.

On Tuesday, July 8, our softball team defeated Chicago Council 17 to 10 at Garfield Park. The game was featured by the hitting of our boys, swell outfielding by Hogan and Concannon and a long home run by the Great Lover.

On Thursday, July 10, our gang ran into a great ball club from St. Patrick's Council the game ended with St. Pats on the long end of a 9 to 5 score. The boys in green put on a swell show while our boys just, no field, no hit. However, our team is still up close to the top and with a little encouragement should stay there, so get out and cheer the boys along. Tuesday evening they play St. Francis at Polk and May St. for the lead in our division. Thursday they meet Damen at Garfield Park. All games start at 7 p. m. Come out and watch the boys do or die for dear old Americus.

Carroll Officers Peldge Another Successful Year

Next Meeting Aug. 19 . . . 6 N. Hamlin

As a real appreciation of its fine staff of officers, Carroll Council re-elected them for another year, and therefore, they should and will receive the entire support of the membership. With full-council activity assured by each member in the coming year, another bright year is expected.

We have had some very grand times together, and we should make it unanimous this time, by fuller participation. Your officers put in a great many hours outside of the council chambers in an effort to bring you greater enjoyment, and they only ask as a slight appreciation, your kind indulgence. Many acts are being made possible by your officers while most of the members are tucked away in their beds. You might make the work seem more appreciated if you would give your officers the "glad hand" once in a while. They'd like it!

U.S.O.

Today a million and a half men are serving in the armed forces of the United States. Many of them have given up jobs to go into Uncle Sam's Army and Navy. A number of these fellows have worked with you. They are your pals of long standing.

Army and Navy life is not all drill and maneuvers. Men in the service have leisure time and hours away from the Army camp or Naval base just as you have away from the office or the plant. But what can they do with this time? What recreation is waiting for them when they go to the nearest town? How can they be assured of spending their "time-off" hours as pleasantly as the folks at home?

The United Service Organizations, Inc., will draft the efforts of six of the nation's leading social agencies, the National Catholic Community Service—under whose jurisdiction the Knights of Columbus assistance will be expended—the Y.M.C.A. Y.W.C.A., Jewish Welfare Board, Salvation Army, and the National Travelers Aid Association. The U.S.O. is doing the job that you want done for your "buddies" who are now away at camp. It offers a way in which you can show that you appreciate what these boys are doing for their country. It gives you a chance to back them up. Let's show them that the Knights of Columbus—all American—is solidly behind them; is anxious to back them in true American style.

HERE'S HOW—Briefly here is what the U.S.O. will do for the soldier and sailor during the time when he is off duty. The U.S.O. will help the service man to meet folks in civilian life, people who live in the communities nearest the miliary reservation. Men of all faiths—Catholic, Protestant and Jew—will find leaders of their beliefs ready to help them at U.S.O. headquarters. A real clubhouse will be ready and waiting for the soldier or sailor as sooh as he steps off the military reservation. The U.S.O. will give the military man away from home a chance to take part in dramatics and musical groups. He will be able to join discussion clubs or participate in special functions at the camp itself. Full information service will be his through the U.S.O. facilities.

The Government has asked the Knights of Columbus to assist in this job. To make this work of the U.S.O. possible, we must all, as real American Catholic citizens, stand solidly behind the program. Here in the Chicago area a total of $679,500 must be raised to meet the national quota, of which the Knights of Columbus have pledge large support.

No one needs to tell you the va and need of what these men are do for their country—for you. Show you really care by backing them u solid Knights of Columbus fash JOIN YOUR FELLOW MEMBERS A CONTRIBUTE TO THIS GREAT CA NOW! Please make all your donat at an early date so that we may h a real good showing in this g work.

AN SALVADOR BUSY ON JULY 27 PICNIC

Mon. . . . . 24 E. 114th Pl.

We have so many things to write out, but of course, the first and by far e most important, is our picnic. Yes- ee, boys and girls, it won't be long w. Just one week from Sunday, July to be exact, is the great day. And ll we have fun! No stones, nor bricks her, have been left unturned to pro- ie a maximum of fun and enjoyment. To list the entire program would take much space, so we'll just give you few of the highlights at random. Right the start will be a couple of excellent ftball games, the married and single n's games, and another between two rited rivals from our parish league, ny Susnis, St. Salomea, and Le Rose os. St. Anthony's team. Then, of rse, there will be games and races of rious kinds with plenty of good prizes, luding plenty of cash awards. Inci- ntally, if you have a donation, turn in card Monday night at the latest, for program goes to press Tuesday.

Then there will be free dancing with nty of good music by some of the best nds in the country. If you carry your n lunch, there will be plenty of tables ailable. However, in the event you do bring your lunch, don't worry, good Cliff Heffron, our chef de luxe, will ve scads and scads of that swell roast f, and as Cliff says, "I betcha we n't run short this year, I betcha." ere will also be plenty of refreshments all kinds. By the by, how about your kets? If you haven't disposed of yours get busy pronto and finish it up and ke your returns as soon as possible. As far as the weather is concerned, have definite assurances from the ather man that he won't send us a zzard. Nix on that cold and rain we ll last year. All that remains is for u to gather yourself, your family and nds and come to the picnic. And we n't mean maybe.

t is with distinct pleasure that we an- nce our good and loyal friend, Father ler, pastor of St. Willibrord's Church, chaplain for the coming year. We ow the selection of Father Exler will welcome news to all of you. Of rse, in succeeding Father Chiminello, new chaplain as he himself says, will ve a job filling Father Chiminello's es, for during the past few years we re particularly fortunate in having so lous a Knight of Columbus as our ritual adviser.

our gratitude to Fr. Chiminello cannot expressed in mere words, but in our rts we will always carry our esteem l affection for him.

ast Monday evening marked an im- tant date in the council, for on that ning, D. D. Wilfred Byrne installed new officers. He was ably assisted Bro. Maurice Smith as Warden. The et was well attended, including a dele- ion from our neighboring Pinta Coun- In the delegation were both Father ffman, assistant pastor at St. Mary's l Father John Kleinz, vacationing from teaching duties at the seminary in io. Also present from Pinta were s. Herman Horn, Thomas Kinney, Al umann and Bro. Carrarini.

SWAN SONG

t long last we regretfully relinquish duties as scribe to take over the new as lecturer. These past years have n conducive of forming many fine ndships and we deeply appreciate the ellent cooperation extended to us, par- ularly from my good friend, the edi- t. In turning over the duties of scribe, heartily commend to you our new umnist, Bro. Bill Kleuskins, who will ry out his duties very creditably we ow. And so my friends, adieu. Re- mber the picnic on Sunday, July 27, ring's Grove, Frankfort, Ill.

he installation of your officers was highlight of last Monday night's ncil meeting. The impressive ritual installation was very ably handled by own DD Phil Nilles, who in the sence of DD McNamara presided in place. The meeting was exceedingly ll attended and many of the brothers nt home "with the bacon."

PICNIC

he picnic committee is working hard d zealously to make this year's affair outstanding success. As has been ntioned before, this outing is planned a reunion and the committee is leaving stone unturned to bring together the d-timers and particularly those mem- rs who have made our past picnics h tremendous successes.

ro. Emmett Holland, who is in charge the movies, wants any member who furnish a camera to call him at wndale 6662 or drop him a line at 2639 Ridgeway Ave.

he following members are on the va- rious committees: Chairman, Ray Schaber; co-chairman, E. Wenckowski; finance, John Bonk and Frank Estis; publicity, Joe Sargent and Frank Karolczak; prizes, Joe Prevender, Adolph Sliva, Stanley Kasperski and Stanley Korbas; races, Art Haas and Frank Bilek; bar, Walter Machiewicz; bacon booth, Joe Milas and Joe Slivinski; parking, J. Suerth; game booths, Sam White and Geo. Gersch; horseshoes, W. Collins; contest game, Tony Bruha, and movies, Emmett Holland.

The picnic committee will meet next Monday night and every Monday night until the picnic. All committee members are urgently requested to be present. No doubt the weather will be warm, so Bro. Schaber will provide appropriate refreshments.

ANNOUNCEMENTS

St. Finbarr's parish, 14th St. and Harding Ave., is holding its annual outdoor carnival. Father McKenny, of baseball fame, is pastor and extends to all his brother members a sincere invitation to attend. It closes Sunday night, so make an effort to get over there and help support him in his work.

Bro. Adam Szott was presented by his wife with a baby boy only a few days ago. This addition to the family has sort of got Adam walking in circles. Mother and baby are doing splendidly.

Ketteler L.G.A. Club, in conjunction with the picnic committee, will meet next Monday night, July 21, at the usual place —Lawndale Hall. All fourth degree members are requested to attend.

Our softball team will again play at Garfield Park on Tuesday, July 22, against Chicago Council, and again on Thursday, July 24, at Douglas Park against St. Francis Council. These promise to be two swell games and all brothers are invited to attend.

Bro. John Dobes and Mrs. Dobes celebrated their silver wedding anniversary on July 6 with a big reception. To them we extend our congratulations and best wishes for many more years of wedded bliss.

Epiphany parish is sponsoring a class of retreatants at Mayslake on Friday evening, July 18. If any member of our council desires to attend, get in touch with Mr. Delaney at Epiphany rectory, 25th St. and Keeler Ave.

Our new deputy grand knight, Ralph Slaski, will enter into wedded bliss with Miss Esther Kasper on Saturday, July 19. They will be married at St. Nicholas of Tollentine Church at a nuptial mass at 10 o'clock. Bro. Ralph and the new Mrs. Slaski-to-be will honeymoon around the Great Lakes and into Canada. To the happy couple we wish good luck, much happiness and God's blessing upon their union.

Bro. Tom Bogan is taking bids for the music at our picnic. If you know of anyone who has an orchestra and would be interested, see Tom immediately.

CONDOLENCES

The hand of God has reached into our ranks again and taken from us one of our most prominent brothers. Bro. Dennis A. Horan was called to his eternal reward last week. Buried from St. Pius Church, where he spent practically all his life, doing good and charitable deeds and as a public servant fulfilling the calling for which he was so suitably fitted. To his bereaved family Bishop Ketteler Council, its officers and its members extend their deepest and heartfelt sympathies. Eternal rest grant unto him, O Lord!

Also we wish to extend to Dr. Lazarski, a long-time member of our council, our sincerest wishes upon the death of his beloved father, who passed away recently. He was buried from the Church of the Good Shepherd. May God grant him eternal peace and rest.

Your scribe is going away on a vacation, and in the meantime the council notes for this column will be handled very capably by Bro. Tom Bogan. Any news you may wish published should be sent to him for the next two weeks.

FR. O'CONNOR URGES SUPPORT OF U. S. O.

1st & 3rd Thursdays . 4660 N. Kedzie Av.

The organization of the United Service Organization of Fr. O'Connor Council will be completed very shortly. Every member of the council will be expected to do his part in making this campaign a success.

The soldiers and sailors of today are doing a heroic job, frequently at great personal sacrifice. While they are not asking for favors and are going about their training with a true military spirit, they are in need of wholesome, worthwhile recreation facilities when they are off duty. The U. S. O. will establish service clubs in communities near the military reservations. This will be our way of supporting those who are doing so much for our national welfare.

SOFTBALL

Our softball squad is still sporting a big zero in their win column. They blew an opportunity to hang up their initial victory of the season last Thursday evening. They journey to Stanton Park to meet the undefeated St. Cyr team. Our boys led until the sixth inning, when the Cyrites pushed across two runs after two were out to defeat our lads by a 5 to 4 count.

Undisputed honors go to Jack McGuire. Jack pitched perfect ball in addition to pounding out a double and a home run, knocking in four runs for the evening.

Some hopes are still held for a win before the season ends. Last Thursday the team met Brownson Council at California Park. However, we went to press before that game and will not be able to give you the results until next week. Next Tuesday, July 22, the team travels to Avondale and Natoma Avenues to meet the St. Paul Of The Cross team. On Thursday evening, July 24, they play host to Marquette Council at California Park.

Business Manager Tex Williams is anxiously awaiting the return of team manager Bill Sullivan. Tex informs us that he has just about closed a deal with Navin's Tigers which will bring the right-handed pitching ace of the Tigers to Father O'Connor Council's team. It is rumored that Bob Nelson, who has pitched the Navin nine to three victories in three starts, is not satisfied with his present set up and is anxious to be traded. Owner Navin is willing to part with his star for a big bundle of cash, which Tex Williams is willing to pay. All that is needed is the approval of Bill Sullivan.

KNIGHT LIFE

Walter Fulle informs us that Carl Knippel has been on the sick list for some time. Carl was in the Belmont Hospital, we are not sure if he has returned to his home as yet. We will check up on his location and let you know next week. In the meantime a very speedy recovery for Carl . . . Bill "Gumshoe" Messett leaves for his annual vacation at Sugar Island next week. We anticipate Bill's return with some huge fish stories and a few small fish. The latter, no doubt, will be purchased for a very nominal sum.

Disaster picked out a swell guy to go to work on last week. Father Blake of Richmond, Illinois, was out soliciting donations for his parish's annual carnival when he was struck head-on by a truck. Father is now confined to a hospital in Rockford, Illinois, with a broken leg and other serious injuries. He is out of danger and should be released in a very few weeks.

In Father Blake's absence his carnival was conducted under the guiding hand of one of our own members, Barrister Jim Clancy. Although Jim resides in Skokie, Illinois, he has a summer home in Twin Lakes, and has long been an ardent supporter of the Richmond parish. . . .

Also destined to leave very shortly for a month's vacation are the families of Bill Cunningham and Ed. Zaleski. The better halves and the offsprings will spend the entire month at the Lakes, while the two lads will only spend the week-ends out of Chicago. How can those gals trust those two guys?

Paul Mercer's brand new baby boy was christened last Sunday. The future Knight was tagged Paul Lawrence Mercer III. Jack McGuire was the Godfather.

Just in case you forgot, your statement of your account with Father O'Connor Council was dropped in your mail box last Monday. In other words, your dues are due. We know that you readily realize that the council has many obligations to meet. To meet these your treasurer must write checks. To write checks there must be money in the bank. And the only way to fatten the bank account is to pay your dues. Right now, while you're thinking of it, drop your check, money order or tax warrants in the mail.

A grayish, greenish or yellowish color in boiled rice may be caused by alkali in the water; if so, a pinch of cream of tartar, a little vinegar, or a slice of lemon added to the boiling water will remove it.

CALUMET'S OFFICERS READY FOR NEW YEAR

2-4 Mon. . . . 6646 Stony Island Ave.

With a great amount of dignity (I didn't see one egg thrown) Calumet's new officers took over at the last meeting. Our District Deputy, Judge John Prystalski, read the magic words, the boys gave a little parade around the hall and then sat down in the chairs they will keep dusted for a year.

Among the many new members on hand we were glad to see: Joe Cummings, Charlie Hazard, Al Van Lent, Frank Hughes, Joe Skibinski, Dick Draine, Elmer Miller, Tom Walters, Tommy Donohue, and Mike Curtin. That's the way, boys. Leave the shoes on and come up and enjoy these meetings.

SOFTBALL

The softball team played two games and broke even. We beat Santa Maria 13 to 12 in a wild and noisy game wherein Calumet had to come from behind before they finally got that one for dear old Rock. Mike Murphy was the winning pitcher. F.O.B. Pellegrine had a little trouble with one of Dyke's friends but everything came out fine.

The other game we lost to a good team. St. James was on the long end of a 7 to 5 score. This game was close all the way and anything could have happened. July 22 we play Genoa at Avalon Park and on July 24 we play Loyola Hyde Park at 79th and Calumet Ave. Come on out and watch the boys in blue.

BOWLING—This year we are going to bowl at 80th and South Park in the new air-conditioned alleys. All you men who need exercise and all you men who go out just looking for entertainment, send in a post card telling of your desire to bowl. Start bowling early so as you won't miss that Cleveland trip.

SCRAPS

Joe Kale the man who sold one of the winning tickets on the barbecue, has been appointed to the State Highway Police. Watch those feet, Joe. If Bill Holden complains about being tired when he bowls with us this year we will know why. It's from walking the floor with the new grandchild. Daughter and hubby are doing fine. (So is granddad). Did you know that a bill has already been passed and waits only for Green's signature to make Good Friday a legal holiday in this state?

The membership prizes were announced at the last meeting. About three-fourths of the credit should go to our Fin. Sec'y, Walter Popjoy, who walked away from everyone by bringing in ten new members. If every member could just bring in one-tenth of that we would go to town. Naturally, Popjoy's team won first place but he was closely followed by Jim Grant's team which also did a fine job. The other prize winners in order were Captains Birmingham, Bart Gallagher, J. Metzger, and Valentine O'Grady. Good work men, keep it up.

PICNIC

Don't forget Aug. 17. Did you ever see a legless man running in a foot race or an armless man playing ball? Well you won't see them at our picnic, at Jackson Park, but you will see "Puff Puff" Gallagher in a foot race and "Blind Man" Harrington watching the prizes. For the benefit of the thoughtless husbands who forget the cans and openers, Joe Sullivan's boat will be anchored up and the genial gentleman will have fish galore to sell. It's not Friday night so you will have to buy the fish.

Well come one come all boys and girls to the one, the original, the only picnic to be presented in Chicago on Aug. 17. Well anyway, the only picnic at the spot we picked in Jackson Park. Why don't you fellows give the little woman a chance to take off the apron and let down her hair. Bring her and the kids out and have a darn good time.

Ouilmette Anticipates Big Crowd at Annual Picnic Next Sunday

2-4 Mon. . . . . 1215 Wilmette Ave.

That annual picnic is scheduled for July 20, at the Northwestern Golf Club grove just west of the clubhouse. Bro. Peter Thalman, P.G.K., chairman of the Picnic Committee, announces that there will be fun and entertainment for everyone. This event has always been a favorite with the ladies and children and a larger attendance than usual is being anticipated.

A telephone call to P.G.K. Peter Thalman or G.K. George E. White will bring you transportation out and back in case you are wondering how you can get out there. If you are driving, see your last week's Columbian for directions. Signs will also be erected on nearby corners to direct you.

Brother "Bud" Steffens, chairman of the Golf Committee announces that a large day is planned for the golf enthusiasts at Briargate Country Club, Deerfield, next Wednesday, July 23. Bring your sons and enjoy a full day in the open, followed by dinner in the evening. Those who care to, may make reservations for the dinner only, but all are requested to notify Bro. "Bud" Steffens or G.K. George E. White so that adequate provisions may be made for everyone.

Brothers "Lefty" Steffens and Frank Dolan are now classified as convalescents and doing nicely. The next meeting is scheduled for August 11, and will be the only meeting during August. We will be seeing you all at the picnic Sunday, and the golf tournament Wednesday I hope.

Your new scribe, George H. White, 1918 Lake Ave., Wilmette, telephone Wilmette 5685, is looking forward to receiving a good deal of help from his brothers in order to make this column as interesting as possible, and will welcome any and all contributions.

La Grange Home Acclaimed for "Livability"

Hedrich-Blessing Studio

Among the approximately 2,500 people from all over the country who visited the Mount Vernon House of 1941 in La Grange Park, Ill., over the week-end were two distinguished clergymen from South Dakota, the Right Rev. A. Hoch, chancellor of the diocese of Sioux Falls, incidentally the youngest monsignor ever to be raised to the dignity of the office, and the Rev. Denis Donovan, a brother of Mrs. Albert A. Kuhle of La Grange, who were house guests of the Kuhles.

In the twelve days since the house was officially opened to the public with an impressive patriotic pageant, the number of visitors has reached approximately 10,000. On Sunday, as is the plan for each Sunday throughout the summer, the regular committee in charge of the house was assisted by pretty girls in colonial costume.

It is hard to say just which of the many attractive features of the house cause the most favorable comment. Perhaps the one statement most frequently heard is that it is so "livable" and not beyond the ability or desire of the average individual to operate.

The people of St. Francis Xavier parish in La Grange are proud of this project and invite inspection. The house is located at 345 N. Malden Ave., in La Grange Park, one block north of Ogden Ave., and is also easily accessible from highway No. 45.

Auburn Park Softball Squad Ties for First Place in S.W. Division

2-4 Thurs. . . . . 7740 S. Emerald Ave.

During the past ten days Auburn Park's representatives in the K. of C. Softball League were victors over St. Rita Council, but on Thursday evening, July 10th, they dropped their second game to McHale Council by the score of 9 to 5, this being the second defeat at the hands of McHale Council. This places our team in a tie with McHale with seven wins and two losses. There are only three more games to play before the final play-off gets under way.

The home games of Auburn Park are played at 77th and Yale Ave., which is known as the Street Car Men's Field. There are plenty of accommodations for the fans at the park and as the team is in the last lap of the tournament, more rooters should attend the games to cheer them on. Brothers Paul Byrne and Tom Cole, together with the entire ball club has given of their time and effort in the interest of Auburn Park, and the membership should give their support by being in attendance. Our aggregation is a very fine ball club, and is giving a good account of itself in this league. The younger members of our Council are out several nights a week in an effort to bring a championship to Auburn Park Council.

It is the plan of the League that the playoffs will be held again this year in Shewbridge Field under the lights, the dates of these games to be announced later. This is right in our community and we should have a large turnout at these final playoffs.

HELP! HELP! HELP!

Inasmuch as there is very little activity during the summer season with only one meeting a month, it is very difficult to keep this column interesting without assistance. Won't some one please send us some vacation notes or highlights of the community to give the necessary publicity in this column. Attention, Brother Wrockladge; let's hear from you. Address, J. W. Corcoran, 7223 S. Lafayette.

UNITED SERVICE ORGANIZATION

What part are you playing in the support of the United Service Organization, which has the cooperation of our Supreme and State Officers of the Knights of Columbus. This matter is being handled as a Community Service movement, and donations are being accepted through Corporations, as well as from individuals to arrive at the quota set up for this area.

Our own State Deputy Leo M. Flynn, has been active on this movement since its inception, and while full particulars are found in each issue of The Columbian we want to impress upon our members the importance of making their contribution to this most worthy cause. If you have not made a voluntary subscription up to this time, please do so at once, and help these boys in the service of their country to enjoy their recreation hours under pleasant conditions.

We have received the addresses of several of our Council members now in the Army, and by listing them herewith we are in hopes that you will drop these boys a card and show them they are not forgotten.

Brother Joseph T. Stachler is now a Corporal at Company D, 60th Training Battalion, Platoon No. 1, Camp Walters, Mineral Wells, Texas. Our more recent recruit is Private James F. Casey, Company C, 87th Infantry Training Battalion, Camp Roberts, California.

Will report on those of our boys who are in training in the Army or Navy as soon as their mailing addresses are received. We are sure through this method they will hear of the activities in Auburn Park Council through its membership.

IN MEMORIAM

It is with deep regret that we report the death of Brother Jeffery O'Donahue who was called to his Eternal Reward on Friday, July 11th.

A delegation of members assembled on Sunday evening at 77th and Union Ave. to attend the wake at his home, 77(Union Ave., to pay their respects to the departed Brother and offer up prayers for the repose of his soul. We extend our deepest sympathy to the bereaved members of his family and may His Soul Rest in Peace.

Brownson's Attendanc At Induction Meetin Establishes New Mar

2-4 Fri. . . . . 4754 N. Western Av

Before one of the largest turnouts members we have had at a meeting many months, our new officers were i stalled into office last Friday evening DD Arthur Donahue. Bro. Donahue, past grand knight of Marquette Counc was filling in for our own DD, Jo O'Reilley, who was unable to be preser and did a wonderful job. He was ab assisted by PDGK James V. Neary, w acted as his warden.

Grand Knight T. V. Casey before tur ing the gavel over to his success thanked the officers and members for t fine help and cooperation given him du ing his term of office. Grand Knigh elect William J. O'Neill, upon receivi the emblem of his office, promised a ve active regime and asked for the sam kind of cooperation by the members was given his predecessor.

He then announced that Father Ri has again kindly consented to act as c chaplain (what would we do witho him?) and that Bro. Walter Evra would be the lecturer for the comi year. If Walter will be as good a le turer as he is a pianist we are in f many enjoyable meetings.

It was also voted at this meeting dispense with the second council meeti during July and August. The next mee ing will not take place until Friday, Au 8, at which time GK O'Neill will nam the chairmen of the various committe

If you are asked to serve on one more of these committees don't say "ye unless you really mean it, because mo of the work of handling the affairs of t council is done by the committees, a if the members of these committees not wholeheartedly take an active inte est in their work the council's welfa suffers. With everything showing an u ward trend, let's make the coming ye one of the best in Brownson's history.

Who said married men can't get out meetings? PGK Charlie Lannon, ju back from his honeymoon, was at t last meeting, receiving the best wish and advice from the other benedicts. Br Gil Ott, now a sergeant-mayor in t medical corps of the 33rd Division, st tioned at Camp Forrest, Tenn., was town over last weekend and didn't fail come up to the meeting to see his brot ers. Gil looked as if army life su agrees with him.

It's a good thing that Bro. Joe Lin is the bowler that he is and doesn't ha to bowl in any summer league, becau then we see him at meetings more ofte as we did at our last. Bros. Andy Schm and Matt Kass, two other top ranki bowlers, were also present. Bro. An Martin wouldn't think of missing a mee ing even though he has to come on crutch. Bros. Roraff and Lannon join the long list of K. of C. blood donors du ing the past week by giving transfusio to a sister-in-law of Bro. Sam Ciesins

With meetings during the summer no a month apart it will be harder to fi news to write about, so if you are goi on a vacation or have been on one, dr us a line so that we can keep this colun filled and your brother knights posted your activities.

from the Supreme Council. Lecturer Peter J. Wehle served the gang with ham on rye and the wet stuff that goes with it.

Well, Dr. and Mrs. Gregory Strobel are on the ship of matrimony and he will find out who is going to be Skipper before he returns. It was a very beautiful ceremony. I never saw so many cameras in all my life as were at that wedding, movie cameries, box cameras and even the Groom's own Leica was in his hand and he was the last man out of the sacristy and almost late for his own wedding. The Best Man was Private Arthur Strobel, stationed at Scott Field near Bellevue, Ill., who obtained leave to be at the wedding.

BLABBER MOUTH REPORTS: Pete Wehle teaching the women how to make coffee in a pot and the women buying pots so they can get that sweet aroma and taste. Mrs. C. J. Strobel's Banana Cream Pies and Southern Style Baked Ham sure taste good. The new member, William E. Loftus, feels kinda blue for being missed last week in the column. This should make you feel better. I understand that William Burke is Chairman of the Young People's Club. When is your first meeting, Bill?

Deputy Grand Knight T. J. Groark reports that John P. Greene, the Barbecue Champion Ticket Seller, is back in South Shore Hospital for a visit with his nurses and to let the Doctors cut another hunk out of him and hemstitch him up some more. Bro. Henry Woodmaster is back at the meetings again but still looks a little peaked, so take care of yourself, Hank. Lecturer Peter J. Wehle will kiss each and every one of the members if they will do him a big favor by attending the meeting of July 28 for he has a surprise package for all.

Oak Park Pledges Its Full Support to Grand Knight Jos. Cagney

2-4 Mon. . . . . 641 S. Scoville Ave.

The last meeting was the occasion of the first official meeting of our new Grand Knight, Joseph P. Cagney. He has a whole council back of him and we all wish him success.

Past Grand Knight John F. Gearen, Jr., was honored for his splendid record of the last two years, a period of definite constructive council activities, during which time the council put itself on a much more substantial foundation, a foundation that will stand a strong building. To Past Grand Knight Gearen, the scribe extends his thanks for much help. More men of his type would make this world a much better place to live in.

Oak Park Council will hold its next Golf Tournament at Maywood on August 10. More will follow in later issues, but we want you to keep that date open.

The picnic is just around the corner, too. You will be surprised how soon that Labor Day creeps up on us. The following Sunday comes the picnic. Hold that day open, and tell your friends.

Last meeting also was honored with the presence of the four Beauregards. The father and three fine sons, all members of the council. A post card received during the week from Dad Beauregard at Lookout Mountain, Tenn., told how they were traveling through the mountains on the annual vacation trip. But they made the meeting.

Two weeks ago, Brother Bob Carraher and Mrs. Carraher celebrated their 25th wedding anniversary. No one would ever think that this couple was old enough to have 25 years of married life. Perhaps it's the happy disposition that keeps their youth. Our hearty congratulations!

Brother Doane informs us that his son has been made a Sergeant. Good work, and congratulations. We would like to get the news on all of the sons of members who are in service.

Our Chaplain, Rev. Father Borchardt, was recently transferred from St. Bernadine's parish in Forest Park to St. Genevieve's. We wish Father Borchardt success in his new field, and from our experience with him we know that all of that parish will welcome him not alone as an assistant priest but as a real friend, just as has those parishioners of St. Bernardine's, and his brother members of Oak Park Council.

Hector J. Gaumond of the council was in the limelight on the occasion of the baptism of his grandson on July 6th. On this day, four generations of the Gaumond family were present for the baptism, Brother Gaumond, his father, his son and of course, his grandson.

We take this occasion to thank our ghost writer who prepared last week's column, a real work of art.

Religious Instruction Bill Passed in Massachusetts

Boston.—The bill providing time off for religious instruction for pupils in public schools throughout the Commonwealth, advanced to a third reading in the House last week, has been passed on a House roll call vote, 123 to 62. Immediate concurrence of the Senate, which had previously passed the bill, in the House amendment limiting released time to one hour a week, completed final approval of the measure by the Massachusetts Legislature.

ILLINOIS GOLF TOURNEY SET FOR AUGUST 21ST

1-3 Mon. . . . . 64 E. Lake St.

Now it can be told. Your council will play its annual golf tournament on Thursday, August 21, at Woodridge Golf and Country Club. We played there some three or four years ago. At that time it was acclaimed by all as a beautiful course. The services rendered otherwise were excellent. The manager, Mr. Billig, assures us that it is even better now.

The price is so attractive that we feel like a man must feel when intombed in a mine for many days and finally rescued, "It isn't true; it isn't possible I am saved!" The price is $2 for golf, an excellent chicken dinner and all clubhouse facilities. When we say $2 we mean just $2. There is no cushion allowed for prizes.

All of our Past Grand Knights are being asked to serve on a reception committee. We are also asking Phil Sharkey, Sr., to serve as general supervisor—dean emeritus, as it were. Harry W. Dean, now on his vacation, will be chairman of the prize committee, and so there is nothing to do but arrange to be with us on that occasion. You may have noticed, if you were out there four years ago, that there is much lounging opportunity with seats under shaded trees around the clubhouse. Ed Rousseau will be the handicapper.

ITEMS IN PASSING—The council is well represented in the City Hall. We have men in key positions who have given marvelous service to the public.

Such a man is Brother John F. Gegan, Chief Fire Alarm operator, C. F. D., an expert on all matters pertaining to maintenance, construction, yes, we might even say the extinguishment of fires. He has initiated many improvements in cooperation with the Fire Commissioner.

JOSEPH J. ELLICOTT, for many years with the Water Department, in which he is at the present time Deputy Commissioner, is a very high type of man, of course. There is one serious fault we have to find with him, however; he doesn't attend meetings and therefore the membership is prevented from his acquaintanceship, which would be valuable both ways. Five of his sisters are members of the Mercy Order.

JAMES J. MALONEY, a boy who still lives in St. Charles parish, still persists in his bachelorhood, and in giving to the City of Chicago, in the Comptroller's office, a very high grade of service.

JOHN E. BRADLEY, of course, should have a place here. John resigned his position as head man in the department of Gas and Electricity, where his thorough knowledge of the business made life so pleasant for the commissioner of that department. John has been offered other positions which, we understand, he has under consideration, as a matter of keeping active.

JOSEPH A. O'LEARY—With that name we have before us the picture of a bachelor who is somewhat monkish in appearance, giving evidence of that religious exterior which urges men to live a life of service to God and country, which Joe is doing as secretary to Joseph L. Gill, Clerk of the Municipal Court of Chicago. Needless to say, Brother O'Leary gives entire satisfaction, not alone to Mr. Gill but to the hundreds of Deputy Municipal Court Clerks employed in the office and in the different courts.

We now pause to make a brief confession. We had almost forgotten two of our most active men—P.G.K. Edmund M. Butler, for many years chief assistant to the Commissioner of Public Service. Laterally assigned to other duties, which, of course, he continued to perform in a most acceptable manner.

Ed is well known in the City Hall—has a great many friends in and out of that building and is very much at ease in discussing the business of the city with which he has most to do.

Esdras M. Rousseau sounds somewhat like a fighting French name, doesn't it? Well, Brother Rousseau is a fighter in his own mild and assuming manner. He is a lawyer by profession but has chosen to remain in the department of Public Service for many years. We understand there is no man better informed and does his work with less pyrotechnics than does Esdras. As constant as Niagara but oh, so much less noisy.

We are depending on our memory for the foregoing. Certainly, we hope we have not forgotten any of our members who work in that busy building known as the City Hall, which, in spite of all the criticisms showered upon public servants from time to time does much better work than the average one of us knows anything about.

English Cathedral, Designed by Pugin, Observes Centenary

London.—St. Chad's Cathedral, Birmingham, the first Catholic Cathedral opened in this country after the Reformation, has celebrated the centenary of its consecration. A hundred years ago all the Catholic Bishops in England attended the ceremony — nine years before the re-establishment of the Hierarchy in this country.

The first stone of St. George's Cathedral, Southwork—burned in a recent raid—was laid a few weeks before Birmingham Cathedral was opened. St. Barnabas' Cathedral, Nottingham, was opened in the following years. These three Cathedrals were all designed by Augustus Welby Pugin, who was then at the height of his fame.

ENGLISH MINISTER BECOMES CONVERT

London.—The nationally known clergyman-playwright, the Rev. Mr. Bernard Walke, has been received into the Church. For 24 years he was Anglican vicar of the famous Church of St. Hilary, Marazion, Cornwall, from which religious plays have often been broadcast.

Mr. Walke, who was ordained for the Anglican ministry 41 years ago, wrote a Nativity play, "The Stranger," which was twice put on the air by Radio Eireann. The station announced the author as "the Reverend," upon which Mr. Walke wrote: "I am no longer 'Reverend,' as I have lately been received itno the Catholic Church."

The news of Mr. Walke's conversion has become public with the appearance of Radio Eireann's annual report.

It has since been learned here that Mr. Walke's wife was received into the Church four years ago and that his own reception took place last December.

Englewood Host to State Deputy at Installation

2-4 Mon. . . . . 150 W. 69th Street

Banked by a galaxy of visiting dignitaries the likes of which is seldom seen at any local gathering of the Knights of Columbus, State Deputy Leo Flynn reviewed the glamourous history of Chicago's oldest Southside Council and its illustrious Past Grand Knights and was extremely laudatory of the qualifications of its newly installed Grand Knight. The State Deputy expressed his confidence in Grand Knight Dick Phillips and told his listeners that under the able guidance of their newly elected leader and with their undivided support he expected Englewood to "go forward" and not only maintain its enviable position among the outstanding councils in Illinois, but to set a new record in performance and in increased membership.

The magnetic personality and dynamic words of the State Deputy so electrified his audience that they became supercharged with his contagious enthusiasm and zeal for our Order and he left the members of Englewood Council radiating with unconquerable determination to "go forward" in unity under their new Grand Knight.

Englewood Council and all the newly installed officers deeply appreciate having been honored by the visit of the State Deputy and are in hopes that it may be possible for him to so honor us again during the ensuing year.

MANY GUESTS PRESENT

Among those present to witness the efficient and dignified District Deputy Wilfred Byrne and his highly capable Warden install G. K. Phillips and his staff were D. D. Pat Noonan State Chairman of Blood Donors, our District Chairman of U. S. O., Frank McGlynn; D. G. K. Ridge; P. G. K., Ray Duffy; P. G. K. O'Connor of Philip Neri, G. K. Kelly, G. K. O'Neill, P. G. K.'s Joe Weber and Wm. Mugg of McHale; G. K. John McQuire, D. G. K. Bentley Baker of Loyola-Hyde Park; G. K. Ray Hallstein, Treasurer Michael Feyer, Ridge; and D. G. K. James Kittick, Fort Dearborn.

Special mention should be given to the new Grand Knight Alex Irving of Columbus Council who traveled from the far Northwest side to shake the hand of his good friend Dick Phillips and wish him success; also P. G. K. Earl Dunn of Dowling Council.

"The TRIUMVIRATE" P. G. K.'s Schaeffer, Mulholland, and Hasty headed the list of distinguished members of the Commonwealth Edison group on hand for the gala occasion that made another of their number of fellow employees one of Englewood's Grand Knights.

P. G. K. Wm. J. Cleary with a delegation from St. Columbanas Parish was on hand to applaud induction into office of D. G. K. Delaplane who like Bro. Cleary is a Past President of St. Columbanas' Holy Name Society.

NOTABLE RECORD

When the "NOBLEST ROMAN OF THEM ALL," Adolph Minster, was installed as Treasurer for the twenty-fourth consecutive year, the rafters rang with the well merited applause which was given the "GRAND OLD MAN," who had just returned after a long spell of illness.

P. G. K. Budinger and several of the Fifty-Niners were on hand to do honors to the occasion as was also P. G. K. O'Connor.

Our worthy Chaplain Reverend F. G. Geheb, S. J. who has so graciously condescended to act as Chaplain during the ensuing year replied to the remarks of the worthy State Deputy and assured him that the confidence placed in the newly installed Grand Knight and his officers would not be misplaced and that he could depend upon Englewood "going forward" under Grand Knight Phillips.

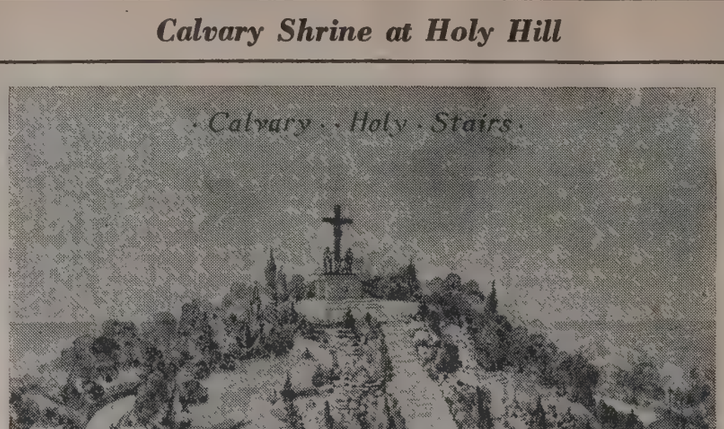
The last official act of the retiring Grand Knight John P. Loughnane, was to appoint a committee to draft a fitting and appropriate resolution in the matter of the death of P. G. K. Peter B. Birong, the chairman of which committee is William Lynch, dean of the P. G. K.'s of the council.

Grand Knight Phillips made the following appointments: Chaplain, Reverend F. G. Geheb, S. J. Financial Secretary, Charles H. Huguelet, Sr.; Lecturer, John J. Lyons; Scribe, Charles Huguelet, Jr.; Athletic Director, Joseph J. Hannapel; Chairman Membership, Andrew Stoecker. Other appointments will be made in the near future.

PAULIST CHOIR FOUNDER MARKS JUBILEE HERE

Rev. William J. Finn, C.S.P., founder and conductor of the famous Paulist Choristers, marked the 34th anniversary of his ordination on June 8. He organized the Paulist singers two years before that, June 1, 1904. Father Finn is internationally known as a composer and conductor and has appeared at various music festivals.

Calvary Shrine at Holy Hill



Still unknown to a great majority of Chicagoans is the Holy Hill Shrine at the Sacred Heart Seminary in Suburban Melrose Park.

Unique in its beauty, artistic value, religious inspiration and symbolism, the Calvary Shrine is already a beloved landmark for visitors from many states.

The bronze, life-size statues of the Crucifixion group on a monumental granite altar, the "Holy Stairs," a replica of those Our Lord bedewed with His previous Blood during His passion, the Stations of the Cross, the lagoon, the water falls have an unfailing appeal for every type of pilgrim.

The Holy Father, Pope Pius XII has enriched the "Holy Stairs" with a Plenary Indulgence to be gained four times a year, on the third Sunday of June, July, August and September, and a partial Indulgence of nine years for each step, to be gained at any time.

Next Sunday, July 20, the following program will mark with solemnity the second time the Plenary Indulgence can be gained: At 4:00 p. m. the devotion of the Way of the Cross will take place ending with the blessing with a relic of the true Cross. At 8:30 p. m. there will be a solemn procession with the Blessed Sacrament around the lagoon with the grounds beautifully illuminated. Benediction with the Blessed Sacrament will be imparted from the Calvary Hill.

Columbus Installation Set for Meeting Tues.

Meets July 22nd . . . 6932 N. Clark St.

If, "in the spring a young man's fancy softly turns to thoughts of"—say vacations, in the summer, the average scribe's attention turns enviously to the news of his traveling brethren. Not so in Columbus Council, however, where this poor "ghost" learns enviously of Scribe John Hayes' sojourn away from Chicago's heat and such other citified summer evils as we less fortunate folk are heir to. We can give Frank a clear pass on his A.W.O.L. columns lately because we know he's turned in some several hundred swell weekly items and he deserves a vacation. He gets no pass for rubbing it in though.

Only news at hand now is the installation of our new officers next Tuesday evening, July 22. This meeting is the only session this month and there won't be another until Aug. 26. That leaves an awfully big hole in the Financial Secretary's book and you'd be doing a good deed for the day if you got over Tuesday night and put your account up to date. Besides that, your presence is the very best way to show our new officers that you're behind them 100 per cent.

LETTERS FROM HOME ARE INVALUABLE TO TRAINEES, PRIEST CHAPLAIN STATES

Fort Custer, Mich.—"The soldier can always buy a magazine, but he cannot buy a letter from home," the Rev. Harold O. Prudell, Catholic Chaplain of the Fifth Division, declared here.

"It is the letter received from home and from those with whom he associated back home that keeps up his courage and reminds him of his duties as a Christian gentleman," Father Prudell said. "In the Army the soldier's old friends are not present, and the practice of his religious duties may not be easy because of his military duties and the lack of facilities at times. But a regular letter from those he knew back home will help him to keep up the practice of his Faith as best as possible under the circumstances."

University's Pinch Hit Artist Blames Tootsies for Softball Absence

2-4 Tues. . . . . 1320 Loyola Ave.

We have some startling announcements to make to the members of University Council. Modest as I am, I am temporarily back on the job as Scribe of the University Council.

Mr. Francis (I am away on my vacation) Rooney is not in the city. Our Worthy Grand Knight, Timothy J. Murtaugh, is still nursing influenza and just left for Moline, Illinois, where his wife's folks have a cow and chicken farm. Before he left, the worthy Grand Knight upset his office, his children, and in my opinion, at the time of his departure, his wife, through care and anxiety, looked to be in worse health than our stalwart Grand Knight. Mrs. Scribe, as you may know, is spending the summer at Paddock's Lake. There are no extra bedrooms, and Mrs. Scribe has been instructed by her Doctor not to entertain anyone, and that includes the Jeffers.

Your Scribe has been slandered by whoever has been acting as Scribe two weeks ago when the statement was made that I have resigned as a softball player. That is not true. My feet have been hurting me and if within the next two weeks they get back in shape and if the season is not over by that time, I will resume my active playing duties.

The rest of this column was dictated by our Worthy Grand Knight before he left to recuperate on the farm and I am not responsible for it in any manner whatsoever.

BOWLERS' MEETING

On Tuesday, July 8, 1941, there was a meeting of the bowlers of the University Council at the club rooms. At that time the very important work of deciding where University Council would bowl during the next year was under The place chosen by the Committe the Howard Bowl, the new alleys a Howard Street. The Howard Bo still under construction, but when pleted will have thirty of the finest in the city. University Council ha served alleys number one to ten fo Bowling League, and it is expected the league will be off to its best early in September.

All members of University Counc be advised as to the details of the ing League in a letter early in A and it is suggested that reservatio made as soon as possible for a po on the teams in the league. You have to be a good bowler to bowl University Council's activities.

On Thursday, July 10, University cil and Marquette Council almost a ball game. Many difficulties pre themselves. First, there was a last ute change of the softball diamond ond, the umpire didn't show up; the manager with the new ball there. In spite of the difficulties game got off to a late start and b of the lateness of the start, it was essary to call the game at the end fifth inning with the score tied 14-

We are sorry indeed to learn of the death of the late Robt. Walsh, charter member of the Council, who passed on to his eternal reward, Saturday, July 5. This staff joins the officers and members in condoling Bro. John Walsh, his son, and the entire Walsh kin. May God have mercy on his soul.

SOFTBALL

Well, finally we have arrived. Winning 2 games in one week is quite a feat, but our boys have accomplished it. Taking the measure of Damen, 18-7, put our boys in shape for the subsequent game against Americus, whom we conquered by the painful score of 9-5. There was no last inning blow-up as in our first meeting, when the latter came from behind to whip up 5-4. This time St. Pat's went out with a purpose in mind and to that end they performed most admirably. Mgr. John Failla had his boys all keyed up and barring any further mishaps promises the other teams a few pleasant surprises.

When we go into our next two games against Kettler at Douglas Park on Tuesday, July 22, and Thursday, July 24, against St. Francis at Sheridan Park, watch the spirit that prevails in this present squad. It seems the boys have finally snapped out of it. If you can spare the time it will be a pleasure indeed to have more of the clientele attend these games and spend an enjoyable evening. At the last few games the only ones present were the O'Connells, the McFarlands, the Schmidts the John McAuliffes, the Latelles, Miss Karg, James Ragona Owens, and perhaps one or two others. Friends, let's have a large crowd at our next games.

Gar. Moreno, Chi. Hts. Officers Installed in Joint Ceremony Tues.

2-4 Tues. . 155th St. and Lexington Ave.

At our last meeting the joint installation of Chicago Heights officers and our officers took place. The installing officers were D. D. Edward Martens and Henry Hilgendorf. Their assistants were Joseph Reardon, Wm. Wullette of Blue Island Council; Edward Dehnert, Carlo Firetto, John Ryan and Charles Melkent of Pinta Council, Blue Island Council and Chicago Heights Council were represented by large delegations. The installing officers and aids were given a rising vote of thanks for their splendid and impressive ritual work of the Order.

Athletic Chairman Charles Wisell had no report on the softball team, but gave a very interesting report on the Coopers bowling alleys which are now going under many new changes. He urged the bowlers to inspect the new setup. (A bowlers meeting is planned for next month.) Francis De Mayo, delegate to Chicago Heights, gave a very interesting report and, as he is also the picnic chairman, made the following appointments:

Publicity, Alfred St. Aubin; corn game, Joseph Dehnert; dancing, Marty McGee and Robert Bruce; tickets, Romeo Begnoche; house of mystery, Henry Hilgendorf and John Obernesser; picnic treasurer, Al. St. Aubin; beverage, Andy Curzydel. Other appointments will follow.

Marty McGee, barbecue chairman, and his aids were given a rising vote of thanks for their splendid work in the recent barbecue. Brother McGee thanked all for their kindness and cooperation in supporting the drive. Under good of the Order we were indeed honored with many visitors being called upon, and all responded. The speakers were: G. K. George Pallo of Chicago Heights Council; Chaplain Rev. Fr. Renklewski. D. G. K. Anthony Stepenski, G. K. Edward Hansen, P. G. K. Dan Boyd of Blue Island Council; District Deputies Edward Martens and Henry Hilgendorf and Joseph Dionne, P. G. K. of Chicago Heights Council. The climax to good of the Order was by D. D. Edward Martens in presenting to our retiring Grand Knight James Mann a certificate by the members for membership in the Fourth Degree. P. G. K. Romeo Begnoche also presented him with a scrap book from the scribe covering his two years of leadership. James Mann in accepting the gifts, said that to each one "who has assisted me in advancing my labors for Garcia Moreno Council, there is a remembrance and appreciation deep down in my heart that will never change. I am aware that the best service one can give to his council is loyal cooperation, and attendance at all meetings. I hold the warmest affection and the most enduring sentiment of gratitude for those who have worked with me to achieve that objective and thanks a million for the gifts."

D. D. Henry Hilgendorf, on behalf of the members of Chicago Heights Council, presented to retiring Grand Knight Joseph Dionne, a beautiful wrist watch. In accepting the gift, he thanked all his Brother Knights and officers and added, "my active good will and lasting devotion will always be available to my Brother Knights and my council that has so richly endowed my life with the highest honor it could bestow. My sincere thanks to all.

Appointments by G. K. John Mech: Chaplain, Rev. Fr. Renklewski; Fin. Secy., Louis Beaupre; Athletic Chairman, Charles Wisell; Lecturer, Henry Stein; Organist, Chas. Wisell; Lapsation, Grand Knight John Mech, Louis Beaupre, Romeo Begnoche, Wm. E. Powers, Sr., and John Doheny; Scribe, Leo J. White.

To Frank Mcoomb and wife, our congratulations on the recent celebration of your 32nd wedding anniversary. May many more follow. To George Walenga, father of the Walenga brothers, of our council, our sincere sympathy is extended on the recent loss of his beloved brother, who died in Michigan.

Cards received from Al. St. Aubin and Anton Sterker, who with their wives and youngsters, are enjoying their vacation at Paw Paw Lake, Michigan. A card from Alfred Biggerstaff and wife, who are touring Canada on their vacation. Bro. James Young found a key case with K. of C. emblem attached. His phone number is 997W.

Blue Island Golfers Will Have Chance to Show Stuff Sunday

1-3 Tues. . . . Gregory and New Sts.

As this will reach you in time to give you a timely warning that the golf tournament is to be held at Glen Eagles this Sunday, no doubt many of you will gather that foursome and be present at 12:30 to tee off. Prizes, refreshments and golf all for $1.75.

The news this week seems to center around vacations and golf. The mail man did deliver one card announcing the birth of a baby girl to Mrs. Joe Labedz on June 7. It also stated that Joe is the proud Daddy of two other children and we say congrats to both Mrs. and Mr. . . . Our new D. G. K. has gone to the woods and no one seems to be able to locate the exact spot. "Pat" said when he left that no one was going to be able to get him and I guess he meant it. Read in last week's society column that Treasurer Lentz and Mrs. Lentz were surprised by a large group of friends to celebrate their 25th anniversary. Congratulations to the happy couple. . . . Has anyone seen James Ryan lately. . . . Or Jiggs Krizik, Joe Gabay, both Sr. and Jr. . . . That group of lads usually put in much hard work on behalf of the council and when they are not present at the meetings they are missed. How is the ball team making out, Brother Strand.

Received a nice letter from Brother Jim Coffey of Camp Forrest and he sends his regards to all. The Prayer Book sent to James by the council was very much appreciated. The USO Committee of the council is co-operating with the USO drive in Blue Island. Brother Dan Boyd is the chairman of the Fraternal and Civic Committee for the local unit. . . . Advocate Judge Seyfarth and family are vacationing in Wisconsin. . . . The Grand Knight, Bro. Eddie Hansen, John Reuss, Lowell Frasor, J. Boyd, and D. Boyd witnessed the joint installation of Garcia Moreno and Chicago Heights Councils last week at Harvey.

Here is a fair warning to all the women and children of town, be sure and stay on the sidewalk for at least two or three weeks. Brother John Reuss is driving a new car. Yes, sir, he went and got it. . . . Brother Lou Quellette sold a nice number of tickets for the golf day. Nice work, Lou, but you always could be depended on to turn in a fine job. . . . According to the last reports, Brother Hein Rack was resting nicely and receiving visitors. Bob Harmon, Sr., is still looking for the card players. Chan. Albert Klein was confined to bed for three days last week. . . . Al is up and around now none the worse for the rest. . . . Last meeting was the first full meeting for the new officers and a very commendable job they turned in. . . . The guards wouldn't even let the air in without the right word.

Fin. Secy. Paul Paetsch announces that Brother Bernie McCanna, Jr., replaces Brother Joe Farrell as the first year in advance man for 1942. . . . Bro. McCanna intends to take a very long trip next year and wants to make sure that his dues are paid. More of our lads should be sure and pay their current dues so that the AA1 list would not be so long.

St. Rita's Picnic News Ranks With Late Blitz Data

1-3 Thursday . . . . 6048 S. Fairfield Ave.

There was plenty of material for conversation in the local bistros this week, what with the luftwaffe still blitzin' away at that great "democrat," Joe Stalin; Joe DiMaggio hanging clothesline base hits all over Sox park and the 35th Army Division boo-hooing over its recent yoo-hooing, but the main topic was still St. Rita Council's twenty-second annual picnic, to be held Sunday, Aug. 3, at Sudent's Grove.

From the Stockyards to Evergreen Park and from Argo to the lake the consensus held the picnic to be right on top as one of the big events of August along with the all-star football game Aug. 28 and my father's birthday. Of course, we don't expect no 100,000 attendance or a Tommy Harmon, nor will we hear J. J., Sr., play his birthday mouthorgan solo, but nevertheless the picnic agenda needs no fireball publicity agent.

(1)—Free transportation to the grove, free admission and free parking. (2)—Spacious, rolling lawns beneath leafy trees—an ideal setting for the family lunch. (3)—A bar, soft-drink stand and refreshment booth with plenty of elbow room and congenial bartenders and clerks. (4)—Games of "skill," where you can really go to town. (5)—Softball, races, pony rides, horseshoes. (5)—Dancing and entertainment — with plenty of comely girls promised.

You can't go wrong. Get your party together right now and plan on getting to the grove early and leaving late. In case you have forgotten, the grove is at 6600 W. 111th St. For the benefit of those who do not intend to ride in private cars, buses will leave 63rd and Ashland at 11 a. m., noon, 1 p. m. and 2 p. m., making stops to pick up passengers at Western, California, Pulaski and Cicero.

Jack Devlin is in charge of the sponsor list for the picnic. Why not see Jack and add your name to same?

The committee chairman met with General Chairman Jack Bracken at the clubhouse last Tuesday night and from all reports the picnic plans are going forward without a hitch. Jimmy Boyce, chairman of the prize committee, reported he had already received several promises of donations. Don't forget Jim if you are able to donate a prize. Please do so.

THINGUMBOBS

The first golf tournament of the summer will be held at Westgate Sunday, July 27. This is one of the finest courses in the Chicago area and, as you know, boasts as its pro none other than Tom Walsh, president of the PGA, who was our guest a few weeks ago. Why not make up a foursome and come out to Westgate and see if Tom's instructions helped your game? Valuable prizes will be awarded on a handicap basis.

In the mail—a card from Ed Kundrat at Dowagiac, Mich., telling of the fine time he is having and making us extremely envious . . . also a card from Dr. Jim Foley, who is at Atlantic City "enjoying the sea breezes, etc., at a reunion of the old soldiers." From Pvt. Paul Orsinger, stationed at Camp Callan, Calfi., a note saying he is now a rifle instructor and still quite a hand at golf—he knocked off a couple of generals the other day with a neat 74.

Sister Mary Helen Francis, daughter of PGK Frank Small, took her final vows in the Order of Notre Dame at Milwaukee yesterday. . . . The 2034 Club will hold a meeting Monday, July 28. . . . Ed Kundrat has been elected secretary of the 2034 boys. . . . Art Manfredi reported two hours late for his draft physical exam and thus made the examiner so angry he almost landed in the army right then and there.

OFF THE SCOREBOARD

Our softball team defeated Englewood Council last week, 16 to 13. Starring for St. Rita were "Buck" Powers, catcher; Frank Scalise, pitcher, and Zigmund Bistras, first base. Old Man McGowan lasted two innings, then had to retire. A group of lads from 79th St. would like to play the council team at the picnic for marbles, corks or chalk if the St. Rita softballers feel up to it.

Corcoran Twirls No Hit No Run Game for Leo Victory

By JOHN E. MINER

The battle for the sectional lead in the Central Division of the K. C. Softball League took a very surprising turn when the undefeated Quigley team met the Leo XIII squad at Mark White Square last week. Manager Ed Peterson of Leo's team piled up a total of 22 hits, led by Rus Boyle, Ed Filipeah, Joe O'Brien and Ed Rice with three bingles each. Our hats off to pitcher Corcoran who held the Quigley team to no hits and no runs. He is the second K. of C. pitcher to accomplish this feat during the current season. The final count showed Leo to have scored three touchdowns and two points after with a large circle for their luckless opponents.

The only undefeated team in the K. of C. league continued on to their eighth straight triumph when St. Cyr overcame an early lead to defeat Fr. O'Connor by a 5 to 4 count. After trailing by a 4 to 1 score, St. Cyr tallied twice each in the sixth and seventh innings to emerge triumphant. M. Liberti and F. Piazza were the big guns in the St. Cyr attack.

The South Shore Division headline game featured St. Philip Neri and St. James as contestants. One name alone accounted for St. James' 8 to 3 victory. Besides twirling in sensational style the veteran Charlie Merigold added to his many laurels by hitting 3 home runs.

St. Francis from the West Division settled down to serious playing and defeated Chicago 7 to 3. Nick Masse and L. Marcantonio drove in 2 runs apiece to provide the winning margin.

Manager Frank Linskey faced with a makeshift lineup in their encounter with Carroll was forced to take to the mound and pitch his boys to a 9 to 6 victory. Left-fielder Brown paced the attach with three hits. The lead in the Southwest Division was thrown into a deadlock when McHale defeated Auburn Park 9 to 5. A six-run rally in the fifth inning put the game on ice for the victors. Three hits by J. O'Connor of McHale figured prominently in his team scoring.

LEADING HITTERS

Who is the leading hitter in the K. of C. league this season? Who is the name of the leading pitcher or most outstanding fielder? From the information received from the score cards of games played the writer is at a loss to furnish this information. If the various managers will kindly fill in their score cards properly or drop a line to the publicity director telling of their star players, an interesting column can be written.

SOCIAL PARTY

On Friday, August 1, a social party will be held at Leo Clubhouse, 820 W. Garfield Blvd. All delegates, managers, players and friends of the league are urged to attend. Admission is 75c per person, fee includes refreshments. An interesting evening is promised.

An important notice to managers is that the Ouilmette and Dowling teams have withdrawn from play for the remainder of the season. Teams scheduled to play these teams should turn in a perfect card for the game.

Arch. Weber Requests 100% Attendance Next Monday for Induction

1-3 Monday . . . . . 4758 S. Pulaski Road

Our meeting next Monday night, July 21, should be 100 per cent attended. It happens only once a year that you may witness the beautiful ceremony of our installation. Chairmen of the various committees will also be appointed on that evening. Your attendance will attest your support of the incoming officers. DD Phil Nilles will conduct the session after which plenty of refreshments will be available. Watch your next week's issue for the list of appointed officers and chairmen.

COUNCIL BRIEFS

President Frank Wegzyn of the bowling league has just returned from his vacation. He has "changed color quite a bit." Our grand knight is spending his vacation between Chicago, Wisconsin and Michigan, three days for each state. He claims the meetings and his change in office makes it this way.

BIRTHDAYS & ANNIV.—July 14, Pete Zegdel; July 15, Anton Bobrowski and Paul Sladek; July 20, Dr. Roman Dalka. Anniversaries: Last Monday, July 14, Mr. and Mrs. Ray Patula celebrated their first anniversary. Congratulations to you all.

GOLF TOURNAMENT—The date is set, the course is picked, and a fairly good attendance is all that is needed to make the tourney a success. This is the third annual tournament sponsored by "Weber Fours." It will be held Sunday, Sept. 21, at Southmoor golf course, 131st and Southwest Highway. Golf, refreshments, dinner and prizes will be yours for the small penalty of $2.50. All non-golfers, including wives and friends, may, for the price of $1, partake of the refreshments, dinner and prizes for various card games.

Barry Emerges Victor in Softball Encounter with LaFayette Squad

1-3 Tues. . . . . 2856 Washington

Tuesday, July 8, Barry's Softball team took the powerful Lafayette team 15 to 10, and Thursday, July 10, Barry beat Carroll Council in a rather one-sided game. The team as a whole is very good, wide awake, and should finish in the money. They could use a few more players, as vacations, sickness and work prevents some of the regulars from showing up occasionally and often they have trouble finding players to substitute and thus have a full team. We will be looking for you Tuesdays and Thursdays at Columbus Park, Harrison and Austin, at the north diamond. We welcome both players and fans.

DID YOU KNOW?

The following is an excerpt from NOVENA NOTES and should be of real interest to any of our members who know anything about that great American after whom our Council was named: "Both houses of Congress have passed Barry Bill S. J. 31 and the President has signed it, authorizing the United States to present to Eire on behalf of the people of this country, a statue of COMMODORE JOHN BARRY in commemoration of the Bi-centenary in 1945 of the birth of the 'father of the American Navy'."

This information was left for your editor by Brother Jim Mariga and he left this note: "Noted your report on the marriage of my sister, and the added comment on membership possibilities, etc. Maybe you've got something there." He referred to the dig given him in a previous issue about getting new members from the various prospective sons-in-law for his many daughters. (Hi, Eddie Cantor.)

BARRY DEFENSE NEWS

At the present time, Barry Unit is beginning a drive for recruits to build our organization up to full strength, and it is our sincere desire to be able to do so at the earliest opportunity so that we may possibly consolidate with some branch of National Defense as has been planned by our President in his Civilian National Defense plan which has been turned over to Mayor La Guardia for development. Due to the fact that our unit is strictly on the military side it has been suggested that we could be used as an "Air Defense" unit.

None of this can be done unless we have the whole-hearted cooperation of the members of this council, as we are not interested in turning to any other fields for our material. Won't you give us a hand in helping build up our numerical strength? Any information regarding this can be obtained from Lt. J. W. Robinson, who may be seen in the Gymnasium any Friday evening from seven o'clock on, or by phoning Berkshire 2904 any other week-day evening.

It is our sad duty to announce the passing of Mrs. Mary Durkin June 19 last at the home of her daughter, Mrs. Stephen Flemming. She was the beloved mother of Teresa, Tom and Edward Durkin and Mrs. Stephen Flemming. Services were held at St. William's Church, and interment at Mt. Carmel Cemetery.

GETTING ALONG

Man learns that it doesn't pay to be a sensitive soul, and that he should let some things go over his head like water off a duck's back.

He also learns that he who loses his temper usually loses.

He learns that all men have burned toast for breakfast now and then and that he shouldn't take the other fellow's grouch too seriously.

He learns that carrying a chip on his shoulder is the easiest way to get into a fight.

McHale Softballers Win Two in a Row to Tie for Section Lead

1-3 Tues. . . . . 150 W. 69th St.

Gee, what will I write about this week? We haven't had a meeting recently and we dre not scheduled to have one until Aug. 5, and even that won't be a regular meeting, so, gosh, what am I supposed to do to entertain you fellows?

You know back in the good old days things were always happening in the summer to write about. For instance, when we had a tent over on the beach between 76th and 77th Sts. news was always in the making; just ask Tom Hackett, Frank Blake, Dave Hennessy or Barney Perona.

JUST NOTES

D.G.K. Tom Garvin and family are spending the summer at Long Beach. . . . G.K. John Kelly visited Loyola-Hyde Park Council last week to witness their installation. . . . A good friend of McHale, Bro. Dick Phillips, was installed as Grand Knight of Englewood Council last Monday. P.G.K. Barney Perona is away on another of his trips. . . . Bro. George Neussear is planning to leave soon on his vacation. . . . That reminds me, Dick Desmond and family are away on their vacation. . . . Boy! here is news: Bro. Bill Shean and wife have just returned from their honeymoon trip to Mackinac Island. They are going to reside at 6800 Normal Blvd. . . . Bro. Bill Usher, one of our newest members, has been inducted into the Army. . . . Say, did any of you McHale guys play in the K. of C. State Golf Tournament? . . . Bro. Al Costello is going some place in Minnesota next week for his vacation.

OBITUARY

With sadness, we report the death of the wife of our Warden, Bro. John Lodgsdon.

Last Friday evening some forty or fifty of our members went to the home of the deceased to pay their respects.

SOFTBALL

Our fast stepping softball team hung up two more victories this week, defeating Englewood Council Tuesday evening, 10 to 7, and on Thursday evening the leaders of our division, Auburn Park Council, 9 to 5, thereby putting us in a tie with them for first place. Our team has now won its last six games and has a standing of 7 won and 2 lost.

Our "Bambino," D. Usher, hit a home run in each game this week, which gives him a total of seven for the season. The boys are playing a great defensive game and are getting wonderful pitching from Leo Wemple. Now that they have won six in a row they are determined to keep up the good work so that they will earn the right to play in the championship finals, which are scheduled to be played some time in August.

The number of "rooters" at our games keep increasing right along. Among those who have been attending are Tom and Mrs. Hackett, Jerry and Mrs. Sheehan and their daughter, Pete and Mrs. Holm, Chas. Cotuno, Earl Edgeworth, Bill Morrin, J. Kelly, Mr. Ryan and a number of others.

One of the players, Jim Duffy, injured his thumb in one of the first games, so now is the official scorekeeper, and is doing a swell job too.

Gentle Charity Is Needed in Social Service Program

Washington. — "Bring the gentleness and charity of woman to social work and to all people" was the counsel the Most Rev. Amleto Giovanni Cicognani, Apostolic Delegate to the United Staates, gave to 28 graduates of the National Catholic School of Social Service.

NCWC reports that Archbishop Cicognani said: "As you assume public responsibility in the field of social service, remember always to remain a woman," leavening social work and society as a whole with the natural kindness and charity of womanhood.

The graduates were urged by Monsignor John A. Ryan, director of the NCWC Social Action department, to apply Catholic social philosophy not only in their dealings with clients, but in their associations with social workers and those "who sit in darkness."

"We know that our religious and moral principles are the only true principles of religion and morality," he declared, "but we do not claim that we know more than our non-Catholic fellow-citizens about economics, politics, or sociology. We admit that, unfortunately, some Catholics do habitually act as though they con ered themselves aliens in the civic, litical, and social life of their com nities. Too many Catholics are still d inated by the 'psychology of perse tion,' that is, they are so conscious the disabilities, discriminations, and d culties under which Catholicse have fered in many parts of the United St that they easily and lazily conclude their non-Catholic fellow citizens do want their co-operation."

Monsignor Michael J. Ready, gen secretary of the NCWC, told the gra ates: "You are five times as strong the little company of Frederic Ozar When the members of that group dec to quit studying, they then went out did something. And what they did on today. You, being five times as str also are to put down your books— forever—and you shall go out and something, too, for the glory of God the advancement and welfare of Church."

Incidentally, all you vacationers, if send a card to J. F. Henricks, Broadway, Chicago, Ill., you'll notice in The Columbian. Adios xt week.

are also well acquainted with the swell manner he handled the duties of Inside Guard. Being aware of his ability, character, experience and talent we know he will do a good job in the Lecturer's office whose duties are to devise means to entertain the Council at meetings and to perform such other duties as the Council may direct. Cherio to our dynamic Lecturer, Ray Ruzkowski.

CONDOLENCE

Words cannot express the sympathy which the Council extends to Brother Clarence Nelson in the loss of his dear wife, Mary Nelson. Mrs. Nelson made the supreme sacrifice in giving birth to one of her children. The Council paid its respects Thursday, July 10. Mrs. Nelson was buried from St. Paschal's church Friday morning. Three of our members acted as pallbearers, P.G.K. G. Warnesson, P.G.K. John Smith and Geo. Schordje. May she rest in peace and leave a thought with her bereaved husband that she will always be interceding for him and the children left behind before our Creator.

TONTI TIPS

Chancellor A. Zelazny has arranged for a Mass to be offered for the repose of the soul of Brother Menkicki at Holy Trinity Church, 1018 Noble St., on Sunday, Aug. 24, at 9 a. m. Make a note of this date, details in later issues.

Brother John Wade and his family are vacationing at Fox Lake. The scribe would appreciate words from other vacationers so that the membership can be informed of wherabouts of our members during these hot days. It only costs a penny or three cents, if you send a letter, and besides Uncle Sam needs the revenue, so be a good American and write, I know the members will appreciate it. Even if you don't write, bon voyage.

In the last issue mention was made of a letter received from Brother Julius Krol. His address is "Pvt. Julius P. Krol, Co. C, 88th Inf. Tng. Bn. Bldg. 5308, Camp Roberts Calif." A letter will be greatly appreciated.

From the introduction given the new scribe in the last issue I am beginning to realize I have a great task before me but if you have any news drop me a line, Leo A. Postelanczyk, 1131 N. Damen Ave., or call Arm. 2397 and it will be in the Columbian. Comments, criticisms or suggestions are always welcome.

Loyola-H. P. Officers Begin Year's March of Progress at Last Meet

2-4 Thurs. . . . . 7435 Cottage Gr.

Last meeting was our Installation of Officers and due to an important engagement our own D. D. Judge Jos. B. Hermes was unable to conduct the ceremony for the first time in many years. However, his place was ably filled by D. D. Pat Woods of St. Phillip Neri Council.

D. D. Woods used not one warden to assist him but three in the persons of Grand Knight O'Neill, D. G. K. O'Connor and Warden O'Donnell of St. Phillip Neri Council. Also visiting us was G. K. Jno. Kelly, the new Grand Knight of McHale Council and Brother Tom Brennen of Madonna Council. While there were several of our Past Grand Knights present we were particularly pleased to see P. G. K. Jno. Donahough. Ill health of late years makes it difficult for John to be present at our meetings but there was a time when he was very active in all phases of K. C. work. He gave a very brilliant talk as would be expected by all who knew him. We were also pleased to see Jim Lyons and we hope he can plan to visit us more often.

Grand Knight Jno. McGuire announced the appointment of Arthur Jacobs as Financial Secretary, Chas. Bell as Lecturer and Geo. Birmingham as Scribe. The appointment of various committee chairmen was held in abeyance for announcement a little later.

Our next regular meeting is August 14th. Many things of interest are being planned for that and subsequent meetings.

DEATHS

During the week we were grieved to learn of the passing of one of our old time members in Edward Manion, who has been sick for the past several weeks at St. Luke's Hospital. His passing occurred on Monday and he was waked at the funeral parlors at 77th and Halsted streets, in Chicago. A delegation from the council visited the chapel. The burial was on Thursday from St. Thomas the Apostle Church.

Also we learned of the sudden passing of a brother of our Brother Knight Max Steinhouser, who was waked at the Steinhouser home and was buried from St. George church, interment at St. Mary's Cemetery. A delegation from the council visited the wake.

"We pray God that in His wisdom of calling these two to His home that their souls may rest in peace."

SALUTE TO SWELL SCRIBE

A many gun salute to our retiring Scribe, Jack Flavin, who has done a remarkable job for a period of three years. It is regretted that his work takes him away from the city so much of late, for his columns have always been cleverly written, and well edited, and, above all, newsy. Our new Scribe, Geo. Birmingham, is at present away on business at New Haven, Conn., but will be back in August. He has been Scribe before, having served during the year just previous to Jack. In the interim while George is returning home, at the request of the Grand Knight your Deputy Grand Knight will carry on the column, so if you have news, please get in touch with him at ABE 3095 home, or VIR 2313, office. News in summer time is scarce, so help us out, which will help to make this column newsy at all times and full of information.

There is to be an officers' meeting next Wednesday, July 23rd, at 7400 Kenwood Ave., and a meeting of the Fourth Degree club on Thursday, July 24, at the regular clubrooms. Both sessions are important and the concerned parties are asked to make a special effort to attend.

Fr. Setters Induction Begins 35th Year of Successful Activities

2-4 Thurs. . . . . 120 N. Kildare

Roy P. Bedore was officially inducted into office as the Grand Knight of Father Setters Council on Thursday evening, July 10, by State Deputy Leo M. Flynn who, with the assistance of State Secretary Raymond P. Gleason, presided at the installation ceremonies which launched the organization on its thirty-fifth year of activity.

Installed with Grand Knight Bedore were the following officers: Deputy Grand Knight William J. Coughlin, Chancellor James Cullen, Warden William Blondin, Recorder William N. Hoffman, Treasurer Harry G. Sidley, Advocate Joseph W. Grady, Trustee Henry Iding, Financial Secretary Thomas A. Lavin, Inside Guard Thomas J. Judge, Outside Guards Edward M. Fitzgerald and Joseph Doyle.

At the conclusion of the formal portion of the ceremonies, State Deputy Flynn briefly addressed the assembled members of Father Setters Council and their guests, paying enthusiastic tribute to Grand Knight Bedore and to the entire slate of officers who are to manage the affairs of the organization for the coming year. State Secretary Gleason then added his congratulations, pointing out that, with the superb caliber of leadership now possessed by the Council and with the same splendid co-operation that the members have always manifested, Father Setters Council enters its thirty-fifth year with every indication that it will be the greatest in its history.

Among the distinguished guests of the evening who added their felicitations and best wishes were James B. Carney, Secretary of the Chicago Chapter, Past Grand Knight Al Thompson of Saint Patrick Council, and Past Grand Knight William King of Father O'Connor Council.

In his speech of acceptance, Grand Knight Bedore paid high tribute to his predecessor, retiring Grand Knight Maurice J. Kissane, who has just bought to a close an unusually successful administration. In so doing he takes his place in that mythical hall of fame of Father Setters Council, wherein are found such peerless leaders as Past Grand Knights Edward J. Lavin, Joseph M. Kilgallon and Al L. Fik. The new Grand Knight pointed to the glorious record of each of these distinguished captains and pledged his own best efforts and those of all the new officers toward emulating the splendid accomplishments of the Council while under their respective administrators.

FINAL BARBECUE DATA

Co-chairmen William N. Hoffman and Edward M. Fitzgerald of the Barbecue Committees were pleased to announce to the members assembled at the last meeting that Father Setters Council ranked approximately thirteenth among the units participating in the Barbecue for the benefit of Bishop Sheil's Underprivileged Youth Fund. As you know, the Council is also about thirteenth in size or number of members, so it is evident that we finished just about where we should have, in comparison with the other participating councils.

At the completion of their report Co-chairmen Hoffman and Fitzgerald presided at the awarding of three valuable merchandise prizes among those who participated in the work of the Barbecue. The three gifts were won by Past Grand Knight Edward J. Lavin, Owen P. McGovern and Brother L. Michalesky.

Following this distribution of prizes, the Council meeting adjourned and the members were served with barbecued beef, with all the trimmings, and refreshments. That genial gentleman and hearty host, J. Edmund Dwyer, acted in his customary capacity as master of ceremonies.

Leo's Softball Squad Beats Quigley With Final Score of 20-0

The Leo team collected twenty-two hits, Boyle slashing out two home runs. Games of this kind should bring out more members.

We are very grateful to our new brother, Vincent Lenard, for the very fine pictures that he took of the officers at our last meeting. Such interest and co-operation from one of our new members is very commendable.

Brother Stanley Maslowski was in the clubhouse last week. Stanley is just recovering from an operation and is looking well again. We were pleased to receive a visit from Bro. Chris O'Shea and hope to see him quite often in the future.

Bro. Jim McCumiskey has been getting around to see us quite often. Jim is the boy who is always on the job when needed. Remember how he could get ads for the programs. Hope he will have an opportunity to show his stuff soon. Bro. Ed Casey, one of our old stalwarts, is recovering from a serious illness and would appreciate a visit from some of the members. Ed lives at 740 W. Garfield Blvd.

The council was again saddened with the death of Bro. John F. Phelan. While Bro. Phelan was not one of our most active members, he never lost interest in council affairs. To the members of the bereaved family the council extends deep and sincere sympathy.

To Bro. Joseph O'Malla the council also extends sincere sympathy in the loss of his wife. Joe, who lived in Bronxville, N. Y., has remained a member of our council. His brother and father are also members.

Bro. John J. O'Neill gave a blood transfusion last week. Rev. B. J. Tarskey, with the rank of Lt. Colonel in the Army, is now stationed in Chicago. Welcome home! Rev. Thos. McMahon also a member of Leo, has been transferred from Manchester, Mich., to a pastorate in Detroit, Mich. Congratulations and best wishes in your new field.

If in need of fuel oil don't forget to call on Bro. Jim McKeown at the Aetna Fuel Oil Co., 1810 So. Laflin St. Ed. will see that you are treated right. Leo Fourths held their regular meeting in the clubhouse Monday. Bro. Jack Fanning dropped into the clubhouse Sunday. Very happy to see you around, Jack.

Waddya know, Sunday is the Schlitzkreig, or is it Pabst that Marty Morrison ordered? With the dawn's early light cometh a notation from Mart anent the ultra swank trophies which he's accumulating.

Follows now a partial list of the donors who are helping Madonna-ites keep down that bulgy waistline. P. G. K. Geo. Noonan (sounds strange doesn't it?), G. K. Raleigh Kean, Trustee Jim Ryan, Nugent and Cannon, Interior. Decorators, Alderman Jim McDermott, Harbormaster Billy Lynch, Happy McCarthy's Choir Loft, Bond's Clothiers, Bob Sullivan's Sport Shop, Golden's Buffet, Kean Bros. Gas Station, Judge Harold P. O'Connell, John Kane, P. G. K. Jim Doody, Bud O'Leary's Sit and Sip Shoppe, and D. G. K. Marty Morrison. The Patri Cola Bottling Co. will furnish the soft drinks, gratis.

WE SUPPOSE

You dummies would like a few directions now, although we've been telling you for a month where the boys are goin' snake huntin'. (Be careful men, you know where this guy steered us not so long ago.—Ed.).

Well, ya take the Southwest Highway see, an' prety soon ya come to McCarthy Road, see, ya turn right an' everybody but the driver goes to sleep. Ya keep goin' west, see, an' watch the horses. After a while, ya see a sign which says, "Glen Eagles," back up a hundred yards an' turn left, you're there, see?

Excuse us boys, we gotta leave, we're gettin' kinda see-sick.

THEY HAVE DID IT

Again. Uh, uh, Madonna's sveldt softball team chalked up an 8 to 4 victory over Weber's very efficient machine. The lads are really surprising us with their playing, maybe it's the uniforms. At any rate, Jim Casey and Jack Barry should get some congrats on the handling of the team. Remember what we said before? Watch these new lads. Smith and McLaughlin belted homers and Smith added a triple to his tally. Clark, Ramus and Goldrick, hitting doubles added to the outfit's win.

Do you want to give a look?

WE CAN'T

Keep our bazoo shut about this, but the last official act of Marty the Morrison as lecturer, was to set a date for the summer dance. And you'll never guess where it's to be—not much. That cozy, little spot close in (XXX—crossed fingers, Bud) to the city, so close that if you had a railroad you could reach out and touch it. You said it! Glen Eagles Country Club, Saturday, Aug. 16th!

CONGRATS

To Dr. and Mrs. Leo Devitt on the arrival of Robert Leo Devitt. You know, Pop has been tall and pretty much toward the lean side. Lately though he's filled out—in the chest.

And to Financial Secy. (Boy Wizard) Pollick who recently won a Masters Degree in mathematics. John can accurately predict anything—within 18 months. What a man.

RETURNING SCRIBE'S ODE TO EDITOR

No odes we've written for so long
We've forgotten how they go.
But we'll take a crack at anything
——Including Du Chateau.

As editor you are a peach,
And a sportsman on the links,
But for gosh sakes, keep on editing
Your poetry—it stinks.

(Maybe so, son, but what tempo, what verve, what jeu d'esprit—to say naught of the allegory.—Ed.).

St. Joseph's Picnic Next Sunday Assures Pleasant Time for All

1-3 Thurs. . . 57th and Archer—Summit

We owe an apology to the council and to D. D. Ed Martens for being absent from last week's meeting. It was an oversight and purely unintentional, and as a matter of fact, spoiled a pretty good record of attendance besides giving Bro. Jack a genuine chance to mark one up on me.

I understand that the attendance was very poor, a fact which is up to our members themselves.

Next Sunday, July 20, is the date set for the annual picnic which, as previously announced will be at Sag Grove, Archer Ave., in the Sag adjoining St. James' Church. Admission is free to all members and their families and especially the children. The time is any time after you have been to church and you can leave at any time. The committee has been hard at work making arrangements for your enjoyment and you are assured a good, happy time.

In conjunction with the national effort for defense, a drive for collection of old or unused aluminum will be conducted in and around our community in the next two weeks under the leadership of Bro. Leo Kennecky, mayor of Summit. The local boy scouts will again prove their usefulness by helping in the collection. Won't you cooperate by looking up any unused aluminum and when the scouts or any other authorized collector calls to see you, do what you can to make our community's effort a worthwhile contribution to National Defense.

Ravenswood Extends Retiring G. K. Vote of Thanks for Fine Work

1-3 Wed. . . . . 1521 Wilson Ave.

Since this copy is being prepared during the early part of the week, there undoubtedly are a large number of Ravenswood Knights looking forward to the installation of officers at the July 16 meeting and an opportunity to thank our retiring Grand Knight, Charles Morgan for all he has done in the best interests of our council.

At this time we might look back over the two years Ravenswood Council has spent with Charlie Morgan at the wheel. It is not your writer's duty, nor the duty of any other member to proclaim Bro. Morgan the most outstanding G. K. we have had, for in so doing we would be overlooking the fine work done by his predecessors. Of these your scribe is familiar with the work of only P.G.K.s Wilbur Beaton and Peter Farrow. Their fine services are attested to by the trusteeships they now hold. We must also take into consideration the fact that a number of our P.G.Ks. served us during times that were even more trying from a financial standpoint than today.

Nevertheless, there can be no contradiction to the statement that Charles Morgan has been one of the outstanding G.Ks. in Ravenswood's history. That fact is not only recognized by Ravenswooders, but also by high standing Knights in the Chicago District.

In his two terms many of our financial obligations have been eliminated; entertainment for the members has been increased; our blood donor group has been formed; our friendship with many organizations within Our Lady of Lourdes Parish has been cemented and definite progress has been made towards building up a larger and more active membership.

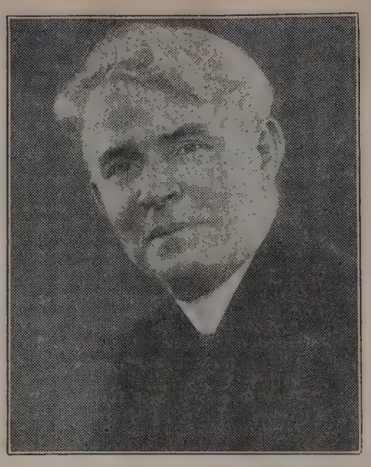
Now that Charlie has taken a seat in the grandstand, so to speak, let us hope that he will be seen at every meeting and that he will still find time to help us in all the ways he is so capable of doing. His successor, Michael Citti, who has served so well as D.G.K. under Bros. Morgan and P.G.K. Farrow besides, has proven his ability to lead us. No doubt there will be times he will seek Charlie's advice and we all know that excellent aid will be forthcoming. Thank you, Bro. Charles Morgan, for your services in behalf of Ravenswood Council.

GOLF, ETC.

Another thing the boys are probably waiting for is the golf tournament. It follows the installation of officers by one day, so it's rather impossible to have any notice of the results here today. Do you suppose there will be a second tournament this year, just as there was last? The champion of the first tournament was Lecturer Art Collins. Who can tell? Maybe he will be or should I say is champ again? Still in all, by what is told around, Champ Mike Metzger is a pretty good golfer. . . . Chancellor Clem Mawicke, Mrs. Mawicke and the little Mawickes are on their vacation way up in Wisconsin. Here's Joe Grady's chance to get even with Clem for all the nasty things that have been said about Joe's fishing. As I recall it, Clem was a ringleader along with our retiring Recording Secretary in belittling the Grady househead's fishing prowess. Joe should remind Clem that new tackle, or even that borrowed from a successful angler, doesn't make one of Isaack Walton II overnight. . . . Who are the north side Brothers that set a long distance endurance record for patriotic celebrations around the 4th day of this month? Of course they could add, "who helped the oldest of us to get started out on the right foot for this affair?" . . . Wish there was some more news to help fill out with, but guess we must wait until next week; there'll be loads then. . . . Don't forget to mail a card while on your vacation to W. Mann, 1528 Berteau, Chicago.

A scientist says that gold has a distinct odor. He must have been handed a bunch of the tainted kind.

Celebrates Anniversary



REV. F. X. BREEN

Meets August 14 . . . 4715 W. Madison

St. Francis Xavier Council's beloved chaplain, Rev. Francis X. Breen, S.J., and his silver haired "twin" brother, Rev. Paul M. Breen, S.J., will commemorate their golden anniversary as Jesuits with a solemn high Mass, Sunday, July 27. The Mass will be celebrated at St. Ignatius Church, 6559 N. Glenwood avenue, at 10:00 a. m. Sir Knight John Panegasser, Knight Commander of the Holy Sepulchre, will sing during the Mass. All members of the Franfours are expected to be present in their fourth degree regalia to act as ushers.

Brother members, this is our opportunity to show our "silver haired twins" just how much they mean to us by being present on this memorable occasion.

ACTIVITIES

The installation of officers was held at the last meeting under the direction of D. D. Phillip C. Nilles, with Sam White, P. G. K. Ketteler Council, assisting. The evening was topped by the presentation of the Star Council Certificate—for the third consecutive year—to our grand knight by Bro. Nilles.

The following guests were present: Joe Maggiore, G. K., St. Cyr, Eddie Yost, G. K., Ketteler Council; P. G. K. Tom Bogan and their warden, Alex Juraski.

The new lecturer is that "Old Left-Hander," Croce Speziale. He was appointed to his new task last Thursday night.

Next Monday night, July 21, will be Century Club Night at St. Cyr. All the members from St. Francis and the Kankakee councils have been invited to attend. The meeting place is located at 1609 N. Halsted street.

ST. FRANCIS-TISTICS

Bro. Al De Bartolo and Miss Maris Fatigati, daughter of Bro. Tony Fatigati, were engaged the Fourth of July. Bros. De Bartolo and Fatigati are Century Club-ers. . . Mr. and Mrs. Anthony La Rose spent a week in northern Wisconsin. . . Jimmy Durante wishes the Franfours new officers the best of luck and hopes they will pay some of their old bills. The Franfours owe him a buck and a quarter for ice, and, so far, Jimmy says it's a "frozen asset." . . . Bro. Joe Schiavone became the father of a baby girl last Thursday. The parents and the babe are doing well.

Another new member breaks into print. Ernie Marinelli was in Eagle River, Wis., last week. He came back to attend the meeting and then was on his way back to spend another two weeks out there. . . Suggested theme song for Shiek Pintozzi: "Can't Get Indiana Off My Mind." . . . It was a streptococcus operation and not a carbuncle that had Trustee Anthony Raciti in Jackson Park Hospital about three weeks ago. Speaking of hospitals reminds us that Carmie Trimarco's wife undergoes an operation soon. . . Mike Caruso's daughter, Grace, was operated on for appendicitis Thursday at Mother Cabrini.

Former Recorder Joe Vitullo send best regards to all the boys. Joe like to hear from us once in a You can get in touch with him by dressing your mail thus: USS Ne care of Postmaster, New York, N. Scotty Frusolone is taking this opp nity to thank each member that sold becue books. Scotty would have lik thank each one personally, but that be an endless task.

On Tuesday of last week, our so team met Ketteler's softballers and handed a 11 to 10 defeat. A ten ru inning by the Kettelers proved to b undoing of our team although they f hard to overcome an overwhelming and came close to doing it. Bedeck new uniforms, the boys bounced into winning form two nights against Chicago Council. The final was 7 to 3.

Next week's schedule calls for games at Sheridan Park. Am Council will be the opponent Tuesda on Thursday we meet the fighting of St. Patrick. Come on out to Pol May Sts. to cheer for the boys.

The golfing tournament was a su for all those who turned out for th fair. Comparatively low scores were piled as golfers go. Here are so them. (The second figure is wit handicap): T. R. Vitullo, 103—76. Locascio, 127—74.2; C. Gregoria, 76.8; C. Principe, 104—77.6; L. A noli, 118—77.2; J. Curante, 131—78.2; Meccia, 110—81.2; M. Visco, 116—81 Mauro, 148—83.2, and C. B. Mele, 84.2. Nick Damore was there but h got to bring his BAT, so he co participate.

Genoa to Meet Sund to Complete Plans Aug. 17 Golf Tourn

1-3 Mon. . . . 7439 Cottage Grove

Due to the summer vacations, Genoa Council has not held its r meetings on the 1st and 3rd Monda usual for the last two months. Ho a regular meeting will be held this ing Monday at the council chambers meeting will be the first regular m held under the direction of GK I Stadler and it is hoped that a goo tendance will be in evidence.

Many things of importance are discussed at this time. The one most importance is the annual go scheduled for Glen Eagles Country on Aug. 17. Chairman Bill Riley ar Chairman George McCarthy have plans well arranged and are seekin per cent cooperation from the me ship. It is hoped that this coope and support will be forthcoming.

Bro. Marty O'Brien brought in th prize for the annual golf day. It ha to be a very fine "brand" donat Bro. Jack Garvey. Marty says th is taking good care of the subject and that it will be available for th day.

John L. Daleiden, pastor of St. Church of Spring Grove, Ill., les west of Fox Lake on High- announces a parish carnival on July 20, with a chicken dinner om 11 a. m. to 3 p. m. A ride in the country and a chicken dinner is one good way of spending Sunday and at the same time helping out a neighboring parish.

After considerable hints, DGK Mike Hussey finally got in his report on the Chicago Chapter meeting. He particularly stressed the educational features offered by the chapter in its courses in English, public speaking, Spanish, French and journalism, consisting of two-hour sessions twice a week, free of charge. Entrance in the classes may be made at any time.

Donations for the Christmas Cheer committee will no longer be collected by the financial secretary. In the future members wishing to donate to the Chicago Chapter Christmas Cheer Committee will make their donations direct.

Bill Cooney bought a new icebox lately which came minus ice trays. Imagine having no ice cubes these warm summer evenings, and no parties either! Charlie Klink is joining the fishermen's club during his three weeks' vacation in the wilds of northern Wisconsin. He says he is just going to catch the big ones, but you know how these fishermen are, or do you?

Tom Tyrrell, the big realtor of Madison St., saved our life recently, like the good Samaritan he is, when he picked us up tired and thirsty (we were) and brought us to see his grand new home on Maypole and cool us off with several ice-cold glasses of juniper juice. Thanks, Tom.

Stayms Club is holding its picnic Sunday, July 20, at the forest preserves in Maywood. You always have a nice time at the Stayms picnic.

At long last! We golf at Glendale Aug. 17. More later.

There were a few big-headed, small-brained officers in the last war that we yoo-hooed at, but not so they could hear us—but it wasn't exactly yoo-hoos we mumbled under our breath. G'bye.

St. Cyr to Celebrate Century Club Victory Next Monday Night

1-3 Mon. . . . . 1609 N. Halsted St.

This coming Monday night, St. Cyr will celebrate the Century Club Victory at our council chambers. In conjunction with this celebration, the annual installation of officers will take place.

Representatives from the other two century club councils in the state of Illinois will be present. Grand Knight Baptiste Mele from St. Francis, together with his membership committee will be there and likewise from Kankakee Council. In addition, other Knights of Columbus state officers and past state officers, will be on hand including State Deputy Leo Flynn, Past State Deputies Judge John F. Bolton and Michael Howlett, our own District Deputy Marco DeStefano, and others who hold important posts in Knights of Columbus.

Joseph (Chief) Maggiore will again be installed as St. Cyr's Grand Knight, together with Lawrence C. LaRocco as Deputy Grand Knight. Since this is the only meeting being held in the month of July, a large turnout is expected.

SOFTBALL VICTORY

Manager Vic Priola is still keeping intact his string of victories. Last week two foes fell before the St. Cyr Demons. In the first encounter on July 6, St. Paul was left holding the bag with 4 runs as compared to the 17, which our boys managed to squeeze out. In the second encounter, a strong O'Connor team held our boys to 5 runs, but a stronger St. Cyr team held the O'Connor boys to 4 runs. Nice fielding and great catches by Joe Gerace and Ed Klimek, together with the excellent support given by the rest of the team made these twin victories possible.

This coming week St. Cyr was scheduled to play Ouilmette Council. However, since Ouilmette has dropped from the league, the boys will be given a rest from their duties, so that they may be better prepared to beet University Council, on July 24.

Shortly after August 1, President Sam Rannochio, and Secretary Cosmo Coniglio, will call a bowlers' meeting. About sixteen teams are expected to roll in this year's tournament which again will be held at Al Long's Monte Carlo alleys, on Lincoln Avenue. If you are planning to bowl this year, turn in your name to the president, the secretary, or to the treasurer, Joe Strano. It is expected to get the league underway shortly after Labor Day, which this year falls on September 1.

CYR-IOUSLY SPEAKING

Some of St. Cyr's grown boys, if you didn't know it, are bicycle enthusiasts. But enthusiasts is all that they are. Now you take this guy Larry LaRocco. Larry gets an idea that he'd like to ride a bike. And Larry thought that he'd have some fun doing it. But alas, while cycling on Franklin Boulevard, along Garfield Park, the old boy had an awful time trying to move along with one shoe on and one shoe being lost somewhere on his bicycle path.

Mrs. Anthony Scarpinato, it has been told to your scribe, has been seriously ill for some time. . . . Sorry to hear of her illness, but we certainly hope that she is coming along.

Writing a column in the dull summer months when no contact is made with the brothers, sometimes becomes a tedious task. . . . Your scribe has only one source of information, and that is from the reader himself. . . . If at times during the summer there are certain happenings which should appear in this column, give your scribe a buzz, and let him in on it. . . . Only in that way can a column be written. Help, help!

Greater Liberty for Church in Mexico

Santa Fe — "It was a magnificent demonstration of faith and rejoicing that greater liberty has been restored de facto to the church of Mexico, though not as yet de jure," Archbishop Rudolph Aloysius Gerken of Santa Fe declared upon his return from participation in the Eucharistic Congress recently held at Chihuahua, Mexico, marking the fiftieth anniversary of the erection of the diocese.

Although officially diocesan, the Eucharistic Congress was really a national demonstration attended by members of the Mexican Hierarchy and many of the clergy from various parts of the country, the Archbishop says.

For the first time since the persecution of the church began in Mexico, the Bishops went to the cathedral in procession for the solemn services.

In addition to Archbishop Gerken, Bishop Anthony J. Schuler, S.J., of El Paso, and Bishop Sidney M. Metzger, Auxiliary of Santa Fe, participated.

Because there was still some Communist opposition to permitting more in the way of demonstrations than the law allowed," Archbishop Gerken reported, "no outdoor procession was undertaken with the Blessed Sacrament. The Bishops, however, went into the cathedral in procession before the solemn services every day. This had not been witnessed since the persecution and the result was that when the procession entered into the large cathedral, which was filled, applause came from the faithful and lasted until all the Bishops were in the sanctuary.

"When the Holy Father's message was read bestowing his approval and blessing upon the Congress the cathedral echoed with shouting: 'Viva el Papa.'

"All the services were carried over the radio and over loud speakers. Sectional meetings were held in an immense city park stadium, and it was estimated that about 20,000 persons were present every night.

"The choir in the cathedral was composed of seminarians from Montezuma who had completed their course and were on their way home—many already ordained priests and others to be ordained at home. The class that finished this year at Montezuma consisted of 76 students. Many of the 86 who had finished previously at Montezuma were present at the Congress."

CHAPLAIN SPEAKS ON 'RELIGION IN ARMY'

Boston.—"There never was morality; there never was disinterested loyalty; there never was patriotism without faith in God and reverence for His Law," declared the Rev. David C. Sullivan, Catholic chaplain at Westover Field, Mass., in a radio address carried by 20 stations. Captain Sullivan, speaking on "Religion in the Army," lauded the religion of the young men under his care and pointed out the necessity for maintaining that faith when he said: "He best loves his country who best loves his God. He best serves his country who best serves his God."

CANADIAN CHURCHMEN BACK WAR LOAN

Ottawa.—Four leading Churchmen of the dominion, including H. Em. Cardinal Rodriguez Villeneuve, Archbishop of Quebec, made appeals to the nation on behalf of Canada's victory loan. His Eminence said every effort to win the war was also a means of serving the Church and Canadians should subscribe to the bond issue "so that God may be glorified."

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

CATHOLIC CHURCH IS BULWARK OF AMERICA

Washington.—The Church is a "bulwark against the terrible sedition in the ranks" of the American people, the Most Rev. Joseph M. Corrigan, rector of the Catholic University of America, declared at a testimonial dinner given in his honor by the Washington Knights of Columbus. Calling the Church a "solid guarantee ranged on the side of the principles upon which this country was founded," Bishop Corrigan said American Catholics "stand millions strong . . . for the nation's welfare" and against irreligion.

All the blood goes in and out of the heart once every minute.

De Soto Staff Is Installed by New State Officers

2-4 Fri. . . . . Clark and Belmont

State Deputy Leo M. Flynn and State Secretary Raymond F. Gleason installed De Soto Council's officers at our last meeting, July 13. Needless to say, the work of these two outstanding officers instilled De Soto members with a new enthusiasm for Council activities.

After the installation ceremonies, State Secretary Gleason gave a very fine talk to our membership and he in turn was followed by State Deputy Flynn, who outlined his policies for the coming year and asked De Soto Council's cooperation. Past Grand Knight Jerome Crowley pledged our support without qualifications to our new state officers.

Grand Knight Scanlan then made his appointments for the ensuing year, which are as follows: Lecturer, Irwin Schultz; Scribe, Norman Mertes; Service Committee, E. T. Fitzsimmons; Membership Committee, C. J. Strehlow; Barbecue, J. A. Cella; Insurance Financial Secretary, Richard Erbach; Associate Financial Secretary, M. J. Behles; Blood Donor Group, Frank Wohlleber; Athletic Commission, J. J. Merki; Fourth Degree Committee, Fred Gebhardt; Chicago Chapter, Wm. Glancy, Chairman; Chaplain, Msgr. Casey; Soldiers' Committee, P. N. Kandel.

After the business meeting was completed our new Lecturer invited the membership to the lower hall to partake in our installation party and we wish to advise you members who missed this meeting not to miss again, as our Lecturer did himself proud in his initial endeavor.

De Soto Council was highly honored by a visiting delegation from St. Paul of the Cross Council, led by their newly initiated Grand Knight Gene Sass, Chancellor George Elwanger, Warden Gregory and Lecturer Joe McDowell. De Soto Council enjoyed playing host to these visitors and there is a standing invitation on our books to these visitors from St. Paul of the Cross to join us at any time they wish. P. S.—The Scribe is wondering what happened to St. Paul of the Cross softball team Monday evening, July 14. Could it be that the defeat they suffered in the first round cooled off their enthusiasm for any future conflicts with De Soto? Edison and Norwood Park papers please copy.

PICNIC—AUGUST 10

The Picnic Committee, under the able supervision of the Lecturer, is working night and day to again hit the jack-pot for De Soto Council members and their families on Sunday, August 10.

It is the writer's understanding that this picnic will be the outstanding event of the summer season. The committee has arranged for bridge, races, ball games, horseshoe contests and an interesting program from early morning until late in the evening. We are asking you at this time to set aside this date and join your fellow members and their families in this council outing.

Chairman Frank Wohlleber of the Blood Donors' Group in making his report at our last meeting stated that De Soto Council has given 53 blood transfusions, since this movement was started in our council. We urge all of you, who have not been typed, to get in touch with Brother Wohlleber so that you too can take part in this great charitable work.

DE SOTO NEWS

Just a reminder, our council will hold one meeting during the months of July and August. Our next regular meeting will be Friday, August 8. P.G.K. P. N. Kandel who up to the present time has been president of the Glee Club, entertained the singers at his palatial summer home last Saturday. From all accounts Pete is the perfect host. We may have a more complete report on this outing at our next meeting.

President Jim Kennedy of the Baldric & Sword Club announces another interesting meeting, Monday, July 21, at Gross Park Hall. President Jim promises a big meeting for the members of our Fourth Degree Club. Past Grand Knight A. C. Cremerius and family are vacationing in California. We know Tony will be able to give us a few interesting facts about the movie colony upon his return.

Brother Stan and Joe DeCaluwe are spending their vacation up in the north woods, and we feel quite sure from past experiences that Brother Stan will purchase a fishing license before venturing out in the deep waters to frolic with his finny friends.

A big bunch of orchids to Brother Carl Stoegbauer, who at our last meeting presented the first new application for membership for the year 1941 and 1942. Chairman Strehlow of the membership committee only needs 99 more to make the century club.

Chicago's Vacationers Leave Scribe Without Much Column Material

2-4 Tues. . . . . 64 E. Lake St.

"'Tis summer—the darkies are gay." And a lot of other people are also. We are beginning to meet flocks of them just back from or preparing to go away on the annual trek to vacationland. Soon "ye scribe" and "ye financial secretary" and "ye grand knight" will be receiving souvenir postcards emblazoned with cryptic signs which mean, "Am having a fine time, wish you were here, the hour is getting late so I must close, "X" marks the window of our hotel room. Wish the fish would bite like the mosquitoes," etc., etc., etc.

Well, anyway, be sure to send Nick Reuland a card (you all know his address) and he can keep the scribe posted on the gaddings and the peregrinations of our travel-folk so that at some meeting in the fall we can have you all come down and tell us all about it.

There is a dearth of news this week because the scribe, with a flock of things to take care of, found it impossible to follow up the fortunes of our rarin'-to-go softball team or the golf tourney plans being formulated by Chairman Bill Brogan or the prospectus of our new Lecturer, Charley Schroeder.

However, we did meet our Number One Sick Committee-of-One, Lawrence Ryan, who said that he was over to see Bill Serritella last week and found him indulging in a little walk for himself. After the tough time Bill has been experiencing for a year, the news of his being up and about again is mighty sweet. We hope he can begin to come to meetings in the fall.

P. S.: No meeting until August 12.

JUST A SUGGESTION

Quite a few of our Brother Knights come downtown in their automobiles these mornings and therefore do not see the many nuns who have to ride to summer school in our over-crowded street cars and "L" trains. "Four out of every five" cars entering the loop could conveniently take care of several of these good sisters who, we are sure, would be quite satisfied if they were brought to easy walking distance of their destination. This suggestion was passed on to us by Harold Wilson, a friend of Brother Leo L. Donahoe of this council. Knights who could provide this accommodation have only to make inquiry at the convents in their own parishes. Classes continue to the first week of August, so get busy. (You do not have to worry about bringing the sisters back home as the sessions are over at noon and transportation is not congested at that time).

A paste of cornstarch and carbon tetrachloride will remove most grease stains from wallpaper; two or three applications may be necessary.

NEWMAN LISTS FULL SCHEDULE FOR SUMMER

1-3 Thurs. . . . . St. Mary's Hall

SUMMER SCHEDULE—

Fourth Degree Meeting — Tuesday, July 22, North Shore.

Golf Tourney—July 24th, Wilmette Club.

Ball Games—Wednesday and Thursday, High School.

Next Meeting—Thursday, August 19, St. Marys.

Bowling Meeting — August (?), St. Marys.

Cut out the above for future reference and when enough has been saved, send them in to Doc Keefer along with a 4½c self addressed envelope for a full color copy suitable for framing. This offer expires, or in case of a tie, there will be duplicate crooks.

We are unable to pass over the important date of July 24th very lightly because Little Knight has given orders to feature this air-conditioned golf course, tenderized steaks and, in case it should rain, a club house full of good cheer. The committee has again picked names such as Ed Coursey, Chuck Rohrer, Tim Janes and Tom Dolan so we are picking it to be a winning combination with such tried workers as Pat Craig, Bones Nellessen, Joe Giannini and Joe Mahoney.

NEWMANEWS

Suffice it to say that despite our last editorial, the quality and quantity of the ball playing by Newman afield has shown very little in the way of improvement; each week only bring the present roster that much nearer to the compulsory retirement age.

Slim Manning was the father of his first child on June 26, which fact our scribe of last month failed to report probably because girls don't attract much attention at birth.

The last time we wrote this column we were pleased to announce the engagement of Bro. Al Smith Jr., to Angela Nadoly of Menasha, Wis. Now we are more than glad to tell of their marriage on July 19 at Norte Dame chapel. Next time we fill in these spaces who knows what may have happened. Vacationists from the post office include Roy Carlborg and Jim McNair, where to, we are completely in the dark. We may say that somebody else must have been in the dark when we hear that our tall, dark and handsome bachelor has succumbed to the wiles of Hilda Kenny, which engagement makes Otto Menke almost a brother-in-law of Doc Fitz. Again our congratulations to, of course, Otto.

This may be our finale so we must devote a line or two to those long suffering wives of scribes who become shut-ins on Sunday afternoons while the scribbler scribbles. An orchid to each and every one, even to those who escape the minor details of transcribing our notes on the typewriter. Another of our anxiliary members who is doing yeoman service at ball games is Mrs. Jack Wiltjer in minding the players offsprings and at the same time trying to seen a inning in which the visiting team gets a goose-egg. Anyway boys, as old Pepper Pot Dalton says: "Let's keep on trying, even for the Century Club." Perhaps it wouldn't be a bad idea if we tried Doc Keefer's phone to see if that could be the reason he hasn't passed on all those newsy little items which, we are sure, you all have and which we all are surely glad to read.

Our local reading tells us that Evanston went over the top in U. S. O. funds and we of Newman shall be proud of the Council's part in doing it's duty.

Noticed that Paddy Driscoll will be back in town with us again now that he is signed up as assistant coa the Chicago Bears. Jack Krejci fifth in a field of plumbers runnin hot water contest. That's what "turning on the heat." Last flashes include Joe Barrett gettin ten by a dog and Wally Gehant caps being stolen. Now wouldn have been real news if the would have turned.

St. Paul Looks Over Council's Barbecu Record with Pr

1-3 Tues. . . . . 6713 Olmste

All's quiet on the Potomac and we are having a respite from the krieg of news which usually com way (?) we think it might be a idea to go back and pick up the t of what we promised to tell yo cerning our barbecue efforts.

It was with a great deal of prid the chairman of this committe present G.K. Gene Sass, announce another record was made by the cil in this worthy effort. Over on dred and fifty-six books were di of to the credit of the council wh quite a gain over the one hu seventeen and some odd record year. This was due to the thor ness of the solicitation engineered chairman and to the excellent w men like Steve Wren, Joe McD Al. Westemeier and others who themselves this year as well as stalwart members who left the wide open to the go-getters by al ing the book that was deliver them.

NEW APPOINTMENTS

The appointive officers of the c are: Rev. Fr. Kiley, chaplain; Al Rominski, organist; Joe McDowe turer. We understand that after ing the opening ode sung "solo" wise-cracking friend and organist before we can remember, the G.K couldn't help but reappoint him the promise from Al. to "fill in" the others failed. At least, that way we 'heerd' it.

Then, there is the chaplain, Re Kiley. You all know what the bers think of him on the level b like to rib him about being " Kiley" and how the boys feel sor him and let him have his way. tell me that the boys don't even him" when they're flush or maybe full especially when the deuces 'em. He had a way with him—I they say he has a "taking way." yet we still have to hear anyon that he was "bluffing."

Joe McDowell needs no introdu to those members who occasional tend meetings or visit with the c keglers during the bowling seaso did a bang-up job as chairman c council keglers last season an have no doubts about his effor lecturer. The earnestness with Joe tackles his tasks spells su even before the work is under We won't use up all of our adje on Joe before he really gets starte we would like to invite you t meetings and let you have a loo yourselves. The proof of the pu is in the eating, so why not ar your affairs this year so that yo be "available" for council meeting undertakings. The next meeti scheduled for Tuesday, August 5

The council has the promise of Re Timothy Hurley to visit with us often during the coming months. of the "old timers" will remembe as the chaplain of the council years ago and others will reme him as Pastor of the Immaculate ception church in Norwood just to the time of Rev. Fr. Anslem. aught to bring out some of you to wases" to the meeting again.

Appealing Party Program Planned for Columbus Day

October 11 Dance and Card Social to Be Staged in Benefit of Soldiers' Service Center

Still in the formative stages, plans for the Order's country-wide observance of Columbus Day here next October nevertheless indicate that the celebration will be one of the most appealing public programs yet endorsed by the Knights of Columbus in this locality.

Definite arrangements have been made for the reintroduction of the popular "Chapter Charity Ball" last sponsored here on Columbus Day in 1937 when more than 3,000 guests filled the Grand Ballroom and foyer at the Palmer House to set an attendance record that still stands for a chapter sponsored program.

At least one thousand couples participated in the Grand March that evening. Alternate wings of the march were headed by then Chapter President Henry J. Lynch with his daughter, Irene, and by General Party Chairman John F. and Mrs. Peckler.

Benefit Ball, October 11

This year's party is also to be held in the Grand Ballroom of the Palmer House on Columbus Day eve, Saturday, October 11. Henry J. Lynch, who was last week named General Chairman of the affair by Chapter President Jacob A. Mueller, revealed that the proceeds of the affair—according to the action of the State and Chapter officers—will be donated to the local unit of the National Catholic Community Service, an affiliate of the United Service Organization.

The N.C.C.S., headed by Father Wm. A. O'Connor here, will soon open a social center at 1122 South Wabash Avenue for the accommodation of visiting soldiers and sailors. Moneys realized through the Columbus Day ball, Lynch explained, will be given to Father O'Connor to provide furnishings for the recreation center.

Card Social Also Planned

In addition to the regular features of the former Chapter Balls, the October 11 party will also provide for a evening-long card social. The Entire Exposition Hall, adjoining the Grand Ballroom, is to be set aside for the accommodation of those guests who may wish to participate in this form of entertainment.

Other program features are now being arranged by Chairman Lynch and his committee. Full details of the entertainment were expected to be thoroughly discussed last evening at a meeting of the district U.S.O. chairman recently appointed by State Deputy Leo M. Flynn, all of whom are also members of the Chapter Ball Committee.

Committee Members

Assisting members of this committee are: Edward J. Molyneux, Francis McMahon, Frank McGlinn, Richard Judge, Joseph H. Halm, Elmer O'Brien, Charles Nash, John Ruberry, John Shealy, John B. Meccia, Thomas Hayes, Bruno Satkowski, Charles Morgan, Wm. P. King and Henry L. Phenix.

Three Brothers to Celebrate 151 Yrs. as Priests Sunday

Founding Chaplain of St. Francis Council Will Celebrate Anniversary Mass

One hundred and fifty one years of religious life in the Jesuit Order will be commemorated Sunday by the Rev. F. X. Breen, S.J., chaplain of St. Francis Xavier Council here and his two brothers, Rev. Paul M. and Aloysius A. Breen, S.J. The three brothers will mark the unusual anniversary in the celebration of a solemn High Mass at 10 a. m. in St. Ignatius Church, 6559 North Glenwood avenue.

Celebrant of the mass will be Father Francis X. Breen, eldest of the three brothers, assisted by Father Paul Breen as deacon and Father Aloysius Breen as sub-deacon. Rev. Samuel K. Wilson, S.J., president of Loyola University in Chicago, will preah the sermon.

Two Grand-nephews to Aid

Two grand-nephews, Paul Breen and Jack Gladstone, will serve as altar boys. During the mass, Sir Knight John Pane-Gasser, Knight Commander of the Holy Sepulchre, also a member of St. Francis Xavier Council, will be the featured soloist with St. Ignatius Church choir. Other members of the council's Fourth Degree organization will act as ushers for the service.

Father Francis Breen has served as chaplain of St. Francis Xavier Council since its inception here April 29, 1918, and was instrumental in completing the early organization work of the council.

All three brothers are members of St. Francis Xavier Council.

Archbishop Stritch Outlines Objectives of Public Holy Hour Here

This week, His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, announced the objectives of the public Holy Hour which will be held at Soldiers Field, Sunday, September 14th. The affair, sponsored by the Archdiocesan Union of Holy Name Societies, will be attended by Catholics from throughout the six counties, Cook, Du Page, Grundy, Will, Lake and Kankakee, which comprise the Archdiocese of Chicago.

The objectives of the Holy Hour, as outlined by Archbishop Stritch are: "to foster reverence and respect among all peoples for the Holy Name of Jesus; a public act of worship recognizing God's place in Democratic society; a presentation in this act of worship of a united Catholic body, the Holy Name Union and a corporate act of worship to invoke God's blessing on the community and on the nation in which we live."

Chairman of the public Holy Hour is the Rt. Rev. Msgr. Daniel Byrnes, pastor of Visitation parish. Vice chairman is Stanley R. Pluaski, president of the Chicago chapter of the National Catholic Alumni Federation.

Chicago's U.S.O. Campaign Sees Goal in Coming Week

Individual Contributions Are Asked by Chairman McBain to Push Local Drive Over the Top

Metropolitan Chicago's U.S.O. campaign today entered the homestretch as suburban communities and every section of the city joined to raise approximately $100,000 to push the drive over the top.

As the campaign to establish recreation centers for the nation's armed forces neared success here, leaders in the campaign from every district reported confidence that the objective of $679,500 would be reached speedily.

Meanwhile, it was announced that 20 communities in the area have exceeded their quotas. A majority are continuing their efforts, however, until the objective is reached in the metropolitan campaign.

Individual's Aid Needed

Urging continued speed in reporting results, Hughston M. McBain, general chairman of the campaign, said, "We are now entering the final phase of the drive and can achieve success within the next week if every individual continues the interest shown thus far. In the gifts of smaller denominations we can reach success or fail. It is imperative that every person respond at once and send his check either to his own local committee or to metropolitan headquarters at 841 Field building.

"Company and employe gifts are still coming in for generous amounts. But here, too, we must have immediate cooperation among those which have not as yet sent in their contributions. I urge every leader to concentrate on seeing that these contributions are made within the next few days."

103 Centers Now Open

With the campaign nearing its goal, the U.S.O. program of aid to soldiers, sailors and marines was fast taking shape. National headquarters reported that there are now 103 U.S.O. units on the job for the men of the nation's armed forces.

It was announced that these centers are now utilizing the services of 179 full-time workers, with 11 others serving on a part-time basis. Agency representation on these units includes: Y.M.C.A., 29; National Catholic Community Service, 23; Jewish Welfare Board, 25; Salvation Army, 18; Y.W.C.A. and National Travelers Aid Association, 7.

While there has been time to set up these units, there has not been time to construct the buildings for them. Accordingly all are operating in quarters already available and will continue to do so until the new buildings are constructed by the Government according to U.S.O. design. All expenditures on U.S.O. programs, it was explained, will be subject both to the U.S.O. audit and to an audit of the Government.

Supreme Knight Urges Aid

Recently appealing to all of the officers and members of the Knights of Columbus, Supreme Knight Francis P. Matthews urged every council member to do his utmost in support of the U.S.O. campaign.

"In the first World War," he said, "a somewhat similar task was entrusted to and executed on behalf of the Catholic group directly by the Knights of Columbus. Today on every Knights of Columbus Council hall hangs the bright escutcheon of the special service 'For God and Country' which our Order gave in 1917, 1918 and 1919.

"The U.S.O. now is engaged in a

RECREATION CENTER FOR SERVICE MEN IS OPENED BY WASHINGTON K. C.'S

More than 400 service men came early and stayed late at the party which marked the opening, July 12, of the USO recreation center at the Knights of Columbus Hall, Washington, D. C. The affair was under the auspices of the National Catholic Community Service. State Deputy Jame Kehoe and John Saul, executive chairman, contributed much to the outstanding success of the party.

While a 10-piece orchestra played for dancing, men awaiting partners played table tennis, billiards and other games in the upstairs recreation hall. Refreshments were served without charge. In a brief talk, Senator Francis Maloney, of Connecticut, invited the service men to enjoy as often as possible the many facilities of the recreation center.

Two Thousand Guests Visit at Model Home in La Grange Sunday

On Sunday, July 20, Mr. Joseph D. Slaker, Sullivan Road, Aurora, followed the suggestion of one of his La Grange friends to visit the Mount Vernon House of 1941, and much to his surprise was met by a battery of photographers, a special reception committee and was presented with a gift and a season pass. It so happened that at 11:15 A. M., as Mr. Slaker entered the building with his mother, Mrs. Joseph H. Slaker, Miss Alma Keeler and Miss Luella Mellinger, all of Aurora, the ticker counted off the fact that his was the 10,000th paid admission since the opening of Mount Vernon House on July 4.

When Edith Weigle of the *Chicago Sunday Tribune* said in her article on Sunday, July 20, in the Homemaker's Section, "The story of color and what it does to bring beauty to a home is most interestingly told in a brand new house in La Grange" she had no idea that her very definite description of Mount Vernon House and her suggestion that "you can see it for yourself by driving to 345 North Malden avenue in La Grange" would be taken so literally at such an early date and would bring more than two thousand visitors to the site for an inspection on that very day.

nation-wide drive to raise $10,765,000 by public subscription with which the constituent organizations will maintain its clubhouses throughout the year and conduct its allied facilities and services. $500,000 of this sum will be earmarked to defray the cost of providing professional entertainment in the camps and training stations.

"By authority of the Archbishops and Bishops of the United States, the National Catholic Community Service-U.S.O. plan will control the defense welfare activities of all Catholic groups and organizations. It, therefore, becomes the method to be followed by Knights of Columbus when making their contributions in this particular field of Catholic activity during the present emergency.

"I cannot believe that you will be deaf to the appeals for your support of the U.S.O. from the President of the United States and the members of the Hierarchy.

"I am equally sure that you will not fail our young people. As Americans, Catholics and Knights of Columbus, I know that you will welcome this opportunity further to defend America by supporting America's chief defenders.

"Your subscription check for the U.S.O. will be your answer to the dictator's threats; your reply to their calumny that democracy does not work in a crisis; and through a patriotic and generous response to the urgent need of this critical hour, your reaffirmation of the ancient 'Faith of our Fathers.'"

Model Home—

(Continued from page 1)

Brother Knights who are residents of La Grange and Western Springs, as well as many Knights of Columbus from greater Chicagoland, are rapidly getting into the habit of making a trip through the Mount Vernon House a part of their planned entertainment for out-of-town visitors and week-end guests.

The members of St. Francis Xavier parish in La Grange who are sponsoring the project are prepared to handle crowds of any size and have competent committees in attendance at the house daily from 10 a. m. to 9 p. m. to furnish such information as may be desired by visitors.

Quigley Completes List of Committees and Appointments

1-3 Tues.....1035 W. 31st St.

G.K. Leo J. Gawryck has completed the lists of committees that important phase that either makes the council a "live wire," or a "dud." Every member of Quigley council is urged to affiliate himself with at least one committee and help take the burden of the "regulars." The Knights listed below have been selected to head each respective committee. Pick out committee and inform the chairman or the G.K., and you'll be amply repaid for your enthusiasm.

Athletics—Anthony Krolak; Publicity—Charles Kamin; House—John Berny; Chicago Chapter—Michael Sinsko. Insurance—John Jankowski; Sick and Visiting—Open; Blood Donor—Wm. Lenz Jr.; Quigley Knight—John Golden; Budget—Walter Sherman and Resolutions—Michael Zagorski.

The Annual Mayslake retreat will take place on Oct. 3-4-5, and the committee to handle the details will be appointed shortly.

The list of appointments are actually re-appointments, headed by Mgsr. T. P. Bona who has agreed to continue as Chaplain. The Fin. Sec'y position shall again be capably filled by Ol' Reliable John J. Jankowski. Kasper Knasiak will handle the ever-important Lecturer's duties. Jerome Budney and Stanley Osowski will continue as organist and Ass't Warden respectively. John Golden will continue as scribe, and while on the subject, refer all news to "Yours Truly" New address, 3355 S. May St.

AUGUST 31st

DO NOT FORGET the biggest summer event of Quigley's life. Plan now to attend the family outing at Sunset Pk. 135th St and Archer Ave., Lemont, Ill. This picnic will be for Quigley members and friends, and will feature every picnic feature imaginable.

BASEBALL GAMES will be played on July 29th when Dearborn will meet Quigley at Mark White Park, and on July 31st when Quigley travels out to Leo, 51st and Union. Quigley and Leo council are deadlocked for first place with one loss apiece.

CARNIVAL at 32nd and Lituanica sponsored by Immaculate Conception church, began last night and will continue until Aug. 3rd. Many Quigley members belong to I. C. So drop around and say "Hello."

HOUSE COMMITTEE invites every Quigley to drop in and take a gander at the new clubroom. Ping-Pong—Pool—Punching Bag—etc., are but a few articles at your disposal.

Fr. Perez Will Hold Annual Picnic at Sunset Grove Aug. 3

On Sunday, August 3, Father Perez Council will sponsor their annual picnic at Sunset Grove, 135th Street and Archer Ave., Lemont, Illinois.

The Grand Knight, Norman B. Northam, 9554 Campbell Ave., Oak Lawn, Ill., has appointed George A. Wahl, 11606 S. Hale Ave., as General Chairman of the picnic.

The following committee members will also serve: Frank J. Kasper, Games, 6028 S. Washtenaw Ave.; Patrick A. Murphy, Prizes, 3425 W. 60th St.; James J. Thompson, Reception, 1716 W. 63rd St.; Edward L. Klinger, Publicity, 7400 S. Racine Ave.; Herman Hausman, Parking, 5957 S. Sangamon St.; Edmond J. Molyneaux, Grounds, 6342 S. Ada St.; Arthur A. Lamping, Dance, 6203 S. Wood St.; Herbert F. Henrichs, Finance, 1545 W. 61st St.; Fred J. Heil, Refreshments, 1001 W. 68th St.; Jos. Sherman, Ways and Means, 1000 W. Marquette Rd.; Robert Welch, Police, 6616 S. Honore St.; Rudolph R. Gesswein, Booths, 6347 S. Hoyne Ave.; John J. Murphy, Equipment, 6733 S. Morgan St.; Dr. Geo. A. Klein, 2850 W. 63rd St.; Dr. M. H. Pauly, 1158 W. Marquette Rd.; Dr. Nicholas Pavletic, 9401 S. Bell Ave.; Dr. Andrew E. Schick, 7847 S. Lowe Ave., and Dr. Jos. R. Mueller, 331 W. 63rd St., First Aid.

A cordial invitation is extended to all to attend the Grove, which is ideal for a large picnic. Sufficient parking space for cars, and plenty of tables for the family picnic lunch are assured.

Sixteen events will take place. The big feature of the day will be an old fashioned Roman Chariot Race. A Real Track—Real Horses—Plenty of Excitement—Young and Old will thrill to see these horses race around the track. There will also be races for the little tots, boys and girls, men and women; also horseshoe games, egg throwing, sack race, nail driving contest for the women, softball games, pie eating contest for boys, three-legged race, and free dancing throughout the day.

There will be an admission charge of 25c per car (whether it carries one or a hundred passengers), entitling all the occupants to attendance tickets.

Buses will leave 63rd and Ashland Ave. starting at 9:45 a. m., Sunday, August 3rd—Adults 40c, children 10c, per round trip.

ARCH. QUIGLEY SCRIBE, JOHN GOLDEN, AND MISS ALFREDA WLODARSKI, WED

Along about the time this issue hits all of the "newsstands," a very nervous groom-to-be will have dropped the "to-be" in favor of a hearty "I do." Archbishop Quigley's Scribe, John Golden, and the lovely Alfreda Wlodarski are to be married tomorrow (Saturday) morning at St. Mary of Perpetual Help Church, 1039 W. 32nd St.

An escort of Brother Sir Knights from Quigley's Fourth Degree unit including G.K., Leo J. Gawrych, Walter Budny, John J. Jankowski, Michael Sinsko, Kasper Knasiak, Michael Zagorski, Peter Malek, Raymond Maciejewski and John Costello will escort the bridal couple and act as ushers at the 10:00 a. m. nuptial mass.

Attending the bride will be Miss Virginia Ligocki as maid of honor and Mary and Catherine Golden as bridesmaids.

The groom will be accompanied by Robert Golden, best man, and John Carroll and William Nixon.

1,002,752 RELIGIOUS DEPENDENT ON HOLY SEE

Vatican City.—Now dependent directly on the Holy See are 1,002,752 men and women, members of 874 men's and women's religious congregations and orders throughout the world. Statistics just issued by the Sacred Congregation of the Religious reveal that these figures are divided as follows: Sixty-one orders of men with 108,347 members, 93 congregations of men with a membership of 105,067, and 720 women's congregations with 789,338 members. These figures, NCWC News service says, do not include those orders and congregations dependent upon the Sacred Congregation for the Oriental Church and the Sacred Congregation for the Propagation of the Faith.

St. Rita Golfers to Tee Off This Sun. at Westgate

1-3 Thurs. . . . 6048 S. Fairfield Ave.

St. Rita Council's first golf tournament of the season will be held this Sunday at Westgate, 131st St. and Ridgeland Ave. A few of the members played the course this week and reported to Chairman of Athletics Bruno Fracassi that it is in fine shape.

Members and friends of our council may begin teeing-off at 11:30 a. m. When all scores are turned in at the end of the day prizes will be awarded on both net and handicap basis, so if you are not in a class with Ben Hogan, Craig Wood or Art Manfredi (don't know how his name sneaked in), don't let that worry you.

Our host at the tournament will be none other than Tom Walsh, pro of Westgate and president of the PGA. If you have been attending our meetings recently or reading this space you will recall that Tom was our guest a few weeks ago and with the tools of his trade showed us a few fine points of the ancient Scotch game.

Why not make up a foursome and come out to Westgate and see if Tom's instructions helped your game? Even if they haven't you are sure to have a good time as rumor has it that Ray "Harpo" Sullivan plans to shine up his sticks and come out of retirement.

PICNIC

Probably there will be other things doing in and around Chicago, Aug. 3, but from reports coming our way none of them will be able to hold a beer can to St. Rita Council's twenty-second annual picnic to be held on that date at Sudent's Grove, 6600 W. 111th St.

The affair is still nine days away but the response to date already indicates that the picnic will go down in the records as one of the most successful ventures ever sponsored by our council.

Under the capable direction of General Chairman Jack Bracken and his committee plans for the affair went forward this week without a hitch. And why shouldn't they? After all there is no reason why a success string of twenty-one straight should be broken this year.

The program for a week from this Sunday is sure to meet the taste of the most perspicacious student of entertainment. It includes free transportation to the grove; spacious rolling lawns—suitable for dining or sleeping; a bar, soft-drink stand and refreshment booth with plenty of elbow room and congenial attendants; games of "skill"; softball, races, pony rides and horseshoes, and last but not, etc., dancing and entertainment.

For the benefit of those who do not intend to journey to the grove in private cars, buses will leave 63rd and Ashland at 11 a. m. noon, 1 p. m., and 2 p. m., making stops to pick up passengers at Western, California, Pulaski and Cicero.

Chairman Bracken has asked us to urge all members who are able to assist Chairman Jack Devlin and Jim Boyce is carrying out their respective duties. Jack is in charge of the sponsor list while Jim is head of the prize committee. Please contact them or any of the officers if you want to donate a prize or add your name to the sponsor list.

THINGUMBOBS

St. Rita Church will hold its annual carnival on the parish grounds this Sunday through Aug. 3. P. G. K. Chris Mathis of our council is general chairman of the carnival. . . . Immaculate Conception Church is also holding a carnival from July 24 to Aug. 3 at 32nd St. and Lithuanica Ave. Among our brothers on the committee are Charles Steifel, August Pflum, John Schneider and Charles Schneider.

The transfer applications of George Ellison from Dowling Council and Joseph Welch from Quigley Council were received at our last meeting. Hope to see both brothers at our next meeting. . . . Bros. Joe Shanahan and Jack Bracken were blood donors for Bro. William Kearney at St. George's Hospital last Tuesday. . . . Our 2034 Club will hold its annual meeting next Monday night. . . . Bro. Edward Greene has answered the call of Uncle Sam. Pvt. Greene is now stationed at Boyce City, Ia. . . . Your dues can now be paid to our new Financial Secretary, Joe Shanahan, at 7956 S. Union Ave. Phone Vin. 2745. . . . Bros. Ted Ranicke and Connie O'Sullivan were elected directors of the Home Association for two-year terms at our last meeting. . . . Appointments made by G. K. Ted Lee included Theodore Kucharski, organist; Bruno Fracassi, chairman of athletics; Joseph Gallagher, Retreat chairman, and Charles Meyer, delegate to the Chicago chapter.

VITAL STATISTICS

The mother of Bro. John Becker was called to her eternal reward last week. The officers and members of our council extend to Bro. Becker and his family their heartfelt sympathies on their loss. . . . Bros. Joe McGowan and John Nowick are passing out cigars. A baby boy was born to Mrs. Nowick, July 13, while Mr. and Mrs. McGowan are the proud parents of a girl born July 21. Charles Schmidt, son of Outside Guard John Schmidt, was married July 4th. Another son, John, Jr., will middle-aisle it Aug. 2.

OFF THE SCOREBOARD

Our softball team won its last two ball games, defeating Englewood 16 to 13 and McHale, 9 to 8. Future games include Englewood at Gage Park, Thurs., July 24; McHale at Gage Park, Tuesday, July 29; St. Rita at Auburn Park, July 31, and St. Rita at Englewood, Aug. 7.

A meeting of the K. of C. softball league will be held Friday, Aug. 1, at 173 W. Madison St. All delegates are urged to attend. A softball stag and social will be held at Leo Clubhouse the same night. Admission is 75 cents.

Aquinas Appointment Brings Bill Golden to Office as Lecturer

1-3 Tues. . . . . 5441 S. Ashland Ave.

G.K. James Sweeney announced the appointment of Bill Golden as Lecturer. Bill has rendered the council many valuable years of service and promises to give his best in the coming year.

As previously announced, Ed Fennell has been retained as Financial Secretary. It would be well for some of you boys to contact him.

Jack Barsley and Bob McGrath, Aquinas' two famous bowlers, just returned from a vacation at Sister Lakes, Michigan. While there they called on Vlic McVady who is vacationing there as usual.

O'Connell Gets Grand Start on New Record in Membership Drive

2-4 Tues.....1100 N. Franklin St.

At the last meeting there were read off ten new applications one by Victor LaPorte, one by John Cassato, one by Joseph Marino, and the remaining seven by your new Grand Knight, Bro. Edward Gauna. Not only were the ten applications read off, but Bro. Gauna held five more that will be read off at the next meeting. Now, that's some sort of a record, at least I haven't been able to find where this feat was duplicated or excelled.

The council is worried about the condition of our Chaplain Rev. Paul Schlimm, who during the past week made a trip to Mayo Clinic for a thorough examination. We sincerely hope the examination will disclose nothing serious, and that before very long he will be back with us again hale and hearty.

CONGRATULATIONS to Past Grand Knight Joseph C. Meier who, on July 19 celebrated his 54th birthday. His birthday also marks another active year spent in Knight of Columbus work. During almost 25 years of continuous participation in Knight of Columbus activity, Bro. Meier has brought not only upon himself many distinctions but has brought glory to the name of Daniel O'Connell Council.

APPOINTMENTS

The following appointments have been made by your Grand Knight, and it is his desire that the chosen men will act in the various capacities, so that the council will enjoy a rich and prosperous future.

Chaplain—Reverend Paul Schlimm; Lecturer—Victor LaPorte; Delegates to Chicago Chapter—Joseph Rago, P.G.K.—Ben Nathan, P.G.K.—John Stubing; Financial Secretary—Joseph H. Meier.

Chairman of Sick and Relief—P.G.K Joseph C. Meier; Membership—John Cassato; Blood Donors—P.G.K. Ben Nathan Catholic Action and U.S.O.—P.G.K. John Stubing; Fourth Degree—Francis McAuliff, and of Lapsation—P.G.K. Timothy Clifford.

Needless to say, the appointments are excellent selections and with the cooperation of the membership Daniel O'Connell council should be tops in percentage points in every Knight of Columbus activity.

BOWLING

Now is the time to start thinking about O'Connells' bowling team for 1941-42. Bro Joseph H. Meier, last year's captain, and incidentally the boy who rolled himself a nice 680 series, will handle the job again this year.

Your picnic committee is doing everything possible to insure a good time for all the members and their guests. During the next week you will receive a card of invitation to this affair upon which will be printed the necessary routing instructions. so when it does arrive—don't just set it aside, but put it on your dresser as a reminder, so that you won't forget the date or how to get there. To be continued next week.

Don't forget to mail a card to your Scribe when you go on your vacation, so that the council may be kept up to date on your travels—J. F. Henricks 4245 N Broadway will do the trick.

BOYS TOWN SERIES PLANNED

Dayton, O.—Frank Scully, author of the Fun in Bed series, has signed with the Bell syndicate to do a daily feature on Boys Town in collaboration with Monsignor Edward J. Flanagan, according to Newsweek.

Madonna Enjoys Perfect Day for Golf Tournament

.4 Friday . . . . 4624 S. Emerald Ave.

Well, there we were in our yoo hoo ants watching the cars fly by. Every nce in a while a gang of the lads would me rolling along in their shiny buggies, nd we would stop chasing the horses ng enough to wave at them.

We thought it was kinda fishy when . G. K. Marty Morrison put us up as rand Marshal of the Golf Tournament, nd it looked fishier still when we dis-vered our duties consisted of patroling cCarthy Road—shagging the horses off e pavement. It was pretty hot and isty chasing those plugs off the high-ay—but we had a lot of fun. We think e'll be cowboys when we grow up.

MARTY

Really put the tournament over with bang. A hundred and ten practice rokers appeared to walk, drink, drive, ink and eat and drink. (Now don't get wrong.) Perfect golfing weather and od management combined to make a y enjoyed by all the gang.

Two low scores of 80 were the best of e bunch, Leo De Runtz turning in one d a guest, J. Wagner, the other. Father irke turned in an 83; his partner, ther Marren didn't fore as well.

About every third golfer received a phy, the bunch getting a big kick out G. K. Raleigh Kean's donation of ten llons of gas and a car wash, which as won by G. K. Raleigh Kean. While me of the "regular" lads were out, ughie Cunningham, Larry Ryan, Steve lden and P. G. K. Bill Birmingham of lumet, a good many of the old-timers re conspic by their absence. But as say, it was, we believe, the largest nout in years. Congrats to Marty and s committee.

A TOUGH GAME

Was lost to Leo's team last Thursday ght, After an inning to inning fight, d despite a home run by Joe Du Bray, donna came out on the short end of 50 to 4 score.

One of the most thrilling games of the ason, the Leo-Madonna tilt was tched by one of the largest crowds yet en. And it was encouraging to find -timers like John Farnan, Sr., out ting for the lads.

MADONNA'S MUMBLING

That Marty Morrison had to take a t after the work of the tournament. He's down at Cedar Lake for a while. nder if he can Cedar lake from his ce? (Smells, doesn't it?) (Stinks is word, Stinky.—Ed.).

That the date of the summer dance may pushed around to accommodate the nival—if there is one.

That after a long and agonizing delay e, no doubt, to defense priorities) the tains for the clubhouse windows have ived. The gift of Bro. Bill Dineen, big curtain and stretcher man, they pretty snorky. The neighbors will e to peek pretty hard now.

Inglewood Lays Plans or Council's Success During Coming Season

2 Mon. . . . . 150 W. 69th St.

After the very interesting and well tten columns of the past years it is h ajittery hand, or rather a timid er (I use the hunt and peck system) t I sit down to write this column. I e that you Brothers will bear with me il I get the hang of trying to dupli-e Bro. Henry Kohlmann's fine report-of our council news. Here goes.

With the installation of the officers for coming year having been added to the ious history of Englewood we now k forward to a bright future. With a amount of prosperity now having lly gotten around the corner a highly ccessful period should be in prospect, ernally, spiritually and financially.

Harking back to the inspiring words of State Deputy it would be a great step ards a successful year if all the mem-s now on the Automatic Assessment n Plan were to regain the full privi-es of Knighthood. As you Brothers w, anyone on the A.A.L. is lessening his equity in his insurance. Anyone who is now in a position to take up his payment of dues and assessments should do so, first for his own benefit and secondly for the benefit of the council. All who are interested in this should take it up immediately with our Financial Sec'y, P.G.K. Chas. H. Huguelet, Sr., Phones Wabash 0460, Englewood 1099.

SOME GOOD ADVICE

If some of you members have not heard our Chaplain, Rev. Father Geheb, S.J., speak you are missing a great deal. Father Geheb tells us in good plain English what we need to go forward; in fact, he has one word which covers the whole thing—ENTHUSIASM. If we can develop this in our Council, especially in these times when we should be strong, we shall succeed. We would do well to attend all meetings to hear Father Geheb; his talks are timely and very beneficial.

The scribe will appreciate any information concerning the whereabouts of any of the Brothers of this council who are now in the service, as would our Recorder, Geo. Johnson, so that we might let the boys know what's going on in Englewood. Any of Bill Hannan's friends who care to write him, can send his mail to Private Wm. E. Hannan, Company C, 52nd Training Battalion, Camp Walters, Mineral Wells, Texas. It's a certainty that Bill will be glad to hear from you.

As directed by the overwhelming majority at the last meeting Englewood Council will be represented, when the final arrangements are made, in the new South Side bowling league. Anyone interested in becoming a member of the team should contact P.G.K. Chas. H. Huguelet, Sr.

It's hard to believe but Englewood's softball team took it on the chin from Auburn Park, 11 to 5, in a hard fought thrilling game. Joe Hannapel, manager and captain, says "One of our sluggers, Lou Sink, has had a charleyhorse and been unable to play but hopes to get back in there soon. Tuesday we play McHale at Meyering Park, but this will have gone to press before game time. There are four more games left on the schedule, two with St. Rita, one with Auburn Park and one with McHale. So come out and we will try to finish in a blaze of glory."

VIA THE GRAPEVINE ROUTE: It seems as if our new chancellor, Jim Shevlin, wanted to make some first hand observations of the Russian situation for he is spending his vacation at Skogway, Alaska. According to the picture post card he is seeing some very impressive scenery. . . . Classes from eight to eleven in higher mathematics at Illinois Institute of Technology, Lansing airport for flying instructions and flight practice from two to five; classes in meteorology and navigation at the U. of C., from 7 to 10, explains the absence from the passing scene of one Phil Huguelet. . . . Could it be that the Sink brothers are building a house at Gray's Lake, Ill. . . . and whatever became of Dick LePenske? . . . That's all for now, Brothers. Don't forget the next meeting is August 11.

McHale Softballers Drop 'Heartbreaker' to St. Rita 9 to 8

1-3 Tues.....150 W. 69th St.

I don't find any pleasure in telling you that our softball team was defeated last week by St. Rita, by a score of 9 to 8, It was the most thrilling game of the season, and was witnessed by a capacity crowd. After trailing 9 to 3, going into the last half of the last inning our boys put on a spirited rally which was featured by a home run by our star left fielder, Jimmy O'Connor, with two on base, this left us just one run short of tying the score.

By the time you receive this issue of the Codumbian, we will have played the teams of Englewood and Auburn Park coucils again. Our team wishes to thank the many rooters attending each game, for their moral support for it spurs them on to play the brand of ball you and they enjoy. At the present time (July 21) the team has won seven and lost three.

LADIES NIGHT

Each year you know, we have our August meeting (first Tuesday) at Ryans Woods, 87th Street and a little east of Western Avenue. This night we set aside to entertain the wives, sisters and sweethearts of our members. We are advising you of this, in advance, so that you will have plenty of time to make arrangements to be present that night, August 5.

Bro. Jack Anton, one of our popular hustling new members is chairman for the occasion and he has promised to show our ladies a wonderful time.

HERE AND THERE

Received the following from one of our members: Greetings Brothers:—Having a swell time, wish all you fellows were here to take my place. I received my first copy of the Columbian the other day. It was with great pleasure I learned of all the junior members being elected to office. If they don't win the softball championship, I make a motion that they all be demoted. Will see you in a year, I hope.—Oliver J. Collins % Station Hospital Ward A—16, Camp Forrest, Tenn.

Bro Larry Franks and P.G.K. Bill Collins paid a visit to Bro. Steve Owens, July 4,and were elated to find that Steve is well on the road to a complete recovery. Bro. Fred Barzen announces the grand opening of his filling station and tavern located at 127th Street and Cicero Avenue, for three nights, July 25, 26 and 27th. Lets all go out and visit Fred this weekend. . . Wonder what Frank Mulroy and George Perona are thinking about these days: Well, I can tell them something to think about, two cannot live as cheaply as one.

FOOD FOR THOUGHT

When you read the news of your council and perhaps other councils in this publication, do you ever try to think of how it all comes about—of the thought and labor involved to present the news to you?

I'll try to tell you. The Scribe (the guy who writes the news) must be thinking about his council and its members, all the time. He must be inquisitive; he must be prepared to make notes at any and all times, must always have a pencil and scrap of paper handy, if no paper is available, then of course he can put it on the cuff.

After he has gathered his news, he must find time to write it up and send it to the Editor so that it arrives not later than Tuesday of each week. If his council happens to meet on a Monday night, he goes home after the meeting, turns on the lights and starts writing and continues until wifey hollers, for the love of Mike Hank, are you going to stay up all night?

When, at last, the editor of the Columbian has the scribe's notes, the poor fellow must read and edit all that he receives regardless of how illegible or boresome it may be. After he has read the master-pieces of the many scribes, he says an Act of Contrition (twice-Ed) for the thoughts he has had during the reading, then he sends the copy (notes to you) to the printers co that the linotype operators can set it up. After being set a proof is pulled and that is sent back to the editor to read and checked for errors. All this must be done before Wednesday noon.

When he has finished with that bit of work, the weary editor staggers (due to fatigue) over to the printers and really starts to work. He and a few of the make-up men take all the type that has been set and they proceed to make it up into pages. The pages are then locked into a chase (an iron frame) which in turn is put onto a very large printing press, to be printed. This is all done Wednesday and early Thursday morning, the Columbian is printed and the mailers start their work of getting them to the post-office so that you can have your copy Friday.

In the meantime, while all this work is going on, each and every scribe holds his breath until he receives his copy of the Columbian, when he then rushes over to a corner and admires his handiwork.

So, my dear friends, if you have read my story and you know of any scribes who in your opinion is not doing a good job, don't be too critical of them. Remember, they do the work (and it is work) for you and your council, every week, rain or shine—hot or cold, for little or no remuneration.

San Salvador Picnic Is Sunday; Warning's Grove Will Be Locale

2-4 Mon. . . . . 24 E. 114th Pl.

The big event of the season is almost at hand. Next Sunday July 27, the big trek starts early in the morning with the moving of refreshments out to Frankfort, Ill., to take care of the needs of all, from the kiddies on up to the old folks.

There will be plenty of the bovine quadruped, namely beef to you guys and girls, along with the barking dogs prepared by your illustrious chef Cliff Heffron, and his cohorts. Maybe some of you folks have a stand-in with the weather man and can arrange suitable conditions for our 35th annual picnic.

There will be games and prizes galore. Some one told me the single men were holding secret practice to eliminate the danger of certain defeat this year for a change. Maybe Tom Duffy, the umpire in the past years, will take care of the single men for a change.

Oscar Hines has gone through preparations to no end in order to make this picnic the most successful ever held. If you are asked to work on the committee, do your part to help the various chairmen and your efforts will be all that is needed to climax a successful event.

Geo. Mason, as usual, will be the dispenser of mirth in the main booth located near the dance floor. You will probably see all your friends there, namely Tom Cully, Bill Schuller, Bob Caverlee, Leo Mulcahy, Tom Duffy, Gene Roth, Dick Judge, Chas. Lawler Earl Dunn, Henry Shields and the various friends of San Salvador, along with the members of Pinta, Blue Island and Garcia Moreno..

HERE AND THERE

The wife of our financial secretary, Jas. Burke, gave birth to a nice baby girl at the Roseland Community Hospital. Mother and daughter are both doing fine.

The sister of "Doc" McCormick was awarded a deluxe Chevrolet at the close of the Holy Rosary Irish Church bazaar. May she enjoy the wonderful success that was hers. Maybe you will be the same for next Sunday by taking home our Buick special sedan. The only way is to return your receipts to Jim Burke, our financial secretary, before next Sunday. May you be a one-man committee spreading the information of the big event of the year, July 27, at Warning's Grove, Frankfort, Ill. Final picnic meeting Friday evening, July 25, for the last check-up. See you Sunday at the picnic.

Retreats and Nocturnal Adoration

By FRANKLIN J. HASSMER

Are you one of that fortunate company of men who have come away from Mayslake on a Monday morning, refreshed spiritually and physically after a week-end retreat? If you have then you remember the feeling, something strangely akin that feeling so definitely associated with a morning, long ago, when you made your First Holy Communion.

Has the reason for this feeling ever occurred to you? Could it, by any chance, come about because of a closeness to God? Without a doubt this is the element which produced the quality that for lack of a better word you referred to as "taking wings." For sixty golden hours, you had dwelt in the House of the Lord. There a new perspective of life was had—a revaluation of the things you had thought so important was supplanted by a new code of values, deep-rooted in Time and Eternity.

What of it, if the future be filled with trials and disappointments? Had not the Author of Life shown you that it was He Who disposes? All this was too good to keep to yourself and you recall how determined you were to share your new joy with all whom you met. From now on you were resolved to champion the cause of Christ, even if it meant making speeches on street corners.

Alas! how frail human nature—how perishable good intentions, for too soon the determinations spun within the Retreat House began to fray. To recapture them was no easy task and the next retreat was a long way off.

The secret of retaining the treasures found at Mayslake is comparatively simple. Our Blessed Lord has made this fact plain when He said, "Come to Me, all ye who labor and are heavily burdened and I will refresh you." You can do that as a member of the Nocturnal Adoration Society. Membership in this Society makes only one demand on a member—attendance at the Holy Hour conducted on the last Saturday night of each month at 11:15 P. M. in Notre Dame Church, 1335 West Harrison street.

To you who cherish the great spiritual comforts which result from a retreat at Mayslake, prolong the experience throughout the entire year as a member of the Nocturnal Adoration Society in intimate service at the throne of the Eucharistic King. The same nearness to God at Mayslake will be found in the service of adoration at Notre Dame, which will become as so many links in a golden chain of spiritual jewels from one retreat to another.

The next meeting of the Nocturnal Adoration Society is scheduled for July 26th, to which all Knights of Columbus and their friends are cordially invited.

AUTHOR CLAIMS 'MERCY' KILLING GOES ON IN REICH

New York.—Making substantially the same charge that two NCWC dispatces made in December, 1940, William L. Shirer, in his new book, Berlin Diary, claims that the Nazis are systematically putting to death the mentally deficient in the Reich. Mr. Shirer, foreign correspondent and radio reporter, reveals that "a trustworthy German has estimated the number at 100,000," and adds, "I believe that figure too high, but certainly it runs into the thousands." These assertions are made in an article, "'Mercy Deaths' in Germany," in the June issue of the Reader's Digest.

789,338 Religions Serving in 874 Pontifical Groups

Vatican City.—For the first time the Sacred Congregation of Religion has published statistics of the Religious Orders and Congregations of Pontifical Rite.

These religious groups are those which do not depend on the local diocesan authority, but directly on the Holy Father through the Sacred Congregation of Religious.

There is a total of 874 institutions with 789,338 members.

4,000-Year-Old Tablets Are Viewed at Biblical Display

Rochcester, N. Y.—A display of rare Bibles and other objects of Biblical interest has been arranged by the Rev. Dr. Edward J. Byrne, Senior Professor of Biblical Studies at St. Bernard's Seminary and is on display on the ground floor of the main building at the Seminary.

On display is a scroll of the Pentateuch in Hebrew characters in roll form, 140 feet long, one and a half feet high mounted on olive wood rollers.

Included in the display which is the private collection of Dr. Byrne who is also President of the Catholic Bible Association of America are clay tablets with Babylonian inscriptions over 4,000 years old with dates older than the time of Abraham.

Biblical manuscripts of Samaritan and of Hebrew origin, manuscripts dating from Christian times and biblical manuscripts of medieval times, with bibles dating from the beginning of printing. Among the latter is a copy of the first full quarto size bible printed in America, namely the Catholic bible as printed in 1790 by Matthew Carey of Philadelphia, the friend of George Washington and founders of the American Republic.

There is also a small English New Testament printed at Utica in 1832 through the generosity of Nicholas Devereaux who purchased the plates in Dublin and had the printing done in the United States for the benefit of American Catholics. There is also a copy of the first Greek Bible published in the United States at Worcester, Mass., and a copy of the original edition of the Duoay Bible printed in 1609.

Weber Expressed Deep Gratitude to the Retiring Staff for Its Fine Work

1-3 Mon. . . . . 4758 S. Pulaski Rd.

With an air of dignity which left a deep impression on the assembled members at last Monday's meeting, Weber's officers were installed. A rising vote of thanks was given to retiring G.K. Julius Martynowicz and the other retiring officers. D.D. Phil Nilles rendered compliments to these men for their great efforts during the past year, which brought such success to our Council and which has today placed us in a very progressive condition.

All of us should be deeply grateful for the time and effort that P.G.K. Martynowicz devoted to our council during the past year. We hope that he will remain active and attend all meetings so that we may benefit from his wise advice and counsel. Now that the new year has begun, we hope that the entire membership will go forward with the new officers in unity and be cooperative to the fullest extent.

The following are the men who were inducted into office: G.K. Joseph J. Nowakowski; D.G.K. Steve Jas; Chancellor John Zolna; Warden Chester Nowaczyk; Recorder Frank A. Kubiak; Treasurer Leo J. Dobrowolski; Advocate James I. Swientek; Trustees Pete Zegdel (3 years), Joseph Zapotocny (2 years); Inside Guard Vince Lelewicz; Outside Guards Joseph Majka and John Wojcik; Delegate to Convention, P.G.K. Julius Martynowicz; Alternate to G.K., P.G.K. Stanley Jaworski; Alternate to Delegate, Leo J. Dobrowolski.

Appointed officers and chairmen: Chaplain, Rev. Dr. Alexis S. Gorski; Lecturer, Dr. John W. Dziubski; Scribe, Leonard A. Bragiel; Organist, Arthur Nowakowski; Athletic Chairman, Mitchell Mazurek; 5 Point Program Chairman, P.G.K. Julius Martynowicz; Membership, John Mazer; Catholic Action, John Tzos and Frank Wieruszewski; Blood Donor Chairman, Frank Dalka, Jr.; Delegates to Chicago Chapter, Frank Smolarek and James Swientek; Dance Chairman, Anton Kraft.

BIRTHDAYS AND ANNIVERSARIES

July 22, Bro. Stanley Kiedrowski; July 23, Bro. Edw. Zytka. Anniversaries: July 22, Mr. and Mrs. Rudolph Rozak, 12 years; July 24, Mr. and Mrs. John Zolna, 7 years; July 27, Mr. and Mrs. Stanley Rudzewicz, 10 years. Congratulations to all.

WEBER FOURS: The Fourth Annual Golf Tournament sponsored by the Fourth Degree Club will be held Sunday, Sept. 21, at Southmoor Golf Club, 131st and Southwest Highway. DUES: If you are one of the delinquent Brothers, please call or pay a visit to our new Financial Secretary, John Wirtel, 4816 S. Springfield Ave., Virginia 1157.

SCRIBE'S NEWS

Your scribe is regretfully relinquishing his duties to take over the post of recording secretary. In the past year it has been fun, pleasure and at times "old man worry" did visit me when there wasn't any news. Nevertheless, I made friends and I deeply appreciate the cooperation received from the G.K. and all of the members. Likewise thanks to my friend, the editor, for fifty-two weeks of cooperation. Now let me introduce our new columnist, Bro. Leonard Bragiel, 4343 S. Drake Ave., Lafayette 5822, who will do a creditable job. Please send him your news. So long, Brothers.

SUPER FLASH: The stork presented Trustee Henry Zabelski with a baby boy. Mother and baby are doing swell. Seegahs, Hank!

"Osservatore" Scores Papers' False Reports About Papal Audiences

Vatican City.—Comments disseminated by certain secular news agencies and published in secular newspapers, attributing false meanings to acts of His Holiness Pope Pius XII and distorting their true nature, are severely criticized in an article in "L'Osservatore Romano."

This distortion has occurred, "l'Osservator" states, in instances when the Holy Father has had occasion to voice appreciation of the personal qualities of distinguished statesmen who have visited him. Immediately, "L'Osservatore" asserts, some secular newspapers interpret this act of courtesy as approval by the Holy See of the political interest the visitors represent.

The Chicago Chapter of the Knight of Columbus took an active part in th soldier welfare work at Fort Sherida after the entry of the U. S. in the la war. One big entertainment each wee was provided through the chapter's ow funds for the men at Fort Sheridan.

Talent furnished for these entertain ments usually consisted of the stars ap pearing at the Loop theaters supple mented by performers from the variou booking agencies in the city.

A very sad duty was discharged by th Fourth Degree members on the occasio of the funeral of Most Rev. James Ed ward Quigley, D.D., Archbishop of Ch cago, July 15, 1915. On that occasion th Fourth Degree members, headed b Thomas P. Flynn, Vice Supreme Maste and Jerome J. Crowley, in immedia command of the column, ably assisted b Joseph J. Kelly of De La Salle Counc made a profound impression. In the lin of march were 400 members, each wearin the parade dress of the Fourth Degr and occupying the place of honorary e cort, marching directly in advance of th pallbearers. The parade was most pi turesque and majestic. Much credit fo the precision and dignity with which th procession moved was due to the Gran Marshal, Daniel A. McCann, and Vic Grand Marshal, Edward H. White.

It was in January of 1909 that Cal met organized its first council bowlin team. The squad, made up of old-time —Nuth, Fitzgerald, Ellement, McCal and Glennon—defeated a team from S Salvador Council by a score of 816 696. San Salvador's team listed Siefer J. Gortland, W. Dean, P. U. Fay and J McCrudden. The game was played at t alleys then located at Cottage Grove a Sixty-fourth St.

Few more important gatherings tha that of January 6, 1916, under the auspic of La Salle Assembly, Fourth Degr have occurred in Chicago. This was Ch cago's presentation of the questions in volved in the religious prejudice cam paign conducted by the Supreme Coun of the Knights of Columbus.

The meeting was held in the Gold Roo of Hotel La Salle, and was given th prominence it deserved. The orator of th occasion was Joseph Scott of Los A geles, California, one of the most stirri and at the same time most forceful pla form orators in America. Men who ha heard Mr. Scott under all manner of c cumstances concede that on no subje has he ever been so forceful as on th of religious prejudice, and it is believi that the several addresses delivered this eloquent Californian throughout th Unitd States during the conduct of thi campaign have accomplished much in th direction of allaying religious prejudi and promoting a better understanding b the Catholics with their fellow citizens

The Landing Day celebration sponsor by the Knights of Columbus of Chica in 1911 was a reproduction, on a sm scale, of the voyage of Columbus.

The Columbus Caravels were equipp for sailing, and after a program at Jac son Park, the actors in the drama e barked upon the caravels at the harb at 67th street and sailed to Grant Pa where a landing was effected. At Gra Park the mayor, Carter H. Harrison, a a committee from the council welcom the navigators, who were all in costu and who enacted a most interesti pageant. A moving picture story of th life and voyages of the great navigat was then shown in Music Hall of th Fine Arts Building. At 6:30 a banq t was served.

Acting under the direction of the Fou Degree Assembly, in accordance with tion taken at its meeting in Februa 1920, was made notable by the presen of Rev. Francis A. Kelly, Staff Chapla of the 27th Division, U. S. A., known s the "fighting chaplain," and who receiv the highest decorations for bravery fro the United States, Great Britain, Fra e and Belgium, and in addition seve other citations for distinguished condu Father Kelly was the National Chaplain of the American Legion. Presen to the Assembly, he delivered a ver happy address. On the same evening t. Rev. Joseph Schrembs, bishop of Tole Ohio, delivered one of the most eloquent addresses ever heard in the Assembly.

There was besides a very entertaining program of dramatic and musical numbers.

St. Pat's Asks All Members Aid on Parish Festival

1-3 Tuesday.....6 N. Hamlin Ave.

Bro. James Ragona has asked us to announce that there is still plenty of time to attend the Benefit Carnival and Festival sponsored by the newly founded Blessed Mother Cabrini Church, 743 S. Sacramento Blvd. This gigantic affair, which opened on July 18, still has five days to run before it closes. If you can spare the time, come out to the grounds where this splendid enterprise is providing entertainment of every description for everyone. Bring your family along and give the children a treat. It will do your heart so much good to see them enjoy themselves and yet you will be doing a great act of charity when you rally around the benefit carnival. Remember, too, that there will be many rides and games. Let us have an all-out, friends, before it closes on Wednesday, July 30.

BARBECUE REWARD

When the Barbecue picnic was staged at Riverview Park on June 18, we assumed that it was the culmination of the drive that is held annually for the benefit of the children, but we were only guessing. It develops now that the profits have been put into operation immediately. A summer camp for girls at Dodridge Farm, near Libertyville, Ill., has been opened and already 101 little girls are beneficiaries of a two-week vacation.

Here they enjoy excellent food, comfortable dormitories and recreational sports such as swimming, softball, and such games as the fair sex enjoy. Doesn't make you happy to know what your sale of Barbecue tickets meant to these underprivileged individuals? Sure it has, and to us it has instilled in our hearts the desire to accomplish even greater laurels in 1942.

James "Bing" Koerner, our amiable and complacent softball star, has departed for one year's selective service training. Before he left the diamond at our last game on Thursday, July 17, Jimmy" was the recipient of a "pen and pencil set" given by members of the softball squad. It touched him so deeply that even with his great fortitude, Bro. Koerner had to restrain himself to hold back the "tears of gratitude."

The presentation was made by Manager John Failla and William O'Connell, our worthy D. G. K., who always seems to do the right thing at the opportune time. Members of Chicago Council also bade "Bing" farewell and wished to him the success that a boy of his fine calibre deserves.

Who is the new benedict who calls us frau precisely every hour to let her know that everything is "all right" and that he'll be home in "ten or fifteen" minutes? Maybe G. D. could throw some light on this question. Our friend and neighbor, Eugene (Early Bird) Petralia, has forsaken the Windy City for the next two weeks to visit his "sister" down at La Junta, Colorado. Who knows, maybe this guy isn't telling all he knows.

John Egan, Rec. Sec., rushed out to give a transfusion to Charles Kelly at Little Company of Mary Hospital, only to find that some one had beaten his time. Kelly is doing right well these days. Credit Bro. Egan with an assist, anyway, because he had the "play" beaten.

After 23 years Lecturer John O'Shaughnessy finally received the purple cross, symbolic of oversea duty in World War No. 1. Congratulations, John.

SOFTBALL NEWS

In our last softball game our boys went down to defeat at the hands of Chicago Council, 16 to 13. Too many close decisions went against us and so when the final inning was reached we found that we were definitely on the short end of the score.

This game did provide many thrillers, however, what with Clune and Koerner hitting home runs. The general play was not up to standard and the result was that our loose play contributed largely to our defeat. Fans, come out and see your team play Damen on Tuesday, July 29, at Columbus Park, Austin and Harrison, and then Americus Council at Altgeld Park, Washtenaw and Harrison Sts., on Thursday, July 31.

Loyola-H. P. Plans Bigger Successes in Activities for Year

2-4 Thurs. . . . 7435 Cottage Grove

To all of us, Loyola-Hyde Park Council is the best in the entire jurisdiction. We have many things to be proud of and plan other accomplishments. We are not the biggest because we believe in quality and not quantity. You are proud when you mention your council and justly so. Your officers have in the making considerable plans for future meetings—they want them interesting and enlightening. They have proven in the past they are zealous workers, but they are asking a favor of you. What good is an interesting meeting if you are not there? What would prompt them on to even more interesting meetings if you are not there? They know you can't make every meeting, but they are not asking you to come up to the next meeting particularly.

What Grand Knight McGuire and his staff do want is, that you plan during the coming year to co-operate with your officers in attending meetings and in the socia lactivities planned for you. Grand Knight McGuire would personally ask this of you if it were possible for him to address you. He will ask you personally if he sees you, but he has used this medium that has been afforded him. Twice every year at our communion breakfast there are several times as many of you present as at our regular meetings. You enjoy yourself —you can enjoy yourself just as much at a well attended meeting.

So don't just say "I will," and put it off—rather put your own "MUST" on the resolve and come up. He knows next meeting weather will be hot or you may be on a vacation—there are any number of excuses that can be written for every meeting in the year. Grand Knight McGuire wants your support and co-operation. Won't you give it to him for the betterment of your council?

NEWS

Father Gerald Scanlon has again consented to be our chaplain. We are very fortunate. Father Scanlon for several years prior to being our chaplain, was associated with the CYO. He is zealous in any work he undertakes. He has attended more meetings in the years he has been chaplain than other previous chaplains did in several years and his talks were always helpful, friendly talks, not sermons. At least you didn't feel you were getting one.

During the past year your council has made the Honor Roll in membership for the fourth consecutive year. P. G. K. R. L. Judge has been reappointed for the coming year (his second) to this task. We know he will again come through with flying colors like his predecessor, P. G. K. Arch Herman.

During the past week your officers, Grand Knight McGuire, Deputy Grand Knight Baker, P. G. K. Lawler and Inside Guard Gonsoles have been attending installations at McHale, St. Philip Neri, Englewood and Ft. Dearborn. Other members may have attended some other meetings that your scribe was not familiar with. But you can see your officers want to promote good will for your counncil and are doing everything practical to accomplish it. By the way, some of the old timers that used to come up to the meetings but whom I haven't seen lately, have really been missed. To mention a few are Art Borgeau, J. Mullane, John Kleutsch, P. G. K. Walter Kelleher, Ed Looby and Jim Carlyle. I am going to mention more of you fellows next week.

PEREZ PICNIC: Father Perez Council's picnic will be Aug. 3 this year at Sunset Grove, 125th and Archer avenue. They extend an invitation to you to attend. I can vouch for the good time that is available, as I have attended them in previous years.

AMERICUS SCRIBE HIT HARD BY HEAT WAVE

2-4 Tuesdays . . . . 3350 W. Jackson Blvd.

On days like this with the sun pouring forth with all its majestic splendor and the breeze stilled in the mid-afternoon heat our thoughts wander to the southland where the natives take a midday siesta, which you dare not disturb, or to the north woods where they loll in the shade of the tall pine trees by the side of some rippling stream. Oh! what the (quote), get to work, you're in Chicago.

Among the vacationists, we find John Buckley and Outside Guard Bill Twohig spending their off time in the wilds of Minnesota; hope they caught some fish. The Taylor Brothers manage to spend some of their leisure in the Wright place. Frank Flynn, one of the finest of Chicago's finest, is in Twin Lakes with the family. Our best wishes for a good time to all.

SIDE NOTES: To Frank Sattler at Scott Field—thanks for the card, glad to hear you are getting along so well. Hurry up and get better. To Jack Welsh of the Coast Artillery—hurry and get back, with your experience we can open a Chinese laundry on Kedzie Ave. To northwest siders—if you see what appears to be an old man all bent over, say hello to him, it probably is Lecturer Ned Kelly who spent his vacation picking weeds in his garden. To the guilty party: Beware! Eddie Becker has offered a reward of three limburger sandwiches for the capture of the culprit who takes all the olives on Friday night.

SOFTBALL SOFTIES?

On the softball front, our boys blew another game. This time to Kettler at Douglas Park on July 17, before a large crowd of rooters (four of them from Americus) by a score of 10 to 4. Manager McGuire had to dig through the moth balls and drag out Walter Clark to do the catching, and Walter was the peppiest man on the field. Frank Flynn was out in uniform, but it wasn't a softball uniform. Tough on Frank who was dying to get in there. How come Mrs. Leahy was the only one of the brides at the game.

After this week the boys have three games to play, Chicago, July 29; St. Pats, July 31; and Ketteler, August 7, all of them at Garfield Park, so get out and cheer the gang along, they still have a chance to get in the finals. Let us raise our cheering section to at least an even half dozen.

You have probably noticed that no reference has been made to the business activities of the council in this issue. Your correspondent (sounds a lot bigger than scribe, doesn't it?) feels that the less business you talk about in this weather the better you feel. When the days get cool then we will get hot. Of course, dues, like death and taxes, go on and Jack Crawford's address is still 5061 Congress street.

Happenings at the meeting held July 22 will be recorded in the next issue, hope you were there. Next week we will also start our own quiz program. See you then.

Blue Island Golfers Vote Council Tourney One of Season's Best

1-3 Tuesday.....Gregory and New St.

The first golf tournament of the year took place last Sunday when one hundred golfers teed off at the Glen Eagles Golf Club. The turnout was more than the committee expected but all were taken care of in grand style. The first prize for the ladies was won by Dorothy Frasor who came in with a 95. Close behind with a 97 came Mrs. Anderson of Oak Park . . . Nice golf, girls, but Mrs. Vincenti won the prize of the day with a 18 for the water hole . . . The golf club is to make the award at the end of the season.

With a score of 75 Danny Christensen took home the guest prize for first place while Earl Rady, A. Gier and Larry Witt tied with a 76. Rady won the toss for second prize . . . The boys were really shooting very fine golf and Bro. Mike Werniak said that he had to work hard to win first prize for the members with an 80. The second prize for members went to Bro. Leo Krick on the toss . . Both recorded an 80. Believe it or not, the big golfer from Vermont St. came in with a 96 and seemed a bit bushed. The waist line has something to do with it, Big Boy. The day was rather warm and Al Klein was kept busy filling the empties, and Bro. John Reuss supplied the sandwiches with the very able assistance of Grand Knight Hansen. Lecturer Boyd and prize chairman, Lowell Frasor, kept things moving recording the scores and awarding the prizes. To all the members that sold tickets the golf chairman, Dan Boyd, wishes to express his thanks. Without their support the day would not have been the success it was.

BOWLERS ELECTION

At our last meeting the bowlers met and selected the following to take charge of the league for the coming season: Bro. Stan Rosaves, president; Bro. Stan Zamaitak, vice president, and Bro. Tom Parsons, secy.-treas. Much credit for the successful year we had just pass must go to Bro. Lowell Frasor for his untiring efforts on behalf of the league. It was decided at the meeting to limit the league to 8 teams. The newly elected officers will get together and make plans for the new season which will be announced soon.

THE "13" CLUB of our Council will again have a Sunday at the Hickey Cottage which is situated upon the oldest of the Sisters Lakes. The lads that routed the party last year have given the job to James Hickey himself this time and by that we are assured of arriving on time and at the right place. The date of the party is Sunday, July 27. Bring that basket packed full of stuff ready for any one to make a forced landing and partake of the goodies . . . The route can be obtained by getting in touch with Tom Parsons or James Hickey.

GARNERED WHILE YAPPING

The two new Daddies exchanging the latest on diets, formulas, etc. . . . Yep, Tom and Joe . . . The vacationists are returning now and the stories about the one that escaped would fill a column. The report of Pat Dohrman on the Chicago Chapter was missed last meeting. First time in many a meeting . . . The Council came through with a very fine donation for the USO Fund of Blue Island . . . The signature of the Great DiMag was not so hard for Mrs. Tony Chovanec to get last week. Joe gladly gave it upon request . . . That card sent by Billy Creighton has a certain little lady gunning for him.

The bowlers were out enmass last meeting . . . Among them were Gene Cahill, John Pajak, Gene Kempf, Gay Krick, Paul Ulrich, Maurice Dalton, Stan Zamaitak, the great one from Roseland. Very glad to hear that Bro. Ed. Kempf is back in town again . . . and again we are sorry to report that the very genial and fun loving James Ryan has left Blue Island for other parts of the county, namely, north Chicago . . . The Scouts will miss the very fine guidance of Bro. Gaboriault this year as the Government demands all of Walter's time on the Draft Board. In fifteen years this is the first time that Walter has missed.

The Blood Donors under the chairmanship of Lowell Frasor are looking for more members . . . The group was again called last week and they responded wonderfully . . . Get in touch with Bro. Frasor if you are of the mind to have your type taken . . . The audit is set for this month and Paul would like to see more of the lads pay their dues. At the next meeting the Lecturers Boyd and Wieland are having motion pictures through the courtesy of the Dr. Vincenti Travel Club of which Doctor is the president . . . After a long time no see, Al Weinberg was at the last meeting . . . Judge Seyfarth and yours truly almost had a golf date but the Judge couldn't make it because of a previous date, you know, fellas, "five and costs."

We are very sorry to report that the list of sick has not been reduced any this week . . . Bro. Hein Rack is in Hines Hospital and a new patient there this week is Bro. Heffron, who at the time this was written was resting nicely . . . Bob Harmon, Sr., is resting at his home on Gregory St. and would welcome company . . . We are sorry to hear that the daughter of Bro. Traynick is ill at the Mercy Hospital in the city . . . The prayers of the Council members are for a speedy recovery for all these sick. Dick Walsh in St. Francis resting.

HISTORIC RITE REVIVED AT CALIFORNIA MISSION

San Francisco.—The revival of the historic ritual founded by the famed Father Junipero Serra, the "Ceremony of the Four Benedictions," is held to invoke the blessing of the Prince of Peace upon "a world in travail, to renew in the heart of man the brotherhood of man," declared the Rev. Michael O'Connell, pastor, at the Solemn Mass celebrated in Carmel mission in honor of the first feast day celebrated by the missioner in Monterey.

Hundreds from all over California attended the ceremony, instituted by Father Serra in 1771 in thanksgiving for the safe arrival of supplies and missioners from Mexico to aid his starving workers.

BARRY TRIMS HUGHES BUT EVERYONE WORKED

1-3 Tuesday.....2856 Washington Blvd.

D. G. K. John Tamburrino, Chairman of the Good of the Order Committee, has just advised of the death of Bro. John P. Carroll, a charter member of our Council. A delegation of members attended the wake and expressed the Council's sincere sympathy to his family. His brothers, James J. and R. E., are also members of Barry.

Bro. Jim O'Connor is up and about and has visited the clubhouse several times since he left the hospital.

BARRY 3—HUGHES 1

And what a sweet ball game that Barry-Hughes affair turned out to be. Don't forget, you were told it was going to be good. Hughes got one run on a hit and two errors in their half of the first inning; Barry bounced back and on four hits, featured by Big Ed Morgan's lengthy double, scored three runs. A sensational stop of a line drive by the Hughes pitcher saved him from much more damage. In the succeeding six innings Joe Schmidt had Hughes popping up or grounding to the infield. Charley DeVito's stop was one of the features of the infield play but Falcone, Wilson and Morgan were right with him.

Lou Rosenmayer, John Burke, Emmet Cullen and Frank Kucera covered the outfield like a tent. Charlie Svoma displayed his agility behind the plate by picking off several foul pop-ups. Joe Schmidt pitched in his usual masterly style. For a good number of years, Barry has been fortunate in having Smiddy out there pitching. Joe deserves a lot of thanks and the best way to show our gratitude would be to get out and lend at least vocal support. Adolf Melone and G. K. Barney Cunningham were on the sidelines ready to step in if needed. Our scrappy, dynamic manager, Bones Boyle, has welded together a smooth, aggressive unit that is a credit to the Council and deserving of a whole lot more support than it is getting.

Spectators seen were Arch McGowan, ready to give a hand in any way possible, Patsy and Leo Capuani, Vince Johnston, Jim Thompson and other the reporter failed to note. July 29 we play Hughes again, at home; Aug. 3, Lafayette at Grand and Long Aves.; Aug. 7, Carroll at 50th and Harrison at May School. Barry's team is now in second place and the drive is on for the championship of the Far West Division. Do your part and get out to the games.

In my enthusiasm in reporting Barry's achievement I do not want to belittle Hughes. They have a swell ball team and a swell bunch of fellows. For years the rivalry between Hughes and Barry has been very spirited and very friendly and win or lose its a lot of fun. All players and spectators are reminded of the Softball League's Social Meeting, Aug. 1, to be held at Leo Clubhouse, 820 W. Garfield Blvd. A very short meeting, no speeches but refreshments. Donation expected, 75c.

COMMITTEE APPOINTMENTS

G. K. Barney Cunningham has appointed the following members as delegates to the Chicago Chapter: P. G. K. Geo. Bamber, Recorder Joe Dunne, John J. Dolan, Jim Conley, Jim Mariga, Warden Lou Quintali, Lou Rosemayer and Ed Morgan.

Personal notes in the box for "Items of News" were conspicuous by their absence. Isn't any one doing anything or going away. Let us have a few notes to make it easier—and much more interesting—to fill up the space.

We haven't heard anything lately from P. G. K. Jim Curran 'or Toots Delabadia. Well, no news is good news, and I guess their Army duties keep them pretty busy. Bro. Ferd Priester, Jr., Camp Forrest, Tenn., 108th Engineers, has just been promoted to Corporal. Congratulations and let us know soon when you get Sergeant's chevrons. Writing about the Army reminds me that the G. K. advised me that he had appointed P. G. K. Frank McElligott and Grover Clark on the U. S. O. Committee. Their experience in directing athletic activities and other events should make them invaluable.

Received a note from Recorder Joe Dunne, who was co-chairman of our Barbecue Committee. He wants to thank his co-chairman Dan Martin and all the members of the committee who worked so hard to make the Barbecue a success. He also says "Thanks" to all members and hopes Bro. Joseph F. Flinn enjoys his free week's vacation at Commodore Barry Country Club that he received as a reward for his efforts in behalf of the Barbecue.

COUNCIL ITEMS

Lecturer Bill Kennelly is sjourning at Twin Lakes. He advises that he has signed up Elmer Kaiser's Orchestra for the Fall dance in November. He's getting a good rest preparatory to doing a lot of work on the dance.

John Chase, new chairman of the Athletic Committee, and Chancellor George Minich, Pres. of the Barry Bowling League, will soon be working on the organization of the league. Looks like the 1941-42 season is going to be the biggest and best yet. Get in on it and if you can't bowl the boys will soon teach you.

Our new Warden, Lou Quintali, performed his duties at our last meeting—his first office—like a veteran. Nice going, Lou.

The Grand Knight has appointed the following committees for the dance: Program Committee—D. G. K. John Tamburrino, chairman; members, J. S. Conley, E. P. Morgan, R. Tarsitano, J. J. Dolan, Thad. B. Kuczak, Arch McGowan, James Mariga, Chas. Urbain, Barney Fornero, Pat Crowley, Geo. Minich, John Szafran, Geo. Baumann, D. B. Martin, John Chase, Jos. Crowley and J. O. Skees. Ticket Committee—James Mahoney, chairman; members, Larry Westphal, Wm. R. Dunn, J. A. Dunne and Lou Quintali. Publicity Committee—John Robinson, chairman; members, L. A. Ross and Frank Owen.

There will be a meeting at the clubhouse on Tuesday, July 29, of the Council officers and the members of the Dance committees. Brothers, if you don't find this column interesting, get busy and send in those notes that will give it a personal touch; if you find it interesting help out and make it more so.

St. Paul's Programme for Coming Season Is Offered by Lecturer

1-3 Tues. . . . . 6713 Olmsted St.

It's hard to believe that the summer is on the wane; over the peak or on the toboggan, so to speak. But it must be so for we have information that your lecturer, Joe McDowell, has the plans all ready for the first half of the "active" season. According to the program, it surely will be active and it looks good enough not to want to miss any of it. Here is the program as we have it with the understanding that there may be a possible switch, not change, of some of the listings due to exemplifications of the degrees or other plans which are not now known.

Aug. 5—Meeting in honor of the soft ball team.

Sept. 2—Father Wm. Westover will give a showing of pictures and a short talk anent missionary work in China.

Sept. 16—Homecoming night in honor of P.G.K. Ray Gleason who as you probably know is also state secretary of the Order.

Oct. 7—Ladies night with cards, games and the trimmings.

Oct. 21—Goodfellowship night. Corned beef and cabbage dinner. Showing of the Communion pictures.

Nov. 4—Turkey night.

Nov. 18—Father and sons night with movies "Trees to Tribunes" and "All American Sport film."

Nov. 22—Harvest party (Saturday night).

Dec. 2—Monte Carlo night. Open for prospective members.

Dec. 16—Open.

Dec. 21—Christmas party for the kids (Sunday).

The date for the fall golf tournament has not been decided at this time but will be announced later.

The Lecturer's committee will consist of the following: Joe McDowell, chairman; Dick Stretch, Joe Guenther, Alex Kremer, Wm. Krein, Bernard Oren, H. S. Happ, Jerry O'Donohue, Geo. Wallenborn (in charge of kitchen) assisted by Steve Wren and Geo. Moldevan.

It will be readily seen that Joe has not been waiting for things to come up but gone ahead and we understand that arrangements for several of the evenings are well under way.

With Joe occupying the lecturer's chair, it looks like there is an opening for a chairman of the Council bowlers' committee. This is having the attention of the G.K. Gene Sass and you can expect to hear the details within the next two weeks. Yes sir, things are being looked after and they'll be a hummin' in very short order from here on out. The summer may be vacation time for most of you, but it is work time for your G.K. and the committees.

We hear that: The softball team is looking for recruits to replace Monk Donahue and Rudy Hoffman who have been inducted into defense training as well as for Carl Giarrusso who has been a member of Uncle Sam's Navy (in reserve) for a long time. This will be a difficult job and we know the manager, Jim Dalton, is having his troubles . . . Al. Westemeier, treasurer, is the first on the list to have sent in a post-card while on vacation. That swell picture of "horseshoe bend drive of the Ozarks" sent in from Camdenton, Mo., is surely appreciated . . . Eddie Simon, D.G.K., is vacationing in Whitehall, Mich. . . . Bernard Daleske is the proud papa of a rollicking baby boy.

EDUCATORS ELECT PRIEST

New Orleans.—The annual Louisiana College conference elected the Rev. Warren J. Barker, S.J., of Loyola University of the South as vice president. Dr. H. L. Griffin of Southwestern Louisiana institute is president.

Newman's Tourney Promises Unusual Day for Golfers

1-3 Thurs. . . . St. Mary's Hall, Evanston

By the time this reaches your mail box on our local R.F.D. route, another annual Newman golf tourney will have been chalked up in the records as a probable success if all the committee promises have been lived up to and the weatherman saw fit to let sunshine shine upon their endeavors.

If the last and first meeting conducted by Grand Knight Gehant was an indication of the turnout and good time to be expected at Wilmette Country Club, we almost feel as though a story garnished with many fine phrases and praises could have been written in advance. We must leave a bit of description for next month's scribe and get back into our own allotted time to tell of last Thursday's council gathering.

Little business was transacted, the outstanding new job being undertaken by Drs. Valko, Hynes and Crowley to form a blood donors group in our council. Grand Knight Gehant and St. Francis Hospital are endeavoring to get the ball rolling and this column calls on its readers to join the roster of members on call for blood transfusions needed by members and their families or for charitable cases.

Trustees Bell, Vose and Eiden presented their favorable report while the Fourth Degree Club invited its members to dinner last Tuesday night. Cliff Dalton presented two new applications for reading and Monsignor Hildebrand's transfer to our Council was welcomed. Chancellor Gianini with his many and various reports and resolutions kept all dull moments from the chambers. Circus owner or opera singer John Ringling appeared after the meeting to give a very informal but highly informative chat on circus life and business. The usual Third Floor Round Table discussion group held its first session for '41-'42 before the members on hand wended their way home.

A slight matter broached at the final discourse was the ease with which the worthy trustees were able to juggle fifteen uniforms into the budget, but the hardship involved juggling those fifteen uniforms into a winning ball team. These pages have become so "corny" on this latter subject that we are now making a standing offer to the opposing player who doesn't "get in once he's on."

Brothers journeying about the country include Mike Menke going into Canada while Judge Corcoran was coming out. Eddie Bell intends to spend his vacation in shorter trips and be on hand for all council meetings. Geo. Ritzo is busy with a dance palace just south of Gary. Head Scribe Doc Keefer has been elected president of the Cooperative Club and his first official duty will be to attend a convention in Denver this week.

Geo. Pestka didn't journey far in the local "paddy-wagon" that he was drivin and tipped over the other day, but he di get a free ride to the hospital which re ports nothing serious. Dinty Moore an Tom Stark are both doing very little mov ing about town as yet because they ar down with "wash woman's elbow." Jin McNair and his "put-put" bike made th front page of the "Index" both in roto gravure and story.

Bro. Bill Hendry was stricken while o his way to New York and returned hom last Tuesday where his illness becam fatal. A delegation of knights were o hand at the last rites to present thei and the entire council's, deepest syn pathies. Also our heartfelt sympathy Bro. Schumacher on the death of h mother.

Ken Dickinson is leaving Evanston an Newman to take up his new Safety Bu reau directorship at Detroit. Cliff Dalto stopped a foul tip with his middle fing the other night and is now sporting sling to carry the cracked digit around i An item cut from last week's column w the announcement of the birth of Mr. an Mrs. Joseph Mahony's sixth child. B lieve it or not, dear editor, it is anoth boy as was "Butch" Halsema's new ar first offspring. Another "old man" w added to our list when Pete Ledenba became grandpop last week.

Martin Vose and John Nangle will attending "Bill Ericksen Day" at Elm gate Country Club, being winners of t two tickets donated at last meeting Commissioner Bill. On the 29th of th month, the bowlers will meet with Pres dent Jim McNulty to formulate teams a plans for next season which is da drawing closer upon us. This gatheri will be on Tuesday evening at St. Mary with plenty of refreshments being serv Doc Keefer wants to hear from you, b not from your lawyers.

Santa Maria Bemoans Modesty Which Keeps Members from Writing

2-4 Thurs. . . . . 9020 Commercial Ave.

News has been as scarce these days as a cool breeze. We know that many of our members would like to see their names in print, but are too modest to talk about themselves. Don't be afraid. Step up and tell us about yourself. We'd all like to hear what you've been doing lately. Vacation news is especially timely.

P.G.K. Gordon Nash and Mrs. Nash are vacationing at Eagle River, Wis. They expect to be gone three weeks. Also at Eagle River are Bros. James Nash and Walter Kane and their wives. They are staying at Murmuring Waters Lodge, Lost Lake. Sounds very romantic, doesn't it?

P.G.K. Al Schott and wife are vacationing with relatives at Bass Lake, Indiana. Bro. Schott was telling about the proposed trip in the barber shop last week. He said he was going to spend all his time fishing and promised to bring back enough for all of us. We went right home and whipped up a batch of french fries, and now we're waiting for the fish. Do you think we're too optimistic about Bro. Schott's prowess as a fisherman?

Fin. Sec. John Crowe says, "Pay your dues before you go away on a vacation and then you will be free from worries." Bro. Crowe will be at the council chambers to collect dues on Aug. 14. Make use of the opportunity and don't let your dues pile up during the summer months.

Almost any night you can meet one of our members practicing driving at the Neville Driving Course, 93rd and Bennett Ave. Bro. Jake Neville is right there with the wise cracks, faster than you can sock the golf balls.

Bro. Bill Neville hasn't let the painful side injury he incurred while playing golf recently interfere with his game. The other day he qualified for the championship tourney at Gary Golf Course with a 76.

Work has been progressing steadily on the new SS. Peter and Paul Church and School. We can't wait until we move into the new lodge hall there.

Damen Meeting Vote "Mid-Summer Knight Dream" on Attendanc

St. Cyr's 'Century Club' Meeting Is Year's Highlight

1-3 Mon. . . . . 1609 N. Halsted St.

St. Cyr last Monday night was host to one of the finest delegation of men ever sent to our council, by the Century Club champions, St. Francis council. Heading the delegation was the ever popular and recently elected Grand Knight, Baptiste Mele. Past Grand Knight John Blase Meccia, Deputy Grand Knight Sal Cirrintano, Chancellor Charles Principe, John Pane Gasser, Nick Da More, Inside Guard, New Locascio, Charles DiGiovanni, Trustee, Nick Pintozzi, Treasurer, Brother Scribe Louis Gianupa, Anthony Scarpelli, Joe Capparelli, Frank Pasquale, Joe Gironda, Dominic Belgio, Rocco Smaldone and others.

Taking office as Grand Knight for the second time, these men all came to congratulate St. Cyr's twice elected Grand Knight, Joseph Maggiore, who received a great round of applause. District Deputy Joseph O'Neill, St. Cyr's own District Deputy was on hand to install the new officers. Judge John F. Bolton, Past State Deputy, was also on hand to give a very inspiring talk and words of praise to St. Francis and St. Cyr men in their successful campaign for unity.

Phil Sheridan Council was represented by G.K. Ed Bachner and Past Grand Knight Vincent St. Albin; Daniel O'Connell Council was represented by its Grand Knight, Ed. Guana, Umberto Marchese, and Sam Bonglovanni, Outside Guard. Columbus Council was represented by Al Irvin; Tonti Council by Outside Guard Frank Miller and Deputy Grand Knight Eichord; and Feehan Council by Brother Flannigan, who also presented a beautiful American flag to St. Cyr Council in recognition of its meritorious work in K. C. activities.

PLAQUE PRESENTED

District Deputy O'Neill presented St. Cyr with a plaque with the name of Supreme Director Francis P. Matthews subscribed to it, enrolling St. Cyr in the Knights of Columbus Century Club. Monday night was one which is certain to live long in the memory of St. Cyr men, and particularly long in the memory of our Grand Knight, Joseph (Chief) Maggiore. Sincere and honest, modest and diligent in his every pursuit, the applause which greeted the Chief, came straight from the hearts of every man present.

To our Grand Knight and the membership chairman, D.D. Marco DeStefano, we all join in a chorus of congratulations for putting St. Cyr on top where it belongs. And to our neighbors from St. Francis we wish to express our thanks for being in attendance. We congratulate them for achieving the honors of the Century Club. To all the other visitors, we also wish to extend our thanks.

CYFOUR PICNIC

On August 24, the Cyrfour picnic is to be held at St. Paul Grove, located at Dempster and Lincoln Avenue. The Cyrfours invite all the members of St. Cyr Council and their friends to be present on that day. Tickets are selling for 25c, and these can be converted into tickets for soda and ice cream for the children. This is the first time the Fourth Degree club is going out in the wide open spaces for its annual affair. In past years it was the custom to have a dance some time in the early fall, but we are trying something new this year. You're all invited to be with us on August 24.

ATHLETICS

Shortly after August 1, President Sam Rannochio will call a bowlers' meeting. Activities are expected to get under way soon after Labor Day. However, your cooperation is needed now in order to get the bowling season under way as per schedule. Turn in your name to the president, or the secretary, Cosmo Coniglio, together with $1.00, before August 1. By that date a meeting will be called, at which teams will be chosen. Rynie lives at 1952 Bissell street and his telephone number is Lincoln 7916, and Coko lives at 1336 Ridgeway Avenue and he can be reached at Albany 6936.

It is expected that 16 teams will roll in this year's tournament. Thus there may be room for a few more sponsors. If you want to advertise your product, sponsor a bowling team.

OUR SOFTBALL TEAM is to date the only one in the Knights of Columbus league which is undefeated. Last week St. Cyr defeated De Soto Council by a score of 16 to 11, with two home runs by Phil Piazza, and one each by Lefty Jeldum, Joe Cannizzo, and Jasper Campisi. In a previous issue of The Columbian, a schedule for the remainder of the year was presented to you. If you have time on a Tuesday or Thursday evening, follow the boys to one of the ball games and watch the prospective champs in action.

CYRIOUSLY SPEAKING

Called forth to the colors of late we find that Walter Izzo and John Manisco are now part of Uncle Sam's ever increasing army. They join, among others, Corporal John Lema, Frank Delordo, Frank Appicella, John Bonsignore, Frank Latino, Captain Luedes, and Anthony Martorano. P.G.K. Anthony Brancato is keeping track of our boys, and having The Columbian forwarded to them. If you know of any young man from St. Cyr who is about to enter the army have him get in touch with Anthony Brancato.

St. Dominic's church will this year hold its parish picnic at Harms Park, Western & Berteau, on August 6. . . . Grand Knight Eddie Guana, of that parish, urges all former parishoners to give a helping hand to Father John Lauretti, who is having a difficult time, in a disintegrating parish. . . . Phil Masaracchia recently put Sam Nicosia and Joe Arcuri, two of St. Cyr's recent dads, to shame. . . . Phil was jealous of them, so he sent the stork an order and down the chimney came the wails of two little packages, one a boy and the other a girl. . . . Congratulations, Brother Phil.

Are you in the market for coal or oil? . . . If you are, get in touch with Charles Micucci at Berkshire 8481, or Buckingham 3700, and have the Racine Coal and Oil Company deliver your supply of coal or oil now.

We've made the century club. . . . Some have done more than their bit. . . . That is the case of Brother Joe Lucania. . . . Joe brought something like thirty or forty new members into St. Cyr in the past year. . . . Thus St. Cyr will designate the next meeting night, which falls on the first Monday in August as "Joe Lucania Night." . . . And on that night, Father Tom Locascio, our own chaplain, will again be with us, as he will at every meeting, or as many as he can get around to in the ensuing months. . . . Father Tom, who was stationed at St. Joseph's seminary in St. Charles, has now been transferred to Blue Island, which brings Father Tom so much nearer home, and makes him more available for our meetings . . . and congratulations to Fred Wittenmeier, brother of Clarence Wittenmeier, who was recently awarded the degree of Doctor of Jurisprudence from De Paul University School of Law.

Ravenswood Officers Take Over New Posts at Impressive Rite

1-3 Wed. . . . . 1521 Wilson Ave.

Last week's firm resolve on the part of ye scribe to start early in order to devote much time to this week's notes, seems to have been kicked into the ashcan. A rather hurried trip to Iowa and back, cut into the time that it spent in preparing Columbian copy, so if you'll bear with me I'll report the news as it has been related and as I have seen it.

Last week Wednesday as you all know, saw the installation of our officers for this coming year. District Deputy Jules Altenhofen was unable to be with us, as he has in the past. District Deputy Jeffers and Warden Jim Ludlow of Newman Council, most graciously took Deputy Altenhofen's place and presided at the induction. The new officers, G.K. Michael Citti, D.G.K. Wm. Barr, Warden Wm. Weideman, Chancellor Wallace Mann, Fin. Sec'y Matt Blesius, and Rec. Sec'y Dave Heelan all looked quite fine in the robes of their respective offices. At least that is ye scribe's opinion and there is yet to be a dissenting voice.

The other officers, Trustee Wilbur Beaton, Treasurer Wm. Egert, Advocate Earl Stewart, Guards Art Collins and Clem Morgan, Lecturer Al Carroll and delegates P.G.K. Farrow, P.G.K. McIllvaine and Mike Metzger looked equally fine and besides were much cooler, because they were not swathed in robes. After the ceremony a very adequate supply of refreshments were set out.

We wish to thank District Deputy Jeffers and Warden Ludlow for their kindness in presiding so ably at the installation under the trying conditions imposed by a very warm and sultry night.

GOLF

P.G.K. Charles Morgan, we salute you the newest in a long line of Ravenswood golf champions. Moreover you are to be congratulated in winning over the competition provided by the champion, Mike Metzger, and thirty or more competing athletes. Consolation winner, D.G.K. Bill Barr, is also to be congratulated upon his fine showing. Dick Kenney, upon the advice of many well informed individuals, we console you upon the narrow margin by which you missed having possession of the cup. (But never mind, Dick, here's one that doesn't think you really secreted the cup in your golf bag.)

Several other Ravenswooders won golf balls for prizes. Space will not permit the listing of their names. Golf Chairman Mike Metzger, the defending champion, can be justly proud of his fine work in arranging the details, both large and small, for this year's tournament. It was a huge success.

TOURNEY SIDELIGHTS

Well informed sources report that G.K. Citti was unable to repeat his performance of last year, a performance that left him unusually well "heeled" for an ensuing vacation. He was able to repeat in only one respect and that was an ensuing vacation, though 'tis said he was presented with enough to purchase a carton of cigarettes to be used on the aforementioned vacation which will be spent with Mrs. Citti and the two boys up at Lake Delevan, Wis.

To return to the "extra-curricular activities" of the golf tournament; P.G.K. Farrow is said to have continued his rampage of the night before, a devastating sweep that laid many good Ravenswooders low. Those trampled particularly hard are said to have been Doc McCambridge and Bill Egert of the regulars and Bill Irvin, who received his baptism of fire. All that can be said is that "the Hoyler's will find a way."

According to reports, the Matt Blesius family is now on their vacation. . . . Charles Rogers is now on his trip, away from work and is going to spend a week or two with his mother down in southern Illinois. . . . Clem Mawicke is back at work again after his experiences with northern Wisconsin fish. He doesn't repeat any of them, so guess he didn't have much luck. . . . No word from Dan Burns about his golfing and other athletic pursuits.

Genoa's Golf Outing Planned for Aug. 17 at Glen Eagles C. C.

1-3 Mon. . . . . 7439 Cottage Grove Ave.

Genoa Council held its regular meeting last Monday evening at its council chambers. The meeting was called to order by G.K. Robert Stadler. A large attendance, for the time of the year, was present and enthusiasm ran high for activities during the coming season. The principal activity, of course, is the Golf Day under the chairmanship of Bros. Wm. Riley and George McCarthy.

Bro. Riley named the committees to handle the various details. A list of these will be given in a later issue of the Columbian. It is sufficient to say at this time that P.K.G. James F. Riley, Jr., and D.G.K. Wm. Hanney are to handle the tickets. This means that the affair is going to be successful because when these two men start working, nothing stops them until they have accomplished their purpose.

Glen Eagles Country Club has been chosen for the event which is scheduled for August 17, a Sunday. The tickets will be the same price as last year, that is, $2.50 per person. $1.50 for golf alone or $1.50 for the dinner alone.

Prizes are again flowing into the committee. It is hoped, however, that every member of the council will endeavor to get a prize for this grand event. Remember this is the outstanding social affair of the year. You are bound to enjoy yourself and your friends are bound to think very highly of you if you only ask them to attend this event. Make your contacts now and don't let your friends plan anything else for August 17.

NEW APPOINTMENTS

Several new appointments were made by G.K. Robert Stadler for the coming year. After a strong and urgent appeal by his friends, P.G.K. Tom Reilly was made official organist. It is hoped that during the summer months that Bro. Reilly will practice up a little on the piano so that he can stay with the members or visa versa. Bro. Phil. Jordan has been appointed financial secretary.

Bro. Walter Kramer, due to his lack of time, asked to be relieved of the duty. Bro. Kramer did an excellent job in this capacity and it was with regret that his resignation was accepted by the G.K.

Lapsation Committee will be under the chairmanship of George Munger. United Service Organization will have as its chairman, Frank Gorey. Members of the committee will be Warden James Large and Dick Harrison. Investigation Committee will be under the guidance of William Morrissey. D.G.K. William Hanney is to have charge of the Blood Donors. These appointments augur well for a successful year.

NEWS: On vacation at the present time are Bros. Ben O'Neill and Bro. William Hanney, Treasurer and D.G.K. respectively. Bro. Tom Ryan is in the Illinois Central Hospital. Bro. George Munger is confined to the South Shore Hospital. Both of these men would enjoy a visit from any of the brothers.

RELIGION VITAL FORCE IN SAFEGUARDING LIBERTY

San Francisco.—In a letter issued to the clergy, the religious, and the laity of the archdiocese on "Freedom of Religion Day" Archbishop John J. Mitty said that the sufferings of Europe "should deepen our appreciation of our own blessings of freedom here in the United States and make us more alert to avert the dangers threatening this fundamental right of the American way of life. . . . Religion is a vital force in the safeguarding of the rights of the individual and in the preservation of democracy."

Chicago Activity Is Under Cover as Unit Girds for Fall Rush

2-4 Tues. . . . . 64 E. Lake St.

News is a trifle scare this week. Grand Knight Henry J. Lynch was out of the city. Some other sources of information could not be reached. The plans for the golf tournament remain a mystery for another week. (We will try and contact Chairman Bill Brogan in the meantime.) Financial Secretary Nick Reuland relayed a delightful bit of news about Brother Ziccarelli. Ed O'Connor is on the mend. We missed Larry Ryan's train this week, so no further news about Bill Serritella. But we know Bill would like the boys to drop in on him—and so would Brother John Powers (out in Berwyn).

WELCOME, LITTLE LADY

Mr. and Mrs. Frank L. Ziccarelli announce the arrival of a baby daughter on July 17, 1941, 3:35 a. m. Weight: Seven pounds, five ounces. Name: Louise Ann Ziccarelli.

This charming little miss will be wonderful company for her brother, Bruno, who is now an up-and-coming young man of thirteen years.

HAPPY BIRTHDAY

In search for news, the scribe tried to contact P. G. K. Matt Ryan but there was no response so we decided that Matt was out taking care of his coal business. We then tuned in on Al Franz and landed in the midst of a birthday party, ice cream 'neverything, in honor of Master John Bernard Higgins (of the Detroit and Hughes Council Higginses) who was observing his fifth birthday. Uncle Al gave us the low-down on the young man's itinerary which takes him back to Detroit for the real birthday celebration with his dad, followed by a trip down to Dover, Ohio, for a visit with the surviving sisters of his grandpa, our late lamented Brother John Franz. So we say to the young man, "Happy Birthday to you."

Before we hung up, Uncle Al called Uncle Matt to set aside his ice cream and unfurl any news he might possess. So—

ABOUT SOLDIERS

Corporal John Ralph Bulger, Hqrs. Co., 108th Combat Engineers, popped into town from Camp Forrest last Sunday and popped right out again, after a brief visit with his mother and Uncle Al and Uncle John Leo and the rest of the Franz clan. He is looking forward to the army maneuvers down Texas way, sometime in August. Hope they are easy on the temperature for the boys.

We also received a card postmarked Fort Sheridan from Brother Ed Mulcrone who is becoming acquainted with the "School of the Soldier." He sends greetings to the boys at the council.

SOFTBALL

The team played last Tuesday—in the rain, apparently without much of a gallery and minus a number of the regulars who were out of town on vacations. Matt Ryan passed the game on his way home that evening but it was raining too hard to venture afield to learn details. (And we understood that Irishmen were never concerned about the rain!)

VACATIONEERS

A couple of weeks ago the scribe admonished the prospective tourists to drop a few cards concerning their holiday doings to the Financial Secretary, Nicholas J. Reuland, whose address surely is well-known to everybody. He in turn can keep the scribe posted; and he in turn can keep the council posted on what a good time everybody is having.

U. S. PRESIDENT MAY HAVE DIED CATHOLIC

Canal Fulton, O.—The possibility that President William McKinley, assassinated in 1901, died a Catholic again came to light recently when Father L. Maurer made a field trip into the old Gallagher settlement country near here, where the body of Jesse McKinley, the President's cousin, and a Catholic, is buried. The story of Mr. McKinley's deathbed conversion originated here when Father E. J. Vattman, a close friend of the martyred President, asserted, "They can bury his (McKinley's) body—but I have his soul!" Father Vattman, who was once pastor here and who died in 1919, was called to the President's bedside when the latter was hovering between life and death from Sept. 6 to 14, 1901, in Buffalo, N. Y

Hughes Nine Tops K. C. League with 7 Wins, 2 Losses

1-3 Tues. . . . 4711 W. Madison St.

Hughes Council's softballers sustained their second defeat of the season when Barry won a hard fought game a week ago Thursday, 3 to 1, and it may be of interest to say that Barry has administered the two losses suffered by Hughes in league play. Delegate Chick O'Malley states that the team remains in first place with the enviable record of 7 victories against the 2 defeats, and Treas. O'Malley and Mgr. Frank Linskey are both hopeful that no more losses will stain the record this season.

It might be that the softballers won't win 'em all, but they will be trying, especially during the next month, for Mgr. Frank Linskey is going to take unto himself a lovely bride on Saturday, Aug. 2, and this should be sufficient inspiration for the boys to all go and give Frank a wedding gift of the Far West Section championship, perhaps even a repeat of the K. of C. citywide championship, which Hughes won in 1940.

LINSKEY NUPTIALS

Unfortunately, we do not as yet have all the details about the Frank Linskey wedding, but the beautiful bride-to-be is Miss Mabelle Sauer, and those who know the lovely couple realize what a grand ceremony it is going to be.

Bro. Linskey, whose versatile talents in the sports world has won him fame as a basketball player, softballer and golfer, is the recipient of congratulations from far and wide upon his taking of the matrimonial step and even Nate Gross in his Chicago American "Our Town" column gave Frank and Miss Sauer a delightful mention. All of the members of Hughes Council join in extending congratulations to the handsome groom and best wishes to a very beautiful bride.

GOLF NOTES

Chairman Tom McDonnell is the kind of fellow to have at the head of the golf committee. He has been constantly on the job since his appointment and isn't satisfied with making just any arrangements at a course, but checks the condition of the layout, makes inquiries about the cuisine, clubhouse facilities and service, etc., and when Hughes golfers and their guests come out to a tournament, everything is in readiness. Just last week Chairman McDonnell visited a couple of the courses where tournaments will be held later in the season, and you can bet on it that the two outings remaining will rank with the best ever sponsored by Hughes Council.

The next golf tournament, by the way, is Ladies' Day, at St. Andrew's Country Club, West Chicago, Ill., to take place on Sunday, Aug. 10. St. Andrew's is reached by driving out on North avenue, about 15 miles west of Harlem. Signs along the route direct you to the club entrance. Two 18-hole courses are available for play. Most of the members are familiar with what St. Andrew's has to offer, because Hughes has held previous tournaments there, and Joe Jemsek, the pro, will take good care of all who come out Aug. 10. Bring the ladies; invite your friends. Any who do not care to play golf will find diversions of an entertaining kind at St. Andrew's—bridge, bunco what have you, while it is comfortable to relax on the wide sweeping, shaded lawns which surround the clubhouse. Make it a date to golf with Hughes on Sunday, Aug. 10.

The Championship Golf Tournament, for the Peter M. Kelly Memorial Trophy, is booked for Sunday, Sept. 14, at Westgate Valley Country Club, where Hughes Council's good friend, Bro. Tom Walsh of Columet, is the pro.

COUNCIL NEWS

Congratulations and best wishes to Bro. and Mrs. Bill Benes. A lovely baby girl, about eight pounds of heavenly beauty, was born to this charming couple on Wednesday, July 16, and through Bro. John F. Korbel we learned that mother and baby are doing splendidly. Without a doubt, Bro. Benes will be bowling better than a 200 average the coming season, what with a sweet baby daughter to inspire him!

Bro. Joe Postilion's wife, Irene, is back home from the hospital after undergoing a major operation, and we are glad to report that she is recuperating nicely.

Bro. Charles Reilly is now at the home of his uncle, Capt. Reilly, and Charlie is mighty grateful for the wonderful care given him at St. Ann's Hospital, not to forget the generous and unselfish response of his brother knights in Hughes when the call went out for blood donors.

Bro. Bill Rhea is still confined to the hospital; offer your prayers for his speedy and complete recovery.

Bro. Al Gilbert and his better half left last Friday on a motor trip planning to tour the state of Colorado, and it is reasonable to suppose that Al will be back with some stories taller than Pikes Peak.

Bro. Charles Votava, Jr., and his bride, Ann, nee Korbel, are now at home after a delightful wedding trip spent in northern Wisconsin.

A vigorous membership campaign is about to be launched. There will be a sustained and concentrated drive to sign up new members for Hughes Council. G. K. George N. Daly expects 100 per cent co-operation from the entire membership for the committee chairman. How about you working on that eligible friend who is not yet a K. of C.?

SOFTBALL DETAILS

Hughes dropped the decision to Barry in the very first inning. Conroy, Hughes' twirler, led off with a hit to center and reached third on the fielder's boot. From here he scored Hughes' lone marker when Joe Garvey slammed one to short, which was fumbled. Falcone lead off man for Barry, singled to center to open their half, then scored when Devito doubled through short. Kucera singled and both runners scored on Morgan's long single, to give Barry its total of three runs. Barry went hitless the balance of the game, though in the sixth Morgan caromed the ball off Pitcher Conroy's hip, but Collins retrieved it expertly and flung the ball to Mickey Dailey, who held on to a tough throw. Hughes accumulated only three hits. Cut out that Cub power-at-the-plate stuff.

The sun was in our eyes last week when we announced the name of Bro. Ed Ryan's (uncle of D. G. K. Jim Ryan and of Past Lect. Joe Ryan) popular vacation spot. It is truly—and aptly—named Sunset Bluff and is on Hamlin Lake near Ludington, Mich. Good food and a pleasant time are assured all guests at reasonable rates. Drop Ed a line at R. 3, Ludington, Mich.

Oak Park's Golf Day Is Next Activity on Busy Social Calendar

2-4 Mon. . . . . 641 S. Scoville Ave.

The next big date for the members of the council is August 10 at Maywood Golf Club. Here the elite of the council's golfers, along with the duffers, will combine their efforts toward making another great day of entertainment and relaxation. To those who have been with us in the past no more need be said, but for the purpose of getting others to enjoy the wholesome hospitality of the outdoors and the ancient game we urge all to come out and try their hand at the "cow pasture pool."

You will really be surprised at the wonderful day you'll have. Golf starts at 12:30, with dinner at 6:30. Whether you are a good golfer or a poor one has no bearing on your enjoyment of the day. The single fee of $2.50 covers golf, dinner and refreshments, and entertainment. The committee consists of McGinn, Collins, Steil, and DuChateau. Do we need to say more?

The picnic will follow up the golf in close order since it comes early in September and you should have your basket packed early. Tell all of your friends so that they will reserve the date.

Word of the council's travelers is scarce. A brief communique from Brother John T. Moran informs us that he has just staged a successful campaign against the elusive muskie in the North Woods country. In his battle he was aided by his wife. Congratulations!

Grand Knight Joseph P. Cagney is engaged in the business of selecting the committees for the coming year. The value of active and efficient committees cannot be overestimated. A committee, properly working, distributes a lot of work over several and rsults in very little for each one to do.

If you should be asked to serve on a committee do so with good grace and put your shoulder to the wheel so that Oak Park Council can really be the pride of the suburbs in size, in activities, and in constructive service to Church, to community and to country. Just a little help from each one will make this dream possible. Do your bit!

Priest Knocks Out Man Who Damages Church

When the Rev. William Van Garsse, pastor of St. Francis of Assisi's Church, was awakened at 2 a. m. by the persistent scratching of his dog at his bedroom door, he saw that his church was completely lit up, even to the porch light. Dashing over to the edifice he found a man destroying the church furniture with a crucifix. The man closed the sanctuary gates and told the priest if he dared enter he would kill him. Father Garsse was unabashed. After a stiff fight he knocked out the bandit and dragged him to the house, where he held him until police arrived.

NERI OFFICERS ASSUME NEW DUTIES FOR YEAR

1-3 Tues. . . . . 7515 Yates

St. Philip Neri Council's officers for the year were duly installed into position at at the meeting last week. With the exceptions of Advocate and Outside Guard the staff is the same group of men who did so well in the year just closed. The new Advocate is Emmett McDonald, succeeding John P. McGoorty, Jr., and Daniel Ackerman is the new Outside Guard, filling in the office formerly held by John McSweeney.

The offices of Chaplain and Financial Secretary are, of course, appointive and in them we have the Rev. P. A. Bird and Henry Doolin, respectively. The office of Lecturer, which was so very capably filled during the past year by Allen Stephenson, has been turned over to William Blake who, in turn, will be assisted by Walter La Gess.

The office of Lecturer is generally considered the most important of all insofar as all members of a council are concerned for on his shoulders rest the responsibility of keeping up the interest of the members by making the social side of meetings as entertaining and interesting as possible.

Grand Knight W. T. O'Neill was fortunate, indeed, in finding a man of Bill Blake's ability to take over the job for he is a conscientious and enthusiastic workman who operates on the creed that any job worth doing is worth doing well. Bill has chairmaned programs in the past, particularly sport shows, and in all instances his cards have left little to be desired.

He is considerable of a sportsman himself, having starred in football in his collegiate days at St. Ambrose College, and for the past few years has been one of the ranking officials in Western Conferernce footbal. Bill's profession is law, in which capacity he was employed by the Chicago Title and Trust Company for the past several years. He left there recently, however, to enter industrial relations work with one of the large steel companies on the southeast side.

In Walter La Gess we have another industrious young man who, although comparatively new in the council, has given enthusiastic support to all activities and has been a regular attendant at all meetings. Walter is an optometrist. Between him and Bill, the office of Lecturer will undoubtedly be well handled this coming year.

DOING ALL RIGHT

J. J. Trant, whom we don't see often enough, was recently promoted to sales consultant, Wheel Division, of the Hammond Wheel & Foundry Company. His new position brings him into the company's Chicago office. His appreciative co-workers showered him well with a gold wrist watch, pen and pencil set, and some fancy luggage. Incidentally, J. J. was voted the seventh most popular Irishman in Chicago in a poll conducted some time last April. J. J. Trant, Jr., is also employed by his father's company.

Hits and Misses

Joe Zang is still home under doctor's care. . . . Ray Duffy has also been confined the past several days. . . . William Donnellan hasn't been up to par for several months. He can have visitors, however, and would appreciate seeing some of his friends. He lives at 7110 Merrill. . . . The former Miss Muriel Donnellan has been Mrs. Frank Hurney since May 31. After an extended honeymoon trip they are now at home in South Shore. . . . Bernard Bitter, Harry's newly married son, has been commissioned an ensign in the Navy and will soon take up his post in New York as an engineer. . . . Bill Fox left on his vacation last Sunday. . . . Michael Chapis and Miss Catherine Fiske will whisper "I Do" tomorrow morning. Congratulations and lots of luck, Mike. . . . The John Rachs are currently honeymooning at a dude ranch. . . . Henry Doolin is now vacationing on the seashore just off 77th Street. . . . Are your dues paid up? . . . Congratulations are in order to the George Foxes. They are the happy parents of a baby girl, born last week.

R. I. P.

Mrs. Anna Howe, mother of Ed., and one other son, passed away suddenly on July 9 at her residence, where she has lived for the past forty years. Interment followed services in St. Lawrence's Church. A large turnout of members gathered at the wake to offer their prayers and to extend their sympathy to Ed. in his great loss. Ed's brother was in Mexico at the time and was unable to get home for the funeral.

ALUMINUM DRIVE

On behalf of national defense there is now under way a drive to gather all the old aluminum not in use. On behalf of the community in which they live, George Rieg and Bill O'Neill have been delivering posters and stuff to get this movement going and on the grounds of the clubhouse they have erected a bin into which contributions may be deposited. If you have anything aluminum which you don't need just drop by the clubhouse with it.

SOFTBALL: Last week Neri came into her own again by trouncing Calumet, 11-7. We have now won four, lost two. Among the stars that shined the brightest last week were young Quigley, Schroeder, Dick Carroll and Joe Lapota. On July 31, 76th at the lake, Neri tangles with the highly touted gang from St. James. This should be a honey. Drop around.

St. James' Lecturer Plans Surprise for Next Monday's Meet

2-4 Mon. . . . . Hayes Hotel

At next Monday night's meeting Lecturer Peter J. Wehle will give his complete program for the year with an added surprise for the attending members. All the members are requested to be at this meeting for only those attending will enjoy the secret.

NEW OFFICERS OF THE FOURTH DEGREE CLUB—At the last meeting the following brothers were elected to office: Ambrose J. Burke, president; Dr. Clarence J. Strobel, vice-president; Secretary, Cornelius P. O'Connor; Treasurer, Henry A. Steffens; Custodian, Peter J. Wehle and Sergeant-at-arms, Henry Woodmaster. The regular monthly meetings have been changed to the first Sunday of the month in the Council's clubrooms. At this date the president has not made the appointments for the entertainment, publicity and membership committees chairmenships. As soon as he does I will let you know.

SPORTS

The results of the game between St. James and Loyola-Hyde Park softball teams is that the game was forfeited to St. James. I believe that this is the result of my article on our Home Run King Merigold last week. Coming games are St. James vs. Neri July 29th at Meyering Park, South Park Ave. at 72nd St. and then we play Calumet on July 31st at Avalon Park, 83rd St. and Kenwood Ave.

There will be a softball league social party at Leo clubhouse, 820 W. Garfield Blvd. on next Friday night August 1 for all members of the K. of C. The minor fee of six bits will cover everything.

No, Robert E. Lee is not a confederate general nor the fellow who draws those beautiful pictures in Click, but he is the membership chairman of St. James and he requests that you get that application in to him for the next class, by next Monday night. Bro Larry Duby, the actor's agent, has brought in his second application. How about it boys, you're not going to let Larry get ahead of you?

Noticed Athletic Commissioner Ed Enright and the Golf Chairman Chris-Davis in a huddle with Lecturer Pete Wehle and the sound waves sounded like a golf tournament and supper party will be rolling around soon.

BLABBER MOUTH REPORTS

Bro. John May and the missus are taking turns at the wheel on their way east for a vacation. Bro. Dr. Gregory Stobel and his new boss are somewhere out west but no one seems to know where. Did you know that Jack Greene is the undisputed champion barbecue ticket seller, and that St. James Council ranked second in percentage on Barbecue sales. Br. Guy Macina of San Salvador Council tells me that he will buy a glass of b—— for any St. James member who comes out to Waring Grove, at Frankfort, Ill. (about 1[illegible] miles from Blue Island, Ill.) next Sunday, July 27th an dthat you can pack the basket and family into the old jalopy and bring them along also for a good old time picnic under the trees.

Deputy Grand Knight Thomas J. Groark reports that Jack Greene is back home from the hospital and feels well enough to have the boys visit him at 8016 S. Drexel Ave. Bro. Henry Woodmaster is steadily improving at home. "Grandpa" also says that he will be at the meeting Monday night if the Deputy Grand Knight picks him up at 7134 Evans Ave. which also goes for any member who can get up to visit him.

Some brothers have nose trouble but Bro. Richard Rourke has ear trouble and is under doctor's care, sipping soup cause his upper ivorys are no more. Hope the medicos have found the cause of your trouble, Dick.

At Dowling's G. K. Barker Day

A large group of guests and fellow members from Daniel Dowling Council attended Westgate Valley Country Club last Sunday, to take part in the all-day program of golf and social activity honoring Dowling's recently re-elected Grand Knight, Frank J. Barker.

Pictured above at the first tee are (from left to right), Sanitary District Trustee, Thomas F. Byrne, Tom Walsh, Westgate pro, Grand Knight Barker and P.G.K. Dick Kelly.

Last Sunday, July 20, was another day that made history for Dowling, as our Frank J. Barker Day was a grand success. We had friends of our G.K. from all walks of life and a splendid crowd for mixing and a real field day for all that attended. We had plenty of activity from the tee-off until late in the evening. The day was beautiful and golfers turned out in large numbers. We had many celebrities and visitors from other councils and we received many telegrams and letters of regret from friends that could not be present.

Among those present were State Deputy Leo M. Flynn, P.G.K. Al Thompson of St. Patrick's Council, Judge John T. Zuris, Frank Zintak, Geo. M. Tearney, Al Kumkis of Chicago Park Dist., and Sanitary District Trustee Thos. F. Byrne with many of his associates of the district. We received a very nice letter from our Past Chaplain Father Kilbride, who was unable to attend, expressing his good wishes to our G.K., also from the Columbian editor, Harold DuChateau, and our State Secretary Ray Gleason. Our G.K. is very thankful to these friends for their attendance and letters.

FINE DINNER PROGRAM

The dinner took place at 6:30 p. m. and the attendance was far greater than we anticipated but was handled very nicely by the committee. Immediately following the dinner your chairman and his committee proceeded to award the prizes and very nearly everyone present received an award.

At the beginning of the prize distribution your chairman presented our guest of honor, Frank J. Barker, with a beautiful traveling bag as a token of gratitude and good wishes from the members of our council. In response the G.K. made a very interesting talk and thanked those present and the committee for the wonderful day in his honor.

We had many P.G.Ks. present such as P.G.Ks. Wm. Furlong, Earl S. Dunne and Ray Gerber.

Our S.D. Leo Flynn was called upon and gave Frank quite a sendoff and congratulated Dowling Council. In the absence of our Chaplain, Father Wunder, who was unable to be present, he sent our good friend Father Deidier to represent him. All in all it was one grand day for Dowling and our members.

I wish to thank the committee for their splendid cooperation and hard work on this affair.

CUFF NOTES

Bro. Rev. Theophane Goett, the son of our popular Knight John of 3526 W. 62nd Place, recently ordained a Franciscan Father, has been appointed pastor of a new parish just completed—it is St. Charles of West Monroe, Louisiana. West Monroe is a suburb of Monroe, La., and has a population of about 41,000 of which 10,000 are colored and the parish is mostly colored people.

Father Goett made his first retreat with our council about 15 years ago and was enthused so much that he joined the order. Before his ordination his name was William and he was known as Bill to many of our members. This is an indication of what the retreat movement is doing and our council shares the honor and happiness with his family and prays for his success in his new assignment. His mailing address is St. Francis Hospital, Monroe, La.

We also have another similar case in which our retreat movement can be proud. Bro. Alphonse Gonia of the Franciscan Order made a retreat with our council back in 1930 and shortly thereafter joined the order as a brother. His first name was Benjamin before he joined the order. He has a brother, Edmond, and a brother-in-law, Jacob Luback, in our council. He has been appointed permanently at St. Francis Retreat House at Mayslake.

Dowling again feels very proud and happy that such men as these that devote their lives to God come from our ranks and our retreat classes.

Bro. Tom McGeehan and his wife celebrated their first year anniversary and made it a double celebration by christening their baby girl last Sunday. We congratulate this happy couple and wish them many years of happiness.

Our good friend Frank Zintak is up and at them again. His foot is all healed and he is doing quite a bit of golfing. He was visiting in Pittsburgh last week.

Our Past Lecturer Cresent P. O'Connor is up in Wisconsin with his family for a much needed vacation. Cresent is a practicing attorney and is very busy all year.

Our popular Park Officer Nick Juric took part in the Police show last week demonstrating the Park System's first aid.

Our Lecturer Doc Laibe had two young doctors from the Mercy staff as his guests at our golf tournament—Dr. McCarthy and Dr. Conlon.

On Sunday, August 3, St. Bridget's Parish is going to attempt what has not been tried in the parish in many years, and that is to hold a reunion, an opportunity for all of the parishioners, both present and past, of St. Bridget's, to get together for a day of real enjoyment. A picnic and outing is to be staged at Justice Park, Archer and Kean Aves., a very modern picnic grove which will easily be in the reach of all. For the convenience of those who have no other means of transportation, buses will leave the parish hall every hour beginning at 11:30 a. m.

Wm. S. Finucane, chairman of the affair, asks that you boost this affair to your friends, and particularly to those outside of the parish. "We are relying," he says, "upon them to manifest their loyalty and love of St. Bridget's Parish by returning for what we hope will be an epoch in the history of the parish, the greatest reunion St. Bridget's has ever witnessed."

Fr. Setters Will Swing Into Council Activity at August 14 Meeting

2-4 Thurs. . . . . 4711 W. Madison

Thursday, August 14, will, in a certain sense, be New Year's Day for the membership of Father Setters Council for on that evening the first regular council meeting will be held under the leadership of the newly-installed slate of officers, headed by Grand Knight Roy P. Bedore. The organization will then swing into the program of activities which have been planned for the coming year.

For the past several weeks, Grand Knight Bedore and his staff have been busily engaged in working out the details of the year's program. It is a little early to make any specific announcements in this regard, but it is safe to reveal that the next twelve months will be the most active and interesting in the entire history of the council.

By way of a hint, it may be said that our program for the 1941-42 season will probably contain all of the attractive items on last year's calendar and a number of new features specially designed for the pleasure of all our members.

YOU'RE ALL INVITED

It is the avowed purpose of Grand Knight Bedore and of all the other officers to make the council's program of activities interesting to every member on our roster. Toward that end, the advice, counsel and co-operation of each one, whether active, inactive, old or young will be enthusiastically welcomed.

As a starter in that direction, the G. K. has suggested that each member of the council make it a particular point to be present at the next three meetings; they will occur on August 14, September 11 and September 25, respectively. Such an arrangement will serve to get the organization off to a flying start for the coming year and, at the same time, will help form the habit of regular attendance at meetings. Then, too, we'll have the benefit of full council participation in formulating our plans for the season.

SORRY YOU'RE ILL

Brother James Mulligan of 1030 N. Taylor Avenue, Oak Park, has been ill for some little time and has been confined to his home. All of Brother Mulligan's many friends in Father Setters Council join in expressing sincere regrets as well as the earnest hope for his prompt recovery.

Frank Buck frequently catches monkeys by dropping a handful of rice into a gourd anchored to the ground. The monkey puts his paw inside, scoops up a handful of rice, and then finds he can't get his closed fist through the neck of the bottle. Since he will not let go of the rice, he remains there until captured.

KETTELER TO SPONSOR ANNUAL PICNIC AUG. 10

2-4 Monday.....3437 Ogden Ave.

Grand Knight Edward Oakes announces the following appointments: Chaplain, Rev. S. A. Derwinski; Lecturer, P. G. K. Tom Bogan; Scribe, Emmett Holland; Chicago Chapter, chairman, Ray Schaber; Membership, P. G. K. Barney Czerwinski; Lapsation, P. G. K. Bill Kelly; Blood Donors, P. G. K. Sam White.

PICNIC

Hear ye! Hear ye! On Sunday, Aug. 10, the thirtieth annual picnic of Ketteler Council will be held at Bergman Grove, 24th St. and Desplaines Ave. Without a doubt this is the finest spot west of Chicago, and transportation facilities are perfect.

Chairman Ray Schaber and his committee have spared no effort to provide the most enjoyable day you have ever experienced at a Ketteler picnic. Besides again offering you every feature that the old-fashioned picnic at Glenwood Park provided, many new attractions have been added.

A Nesco Roaster (with the stand) and a Mixmaster will be presented to some happy guest. Dancing will be free and the music will be provided by that famous band leader, Augie Scheid, a member of Carroll Council.

The ladies will serve a plate lunch at a price much less than you could provide a basket for and the L. G. A. Club is furnishing the Bingo stand with the finest of gifts.

We are appealing to the business men in our Council to donate prizes for the games and races. Please send them to Lawndale Hall on next Monday evening, July 28, when the next meeting of the picnic committee will be held.

We wish to take this occasion to thank Bro. Henry Heidenbluth of Benziger Bros. for the valuable gifts he has already donated.

If any one has a movie camera, or knows how to operate one, we would also like to hear from him on next Monday evening. We expect to take pictures of every event at the grove and to show them at a future meeting.

SYMPATHY

Our heartfelt sympathy to Bro. Frank H. Nilles, whose son, Frank, Jr., met an untimely death last Saturday. Funeral was held from St. Pauls Church on Thursday morning, July 24. Burial was in St. Mary's cemetery. The deceased boy was a nephew of District Deputy Phillip C. Nilles, Sr.

DOG DAYS

No meeting until August 11, so Joe Sargent, who has been scribe for the past year, is away on a vacation. Next meeting will be known as Father and Sons Night and a big time will be had by all. Big league baseball and football stars—a gift for every kid present and many entertaining acts. Don't wait till next meeting to pay your dues—it is too far away—so mail them to Frank Estes at 1925 S. Troy St.

The L. G. A. Club had a swell time at the last meeting. The feature of the session being the excellent report of the dollar party. The next meeting of the club will feature our annual all-star softball game at Columbus Park from whence we shall repair to Sam White's basement for refreshments. Oh yes! The date is August 18. Wonder how Ralph and Esther are? The softball team expects to get into the finals this year. See the back page of the Columbian for next week's games. When handing out bouquets we should not forget some of our unsung heroes who are on the sideline at every meeting like Saflover, Tesar, Collins, Lyons, Ahern, Canty, Wollenberg, etc. Mooney was chief sodapop dispenser at Blessed Sacrament picnic. He did a swell job, didn't we Ed? Art Hass could only find one booth at St. Finbarrs' Carnival—guess which one! St. Ann's Carnival starts soon, see next issue for details. Well, that is all, except if you want to keep cool, go over to Major's air conditioned alleys and tell Eddie Oakes to set 'em up.

FAMILY HAS GIVEN TEN OF ELEVEN CHILDREN TO RELIGION

New York.—Louis Scheerer, of the Philadelphia Police Force, and Mrs. Scheerer have given seven sons and three daughters to religion. Of their eleven children, one died in infancy. All of the others entered religious life. The story of the Scheerer family is told in an article pointedly entitled "The Real 'Philadelphia Story'" and The Torch magazine.

As a young man Mr. Scheerer had entered the Dominican Novitiate at Springfield, Ky. Deciding that was not his vocation, he returned home.

Today five of Mr. Scheerer's children—all three daughters and the two eldest sons—are Dominicans. The two sons, now Father Berchmans and Father Louis, are missionaries in China. The Scheerers' other five sons all entered the Carmelite order.

Celebrate 151 Years of Priesthood

Meets Aug. 14 . . . . . 4715 W. Madison

Sunday will be an important day in the life of our dear Chaplain, Rev. Francis X. Breen, S.J. (left above), and his two brothers, Revs. Paul M. (right) and Aloysius A. Breen, S.J. (center). They will commemorate 151 years of religious life in the Jesuit order with a Solemn High Mass at 10:00 a. m. in St. Ignatius Church, 6559 N. Glenwood avenue.

Members of our council and their families are invited to attend this Mass. Three hundred seats have been reserved for this purpose. The church can easily be reached by auto, street car or bus. It is located about three blocks west of Loyola University. If you're going by street car, Clark or Broadway cars will take you within walking distance; if you're driving, Sheridan Rd. is the best route; and if you ride the "L," take any north-bound car to Loyola and walk west several blocks.

The celebrant of the Mass will be Father Francis X. Breen. Father Paul Breen will be the deacon and Father Aloysius Breen, the sub-deacon. The sermon will be preached by Rev. Samuel K. Wilson, S.J., president of Loyola University. Two grand-nephews, Paul Breen and Jack Gladstone, will serve as altar boys. During the Mass, Sir Knight John Pane-Gasser, Knight Commander of the Holy Sepulchre, will be the featured soloist with the St. Ignatius Church choir. Members of the Franfours have been requested to act as ushers and are urged to be present at least one-half hour ahead of time, dressed in their full dress suits.

Ever since the organization of our council, April 29, 1918, Fr. Breen has been our loyal and beloved chaplain. It was he who "got the boys together" to organize the council that bears the name of his Patron Saint, St. Francis Xavier. He has been the spiritual leader, guiding light and inspiration of the council and its members all through these years. All who know him can enumerate many instances where Father Breen has come to the rescue in many ways when someone was in trouble.

Past and present members have become endeared to him. He has always been with us with his heart and soul. The least we can do to pay homage and respect to him is to be with him Sunday morning in St. Ignatius Church on this red letter day of his life. It will certainly gladden his heart to see all the members and their families and his legion of friends throughout the city present at his Golden Jubilee Mass.

Father Breen was born December 23, 1869, in the vicinity of Roosevelt Rd. and Racine Avenue. After studying at St. Ignatius College, he joined the Jesuit Order with his brother Paul on July 27, 1891. The happiest day of his life came in 1905 when he was ordained a priest by Archbishop Glennon of St. Louis, Missouri. His teaching life has been a successful one and today he is fondly remembered by hundreds of alumni of the University of Detroit; Xavier University, Cincinnati; St. Mary's College, Kansas, where he served as vice-president; Creighton University, Omaha; and St. Ignatius High School, Chicago, where he taught for twenty-five years and also served in the capacity of vice-president for many years.

OTHER DOINGS

Last Monday night a large representation from our council, led by the Grand Knight, attended the installation of officers and Century Club night at St. Cyr Council. Many K. of C. "higher-ups," including Past State Deputy Judge John F. Bolton, were present at this meeting. A verbal—but very friendly—battle developed between the two "Latin councils" with St. Francis (and I hope that Tony Manno, St. Cyr's scribe, reads this) coming out on top, as usual.

But "Cyr-iously" speaking, we were treated royally, and we wish St. Cyr Council and its Grand Knight, Joe Maggiore, the best of everything during the coming year.

Next week's softball schedule calls for two games. On Tuesday night we tackle Bishop Ketteler's team at Douglas Park, 19th and Marshall Blvd. Thursday night we return to our home grounds, Sheridan Park, to play Chicago Council.

Chicago Hts. Scribe Resigns Post Because of Recent Ill. Health

2-4 Monday.....1527 Otto Blvd.

After two years of service, your scribe wishes to announce that this will be his "farewell" column. Due to reasons of health which have prevented me from attending meetings for some time, I feel sure that the change to a new scribe will be of great benefit to Chicago Heights Council, inasmuch as it will bring a new approach, a different type of reporting, and newer, fresher viewpoints.

I take this opportunity of expressing my thanks to P. G. K. Joseph Dionne for appointing me scribe, and also wish to thank those members who cooperated with me to make my work as good as it was. To your new scribe, Bro. Joe Marthaler, I wish to extend my best wishes and good luck. Please give him your cooperation.

INSTALLATION CEREMONIES

A good number of members attended the joint induction of our officers and those of Garcia Moreno's Council. The meeting held at Harvey was conducted with an air of dignity which left a deep impression on the assembled members. The ceremony was conducted by our very good friend, Dist. Deputy Ed Martin, assisted by the very able D. D. Henry Hilgendorf.

At the conclusion of the installation, they both gave their customary inspiring talks. They praised the members of Chicago Heights Council for their wonderful work accomplished in the past, and urged them to keep on driving unrelentlessly to achieve the acclaim that once was proudly boasted by us. Among other speakers was P. G. K. Joe Dionne with his beaming smile. He thanked the members for the fine support given him and his fellow officers during their term of office, and asked continued su[pport] the new officers.

At our next meeting on July [2] George Pallo will announce the [ap]those selected as chairmen of th[e] committees in our Council. Th[is] be interesting to all members, [and] we urge all to attend.

Calumet Lays Out Program for Year at Meeting Mon.

2-4 Mon. . . . 6646 Stony Island Ave.

Monday evening the Lecture committee will meet to plan the entertainment for the coming year. All who are on this committee and all of you who would like to be of some assistance be sure to come up and offer suggestions. This is an important meeting because all of the entertainment for the meetings of the coming year will be planned. Do you like to sing, dance, play cards, listen to noted speakers? Let us know what kind of entertainment you like best and we will put it on.

The Grand Knight has named the following men to head the committees for the coming year: P.G.K. Wm. Birmingham is the new membership chairman. The way Bill handled all of his other duties in the past years we're sure our membership will go way up. Frank J. Walsh is the new club chairman. Some of you members must think that this club stuff is a club sandwich or a baseball club for all the use you put it to. Come on up and get in on some good, free entertainment. Harry LaMasney is the new blood donor chairman. Harry just received this appointment and he's already answered a call to St. Joseph's Hospital. P.G.K. James E. Grant is the golf chairman and promises us at least two tournaments this year. Roy Gaspari is the organist and P.G.K. Wilfred D. Byrne is the chairman of the U.S.O. All in all we think that the Grand Knight certainly picked an able body of men to handle the council's committees.

AUGUST 17 PICNIC

Do you know what is going to happen in Jackson Park on Aug. 17? Of course you know and everyone in Chicago knows that the 17th is Calumet's picnic for the whole family. We want everyone to bring the kids, aunts, uncles, and friends out and have a good time. So far the prizes have been coming in fine and those of you who haven't sent yours in yet don't forget about it. Take a pencil and circle the 17th on the calendar and then you bachelors take a string and tie it around your finger to remember why you circled the 17th.

SOFTBALL

On July 29 Calumet goes out to Trumball Park at 104th St. and Bensley Ave. to play Santa Maria. July 31 St. James comes out to visit us at Avalon Park, 82nd and Woodlawn. It is getting pretty close to the end of the season so those of you who haven't seen any of the games yet come out and give the boys a little support.

Our D.G.K. Joe O'Connor tells us that we have received word from 12 new men telling of their desire to bowl with us this year. Those of you who we might have overlooked please drop us a line and let us know. We are going to have 12 teams this year so we can use a few more men. Don't forget that included in your joining up is that trip to Cleveland to the National Tournament. This is a handicap league so you don't have to be a good bowler. Even if you're a beginner you will be welcome.

Those of you who are looking for something to do Aug. 3 can go out to Sunset Grove at 135th St. and Archer Ave., Lemont, Ill., to Father Perez' picnic.

The annual Notre Dame retreat will take place Aug. 7-10. The second retreat will be from Aug. 10-12. Retreats are fine things for men because it rests your mind and gives you a little time for meditation.

We regret to report the death of Owen Cull, the brother of Bro. Frank Cull. You know Frank is the busy chairman of Draft Board 15. We hope that Frank will soon have his work eased up and come up and see us. Arch Mahoney and Jim Casey are still out at Hines so drop them a line or better than that drop in and see them. We saw Hank O'Connell and Bill Hearn out at Tom Walsh's Westgate Golf Club the other day and these are two golfers that don't dig that place up. (Was that Joe Lamb we saw outdriving Hank?)

Feehan's Single Meet for August Scheduled for Tuesday, Aug. 12

2-4 Tuesday.....Hamlin and Madison

There will be but one meeting during the month of August as per the custom of past years. The second Tuesday of the month, Aug. 12, is the date.

GOLF—Wednesday's tournament, Feehan's second of the year, will be history when this is printed, but with any kind of a break in the weather, Chairman Augie Tamburrino, when last tapped for information, was looking for a very good turn out.

Gus also reports progress in lining up the prizes for the year's big final tournament in September, but can use some others, so don't hesitate to step forward and gratify that philanthropic urge. Here's your opportunity to get rid of that old antique vase that's been plaguing your living-room for the last fifty years. Just stuff it with Acushnet Tournaments and send it in.

In the Match Play tourney, some second round results are available. Here they are: Walter Brouder beat Pete Cantalupe; Turk Fogarty beat Ray Tuohy. In this match, Mons. Fogarty is reported to have shot a 98. As our partner in a match game he came in with 131. And we thought the Russians were masters of sabotage.

In the consolation flight Bud Schoemer beat Jim Opelka and Pop Edler beat Art McQuillan.

WHERE TO FIND THEM

The Fogartys at Channel Lake.

The Morrisseys (minus Ed) at Four Seasons in Pembine, Wis.

Joe Collins contributing to the National Defense at LaPorte, Indiana.

And Frank Engel hunting wall-eyes and bass up in Minnesota.

BIRTHDAY CONGRATULATIONS—To Bros. Bill Kliesner, Anthony Eudeikis, Jay Gleeson and Leonard Mills, who celebrate this week.

Hen.-Shields Golfers and Ladies Will Hit the Fairways Aug. 17

Aug. 13 . . . 446 N. Parkside Ave.

At long last and for the first time on any printed page we now reveal the exciting news of the long awaited council golf tournament to be held Sunday, Aug. 17, at the Glendale Golf and Country Club.

The Glendale Golf and Country Club, well known in golfing circles in the Chicago district, was selected as the most appropriate place to hold our annual tournament. Its beautiful greens and rolling fairways, tricky sand traps and deceiving water hazards will give inspiration to the top flight golfer to do his best, while at the same time the golfer who never has broken a hundred will be able to turn in a good game, possibly better than usual.

The roomy clubhouse, possessing all facilities for catering to the wants and needs of the golfer, overlooks the golf course from its commanding position on a hill at the start of the course.

The foursomes have the privilege of teeing off at 10 a. m. Sunday morning and continuing until 1 p. m., when all foursomes are expected to have checked in and begun their round in order that all may complete their play in time to get cleaned up and in the proper mood for supper and the distribution of awards.

The golfers may bring their ladies, who will be provided with diversion in the way of cards and the exchange of choice bits of gossip among themselves while their better halves and whatnots are out busily digging up divots. Dinner will be served at 7 p. m. in the clubhouse.

The cost of this day's outing, which includes all services, is unusually low, the price being set at $3 per person for golfers and $1.50 for the ladies. Committees have been appointed and names of members comprising the rules, publicity, award, card and reception committees will be named in following issues.

To reach the Glendale Country Club, drive west on the Lake street highway (if you can't find Lake street you might as well stay home) until you reach Glen Ellyn road, just beyond Highway 53 and about two miles this side or east of Bloomingdale. Turn left and south on Glen Ellyn road and continue about a mile or less to the clubhouse. As a fellow once said to us: "You can't help but miss it!" It's Aug. 17.

THE SOUNDING BOARD

Quite a few of our members who also hold membership cards in the famous Stayms Club of Austin attended their club picnic last Sunday and gave some slight evidence of trying to recapture the illusion of lost youth. In the father and son ball game, Jack Kennealy essayed to do some pitching and while good, his support was rocky. Bill Annas tried catching, but having to chase so many passed balls, he soon gave up. Captain Pat Sullivan gave an exhibition of batting, fielding and base running that had no equal. The trouble with Bill Cronin's fielding was that there were too many bases to throw to, while Bill Cooney played one faultless inning because nothing came his way. Elmer Diamond found that catering to the crowd was more satisfying and easier than chasing a baseball. Bud Kennedy's athletic activities were short lived to say the least. Jim Lynch, Jim Hosty, Maurice Garvey, Ed Peterson and Tom Tyrrell exercised restraint and discretion and remained in the shade to root for their favorites until they became afflicted with dry throatitis. Father William Murphy, organizer and former chaplain, was also present. We might remark in passing that the Stayms Club members have fathered a mighty fine, intelligent and handsome looking bunch of children.

The Stewart Club picnic, to be held Aug. 10, will be given at the National Grove, 31st street and Desplaines avenue. The Stewarts promise a grand picnic and a good time to all.

John Winterhalter and his missus marked up their fifth wedding anniversary on July 20. Congratulations, Johnny. Did you get any wood?

Grand Knight Cummins departed last Thursday for the wide open spaces and wilds around Lake Superior. Going to fish, he says. Last report from the poor fish is that they will hold all positions down to the last gill. They should worry.

Do you remember when you just couldn't wait until you were twenty-one and became a man? Probably quite a few of the boys who became twenty-one recently would have been well satisfied if their birthdays were some years in the future. G'bye.

Ridge Installation Is Postponed Because of Busy Vacation Season

1-3 Tues. . . . . 8219 S. Halsted St.

At our last regular meeting, Tuesday, July 15, G. K. Ray Hallstein seated the elected officers for the coming year, due to the absence of D. D. Jerry Sheehan, who is vacationing at this time. The formal installation will take place at a future time, date to be announced later. At this meeting we were honored by a visit from Dick Phillips, newly installed Grand Knight of Englewood Council, who invited our members to attend their next meeting and partake of refreshments. Hank Kohlman of Englewood Council was also present.

G. K. Hallstein D. G. K. Frank McGlinn, Treasurer Mike Feyerer, and Frank Lorath attended the installation of Englewood officers and reported having had a swell time, keeping Speedy out till long past bedtime. He said next time they will use their own cars. (Can't take it, eh, Speedy?)

Our chaplain, Rev. Father John Gleason, will be with us no more, having been appointed head of Religious Education in Catholic Schools in the Archdiocese by Archbishop Stritch. We are sorry to see him go, and our G. K. will appoint his successor at a later date.

Now that the officers are seated for the coming year, and G. K. Ray Hallstein is again at the helm, let us get behind him and make it a very successful year. He really did a wonderful job and merits a second year. Let each member make up his mind to bring in a new member. This is not hard as you must have a friend who is a Catholic gentleman and just waiting for an invitation to join the K. C.'s. Try it and find out. Also, how about the blood donors' group? This is Catholic Action of the highest degree, and every K. C. sholld join it.

HEARD ABOUT TOWN

James Landgraf, our new outside guard, is letting up on that foamy lather, and is trying to vacation in California for a month on $2 per week, according to his say so. Hoy are you making out, Jim? Bro. Jerry McInerny was promoted to a corporal at Camp Fort Leonard Wood, Missouri, and was in to visit his folks over the week-end of July 4. Congratulations, Jerry, drop the council a line and give us the news.

D. G. K. Frank McGlinn acted as warden to State Deputy Leo Flynn Wednesday evening, July 23, at Kankakee, Ill.

On Sunday, Aug. 3, Little Shrine Church, 117th and Church streets, will hold its annual dinner and carnival and you are all cordially invited to attend Father Corkery has been very gracious to Ridge Council in the past and hopes to see you on this Sunday.

From there you can leave for Father Perez picnic to be held at Sunset Grove, 135th and Archer road. The committee in charge offers you a real surprise horse race, which they promise you will never forget. There will be many valuable awards so bring the family for a good time.

Sunday, Aug. 10, is the date for our next basket picnic to be held again at Momence, Ill. Pack the lunch, gather the family and friends and meet us at 10 a. m. at 103rd and Vincennes avenue. The refreshments will be taken care of by the committee, Frank McGlinn and Frank Lorath, and transportation will be waiting if you have no car. We hope to be seeing you. P. S.: Bring your own glasses for pop and 3.2.

K. C. Softball League Will Hold Summer Party Aug. 1

BY JOHN E. MINOR

On Friday, August 1, at Leo. XIII Clubhouse, 820 W. Garfield Blvd., the Softball League will hold a social gathering for the delegates, managers, players and friends of the league. This is an opportunity to meet your opponents off the field of battle in friendly surroundings.

Many a yarn will be spun and many a story exchanged about the prowess of certain teams of the day and of the great ones of the past. The "Who's Who of the K. of C. League" will bet compiled on this evening by piecing together the various anecdotes related. A yarn that will outdo the great stories of all times is how a team managed by Henry Doolin managed to have 4 base runners on third base at the same time all runners eventually being called safe by the umpire.

An encouraging note for this affair is that there will be no speeches. Refreshments will be served at the nominal cost of 75c per person. For an investment in goodfellowship attend this affair.

BARRY TOPS HUGHES

The A-1 performance for the week was turned in by the team from Barry when they toppled the defending champions from Hughes by a 3 to 1 score. Timely hitting by DeVito and Wilson produced the necessary power to provide the margin of victory.

A hard fighting team from Fr. O'Connor lost a close one to Brownson 7 to 5. The victors required two extra innings to emerge triumphant. The game was featured by the pitching of Steinbach of Brownson and McGuire of Fr. O'Connor. Bro. Bodkin of Fr. O'Connor filled in as umpire and deserves a vote of thanks for the competent manner in which he discharged his duties.

The old adage, "Youth must be served," was proven to be false when a team of battle-scarred veterans from St. Rita put the skids under the first place McHale outfit by a 9 to 8 count. Bruno Fracassi held his opponents to ten hits while pounding out three hits for himself to earn a seat on the hero pedestal for himself.

Out on the far southeast side a team from St. Philip Neri, its ranks reduced by the Selective Service Act, conquered a fighting young team from Calumet. Dick Carroll, Ray Duffy and Joe Lapota wielded extra heavy bats to lead their team to a 11 to 7 victory.

The hottest team in the league at present, the boys from Bishop Kettler, continued on their victory march by downing the Americus team 11 to 5. John Shaughnessy, transferee from De La Salle, pitched a steady game, yielding but 9 hits. Ed Wenchowski pounded out three hits to contribute heavily to the scoring.

According to the score cards turned in activity in the central section was at a standstill last week.

Next week's schedule calls for 2 games in some sections. Schedule reads as follows:

TUESDAY, JULY 29

G. Sherman Members Ignore Heat to Attend Installation Ceremony

1-3 Tues. . . . 4300 W. North Ave.

The newly elected officers of Gen. Sherman Council were installed last meeting by District Deputy John H. McKeown, ably assisted by P. G. K. John Bannon of Hughes Council in their usual efficient and impressive manner. Officers and installing officers were in full regalia and were they warm. Following the installation, D. D. McKeown gave a nice talk on the order and the need of getting new members in our council. He asked the support of all members to the new administration and also thanked us for the fine attendance we had.

The new officers of General Sherman are Grand Knight, Bertmont J. Welker; Deputy Grand Knight, John Slepicka; Chancellor, Ken Buckley; Financial Secretary, Joseph Diesenroth; Recording Secretary, Max Thiel; Warden, John Ruh; Treasurer, Terry Clark; Lecturer, Frank Veysey; Trustee, Harry Kohl, Advocate, Wm. Connell, Jr.; Inside Guard, Thomas Tierney, and Outside Guards, Fred Savaglio and Jack Ryan.

Rev. Father Mike Sesterhenn,, of Holy Trinity Parish, has again been appointed chaplain of our council and I am sorry to report that he is still at St. Elizabeth's Hospital, Room 350, and would like to see some of his friends from the council. Bro. Matt Ellgass was appointed chairman of the membership committee and pledges with YOUR help, brothers, 100 NEW members, so let's all give Matt a hand and put Sherman Council up where it belongs.

Last and least your new scribe, Frank J. Mootz, with the capable assistance of (Bowling by Bernie) Bro. Janco, will endeavor to print the news as you give it to us. So shoot the dope to me at Keeler and Cortland, Spa. 9497, or Bernie at Bel. 0962.

A little late with this, but the picnic was a big success, due largely to the generosity of "Hoff-Brau" (Bro. Paul Klinnert) and genial Matt (Bro. Matt Ellgass) who donated the Hoff-Brau which hit the spot on that hot Sunday afternoon. Also the truck which Mike Marine secured, John Ruh's "dime a chance" and all other fellows who helped make this affair a huge success. President Matt and the then secretary, now Grand Knight, Bert Welker, extend their thanks. That's all for now. See you next week.

University's Tourney Scheduled for August 2nd at Briergate Club

2-4 Tuesday.....St. Ignatius Aud.

University Council's Annual Golf Tournament will be held Saturday, August 2, at Briergate Country Club.

Co-Chairmen Bob Sullivan and Jim Malone were able to arrange this affair in a manner that will assure a good time for all that attend.

The details are as follows: A full day of golf, the customary refreshments, prizes, and a steak or chicken dinner all for the nominal price of three dollars.

For those who are not familiar with beautiful Briergate Country Club—it is located at Deerfield, Ill., on Deerfield Road just west of Skokie Road. The golf course is one of the finest and its dining room is famous.

This is the thing that makes it different—ladies' foursomes can be arranged; and the ladies are particularly invited for the big evening, where before, during and after the dinner there will be singing and dancing.

If you don't golf (and who does) there is no reason for you to miss this party. Dinner, prizes, and dancing are yours for one dollar and fifty cents ($1.50) and when you come, bring your wife and friends, because this is a real University party.

It is important to remember, yourself, your wife and your friends are welcome, and it is the same price to all—three dollars for the day and evening, one-fifty for the evening only.

SOFTBALL

University Council's great softball team beat St. Paul of the Cross about 20 to 6 last Thursday night at Legion Park. In the absence of Mr. James (I work in the County Building) Kane, Mr. Martin Jeffers managed the team. We must say of Mr. Jeffers, judging by the score, he did a good job as manager, but when it came time to send notes to the scribe so that you might have the line-up and other items of interest, he fell down on the job. We also understand that Mr. Martin Jeffers voluntarily dropped out at the third inning and that a young man took his place.

We wish to thank Mr. Jeffers for his long service and bid him a fond farewell, and presume that upon return of Mr. Kane that he will be relieved of his managerial duties. Mr. Jerry Conway played in the outfield for University Council last Thursday and distinguished himself by hitting three home runs. We understand that Mr. Robert Sullivan took second base home with him to practice touching it.

These boys may play like champions on Thursday, but they are dubs on Sunday morning. Be sure and come out for your exercise every Sunday at 10:30 a. m. at Legion Park, Peterson Road and the Canal.

INDUCTION

Bro. Edward Jeffers, who is now a District Deputy, installed the new officers of University Council for the coming year. Ed did the job in his usual graceful style. Our District Deputy, Jules Altenhofen, was unable to attend, due to the fact that he was called out of the city.

MAYSLAKE RETREAT

Reverend Father Oliver, a member of University Council, appeared at our last meeting and urged all the members to attend Mayslake Retreat. University Council in the past has always had a good record among the Knights of Columbus at Mayslake and Father Oliver urged the members to continue to attend the retreat. Any one wanting any information concerning Mayslake can get same by calling Father Oliver at Harrison 0882, or Jack Donohue at Briergate 2927.

University Council's Retreat day at Mayslake is Friday, August 8. The Retreat starts on Friday evening and continues until Monday morning. This year University Council will join with St. Gertrudes Parish at Mayslake. Bro. John Curtin is the chairman for St. Gertrude's Parish and Bro. John T. Donohoe for University Council.

ABOUT TOWN—Tony Murray last year used the excuse that he was remodeling his house when he missed a softball game. He missed last Thursday and came up with the excuse that he had to mind the baby.

Ensign John Hayes is assigned to a destroyer and is stationed at Hawaii.

Mr. and Mrs. Raymond Hayes and Esther (Itsy) Hayes are now in Hollywood, California (not the studios) and will tour the West Coast as far as Banff and Lake Louise. Some tirp—and we have to sit here in "beautiful" Chicago! Oh, well, wait until the revolution!

Brownson Membership Drive Will Begin Now to Assure Its Quota

2-4 Fri. . . . . 4754 N. Western

During the fiscal year which ended June 30, Brownson came closer to filling its quota of new members than it has in a number of years. Membership Chairman Frank C. O'Connor, and his committee, did a fine job of trying to have our Council listed among the honor councils of our Order and with a little more help would have reached their goal of 38 new members. We are now starting a new council year, with new officers full of zeal and ambition to put Brownson again in the position it once held in membership in Chicago.

Grand Knight William J. O'Neill wants each and every member to feel that he belongs to the membership committee this year and for everyone to start now, during the summer months, to try and secure one or more new or former members so that next June will find Brownson, if not at the top, very close to it. On the golf course; away on a vacation; at the beach; and a great number of other places during the summer, one meets and makes new friends. Don't hesitate to let them know that you are a Knight of Golumbus and that they should be one too.

We were very sorry to hear that Bro. Thomas Baynes is in the Alexian Brothers hospital. Tom, one of our charter members, is in room 368 and while he is confined to bed, he would welcome a visit from his Brother Knights. Tom and his twin brother, William, are retired members of the Chicago police department and are among the best known members of our council. Brother Bill, we heard, is in charge of the special police at a government project near Rockford, Ill. Who said a man is too old at 63? Bro. Bill Fergue is in Cleveland, Ohio, attending a family reunion. He is seeing some of his sisters for the first time since leaving the old sod. He is also getting the low-down on the alleys where the K. of C. National Bowling Tournament will be held next March in Cleveland.

Our council's and bowling league's loss is Uncle Sam's gain because last Wednesday, Bro. John Adams left to join the armed forces of our country. Our softball team will miss John, too, as he was one of our star players. We wish him the best of luck and just as soon as we hear where he is stationed we will pass the information along so that his Brothers may write to him.

Bro. Al. Long, owner of the Monte Carlo alleys where the council league bowls, entertained a number of the Brothers at his summer home at Fox Lake last weekend. Bro. O'Byrne and G.K. O'Neill liked the place so much that they decided to spend their vacation there. That's the kind of a host Al. is.

CHICAGO JEW LEAVES BEQUEST TO NUNS

Maurice I. Rothschild, Chicago merchant, left one-half of his fortune to charity. Of Jewish birth, Mr. Rothschild left several bequests of $10,000 each to the Little Sisters of the Poor. At the beginning of his career in Minneapolis he became acquainted with the self-sacrificing work of the Little Sisters and it impressed him so much that from his small earnings he contributed to the work of the sisters. The practice remained with him and every year he sent a generous check to the sisters.

Al., by the way, is remodeling h and they will be open for inspect month. Drop up and see them.

Bro. John Papke is due back the first of August, having been almost a year, and will yours glad to see him? I hope he will where he left off by again wri notes for The Columbian. He s a swell pob of it.

Bro. James V. Neary is the our members to give a blood tra having done so last week at th Research Hospital for Miss Agne sister-in-law of Bro. Sam Ciesin sincerely hope that the little Mi Newton, Ill., will soon be well.

We were very glad to hear t Ed. O'Connor, P.G.K. of Chicag cil and brother of Jack and Jim nor of our council, is home fr Alexian Brothers hospital, where spent the better part of the pa Best of luck, Ed.

BOWLERS, ATTENTION!

Cards are now in your hands making inquiry as to your intentions for next season. Please detach the "reply card," filling out the squares necessary, and mail as soon as possible. A meeting of all bowlers will be held on Tuesday evening, August 5, Midwest Athletic Club, 6 North Hamlin Ave., at 8:15 o'clock. Your attendance is essential.. In going over our membership roster, the officers of the league may have missed a few of the boys who may want to bowl next season, but if this is so, please do not take offense . . . come up to the meeting and get in the lineup.

Church Institutions in Occupied States Closed or Confiscated

Zurich.—The Hitler government has directed harsh and oppressive measures against Catholic educational institutions in Germany, Austria, Sudentenland and the Protectorate of Moravia and Bohemia, according to word reaching here from highly reliable sources.

Transformation of State Catholic elementary schools into non-sectarian schools has been widespread, and the suppression of private Catholic schools is almost complete. In all elementary schools religious instruction has been notably curtailed, and in the secondary schools there has been a general effort to replace religious instruction with lessons in the National Socialist doctrines. Crucifixes have been removed from the schools, and every means has been employed to keep members of the clergy away from the institutions.

Using the war as a pretext German officials have closed many major and minor seminaries. Numerous Catholic colleges and academies have been subjected to the same treatment. In some instances, where the colleges and academies were not closed by direct action, they were subjected to uses and placed in conditions so incompatible with the principles of Christian education that the school authorities themselves could do nothing but discontinue classes.

World-famous abbeys and a very large number of religious institutions—both the monasteries of priests and the convents of Sisters—have been confiscated, together with all their appurtenances. The communities of religious men and of religious women were dispersed.

In Bavaria and Austria, Germans have abolished the financial obligations which the State and local authorities had to the Catholic church. They have also seized religious properties including funds, lands and buildings.

Over and above all these repressive measures on the part of officials themselves, ecclesiastical properties have been subjected to acts of vandalism without the authorities making any attempt to apprehend or to punish the guilty parties. In the press and virtually every organ of publicity, grave insults are leveled against religion, against the person of the Sovereign Pontiff himself, against the Catholic church in general, and the Catholic clergy in particular without an opportunity being given to Catholics to defend themselves.

Even religious services are arbitrarily curtailed. The pastoral letters of Bishops to their flock, and even Papal documents, are forbidden to be disseminated. There have been instances of the arrests of priests.

DEARBORN'S OFFICERS INDUCTED LAST WEEK

3rd Thurs. . . . . 820 W. Garfield Blvd.

On Thursday, July 17, Dearborn's officers for the coming year were installed by our D.D. Judge Joseph D. Hermes. The meeting was opened by retiring D.G.K. Pidone and the regular business disposed of quickly and the gavel turned over to Judge Hermes to conduct the ceremony. The D.D., accompanied by Al Riley as Warden, did a very efficient job and we take this opportunity to thank the Judge and Al for a splendid and colorful piece of work.

The officers as they were installed are as follows: G.K. John Devereaux, D.G.K. John Downes, Chancellor David Kerwin, Recorder Jim Kittrick, Fin. Secy. John Feilen, Treasurer Owen Brady, Warden Al Riley, Advocate Wm. Sullivan, Trustees T. Wilhelm, O. Heilmann and J. Logan, Lecturer Pat McCarthy, Inside Guard F. Wilhelm, and Outside Guard G. Albert.

The only misfortune in what we would call a perfect ceremony, was the fact that our G.K. was at home confined to a sick bed, and we know that he surely was thinking all evening long of his council and brother officers. At this writing let us report that he is a little better than last week, but is still a very sick man, and we are going to ask each and every member to say a prayer for you, John, for a speedy recovery.

The council was honored by the attendance at the installation of State Secy. Ray Gleason, who rose to say a few words of encouragement to the members. Other visitors and friends of Fort Dearborn who took the time and trouble to come and congratulate the officers for the coming year were as follows: D.D. Lowry of Joliet Council, accompanied by Recorder Dillon, also of Joliet. St. Philip Neri Council was well represented by their G.K. O'Neill, Treas. H. Bitter, Warden Geo. O'Donnell, Lecturer Al Stevenson, Bill Spinar and Joe Lapota. D.G.K. Baker of Loyola-Hyde Park Council was also there to extend his best wishes.

It is nice to know that Dearborn has so many fine friends and we thank each and every one of these gentlemen for his consideration. We wish, also, to take this opportunity to thank Leo Council for the use of their chambers for the installation, as Dearborn's are going through cleaning and decorating process.

SOFTBALL

Here's a hot one, fellows: Manager pro tem Kelly says he has brought the team good luck since John Logan has been confined to the hospital. The reason, Kelly says, is because Weber Council team didn't show up last Thursday night and Dearborn won a forfeit game by a score of 9—0. Bill Lynn wants credit for a no-hit, no-run game pitched. "Baldy," and all the team say "Hello," John, and hope you get out of the butcher shop soon.

We are nearing the end of the season now, only having 3 more games to play. Tuesday, July 29, we play Archbishop Quigley Council at Mark White Park, 2900 So. Halsted St., so let us see you out there, brothers.

CONGRATULATIONS

On Saturday, July 19, our Financial Secy., John Feilen, put on his best bib and tucker and marched up the aisle of Visitation Church with his daughter, Genevieve, to give her away in matrimony to Mr. Nick Anast. The happy bride and groom, after their honeymoon, will reside at the Parkland Hotel. At the reception the food and refreshments were plentiful and delicious. Thank you, John, and the best of luck for the kids.

Bro. Jim Gaul was called upon to give a blood transfusion at St. Bernard's Hospital last week. Chairman Bob DuMais announced at the meeting that he is now in a position to parcel out the requests for transfusions to other councils, thus relieving the strain somewhat on Fort Dearborn donors.

CONDOLENCES of the council are extended to Bro. James Markham, whose father passed away last week. We pray that he will rest in peace.

WANDERING about Chicago and its suburbs, we came across two foreign diplomatic gentlemen, one known as Bro. Matt May from Elmwood Park, Ill., and the other from McHenry, Ill., Bro. Ed Frett, who represent Dearborn in their own home towns. We secured a promise from each that they would come to a meeting soon.

SPECIAL ANNOUNCEMENTS

Our G.K. has made the following additional appointments for the coming year: Bro. John Logan as Athletic Director and Bro. Frank Gerry as Scribe, as was announced at the last meeting by D.G.K. John Downes.

Fr. Perez Council picnic Sunday, Aug. 3rd, at Sunset Grove, 135th and Archer Ave., in Lemont, Ill.

Bro. Tony Wilhelm reminds the members that they are always welcome to make the retreats at Mayslake, and those de iring to make them should get in touch with him.

Members may get in touch with the Scribe from 8 a. m. until 4:30 p. m. at Dorchester 4200, Loc. 22, and after 5 p. m. at Dorchester 5552, if they have any bits of news or gossip that should be published. Your co-operation is kindly solicited and will be graciously received.

John Maguire thinks he can get the same results as Irwin Brazill did by drinking a lot of pop. Think you'll need something stronger than pop, John, but you might try.

NAZIS THROTTLE CHURCH IN OCCUPIED COUNTRIES

Lisbon.—Authentic information reaching here confirms other reports that the Nazis are continuing to throttle the Church in occupied countries, particularly in occupied France, Belgium, and Holland. All meetings and activities of Catholic organizations have been forbidden in the three countries, and Gestapo agents have made minute investigations in the residences of Bishops and priests and in the headquarters of Catholic organizations. The Nazis have carried away hundreds of documents and have shown a preference for documents coming from the Holy See. All Catholic schools have been abolished. Contributions by the state for religious purposes have been done away with. Extraordinary taxes have been levied on diocesan funds, according to the reports revealed here.

Although the crow is not protected by game laws, it manages to survive because of its extreme caution. Every gathering of crows in a field has a lookout to caw in alarm when danger approaches.

Three Generations of Responsible and Reliable Service

For three generations the firm of John McMahon and Sons has assisted Chicago families with the many details that arise in connection with funerals in as comforting and easy a way as possible, realizing the sacred nature of the work and endeavoring to carry it out with the proper reverence and dignity.

Under the very capable guidance of Joseph A. McMahon, second generation, the firm has developed skilled professional service, adequate facilities, and modern equipment—everything possible for the comfort and convenience of bereaved families and friends.

May 1, 1941, Joseph A. McMahon was called to his eternal reward.

His family, well experienced in this work, inherited the business and will retain possession of and conduct it with the assistance of other employees and will uphold the favorable reputation it has earned by continuing the progressive policies and high ideals of Joseph A. McMahon.

AUBURN PARK OFFICERS INSTALLED LAST WEEK

2-4 Thurs. . . . . 7740 S. Emerald Av.

At the meeting held on last Thursday evening, July 17, our District Deputy Wilfred Byrne, accompanied by Brother Jos. O'Connor of Calumet Council as Warden, installed the newly elected officers for the ensuing year. This is the first installation in many years that has been held in our Clubhouse, and considering the warm evening there was a fair representation of members. After the close of the meeting the members retired to the recreation room and enjoyed the refreshments.

We wish to express our appreciation to our District Deputy Brother Byrne and his Warden Brother O'Connor for the splendid manner in which they installed the Officers, and hope they will both have an opportunity of attending an Auburn Park meeting in the very near future.

REPORT ON MEMBERSHIP

For the first time in a number of years, our Council has reached its goal in the annual membership drive, and has equalled its quota for a place on the National Honor Roll; we received an inscribed certificate of recognition for this accomplishment last week. It was through the efforts of our membership chairman, Brother John H. Coughlin, assisted by Brother Paul Byrne, John H. Clausen and Anthony Gallagher, that the greater portion of these new applications were received. We hope that these Brothers will again lead the way this year and with the assistance of more of our membership exceed this past year's accomplishments for 1941-42.

SOFTBALL TEAM WINS ANOTHER

On Thursday evening, July 17, Auburn Park met Englewood Council at 77th and Yale Ave., and were victorious to the tune of 18 to 4. This one sided score does not take anything away from the ability of Englewood Council's team, but after the defeat by McHale a week previous, the boys seemed to be out for revenge and Englewood's team was the victim. Brother Paul Byrne reported this victory gives our aggregation eight wins against two defeats for the league play up to this writing. Keep up the good work, boys, we are all pulling for you.

At the last meeting the semi-annual audit for the period ending June 30 submitted to the Council for approval. Our treasurer, George Wrocklage, who assists the auditors in making this report, read the audit and it was more than encouraging to see the manner in which the financial setup is now being handled. Just two weeks after the close of the period the audit was ready for submission.

The outstanding feature of the audit was the small amount uncollected as of June 30 on both insurance and associate members, and with the bank balance on hand as of that date. To the trustees, Brother John Rooney, Financial Secretary John Clausen, and Treasurer Brother Geo. Wrocklage, we extend our congratulations for their efforts in this very fine report.

Our retiring trustee, Brother John Rooney, has made several appeals through this column in the last several months for the members to make an effort to pay their quarterly dues and assessments prior to June 30 in order that an audit might be made and a surplus accumulated to take care of the financial obligations due July 1. Brother Rooney was more than pleased with the response of the membership and makes another appeal to continue to pay assessments in advance so that the council will be well established on a good financial basis. Let's show Brother Rooney we appreciate his splendid efforts and make the duties of the Trustees more pleasant.

Garcia Moreno to Aid in Parish's Annual Outing July 25-Aug. 3

2-4 Tues. . 155th St. & Lexington Ave.

Our chaplain, Rev. Renklewski extends a cordial invitation to all our members and friends to attend his parish's annual bazaar to be held on the parish grounds, 150th and Lincoln streets. On the request of our chaplain, Garcia Moreno will sponsor a booth at the bazaar. G. K. John Mech is chairman of the council's committee, while the general chairman of the bazaar is Mr. Stepek. Kindly note the dates of the bazaar, July 25, 26, 27, 30, Aug. 1, 2, 3. Put a ring around these dates, we know you won't want to miss the chance to give a helping hand to our chaplain. Pick your night. We guarantee you will enjoy the evening.

The Garcia Moreno machine is now oiled, and with its new crew of officers headed by G. K. John Mech we expect to go places in council accomplishments. The council and order's programs cover much time and lots of real hard work. There will be a goal set for each part of the program and our officers will all work hard toward the success of the entire program. When we have advanced within striking distance of any goal, the last steps are made through interest. The success of any council or enterprise is dependent upon the amount of interest displayed by those concerned with its welfare. Interest, therefore, is a most important factor in the building of any council.

Through leadership and co-operation in our council we can create and sustain the interest of our members. To do the latter will mean a bigger and better council. Enjoy your membership by being an active member; it pays dividends. The second and fourth Tuesday evenings of each month are your council's meeting nights. Make an effort to attend at least one meeting each month.

THIS AND THAT

Oscar Hines, general chairman of San Salvador Council's picnic committee, and their G. K., Joseph D. Bois, extend an invitation to attend their annual picnic Sunday, July 27 at Warring's Grove, Frankfort, Ill. Games, races, contests, refreshments and everything on hand to make the day an enjoyable one for all. Admission to grounds free.

Scribe received a card from Denver, Colo., where James Munro and wife are enjoying their vacation. Francis De Mayo, picnic chairman, held his first committee meeting last Monday evening. The scribe will cover all these meetings and through this column will bring the picnic news to the members. The picnic tickets will be in circulation in a short time, and we hope our membership will give the ticket chairman their loyal support. He is no other than P. G. K. Romeo Begnoche.

Just a reminder to you members. Write down this telephone number, 2750W. This is the phone number of D. G. K. Joseph Dehnert, chairman of the sick committee. Report to him all cases of sickness, injuries and deaths. It is very important that we all cooperate with Bro. Dehnert. When on your vacation drop us a card. You know the address. The scribe heard that Simon Ryan and wife have returned to Harvey. Welcome home, Simon. D. D. Henry Hilgendorf, Louis Beaupre, Al St. Aubin, Romeo Begnoche, Chas. Moran and the scribe visited Pinta Council's installation last week. D. D. Henry Hilgendorf, Joseph Reardon, Chas. Moran, John Mech, Romeo Begnoche and scribe were Bro. Hilgendor's aids when he installed the officers of Lemont Council.

Hildebrand Starts New Council Year With Eye on Record

1-3 Thurs. . . . 5711 W. Chicago Ave.

Despite the humid atmosphere a good number turned out at last meeting. . . . And remember only one meeting per month during the summer. . . . Which brings our next session to order on Thursday, August 21. . . . Harry Leddy, our versatile Grand Knight, started off on his new term and it looks as though another record year will be written into the records. . . . His first official move is to renovate some of his committees and then give definite concentration to the necessity for increased membership. . . . And don't think we won't give the old ten per cent quota a rousing brush off this session. . . . So brothers, you are about to witness a bearing down from the G. K. and his whip hand is in good health because of his constant good golf during the summer twilights at Long Lake. . . . Jim Lubawy is on the mend after a sojourn at the hospital where a mean appendix laid him low for a few weeks. . . . Up and at 'em, James, and we are anxious to see how you look without the pesky appendix. . . . John H. Wilson, our latest acquisition to the ranks, paid us a visit and we are anxious that he continues the good practice. . . . Our sincere condolences are extended to George Meldrum and members of his family on the death of his dear mother last week. . . . May she rest sweet in eternity and we solicit your prayers for her immortal repose.

Notice how hale and hardy Ed. Reid is looking after we have not seen him at one of our meetings in lo those many weeks. . . . Come often Edward, we want some credit for your healthful appearance. . . . News of the day in the New World records the transfer of one of our favorite members, Reverend Patrick J. Ronayne, from St. Jarlath to St. Henry Parish. . . . Phil Ryan is exuberant about those air and naval bases in Eire, and tells some interesting anecdotes about the Leathernecks with commissions. . . . George Brewer has caught the fever of suburbanitis and is now installed in his new home in North Lake Village. . . . Elmer Brewer is a new home owner in the same community. . . . We wish these ardent Knights good luck in their new surroundings. . . . We believe we already told you that Bill Byrne, our once perennial Deputy Grand Knight, is now enjoying suburban life in Elmhurst where he purchased a home some time ago. . . . Jim Gillen, our beloved Past Grand Knight, must have discovered the fountain of youth.

Harry Leddy, Jr., our enterprising F. S., just returned from Northern Michigan where he spent his vacation and the news trickles this way that he has bestowed the inevitable sparkler upon one of the fairest maidens from that vicinity which means that soon he will join the Benedicts. . . . And if congratulations and best wishes are in order, we bestow them in profuse quantities. . . . No more cards from our other vacationists which accounts for lack of news about our travelers. . . . Barney Grothouse, the energetic Deputy Grand Knight, whose love of Knighthood is legion, is bent upon bringing about a record for reinstatements, readmissions and new members during the next six months. . . . Just give Barney a hand and his reports will amaze you in the results he will obtain.

Fred Saliba, native of Malta, gives tantalizing and amazing news about that ancient isle when prompted to do so. . . . The stately posture and military bearing of Walter Kampa in his capacity as Warden keeps the Chambers in operating condition at any of our stormy sessions. . . . Walter Reuter is preparing to write the history of the council, inasmuch as he has been Recorder for these many years, and such data are necessary for our fortieth anniversary. . . . The bowlers are about to make up some sort of program for the 1941-42 season, and Chairman George Brewer is ready to begin activities again. . . . That's the spirit we like. . . . Judge Lambert Hayes is sponsoring a Retreat at Mayslake the first part of September. . . . Our members are cordially invited to attend.

Marquette Holds 45th Installation Ceremony In Council Chambers

1-3 Thurs. . . . . 1928 Devon Ave.

The forty-fiifth annual installation of our officers took place at our meeting of July 17. Our own P. G. K. Arthur Donoghue, a District Deputy of the order for many years, had charge of the installation ceremonies and performed a grand job as he does in all his undertakings.

The officers installed were John E. Hesse, Grand Knight; James J. Buckley, Deputy Grand Knight; Patrick T. Driscoll, Chancellor; Dr. Edw. S. Meyer, Advocate; Clarence J. O'Hara, Recorder; Joseph A. Sacheck, Financial Secretary; Walter T. Pettis, Warden; John V. O'Hara, Treasurer; John L. Henrick, Lecturer; Roy J. Egan, Trustee; Inside Guard, Phil W. Wetter, and Outside Guard, Harry Hofherr.

D. D. Donoghue and his assistant, Frank Loderbauer, were thanked by the council for their neatness and dispatch with which they accomplished their task.

CONGRATULATIONS

The council offers congratulations to Bros. Harry Hofherr and Thomas Carroll, who recently became proud fathers. Mrs. Hofherr gave birth to a baby girl, while Mrs. Carroll gave birth to a baby boy. The mothers and babies are doing well and even the fathers are back to normal and will be present at next meeting on Aug. 7 with the cigars.

DUES

Brothers, I canont call your attention too much to the fact of keeping your dues paid up to date. Many of the brothers are very much delinquent at the present time and action by the trustee must be taken shortly. So if you are delinquent, won't you please get paid in full at once. Next meeting is Aug. 7.

MAYSLAKE

Next Friday night our members are making their annual pilgrimage to Mayslake, Hinsdale, Ill., for a spiritual retreat. If you cannot go with our council delegation on Friday, it will be all right for you to go Saturday and remain until Monday morning. It will be a vacation for the soul in meditation with our Lord, away from the cares of everyday life. Please be counted among those present, won't you, for your own good?

COUNCIL NEWS

P. G. K. John Herington sends a card from New York City, where he is spending a week. We wish him the best and hope he is enjoying himself. Several of our members took part in the state golf tournament at Olmpia Fields. Bros. Chas. Cronin and his buddy, Harry Warner, are at La[illegible] o' Lakes this week on a fishing trip they bring back some of the fe fish from there.

All members who are supporti U. S. O. drive now on should kno the K. C.'s are taking an active this campaign to raise funds f establishment of recreation cent members of the country in armed Please remember to send your d in through the council so that th cil can make a very good showi this worthy cause.

De Soto's Picnic Takes Spotlight for Sun., Aug. 10

2-4 Frl. . . . . Clark and Belmont

Before getting into the main business of this column I might say that because of unforeseen circumstances your extinguished, demoted and erstwhile scribbler of another day has returned to haunt you for another week with his customary offensive and conglomerate mixtures of nonsense and nothingness; but be of stalwart heart and persevering patience, for he is just pinch-hitting for your new and able scribe, Norman Mertes. I might add that he is a peach of a fellow, a young, capable, and reputable lawyer with offices at 33 N. La Salle St. (this is hard to record—competition is tough enough), a conscientious worker and a fervent and loyal DeSotoan.

DE SOTO PICNIC

Brothers, the greatest and the most important event on DeSoto Council's annual curriculum of fun is the Annual Basket Picnic to be conducted on Sunday, August 10, at Northwest Park in Des Plaines, Ill. What a day this is going to be for all the members of DeSoto and their families! What features are being concocted and plans arranged for their enjoyment; so detailed and so particular is the program that everyone, irrespective of taste or age, will be amply and abundantly provided with a day replete with real sport and fun.

Lecturer Irv. Schultz and his Picnic Committee are bearing down like a nest of beavers working on the program, and can they hustle—just get a glimpse at the calibre of this committee: Frank Fitzsimmons, Candy Strehlow, Sylvester Popke, Hank Stricker, George Weisbecker, Clem Schorn, Harvey Dohm, Nick Lentsch, Joe Kalvelage, Ed. Smith, Art Booz, Fred Disch, Jack Barrson, Bill Schatz, Joe Amann, and many others who are putting in some heavy licks, arranging for ball games, races for young and old, fat and lean, horseshoe games, egg-throwing contests, cigar-lighting races (whatever that is), hot dogs, hamburgers, pop, ice cream, beer and many special features and attractions.

The grove will be open to the membership from early morning until the last picnicker has got his "belly" full. Bus transportation, which will be in operation all day, is being arranged to conduct your family and party to the grove.

GOLF TOURNAMENT

On last Tuesday more than seventy-five of DeSoto's best, worst and indifferent golfers paraded their wares for the elusive pellet at the Annual Golf Tournament conducted at Sportsman's Park. After the day's dredging and plowing was over and the spirits of the gang revived, the boys sat down to a most delicious steak dinner amid an atmosphere rampant with joviality and good-fellowship, darkened only by the vexation and irritation of Johnny Braband, who angrily charged Al. Birren and Ed. Sullivan with holding up his foursome, which included Ed. Kent and Frank Kennedy, by conducting a wake or funeral on every green—or was it their post-mortems.

The dinner was truly one of the finest, and particularly satisfying was the fact that all speeches were postponed to a later date, with the exception only of our G. K., Gene Scanlan, who earnestly solicited the aid of the golfers for the coming picnic, and Swinging-Door Jerry Horn, who, with the aid of master caddy and heckler, Bill Krewer, allocuted on the finer and more intricate points of the game.

Prize distribution was most generous as even I won. Some of the better scores were shot by John Weldon, 79; Frank McDermott, 80; Eddie Kohnke, 83; Chuck Meier, 84, and Johnny Brost, 85. Congratulations, Joe Merki and Vinc. Braband, on a peach of a tournament. We all had a grand day.

VACATIONERS

Got a card from Frank Hoffman from Leech Lake, Minn.; he boastfully blows about all the fish he's catching—I've heard that before and know pretty well that he'll be empty and sour-faced when he gets back.

Ray Walsdorf also went fishing, but he's at least honest—he didn't say a word about his mammoth catches. Just wants to help me fill up the column—accommodating, Ray; he's up 851 miles in Ontario at Eagle River.

Bro. Ed. Zahnen drops a card from the Grand Canyon in Yellowstone Park. Well, Ed. picked out a great spot; we know he and the family will enjoy and marvel at the beautiful scenery and the many mysterious and inspiring phenomenas of Yellowstone.

We note that our old friend, Matty Faetz, also went on a vacation—but a somewhat different kind; he's now in the employ of Uncle Sam and assigned to Fort Sheridan. Gee! I bet Matt looks swell in a uniform.

Just heard that Marge and Ed. Connell, Jr., became the proud parents of a seven pound baby girl, which now makes it a boy and girl for them. Congratulations, Ed.—we understand Grandpa Ed. put in a tough session at the hospital—can't take it any more.

We learn that there was a great demonstration of good will last Friday night at the Western Newspaper Union (Columbian printers) in which "DeSoto's Own" Pat Doyle occupied the spotlight. The occasion was Pat's voluntary retirement from active participation in the affairs of that organization. Pat's fellow workers, the management of the W.N.U., and representatives of the customers with whom he came in contact, all joined in paying tribute to the respect and esteem in which he is held by them.

Suitable gifts were presented and evidently they were deeply appreciated. We believe, however, that Pat's biggest kick came from the fact that the testimonial was signed by every man and woman in his department.

By the way, this ought to be good news for DeSoto Council. It pulverizes Pat's only legitimate excuse for non-attendance at meetings. He is hereby summoned to attend the next regular meeting to be held on August 8 to give an account of his stewardship or, at least to give us a flash or two of his old form.

BARBECUE REPORT

A last word on the Barbecue pops up in the final report made at the last meeting by Candy Strehlow, DeSoto's Barbecue chairman for the year 1941. A check, bearing the magnificent figures of $1,087.17, was presented to the council by Candy as DeSoto's share in the disposition of 379 books, which topped last year's figures by 27 books.

Manifesting his appreciation, he thanked his committee and all those who aided him in this wonderful achievement, giving special mention to P. G. K. Tony Cremerius, who did a wonderful job with sixteen books sold, leading all members; then followed Harry Stockwell, who sold eleven; Ed. Duffy and Chuckie Trip with five each; Frank Frieden, Jerry Horn, Herman Stark and Sylvester Popke with three; Charlie Pritzlaff, Mike Kavanaugh, Art Booz, Joe DeCaluwe, George Weisbecker, Roy Kern, Charlie Thoma, Frank Wagner, E. P. Scanlan and J. M. Altenhofen, Irwin Schultz, with two each, and commending the Butzen, Wemlinger, Braband and Bredermann families for their selling performances.

He expressed his sincere appreciation to the council for the excellent support given in this great undertaking and solicited the membership for the same type of assistance in the membership drive which he will direct during the coming year. Incidentally, one of our veterans, J. G. Pauken, a member for 23 years, was one of the $100 winners. He bought and paid for his book on last Communion Sunday.

"MASS IN PICTURES" SHOWN IN NEW BOOK

Dubuque, Ia.—"Your Mass Visible," an intimate study of the Holy Sacrifice in pictures, has been prepared for general distribution under the supervision of the Most Rev. Francis J. L. Beckman, Archbishop of Dubuque.

The volume contains explanations, prayers and 80 photographs of the Mass, and is said to give the observer the impression of standing beside the priest from the moment he enters the sacristy to begin vesting until the final exit from the sanctuary.

Actual production and editorial work was done under the direction of the Rev. W. G. Kessler, director of the Columbia Museum and Institute of Art here, which will distribute the volume. Father Kessler explained that the book will help the laity in acquiring a knowledge of the correct use of the Missal.

Still another explanation of "mind you P's and Q's" comes from a nun in the east. "My grandfather," she writes, "knew Daniel O'Connell well and often talked about him. One story was that in Parliament one day O'Connell said to a member who had disagreed with him: 'I think you must have had a little potation.' Being called to order, he replied, 'Oh, that was just a quotation.' 'Well," said the speaker, 'in the future, mind you P's and Q's.' ". Thanks, Sister D. We also agree that your explanation is much more interesting than the one we offered.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Committee on Refugees to Help Locate Friends, Relatives in War Zone

New York.—The Catholic Committee for Refugees nowoperates a mail department through which it seeks to help refugees and others in the United States to locate their relatives and friends in Holland, Poland, Belgium, France, Germany and England and to ascertain their needs.

Accordig to an arrangement set up at the annual General Meeting of the American Hierarchy last Fall, the Catholic Committee for Refugees is functioning as a sub-committee under the episcopal committee for relief and refugee work established at the same meeting. The Catholic Committee for Refugees formerly functioned as a separate independent group.

Important points for success in making French fried potatoes, say food specialists, are: Soak the cut potatoes for two hours in salted water (a tablespoon of salt to each cup of water); dry them thoroughly before frying; having the fat the right temperature (375 degrees Fahrenheit); put in only a few at a time; and cook them until they are a light brown.

Leo Nine Takes Madonna 5 to 4 in Close Match

1-3 Tues.....820 W. Garfield Bl.

The softball team of Leo won another victory last week by defeating Madonna on our home grounds by a score of 5 to 4. The game was well played and both teams gave all they had. But the fighting Irish of Leo came through on the pinches. Bro. Ed. Peterson sure knows how to handle his team.

CONDOLENCE

The council was saddened at the death of Bro. James P. Sullivan. Jim was one of the council's popular members and will be missed by all. Jim was the brother of Past Grand Knight, Judge John J. Sullivan. To Past Grand Knight Judge John J. Sullivan and other members of the family the council extends deep and sincere sympathy.

VACATION LAND

Our Grand Knight J. Lawrence Breen, Mrs. Breen and family are spending their vacation in New York City and points East. Our Chaplain Rev. John Cashman is off in the West to California. Past Deputy Grand Knight James Grannon is spending his vacation here in town by taking Mrs. Grannon to see the White Sox play ball. Chuck Guldan also on a vacation is spending all his time with his charming young daughter.

The council extended to the families of Bros. John Mortimer and Dr. Robert Ranquist sincere sympathy. Bros. Mortimer and Ranquist are married to the daughters of Mrs. Mary B. Sullivan who was called to her eternal reward.

HERE AND THERE

Congratulations and best wishes to Past Grand Knight Harry Hill. Harry has just celebrated his 35th year with the Edison Co. in an executive position. Bro. Joe Gavin, one of our newer members, dropped into the clubhouse last week. It was good to see you Joe, come again. Past Grand Knight Wagner's daughter, Claire, fell and broke her arm. Hope the young lady is on the road to recovery by now.

Your Scribe often wonders why that popular member of Leo who is also one of Chicago's finest, had his star (No.—3161) shined in the 111 Luncheonette. The answer was found in the Tribune last Saturday. I quote in part, "Crossing Canal St. at Washington I found officer No. 3161 most courteous and in a very happy mood. For the few remaining steps to my office I fairly bounced along," and signed by a sweet young thing.

Bro. Art (Osh) Goodman was a blood donor last week. Sorry to hear that Bro. Joe O'Neill's wife is in the hospital. Past Grand Knight Jack McVady paid the clubhouse a visit last week. Fin. Sec'y. P. Joseph McNamara also dropped in. Joe has not quite recovered as yet from the accident he met with when returning from the Victory Dinner.

The next meeting of Leo Council will be held Tuesday, Aug. 5.

Illinois Anticipates Banner Attendance at Aug. 21 Golf Tourney

Meets 1st & 3d Mondays, 64 E. Lake St.

Now that you are aware of the day and date of our annual golf tournament (Aug. 21 at Woodridge Country Club), as made known in last week's column, the chairman, who happens to be your scribe, is hoping that everyone will get set to come out and have a pleasant day and evening. You will be surprised at the price for golf and dinner. We will notify you of that by mail. We are not so sure that the proprietor would want that particular item publicized.

The price you will pay is exactly the amount paid to the country club. Nothing is retained by the council for the prizes. We are depending on the good will of members to assist in that particular.

COUNCIL NEWS

Several weeks ago we wrote to New Haven as well as to our own State Secretary for a correct line-up in accordance with seniority, of our Past Grand Knights.

We were forwarded a list and a resolution was passed by the council asking that a suitable plaque be procured by the council and hung in the council chambers showing the names of all of the Past Grand Knights with the years of such service following. It was our thought to submit the list first to the P. G. K.'s and older members of the council for approval. All of this by way of securing the future members of Illinois Council who will follow us and for a correct listing of Past Grand Knights. The list contains very many names of men favorably known in the public and professional life of our city.

Ferdinand Rappel leaves for northern Minnesota for an annual fight with trout, pike, perch and all. As an accountant he should be able to find them.

Has anybody seen James A. Dooner, charter member of the council? We have been missing him from meetings. Ditto for Charter Member Thomas M. Ryan, prominent loop real estate expert whose sign "For Rent.. Thomas M. Ryan, 40 N. Wells Street," stands out prominently at that address.

MINUTE BIOGRAPHY

Last week we dwelt on our members as we knew them, working in the city hall. Now to those employed by the city, mostly outside of the city hall. In the engineering field we find this group headed by our Grand Knight, Elmer D. Martin, who gathered various degrees in many schools, from the Missouri School of Mines to the University of Chicago, receiving a law degree from De Paul University and being admitted to the bar in 1919. The Grand Knight, however, up to date, is staying pretty much with engineering and is employed in the bridge department by our municipal corporation.

Following him we find Frank J. Kelly and Patrick F. Sullivan, both competent steamfitters, who have been employed by the city of Chicago for many years and, needless to say, have given entire satisfaction both to the city and to Illinois Council.

Next we treat with the Department of Police, dropping off at Summerdale Police Station where we find Bro. Matthew Clarke specializing in a particular phase of the police work which tends to keep the morals of the city on a higher plane. Matt has been cited for conspicuous bravery and outstanding police service in which he has been severely wounded by a holdup man. But like all thoroughbreds, he got his man. Then there is Viateur F. O'Gara, police patrolman, assigned to a secretaryship in the Department of Personnel, a most necessary and important branch of the service. Viateur has lived on the west side all of his life and at present is living with his wife and children at 1237 S. Harding avenue.

No mention about police members would be complete without Eugene Kissane, an old time member of the council who as a hard working policeman is assigned to the Cragin station. Gene is greatly noted for his accomplishment at golf, having won the cup at one of Illinois Council's tournaments. We understand he shot a cool 72 to win a police patrolman's tournament some years ago. Perhaps Gene is inclined to do what most of us do—sleep on his laurels. We pray, thee, sir, come forward and mingle with the common folk, lest you get into a deep bunker of some kind.

Next we come to a gentleman who has explored various fields of endeavor and for the moment has decided to give all of his time to the city of Chicago as a ward superintendent of the Fourth Ward. Yes, we mean Gerald F. Hornidge. He, too, received a law degree from Loyola University and was admitted to the bar where he practiced for a number of years with considerable success. Always responsive to every demand of the council, strange to say, we have a serious complaint to make against him, and that is that we are unable to recall when it was that he last attended a council meeting. We believe, however, that his otherwise excellent record will warrant a jury in placing him on probation for say six months.

Assistant State's attorney and instructor of law at De Paul Evening School, where prior to his being drafted for his position with the State's Attorney he gave his entire time to teaching, Professor James J. Cherry is an accomplished gentleman in many ways. An interesting public speaker with a charming personality.

Let us all take inventory, visit your council during the year a few times—especially at affairs given by the council to the end that it may be a life testimonial from you to the officers and fellow members that you do recognize the value in the organization and that you will continue to keep an interest in matters vital to the church and state.

CATHOLIC RADIO STATION ERECTED IN VENEZUELA

Caracas, Venezuela—The inauguration of the Catholic broadcasting station, "The Voice of the Country," was the outstanding event here in commemoration of the 50th anniversary of the Encyclical Rerum Novarum, and the 10th of Quadragesimo Anno. It also marked the silver episcopal jubilee of the Most Rev. Felipe Rincon Gonzales, Archbishop of Caracas.

The station, which transmits on wavelengths of 720 and 3,430 kilocycles, was founded by the Very Rev. Msgr. J. M. Pellin, director of the daily La Religion.

The first speaker to broadcast was the Most Rev. Liberato Tosti, Papal Nuncio to Venezuela, who stressed the importance of the radio and the press in the words of praise which he addressed to Monsignor Pellin. They are important, he said, not only when they speak but when they are silent, for "just as there is a silence of cowardice and connivance, there is also a silence of charity and sacrifice."

Pretzels are usually associated with beer, but they were originally devised by the monks of southern Germany to be eaten during Lent and on fast days.

Tonti Installs New Officers at Lively Meeting

1-3 Thurs. . . 4221 Irving Park Blvd.

Tonti Council's new officers were formally installed at last Thursday's meeting by District Deputy Arthur Donahoe assisted by our own PGK J. Robert Anderson, acting as Warden.

Those who missed this wonderful ceremony also missed out on those wonderful barbecue sandwiches which were so well prepared by our new Lecturer, Ray Ruzkowski. The sandwiches were simply delicious and the Lecturer promised another surprise for the August 7th meeting. Don't be among the missing.

We had as guests, PGK Kennedy and Ass't Warden Louis Kraft, of DeSoto Council. Mr. Kraft tried to be on hand during the installation but due to a typographical error he went to 5221 Irving Park Blvd., but never the less he arrived for the meeting and was thrilled with our enthusiasm. Many of our members were conspicuous by their absence, so don't forget, the next meeting date is August the 7th.

The Council extended retiring G.K. Raith a vote of thanks for his fine work. P.G.K. Anderson, our Senior Trustee, on behalf of the Council presented the retiring Grand Knight with a beautiful set of Silvermare, so that he may share it with his wife, who so graciously shared him with us. P.G.K. Eugene F. Raith served as Advocate, Chancellor, and finally as Grand Knight.

It was a period of definitely constructive Council activities during which the Council put itself on a much more substantial foundation, a foundation that will stand staunchly and securely upon which to build our future. He was a leader, diplomat, and parliamentarian. Tonti's welfare is dear to his heart. The Scribe, who had the pleasure of being Advocate during the regime of P.G.K. Raith extends his thanks for the help and counsel received.

William J. Lambrecht, Jr., before his death a year ago, introduced the custom of presenting each newly elected Grand Knight with a gavel. In his memory, P.G.K. Anderson presented to our Grand Knight Louis T. Buettner a personally engraved gavel. "Bill" Lambrecht was a great and loyal supporter of all Council activities during his lifetime, therefore he should be remembered in our prayers.

A card was received from P.G.K. Leo Murray, who is spending his vacation touring the New England States and having a swell time. Ray and Charles Ruszkowski when not at Pell Lake, are on a fishing trip up in Minnesota. The first "Fish" story of the year was related by Paul Totzke, of bowling fame, who after a tough struggle at Highland Lake came up with a large catch, by actual tape measure, 17 inches, weighing 2½ lbs., only to discover it dogfish.

K. of C. Softball League Sponsors Party This Eve.

Delegates Will Vote on Choice of Fields and Dates for Final Championship Games

By John E. Miner

Delegates, players and a host of softball fans are expected to attend the Knights of Columbus Softball League's summer "stag party" this evening at Leo XIII Council's Clubhouse, 820 West Garfield boulevard.

Co-chairmen Ed Peterson and John McCool, in charge of this evening's affair, announce that in drawing up the entertainment program, special attention has been given to satisfying the wishes of a thoroughly baseball-minded crowd. No speeches are scheduled, but a number of informal anecdotes, relating to the historic games of other league seasons, will be recounted by the great sports figures of the past. Refreshments are also promised in abundance and are included in the seventy-five cent admission charge. The program is to begin at 9 o'clock.

Although no real business session of the league is planned to encroach upon the entertainment program, it is expected that the delegates will vote on their selection of a diamond for the championship playoffs. Dates for these final games will also be decided this evening.

Joyful moments are few and far between for the manager of a losing team, but nothing is more satisfying

Heat No Barrier to Visitors at Mt. Vernon Model Home

La Grange Parish Project Drew 1,000 Guests Over Week-End Despite High Temperature

Not even the intense heat wave that rolled over Chicago and its suburbs last Sunday was able to halt public interest in the Mount Vernon House of 1941, the completely furnished colonial home that is being exhibited by the men and women of St. Francis parish at 345 North Malden avenue, La Grange Park, Ill. Almost 1,000 visitors passed through the home last Sunday; and most of them were surprised and delighted to find how a modified air-conditioning arrangement can make a home comfortable even when the outside thermometer reaches a point that is blistering.

All the men and ladies on the reception staff at the Mount Vernon House are trained to their task and are equipped to answer questions regarding the innumerable distinctive details of construction which are making this feature house so interesting and so instructive to visitors. This willingness and ability of the staff members to answer inquiries is proving to be a most appreciated service.

The sponsors of the Mount Vernon House are in addition keenly anxious to call the attention of Catholic visitors to the beautiful outdoor Way of the Cross recently erected to stimulate public devotion, on the spacious, inviting grounds of Our Lady of Bethlehem Academy, only a few blocks west of the Mount Vernon House.

Honor Century Club Councils

Highlight of council summer activity for two of Chicago's units was the session held last week at St. Cyr Council in joint recognition of the Century Club attainments of St. Cyr and of St. Francis Xavier Councils. Past State Deputy Judge John F. Bolton (third from right) attended the gathering to pay tribute to the two Councils and their leaders; G. K. Baptiste Mele of St. Francis (left), and G. K. Joseph Maggiore of St. Cyr (right of Bolton). District Deputy Jos. T. O'Neill (left), and Marco De Stefano (right of Maggiore), also were guests at the meeting.

Unleash Special Effort for U. S. O. Quota This Week

$25,000 Needed to Put Chicago District Over Top as Drive Reaches Climax

Making a special effort to complete Chicago's goal for the United Service Organizations this week, Herbert J. Lorber, chairman of the Commerce and Industry Committee, has announced more than $650,000 has been reported to the campaign committee. Enough co-operation on the part of firms and individuals is known to bring the total beyond the $679,500 goal.

The results of the campaign have been remarkable according to Mr. Lorber, because of the widespread interest in the program of the United Service Organizations. In announcing the progress that has been made, Mr. Lorber pointed out that the largest gift was $17,500 to the Chicago committee and that only 150 gifts were in excess of $500. The remainder of the total was made up of contributions from thousands of men and women who wanted to have a part in the recreational program for the million and a half men in the armed forces.

Among the gifts reported this week was one of $500 from the Catholic Order of Foresters. The gift was made by Thomas H. Cannon, High Chief Forester.

Report Progress Nation-wide

Throughout the country substantial progress has been made in the U.S.O. campaign. New York has raised over $3,000,000. Philadelphia reports $400,000; Pittsburgh, $223,000; Los Angeles, $338,000; St. Louis, $200,000; Baltimore, $263,000; Washington, $225,000; San Francisco, $100,000.

While the intensive period of the campaign is ending, the work of the U.S.O. will continue and an office will be maintained for the convenience of subscribers in the Field building. The permanent board of directors will be organized in Chicago to care for the problems that arise in connection with the work of the U.S.O.

'The Eternal Gift,' First Sound-Film of Mass, Has Great Popular Demand

More than 250,000 persons in midwest cities and towns outside Chicago have attended presentations of "The Eternal Gift," first and only sound-film of the Catholic Solemn Mass since the world premiere held here a few months ago, according to an announcement from Father Hugh Calkins, O.S.M., in charge of production.

While hundreds of thousands of requests from all parts of the United States, Canada, Hawaii and South America have poured in steadily from clergymen, theatremen, and Catholic organizations, seeking permission to exhibit the sound-film, Father Calkins pointed out that "The Eternal Gift" has not been released on a wider basis as yet mainly because people are absent from home vacationing during the summer months.

BARRY COUNTRY CLUB BEST CURE FOR HEAT

1-3 Tues.....2856 Washington Bl.

After hearing many outsiders sing the praises of the Commodore Barry Country Club, and not being able to get news from our worthy brothers, I decided to GO—SEE, and CONQUER, which I did (meaning, I went and saw).

Folks, you really don't know what you are missing by staying in Chicago weekends when this little Garden of Eden is available to you. I arrived there early in the afternoon expecting to find the usual run of week-enders, but much to my surprise I found a very delightful crowd of clean, orderly, and friendly folks with coarseness and vulgarity absolutely absent. I marvelled at the younger set I saw there; all such nice clean-cut youngsters, both fellows and girls.

The grounds are almost solidly shaded by the many beautiful trees, and although the temperature ranged rather high in Chicago it was delightfully comfortable there. You, who have not been there might wonder what there is to do to pass the time, well, time and space does not permit me to mention it all, but the management has overlooked no item of recreation that might add to the pleasure and comfort of their guests.

I sat in the summer house overlooking the lake watching the guests sail boating, speed boat rides, surf riding, and swimming; in fact there was something doing every minute. While sitting there I saw a fair young bather take a nasty spill on the pier, and who do you think was first to the rescue? None better than our own Bill Kennelly. Look out Bill, you know the legendary reputation of Barry for stealing bachelors' hearts. I understand Bill is called the "late Mr. Kennelly" there when it comes to meal-time, and I can personally vouch for the truth of that statement, for after everybody had finished their dessert and was ready to leave, in strolls Bill.

I could go on and on telling you of the fun and beauty of Barry Country Club, its sporty Golf Course, the Red Barn etc., but why not go out and see for yourself instead of getting it second hand through this column.

SOFT BALL NEWS

Barry last week was rained out Tuesday night and on Thursday played Carroll who were handicapped due to the loss of a number of their key men who were away on vacations.. Barry got out in front with a big lead and Mgr. Bones Boyles took the opportunity of substituting himself and several others to qualify them for the finals. Barry is now firmly entrenched in second place and hot on the heels of Hughes, last year's city champions.

Future games are August 3rd. Barry at Lafayette, Grand Ave. and Long; August 7th, Barry at Carroll, 50th and Van Buren. We still have postponed games with Lafayette and Hughes, and these games will be scheduled later. They may be very important games in deciding the far west division championship.

Players against Carroll were as follows: Svoma, Melone, Schmidt, Boyle, Morgan, DeVito, Beratta, Wilson, Falcone, Kucera, Cullen, Rosenmayer, and Burke. Seen there were Arch. McGowan (never misses), G. K. Barney Cunningham, Westphal, Bill Dunn, Jim Tytell and Ferrini (?). Everybody should get out and see if they can root Barry's team into the championship of the Far West Division. It was in about 1935 that Barry last had the honor, and a goodly number of the boys playing today were playing then. Some of the old-timers who were on that team were: Mgr. Boyles, Jim O'Brien, P. G. K. Mike Cunningham, G. K. Barney Cunningham . . . Age gets them all.

NEWS FROM HERE AND THERE

Just received word from Joe Murphy, who is vacationing in Rock Springs, Wyo. He says he is up there with Jim Ryan, and sends all the brothers his best regards. Well, one thing is certain, he is not suffering from the heat there as we are here.

Another greeting comes from down Mexico way from F. Dolesh, who is spending his vacation in the vicinity of San Juan Del Rio. (I wonder if he speaks Spanish.)

BARRY BLOOD DONORS—Under the date of July 22nd, John Tamburrino gave his blood in a transfusion, and several weeks ago Bro. Jim Mahoney did the same thing. This is rather odd in view of the fact that Jim was number one of Geo. Barber's group and John No. 2.

We sadly announce the passing of John J. Sheehan on June 23rd. He resided at 7859 S. Jeffrey Ave. Services were held at Holy Sepulchre Church and burial took place June 26th. The wake was well attended considering the distance on the far Southeast Side. Special mention should be made to the effect that Tom Meade attended the wake by street car, which was a real sacrifice.

Bro. Jim O'Connor is back on his feet again and has already been seen at the club house. Any member knowing of another who is ill will please 'phone the club house informing them of that fact, so that the chairman of the Good of the Order can call and pay a visit. Incidentally, this has been done already by our Lecturer, Bro. Kennelly.

Tom Meade, whom we just mentioned above, is a patient at Hines Hospital, and is an operative case. When he has shown so much consideration for others can we do less than to show him we appreciate his efforts by visiting him? Come on, fellows, let's show him what we can do.

Your Scribe wants to thank you all for your cooperation in making this column possible this week. Maybe my appeal at the last meeting has had the desired effect.

SERGT. MAJOR CURRAN

What a pleasure it was to get a hearty slap on the shoulder while meandering around Chicago's loop last Saturday afternoon, and turn around to find none other than Battalion Sergeant Major Jim Curran, who served Barry Council so faithfully as our Grand Knight during the last term. It was a real pleasure to see Jim and to learn the success our United States Army is having in building men. Jim looked fine, especially with those sergeant's chevrons and we are proud to see one of our own members enlist as a buck private and through ability merit the high non-commissioned officer's rating.

We know that Jim is not only doing his very best to be a good soldier, but he is constantly striving to build up the morale of his comrades in arms. We, as Knights of Columbus, sometimes wonder where we, as individuals, can render a patriotic service to our country, and I think if we would follow Jim's idea and do everything we can to build up a high state of morale in this country we would be rendering a most valuable service.

The U. S. Army recognized how important a high state of morale was in the World War and it is equally important from a civilian standpoint. What is morale? Webster says, "That mental state which renders a man capable of endurance and of exhibiting courage in the presence of danger." That definition fits each and every one of us, whether we are soldiers or civilians. In every conversation we have with our fellow man let us keep in mind that we, too, are morale builders, radiating courage and decency.

McHale Is Ready to Welcome Big Crowd at Outing Tues. Eve.

1-3 Tues. . . . . 150 W. 69th Street

Next Tuesday evening, August fifth, is the night to keep in mind, for on that night we will have our annual ladies' night at Ryan's Woods, 87th Street, just a little East of Western Avenue.

Don't fail to come out that evening. Come right from work if you care to, then you will be there in time to participate in that great annual event, the softball game between the so-called "old-timers" and the young members. This year the council regular softball team managed by Leo Kareiva will be the team to repersent the young men. P. G. K. Tom Mulroy and Tom Hackett will manage the "old-timers" and I understand their opening line-up will be as follows: T. Mulroy, 1b; Collins, ss; F. Mulroy, lf; Hacket, 3b; Webber, 2b; Berta, cf; Dunlon, rf; McGuire, scf; Bichl, rcf; C. Hogan, lcf; Aaron, p; Sheehan, p; Meagher, c.

Of course it is understood that every fellow who comes out can get into the game if he wants to.

Bro. Jack Anton, chairman for the evening has promised to have plenty of refreshments and food on hand. He will also have an orchestra there to furnish music for those who care to dance.

R. I. P.

Our members were indeed sorry to learn of the deaths of the mothers of our Honorary Chaplin, Rev. Walter Croarkin, and Bro. Robert Mahoney. Last Friday night a large number of our members led by Rev. Father Broderick, Pastor of St. Carthage Parish and G. K. John Kelly, paid their respects.

SOFTBALL

Our softball team bounced back into winning ways a week ago Tuesday by defeating Englewood 12 to 5. We do appreciate the fine sportsmanship displayed by Englewood, who are lacking in material but not in spirit. Our team strengthened itself with the addition of second baseman Bill Shean, a new member who made his debut with us in impressive fashion.

The game a week ago Thursday with Auburn Park is a different story. Our boys put up a valiant battle with the leaders of our section and after leading 3 to 2 going into the last half of the last inning, Auburn Park put across two runs to win 4 to 3.

On Thursday evening, August seventh, we play them again at 77th St., a block east of Vincennes Ave., at seven o'clock and arrangements have been made to accommodate a large crowd. Our team up to this date, July 29, has won 8 and lost 4 games. Good work, boys; keep it up.

HERE AND THERE

St. Rita Council has invited us to attend their 22nd annual picnic to be held Sunday, August 3, at Sudent's Grove, 6600 W. 111th St. Admission is free. . . . Sunday, August 10th, is date of Ridge Council's picnic which will be held at Momence, Ill. Bro. Frank (Speedy) McGlinn is in charge and would appreciate seeing a large number of our members and their families there. . . . Bro. Steve O'Brien has been confined for the past six weeks in Woodlawn Hospital and expects to be there for several more. . . . A number of our members went touring last week-end and paid visits to the summer homes of P. G. K. Con Kelly and D. G. K. Tom Garvin. . . . Bro. Edward McGuire, Recorder, is enjoying his vaction by driving around the Great Lakes visiting Sault Ste. Marie and Mackinac Island. . . . Gee, it's hot tonight, so will you fellows please excuse me until next week? I want to go around the corner to get a few tall ones.

St. Paul Suggests All Attend Tuesday's Meet to Begin Season Right

1-3 Tuesday.....6713 Olmsted Ave.

If this column will be anything like the weather, it will be sizzling hot but I am afraid that the weather has afflicted our members with that kind of inertia which makes them feel like letting things go to pot rather than make the effort to send some interesting information our way.

Be that as it may, it will not be long now before they will all be saying that they wished they had some of that summer heat and sunshine with them again. That will be the time when they will be hustling to keep themselves warm, feeding the fuel to that steel coal-eater or other contraptions equally expensive. Yes, now is the time to think of the fall and winter ahead, not only of the coal bin, sweaters and overcoats but of participating in your Council affairs and meetings. This is the time to make that resolution to support your new officers in their efforts to keep aloft the banner of success for good old St. Paul of the Cross.

You might just as well start right by making the first meeting which, on your calendar, is Aug. 5. This evening will be in honor of the Council's Softball team, managed by Jimmy Dalton. It would be considerate on your part to turn out and show these youngsters that you are interested in their efforts. We do not know just what is in the cards for the evening (not having done any crystal gazing lately) but it will certainly be an occasion to show that you are going to be regular this year by starting right.

Gene Sass, your new Grand Knight, tells me that he has seen a preview of the pictures which will be the feature of the Sept. 2 meeting and that any member who misses seeing this picture and the speaker, Rev. Wm. Westover, should be looked over. He says that they are the most interesting and factual pictures he has ever seen. That should be enough for any of you. It is for me.

It will be very likely that the chairman of the Council bowling league will be announced at the Aug. 5 meeting. We understand that G. K. Gene Sass will have his announcement ready at that time. The fall golf tournament will come up for discussion also. It will be appreciated if you members who are interested will give voice to your opinions about our fall tournament. Whoever will be appointed chairman of the committee will undoubtedly like to hear the expression of your opinions. It is planned to it during September, so there much time left in which to mak rangements and to round up al golfers.

We hear that: P.G.K. Joe Gue is having his vacation these two v They say that he will do some st ous golfing and make a few short into the country. If your name is not in this list and you wish to bowl, come up to the meeting too! Don't forget the date—Tuesday evening, August 5, Mid- west A.C., 6 North Hamlin Avenue, 8:15 o'clock. Thank you!

Our softball team is hard at it and expects to chalk up a few more wins before closing its season next month. The team is ably coached by Mgr. C. V. Ryan, who has given a great deal of his time and effort in "molding" together a team with real sportsmanship and fair play.

SUGGESTIONS, PLEASE!

As your new Lecturer, I am calling for suggestions and advice prior to the drafting of the program of activity for the coming year. A "generous flow" of suggestions is needed! You can cooper- ate by lending a hand now and suggest the type of entertainment that you would like to see.

What do you want to see at our La- dies' Night affairs. Dinner-dances, card parties, Turkey night, Dads and Lads' Night, Sports' Night, Christmas party, etc.? You may have any number of ex- cellent suggestions to offer for other program features. What are they? Now is the time to offer your aid—when the plans are not complete. Address all com- ments either directly or indirectly to Kenneth L. Torgeson, 4020 West Lexing- ton Street (Kedzie 7328).

Weber Wonders if the Heat Wave Is Reason for Not Hearing News

1-3 Mon. . . . . 4758 S. Pulaski Road

If this column was to depend upon the contributions sent in from the brother members of Weber Council, there just wouldn't be any column. It couldn't be that the recent heat wave had anything to do with it, or could it? Heat or no heat, baseball games still go on and most likely will go on if our players can be rounded up. At least the atheletic direc- tor could send me a schedule of games to come. Who knows, maybe we can get some of the boys out.

A little item casually dropped upon my ear drum is the coming dance which is to be sponsored by the Weber Athletes. Surely an event such as that cannot be cast aside as no news. How about a few details, Mr. Chairman? . . . News is what makes this column. Let's have more of it.

THIS 'N' THAT

Our G.K. Joseph Nowakowski, with quite a few of the brother knights, has been very active at the colorful carnival sponsored by the St. Bruno Parish. It may be that some of them need throat sprays, but it's work and sacrifice of that nature that makes a grand showing for Weber Council.

Private John Rostocki, a brother mem- ber, dropped in from camp to visit with his family and friends over the last week end.

Reservations for the Fourth Annual golf tournament sponsored by the Weber Fours can still be made with any Sir Knight or phone Frank Kubiak, Yards 0424.

The place is the Southmoor Golf Club, at 131st and Southwest Highway. The date, September 21. Golf, refreshments, dinner, prizes, locker rooms, and show- ers, all for the little price of $2.50. Every- one has a little scotch hidden away some- where in his system and it must come out sometime, so brothers let's go out there and really get our money's worth.

DUES

Brothers, your new Financial Secretary John Wirtel, is a friendly sort of a chap and would like very much to make your acquaintance. Not only is he a friendly fellow, but he is also ambitious and loves to write in big books. Drop in at the next meeting and look him up, or pay him a call at his home, 4816 S. Spring- field Ave.

The Scribe's address is 4343 S. Drake Ave., and the telephone is Laf. 5822. . . . Now, boys, what do you think that phone and address are printed for?

Dowling Officers Make Plans for Big Council Year

2-4 Tues. . . . . 3625 S. Hoyne Ave.

Our council officers under the leader- ship of our aggressive Grand Knight Frank J. Barker are organizing to make this coming year one of the best in our history. The officers are enthused by the method and maner that our Grand Knight has set up his plans. Every officer has pledged him their wholehearted support and with this assurance he is destined to go places and give us one of our most successful years. This is Frank's second term as Grand Knight and with the de- termination that he possesses along with the experience he has acquired it is the opinion of many of our members that we will be up among the top ranking coun- cil at the finish of his team.

Our Grand Knight was very careful in making his appointments on the various committees and his reason was to be assured that the Brothers that he would appoint would accept with the thought of carying out the assignment to the best of their ability. This in my estimation is just one point of the business ability that our G.K. is gifted with, as he wants an organization that will work in harmony 100 per cent.

It is our duty as a member regardless if you hold office or not to give your help and assistance to your officers and chair- men. You can do this by several ways. The first way would be by your attend- ance at meetings. Our G.K. starts the meetings at 8:30 sharp and is finished at a very reasonable hour.

The next way to help would be to assist the different chairmen in some manner as designated by him. This will be a grand way to express your gratitude and encourage your officers.

Our next regular meeting will be held Tuesday, August 12th, at St. Maurice Hall, 3625 S. Hoyne Ave., and our G.K. will name his new appointees. He would appreciate a large turnout. Refreshments will be served.

BLOOD DONORS

We are desirous of getting about sev- enty more members that would volunteer to be typed and listed among our donors. We have a roster of thirty-one members, which is very small for the membership of our council. Some of our members have given their blood and we can never tell when it might be necessary again. It would be fine if we could stay in the confines of our own council. Brothers, this is a very worthy cause and your G.K. requests that you give the chairman your cooperation.

IMPORTANT NOTE TO BOWLERS

If you have not responded to the ques- tionnaire sent to you by Secretary Hart- nett do so at once as he is anxious to know what your intention is. The league is being formed and if you intend to bowl you must get your name in.

CUFF NOTES

Mr. and Mrs. Thos. Connelly are the proud grandparents of a baby girl born to their daughter, Mrs. Wm. Adams. The mother and baby are doing nicely.

Mr. and Mrs. Thos. Egan are celebrat- ing their silver wedding anniversary on Saturday, Aug. 9, with a high mass at Visitation Church in the morning and a reception in the evening The Egans are very well known to our members. Tom, or better known as Tip, was Deputy G.K. of our council and Mrs. Egan was Marie Broderick of Brighton Park. We extend our best wishes and congratulations to this happy couple.

Our good friend, Bro. Father W. Ley- hane, formerly of St. Agnes Parish and now pastor of St. James Church at Sag Bridge, Ill., informs me that they are holding their annual chicken dinner, pic- nic and reunion Sunday, August 3rd, at the Parish Grove on Route 4A, Archer Ave. and 105th St., Sag Bridge. Busses will leave from Archer and Cicero Ave. The Airport and 63rd and Archer Ave. For your convenience Father Leyhane will have a noon-day Mass.

Our good friend, Frank Zintak, played host to your Lecturer, Doc Laibe, and myself last Thursday by taking us to his golf club, the Elmhurst Country Club. Frank sure is one grand host and always a real booster for our council.

In the future the editor of The Colum- bian will not insert any news items in our column unless they come from your scribe or Grand Knight. If you have news, mail it to me at the Sanitary Dis- trict, 910 S. Michigan Ave., Room 700, and I will gladly place it in our column.

La Rabida Considers Insurance Best Road to Financial Security

2-4 Tues. . . . . 6236 Princeton

Written to endure on the walls of Com- mons in England is a maxim which reads: "Old ways and practices are the safest and surest." During the past decade the practice of thrift has been bitterly as- sailed by those who would achieve pros- perity through spending. And so many are learning the truth that "you can't eat your cake and have it, too."

There never was and never will be, a substitute for thrift. There is only one way to accumulate money and that is to spend less than you earn.

According to Mythology, Odysseus com- manded himself lashed to the mast and his oarsmen's ears stuffed with wax when he feared that the Sirens would lure him off the charted course. A little figurative mast-lashing and ear-stuffing would stand us all in good stead these days. We're beset on every hand with a desire to take this tempting route or that, to buy this attractive thing or that. Until the problem of how we shall spend our money judiciously becomes so complex that we must first sit down and decide which things give the most lasting hap- piness.

It has been the contention that there is no security worth while and lasting except the security that comes through the practice of sound financial principles.

You can secure this lasting happiness for yourself and family by keeping up your Knights of Columbus dues, and if you are not insured it would be worth while to investigate the K. of C.'s new Insurance Plan.

CHICAGO, AUGUST 1, 1941 100

Catholic Education

In discussions on education, we are often confronted with the question, is education the product of civilization or civilization the product of education? The fundamental and basic answer to this question from the Catholic point of view is that education is clearly the means whereby any form of society guarantees its continuity. The kind of education received by the youngster in school and home will necessarily be the kind of civilization which will prevail when that younger generation emerges into the world of affairs.

Now obviously the kind of education administered by those who believe in the existence of a spiritual soul will differ from that administered by those who do not believe. In the Christian and Catholic system of thought, there is more to the nature of the human being than membership in the social structure. By reason of his spiritual soul, man has a dual personality which far transcends whatever human society has to offer. Thoughts, ideals, and aspirations flow from this personality which have no essential relation to the world of men. It is in this personality of the individual which is the source of what we call the rights of conscience and in all countries professing a Christian philosophy of life these rights have been recognized as sacred and inviolable. Only in our own day has this interpretation been assailed. The results of such denial have been that the whole form of civilization has been changed in some countries, notably in Russia and Mexico, and in our own country the change is already in progress.

It is imperative for Catholics to remember that a Catholic education does not limit itself to the life on this earth. It reaches far out and beyond it. It reaches beyond the grave into the world of the supernatural. Catholic education teaches and trains men so to live in this world of the flesh that when they come to die they shall enjoy eternal happiness in the world to come. In the Christian thought, man has a spiritual soul and is, in consequence, an image of God. His highest function in life is so to develop this reflection of God in himself that he may become, more and more, like unto the Creator.

For in the Christian concept the ultimate sanction of conduct is its reference to God. The Christian holds that the greatest possible evil is sin, an offense of the soul against God.

In the light of these ever fundamental truths we are conscious that in this world of today there is a divided civilization, divided not in superficial matters but in matters which are as deep as any the human mind can conceive. On the one hand, there is the traditional Christianity and Catholicity—on the other, social humanitarianism which takes no account of the future life of the soul. The issue lies between those who believe in a spiritual soul and a Creator and those who believe only in a human society which is its own creator. And the warriors who shall fight out this issue in the future are even now being prepared for their conflict in the schools of the world.

For the Catholic parent the issue is clear. The children who we are sending to the Catholic schools of today are the ones who will carry on this battle on the morrow. It is the duty of Catholic parents to remember, at all times, the high calling of their children and to give them every possible advantage in their formative years to the end that they may be the more fully prepared to uphold the ideals of Christianity in whatever paths of life into which the future may lead them. To them will be given the richer portion of the Christian heritage. It is our high parental duty to lay well the foundation for their future high calling and its responsibilities.—Sunday Observer.

Oak Park Has Final Details In Hand for Golf Day, Aug. 10th

2 & 4 Mon. . . . . 641 S. Scoville

August 10th is the big golf day for Oak Park Council. At 12:30 all of the golfing enthusiasts and their friends will be on hand to do their duty as golfers. Some of the golf will be exceellent and some will not be, but all will have a good time. And those who participate will eat well. Now doesn't that sound enticing? If you know what golf is you should be out. If you don't, then now is a good time to learn. Be at the Maywood Golf Club, entrance on Mannheim Road, just south of the Aurora-Elgin tracks. The fee, including dinner and other incidentals, will be $2.50.

MT. VERNON HOUSE

Bro. Walter J. Madigan extends an invitation to all of the members of Oak Park Council to visit the Mt. Vernon House of 1941, located at 345 N. Malden avenue, La Grange Park. There have been over 15,000 persons at this beautiful home since it was opened on July 4, and all express admiration at the beauty and good taste shown in its construction and appointments.

The visiting hours are from 10:00 a. m. to 9:00 p. m., every day, until Nov. 28. This house has been sponsored by the men and women of St. Francis Xavier parish of La Grange and they are proud of their achievement. We can aid by a visit to this beautful place.

St. Rita Expects Full 'House' for Picnic This Sun.

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Sunday is the day!

After weeks of preparation all is in readiness for St. Rita Council's twenty-second annual picnic to be held at Sudent's Grove, 6600 W. 111th St. General Chairman Jack Bracken and his committee have completed their work—the rest is up to you.

Call the family into the living room right now and start making your plans. Have Junior go out and wash the car—tell Ma and Sis to prepare a lunch. Meanwhile call up a few of your friends and invite them to attend the picnic. If they have attended any of the affairs of previous years, or if they have heard reports of same you won't have to do much coaxing.

But in case they haven't, tell them of the program for the day, which includes: Free bus transportation to the grove for those not driving private cars; gratis admission to the grounds; spacious rolling lawns—suitable for dining or sleeping; a bar, soft-drink stand and refreshment booth with plenty of elbow room and congenial attendants; games of "skill"; softball, races, pony rides; dancing and entertainment.

Buses will leave 63rd and Ashland at 11 a. m., noon, 1 p. m., and 2 p. m., making stops to pick up passengers at Western, California, Pulaski and Cicero.

The games will get under way around noon under the direction of Joe Goyer. As each event is run off Lecturer Harold Hilbert will announce the winners and next event from the Drewrys sound truck. The truck, thanks to Bros. Ray Bernoski and John Barnoski, will be brought here from South Bend, Ind.

That about covers the agenda for the day. As we said above the rest is up to you. This is the first large affair under our new Grand Knight, Ted Lee. Let us get behind it and show Ted we're for him 100 per cent.

ON THE GREEN

Thirty-seven members and guests of St. Rita took part in the golf tournament last Sunday at Westgate Country club. Bro. Al Coglan was low for the day with 82. Right on his heels with an 84 was Harold Hilbert. All other prizes were awarded via good-old "blind bogey."

Among members who brought guests was Art Manfredi. They must have made him a bit nervous for he turned in a fine 118 for his efforts. Ray ("I'll bowl anybody in the house for a fin") Sullivan also had a bad day. On one hole he drove five balls into the drink and followed them up with a club.

A Spaulding driver, donated by Tom Walsh, pro at the course and president of the PGA, was won by a guest of Bill Balswick. Chairman of Athletics Bruno Fracassi reports plans are already under way for a dinner-dance and golf-tournament to be held in September.

OFF THE SCOREBOARD

Our softbal team broke even in its last two tilts, downing Englewood 9 to 5 and ten dropping one to McHale to the tune of 11 to 8. Next Thursday night the team plays Englewood again at 7200 South Park Ave., at 7:30 p. m. Come on out and watch the game.

All members of St. Rita, whether or not they are softball players, are invited to attend a softball stag and social tonight at Leo club house. Admission is 75 cents.

Sherman Receives Its First Application in New Membership Drive

1-3 Tues. . . . . 4300 W. North Ave.

Well, fellows, the membership drive has started with the first application being turned in by no other than our hard working co-scribe, Brother Bernie Janco. Who's next?

Hear that Jim Groh leaves for his vacation August 8 and is looking for a bed partner. Watch your step, Al Gerlach. Ed Aren's son, Raymond, is stationed at Camp Polk, La., and Ed and family are planning to visit him soon. A report comes in that our Deputy G.K. Hans Slepica and Brother Leo Clark are spending a lot of time at Arlington watching the bangtails run; say, did you fellows run into G.K. Bertmont?

Found out why Jack Ryan missed Installation night; you know, Jack's kind of a big shot at St. Peter Canisius Carnival and he just could not make it. Speaking of carnivals, our host on our annual Communion Sunday, Father Wand, has a Silver Jubilee Carnival which ends Aug. 3rd at St. Philomena's Parish at Karlov and Cortland Sts. Father Wand extends an invitation to all of us. Am also happy to announce that the daughter of our new Warden, John Ruh, will take her first vows at Our Lady of Bethlehem Academy, La Grange, Ill., August 15.

Past Grand Knight Joe Schmitz still offers the use of his office for committee meetings, bowlers' meetings, etc., as before, so avail yourself of this privil in need. The address is Schmitz Pr 4207 West North Ave.

Anybody know what Carl B does in Milwaukee every Sunday? not the foam I know. What's Ray got in Marseilles? I heard it was bage patch where he is raising b to shoot in hunting season.

BOWLING NOTES

ilmette Picnic and olf Meet Are Voted Top Entertainments

on. . . . . 1215 Wilmette Ave.

The picnic went off fine and a grand as had by all who attended. We e our picnic committee, headed by . Peter Thalman and his associates, nk for that. We also wish to thank oseph Alten for supplying the pub- ires system which came in very in announcing the races.

July 23, our annual golf tourna- was held on the Briargate Golf sans the smiling face of Bro. f Steffens, who was still recuper- n the hospital.

e absence of our old chairman, Leon Steffens officiated and did ty fine job of it too. We might e ad a larger attendance, but could ve enjoyed a better time. Bro. "Doc" Phillips won the Officers with a card of 80 and Bro. Harry won the Blind Bogey Trophy. Holbrook took charge of the Trophy with his 87, while Max walked away with the Guest when he turned in hsi 79.

endid bit of play acting by Bro. Ortegel netted the Xmas Cheer e sum of $4.87. Maybe the Grand will overlook the fine to be placed mite box the next time you are a meeting, Frank. Other priests at the golf tournament were Gleason, Highwod; Father Rausch, n of Fr. O'Connor Council, and Laberich of Sacred Heart in ka.

To our friends who so graciously izes for our picnic and golf tourn- we extend the thanks and appre- of the council.

If it bothers you too much, send it in for the six months remaining and then it will be out of your way for the rest of the year. His address is 8035 St. Lawrence Avenue—'phone number Rad. 8053.

HERE AND THERE

Now that you know what an interesting item is up for next meeting, why not plan to be with us? Last meeting J. Haurihan was up after a long absence, and we hope he enjoyed it enough to come back. We will start early next meeting. Also Frank Krause, our newly made lawyer, can't make next meeting because he is cramming for his bar examination, but he is coming in September. We will be awaiting you. How about P.G.K. Martin Whalen and Mike Whalen, P. Grube and W. Cardwell coming up?

Art Jacobs needs a few softball players. Come on out to the games as shown in sport pages of this issue or get in touch with him at Rad. 8053.

Our Junior Baseball team played Midlothian in the Hamilton Park Junior League and won not only the game but undisputed first place honors in the league. The boys played stellar ball behind the pitching of Lefty Ayres, who allowed only four hits, while in the meantime, the boys collected 19 hits for 16 runs, nine runs coming in the first inning. The final score was L.H.P. Juniors 16, Midlothian 0. Next Sunday they play Englewood K.C. Juniors at Hamilton Park, 74th and Eggelston. Why not come out and see these boys at work?

Hen.-Shields Tourney Is No. 1 Attraction for Sunday, Aug. 17

Aug. 13 . . . . . 446 N. Parkside Ave.

Wars in Europe, Asia, Africa and elsewhere, aluminum drive, Japanese crisis and other matters of vital interest will be temporarily shelved come St. Liberatus day, Sunday, August 17, when the golfers of Hennepin-Shields Council and their guests engage in their internecene conflicts on the golf course of the Glendale Country Club.

As told you last week, if you took the time to read, the foursomes will start swiping at their balls beginning at 10 a. m. and continuing until 1 p. m., the committee in charge of teeing off feeling that this period is sufficient to allow all golfers to get under way to compete in the stake events.

Under the system which will be in effect on the 17th, all golfers have an equal chance to finish one, two, three. The dubs, and unless Tom Hosty shows up all will be dubs, should be a good bet to finish among the leaders. Of course there will be absolutely no betting. The idea!

The ladies are invited to accompany their golf-minded men, and, like the ladies of the Middle Ages, they can present their knights with a token of good luck to carry with them while they are jousting on the greens. After that ceremony they are invited to adjourn to the club and indulge in a few rounds of bridge, or otherwise amuse themselves until time to put on the feed bag.

In order that the tournament may proceed smoothly, our Lecturer, Bill Phalen, has appointed a number of committees, so run your eye over the following names and if you are elected, be ready to report for duty the morning of the 17th.

ARRANGEMENT COMMITTEE: Lee Bastian, James Ford, William Welsh.

GOLF RULES COMMITTEE—Thomas Butler, Frank Daley, William Welsh, James Woodward.

PUBLICITY COMMITTEE: Anthony Czarnecki, Joseph Murphy, Walter Costello, Edward Lawler, Jr., Walter Kelly, Ray Kelly, Lee Quinn.

AWARDS COMMITTEE: Ray Foley, Frank Hayes, Charles Costello, William Orth, Jack Shealy, Michael Hussey, James Oakey, James Zarcene, Michael Gibbons, Thomas Daley, Eugene Daudelin.

TICKET COMMITTEE—James Grace, George Green, Joseph Hannen and Roy Murphy.

REFRESHMENT COMMITTEE: Chas. Quill, Dan Quill.

RECEPTION COMMITTEE: Clarence McDonald, Peter Murphy, Dr. Frank Sauer, Ronald McGillivray, Tom Snyder, Josepr Griffin, Jim Pesek, Jack Hyland, Charlie Klink, Bernard Callaghan, Ray Winterhalter, Tim Fleming, John Furlong, Emmett Hickey, John Mekate, Bill Cronin, Leonard McGee, Tom Hosty, Edward Mulholland, Edward Riley, Frank Nichol, John McNeill.

CARDS COMMITTEE: Mesdames James Oakey, William Orth, James Shealy, Thomas Butler, William Welsh, Frank Hayes, Charles Costello, and Miss Ceil Daley.

Cost for the day is $3.00 for the golfers, which includes all services, and $1.50 for the ladies. Get your foursomes ready, boys.

The fellow that said "Millions for defense but not one cent for tribute," thought he was dealing in big figures, but he would probably be flabbergasted by the sums that are being tossed nonchalantly around today. G'bye.

NAZARETH SPONSORS GOLF MEET AUG. 10

2-4 Tues. . . . 17 W. Harris, La Grange

Two big events are on the horizon for Nazareth. First comes the Golf Tournament followed closely by the family picnic. These are the big events of every summer season with us. That golf tournament since its inception a few years ago has increased in popularity each year. This year it promises to be a regular knock down and drag out affair.

That Mastodon of the Mashie, P.G.K. Simmons, who teaming it up with that Waif of the Water Hole, Doc. Lalonde, make a combination that is going to be hard to beat. We are advised that great rivalry is being engendered as to who is the legal golf champion. Tony Ziegweid says he will take on all comers and is especially anxious to get a shot at Bob Kinnare. Another duel to the death is promised between the P.G.K.'s of the council. P.G.K.s Galvin, Foley, Himpler, Bender, Harry James, Joe Halm, and Jimmy Robinson are some who if thrown together should really make this a contest. If any of you fellows want to take this up and issue a challenge to someone else your scribe hereby offers his services as matchmaker. Let's you and him fight has always been our motto.

Don't forget the date, Aug. 10, the place, Woodridge Golf Club, Lisle, just west of the most beautiful town in the world, Downers Grove. (Western Springs readers please note). Just look at this: golf all day for one dollar plus evening dinner of steak or chicken at a dollar twenty-five per plate. Total cost for this entire day, $2.25. Where can you beat it? Get your reservations in now.

POST CARD REPORT

Your scribe received a post card from Joe Miller, who is on vacation with his family back in the old home town, Rome, N. Y. He drove the family chariot and said he had an uneventful trip. On the way back he plans to visit the Thousand Islands. Wants to get some dressing to bring home. (Bum pun, isn't it?) Plans also to stop in Michigan for some fishing. Any more of you fellows who plan on going away for vacation? Let's hear from you. Drop us a card at 512 Sherman St., Downers Grove. Last report we had from Ben Poff was that his boy who was recently struck by a car is back on his feet again and apparently as sound as ever. We are all glad to hear that good news.

We are all sorry to hear of the death in the family of our G.K. Dan Francis. His brother, a resident of Sandwich, Ill., who was sick for some time passed away last Sunday. Please remember him in your prayers. Your scribe, with D.G.K. Kriz and several other brothers from Downers Grove drove down last Tuesday evening to pay our respects.

We see by the papers that Brother Bob Kinnare is cruising in Georgian Bay after participating in the annual Chicago to Mackinac boat race. Yo ho for the life of a sailor. We remarked the other day to several of the Brothers that we would like to be with Kinnare in that race as a member of his crew. Some uncouth person flattened us with the reminder that they don't have any need for cabin boys on those kind of boats. Oh, well, let's skip it.

What about that council picnic? Just this. It is going to be held at Tom Drella's home on Highland Ave., north of Ogden, Downers Grove. The date, Aug. 17th. This is an ideal spot for an affair of this sort. The grounds are ideally laid out and being a private home naturally we have the place to ourselves. Games of all sorts to suit everyone. Refreshments galore and a day of goodfellowship with no admission charge. Plan on being there, won't you? Just pack up the old lunch basket with the necessary things and be on your way for the day. If you do not have transportation just make your wants known and we will find someone who will be only too glad to pick you up. The big event of the day of course will be that annual east vs. west ball game. The west is out for revenge this year and the challenge is issued now for the east to bring on their so-called ball players.

Marquette Will Hold Only August Meeting Next Thursday Night

1-3 Thurs. . . . . 1928 Devon Ave.

Next Thursday, Aug. 7, is the date of our next regular meeting, and kindly be present as our new Lecturer, John L. Henrics, promises some refreshments that will satisfy all. Grand Knight John E. Hesse led a group from our council to a Retreat last week-end, and will advise us of same at next Thursday's meeting.

If you wish to bowl this fall, please make your plans known to Bro. Tom Carroll at next meeting, as he is anxious to get his teams organized.

P. G. K. Harrington, after leaving New York City last week, attended a convention at St. Paul. Trustee Roy Egan and wife left last Monday for Detroit where they will visit Mrs. Egan's folks, and then ferry over to Windsor, Canada, where they will drive back to the U. S. A. Mrs. Geo. Loderbauer, wife of the P. G. K., is sojourning in New Orleans with a side trip to Cuba. Chas. Cronin and Harry Warner have returned from Land o' Lakes, Wisconsin. Lecturer John Henrics and family have returned after two weeks in Wisconsin. Bro. Joe Meyer and family, including Doc and the better-half, have been out of town for two weeks. John D. Hanley and wife are at Manitowish, Wis., for a two weeks' vacation.

O'Connell Finds Lots of Vacation News in Spite of Hot Weather

2-4 Tues. . . . . Hill and Franklin

Amid the sweltering heat there comes to the fore several items of good news. P.G.K. Bro. John Stubing and his family are spending their vacation in the vicinity of Rhinelander, Wisconsin. This item not only tells us that the Stubing family are enjoying a couple of weeks' rest, but also infers that Marge who had been very ill, must be up and around again. Have a good time folks.

P.G.K. Bro. Timothy Clifford who had to leave our meeting early Tuesday evening, is reported in much improved health. This, I'm sure, we're all glad to hear.

A card from Bro. Frank Monardo informs me that all is going well; Frank is a resident engineer and has been promised a promotion. His duties carry him through the Aluminum Co. of America plant for the U. S. Navy. Frank says hello to the gang, and reports that sometime in October he is going to do a middle aisle march. Congratulations and good luck, Frank.

Last week I reported that our chaplain had made a trip to the Mayo clinic in Rochester. I am informed he has returned and is up and about which indicates his illness was not too severe. We hope he will be entirely recovered very shortly. Our old friend and Pal Bro. Bill Sherwin who spent several weeks in bed has also recovered sufficiently to be up and around again.

IS MY FACE RED

I promised to send a catchy little card out to each member to remind him of the big picnic Aug. 10, but after I had run the cards off I found that most of them were not readable, so what was I to do but print over the weak spots. So when you get them, don't be too severe! I promise to do better next time.

Your auditing committee composed of G.K. Ed. Gouna, P.G.K. Timothy Clifford, Treas. Geo. Erkenswick, Fin. Sec'y Jos H. Meier, Rec. Sec'y J. F. Henricks and Trustees P.G.K. Ben Nathan, Jack Tantillo and L. S. Van Deman, met last Tuesday eve., July 29, to audit the books for the past six months. A complete report will be given at our next meeting Tuesday eve., Aug. 12.

Here's all you need to know about the picnic Sunday morning (9 a. m.) at St. Paul's Park Division No. 2, Morton Grove Ill. Your directions committee will place a marker at the corner of Dempster and Lincoln avenue in Morton Grove just follow the markers and you can't miss. There will be no charges—abundance of refreshments, prizes, games, races, contests, thrills, and fun for all.

On Aug. 6 St. Dominic's will sponsor its annual picnic at Harm's Park, Berteau and Western Ave. Members of Daniel O'Connell Council are invited to attend. Our new Grand Knight, Bro. Ed Guana, is chairman of the affair and would like to see his friends in attendance.

Quigley Centers Attention on Its Aug. 31st Picnic

1-3 Tues. . . . . 1035 W. 31st St.

You ARE GUARANTEED the time of your life at Arch. Quigley's annual Basket Picnic on August 31st. THE PLACE . . . Beautiful Sunset Park Grove, 135th St. and Archer Ave., Lemont, Ill. TIME . . . Gates open at 12:00 P. M., Noon. THE OCCASION . . . A real get-together of Quigleyites and their friends, and an opportunity for a swell family outing. FEATURING . . . Transportation—wonderful facilities for the family lunch—spacious lawns for the "kiddies" to romp—a bar, soft drinks—refreshment booth—athletic events for all—beautiful prizes—music—dancing—entertainment. PRICE . . . A mere twenty-five cents. OBTAINABLE . . . Per chairman, Kasper Knasiak or any officer.

No Siree, Don't miss the big event. Keep a big red circle around the date, AUGUST 31st.

RETREAT

G. K. Leo J. Gawrych has announced that Quigley Council will repair to Mayslake on Oct. 3-4-5 to participate in the 60 Golden Hours.

The retreat is timed very appropriately. During the summer months we slip into the practice of a minimum of religion, so that the sacraments and daily prayers are often overlooked. Therefore this Mayslake retreat is timed splendidly, and offers an opportunity for Quigleyites to enrich themselves both spiritually and physically.

THANKS

For the past year, as scribe I have often stated upon the council floor, that I would submit all news turned over to me, for publication in the Columbian. The response has been very pleasing. So please remember, that still goes . . . how about it. Vacation . . . births . . . marriages . . . anniversaries . . . I'll only be too glad to write it up. You are doing me a big favor. Auburn Confers First Degree on Candidaets During Special Meet

2-4 Thurs. . . . . 7740 Emerald Ave.

On last Thursday evening, July 24, while it was not the regular meeting night, a special meeting was called in order to exemplify the First Degree of our Order, having four candidates to take their first step in Knighthood. A short business session was called promptly at eight-thirty, and shortly thereafter our Council Officers put on the First Degree. Grand Knight Harry J. Cox, Deputy Grand Knight John H. Coughlin, Chancellor James Sheil and Warden Neil Houtsma, are to be commended for their splendid effort in making this degree most impressive.

We welcome into our midst Raymond Redell, Michael McGonigle, William and Jack Reilly, and while they cannot take any further degrees until the fall season we trust they will be regular attendants at Council meetings. After the degree work, refreshments were served and our new candidates seemed to have a very enjoyable evening.

AUBURN WINS—4-3

On last Thursday evening at 77th and Yale Ave., prior to the Council meeting, our aggregation met McHale Council's representative in the K. of C. Softball League, and emerged victorious after a very thrilling game. Going into the seventh inning we were on the short end of a 3 to 2 score, but with the aid of a single, a triple, two walks and an error the two markers were scored. This victory gives our team ten victories against two defeats, with McHale in the runner-up position and three more games to play.

These two teams will meet for the fifth and last game of the league schedule on Thursday evening, August 7, at 77th and Yale Ave. This game being the playoff, as each of these two teams have two victories over the other, and it is to be expected that this will be the outstanding game of the season. In fact, as an added attraction, refreshments are at stake, and this in itself should have the boys all keyed up to a very high pitch.

Brother Tom Cole makes the appeal for a very large turnout to this ball game as it may decide the sectional winner and Brother Cole also states that those of the membership who want to enter into the spirit of the festivities can make a contribution and join the party, which I believe will be held in our Clubhouse at 7740 Emerald Ave. right after the ball game. Let's have a big turnout for this thrilling event. You will be amazed at the brand of ball these boys are playing, and most every man enjoys a good ball game.

LEAGUE PARTY

Tonight, Friday, August 1, at Leo Clubhouse, 820 West 55th Street, the Softball League is sponsoring a stag party for the members and their friends, which is an annual event at this season of the year. The price of admission is 75c per person, and includes refreshments and entertainment. Where can you go on one of these hot summer nights and have more fun for such a small amount of expense. Let's have a turnout of members at this party and show the league officials we are one hundred per cent behind this movement.

Brother James Sheil makes the following announcement: The Freight Traffic Department of the Rock Island Railroad is promoting a golf tournament at Indian Wood Country Club at 195th Street and Western Ave. (Sauk Trail Road) on Sunday, August 17. The tariff is $2.00 per person, and includes golf, dinner, and the use of the swimming pool. Should you decide just to play golf, the rate is $1.00 and the dinner $1.25.

This is their first venture into a proposition of this kind and any of you golfers who are anxious to play on this occasion call Jimmie Sheil during the day at Wabash 3200, Local 328, or in the evening at Triangle 8608.

Perez Council annual picnic: On next Sunday, August 3, Perez Council K. of C. is sponsoring its annual picnic at Sunset Grove, located at 135th Street and Archer Ave. I do not have the complete details but any who is interested in taking the car and driving the family to this spot on next Sunday will be assured of a very pleasant afternoon and evening. Perez members are always ready to respond to appeals from our Council to attend our social functions.

Santa Maria Appoints Committee Chairman at Close of Installation

2-4 Thurs. . . . . 9020 Commercial Ave.

The newly-elected officers of Santa Maria Council were installed at the last regular meeting with D. D. Joseph Hermes presiding. The line-up of the year's officers starts with Joseph Komar as Grand Knight; John Cullen, Jr., Chancellor; Michael McParland, Advocate; Maurice Crotty, Treasurer; Anthony Tiller, Recording Secretary; Edward Bohling, Warden; William Henry, Inside Guard; William Iglewski and Florian Gordon, Outside Guards.

Immediately upon taking office, G.K. Komar made the following appointments: John Crowe, Financial Secretary; Robert Lynn, Lecturer; Donald Mortimer, Scribe; P.G.K. James Brown, P.G.K. William Rosenbach and Trustee Joseph Gerlich, all three delegates to Chicago Chapter.

The evening was sultry and close, but a good-sized crowd turned out to witness the installation. D.D. Hermes should be commended for his brisk and efficient handling of the ceremony. G.K. Komar spoke briefly. We all know Joe as a man of few words and much action; so we expect him to have things humming soon.

The newly-elected G.K. said he was going to stress membership and would like all the members to get behind him in a big drive to increase the membership roll of our Council. D.G.K. William Jakse will have charge of the membership committee by virtue of his office.

The mills and other plants of our community are booming, so there ought to be many young men suitable for membership, who have been holding back thus far for financial reasons. Remember that applicants very seldom come up to meetings and ask to become members. It's up to you to hunt prospects and insist on their becoming members.

SOFTBALL

These are perfect evenings to go out and watch a softball game. And what would be a better team to select than our own Council's softball team. The team has been winning and losing lately but they are still in there fighting for leadership. They always put on a good exhibition of playing and are well worth any cooperation you can give by being present at one of the games which are played mostly at Trumbull Park.

Besides the K. of C. league, the team also plays in the Alderman Rowan league and it is starting the second round of the tourney as one of the leading contenders for the first place. Bro. John Cullen, the captain, and the three Jakse brothers are doing all they can to pull the team through to final victory.

CONDOLENCES

The council recently lost one of its loyal members with the death of the Rev. Father Heeney, who had been a member of our Council for the past twenty years. Many of our members will remember Father Heeney as the congenial assistant at St. Patrick's Church. Recently he was pastor of St. Theodore's church, which he founded thirteen years ago. May his soul rest in peace.

The Council also learned of the death of the mother of Bro. Joseph Higgins. Mrs. Higgins, who was past eighty years of age, lived in Danville, Ill. The Council extends its sympathy to Bro. Higgins and his relatives.

Bro. Louis Le Marbe, who has been one of our most faithful attenders of meetings, has had a great deal of illness lately. He is still on the sick list and would like to have company as he is always interested in council news. Father Buck, of St. John's Church and one of the more recent additions to our clerical members, is also on the sick list.

You will never offend a person by returning a smile.

COLUMBUS COMMITTEES PLAN FOR BUSY YEAR

2-4 Tues. . . . . 6932 N. Clark St.

District Deputy Marco DeStefano, together with District Deputy Arthur Donoghue, was on hand last meeting to install the elected officers, after which refreshments were served and committeemen were urged to get their respective committees functioning as soon as possible. The officers installed at our last meeting and who will guide your Council for the coming year are as follows:

Grand Knight Al J. Irving, Deputy Grand Knight Claude Dollohan, Chancellor Al. Weimeskirsch, Recorder Harold Borchardt, Warden Charley Owens, Treasurer Fred Sextro, Inside Guard John Loesch, Outside Guard Tom Ward, Advocate Joseph Gabler, Trustee (three years), Arthur J. Shay. You have elected these men to guide your Council, now please be fair with them and attend meetings and assist them in the promotion of our council activities.

U.S.O.

Today a million and a half men are serving in the armed forces of the United States. Many of them have given up jobs to go into the United States Army and Navy. A number of these fellows have worked with you. They are your pals of long standing. Army and Navy life is not all drills and maneuvers. Men in the service have leisure time and hours away from the army camps or naval bases just as you have away from the office and plant. But what can they do with this time.

The United Service Organizations, Inc., will draft the efforts of six of the nation's leading social agencies. The National Catholic Community Service, under whose jurisdiction the Knights of Columbus assistance will be expended, is one of them and perhaps by now you have been asked to contribute to this fund.

Remember this organization is doing the job that you would want done for your buddies and you can show your appreciation by contributing when approached by the proper agents.

NEWS

Two weeks ago, Columbus Council had a real scribe. Would that our ghost writer could keep this work up. It is very nice to call The Columbian in a pinch and have the congenial Harold do his stuff as only he can. Would like to have that even disposition of his with all these late scribes bothering him for assistance but I guess that comes with his good looks, of which some of us are not so fortunate in having. Thanks for the Boo Kays thrown. (Gee, I hope my wife reads this!—ED.)

Received a card from Eddie Roche, who is sojourning up in Wisconsin. Have not heard from Jack Scmidt since he came back from his honeymoon. Joe Iggie Mac is still waiting for an invitation to dinner, Jack, when the wife cooks the first meal. Eddie "Baliff" Gauna, of Daniel O'Connell fame, calls to invite the members of Columbus Council and their friends to the Home Coming Picnic of St. Dominic's Parish at Harms Grove on August 6.

Expect to hear from our Grand Knight any day now, and will publish the names of our Committee Chairmen and their members soon. Hear Bill Fitzgerald is in line for one of Governor Green's big executive jobs here in Chicago. Hope that it will come soon Bill, so that you can entertain Chuck Sweeney and MacAlinden at the Notre Dame games next fall. Thanks again Harold for the pinch hitting. Will see you next week.

Fr. O'Connor Scribe Gives His Softball Squad the Hot Foot

1-3 Thurs. . . . . 4660 North Kedzie Ave.

With the thermometer hovering around the 100 mark and no relief in sight your Scribe wrings himself out and prepares to knock out another column. It's on a day like this that we envy guys like Joe O'Brien, who spends his whole day down in a nice cool sewer, but the powers-that-be have hung the tag of Scribe on yours truly and I must do my best. You know this weather can make one feel a little disgruntled and sarcastic, so while I'm in that mood I might just as well tell you about our softball team.

The team is in a very jubilant mood this week. They have received an offer from Ringling Brothers to appear with the circus this winter. It seems as how the draft has caused quite a shortage in clowns. The boys were scheduled to play two games last week and only lost one of them. Now, don't get excited, they didn't win their first game of the season. The rain saved them last Tuesday night. But on Thursday evening they entertained Marquette Council and in doing so dropped their ninth game of the season.

In the Marquette lineup, and playing his last game, was little Gordy Kearns. Gordy has been spotted by a talent scout from his draft board and will leave for an indefinite stay with the army August 5. We wish Gordy all the luck in world and trust he will not be away long.

Our swing and stray boys will their final game of the season Thursday evening, meeting Univer Council at Peterson Ave. and the Ca Come out and watch the boys; knows, they might win one.

We're in receipt of another letter Bro. Jack Reilly, who is now stati at Camp San Luis Obispo in Califor Jack writes that he is in line for some of a promotion and asks that we keep fingers crossed. We're all pulling you, Jack, and we've got the fin crossed.

Uncle Phil Doyle is back on the this week. Phil and his pretty little (she can't call this a left-handed c pliment) spent last week purchasing interest in the Arlington Park Track. They also paid a visit to and Mary O'Brien at Spring Grove.

Two more playboys went on the last Sunday when Mrs. Zaleski and Cunningham left for a month's vaca leaving the aforementioned gentleme home.

Skippy Wilson and Porky O'Co must have received bad news from s place last Saturday night. One of scouts reports that he spotted ther a local milk depot weeping on other's shoulders.

Another vacationer was Earl Gan who just returned from a week's vaca stay at Three Lakes, Wisconsin. was accompanied by Mr. and Mrs. Meyers.

Just another reminder that our council meeting in August has been celed. The next regular council m ing will be held Thursday evening, gust 21.

MEETING AUGUST 8

ere will be only one meeting in August and we would advise you to be present as our lecturer has something up his sleeve. Understand it is to be a sneak preview of the picnic and some lucky brothers will go home rewarded for their presence on this evening.

Any of you brothers who failed to read the editorial on The Nocturnal Adoration Society in last week's Columbian are advised to now do so. It was very well written by Franklin J. Hassmer who is the president of the society and by the way a son of our own Brother Chas. Hassmer and a brother of our popular singer, Joe Hassmer.

De Soto will again go to Mayslake on October 17th under the leadership of Bro. Jos. Merki.

DE SOTO PICNIC

August 10, 1941, is as you all know the date for De Soto's fourteenth annual picnic. The place, Northwestern Park, Des Plaines, Ill.

Lecturer Ird Schultz and his committee have been working overtime to assure you and your family a wonderful day. The writer had the good fortune to sit in with this hard working committee at their different meetings and I can assure you that in many new and novel ways they plan to entertain the large crowd they anticipate on Aug. 10. Come early, have the wife or girl friend prepare a big lunch basket as you are sure going to need plenty of fuel after a few hours in the open air chasing an indoor ball, pitching horse shoes or running in the races.

Ma is going to get a break on this day as the lecturer has plans all made to keep the youngsters busy from the time they arrive until the lights go out. With the children taken care of the mothers will be free to partake of the various events arranged for their amusement, bridge, games, races, dancing, etc.

If the lunch starts to run low you may supplement it with some tasty hamburgers a la Schultz or franks a la Smitty. As for beverages there will be plenty. During the day you will have an opportunity to see the council softball team in action as they are billed to play an all star team in the afternoon.

You will receive this copy of the Columbian about one full week before the picnic so you will have ample time to get your gang together. Invite your friends to join you to enjoy a good time. Let's make the 1941 picnic the greatest of all.

n Salvador Rates est Day of Year for erfect Picnic Outing

Mon. . . . . 24 E. 114th Pl.

eally don't know how to begin this le but I shall do my best in my own le way. What I had in mind was ank the members and friends of San dor Council for their wonderful co-tion and their attendance at our annual picnic July 27.

ose of you who were there know your prayers were answered with ence to the weather. From the lat-eport Jimmie Adducci told me that ld all the soda-pop and all the soft s in the truck. Jimmmie says he know how to begin to thank all rdent supporters and workers con-ing that the temperature hovered id the 100 degree mark. Also the working Cliff Heffron and "Rockyk" o along with George Mason, canteen r, all who did their bit serving you the choice morsels of roast beef. He to it that he didn't run out as he able to serve everyone until they all heir fill.

eally wouldn't have the space to be to enumerate all the hard workers so ably did their part to make the the success that it was. To all of I wish to convey my most sincere s and say that I can never repay for their well spent efforts.—Yours Oscar Hines, General Chairman.

o present were a delegation from , Father Weiler and his crew, John and gang from Blue Island and a delegation from Garcia Mareno. d go on and name them all but our s once more to the patrons of San dor's picnic. A full report will bly be ready at our next meeting, 11th. Se you then.

HERE AND THERE

Father Weiler attended the Golden Jubilee Banquet of the Women's C. O. F. as guest of St. Mary's Court No. 229, with Margaret Kern and Ida Prymas, wife of our worthy Grand Knight. Mrs. Prymas has been Chief Ranger of Local Court for fifteen years and was delegate to the State Convention held at the Morrison Hotel on July 15-17.

Bro. Chas. Rausch, of Houston, Texas, a member of our Council for many years, has come to pay us a visit. Bro. Charlie is staying with Bro. Clarence O'Brien of Park Ave, Dolton. No doubt he has many interesting and delightful experiences to talk about. Drop in and visit Bros. O'Brien and Rausch whether you will be hog-tied or lassoed, prepare for the worst.

Banner bearers for future degrees will be Bros. Pete Opyt, Fred and Chuck Giltmier, Pat Ferris and Tony Stepenski. Their experience in banner bearing will be useful to the Council.

Bro. Joe Stepenski has been notified by Uncle Sam to report for induction on Aug. 7, the day of our next meeting. Bro. Joe expects to be rejected later. If so, he can bounce his biscuits at our Council instead.

Bro. Tony Babula and his experience at the Air Conditioning Institute should be of help to us in the present heat wave. Did you get acquainted with the weather man, Tony?

Brothers of Pinta Council who attended San Salvador's picnic last Sunday were Al Schumann, Ed Price, Dan Perry, Tony and Joe Stephenski and our chaplain, Father Weiler. They sincerely thank San Salvador Council for the wonderful time they had.

Brothers, get your tickets early for the Chicken Dinner sponsored by St. Mary's on Aug. 24. A large attendance is anticipated. Tickets may be obtained from our Chaplain, Father Weiler, Ed Price or Tony Stepenski.

R. I. P.—Condolences of the Council are extended to Bro. Charles Saddler on the tragic death of his wife, and to Bro. Joe Berschinski and family on the tragic loss of their son and brother, Joe Jr. May they, through the mercy of God, rest in peace.

Pinta Requests Early Assistance in Member Drive to Attain Goal

1-3 Thurs. . . St. Mary's, Riverdale

Many important items will be discussed at our next meeting and at the officers' meeting following. There are none more important than the Membership Drive. Grand Knight Stanley Prymas asks each member of Pinta Council to do his utmost in securing at least the names of prospective members. In recent years, our Grand Knight has been very active in increasing our Council. Through his efforts it has been possible for our Council to survive.

We have in our midst, young men who are of age and would be willing to join our Order if our precepts and activities were known to them. All members of our Council know how much an increase in membership is needed, especially from the young men in our vicinity. Please be present at our next meeting so that our membership drive can be organized and off to a good start.

St. Augustine Scribe Does First Assignment With Ease of "Vet"

1-3 Mon. . . . . 5209 S. Justine

George Copps, the Bossman of St. Augustine Council, a good Irishman if ever there was one has appointed yours truly as the "filler-upper" of this column. Sure it was no more than right that he appoint another Turkey as his publicity man, and between the two of us we will have all of you foreignres talking with a brogue before the year is over. This means Nic Shaeffer, too. However, with all fooling aside, this column will be written to the best of our ability each week.

A little news item now and then will be sincerely appreciated and readily set forth in this column. If your name never appears herein it is because you are doing nothing to warrant it. Get busy and do something worth reading about and we will see that the other members are made aware of it.

Immediately after Grand Knight George Copps was properly inducted into office by District Deputy James J. McDermott at the last meeting, P.G.K. Dr. F. G. Kuchler presented our outgoing G.K. Phil Kushenbach, with a beautiful Elgin wristwatch, a token of esteem from the council for his untiring efforts during his term of office. Flowing and graceful words, which could only come from a man of Doc's caliber, accompanied the presentatin. Phil seemed well pleased with his gift and when called upon for a speech of acceptance, he—shall we say found a frog in his throat?

The following appointments were made for the coming year: Financial Secretary, A. J. Labuhn; Lecturer, Henry Rieger; Scribe, Jim Burke; Chairman of Catholic Action (four co-chairmen, P.G.K. Dr. F. G. Kuchler, P.G.K. Bill Boettger, P.G.K. Mike Heinen, and Dr. F. N. Werner; Delegates to the Chicago Chapter, G.K. George Copps—by office; Dr. P. J. Werner—by choice, and P.G.K. Mike Heinen—by force; Chairman of Membership Committee, Mike Popernick to be assisted by Felix Kasmer, John Ossowski, John Mittler and the G.K. himself; Chairman of the Athletic Committee, Jim Burke; assisted by John Mittler and Ed Fuelner; Budget Committee, Al Labuhn and the three previous Grand Knights; Annual Clubhouse Benefit Affair Chairman, Henry Rieger.

As previously announced in this column by Bro. Joe Handzik, Chairman of the Barbecue Committee, any member disposing of at least one book might be lucky enough to get his next year's council dues or a portion thereof for "no." In fulfillment of this promise the following members chosen at the last regular meeting will benefit as follows:

Robert Olson, 5721 S. Hermitage, one year's free dues; Frank Freudenthal, 5001 S. Bishop, one-half year's free dues; Joe Handzik, 5310 S. Honore, one-quarter free dues, and Fred Horn, 5128 S. Bishop, one-quarter free dues.

Congratulations to the more fortunate brothers who shared in the reward, however, the Council recognizes the many other men who did more than their share toward the success of the Barbeque. To these members, better luck next year.

George Copps received a wire from District Deputy Phil Nilles at the last meeting congratulating him upon his election as Grand Knight and expressed his regrets at not being able to attend the installation.

The committee in charge of raising funds to purchase a room in the new wing of the Mayslake Retreat House has begun to function. The first of a series of affairs to be run to raise this fund will take place at the Shelter House in Ryan's Woods, 86th and Leavitt on Saturday evening, Sept. 14. This will be in the form of a dance, with beverages and sandwiches served. Admission we understand will be one buck per copy, which covers all expenses except cab fare home. More about this later.

Don't forget the next meeting—third Monday in August. Come up and get acquainted with the new deal.

Tonti Forecasts Relief from Heat at Meeting Thurs.

1-3 Thurs. . . 4221 Irving Park Rd.

With the thermometer registering 99 and no relief in sight, the Scribe takes a long cool drink, and reports the following:

Grand Knight Louis T. Buettner promises that regardless of the temperature, the meeting Thursday night, August 7, will be conducted in a very brief manner. The reason for the brevity is to enable you to partake of some very appropriate refreshments. Just what those refreshments will be, the Lecturer will not reveal. Ray has another surprise up his sleeve. Remember the delicious barbecue sandwiches he and his committee served at the installation? So for this new surprise, attend Thursday's meeting and the Lecturer promises you won't be disappointed.

Bro. Charles Mackin, one of the Old Timers of Tonti Council, and a member of the City Fire Department, exhibited great bravery in fighting two big fires within the last month. The fire at the Chicago Mill and Lumber Co., where some of the firemen lost their lives, and then again at the fire of the Russeto Ice Cream Co. At this latter fire, Bro. Mackin suffered a contusion of the leg and was taken to the Alexian Brothers Hospital, and is now recuperating at his home. Due to his scope of employment, Bro. Mackin finds it difficult to attend our meetings, but nevertheless follows the activities of our Council very closely. We wish him a very speedy recovery and congratulate him on his heroism.

P.G.K. J. Robert Anderson, a member of the Chicago Chapter's U.S.O. Committee, reported that their work of contacting the large corporations has been practically completed and the Chicago quota will soon be accomplished. Have you made your donation to the U.S.O.?

Thomas Dewey, District Attorney of New York, is the President and our Supreme Knight Francis Matthews is Vice-President. The object of the U.S.O. is to provide recreational centers for the soldier, sailor and marine, when he is off duty. The Army will take care of the boy while on duty as they have their own personnel and recreational directors, but who will look after his welfare when he is off duty? We can realize what a gigantic task confronts the U.S.O. when we picture the size of some of these camps.

In many cases, the personnel of the camp exceeds the population of the nearby city by a ratio of 10 to 1. We know that vice organizes more quickly than virtue and therefore the U.S.O. will provide this boy with a homelike atmosphere, so that he will come back home the same good, Catholic boy that he was when he went to serve his country. "DON'T SAY NO TO THE USO."

Last week your attention was called to the urgent need of Blood Donors. When you come to the meeting Thursday, contact P.G.K. Olsta, Chairman of the Blood Donors Group, and help him carry on this laudable work of our Order. Arrangements are being made to have another class, so don't be bashful. Remember, a life may be saved.

Evidently everybody is staying at home, as no news has been received from those on vacation, and therefore we are unable to broadcast their whereabouts. However, the Financial Secretary suggests that to those who may have gone on vacation, and failed to remit their dues because of misplacing their statements, he will gladly mail a duplicate.

The Chapter will hold its meeting Wednesday, and the delegates are requested to attend, so that they may report properly to the Council the activities of the K. of C. The Chicago Chapter is the front for the 64 Cook County Councils. We'll be seeing you there.

The Health O Meter of the Council must be functioning to perfection as the Scribe has no information of any convalescents, no new daddies, or grandpas, which all points to the expectation of a 100 per cent attendance at the meeting Thursday. P.G.K. Wolf has promised more regular attendance at our meetings.

to him than to upset a team which had mercilessly defeated him early in the season. A fighting outfit from Carroll avenged a trouncing from Lafayette by annexing a 14 to 10 victory last Thursday. McNamara and Kerby wielded large bats to lead the hitting parade.

The battle for runner-up honors in the North Division took a turn in favor of De Soto when they defeated their rivals from Brownson 11 to 10. Player-manager Art Booz and Shemroske pounded out three hits apiece for the victors.

Auburn Park made it known that they intended to capture first place in the Southwest Division by defeating their rivals from McHale twice during the past week by scores of 4 to 3 and 8 to 1. The pitching of Gorman featured both victories, allowing a total of 11 hits for the two games.

St. Francis, recovering from a serious slump, emerged triumphant over St. Pat's by a score of 6 to 1. Joe Consoli allowed the opposition but 4 hits and collected 3 safeties for himself.

Madonna continued to play sensational ball by defeating the team from Fort Dearborn 10 to 4. Manager Casey's boys are making a valiant effort to obtain a playoff berth in this section. Meagher, Smith and Haugh paced the attack with three hits each.

Calumet nosed out Loyola-Hyde Park in a slug-fest 14 to 13. An eight-run rally in the last inning produced the margin of victory. Wilf Byrne chalked up three hits to lead the attack.

Next week's schedule calls for one game except in the Far West Division, where two games will be played. Games are as follows:

TUESDAY, AUG. 5

Barry at Lafayette.
Hughes at Carroll.

THURSDAY, AUG. 7

Brownson at St. Paul.
Fr. O'Connor at University.
Marquette at St. Cyr.
Leo at Madonna.
Weber at Dearborn.
Neri at Calumet.
St. James at Loyola.
Genoa at Santa Maria.
St. Francis at Damen.
Ketteler at Americus.
Chicago at St. Pat's.
St. Rita at Englewood.
Barry at Carroll.
Auburn Park at McHale.
Lafayette at Hughes.

University's Golfers Gather at Briergate Tomorrow for Tourney

2-4 Tuesday.....1320 Loyola Ave.

Tomorrow is Saturday, Aug. 2, Briergate is west of Skokie Road on Deerfield Road, golf is a game and to break a hundred is a dream. All the dreamers, their wives and friends will be there from early morning, courageously pursuing an elusive pill, fortified by the presence of friends and well wishers (?), cheered by the plentiful refreshments and looking forward to an evening under the stars. Dinner will be served at 7 p. m. But that is only the beginning of the evening. The whole day costs only $3.00, but for those who can spend the evening only, the charge is $1.50.

If you have not already done so, call Jim Malone now at Briergate 4624 and tell him you will be there.

RETREAT

It is always interesting to receive a Mayslake Bulletin and the last one was no exception. University Council members were again among the first ten in Council participation in the first half of the year and this without having reached our regular week-end which starts Friday evening, Aug. 9. This shows that there are several retreatants among our members who attend more than once a year. Chairman Jack Donahoe particularly urges these regulars to spread the word to others and bring or send them to Mayslake. For any details call either Father Oliver at Harrison 2110 or Jack Donahoe at Briargate 2927.

SOFTBALL

We talked too soon about our great softball team. But it is still good, even if St. Cyr's did knock them off for the second time on last Thursday. There is one thing that can be said about our team, win or lose, the game is always exciting. The schedule now stands, 6 wins, 2 losses, 1 tie and one postponement. Remember you cannot miss if you come out and see this team any Sunday morning at Legion Park at 10:30 a. m.

JUST FOLKS—At last we located the erstwhile scribe, Francis J. Rooney. He and his family are at Stone Lake, Wis. He sent us a picture of some fish somebody else caught.

The Moore establishment at Paddock Lake entertained Bro. Paul Kiniery over last week-end. We also understand that Moore and family were hiding in the woods when Bro. and Mrs. John B. McGuire came over from Pell Lake.

The Dolans are back.

St. James Presents Retiring G. K. with Fourth Degree Ring

2-4 Mon. . . . . Hayes Hotel

Last Monday night's meeting was a big event for retiring Grand Knight Peter O'Connell for the members presented him with a K. of C. Fourth Degree diamond ring. Pete is not only retiring from the Grand Knight's chair but is also retiring from business and leaving same in the hands of his brothers Paul and William who are also members of St. James Council. We were happy to see John McFadden at the meeting, who is the newly appointed Chairman of the Lapsation Committee. P.G.K. Richard Judge of Loyola-Hyde Park Council was also a visitor to our New Air-conditioned Clubroom. The members wish to thank Mr. Frank Hayes of the Hayes Hotel for giving us the cool air.

Lecturer Peter J. Wehle after presenting the ring to P.G.K. O'Connell had the movies from last Communion Sunday taken and edited by Bro. Ed. Mullner shown. U.S.O. Chairman Bro. Wilbur Fitzgerald reported that Bro. Charles F. Clinton, a fifteen-year member of the council, is now stationed at Fort Reilly, Texas, and that Bro. Arthur Strobel is still stationed at Scott Field, Believue, Ill. Don't forget, brothers, that the boys in the service of your country would like to hear something from the members once in a while so drop them a card or a letter.

WON 10 AND LOST 1

As you remember, Santa Maria defeated us, our one lost game. We beat them 6 to 5 the other night. Next Thursday we play Loyola-Hyde Park at 79th and Calumet Ave. and as this is our last scheduled game why not be there and help the boys win, and then for bigger and better things, the SEMI-FINALS, I hope.

Chris Davis tells me that the Golf Tournament will be held sometime in September and that he will announce the date at the next council meeting.

Chairman of Bowling Paul Sink wants all the BAD and good bowlers to register with him so he can make up the teams. If you can't bowl and want to learn you are eligible to enter a team and maybe find that you will turn out to be a champion.

D.G.K. GROARK REPORTS

Members of the council went to the home of Bro. William Loftus of 5609 So. Hermitage Ave. following the meeting last Monday night and offered up their prayer for the repose of the soul of Michael Loftus, a younger brother of Bro. William Loftus.

Bro. John Greene is still at home and is recovering nicely. Bro. Greene still lives at 8016 Drexel Ave. Dan Kinsella is confined to the Mercy Hospital, room 352, where he is under observation and treatment and would like to have some visitors. Henry Woodmaster was at the meeting and is looking very good again.

MEMBERSHIP

Two new applications and a transfer were read last week, both proposed by Lecturer Peter J. Wehle, also the transfer of Charles (Ray) Erhart to St. James Council. Bro. Robert E. Lee announced that the next class will be known as the Columbus Day Class and all candidates and sponsors will be treated to dinner in the Hayes Hotel Dining-room previous to the meeting.

Professional and business men who are interested in a listing in the new Lecturer's program are requested to telephone Lecturer Peter J. Wehle at his office, Victory 2299, or at his residence, Midway 8351. Only council members will be eligible.

Notre Dame Retreat Thursday, Aug. 7, University Grounds, South Bend, Ind. Meals, lodging and rest, $10.00. Phone Bro. Ambrose J. Burke at Radcliffe 0750. Friends of Pvt. Marty Ready will be able to write him now, Camp Walters, Tex., 52d Battery, Co. C. Bro. Charlie West of the Fourth Degree Club is in the Passavant Hospital. Visitors are welcome.

St. Rita's Council picnic will be held in Sudent's Grove at 6600 W. 111th St., Sunday, Aug. 3rd. Free admission and transportation from 63rd and Ashland Ave.

Next meeting night will be Chris Davis night. In other words Golf Night. Don't forget the Softball League Social Party tonight at Leo Clubhouse, 820 W. Garfield Blvd., and the six bits you have been saving will get you in.

Illinois Lifts the Lid to Show What Scribes Think Of in Hot Weather

1-3 Monday.....64 E. Lake St.

What do scribes think about with the humidity 90, the thermometer registering about the same and the Council meeting three weeks in history and the next meeting almost as far in the future?

Well, one thinks of a great many things. Listening to news broadcasts of high and low degree, the views of foreign correspondents, opinions of neighbors, co-workers and mere chance acquaintances, one becomes (in a manner of speaking) mentally punch drunk, in trying to separate the dribble from the acceptable, the propaganda from the sincere.

We wonder, for instance, who is paying the bills for the "America First" boys. It is a declared secret. How can men of otherwies stable character and fine backgrounds, justify their attempts to strangle the defense preparation of the United States? Are they like the little boy who starts a fight with the older boy with the hope that his big friend standing near-by come to his rescue if danger really threatens?

It would appear to us that these gentlemen are presuming too much; banking too much on the freedom of speech and the press as well as the reluctance of men in high places to do anything that might be interpreted as savoring of dictatorship.

WISHFUL THINKING

Our own simple thoughts would run like this: British and French people had not quite forgotten their terrific losses in the world war; therefore, were to go the limit before engaging in another one. They sat around and hoped that war just could not come because it was such a terrible thing, and they permitted the Reds and the Nazi to undermine their body politic further endangering their chance for even a respectable defense of their boundaries hoodwinked by scheming dictators with the thought that they never would be attacked.

They were left entirely unprepared when the dogs of war were again unleashed and it would appear to us, gentlemen, that the "America First" in our own country is causing the same kind of disruption as the Nazi and the Reds are attempting both here and in Europe. Therefore, the statement recently given by the Secretary of War that "Some of the actions of these gentlemen were treasonable" seems to be timely.

Turn to page 13 of the Columbian issue of July 25, Zurich and Lisbon date lines, then see whether you can find any justification, especially for Catholic Americans, to hold any brief for Mr. Hitler. O, yes, we know that also can be applied to Mr. Stalin. Stalin, however, is fighting mankind's greatest threat at the present time. Consequently, his aid in that particular line can not be scoffed at. He is a means to an end at the moment.

MINUTE BIOGRAPHIES

In mentioning the membership of our Council employed by the city of Chicago, we find that we have overlooked at least two. One is your Advocate, Gerald J. Haley. He is a graduate of the Engineering School of the University of Illinois and the Law Department of Loyola University and at present is an assistant principal of one of our Chicago high schools. Yes, we have mentioned him on a prior occasion but in passing we wanted to remind you—give you a thumb nail sketch of men with whom you should be thoroughly acquainted. Bro. Haley lives with wife and child at 7246 Princeton Ave.

Switching for a moment to the County of Cook the name of Chris S. Upton comes to our mind. He is a former treasurer of the Council and active in its affairs but in that regard we have to report that he has taken a sort of a fall from grace. We seldom see Chris except in the performance of his duties with County Assessor John S. Clark whose staff he has been a valued member of for many years. Chris lives on Columbia Ave. in Rogers Park and has done some commuting to New York City to be with his daughter who is high up in the musical and theatrical world.

Shortly you will receive a card inquiring as to whether you will be at the annual golf tournament, Woodridge Golf and Country Club on Thursday, Aug. 21. You know the answer we hope to get. Don't disappoint us.

Joseph's Laments Lack of News Items

Thurs. . . . . 57th St. & Archer Ave.

ith only one meeting in July and ur-week interval from that one to next, news has been somewhat at emium.

ne item which came to our attention a happy one, is the news that a has been born to Mrs. D. Spadoni, of our genial and obese warden, D. Spadoni. And is Dom happy. advises me that everything is going g fine with both Mrs. Dom and future K. of C. doing well.

ich is the course of human events We also have the sad duty to re- the recent death of Mrs. F. Siroky. of Bro. Frank Siroky, Sr., and her of Bro. Frank, Jr., and other dren. The news came as a great k to everyone who has kown this Catholic family of St. Joseph's sh. We offer our personal sym- y and that of the entire council he bereaved family.

e were unable to attend the picnic unday, July 20, but we understand although not overcrowded, every- present had a good time.

id you receive the letter from Bro. erty regarding a proposed Intra- ncil League? As we understand it will be for teams from within council and has nothing to do with of the other local leagues. The is merely to continue those en- ble times we had last fall. In any , whether you bowled last season ot, just remember that this is for l, bad or indifferent bowlers and ssured of a good time at low cost. l your card to Bro., Flaherty now!

COMETH IN THE MAIL

The other day a note to the effect that St. Rita Council's Annual Picnic will be held next Sunday, Aug. 3rd, at Sudent's Grove, 6600 W. 111th St. Admission and transportation are free, as is your lunch —if you bring it. Busses will leave hourly on the hour from 63rd and Ashland stopping at Damen, Western, California and Crawford—after that you're on your own. First bus leaves at 11 A. M., last one at 2 P. M.

ONCE UPON A TIME

There was a member about whom the Financial Sec'y never worried. Always paid his dues on time, showed up at meetings and affairs, never had to be sent a statement. Well, we shot him last week—he was too good to live. But we won't shoot you if you open the letter Pollick sent you a month ago. We'll just slip ya the dirk, jerk.

WE'RE GLAD

To hear that Capt. Gene Barry is recovering from an eye infection which laid him low for a while. Incidentally Gene had a complete physical exam while he was in the hosp. and the doctors say he's 99 44/100% pure. There we go with the old soap, but we're certainly glad to hear that he'll be back on the job shortly.

St. Pat's Calls for 'All-Out' Attendance at Meeting Tuesday

1-3 Tuesday..... .....6 N. Hamlin

Well, brother knights, after some five weeks of anxious waiting the time has come for that all-important meeting on Tuesday, Aug. 5. Remember, that on this night the installation of officers will take place if and when the "moguls" put in their scheduled appearances. We ask the new members to make every effort to attend, since this is a very unusual and interesting ceremony. Should our gay and smiling District Deputy John F. McNamara officiate, rest assured, men, that all will be over in rapid order and then comes the fun that we look forward to at every meeting.

John O'Shaugnessy, our popular Lecturer, has made arrangements to take care of all the members who make the "sacrific" to appear. Should you fail to attend, well, then you'll have to wait until the first Tuesday in September before you will see the boys together again.

ABOUT THE MEMBERS

Walter Carbonel the diminutive powerhouse of the Weiland Florals, is rounding into shape slowly but surely. He has thrown away his casts and is now ambling around with the aid of crutches. Nice going, pal.

Learned from our chairman of Catholic Action Jos. Gentile that Father Kane, our assistant Chaplain, has been transferred to St. Brides Parish on the south side. It is a great loss to old St. Pat's Church and to the members of our Council. Disconsolate as we are anent this great loss, somehow we feel that Father Kane will never forget his flock. Congratulations and good luck.

Joining Bros. Frank Damato and Joseph De Frank in a threesome the other day, this correspondent learned how easy this game of golf is. While they were bagging scores of 110 and 106 respectively, this scribe keeping an honest tabulation (counting every .stroke) tallied a cool 152 for 18 holes. But then he brought his batting average up to a neat .364 with a few base hits he beat out on the fairways.

The Mulcahys have just returned from a pleasure trip to the Pacific Coast. Bill, however, upon returning had to speed right out again but this was a business venture. Orchids to James Orlando and William Grivette who so spontaneously responded to calls for transfusions to Sister Daniels of Loretto Hospital on July 19 and 22. Our latest report shows that Sister Daniels is doing very well. Insurance Chairman Ray Hughes is in the Elmhurst Hospital nursing an infected foot. We warned Geo. Burns that stepping on other people's toes would end in this manner.

SOFTBALL

Again our boys met up with superior fielding and hitting on the part of the oposition, and as a result we bowed to Bishop Ketteler Council 4-0 in a "drenched out" game which was called at the end of five innings. Subsequently we lost to St. Francis Xavier, 6-1, the lone run being attributed to a long homer by Johnny Clune who has sparked our attack all season. That wallop was his sixth of the year in league competition. John Failla brought his hitting streak to "one game in a row" by singling in the fifth inning. Who is this Jos. DiMaggio?

Our next game is against Chicago Council on Aug. 7 at Austin and Harrison. This contest concludes our schedule for the 1941 season. See the boys in their farewell game.

Blue Island to See Private Travelogue at Tuesday Meeting

1-3 Tues. . . . . Gregory and New St.

Try and attend the next meeting of the council, which will be Tuesday, August 5, as Dr. Vincenti will show his films of his latest jaunt around the country. Lecturers Boyd and Wieland held a meeting at Cure's farm last week and mapped out a program for the coming year. The Lecturer's committee and officers of the council were present also and after the meeting all enjoyed the sandwiches and beverages. The lads on the entertainment committee are making plans for a dance to be held in the fall and all are asked to do their part and dispose of as many tickets as possible. The date will be announced later.

The usual summer lull has set in so the only thing that can be done to make this chatter interesting is to ask that all send the author any info on your vacation stays and places. . . . The "13" Club journeyed to Hickey's cottage last Sunday and all had a very good time enjoying the water (for swimming) basket lunches, drinks, and the usual very fine hospitality of the Hickey's. . . . The lake raised about three inches and a slight tidal wave took place when the beef trust went in. The trust consisted of La Rotonda, Vincenti, Hickey, Klein and Patsy. . . . The ladies played cards. It seems as though some fellas have all the luck, don't they, Al. Klein. . . . Between the Doc and the Barb the boys that partook of the card game donated to the day's fun for both of them.

The last week's issue the scribe failed to make mention that the bowling league last year had the faithful efforts and hard work of Gene Kempf and Tom Parsons, which helped make the year the success it was. . . . Sorry to have overlooked the work of the lads but to err is human and it was not intentional.

The Golf Committee is working hard on the Tournament for August 24 to be held at Glen Eagles. Refreshments and prizes will be on the menu and as all had a good time last month get busy and make up the foursome early so you will be sure and enjoy the fun in August. . . . Tee off at 12:30.

The audit was held last week at Paul Paetschs' house and the Trustees would like all who are in arrears to kindly pay their dues and assesments to date. . . . Make the job that keeps your council in working order easier by paying the bill when it is due. . . . It is your council so remember your quarterly obligation and help it along.

The sick list was reduced by one last week when Brother Dick Walsh returned to his home from St. Francis Hospital. . . . Brother Hein Rack is at Hines and Brother Heffron is still at St. Francis Hospital . . . both are doing nicely. The Visiting Committee will keep in touch with the sick and let the members know through the column when they can have visitors. The string has been run through for this week and the keys are melting fast from the heat, so that's all.

Fr. Setters Lines Up Plenty of Features for Sept. 7th Tourney

2-4 Thurs. . . . . 4711 W. Madison St.

Father Setters Council takes pleasure in announcing that its annual golf tournament will be held on Sunday, September 7, at Saint Andrews Golf Club, located at North Avenue and West Chicago Road, West Chicago.

The popularity of this great sporting event has increased steadily year after year until the tourney now stands second only to the Illinois State K. of C. Tournament. Both the shark golfers and the duffers have had such a rip-snorting good time at the affair that a record attendance is anticipated, and we, therefore, sincerely advise early registration so that all may be accommodated.

Johnny Hickey will be defending the crown he grabbed off last year when he blasted through the eighteen holes in the very low eighties. Of course, the going will be tougher this season, as a number of the lads have polished off their respective games to the point where a good old nip and tuck battle will be staged in the championship flight.

Of course, the real backbone of the game is the herd of common, ordinary duffers like you and me, who get nothing out of it but a good time and plenty of bunnions, backache and exercise. We're in for our share of the plunder, for that old Master of the Handicap, Grand Knight Roy P. Bedore, will again employ the famous Setters Handicap System, which is so complicated that only professors like Austin Ryan can understand it. The best part of it is that under the mysterious workings of the system, even us guys who chop around the course in well over a hundred have an excellent chance to win some of the numerous prizes which the Grand Knight has already rounded up.

SPECIAL ATTRACTIONS

Scientific tests were made at the last several tournaments and it was determined that the lads work best when liberally provided with refreshments as they straggle around over hill and dale. The Master of the Handicap has, therefore, arranged suitable hostels, as they might be called, at advantageous points along the way. Here the travelers may pause for rest, refreshment and diversion. In addition, the clubhouse locker room will be set up as a sort of recreation center, so to speak, and here the boys will be served with more entertainment, liberally interspersed with the informal high-jinks and shennanigans which are a part of such goings-on.

In the early evening we'll all sit down to a complete turkey dinner, with all the side dishes and trimmings which customarily accompany same. We'll all be ravenous by that time, so absolute quiet will reign temporarily while we attend to Mr. Turkey, et al.

WE ALMOST FORGOT

By the way, it nearly slipped our mind, there'll be a modest fee for participation in this glorious day's outing. You see, it's not a money-making affair; all we want is to have you come out and have some fun. So, we've kept the cost down to the sum of $2.50, which covers everything. Of course, if some of the brothers feel they're not yet old enough to take up golf and would like to come out for the dinner and the fun, they're most cordially invited and urged to do so. For them the fee is $1.50.

There is one more thing in connection with the golf tournament, and that is the matter of reservations. This is something we'd like to handle with as little headache as possible, so you are asked to 'phone either Grand Knight Roy P. Bedore at Kedzie 1719 or Financial Secretary Thomas A. Lavin at Columbus 5802 and mention just how many you will have in your party.

Ravenswood Dreams About Ice Water Tubes Plus Frosted Tumblers

1-3 Wed. . . . . 1521 Wilson Ave.

Hot weather, and I do mean hot, combined with a month lapse between council meetings, makes quite a chore of this scribe business. Not that ye scribe is overly lazy, but in this weather a fellow likes to spend every spare moment in a tube of ice water, consuming tumblers and tumblers of cool drinks.

Our officers have been asked to announce to our members that St. Dominic's Annual Parish Picnic will be held Wednesday afternoon and evening, Aug. 6, at Harm's Park, Western and Berteau. Everyone is invited and welcome.

Much thanks to Bro. Charles Rogers for the vacation card. It was postmarked Johnson City, Ill., and on the card was written a message about the very enjoyable time the writer was having. Let's have more of these cards from vacationeers. Should have one any day now from G.K. Michael Citti and family.

Next week should bring a card from the North Woods says Joe Grady and family are Wisconsin bound. Understand that young Joe plans a trip of some extent when his vacation period rolls around.

Have learned just recently that Bro. Bill Collins, who is doing his bit down in Tennessee, was in town over the July 4th weekend. Bro. Art tells of the excellent cook Billy now is, in fact, he's good enough for a "first cook" rating. Go to it Bill, we're all for you.

Have used up all the ice cubes, so must discontinue writing. Please phone some news to Wall M. at Haymarket 1000.

Dearborn Starts Membership Work Early for Record

3rd Thursday....820 W. Garfield Blvd.

Now that the new fiscal year is under way and the installation of officers is completed, it is time to consider one of the most important Council duties.

Yes, you guessed it, it's Membership. That one word means the quality, blood, and very existence of every Council. If we do not secure new members, we are apt to become stagnant, our activities will no longer have the zip to them that they did have; we will not be able to make and gain new friendships; and for lack of new members, that Dearborn star, high in the sky, would certainly be a descending one.

Certainly, after the marvelous showing Dearborn made last year, under the leadership of our G. K. Devereaux, we cannot stop, but must, of necessity, ever keep pushing forward with all our might. Our G. K. can rightfully expect us to substantially increase the membership, because we owe it to him for the service he rendered. Let each member take the responsibility upon his own shoulders and secure one new member this year. In the coming winter months, when there will be an abundance of activitiles, you will have a chance to entertain your prospective member and show him what a swell group of men are enrolled in our Council.

Let us not put off another day, the necessary steps to bring in that new brother. Get in touch with our Membership chairman and tell him you are going to take some applications and get some signatures on them. In this way you are not only helping our G. K. in his task, but you are going to make that Dearborn star shine much brighter..

NEWS ABOUT KNIGHTS

Bro. John Engeln was installed as Treasurer of Greater Lodge No. 3 of The Royal Order of Moose last week. Congratulations, John, we are sure a great amount of success will be yours in your new assignment.

Our G. K. at this writing is feeling somewhat better, but is far from being a well man yet. He is still confined to his home and will welcome visitors.

Bro. Jack Fanning, delegate of the Leo Council Softball team, is very ill. Jack is a familiar figure around the Leo-Dearborn chambers and we pray that he recovers quickly.

Bro. John Logan, Dearborn's Athletic director, is now at home recovering from his recent operation and will welcome any of the Sir Knights who come to visit him. We are glad to hear you're getting well, John, we missed you at the ball games. John says that Kelly will not make a good manager until he gets some hair on the top of his head. When will that be. "Baldy"?

Bro. Bill Hennessey sends his regrets to all the boys from Salt Lake City, Utah, where he stopped long enough on his trip west to send a card to our Financial Secretary, John Feilen. John also reports that he heard from Bro. Donata Mazzone who is also making a tour of the western part of our beautiful country.

SOFTBALL

On July 22, Dearborn lost to Leo again by a score of 5-4. It was a very well played game and Dearborn out hit the Leo squad, getting 7 hits while Leo collected only 5. Leo made every hit count for a run. On July 24 we lost again to Madonna Council 10-4. Madonna's hard-hitting team knocked 12 safties while Dearborn was stopped with only 7 hits.

Only one more game scheduled for this season and that is with Arch. Weber Council on Aug. 7 at 57th and Shields Ave.

BLOOD DONORS—Bro. Bill Quinlan was called upon to give a transfusion at Mercy Hospital last week and Bro. Joe Gallagher hurried over to Billings hospital to do his bit for Dearborn, thus showing again that where mercy is needed Dearborn Donors are ready and willing.

THANKS to Bros. Jim, Kittrick Irwin Brazill and John Feilen for assisting the Scribe.

SPECIAL ANNOUNCEMENT

St. Rita Council announces its 22nd Annual Picnic on Sunday, Aug. 3, 1941. It will be held at Sudent's Grove, 6600 W. 111th St. Free admission and transportation are promised to all. Busses will leave 63rd and Ashland Ave. at 11 a. m., 12 noon, 1 p. m., and 2 p. m. They will stop at Damen, Western, California and Crawford Aves.

There will be no meeting on the first Thursday of August, brothers, there being only one meeting this month. However, the Financial Secretary, John Feilen, advises that he will be at home at 5436 S. Aberdeen St. that night, which is Aug. 7, just in case some of you wish to pay your dues. The only meeting this month is August 21.

St. Anthony Praises North Woods but We'll Settle for Shady Tree

1-3 Thurs. . . . . 73rd and Grand

We hear that our Chaplain, Father Quinlan, has returned from his vacation in Wisconsin. He says it was fine up there but the vacation was too short.

Bro. Eddie Belz had an appendix operation a week ago Saturday at St. Ann's Hospital. We hear he is doing very nicely.

Mrs. Lowery, mother of Bros. Al and Andrew Ruff, is still in a very critical condition. Please remember her in your prayers.

Two of our brothers were recently called into service with Uncle Sam's Army. They are Bud Broker and Johnnie Esposito. They would like to hear from some of the fellows back home. Address them as follows: Private Joseph Broker are Private John J. Esposito, Battery A, 55th Battalion, Camp Callon, Calif.

Our next meeting night will be held Aug. 21. Our Grand Knight, John Deigan, would like to have as many brothers present as possible so that he can outline the program that he has in mind for the fall season. Don't forget to see Ed Schleitler about your dues for this new quarter.

Americus Plans Big Event—No Elephant Laundry—on Sept. 23

2-4 Tues. . . . . 3350 W. Jackson Blvd.

Well, the July meeting is past history now. It was called to order at 8:30 by the G. K., and among the high lights was a short talk by our Chaplain, Father Sheltinga (he is always good) who let us in on some of his activities and plans for the future. The new Chairman of the Membership Committee, P.G.K. Jim Mooney, served notice that this year will find Americus at the top of the list as far as new members are concerned. Lecturer P.G. K. Ned Kelly, detached himself from his garden long enough to give us a hint on some of our activities for the coming season. And don't say I didn't warn you, but get your calendar right now and put a ring around September 23 because something big is going to happen on that evening, and I don't mean wash an elephant. Brothers Leigh, Dinges Culhane, Pokorny and Mortimer were lucky and all got ice cream soda money from the Lecturer.

SUPER SNOOPER SCOOPERS

From Snooper No. 4 comes the report that there were great doings at 4235 Harrison street the other evening when it was announced that Ed. Wright had become a grandpa for the second time. No report as to whether it is an all-American or a glamour star. Good luck to grandpappy, we hope all his troubles will be little ones.

Snooper No. 6 tells us that our Chaplain, Rev. Vincent Sheltinga, O.S.M., is visiting his folks down Missouri way, but No. 7 has it that the Chaplain has gone down there to get some of the animals for which the state is famous. We shall see, maybe they are both right, there will be more about this later.

Roving Snooper No. 9 reports from Twin Lakes that he has seen P.G.K. Leo Joyce. Treasurer Bill Ryan, Frank Flynn and Frank Sheehan lolling around. It is a wonder a crime wave didn't start with the two Franks off duty at the same time. At Pistakee he found the family of D.G.K. Powers, but reports that John is wandering around the Chicago Parks.

A tip from Snooper No. 4 gives us a scoop, Cornwall Post of the American Legion is running a picnic Sunday, Aug. 3, at the Post Grounds, 31st street and Desplaines river. It must be something good because they are keeping it awful quiet, so if you can sneak out there and surprise them I bet you will have a good time.

Flash Special—We have just received word from a reliable source that our Worthy Recorder John Whalen was married June 27 . . . 1917. What has Winchell got that we haven't?

If you know of any member of Americus who is in the service of our country, please send us their names and addresses. We want the boys to know that they are not forgotten and have been included in the plans of the Council activities. Get in touch with the G. K., George T. Howlett, 4110 Polk St., Kedzie 9482, or any of the officers.

Regarding the softball front. At this writing there is still a chance for us to get in the finals. We have one more game to play, Kettler, Aug. 7, at Garfield Park. I still think we have one of the best teams in the League if we could get all of the players out to all of the games. At Leo Club House, 820 W. Garfield boulevard, tonight (Friday). There will be more hits made than were made in all the games this year. The league is having a stag party, 75 cents to get in; good time.

Mr. Editor: Those are not rain drops on the paper, they are beads of perspiration (sweat to you, Bro.) that fell from the brow of the scribe. Let me weep on your shoulder as I recount some of the happenings in the past week. Tuesday, July 22, meeting night; Wednesday, Son Patrick leaves for army, May God watch over him; Thursday, soft ball; Friday, shopping with the ball and chain; Saturday, son Roland united in the holy bonds of matrimony with Miss Dorothy O'Brien; Sunday, trip to Fort Sheridan; Monday, notes to you (I don't know about that notes to me—you spell it awful fast, Geo.!—Ed.). Results, one son lost for a while and a gain of one daughter and two sore puppies.

Gar. Moreno's Picnic Committee Puts 'All-Out' Effort on Affair

2-4 Tues. . 155th St. & Lexington Ave.

Picnic Chairman Francis DeMayo held a committee meeting and was very happy over the splendid turnout and enthusiasm that was evidenced. He announced the following appointments: Contests: Joseph Reardon and Charles Wisell; Refreshment Booth, G. K. John Mech, and the Cashier Booth, Simon Ryan. Members present at the meeting were: John Mech, G. K. Joseph Dehnert, D. G. K. Francis DeMayo, chairman, Henry Stein, Henry Hilgendorf, Pop White, Larry Cairns, Andy Curzydel, Bob Bruce, Romeo Begnoche, Louis Beaupre, Alfred St. Aubin, Ralph Crean, Simon Ryan, W. E. Powers, Sr., and Richard Walenga.

We have no report of the committee—appointed by the C. D. of A., but the ladies will do their part to put the picnic over. Joseph Reardon and Charles Wisell are now making their appeal to the members to donate a prize for their part of the program. Most any kind of a gift will do, or you can give them money. The more prizes they have the larger their program will be. So kindly keep these two Brothers in mind.

Romeo Begnoche, chairman of the ticket committee, will soon have the tickets in circulation, and we hope our entire membership will sell at least one book. Any member who wants to work at the picnic should turn in his name to Francis DeMayo. Now that the picnic committees are all working together, let us who are not on these committees do our bit in some other way. The biggest thing of the picnic to put over will be the tickets, so when you get your's sell them at once. And make returns as soon as possible.

NOTES OF LAST MEETING

D. G. K. Joseph Dehnert, chairman of the sick committee, reported that Al Binette had an infection in one of his eyes but was coming along fine; that Mrs. Malito was still confined at Ingalls Memorial Hospital; that Mrs. E. Quirk, who was injured in an auto accident, is now enjoying good health and Mrs. Alfred St. Aubin, Sr., is home, and doing very nicely. Arthur Mathieu was in an auto accident, but we hope Brother Mathieu and our sick and injured will all soon again be enjoying the best of health.

Simon Ryan, president of the bowling league, was given quite a welcome back to the council. The boys tried to make him feel at home and Simon looked like he was glad to be back among the gang. He announced that after our next meeting Tuesday, Aug. 12, will be the annual election of officers of the bowling league. Bowlers keep that date in mind.

Other reports were Chas. Wisell on Athletics, Francis DeMayo on the picnic, Henry Stein, lecturer, who plans no council activities till the picnic is over. Under good of the Order, our chaplain, Rev. Father Renklewski, gave a very interesting discourse on the Sign of the Cross. Our sincere thanks go to our chaplain for his many interesting and timely talks. Brother Cushing, field agent, was present, and urged the members to support their officers, and every phase of the Catholic Action program. Come aga Brother Cushing.

Calumet Plans for Fine Entertainment at Coming Meetin

2-4 Mon. . . . . 6646 Stony Isla

The lecturer's committee has b locked in now for two hours figuring the entertainment for the next t months. They are only figuring on t months because if this weather contin with those breezes from 46th St. blow at us, we will have our meetings down Armour's packing house! The Scully m ter minds do report that the meeting Aug. 11 will be a humdinger. Boys, don't want to miss it. We promise t if you come to this meeting you'll ne forget it as long as you live. This me ing is strictly for men only, so come up and watch the fun.

The picnic, as you know, is Aug. 17, Jackson Park. Next week we will g all the details. At the coming meeti we have planned to have a lecture F. B. I. men, Notre Dame football p tures, old time pictures, and the bowl and softball team's big party. Watch all the details.

SOFTBALL

Calumet (without the help of Sat Paige) added another game to the column when Genoa failed to appear scheduled. Thursday, July 24, the te played Loyola-Hyde Park. At the end the fifth inning Calumet was on the st end of a 13 to 4 score. All this m Calumet's No. 1 rooter, Jim Higg very mad. Jim said (censored) to boys and they got two runs in the si In the seventh and last inning the Roc of Calumet started in again on the b and they got 8 runs to come out on 14 to 13. The details of the blitzk in the seventh are as follows: Hits Papa Mass, Ed Wagner, Porky Van L Beau Brummel Gilbo, Weldon, Ell Yale) Wagner, Basket Byrne, and Murphy tied the score. Hughes Ladies Will Have Golf Tourney Sunday, Aug. 10

1-3 Tues. . . . 4711 W. Madison St.

Perhaps the Ladies' Day Golf Tournament on Sunday, August 10, should take precedence once again over any other news. Chairman Tom McDonnell reports that there will be a special dinner in the evening, either steak or chicken, depending on the wishes of the individual. You know by this time that Hughes Council is sponsoring another golf tournament, with special emphasis on the Lady-Day features, on Sunday, August 10, at St. Andrew's Golf Club, West Chicago, Ill. Drive out Route 64 (North avenue) and you will see big signs directing you to the gate.

Pro Joe Jemsek will have a fine schedule arranged, with two attractive 18-hole courses available for play, and for any ladies who do not desire to trek over the golf course, Chairman McDonnell promises bridge games, or any variety of diversions to keep the fair sex entertained. Of significance, the fee for golf—play all day if you like and both courses—only $1.50, which will include refreshments. For the dinner in the evening, $1.25, and the cuisine at St. Andrew's will be the best ever.

Dan Cupid never received a higher rating for his marksmanship, especially among the men of Hughes than this summer, for another well known Hughesite joined the ranks of the benedicts last Saturday when Bro. Rollie Howlett took unto himself a lovely wife in the person of the former Dorothy O'Brien. We didn't get all the glorious details, but the nuptials on July 26 were an impressive ceremony, and naturally the congratulations and best wishes of the entire membership are extended.

Another ace athlete, Frank Linskey, will take his marriage vows on this Saturday, August 2, when Frank and Miss Mabelle Rose Sauer say "I do" at the ten o'clock nuptial mass, Queen of Angels church. There will be a reception later in the west lounge of the Edgewater Beach Hotel. Congratulations and best wishes.

Bro. Tom (Silver-Tongued) Dailey has been slightly indisposed, but we are glad to report that he is entirely recovered and members may expect to be delighted with at least a little of his oratory at the next meeting, Tuesday, August 5. Don't forget, incidentally, that next Tuesday's session is the only meeting to be held during August.

Bro. Charles Votava, Sr., has just returned from a three-week vacation spent at Phillips and Butternut, Wis., and Charlie took advantage of the out-of-door atmosphere. It is said he is as chipper as a twenty-one-year old, even more so than Charlie, Jr.

Rev. Father Roger Jones of St. Edmunds, Oak Park, has been reappointed chaplain of Hughes Council, and is also co-chairman of the Catholic Action Committee. Father Jones has promised to attend meetings as regularly as in the past and it goes without saying that he is always more than welcome, his inspirational talks are of profound interest to members, and we repeat emphatically that Hughes Council is fortunate to have so able a prelate interested in its activities and progress.

You may know that the G. K. has appointed Bro. Thomas P. Dailey as co-chairman of the Catholic Action Committee. The team of Father Jones-Bro. Dailey should do much to win proper attention for this important committee.

Charles Votava, Jr., has been reappointed organist and P.G.K. Elmer J. O'Brien is chairman of the USO Committee. Associated with him will be P.G.K. Louis Postillion, P.G.K. Patrick Barrett and Bro. Thomas Dailey. It is expected that this quartet will also serve for the Charity Ball.

SOFTBALL NEWS

Two big games during the last week and Mgr. Chick O'Malley was hopeful of winning both of them. On last Tuesday and Thursday. Hughes has a mighty fine, high-spirited team, deserving of 100 per cent membership support, and by the way, what has happened to the feminine rooters that Hughes had been counting on?

A week ago Tuesday, in an abbreviated ball game, curtailed to five innings, Hughes swamped Carroll, 9 to 1. Rain caused an interruption. Hughes got three runs in the first inning. Bob Bergeron led with a hit, followed by Linskey's bingle, and both scored on a triple by Collins, the latter coming home when John Kelly rapped one to center. In the third, Capt. Linskey drove a home run, far over the left fielder's head. Kelly doubled to center and scored when the opposing shortstop fumbled the throw-in. Mickey Dailey, Bill Kane, Dan Brown and John Kelly collected hits to score the remaining runs. Boland of Carroll featured the game with a splendid running catch, a fielding gem.

A week ago Thursday, Hughes, after a nip and tuck battle, defeated La-Fayette Council 12 to 7. Hughes put the game on ice in the fifth with four tallies. Conroy hit to center and scored on Joe Garvey's tremendous homer to right center. When Collins doubled, Brown also followed suit, and he in turn scored on Howlett's hit. Hughes added two in the sixth and two in the seventh for extra margin.

Newman's Golf Meet Sets Council Record as Pleasant Outing

1-3 Thurs. . . . . St. Mary's Hall

After pitching four balls in the past few weeks we thought we would be able to retire but on orders from Minister of Propaganda Keefer we become a fifth columnist to finish out the month. Having some of the best material of the season to write upon we are almost inkless in describing the marvelous day of golf which broke all council records both in attendance and prizes.

Neither of these material accomplishments of the committee headed by Ed Coursey, Tom Dolon and Chuck Boliver would have had their desired results if it were not for the extreme good fellowship displayed off and on the golf course by the approximate 120 members and guests who assembled for dinner and a jolly evening.

Matt Jans shot the usual low with a 75 but the surprise round was scored by Father Holbrook of St. Athanasius who toured around in 77 which was just 57 strokes under Julian Alter's high of the day. Among the distinguished guests were Commissioner Bill Ericksen, Father Birmingham of St. Nicholas, Brothers Brown and Rondeau of University Council, also three visitors from Waukegan Council.

Marriages over the week end in Newman families were those of Peter Jan's daughter Mary Anita and Joseph Giannini's daughter Margaret, both celebrated in fine fashion last Saturday. The only birth was that of another daughter for Larry Dupre on July 13.

Ken Lawson is vacationing from his cage at the State Bank and Ed Devine is back on his milk truck after a two week pause. Steve Doyle is moving his home to Rogers Park where he has purchased a flat, however cleaning business as usual on Main St. We had the right date but the wrong location for the bowlers meeting last Tuesday but we are sure that they were able to smell their way to the right spot for refreshments and business.

Noticed a new picture of an old friend, Father Smyth of St. Mary's, hanging on council chamber wall at last meeting. Upon inquiry we learned that it was placed there by P.G.K. Don McCann who is gathering a pictorial history of St. Mary's. From the local news reports we are informed that the Newman Fourth Degree Club had its initial dinner meeting at which P.G.K. Dr. Hyres was elected president and Pat Craig appointed chairman of the club's program. This should deserve headlines rather than the bottom spot on our column because Tom Nicco called to say that the "fighting fifteen" didn't lose a game this week. Rather than be found in error we checked with Bro. Bayres at the Bureau of Recreation only to find that they didn't play a game last week.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. . Cyr's Undefeated Softball Squad Meets Marquette Thursday

Mon. . . . . 1609 N. Halsted St.

Cyr's softball warriors play their game of the season on August 7, undefeated in their tour of all north d opponents. Last week, University il fell before the slugging of St. bats to the tune of 22-7. Sam Leto, Cliff Orioles' pride, hit the ball safe- n four different occasions. Heavy g by Catcher Ziggy Botica, and ex- t support by the rest of our soft- players also accounted for the over- ning victory.

nager Vic Priola states that the last final game will be played on August our home grounds, at Stanton Park. uette Council, which previously fell n to St. Cyr, will be in there trying event St. Cyr from going into the finals. Come out to Stanton park ugust 7 and watch the boys do it

e council will hold two regular ngs this month. The first of the falls on this Monday night and will esignated as Joe Lucania night. er Lucania was one of the factors inging the honors of the Country to St. Cyr. Enthusiastic and ambi- Brother Lucania sponsored a great er of candidates. Thus St. Cyr is ing its appreciation by setting aside ight in recognition of the meritorious performed by this well deserving er. It may be just as hot this g Monday night as it is at this moment. Maybe you won't feel like g to a meeting. But the "Chief" ises a short meeting and a lot of activity, together with the car- ed beverages, which we always have r council meetings.

wlers, attention: Are you planning wl this season? If so, get in touch the bowling league president or secretary and inform them of your intention. Enrollment is $1.00 and $1.25 for each session of bowling. The extra 20c paid this year will allow a bigger prize list, making for more interest in trying to hit that 170 which you have been aiming for ever since you started bowling.

By the time this issue of The Columbian reaches you, Secretary Cosmo Conigilio has probably informed you of a bowlers' meeting. If not, expect to receive notification shortly. At this meeting, teams will be chosen, and the program for the coming year explained.

CYRFOUR PICNIC

On Sunday, August 24th, the Cyrfours, the Fourth Degree Club of St. Cyr, is holding its first picnic and outing. As previously stated in the past the Cyrfours have sponsored an early fall dance. This year something new is being attempted, this something new being an attempt to bring the children as well as the adults together in one huge party. There will be dancing, refreshments, entertainment and of course prizes to go to the best pie eater, etc., etc., etc. St. Paul Woods, located at Lincoln Ave. and Dempster Road, in Morton Grove, Ill., is the scene of this major event. Tickets are selling for 25 cents, said ticket to be converted into other tickets which will give the kids enough ice cream, peanuts, hot dogs, and lemonade to satisfy the biggest appetites.

St. Francis Plays Important Part in Chaplain's Anniv.

Meets August 14 . . . . . 4715 W. Madison

Over a thousand friends, admirers and well-wishers filled beautiful St. Ignatius Church last Sunday morning to pay their respects and tribute to the Fathers Breen, Francis X., Paul M. and Aloysius A. The occasion was the golden jubilee of their entrance into the Society of Jesus. A good third of the crowd consisted of members of our council and their families. Rev. Samuel K. Wilson, S. J., president of the Loyola University, highly praised the jubilarians in his sermon. During the Mass, Sir Knight John Pane-Gasser, rendered several vocal solos. Cards bearing the individual good wishes of the members and their families were presented to Fathers Breen. Sir Knights N. Damore, A. Coletta, V. Candice and P. G. K. F. R. Vitullo, dressed in their fourth degree regalia, acted as ushers.

Our council played a predominant part in this affair due to the efforts and hard work of P. G. K. John Blase Meccia who took a personal interest to see that everything was done as it should be. We are certain that Father Breen is well satisfied with the work done by him and John deserves the praise of every member. Grand Knight Baptiste Mele, P. G. K. Frank R. Vitullo and Sir Knight John Pane-Gasser also worked hard in connection with this memorable occasion.

NOTICE: The next meeting—the only one in August—will be held August 14. Plan to be present. Our new lecturer, Croce Speziale, has some surprises in store for you.

Our annual picnic will be held Sunday, August 24, at Wicker Park Grove, East Chicago, Indiana. Golfing, swimming, "bocci," softball and many other games will be part of the bill of fare for the day. Beer, pop and ice-cream will be free. The committee is working "like a horse" to make this one the best to date. Watch the Columbian for further details.

VACATION DAYS

Are in full swing for council members and their families. For instance, Mrs. Salvatore Cirrintano and son, Richard, are at Bass Lake, Indiana. Sal seemed to like the idea of being a bachelor . . . And so did P. G. K. John Meccia, whose wife is basking in Whitehall, Mich. . . . Trustee and Mrs. Anthony Raciti have gone to Land O' Lakes to escape our sultry weather . . . Sir Knight Louis Bacigalupo and family are spending the summer at their summer home in Fox River Grove . . . Bro. Anthony Damore is "vaca-shun-ing" in Florida . . . Mr. and Mrs. Anthony Miglore have just returned from California where they visited their son in an army camp. . . .

Mr. and Mrs. Charles (Trustee) DiGiovanni's seven children will help them celebrate their 19th wedding anniversary on July 29. Many happy returns . . . The songbird of the council, John Pane-Gasser, is going to be guest soloist tonight (Friday) at the Grant Park concert.

A solemn high Mass in memory of the late Rev. Michael Cavallo will be celebrated Sunday, August 3, in Holy Rosary Church at 11:00 a. m. A pilgrimage to the grave will follow the Mass. A group of boys, the Cavallo Boys, are sponsoring this as they have done every year since his death. They have been connected with Father Cavallo since childhood.

The council's deepest sympathies are extended to Bro. Ted Matuszewski on the recent death of his father and to Bros. Carmen Coco whose father died last week. Mr. Coco was also the uncle of Bros. Sam Coco and Peter Padalino.

Our softball team is still the best in its section. Last week they met and defeated Americus and St. Patrick councils. Americus took the short end of a 15 to 9 score and St. Pats took a 6 to 1 beating. The next game will be played August 7 at Garfield Park against Damen.

If you are interested in bowling this coming season, be sure to attend the bowlers meeting August 11 at Babe Criola's home, 3024 W. Flournoy St.

Damen's Lecturer Has Surprise Program for Meeting of Aug. 14th

1-3 Thurs. . . . . .6 No. Hamlin Ave.

Lecturer Geo. Reithal, Jr., Damen's latest benedict, promises a program of surprises at all meetings as well as all other activities during the coming year. Be present next meeting, Aug. 14, for Surprise Number One and a detail report by little Georgie.

Received two postal cards from the City of the Golden Gate, one by way of 1017 So. Taylor Ave., the home of Oak Park's most Gorgeous Blonde. The second card was addressed to Mr. and Brs. George Reithal, Jr., 1011 So. Harvey Ave., Oak Park, Ill.—the present address of your scribe. I hardly believe our Worthy Grand Knight John Caulfield has been Glamour Struck by those Hollywood Queen's but rather am inclined to think he may be a little bit homesick as one of the cards was a beautiful picture of the San Francisco County Building.

The convalescing list of Damen members at the present time contains the following names: John T. McEnery, John Coffey, Henry Forester, Jack O'Shea and James Carberry. Why not pay them a helpful visit?

With the deepest reluctancy I inform you of the loss of another loyal Damite—Bro. Thomas Breslin, who was called to his eternal reward during the past week. The funeral was to St. Gaul's Church for Solemn High Mass, thence to Calvary Cemetary.

An orchid to those ever-ready standbys of Damen Council in time of need: Wm. Butler, Wm. Bergman, Patrick Hoy and Jack O'Shea.

Our membership chairman, Homer Shaver, has more than just an arm up his sleeve. You wait and see, for I'm not fooling. Those grapevine reports keep coming in, soooo there must be something doing.

Englewood Finds Heat Plus Vacations of Little Help to Newsy Column

2-4 Mon. . . . . 150 W. 69th St.

Maybe it's the heat or maybe it's just the Scribe, but there seems to be very little to write about this week. Most everyone is on a vacation or getting ready to go on one. Those that are just back are too busy resting up from the rigors of resting to have anything to say.

A request has been received from Brother Joseph L. Shanahan of St. Rita Council to announce their 22nd annual picnic at Sudent's Grove, 6600 W. 111th St. Free admission and transportation. Buses leave 63rd and Ashland at 11 a. m., 12 noon, 1 p. m. and 2 p. m. Anyone wishing to attend is cordially invited and assured of a very enjoyable day.

Our softball boys seem to be trying to imitate the Cubs in their race to the bottom of the league. Last Tuesday they lost 8 to 5 to McHale and Thursday they lost 18 to 15 to St. Rita, letting 14 runs cross the plate in the fifth inning. Oh well, this is a Yankee year anyhow. The softball league will have a stag social at Leo Club House, 820 W. 55th St., August 1. There will be refreshments and the admission is only 75 cents.

GRAPEVINE ROUTE

Finally found out why P.G.K. Walter A. Schaeffer always puts up such a stiff argument (or is it) for those Chicago Dubs. He likes Wrigley's gum ...P.G.K. John Loughnane and his young daughter, Annabelle, will fly to New York City next weekend. This is to be the start of John's vacation. Happy landings. Also did you know that Phil Loughnane, John's younger son, is the youngest Warrant Officer in the 33rd Division now at Camp Forrest, Tennessee? He just turned 21... P.G.K. Ray Budinger has returned to his old stamping grounds having recently moved to 6565 Yale Avenue... Softball manager and captain, Joe Hannapel, and family, left Saturday for their vacation near Elkhart, Indiana. Have fun, Joe...It would be sort of nice to see some of the old timers such as Pete Marschall around again, wouldn't it?...It is with regret that we learn of the illness of Bro. Fred Wall of 417 W. 79th St., and also of P.G.K. Steven A. O'Connor who is at Engles Memorial Hospital, Harvey, Illinois, with a broken ankle. Steve's friends can see him between the hours of 7 and 8 p. m...Bro Francis Blankley has been heard from at long last, he is now living at 6451 Sangamon St....and whatever became of Pete Sink?...Wonder if Scotty Johnson is ever going to get those State street tracks back in shape?...The fiftieth anniversary celebration of the Fathers Breen was attended by Jack Loughnane, who flew in from Detroit for the occasion...Did you know that G.K. Dick Phillips was quite a ball player in his youth?... Have you noticed that Joe Lenz has been constantly in attendance at meetings recently, is it the Joe Poncer and Harry Wilke influence or vice versa?

FEEHAN'S MATCH PLAY TOURNEY NEAR FINALS

2-4 Tuesday.....Hamlin and Madison

Things are beginning to take a definite shape in the Match-Play tourney, with three of the semi-finalists having been determined so far. Joe Collins Turk Fogarty, Walter Brouder, being the three and the fourth being either Joe Malloy or his opponent, the winner of the Augie Tamburrino vs. Ed Butler third rounder.

Still alive in the consolation round are Jimmy Collins, Bud Schoemer, Howie Edler, Bill Collins and Ed Imhof.

Results of recent matches: Ed Butler beat Father Lynch and Walter Brouder beat Tom Collins in championship matches, while in the consolation rounds But Schoemer beat Ed Ryan, Bill Collins beat Father Lynch, Jimmy Collins beat Frank Reynolds and Howard Edler beat Em Gorman.

WE'RE LEAVING TOWN

For the final golf tournament of the year, if plans in the formative stage go through. Chairman Augie Tamburrino is working on a small plot to get you henpecked lads a week-end to yourselves, come Sept. 6-7. As mentioned above, plans have not been definitely completed, but the idea is to run up to Twin Lakes on Saturday, play golf Saturday and Sunday, and award the prizes at an afternoon session in the Red Barn. Listens good—ain't it? We will play the Commodore Barry course and put up at the Barry Country Club. The estimated fee for all of this is $3.50. Everybody to buy his own meals, of course.

LAST TOURNAMENT—Held on a very beautiful day at Pickwick Golf Club was very well attended. Everybody had a very fine time and particularly John Dooley, who won all of the prizes. Lest you get the idea that the prize distribution was inequitable, let us hasten to add that John won everybody else's prizes in the card game after dinner. He always came up with the low spade. Several of the brothers journeyed out just for the refreshments and the dinner. Among these were Bros. Walter Curran, Johnny Dowling and the Lemon King, himself, Robt. Wingfield.

SCOOP

Here it is—only August—and we already have the news of the arrival at the home of Bro. Roger Power of a bouncing baby girl. Her name is Mary and she has been making herself heard since March, and by the time we got around to congratulating her old man, his chest had receded to its original proportions and any cigars he might have left were strictly of the campaign variety. However, we are still glad to hear it and to report that mother and daughter are doing excellently in the country air at LaPorte, Indiana.

ONCE UPON A TIME

Not so long ago we started publication of a list of members who had done their bit in the Barbecue drive. Our ears are still burning from the beefs by citizens whose names were missing. Well, herewith is presented the augmented in two installments, and if you girls h any complaints, just try to rememb we don't make any assessments.

Five books each—G. Bussey and Cantaloupe; 3 books— Bill Collins books—Ed Butler, Art Murray ($5. K. of C. Softball Squads Gird for Chance at Title

Dates and Place for Championship Rounds Will Be Announced Here Next Week

By John E. Miner

With ninety-nine and forty-four one-hundreths per cent of its games completed last evening, the Knights of Columbus 1941 softball season draws to a full stop this week-end in time to draw breath before plunging into the final and championship playoffs.

Definite dates and playing field for the finals will be announced next week, when deliberations now underway between league officials and several field managements are expected to be completed.

Some time between now and the next two weeks, however, any council team with a postponed match still on the schedule of unfinished business is expected to clear these from the records so that proper entry to the championship rounds may be made.

Three Divisional Champs Known

Three divisional championships have already been decided. In the fast-stepping north side league, St. Cyr's mighty bat-men pounded their way to the top of the pack for a season without defeat.

An equally powerful squad from St. James Council annexed the South Shore title even as the Hughes Council contingent, showing the same power that brought them the 1940 K. C. crown, won the divisional title in the Far West sector.

Auburn Park and McHale Councils stand shoulder to shoulder in the Southwest battles while Ketteler and St. Francis in the West Section and Leo, Madonna and Quigley in the Central division stand out as the possible champs of their home fronts.

Real "in-fighting" is evidence in the battle for second place now being

Charles Carroll Forum Lists Famous Speakers in New Lecture Series

Topics ranging from politics and the national defense program to Spanish missions in California will be discussed at the lecture series of the Charles Carroll Forum next season. The meetings will again be held Sunday afternoons in the Grand Ballroom of the Palmer House, starting Sept. 28.

Among the speakers will be President Robert M. Hutchins of the University of Chicago; Prof. Louis J. A. Mercier of Harvard; Sister Mary Madeleva, C.S.S., president of St. Mary's College, Notre Dame; the Rev. Dr. Thomas E. Mitchell, dean of the School of Social Work of the Catholic University of America, Washington, and Sir Philip Gibbs, journalist, author and playright.

One of the leading organizations of its kind in the country, the Charles Carroll Forum is directed by the Rev. James A. Magner. Its executive committee is composed of Judge John P. McGoorty, Prof. Jerome G. Kerwin, Dr. Paul Kiniery, Hugh E. Murphy and S. A. Baldus.

Delegates to National K. C. Convention Leave Next Wk.

Paul V. McNutt, Supreme Knight Matthews to Be Heard in Nation-wide Broadcast Tuesday, August 19

Several score guests and "non-official" representatives from the Chicago jurisdiction will accompany the state officers and delegates who will leave here next week-end for the 59th National Convention of the Knights of Columbus at Atlantic City, August 17, through August 21.

Officially representing the Illinois jurisdiction at the convention sessions will be State Deputy Leo M. Flynn, Past State Deputy Judge John F. Bolton, Supreme Director Michael J. Howlett and the eight delegates elected at the annual meeting of the Illinois State Council last May. These men are Robert W. DuMais, Fort Dearborn Council; John J. Corcoran, Newman Council; Thomas F. Brown of Damen Council and, from downstate, A. Edward Komes, James J. Jobst, Joseph A. Malandrone, Thomas Ryan and Thomas L. Maher.

Bishop Eustace to Say Mass

Bishop Bartholomew J. Eustace, S.T.O., of Camden will celebrate the Solemn Pontifical Mass that will open the Supreme Council meeting on Tuesday, August 19. Archbishop Edward Mooney, D. D., of Detroit will preach the sermon.

Formal ceremonies opening the convention proper will be staged at Westminster Hall in the Hotel Chelsea, at 11 o'clock Tuesday morning. The convention sessions will continue throughout the next three days until late Thursday morning when all business is expected to be completed.

Paul V. McNutt Guest Speaker

Principal public function of the convention schedule will be the "States Dinner" Tuesday evening in Westminster Hall of the Hotel Chelsea. Paul V. McNutt, Federal Security Administrator, will be guest speaker at the affair. Supreme Knight Francis P. Matthews will also be heard along with several of the other high ranking Supreme Officers of the Order.

Arrangements have been made to broadcast the principal address to be delivered Tuesday evening on a nation-wide hookup of the N.B.C. system's Red Network. The program may be heard here from Station WLS at 9 o'clock Tuesday evening.

Also a feature of the States Dinner program and broadcast will be the singing of Sir Knight John Pane-Gasser, Knight Commander of the Holy Sepulchre, and a member of St. Francis Xavier Council here. Pane-Gasser will open the banquet festivities with the Star Spangled Banner. He will also sing at the Pontifical Mass that opens the convention Tuesday morning.

Entertainment Program

Festivities preliminary to the opening business sessions of the convention will include a Third Degree exemplification on Sunday afternoon, August 17, honoring Supreme Director John F. O'Neill of Atlantic City Council.

On Monday, August 18, an open house will be staged at the Hotel Ambassador, by Atlantic City Council, welcoming the national delegates and their wives. An entertainment and dance will also b e given that evening at the Columbus Hotel for the visiting delegates and guests.

LA GRANGE MODEL HOME DRAWS 19,024 VISITORS SINCE OPENING JULY 4

Records at the Mount Vernon House of 1941 show that visitors from all over the country are braving the heat to inspect the attractive white colonial dwelling on exhibition at 345 North Malden avenue in La Grange Park, fourteen miles from Chicago.

The men and women of St. Francis Xavier parish of La Grange, who are sponsoring the project, are extremely proud of the fact that for the first month of its existence since the official opening on July 4th, recorded visitors have reached a total of 19,024. In addition to the regular reception staff on Sundays, the atmosphere of the old southern mansion is enhanced by groups of girls in colonial costume and a negro doorman. The house is open daily from 10 a. m. to 9 p. m.

Com. Barry Country Club Will Be Scene of Annual Round-Up Over Labor Day

Commodore Barry Council is about to complete its twenty-first year of sponsoring seasonal and week-end vacation trips to its famed country club on Lakes Marie and Elizabeth at Twin Lakes, Wis.

Vacationists this summer have literally kept the huge clubhouse facilities taxed as near capacity crowds assembled each week to partake of the many vacation features. The two lakes, upon whose shores the Barry clubhouse is built, provide some of the finest bathing and boating facilities to be found in any of the famous Wisconsin vacation resorts.

An eighteen-hole golf course, "the sportiest in Wisconsin," provides opportunity for devotees to sharpen up their game. Other facilities—the tennis courts, baseball diamond, the riding stables and bridle paths—afford participation in almost every major sport.

A special Labor Day week-end has been planned for the full entertainment of holiday guests. A full program of vacation sport will be available at the special rate of $9.00 per person. This will include all meals from dinner Saturday evening through Monday evening as well as the two nights' lodging. Special social features will also be provided at the "Red Barn" on both nights.

Reservations for the Labor Day week-end, or for any other visit, may be placed at Commodore Barry clubhouse here, Nevada 0304.

Barry Squad Bows to Hughes in 9-5 Softball Contest

1-3 Tues. . . . . 2856 Washington Bl.

Hughes gets revenge. Your narrator is bowed down with grief. After our splendid write-up of just a few weeks ago telling of our 3 to 1 victory over Hughes he must now give you some of the sad details of the last meeting on Tuesday, July 29. You know by now that Barry ended up the short end of the score.

In a 100 degree temperature, Hughes outbatted Barry. Despite some spectacular fielding by the boys the final score was Hughes 9, Barry 5. That victory clinches the championship of the Far West Division for Hughes and we hasten to congratulate them. Joe Schmidt was out there working hard in an effort to stop the hard hitting Hughes team. His battery mate, Charley Svoma, ably supported him and made a desperate diving effort for a foul pop-fly that would, if successful, put a stop to one of Hughes' rallies. Big Ed Morgan looks better than ever on first base and Kucera, Wilson and Sam Falcone put up a swell game, both offensively and defensively. Due to the absence of Emmet Cullen, Charley DeVito shifted to center field and teamed up with Rosenmayer and Burke in some great defensive plays. We regret that Emmet is indisposed but understand he got a little too much sun and that at this writing he is fully recovered. Short center field was capably taken care of by "Slim" Bill Georgen of basket-ball fame (come out and see the boys play and see why Slim is in quotation marks). A few more games on these hot nights and Bill might get that slim shape back again. Manager Bernie Boyle had the Grand Knight pitching in batting practice and Melone and Beretta standing by. Most prominent among the spectators was Mercedes (Mrs. Bill) Georgen; Arch McGown, of course, Bill Dunn, Larry Westphal, Jim Mariga.

After the ball game, players and spectators adjourned to the Clubhouse for showers (for the players) and refreshments for all. We are nearing the end of our softball season as our last scheduled game was on Aug. 7 with Carroll. However, we have postponed games with Hughes and Lafayette. The dates for these games have not yet been made; keep in touch with the clubhouse and as soon as Mgr. Boyle sets a date for the play-off you can get this information. These play-off games are very important as they will decide whether or not Com. Barry is in the championship final round. We are now tied with Lafayette for second place and the winner of the play-off game will enter the finals.

COUNCIL ITEMS

D.G.K. John Tamburrino reports that Bros. Ed. Eckels and Tom Meade are confined at Edward Hines Hospital and requests that any member who can possibly find time to make a visit drop in on these brothers and give them the regards of their brother members. Best wishes for a quick recovery and a speedy "safe home," Ed. and Tom.

Personal Notes (only a little bit less conspicuous by their absence than our last writing). A card from Bro. Frank Dolesh from Old Mexico with greetings to the brothers; a card from Rock Springs, Wyo., from Joe Murphy, and Jim Ryan, saying that a vacation in Yellowstone Park is something to write home about. Johnny Chase, chairman of the Athletic Committee, is on his vacation but we have no word from him; have fun, Johnny. In our personal notes should be included our congratulations to Bro. Jim Landrigan, who made "Personalities" by Ralf Gall in the Chicago Daily News (rememebr this Ralf Gall, when you see it) by the announcement of his promotion to the position of Assistant General Freight Agent of the C.M.St.P. &P.R.R. Bro. Larry Roche reports the catch of a 38-inch 11-lb. pike at Lake Petite. A somewhat cryptic note—that is beyond the comprehension of the writer—about John Wall, sporting a new Oldsmobile car that makes no pickups east of Cicero Ave. and why???

From Frank Owen, Barry's bowling secretary, comes the following: "As you often hear on the radio when you come to a certain part of the program called "So and So—that's advertising," we too come to the part of athletic activities that has been one of the biggest in the history of Barry Council, namely Bowling. We wish to announce that the bowling season of 1941-42 is nearly here and we are going to bowl on the same alleys this year and are increasing our league from 14 to 16 teams.

If there are any of the brothers who would like to bowl in this classy league, we would like to have them hand in their names and addresses to the Secretary of the League or any of the officers or to Financial Secretary Phil Cullen. The officers of the league are planning some wonderful things for the league this coming season so if you want to bowl with a swell bunch of fellows and make the different trips we have planned, see that your name is handed in soon.

Our next meeting, Aug. 19, has been designated by Lecturer Bill Kennelly as "Athletic Nite." This meeting will mark the ending of the softball season and the beginning of the bowling season. Every one interested in the athletic activities of the council should attend this meeting, whether you play yourself or get your enjoyments out of watching. You will meet the brothers who have been representing your council on the softball field this summer—and you should meet them because they are a swell bunch of fellows. Also a feature of this meeting for the bowlers and those interested in bowling will be a match game between the 1940-41 Champions of our House League and the Major Team of the K. of C. West Side Bowling League. The Lecturer guarantees plenty of refreshments and entertainment.

Lecturer Bill Kennelly announces that several meetings of the Ticket Committee on our Reunion Dance, Nov. 8th, have been held and the tickets will soon be ready for distribution. The Program Committee under D.G.K. John Tamburrino is working hard. Every member is urged to co-operate with your officers and committees. If you have been named on one of the committees, do not shirk your responsibilities; if you have not been named, appoint yourself and get out and do some work. If you know of anyone who would like to put an ad in the program, sign him up; or call D.G.K. Tamburrino or any of his committee and they will contact your prospect.

distance and highway 34 (Ogden avenue) crosses Malden avenue just one block from the site.

At a recent executive committee meeting the decision was reached to close the project activities in November with a Mount Vernon House party at the Paradise Ballroom, 128 North Pulaski road in Chicago. Patriotism will be the theme and the chairman of the event, John L. Westenhaver of La Grange, is organizing his committees to build a program emphasizing our American heritage of freedom.

St. Rita's Picnic Is Voted Highlight Seasonal Activities

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Well, the picnic was carried off as forecast.

More than 1,000 friends and members of St. Rita Council made the trek to Sudent's Grove, 6600 W. 111th St., last Sunday, and when General Chairman Jack Bracken locked the trees up for the night not one dissenting voice marred consensus that "it was a swell affair."

Chairman Bracken and G. K. Ted Lee wish to thank all members and friends—both workers and patrons—who helped make the picnic a success. A special tip of the hat goes to that swell bunch from Jimmy Smith's, which has never failed to turn en masse at each and every picnic sponsored by St. Rita.

Led by Jimmy himself and Jake Reagan, the group included Bill Donovan, Jimmy Nagle, Johnny King, Bert Smith, Joe "Brown Derby" Murphy, Jack Burge, Bill Geisinger—their wives and families—and many others whose names escape us for the moment. And with "Slim Jakes" on the mound the boys whipped together a softball team that trounced our council nine.

Ted Leonas, son of Jim Leonas, long an active member of St. Rita, won the gold wrist watch donated by Rocky Dorsch, proprietor of the bowling establishment at Forty-seventh St. and Ashland Ave.

The name of Jerry Dowd, one of the hardest workers on the prize committee, was accidentally misspelled. Sorry . . . Frank Small lost his car keys at the Grove and was forced to leave his car there all night . . . Fred Amend made the trip to the Grove despite an injured leg and brought several guests with him. . . . The McGowan clan was much in evidence . . . Probably the most popular person at the picnic was ten-month-old Susan Condon, daughter of Bro. Bob Condon, and wife Ruth . . . Bob's brother, Wallie, also attended with his bride-to-be, Mary Connors. They will be married Thanksgiving Day . . . Why did Johnny McCormick refuse to enter the jitterbug contest? . . . "Little Fat Stuff" Kucharski protested forcibly throughout the day that the nickname no longer fits him . . . Pete Salvatori, we learned, is now firing on the railroad . . . Johnny Gaynor made a poor showing in the fat men's race . . . Art Manfredi's jitter-bug contest proved to be one of the highlights of the day . . .

CONDOLENCE

Bros. Kearney and John Hohnnert and the father of Frank Zavrel passed away recently. To the members of their families we express our most heartfelt sympathies.

NAZARETH GOLFERS MEET THIS SUNDAY

2-4 Tues. . . . 17 W. Harris, La Grange

Well, here is another week and still no news. News or no news, the column must go on. Some base creature [Me too!!—Ed.] in our council recently remarked on that point. Says he: "This scribe of ours starts out his column by saying that there is no news and then proceeds to go on and on, like Tennyson's well-known babbling brook." O well, that will do for a starter. After all, a column must have a beginning.

The boys are beginning to drift back from vacations one by one. Recently did a little babbling with PGK Himpler, who with Mrs. Himpler and family has just returned from a camping trip up in northern Wisconsin. Tried his darndest to catch some of those big fish, but met with indifferent success. That spared us the painful duty of listening to one of those "fish" stories.

Are you ready for that golf tournament? This is your last announcement. This stupendous contest takes place next Sunday, Aug. 10. Everybody has a chance—dubs and champs alike. We hear that many rivalries have sprung up and are to be settled on this day.

That talkative Dutchman from Downers Grove, Joe Miller, has been doing so much sounding off that Joe Mrkvicka is just itching to take him on, saying he will go around the course with only a putter and a driver and still beat him. How about that, Dutchman? Understand there will be a contest for PGK's only. That ought to be a dandy. If someone could only get PGK's Foley, Schmidt, Robinson, James, Peabody, Halm, Simmons and a few more into the same arena what a battle royal it would be.

Don't forget the date, Aug. 10, and the place is Woodridge Golf Club, Lisle, just west of Downers Grove. The price is one dollar for golf all day and a dollar and a half for evening dinner consisting of steak or chicken and plenty of it. If you have failed to purchase your tickets, don't let that keep you away. Just come on out and get your ticket on the grounds. We'll be seeing you there.

Let's hope that all hostilities of the golf tournament will be forgotten during the following week because on Sunday, Aug. 17, we hold our annual picnic. This is the one day of the year when we get together with our families in what we might call a reunion. As in past years, the picnic will be held on the spacious grounds of Tom Drella on Highland Ave., north of Ogden, in Downers Grove.

Hope those east-enders have their ball team lined up. It is suggested that they get in a few nights' practice between now and the picnic. The west end boys are feeling quite confident. They claim they can pick up a team at any time which will be good enough to win. We have heard some rumors that the west-enders are hatching some plot whereby that man Grimes from the east end will be prevented from being present with his team. Guess they remember only too well that home run last year which wrecked their hopes. Your scribe is oiling his tonsils so that he can call those balls and strikes.

Just a reminder: Next meeting is Aug. 12. Let's be seeing you there.

Hildebrand Stresses Importance of Early Start on Membership

Next meeting Thursday, August 21st. . . . We expect a large gathering at this session to participate in the festivities . . . A first and second degree class by October is our objective at this moment . . . So boys let's pitch in and give the membership committee a boost by bringing along an application. . . . Tom Beagley is reported in sound health again after his recent illness. . . . We miss the smiling countenance of handsome Gene O'Donahue of the West Park dandies. . . . George Sabie has lost the route again since his return to the far south side. . . . Joe Hosek reports enjoyment at his last appearance at the Council, and we were glad to see him looking in the pink. . . . Dame Rumor has it that Joe Garvey is getting inside info about social customs, etc., preparatory to doing that proverbial dive into the sea of matrimony. . . . Well we hope the report is true. . . . Ed. Colihan calls to say hello, and to advise that his long absence is due to night work, leaving little time for his fraternal and social obligations. . . . Our beloved chaplain, Rev. P. G. Dougherty, O.S.M., will be in Chicago most of the summer preparatory to another long absence throughout the country in the fall, and we anticipate the pleasure of his attendance before departing for foreign fields. . . . Joe Byrne is enjoying a leisurely vacation from his arduous duties with the B. of E. until after Labor Day. . . . Some vacationers to the Western Coast report greetings to all of us from Larry Condon. . . . Thanks, Larry, and our best to you too. . . . Regret the illness of

Ketteler Prepared for Large Picnic Attendance Sur

2-4 Mon. . . . . 3437 Ogden Av

At last the big event is close at har Your receipt of this week's Columbian your final notice of our picnic and, abo all else, our reunion of old friends a acquaintances. Our earnest plea to y is not to forego the pleasures that v abound on that day—pleasures that a yours if only you will respond to the i vitation extended to you.

Never has a committee worked so ha solely for your pleasure, your relaxati and your benefit. That has been fo most in our minds—to make the day o that will linger long in your memory.

The inducements for your attendan at the picnic are manifold. There v be athletic events, races, contests, hor shoes, for which the luckier contesta will be amply rewarded. The prize i is enormous and many handsome ite are numbered therein.

For the young folks—and for the o too—there will be dancing to the splen music of Augie Schaid's orchestra. Au has a reputation as a band leader and know that you will surely enjoy music.

Refreshments of all kinds will be ava able at the grove. Coffee, milk, s drinks and, of course, that which we like so well will be in abundance. Fo that will please the most fastidious v be served and no one should go hung Of course, many will want to bring th basket lunches. For them there splendid facilities.

To those members who have not m returns on their books, let them be a vised that Brother Tony Bruha will on hand at the grove to take their turns.

FATHERS AND SONS

Another event of equal importance our calendar is next meeting night. the fathers of our council and their s we dedicate this night and for them have planned a round of entertainm that none should miss. For the kidd there will be prizes, entertainment, cir acts and some famous baseball and fo ball stars will be in attendance.

Even the members as a whole sho enjoy this meeting because of the dif ence and unique features that will be the program. It has been such a l time since we have had a council m ing that all of you will welcome the portunity to get together again. So d forget next Monday night.

Through Bro. Jack Suerth, our wor trustee, we learn that St. Paul's Chu is holding its outdoor carnival at Pl and Hoyne Ave. Jack would be pleased to have some of our mem drop around and surprise Father R McCoy, probably our staunchest and l loyal supporter. If by any chance should get around and can't find Fa McCoy, go to the basement, which, i dentally, would be a good meeting p for our members.

Also we understand our beloved clo lain, Father Derwinski, opens his carn this coming Sunday. It goes without ing that a goodly number of our m bers will attend, but Father Derwi extends to the rest of us a cordial inv tion to partake in the festivities.

Bro. John Majcher, our genial orga was married on Aug. 6 to Miss Rak at St. William's Church. honeymoon destination at this writin unknown but we would like to take opportunity to congratulate the h couple and wish them many year wedded bliss.

Bro. Musialowicz, our worthy tru is still sick. It will be some time b he will be a regular attendant at ings. Why not cheer him up a bi paying him a visit at his home?

This is the last time that Joe Sar will write this column. It's been a pleasure, and to all who helped make column a success he wishes to "Thank you!" Your new scribe is Emmett Holland, whose address is S. Ridgeway Ave. and whose telep number is Lawndale 6662.

Don't hesitate to phone him or him a line if you have any item of terest to the members. He will be too glad to cooperate and to accom date you. So with a flourish of the Joe Sargent bids you adieu.

Mrs. John Conlin and hope for sp return to her former robust health Earl Nerius spends most of his ends in the country tutoring his father-in-law to break 100 on an golf course. . . . We note that Ed T bohl will represent us at the Dame Annual Retreat this week end. . . . And Judge La Hayes is sponsoring a Retreat at lake the early part of September. Our members are cordially invit attend.

OURS IS A STAR COUNCIL

When you receive your August issue of the Columbia Magazine turn to page 12 and you will have reason to rejoice for St. James No. 1650 is listed as a Star Council of the K. of C. This honor was achieved by effecting four or more Catholic Activities and five or more Council Programs, a constant publicity plan, a ten per cent membership intake and the Insurance membership quota.

Membership Chairman Robert E. Lee is very happy to report that Lecturer Peter Wehle has one more membership application in than Larry Duby has. Now is your chance to hit the headlines, for every application that is turned in next Monday night I will give a mention in the column to that member.

D. G. K. GROARK REPORTS

Bro. Dan Kinsella has returned home from the hospital and is welcoming visitors. We are hopeful of seeing Bro. John Greene at the meeting next Monday night along with Bro. Henry Woodmaster.

Grand Knight John McKean requests that all members who are eligible for Honorary Membership will please write him. The requirements are 65 years of age and not less than 25 years' membership in the Order.

Professional and business men interested in a listing in the Lecturer's Program are requested to phone Lecturer Peter J. Wehle at his office, Victory 2299 or at his residence, Midway 8351. Only Council members will be eligible. Lecturer Wehle also states that effective Monday night, Aug. 11, members attending ten or more meetings up to Communion Sunday will receive a bid on a free radio and those who attend all the meetings will also receive an individual prize.

BLABBER MOUTH REPORTS

Bro. John Spain is a Captain of the high seas, he bought an 8 passenger Cris Craft cruiser. Bro. Dick Beck, our star third baseman, and a new member at that, is going to help Captain Spain and will man the bottom of the boat when it capsizes; he is good at that, he was still praying when the Coast Guard rescued him and party when their boat turned over in Lake Michigan last Tuesday evening. Where are those vacationers, Dr. and Mrs. Gregory Strobel and Mr. and Mrs. John Mays? I have not received a card as yet. My address is John B. McBride, 6345 Stewart Ave., Chicago, Ill.

Lecturer Peter Wehle's daughter, Mickey, has just recovered from a strep infection in her knee.

I made it my business to see if the Council Chamber will be air-cooled for next Monday night and was assured by the hotel management that it would be, so don't let me hear any member say that they did not attend the meeting because it was too hot for I'll sure make it hot for them next winter. Now, what more do you want?

Weber Meeting Bright Forecast for Season as Real Action Starts

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Because of the manner in which last Monday night's meeting was directed, the brothers of Weber Council can be sure that the officers and chairmen of committees for the coming year are truly a bunch of go-getters. Having only a couple of weeks to work in, all the chairmen turned in good and active reports.

The most outstanding was the membership drive under the leadership of Bro. John Mazur. He promises us that if the council meets his quota of new members, the First and Second Degrees will be held for the first time in the chambers of Weber Council. That is something to look forward to.

Working hand in hand with the membership committee is Bro. Mitchell Mazurek with his baseball team. Such cooperation must and will meet with success. It wouldn't be a bad idea if some of you borthers pitched in and helped put this plan over.

And once again a little rumor has turned out to be a truth. Our baseball team will sponsor a dance and the date is Sept. 20. The music by the Melodians and the place is the Hamlin Hall, located at 5700 S. Hamlin Ave. Tickets may be obtained from any of the ball players at the small price of 40c, tax included.

Event number two takes place on the following day, Sept. 21. By this time you should all know that the Weber Fours are sponsoring their annual Golf Tournament on that day. Get tickets from any Fourth Degree member of Weber Council. Tickets, $2.50.

On our sick list we have only one brother, thank God, and we certainly wish Bro. John Zolna a very, very speedy recovery. Come on, John, we're pulling for you.

Our Lecturer, Dr. John W. Dziubski, his wife, mother and dad have left for three weeks of touring through sunny California. Bro. and Mrs. Paul Sladek are enjoying two weeks' vacation at their cottage at Long Lake Beach. To make their vacation complete, they made a trip to the Wisconsin Dells.

WEBER TATTLES

Past Trustee Hank Zabelski has not shown up with those cigars as yet. Maybe we should tax him double for that.

Our present Trustee, Joseph Bartusiak, is now the owner of a notions and candy store located at 3721 S. Paulina St. If you're in the neighborhood, stop in and say hello. Good luck, Bro. Joe.

Just in case some of you brothers are driving down the street following a milk truck, and that truck should suddenly stop, don't get sore or excited. Just relax and you'll more than likely see Bro. Charley Niedojadlo get out, walk over to the curb and pick up a dollar bill. He then proceeds to look at you and grin. So help me, I know because it happened to me. Ask Charley.

Many, many thanks to you brothers for the wonderful response to my plea for news. It's the little notes from you that will make the Weber column bigger and better than ever.

St. Francis' Picnic Committee Requests Cards Returned Soon

Meets August 14 . . 4715 W. Madison

Arrangements are being completed for our annual picnic, Sunday, August 24, at Wicker Park Indiana. The committee members are anxious to have you return the card mailed to you last week informing them on three points. First, are you going; second, will you drive your own car or go by bus, and thirdly, how many children are you bringing. Buses will be chartered for those without cars. The price is one dollar per head. Children under sixteen ride for nix.

Charlie Principe is getting together an old-timers' softball team and has challenged the council team to a game. And speaking of challenges, Al Furlan and John Pane-Gasser feel that they can beat anyone at "Bocci." That's what they think. Surely there must be some old-timers who can take these "Venetian marvels" at their own game.

Many other events have been planned to include everyone, golfing, swimming and "la mora" are included. Refreshments are on the house. The committee has also made arrangements with the weatherman for that day (they hope).

That's only part of it. Watch the Columbian during the next few weeks for more information. In the meantime, don't forget to send that card back to Charlie Principe. It is very urgent that he gets these cards right away so the committee will know how many people to expect.

Just a gentle reminder, dear brothers, that the next meeting is Thursday night, August 14. Plan to attend; it's the only meeting of the month.

CONDOLENCES

It is our sad duty to report the deaths of Mrs. Michael Falco, wife of the council photographer, and Bro. Angelo Vitallo's father-in-law. To Bros. Falco and Vitallo and their families we extend the sympathies of the council members.

NOTES

Sir Knight John Pane-Gasser, Knight Commander of the Holy Sepulchre, participated last Sunday in the silver jubilee celebration of Sacred Heart Church in Michigan City. The pastor of the church is Monsignor Abraham, who bestowed knighthood of the Holy Sepulchre on Bro. Pane-Gasser. John was accompanied by grand knight Baptiste Mele.

The officers of the bowling league for the coming season are: Salvatore Cirrintano, president; Baptiste Mele, vice president; Angelo Vitallo, secretary, and Sheik Pintozzi, treasurer. All who expect to bowl are urged to attend a meeting Monday night at Babe Criola's house, 3024 W. Flournoy street. . . . Bro. Ed Carfagnini will represent Illinois in the national C.Y.O. bicycle races in San Jose California, next month. Ed won the right two weeks ago by winning the half mile qualification event in the weekly C.Y.O. races in Humboldt Park.

Note to Doc Carl Madda: If you continue to beat Judges Bolton and Harrington in golf, it may prove to be a bad investment if you ever have to face either one in a court room. They might remember.

Bishop Ketteler's softball team was considered the hottest in the league until they met our team last week. They were hot until the sixth inning, when the sun set in the west. After that it was all St. Francis. With the score 8 to 7 in Ketteler's favor and darkness creeping over the field, our boys put across 5 runs to clinch the game and the division title. Our next victim was Chicago Council to the tune of a 14 to 7 victory. In this game it was proven that pitchers CAN hit. Butch Rutili and Joe Consoli took turns onthe mound and each clouted a homer. Leo Marcantonio had a perfect day at bat by getting two singles, a double and a three bagger. And now, on to the finals.

Calumet Promises Novel Program at Monday's Meeting

2-4 Monday.....6646 Stony Island

Well, Monday night is the only meeting in August so we want all of you boys to come on up. This is one meeting that you do not want to miss. We are going to have a "bathing beauty" contest. Great planning and loss of hair (not the ones Andy Gump got) by the masterminds tends to make this meeting one that will have you sitting on the edge of your chair. This is not an open meeting so give the little lady five coppers and let her go to the show and have a soda later. You cannot complain of the heat up here because we have not had any installed yet. This contest is new in the way of entertainment and it is something that will probably be demanded again. If your curiosity is aroused come up and see what killed the cat.

BLOOD DONORS

The chairman of the Blood Donors, Bro. Harry LaMasney, tells us that up to date everything is going along smoothly. We wonder if all of you members realize what an important committee this is. We know that a great number of you have had very serious cases of sickness in your families and have had to rush some one dear to you to a hospital without a word of warning. You know how you have had to go through a lot of trouble trying to arrange details if your relative or friend needed a blood transfusion. Well, now your fellow brothers have been all typed and are ready to go at a minute's notice to give their blood to save a human life. We are still a little short of types 1 and 2. Those members of you who haven't as yet been typed please get in touch with Bro. LaMasney or an officer of the Council and they will arrange to have you typed.

D. G. K. REPORT—We regret to report the death of the father of Bro. Thomas Dillon and the uncle of Walter, John, Edward and Thomas Dillon, who passed away last week. Arch Mahoney and Jim Casey are still out at Hines so drop them a line. Charles West is now in the hospital. We hope for a speedy recovery for Charlie. We also hear that W. J. Grady has been confined to his home with a minor illness.

PICNIC

Folks, do not forget about the picnic Aug. 17. It is a week from Sunday so set the day aside. You will have a chance to win a laundry bundle, tank of gasoline, hams, bacon, groceries, cash, cooking utensils, electrical appliances, and a lot of other things. Free ice cream, candy and cookies for the children. (You fellows with the long pants keep away from the ice cream booth.) Each member of the Council will register with our Financial Secretary Walter Popjoy when he arrives at the picnic and this will entitle him to a chance on the radio that will be given to some lucky member. So all in all, men, what more could you ask for? LEST WE FORGET, Aug. 17, at Jackson Park, picnic spot No. 2, just next to the motor boat clubhouse.

We are going to have a loud speaker system and Maurice Smith promises us that he will tell a few veneian blind Irish jokes over it. Chairman Harrington tell us that the prizes have been coming in pretty steady but that there are still some who have forgotten their promises.

SCRAPS—Frank Walsh is in Peoria and will probably have to remain there for two more weeks. P. G. K. Bill Birmingham, Financial Secretary Walter Popjoy and your scribe, Joe Lamb (that's me) just returned from Springfield where Bro. Joe Kale received his diploma making him a fullfledged State Highway Patrolman. Bill McNichols is still giving good service at his gas station at Marquette and Racine. Drop in and give him a little business.

SOFTBALL

The front office is still waiting for the O.K. from Landis to start blasting the manager or some of the players for their actions in the last two games. What is to be done with a bunch of fellows who score eight runs in the last inning to win a ball game is what the front office wants to know. Should they give the manager back to the Indians or should they give him a new shirt. (I'm in favor of giving him back to the Indians.) All this must have taken the pep out of them because in the following game they made as many errors. We all wonder what would have happened if Jim Higgins had been able to bat. Maybe the trouble with the team is that Tom Walsh does not get the bats out of the way fast enough. Well, anyway, folks, there is only one game left so come out and watch the boys wave at the pitcher.

Quigley Urges All to Attend Special Picnic Meet Tonight

1-3 Tuesday.....1035 W. 31st St.

Tonight, Friday, Aug. 8, at 8 p. m., a special Council meeting will be held, with the sole purpose of discussing all details regarding the Council's Basket picnic on Aug. 31.

G. K. Leo J. Gawrych and general chairman Kasper Knasiak will pick chairman and personnel for all the picnic committees. The picnic is to be held at Archer Ave., at 136th St. It can best be reached by traveling the Southwest Highway to 131st St., then west to Archer Ave. where 131st St. ends. About three-quarters of a mile south on Archer Ave., a large Quigley sign will indicate the location of the grove. Plans are now underway to procure buses to accommodate the picnicgoers.

At the previous meeting of the officers and committee leaders it was decided that there will be no admission charge. The purpose of the picnic is to give each Quigley member, family and friends an opportunity to completely enjoy an extensive day's outing. Make necessary plans now for your family and yourself to attend the August 31 picnic.

PROUD DADDIES

Bro. John Klimas was presented with a blue-eyed baby girl by his charming wife on July 23. The proud dad thought for awhile that there would not be enough cigar stores to go around, but he made it. Both mother and Eileen Barbara are progressing nicely. Address 6239 S. Honore St.

On July 30, Mrs. Walter Ciszewski presented Bro. Walter Ciszewski with an 8½ pound bouncing baby boy. The following day Bro. "Walt" was heard asking Johnny Jankowski how long it would take to enroll the little one in Quigley Council.

Congratulations to both Bro. Klimas and Bro. Ciszewski and may your joy be but the beginning of greater happiness.

John Wagner, Andrew Bruozis and Charles Kunka recently gave blood transfusions in behalf of Quigley's Blood Donor Unit. The donor unit celebrated its first anniversary on Aug. 6.

VISITORS ROYAL—At the last meeting on Aug 5, Quigley Council was honored by a visit from Sir Knights Thomas and Joseph Ward of Santa Maria Council, No. 1733, of Baltimore, Md. Both Bro. Thomas and Joseph addressed the Quigley contingent and extended an invitation to any member visiting Baltimore to drop in at Santa Maria and enjoy the facilities of their clubhouse.

Quigley was also honored by a visit from P. G. K. Robert Du Mais, State chairman of the Blood Donor Group, who congratulated Quigley for the success enjoyed in the Blood Donor activity.

Columbus' Retiring G.K. Thanks Members for Fine Assistance

2-4 Tues. . . . . 6932 N. Clark St.

We wish to acknowledge the receipt of a fine letter from PGK Edw. L. Roche. It reads as follows:

"I wish to take this opportunity to thank each and every member of the council for his loyalty and support during the past year, and I am particularly grateful to the active members, for without their cooperation my administration, as well as any other, would have been a failure.

"I cannot thank enough such outstanding active workers as your newly-elected officers, from Grand Knight Irving down the list and such good old workers as PGK Doc Schuler, who deserves the thanks of not only myself but of every member of Columbus Council. I pledge my support to the newly installed officers and I urge the membership to get behind them and if they will give them the same cooperation they gave me I can see nothing but a bright future for Columbus Council.

"Again, thank you and with kind personal regards to every member, I am, yours for a bigger and better council not only in activities but in membership as well.

(Signed) "PGK EDWARD L. ROCHE."

Thanks, Ed, for the good words. We know with your help the council has many bright days ahead.

INSTALLATION

We were honored at our recent installation by the presence of visitors from various councils. St. Cyr included in its delegation GK Joseph Maggiore, while Englewood's representation included GK Richard Phillips and Inside Guard Matt Steffens. Chancellor Stanley Walsh of LaFayette Council gave an inspiring talk and Bro. Joe Killgallon, PGK of Father Setters Council, also graced our meeting.

Father Charles Burke, recently transferred to St. Jerome's parish, was also a guest. Father Mockenhaupt of St. Gregory's parish was present and has graciously consented to be our chaplain for the coming year.

Edward L. Roche, retiring grand knight, closes his year with a fine record of accomplishment. Those who worked with him know of the time and effort he spent in the council's activities. His personal popularity accounts in a great measure for the successful year the council has just enjoyed.

Brownson to Entertain Ladies on August 23rd; Rob Roy Country Club

2-4 Friday.....4754 N. Western

The first official announcement from our new Grand Knight pertains to the ladies. On Saturday, Aug. 23, Brownson will entertain the wives, sweethearts, mothers and daughters of our members at the Rob Roy C. C., McDonald Road west of Wolf Road, Mt. Prospect, Ill.

For those not wishing to play golf, the clubhouse may be used for cards. G. K. O'Neill, realizing the important part that the ladies can play in the success of our Council, wishes to start off his regime by doing something for them.

Suitable prizes will be offered to the fair ones who venture out in the sun to play golf as well as to those who stay in the shade of the clubhouse to play cards. We have no doubt that the escorts will also come in for their share of prizes.

If any of our members are able to secure a prize for this day it will be greatly appreciated.

CARNIVAL

The church and parish that our Council was associated with for many years, and to which a large number of our members still belong, St. Vincent's is having a silver jubilee carnival in honor of their pastor, and our Chaplain, the Rev. M. M. Ries, C.M., at the De Paul Field, Webster and Sheffield Ave., from Aug. 6 to Aug. 11, inclusive.

P. G. K. Frank Kohler and his bride, the former Madeline Shea of New Haven, Conn., are now home to callers at 6014 Patterson Ave., after a beautiful trip through the Maine woods. Do not forget, Frank, you are a trustee and must come to meetings regularly.

Bro. John Topke, former Advocate and former president of the Council's bowling league, is back in town, having been on the road for his firm for the past ten months. After a little vacation, John will again take up the duty of writing this column—I hope, I hope.

D. G. K. Burton Gear is spending his vacation in his boyhood town, Los Angeles, Calif., and should be able to take over his new duties with vim and vigor upon his return.

Tonight will be the only Council meeting during the month of August, so try and be present. Maybe you can help the scribe out by giving him some news. Read your notice for further particulars.

San Salvador Thanks Loyal Followers fo Recent Picnic Succe

2-4 Mon. . . . . 24 E. 114th P

The picnic of July 27 is now a thin the past, but there is one piece of n worth mentioning and that is about faithful follower from Blue Island Co cil, namely: Bill Creighton. Do the m bers of San Salvador know that Bill not missed a picnic in twenty-five ye That is a record for members of Salvador to shoot at. Bill, I think can shake hands with Bro. Jimmy lone as he also comes in that category

We also can report that P.G.K. schinski, of Pinta, was in attendance afternoon and it is with much regret while there he had the sad misfor of losing his thirteen-year-old son drowning in the Harvey. San Salv expresses its deepest sympathy to neighbor and friend in his recent bere ment. May his soul rest in peace.

I wonder how many of the brot have noticed the recent acquisition the Home Association, to wit: One j box. You can now enjoy your fav orchestra by inserting a nickel in the chine. Bros. Chas. Du Bois and E Hines see to it that you have the la records. Last Friday seemed like times in watching the brothers indulg their favorite pasttime, pinochle and like.

Brother Knights, the clubhouse yours to take advantage of. The H Assn. is interested in your comfort will be making improvements from to time to supply you with the com of home. Get up there once in a w to see that beaming counténance George Mason to greet you.

If any brothers are planning exte vacations, please drop Geo. Mason, canteen keeper, a card so we can i the news in The Columbian.

Last Friday, Buff Marcolini and Griffin called a bowling meeting fo 1941-42 season. From present indica we shall have a 20 team parish bo league. The league will bowl at the 28 alley Rose Bowl recreation ce

At our last meeting, our Chap Father Exler, announced that he have a planned program for the en year, details to be released later. next meeting, Aug. 11, will be an im ant one as the final report on the p and auto will be given. Make it business to be in attendance.

Ravenswood Asks Ea Member's Cooperat for Successful Y

1-3 Wed. . . . . 1521 Wilson

There is still nearly two weeks the next Ravenswood Council bu meeting, which leaves enough time to give some very serious conside to a plan or plans for increasin membership of our council. Each individually, should expend quite effort in order that we might ind least one Catholic man, not alre member, to join the Order. Our G. K., Michael Citti, is expectin wholehearted support in a memb drive. He not only is worthy of ou port, but he also is entitled to it.

DASHES

Dowling to Meet Next Tuesday for Only Aug. Session

2-4 Tues. . . . . 3625 So. Hoyne Ave.

Tuesday evening, Aug. 12, we will hold our August meeting at St. Maurice's Hall, 3625 S. Hoyne Ave. The meeting will start promptly at 8:30 p. m. We have only one meeting a month during July and August because of the hot weather and due to the long period between meetings there is plenty of business to transact that requires the attention of all members. Your officers are therefore not imposing too much by asking that you attend at least one of these meetings.

Our Lecturer has arranged for some refreshments to add to your comfort and he appeals to you to take advantage of the benefits provided and paid for by your council. He will also have our regular meeting feature consisting of three free awards. Set a date for this night with your council and enjoy a splendid evening.

POPULAR POET

You will remember some time ago I advised you of the fact that our council can boast of many things and now we have in our midst a poet in the person of our P.G.K. Bill Furlong. He wrote the Wexford Boy and the Grand Old Commodore which Commodore Barry Council published in part a short time ago giving our P.G.K. the honors. The poems are quite lengthy and would use much space, but I will copy his first one and when space allows we wil give you the long one and his pride, "The Grand Old Commodore."

THE WEXFORD BOY

(From Chicago Daily News 12-27-39)

(The scuttling of the Admiral Graf Spee emphasizes the more heroic traditions of our American Navy. Similarity of the Spee's battle conditions recalls the determined bravery of Commodore John Barry in the American Revolution when he encountered the British ships Atalanta and Trepassy, and as we are told in Furlong's epic lines):

At last his fortune wavered, doom was on his trail,
Trapped between two speedy foes, his ship could not outsail.
They raked him fore, they raked him aft, still on the deck he stood
Till a grape shot tore his shoulder and laid him in his blood.

Tenderly they took him up and carried him below
And in his bitter anguish he heard the cheering foe.
How goes the fight? he feebly asked. "We're lost," the hoarse reply.
John Barry lifted up his head, a blaze came in his eye.

Carry me up to the quarter deck, it's there my place should be,
Don't quit the fight, 'twill still be right, we'll yet win victory;
And so they did, and so it was, for on that famous day,
Two British ships hauled down their flags to the boy from Wexford Bay.

Our column is good for other things besides news, as I am informed by Rec. Gallagher that our column located our long lost friend Joe Roy. Thanks, Tom.

John A. (Bobby) Nolan, our former Warden and Trustee, has returned from a fine 10-day vacation up in the North Woods. His fishing was exceptionally good and he surely put on a coat of tan. He sends his regards.

Chester (Eddy) Nepyjwoda after six months in army training is now located at Flight G, A. C. R. D., Chanute Field, Ill. Chester knew many of our members and would appreciate a few lines from our members.

Our Recorder received a very fine letter of thanks from Father Theophane Goett, O.F.M., for a letter from Tom and for our little writeup in our column. His letter compliments our council very highly and advises Tom that he remembers our members daily in his Masses. As scribe of the council I am very thankful to Father and I am always ready and willing to insert any items our priests might wish.

"Grandpa" Tom Pransky just returned from a 10-day vacation. He was fishing in Northern Wisconsin. He enjoyed himself and is looking fine. He is a very proud grandpa. Baby was christened July 27th. Next year, Tom, you will have an extra guest on your vacation.

Dr. and Mrs. Roman C. Michels, our popular dentist, motored to Kenora, Canada, and through Minnesota. They left July 1st and stayed a month. They are now at home and Doc has laid away the fishing tackle for another year. Well, Doc, we should have some good vacation movies.

Bro. Jim Dougherty of the detective bureau took part in the recent Thrill Show sponsored by the Police and Firemen. Jim has a very enviable record as a detective for our city.

P.G.K. Earl Dunne is still expanding his business. He is enlarging his offices at 23rd and Cottage Grove. Best wishes Earl, for a continued success.

Well, brothers, your scribe goes on his vacation today and I am about ready to leave for Michigan, but if you have news send it to my office and it will be forwarded.

(Bring me back a long cool one, Dick, and I don't mean a muskie!—Ed.)

Auburn Park Begins Organization Work for Bowling League

2-4 Thurs. . . . . 7740 Emerald Ave.

At one of the recent meetings the subject of our council promoting its own bowling league was discussed and it was amazing the keen interest that was evidenced particularly by the younger members of the council most of whom are participating in the softball activities this year.

Our Deputy Grand Knight, John H. Coughlin, who is chairman of Athletics, assisted by Paul Byrne, manager of our softball team, are endeavoring to make the necessary arrangements as to the place of bowling and will report back at one of the future meetings. For a number of years our council team has been represented in the Clubhouse League, sponorsed by St. Leo Parish, and I believe we will have sufficient bowlers to have eight five-man teams.

The following members have already signified a willingness to bowl in the Council League during the coming fall and winter season: Brothers Paul Byrne, Mike Gorman, Walter Fox, John Walsh, Bud McCormick, Jas. McLellan, John Coughlin, Bob Murphy, Robt. Rettenbacher, Neil Houtsma, Chas. Connelly, James Sheil, John Trahey, Harry Cox, Bernard Goeing, Rocco Latesto, Tom Patterson, Chas. Kuhnert, Vinc. Callaghan, John Doherty, John Kelly, Walter Fulton, Justin McCarthy and Emanuel Budinger.

This is a very favorable start in the right direction and any of the brothers who may be interested are most welcome to join. It is not necessary to be a top-notch bowler, practically all of these younger members are just beginners. Get in touch with Brother John Coughlin and turn in your name, and as soon as full arrangements have been completed you will be given full details.

NOTICE OF COUNCIL MEETINGS

Just a reminder that there will be no council meeting on the second Thursday of August. The August meeting will be held on the third Thursday, August 21, at the clubhouse starting promptly at eight thirty o'clock. Begining with the month of September we will revert back to the second and fourth Thursdays, so the first meeting in September will be held on Thursday, September 11.

A new plan fostered by Treasurer Geo. Wrocklage is being devised in our council whereby the active members of our council will be assigned to districts right in their own neighborhood to act as a District Chairman. Each will have a list of six to eight members to contact from time to time. This plan will bring these chairmen in direct contact with all the membership, in the way of applications for membership, barbecue tickets and any activity sponsored by the council. Our Grand Knight has promised to soon make the announcement through this column of all appointed officers as well as these District Chairmen.

Our Chancellor Brother James Sheil has made the request that we keep the matter of the Blue Island Freight Traffic Department's first annual golf tournament before the membership. It will be on Sunday, August 17, at Indian Wood Country Club, 195th Street and Western Ave. (Sauk Trail) with golf, dinner and use of swimming pool for the entire day at $2.00 per person. Call Jimmie Sheil at Triangle 8608 any evening for reservations.

St. Joseph's Members to Assemble Thursday Evening for Meeting

1-3 Thurs. . . . 57th & Archer, Summit

There is to be a meeting this week on Thursday, Aug. 7, so perhaps there may be some news for next week's column.

We hear that Bro. Bill Maxa was on vacation which he spent in his private workshop at home, a well-fitted room for his particular hobby of carpentry, etc.

Bro. Martin Farentchak was inducted last week into the office of postmaster and the council extends its congratulations and best wishes for a successful administration.

Bro. Frank Foran is now building his own funeral home in the north end at 7300 Archer, and indications are that it will be an artistic addition to that end of town.

Father Fuerst, pastor of St. Joseph's Church in Summit, cordially invites everyone to attend the outdoor bazaar now in progress on the parish grounds at 56th and 73rd Ave., Summit.

St. Joseph's Church Holy Name Society invites all men of the parish to receive communion with them at 8 a. m. on Sunday, Aug. 10.

To any and all who helped in the recent aluminum drive is extended the thanks of Bro. Leo Kennedy, mayor of Summit, and the writer. While it first appeared somewhat disappointing, the final result was quite satisfactory. Special thanks are due to the local Boy Scouts.

Here's hoping you will all be at the meeting and that the "dry season for news" will be over this week. If you did not return your bowling card to Bro. Flaherty, do it now. At least say "yes" or "no."

Hen. Shields Asks Golf Reservations Be Sent In Early

Aug. 13 . . . . . 446 N. Parkside Ave.

Not being gifted with second sight, the chef at the Glendale Country Club would like to have some advance information on the number of people who expect to get fried chicken and porterhouse steaks at the council dinner at the Country Club on the evening of August 17th. He has no inclination to stop in the middle of dinner and go chasing chickens to supply unexpected guests.

To take care of this situation as much as possible, the Reservation Committee suggests that you 'phone any one of the following and advise them how many you will have in your party for the golf tournament: William Phelan, Harrison 1022, or Merrimac, 7477; Ray Cummins, Columbus, 0100; William Welsh, Ardmore 6994; James Ford, Mansfield 4140; Frank Daley, Columbus 9700, or Mansfield 8970.

All indications now point to a great day on the links and a great climax in the evening at the clubhouse party. Golfers may start teeing off at 10 a. m. and continue until 1 p. m. in order that all may be able to make their eighteen holes in time for dinner at 7 p. m.

HERE HE IS

By an odd circumstance, ten of the present officers of our council are former parishioners of St. Charles Borromeo parish located at Roosevelt Road and Cypress St. Among this select group, the name of Michael Hussey, our new Deputy Grand Knight, makes its appearance. It was a great parish and many fondly recall the days of Bishop Muldoon there.

Mike began his fraternal career by joining General James Shields Council in 1914, when it was meeting in Emmett Memorial Hall, and has retained his same council affiliations all these years. Besides keeping the same council connections he has also retained his original enthusiasm and interest in the council and its work, which isn't always the case, we are sorry to say, with a number of our members.

St. Charles school, where the good B.V.M.s pounded the tables and other odds and ends of education into his head, paved the way for St. Patrick's Academy and DePaul University and we understand he escaped from the latter place of learning without casualties.

Mike represented the Hurley Machine Co. in London and Europe from 1922 until 1938, when the war finished business in Europe for his firm. Returning to Chicago he entered the cotton business, which isn't so soft as some people may think. He married Rose Brennan in 1925 and they have a boy and a girl attending St. Thomas Aquinas School, where they are fast losing their English accent. The Husseys live at 4813 West End in St. Thomas Aquinas parish and Mike belongs to the Holy Name Society of this parish.

A delegate from our council to the Chicago Chapter for the last two years, his reports were always clear and concise and gave a good picture of the work of the Chicago Chapter. His selection as Deputy Grand Knight was made with unanimous approval by the entire council.

A friend of Mike's chimes in with the information that Mike is a good poker player, a good golfer, a good father and good husband and a wonderful host. We thought the same thing, but it sounds better from someone else. At any rate, we didn't make it up.

THE SOUNDING BOARD

P. G. K. Frank Daley, president of the Holy Name Society of St. Catherine of Siena, announces the annual Golf Outing of St. Catherine Holy Name will be held Wednesday, August 20, at the Maywood Golf Club, Mannheim Rd. and Madison St. A big program has been arranged for the day, the golfers starting at noon, and dinner to be served at 6:30 p. m. Joseph E. McCabe is chairman. Frank Daly is in charge of tickets, Frank Butler the dinner, Robert Kevil golf, and Edward O'Callaghan the awards.

Bill Cooney leaves this week-end for two weeks' golf and board at Tabor farm, taking his entire family along with the exception of "Pal," the family dog. "Pal," the poor guy, is being sent to the Parental School for the duration of the family vacation period.

Frank Hayes, Jr., has been called to army service and at this writing is stationed at Camp Grant. Which reminds us that Frank, Jr., was born on the day the U. S. declared war against Germany in the first World War. Good luck, Junior.

Tom Hosty and Jiggs Donoghue escaped the heat by taking a trip on the S.S. Seeanbee last Saturday when they set sail for a week's cruise to Buffalo. We will take all bets that they fill their berths better now than they did twenty years ago.

Ouilmette Will Hold Steak Fry Aug. 13 at Northwest Grove

2-4 Mon. . . . . 1215 Wilmette Ave.

We are happy to announce the time and place of the Council Steak Fry. The date is Wednesday, Aug. 13, and the place will be the Northwestern Golf Picnic Grove, just west of the clubhouse. The same place that the annual picnic was held this year.

Bro. Jos. Alten has made all the necessary arrangements and extends an invitation to all. Many of the brothers are planning to play a round of golf and if you are looking for a foursome or a partner, please contact Bro. Alten who will be only too happy to make the necessary arrangements. The menu will include corn on the cob.

The regular meeting for the month of August will be held next Monday, Aug. 11. Be sure to attend to get the reports on our annual picnic and golf events as well as a prospectus of the approaching Steak Fry.

Postcards will be mailed out shortly to all members with respect to the formation of the league for the coming bowling season, and all those desiring to participate are urged to report as early as possible.

Warden "Bud" Steffens is on his vacation in Kansas, while his father, Sgt. Steffens, is spending his time at Woodley Lake, Wis. Bro. Joe Lechner will also be unable to attend the Steak Fry as he intends to be away on his vacation at that time.

And now for a choice bit of news: It has been reported that Bro. Phil Bleser, of bowling fame, has been observed proudly displaying a large black bass, weighing five and one-half pounds, which he caught in Bluff Lake, Ill., last week. Possibly Bro. Phil will give us an account of how it was done at our next meeting, with gestures and sound effects. It seems that the council is about 75 percent fishermen at heart, and that a fishing contest of some form or other would be in order during the summer months.

Oak Park Anticipates Large Attendance Next Sunday for Tournament

2-4 Mon. . . . . 641 S. Scoville

Don't fail to "Golf on Sunday, August 10, with Oak Park Council at Maywood Golf Club." The committee has worked hard for this affair and it is up to the members to attend. There are two of the sports that predominate when the matter of good sportsmanship is considered; one is golf; the other bowling. This is not the bowling season so you have the chance to get in on the real healthy sport of golf, walking out across beautiful fairways and velvet putting greens.

A fine dinner will be served after the affair and the prizes will be awarded. The cost for this wonderful afternoon and evening is only $2.50. Tee-off will be at 12:30 on Sunday, August 10, at Maywood Golf Club, Mannheim Road and Harrison St.

Grand Knight Joseph P. Cagney announces the appointment of Rev. Father Loftus as chaplain. This announcement comes upon the return of Father Loftus from his vacation, a trip that took him to the west coast where he called upon some of the ex-Oak Parkers.

Brother Doane's son, Bob, is a sergeant at San Diego. Brother John F. Gearen's son, Jack, is in the same location. The navy is represented by Ed Faltysek's son, Ed. Jr., and Tom Murray's son, Tom, both of whom are home on furlough after some fine experiences. Brother Orr's son is now Lt. Orr of the army. He passed his flying instructions at the head of his class and is now at Langley Field. Our congratulations to these fine young men in their service to their country.

A very important item of news that we nearly forgot is the winning of the women's state tennis championship by Tom Steil's daughter. Our congratulations.

We notice that much of the news is made by the sons or daughters of members. How about getting these sons as members. Even in the Army this will aid them. The contacts that they will make on their leaves by getting in touch with local K. of C. Councils will be helpful.

A note from Mark Fitzgerald tells us that he is at Rock Island on a large building project, in charge of installation. We hate to have you so far away, Mark, but we wish you the best of luck in your work.

PGK Butler sends his best regards to all of the members from Washington, D. C., where he is assistant attorney general. His work has kept him pretty busy and with his traveling all over the country has left him little time for writing but he has kept the many friends of Oak Park Council in mind and confesses a little home-sickness to see them again. Best of luck, Charlie, and we hope that you will have a chance to be with us again in the near future.

To all members: There are five Sundays in August, so the 31st will be Communion Sunday. Read the Columbian for further details.

AMERICUS DREAMS UP WAY TO BEAT THE HEAT

2-4 Tues. . . . 3350 W. Jackson Blvd.

You know as well as I that we always get this kind of weather at this time of the year, and you also know that when it gets so (quote) hot you get crabby, so don't pick on me. With these few kind words your scribe gently closed the door leading to the kitchen and with a low rumbling of thunder or something coming from the rear of the house just sat back relaxed and let his thoughts wander back to the time he broke through the ice while skating at Douglas Park. What things to think about. Brrrr; get going Bro.

THANKS

From District Deputy Dr. John Murphy of East St. Louis comes a report on Bro. Frank Sattler at Scott Field Hospital. The report states his condition to be very favorable and that He will be able to leave there in about three weeks. The brothers at East St. Louis brought him cigarettes and offered their services in any way needed. Our thanks to the boys down East St. Louis way. A great bunch. Folks like that make life worth living.

It has just come to the attention of the writer that a sister of our Organist George Croke was called to her Eternal Reward last week, and at this time the Council offers its heart felt sympathy to the members of the bereaved family.

Brothers, if you know of any sickness, death or distress among our members or their families please get in touch with the Deputy Grand Knight, John Powers, 4147 Arthington St., Kedzie 0597.

SCOOPINGS OF THE SNOOPERS

A golden glover of 1908 recently arrived at the Bay View Inn, Twin Lakes, Wis., the home of former golden glover Bro. Bud Beyers; mother and baby doing fine. Pappy doing all right too.

Some of the brothers report saving money buying their gas and oil from Tony Di Tomaso at Ogden and Albany Ave. Air and water free too. Son of Bro. Mollan in the service of his country on his way to save the west coast, stationed at a camp in California. Good luck to young Herbert; hope he returns soon to join Americus.

Paging Mrs. Crawford! Fin. Sec'y Jack Crawford going around with a bum back, (not sore enough to keep him from collecting dues) claims he got it doing housework while on his vacation. How about it, Mrs. C.? To George Pokorny: Don't you think people get jealous when you brag so much about your grandchildren. To Chancellor P.G.K. John A. Cooke: We know you are a good lawyer and have a fine office at 139 N. Clark St., but how come you needed the help of two mechanics to solve a simple problem in mathematics. (Just a matter of a few feet.) The thundering of many hofs have been heard coming from the South. Is it really true that Father Sheltinga is bringing back the animals we mentioned last week? We shall see.

SOFTBALL VICTORIES

Last week our softball team won two games, beating Chicago 14 to 11 and St. Pat's 8 to 4. The games were featured by the heavy hitting of the boys in Purple and Gold, Leahy and Howlett (not the G.K.) each hit two home runs in the Chicago game, but the best work was done by "Drivethemin" Johnny Keenan who drove in five runs in the Chicago game and six out of the eight in the St. Pat's tussle; some hittinf, eh?

The attendance at the games was somewhat better. One female rooter at the Chicago game remembers rooting for Americus back in 1908 recalls such names in the lineup as Murphy, Dunigan, Walsh, Cornwall, McGlynn, Devine, Sullivan, Murray and a couple of Howletts. (Most of whom are still members). Ain't that something. Here's hoping that she will be out rooting for Americus thirty years from now. By the time you read this everything will be over but the finals, and here is hoping that we will be in there.

The sudden illness of his baby daughter shortened the vacation of Trustee P.G.K. Leo Joyce. At this writing the baby is reported much improved. If there is anything we can do Leo, just holler.

Mr. Editor: Somebody moved the G.K.'s home ten blocks west in the last issue of the Columbia. The correct address is 3110 Polk St. I did not say it was your fault. I have enough arguments now. Good night. (Me too!—Ed.)

Loyola Hyde Park to Feature 'Information Please' at Next Me

2-4 Thurs. . . . . 7435 Cottage Gr

As mentioned in last week's column our next meeting we will have a spe feature in which we ask you to bring any questions regarding the Order have puzzled you and let the officers swer them. It may be the A.A.L some of its workings or what is the pose of the Chicago Chapter or s question on the Barbecue that the cago Knights of Columbus run each y It may be in regard to the Fourth gree. Then, too, it may not be a q tion at all, it may be some pet peev something that is not run in the cou to your liking. The officers are anx to hear these things brought out on floor of the council and they will come the opportunity of explaining t so that you will know more definitely they are done or their purpose.

Don't feel that your question is fo or trivial, if it has caused you won ment it is neither foolish or trivial you can rest assured that the officers not consider it that way. Then, there may be another brother wh too bashful to ask the question that have in mind but would appreciate answer.

The officers feel that the better quainted the members are of every p of the Knights of Columbus, the b members they will be. Also come even if you do not have questions a are certain that many questions wi asked that will be very enlightenin you even though you may never considered the item. The officers e to cover every question as complete possible and they will obtain the co information and convey it later at a c cil meeting if it is some question they can't answer at the moment. be up to the August 14 meeting if at all possible—it will be the only m ing in August.

CONDOLENCE

Since writing the column for the four weeks, it seems that every we is our sad duty to report a death. week we were saddened by the nev the passing of James Norman Percy father of our Outside Guard Wi Percy. The father passed away on gust 2 at his home in Montreal, Ca at the ripe old age of 83 years. F was in Montreal. O. G. Percy was home in time to be with his father a time of death. To him we offer our cere condolence but we feel tha father had a great satisfaction in passing to know he was leaving beh monument to his work in the Chr character of his son. We all pray his soul may rest in peace.

A SCRIBE'S RAMBLING

P.G.K. Hermanns and family ar cationing at Yellowstone Park—we not heard of other vacations but like to. P.G.K. R. L. Judge is val pursuing his work as District Cha of the U.S.O. He attended a meeti St. James Council last week as als P. Costigan. We understand it was meeting.

At the next meeting, or at some ings in the very near future, we like to see some of the boys that ha been up very recently but used to regularly as for instance Davy I "Babbie" Hale, Pat Hynes, Vince E and Karin Rice. Also we would li see P.G.K. Murphy; we realize his at the plant in Michigan City keep busy but Dave, why not try to co for some meeting? The boys wou glad to see you.

During the past week G.K. Mc had his tonsils out—so now he "pain in the neck." He is recupe very favorably.

St. Cyr's Bowlers to Hold Special Meeting Monday

-3 Mon. . . . . 1609 N. Halsted St.

All you bowling enthusiasts are urged o be in attendance at a bowlers' meet-ng which will be held this coming Mon-ay night at Eli Bates' house. Teams re to be chosen, plans made for this oming winter's tournament, and other etails discussed. Many of you who have ot registered are undoubtedly planning o bowl. However, your name should be n the bowlers' roster by Monday night o that you may be placed on some team. egistration fee is $1 and $1.25 for each owling session. Be at the meeting. If ou cannot make it, give our bowling ecretary a call and have him put your ame on the roster. But, better still, be ere.

STORK STOPS

Your scribe wishes to present to you wo young men who have of late become oud, beaming, happy dads. First, Sam ron Richard) Lupo, Adams Knight stal-art, who last Saturday became the oud dad of a new baby boy, and Sam upo is today ignoring some of his pals o to date still haven't got a junior in e family. Cigars were presented to all e members at our last meeting.

We understand the baby is doing fine, d wife Jean is about the happiest girl out town. Congratulations, Sam and an. We're also happy about your new rival. Good luck to the three of you.

Anthony Ortolano is the other young n who's smoking big cigars. He is o the beaming dad of a baby boy ich tips the scales well over 8 pounds. ny, you undoubtedly recall, is the swift l bowling artist, and we understand m Tony that great preparation is now ng made for the future bowling cham-n of the world. Congratulations to t, Tony and Mrs. Ortolano.

SOFTBALL VICTORY

ast Thursday night St. Cyr's softball yers again whipped Brownson Council the overwhelming score of 13 to 4. ther Phil Piazza, a newcomer into ncil activities, again set the ball alling for a four sacker on two dif-nt occasions.

laying their 14th and final game of second round this past Thursday ht, St. Cyr went into that final game the only undefeated team in the ghts of Columbus league. Strong hit-, fielding and pitching and primarily peration between player and manager e accounted for the splendid showing ch our boys have thus far made. We sorry that we are unable to report results of this last and final game, we're all for the boys.

ast Monday night was officially desig-d as Joe Lucania night in honor of man who has done more to achieve honors of the century club than any r man in our council. A well-earned ory, the congratulations which Brother ania received were meant from the om of each and every one's heart.

n't forget the big fourth degree pic-which will be held at St. Paul's woods day, Aug. 24. In the next issue, and s succeeding, your scribe will pre-more details of this big affair. Tic-can be had from any fourth degree , and they're only selling for a ter. Make plans now to be in at-ance.

Pat's Urges Early tart in Membership Work for New Record

-Tues. . . . . 6 N. Hamlin

mong the councils cited for great bership gains for the year 1940-41 St. Patrick's, proving definitely that laurels are passed out for meritori-work our council will always receive hare.

hough we did not compare, statistic-ly with the endeavors of St. Francis St. Cyr, nevertheless we boasted an ciable gain, somewhat higher than preceding year. But that is now ry, so we have another campaign l and to this one we are asked to unrelentlessly.

s a not too difficult task to bring in ast one new candidate. Only two ' time is required to persuade a Catholic gentleman that his place nong the Knights of Columbus. fore, brother knights, let's get be-in this new drive with greater zeal ever before and put St. Patrick's ll with G.K. Tom Cregan at the right at the top of the "big show."

CUFF NOTES

O good friend, Arthur Maloney of the uad Club, has received a letter from Holmes who is now one of Uncle boys. The big statuesque blonde s has intimated in his missive that ll be glad to hear from any of the ers and will answer all mail. His ss: Pvt. Robt. Holmes, Co. A, 86th rng. Bat., Camp Roberts, Calif. Sit down today, friends, and cheer him up with a letter.

It was the first time since the beginning of man, as my worthy informant tells me, that the ladies did not forget to keep a secret. A gigantic birthday party was given in behalf of five members of the council. Individual gifts were given each and all in all they had one of the most pleasant surprises of their lives. To Ed Taglia, Sal Guinta, John Nolan, Geo. Altier, and Tony Palotta we extend anniversary greetings.

It's Grand-pappy Rox Latelle now. The czar of the bowling league was presented with a granddaughter by his son, Joe, whom we soon expect to land as a member of our council. All are getting along nicely. Congratulations, Rox, and good luck to the new arrival.

Again the misfortune that has dogged the life of Charles McFarland the past year, has again asserted itself. This time his son, Charles, Jr., en route to Canada with a group of Boy Scouts met with a near fatal accident that hospitalized all but one member of his entourage. Charles' injuries although not critical will force him to remain in a Coldwater, Michigan, hospital for a few more days at least. A speedy recovery to all the Scouts and a safe return home.

SOFTBALL

Closing the season against Chicago Council our tired and somewhat weary softball players are glad that the end has come. In games against Damen our team came out second best, losing 18-15. We might have won this game but for the curfew, the umpire calling the game in the last of the 7th with us in the midst of a rally. Then Americus took our measure in as spirited a game as we played all season. The score was 8-5. Again our slugger, John Clune, came through with another round-tripper, his seventh of the year. He is one boy that really has made us look good. In our next issue this scribe will give you full details of our final encounter against Chicago.

Gar. Moreno Will Lay Groundwork for Next Bowling Season Tues.

2-4 Tues. . . . . 155th & Lexington Ave.

Tuesday, Aug. 12, is the date of our next council meeting. Simon Ryan, president of the council bowling league, will preside over the annual election of bowling officers to be held that night and all members who plan to bowl this coming season should be present.

We know it's rather warm to bring up the subject of bowling, but this is a very important meeting, so it is urgent that all bowlers attend. The bowling league will start its 20th season in September, so you can see these officers must have ample time to put the league in shape.

Simon Ryan believes the progress of any organized group depends largely on a spirit of friendliness and good fellowship which can be developed by getting together and having a good time. For that reason he is making every effort to interest our members in the council bowling league. So mark your calendar for next Tuesday, and above all kindly make an honest effort to be present.

PICNIC NEWS

With no list of appointments from the C. D. of A. in regards to their picnic committees, we again give you the appointments by picnic chairman Francis De Mayo: Tickets, Romeo Begnoche; dancing, Marty McGee and Robert Bruce; treasurer, Alfred St. Aubin; beverage, Andy Curzydel; refreshments, G.K. John Mech; games, Joseph Dehnert; publicity, Alfred St. Aubin; contests, Joseph Reardon and Charles Wisell; house of mystery, Henry Hilgendorf and John Obernesser; Mickey Mouse, Henry Stein; cashier, Simon Ryan.

Ticket Chairman Romeo Begnoche, along with Louis Beaupre, Francis De Mayo and the scribe completed the work in regards to the tickets. You may have yours by this time but if we missed you kindly get in touch with Romeo Begnoche and he will be very happy to supply you. It is the earnest wish of Brother Begnoche that every member sell at least one book; those who want more can see him. Joseph Reardon and Chas. Wisell who have charge of the various contests appeal to the members to donate prizes. Most any kind of a prize will do for they have contests for the old and youngsters. They also will accept cash.

That book of tickets you have spells success for the picnic, if you sell it. It's so easy to cooperate, so let's all help.

THIS AND THAT

It is our sad task to report the death of the wife of Anthony Malito and the mother of Paul Malito. Words are hard to find that will express our sorrow in the passing of this wonderful mother. Garcia Moreno Council extends its sincere sympathy to the bereaved family in their great loss. May her soul rest in peace.

To Joseph Berschinski, P.G.K. of Pinta Council, Garcia Moreno Council extends its sincere sympathy in the recent and sudden death of his son, Joseph, Jr. A large delegation of members paid their respects.

From Le Roy, New York, comes a card from Peter Scanlon who with his wife is enjoying a vacation. Thanks for the card, Brother Scanlon. We hope your trip is an enjoyable one. Our chaplain, Rev. Father Renklewski, extends his utmost thanks to all for their help and cooperation in his parish bazaar that closed last Sunday. We assure our chaplain it was a real pleasure to assist him. Bud Holmes and family are on a vacation, but where we don't know. To Jack White, Hamilton Field, California, let's hear if you are getting your Columbian. Hello, son. We have other members in the Army, gang let's hear from all of you.

In closing may I again remind you bowlers that's it's bowlers' night next Tuesday eve. Let's hope our Lecturer remembers also!

St. Augustine Busy With Plans for Golf Tournament in Sept.

1-3 Mon. . . . . 5209 S. Justine St.

Golfers, get your shinnies ready and dust off those old golf balls that the kids have been kicking around, because we're going to have that council tournament after all.

The committee has worked feverishly in the past week to secure a date and place where we can gather once again and pelt the old apple around without any regard for old Mr. Par. Several places are in mind but none definitely selected as yet. After all, it's pretty hard to get a date right now, considering the late start. However, we will probably have something definite next week and you can plan on the first or third Sunday in September. So get busy and solicit some prizes. Anything will be accepted, and you can leave them at the clubhouse or bring them along to the next meeting.

ON THE CUFF

We met Frankie Gacek in a neighborhood soft-drink emporium the other day. Frank, you know, just returned from a vacation up north where men grow beards and the fish grow old—at least the fish that Frank went after will live to a ripe old age. However, he claimed he caught all the fish north of the Mason-Dixon line, and even showed photographs to prove it. But pictures are a dime a dozen at any fishing resort and lend no weight at all to any fisherman's yarn. Maybe we better have Henry Reiger make Frankie tell everyone about the one that got away, at the next meeting.

Also saw Bro. Frank Wagner at Babe McAvoy's last week, cooling his tonsils. Didn't recognize him till he wiped the suds off his nose and chin. Wonder how many of you guys recognized Nic ("Big Stoop") Thielman's picture in the roto-gravure section of last Sunday's Tribune. No caption accompanied the photo, but we could pick Nic's profile out of any group. Guess there is only one man in the Navy put together like Nic. You know he is an instructor at the Great Lakes Naval Station.

SICK AND DEAD—Not a very pleasant paragraph but very essential. By this time every member no doubt received in the mail a notice regarding members who are sick or have passed away. Please take heed and notify the proper officers in case you know of anyone in this category so that the council can act accordingly and as soon as possible.

DOLLAR DANCE — Don't make any dates for Saturday evening, Sept. 14. That is the night we're all going out to the shelter house in Ryan's Woods and make a success of that dance that's being run to raise sufficient funds to make it possible for St. Augustine Council to purchase a room in the new wing of the Mayslake Retreat House. Dancing and refreshments for one buck per copy. Bring your wife or girl friend.

Englewood to Outline Plans for Season at Next Meeting, Aug. 11

2-4 Mon. . . . . 150 W. 69th St.

Well here it is another week, the heat is still with us and news is rather scarce.

As you brothers know, the next meeting is Monday, August 11, and in preparation our Worthy G. K., Dick Phillips, called a special officers' meeting. It was held August 7 at the home of our G. K. and was attended by every officer. The program for the coming year was mapped out and will be outlined Monday night. Dick proved himself a genial host as well as a capable leader.

The response from the members now on the A. A. L. has been fairly good, we are informed by our Financial Secretary, but there is still room for improvement.

No news has been received on the doings of the softball team, so let us hope that no news is good news.

VIA THE GRAPEVINE

It is with deep regret that we hear of the illness of P. G. K. John S. Ryan, who is in St. Bernard's Hospital. Here's hoping you have a speedy recovery, John, and that you will be around again soon. Our Warden, Joe Kozac, sure has his ups and downs in life. He is an elevator operator in the 100 N. La Salle Bldg., but he has been having it easier now that John Loughnane is on his vacation. . . . Now that Frank Maguire is married maybe we'll see him more often at meetings. . . . Wonder where Roy Murphy has been all summer. . . . Brother Joe Hannapel sends greetings from Shipshewana, Ind., and P. G. K. John Loughnane from New York City. . . . The scribe will appreciate news concerning the activities of the members. Call Dorchester 6245.

In memoriam: Calling to mind some of the illustrious brothers who have passed to their eternal reward, we remember the anniversaries of the deaths this week of P. D. G. K. Doctor Raymond R. Harrington, August 5, 1925. . . . P. G. K. James B. Schevers, August 8, 1933. . . . George E. Brennan, August 8, 1928. . . . Thomas H. Costello, August 4, 1926. . . . May their souls rest in peace.

waged in the South Shore division where Neri and Santa Maria are about to slug it out in quest of the near-top spot.

A battle royal, with plenty of big league action, has also developed in the North Division where De Soto, Marquette, University and Brownson are all bunched in a slug-fest for the second place cup in their league.

SOCIAL PARTY

Co-chairman Ed Peterson and John McCoal are to be complimented upon the splendid program provided at Leo Clubhouse last Friday. A goodly sized turnout enjoyed themselves immensely. John Burke and Joe McGreal were crowned shuffle board champions while Riese Boyle took honors in the horseshoe pitching.

St. Paul Members Are Busy with Fly-Casting Around Northern Spots

1-3 Tues. . . . . 6713 Olmsted Ave.

Chancellor Geo. Ellwanger and his famous son-in-law, "Duke" Bilodeau, with their respective families have left for Thessalon, Ont., Canada, to spend their annual vacation fishing the great waters of our northern neighboring country. They will "cottage" on Georgian Bay, which is part of the waters of Lake Huron and in addition to fishing those waters, will try their lures on the fish in Lake Lazone and do some fly-casting for trout on Big Basswood Lake, via the rapids of the Mississaugane river.

Ray's nephew, Jimmy Egan, is a sergeant in the Canadian army billeted at Nova Scotia and plans on flying to meet Ray while on vacation. Ray's dad operates a pasteurizing plant at Thessalon, performing this service for all the farming community within a 60-mile radius of Thessalon. Incidentally, that plant is an exact duplicate of John McVeigh's dairy with which you should all be familiar.

Some years ago Ray's dad got the plans and specifications of the equipment from McVeigh and secured all the identical equipment used by McVeigh's. Aiso, this will be the first time that Ray's dad will see his first male grandchild bearing the Bilodeau name. All in all, this meeting should be one long to be remembered and we hope they will have a wonderful time.

Advocate Mart Perz has a broken toe. We can hardly believe the story surrounding this catastrophe and think that Matt had better tell it himself, so that the boys will get it straight. You know how these tales ravel themselves out when they once get going and having heard this one about eleventh handed we would be somewhat fearful that the way we got it wasn't much like the original.

Dan Kelly also has to report a broken little finger on his right hand. This can be explained quite satisfactorily because Dan belongs to the council softball team where such mishaps frequently occur.

Bud Suerth has the nomination for lieutenant governor of Kiwanis for the state of Illinois. As Bud, himself, would say, "This is only the nomination—I ain't elected yet." We don't know how they could fail to elect Bud after getting his permission to place his name in nomination because getting his consent is more difficult than getting him elected.

Dr. John Lally, Jr., is reported ill with pneumonia. He is recuperating at the Lally summer home on Fox Lake. The members will recall that Bro. Lally recovered from a serious illness this last winter and we sincerely hope that he will recuperate swiftly and, further, that this will be his last "siege" for a long-long time.

Andy Krein became a grandpa for the first time recently, and we are indeed sorry to report that the expected happiness of this event was short lived, for the grandchild died within a few days of birth.

CHICAGO PICKS GOLF DATE NEXT MEETING

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council No. 182 meets next Tuesday evening (Aug. 12) in the DePaul University Building, 64 East Lake St. This is the only meeting during the month of August.

The annual Chicago Council golf tournament date will be decided upon at this meeting. As was announced in last week's Columbian, Chairman Bill Brogan had decided upon White Pines Golf Club, just beyond York Rd. and south of Irving Park Rd. But he was leaving it up to the council members to decide when they wanted to get together. Chairman Brogan, by the way, will be absent from the meeting as it would be too much of a hop to come in from Sugar Island where he and his family are vacationing.

Lecturer Charles Schroeder will present two gorgeous color movies under the auspices of the Burlington Rd. One covers the beautiful Rocky Mountain National Park and the Pikes Peak region. The other takes us through Glacier Park and, boy, take it from one who has been there, these films are going to give you a grand eyeful. Incidentally, we have a hunch that the evening will be cool and our Lecturer also says there will be some "refreshments."

A TOUGH JOB

Anybody who has ever served his council as Lecturer will tell you that it is about the most difficult office to fill successfully. In the good old days before radio, before automobiles and movies became too common, our entertainment tastes were fairly easy to satisfy, but even then a Lecturer had to have plenty of originality in his make-up to satisfy everybody.

So Charley Schroeder is starting out on his none-too-easy job as Lecturer. He wants to do his job to the satisfaction of all who attend meetings. And it would be a compliment to him if you would come down next Tuesday night and give him a good send-off. He has a good program for the year. He will probably divulge some of his plans Tuesday evening.

SICK LIST

The report of Bro. Lawrence Ryan, our No. 1 one-man visiting committee, is progress itself. Bro. Ryan says that our former Warden, Bro. John Powers, is down in Washington, D. C., visiting with his sister and expects to return home after Labor Day. John will be right convenient in case the government needs a bit of help, new ideas, etc.

And Billie Serritella has gone for a vacation visit with some friends in one of our southwest suburbs, his doctor also taking a few days off. Ed O'Connor, also, is doing nicely—at home. Doing as the doctor says.

Our Financial Secretary, Nicholas J. Reuland, had a visit from Mrs. Dennis E. McGrath one day last week. She was recently a patient in the hospital and during her absence, Dennis himself had to get sick, too. But now they are both fine and fit again.

CONDOLENCE

Mrs. Emily Hemming Goodwillie, mother of our Bro. Charles F. Goodwillie, Jr., was called to her eternal reward last week-end. The funeral took place last Wednesday morning with solemn requiem High Mass at the Church of Our Lady of Mount Carmel, followed by interment at Calvary. To Bro. Goodwillie and to his brothers and sisters, Chicago Council extends a message of sincere sympathy and we unite our prayers with those of the bereaved family for the repose of her soul. May she rest in peace.

Blue Island Hopes for Large Crowd at Golf Meet Aug. 24

1-3 Tues. . . Gregory & New, Blue Island

Time again for the column and I'll try and make something of interest for our readers. Let me see, now, what comes first. The golf tournament to be held at Glen Eagles golf course on Sunday, Aug. 24, may interest some. The tee-off time has been set for 12:30 sharp. The lads and lassies turned out very well for the last one, in July, so the committee hopes that the golfers and their friends do so again. The tag of $1.75 includes golf, refreshments and prizes. You can't go wrong, fellas, so make sure you have a party for the day. The way that the scribe is perfecting his game, the two winners of last month better be good.

The council will again have a booth at the Legion carnival and it will be manned by the officers (I hope). While we are on the subject, the bowlers will have a booth also and that way the entire membership can spend the evening going from one booth to another. Congrats to Brother Bill Creighton upon his election to the office of commander of Legion Post No. 50 of Blue Island. The same to Brother Maurice Dalton, who was elected to the senior vice-commander office of the same post.

What is this I hear about one Art Schnueman winding up last in the pie-eating derby held by the Beverly Business Men? The dope came from one who should know. . . . What became of the two Mies lads? Why not drop around and see us? Took a gander at one of the Peoria Rockets last Monday and saw Frank Boyd and Nick Lorang comparing watches. It seems that the Rockets are manned by Blue Island knights, with Hans Hansen on the opposite trick of the two mentioned above. . . . This for a short hello going to Ted Scott at Peoria and Mark Quinn, Emmett Koogan and others down at the other end. Very happy to say that Tom Hannon is back at work again. What was the reason for the big celebration at The Barn last week? Maybe Hook Blouin could answer that one for us. Something about a birthday.

To date the sick committee has not seen to it that the scribe receives any info regarding the sick of the council. The list still contains the names of Brothers Heffron, Rack and Harmon. The members are asked to drop a card to Brother Rack at the Hines Hospital, Ward G-201, Hines, Ill.

We are very sorry to report the death of the brother of PGK Dr. Rowland, who died last week, and also the death of the daughter of Brother Traynick, who died last Sunday. May their souls rest in peace.

O'Connell's Picnic Is Sunday at St. Paul's Park in Morton Grove

2 & 4 Tues. . . . . Hill & Franklin

Yessir, members, Sunday's the big picnic. (That's Sunday, Aug. 10.) The place, St. Paul's Park in Morton Grove. The time, any time after 9 o'clock in the morning. Bros. Vic Bonano, Joseph Tontillo and John Cassato are the committee in charge of posting signs. All you have to do is find your way to Dempster street and Lincoln avenue in Morton Grove and you can't miss the place.

There are any number of ways you can get there. Take Milwaukee avenue to Dempster and turn right, cross the C. & N. W. railroad tracks and there you are at the grove! If you don't have a car, take the street car to the elevated station at Western avenue near Lawrence, where you can get a bus at regular intervals for Morton Grove and our picnic.

Once you're there, you'll be finding something happening every minute. I have been most reliably informed that no matter what your tastes may me, whether sweet or otherwise, we'll have it. The only thing we won't have will be lunch. As has been customary in the past, each group will bring its own lunch.

Our motto is: "You come out, bring your own lunch and we'll supply all the rest of the details free." There will be all kinds of refreshments, games, races and contests. Of course we urge the men to oil all their rheumatic joints for that baseball classic of the year, "Married Men vs. Single Men." What a fiasco that turns out to be. Last year the game started at one o'clock and was called at seven because of (?) mosquitos.

Men over two hundred pounds will feature a race of their own. Ladies over two hundred pounds. (Excuse me, there ain't none.) We can't regulate the ladies' races by either weight or age, so I guess they'll have to play games. You'll have a lot of fun watching the kiddies though. They really supply the thrills for any picnic. We ask each member to get there as early as possible so that we can enjoy a full day of fun and chatter with our old and new friends.

Your council has purchased a new Hectograph duplicating outfit, and from time to time during the year you will be amused as well as informed of council activities in a new style. The machine was not an expensive one, but it will provide you with interesting caricature sketches, as well as captioned drawings of what happened, and what's going to happen. The idea which I tried on the post cards failed in its purpose only because of the lack of the proper utensils. Therefore the purchase of the new machine was made. When you see what it can do, you'll be amazed.

Ridge Membership to Trek to Momence for Picnic This Sunday

1-3 Tues. . . . . 8219 S. Halsted St.

Have you laid out the old soft shoes, and the oldest slack suit? This coming Sunday, August 10, is the day of Ridge Council's monthly outing, to be held at Momence, Illinois. Invite your friends to come out with you and enjoy a day of fun and frolic, so pack that basket full of lunch and prepare to spend the day with us. Liquid refreshments will be taken care of at the picnic ground, so bring your own glass, and you won't have to drink out of an old shoe.

Due to the absence of our D.D. Jerry Sheehan, our formal installation was dispensed with at our last meeting, but this ceremony will take place at our meeting of the third Tuesday of September. Make your plans accordingly and come up and give the officers a big hand on that night, and every meeting thereafter.

There will be a meeting of the captains of the bowling teams in the near future to make plans for the coming season. Watch this column for the exact date.

VACATION NEWS

D.G.K. Frank McGlinn has sent his wife to St. Louis and his daughter to Paw Paw, Mich., for a few weeks' vacation. Those blondes better watch out now, with Speedy on the loose.

Brother George Zellar and his family are back in town after a motor trip through Arkansas.

Did not even receive a comic postcard from George Fitterer, who is vacationing with his family at Flint Lake, Valparaiso Indiana.

James Landgraff is back from a month's vacation in Sunny California. He says that $2.00 a week gag din't work. He could not leave the bevo alone.

G.K. Ray Hallstein and his family will vacation in Paw Paw, Mich., the last two weeks in August.

CONDOLENCE: The officers and members of Ridge Council sympathize with Brother Edwin Rowland and family in the loss of his brother who died Tuesday, July 29. May his soul rest in peace.

Don't forget our next meeting, Tuesday, August 19.

Santa Maria to Hold Final Summer Meet Thursday, August 21st

2-4 Thurs. . . . . 9020 Commercial

The next regular meeting of Santa Maria Council will be held on Thursday Aug. 21. Grand Knight Joseph Koma will preside for the first time in his official capacity as newly-elected Grand Knight. This coming meeting will be the last of the summer meetings. After this we will go back to the regular schedule of two meetings per month on the first and third Thursdays.

Financial Secretary John Crowe wants to take the opportunity to remind the members to get caught up on their dues. Secy. Crowe suggests members form the habit of paying their dues each month rather than letting the sum mount up until it reaches proportions it is difficult to do anything about. Bro. Crowe is always glad to accept dues through the mail if you can't make the meeting nights to pay them personally.

Deputy Grand Knight William Jakse who by virtue of his office has been appointed chairman of the membership committee, says he will soon have his committee organized to put on an extended drive to increase the membership of our council.

NOTES

The vacationing Nashes, P.G.K. Gordon and Bro. James and their wives, and Bro. Walter Kane and Mrs. Kane, have returned from Eagle River, Wisc., where they spent the last two weeks. Gordon Nash and wife stayed at Ed McCabe's lodge, while the other quartet had a cottage across the lake from them.

P.G.K. Albert Schott, and wife, have returned from Bass Lake, Ind. Where are those fish you promised us?

Mrs. Minnie McNulty, the wife of Bro. James McNulty, is reported being critically ill.

The Neville families have rented a home for the month of August at Grand Beach, Mich. Bros. William and James have been commuting between there and here for their various businesses.

The council was grieved to learn of the death of Bro. Mike Marco's father, who recently passed away. May his soul rest in peace.

passing we wish to express the singratitude of the entire council to ner Pete Kandel, retiring president. aintaining this organization as a unit eSoto and directing its development ne of the finest organizations of its in the Knights of Columbus. Incilly, the members of the chorus wish tend to Pete their appreciation for splendid party offered them recently te's summer home. They all verify ving enjoyed a grand day.

BOWLING

Arangements are fast approaching mpletion for the opening of the 1941-42 hule of DeSoto Council's bowling ue, which is set for some time around iddle of September. The league will at Marigold Gardens, 817 W. Grace modern air-conditioned establishhaving thirty-two alleys on one which will be completely set apart DeSoto's league on each Tuesday during the current season.

President Harvey Dohm presided at a ting of officers and directors as well am captains of the league on last ay, Aug. 5. The meeting was well led and much was accomplished. I say that all bowlers should notify team captains immediately as to er or not they intend to bowl, as ague will be reduced in the number ams from thirty-six to thirty-two, the fact that facilities will permit hirty-two teams to bowl. Naturally, if you wait until the last minute it is very possible that the teams will have a full quota and you will be left on the proverbial limb.

The same is true regarding sponsors; it is suggested that they immediately notify Brother Dohm as to what their intentions may be insofar as a sponsorship is concerned. Both bowlers and sponsors can contact Harvey at 1311 Hood St. or by telephone at Sheldrake 1180.

Gen. Sherman Officers Plan Council Program at Special Meet Tues.

1-3 Tues. . . . . 4306 North Ave.

Grand Knight Bert Welker has announced a special meeting of all officers of General Sherman Council to be held at his residence, 1645 North Latrobe avenue, on Tuesday evening, Aug. 12, 8:30 p. m. All officers are requested to attend.

Next regular meeting of the Council is on Tuesday, Aug. 19. Let's all attend and bring those applications you fellows are holding in your other suit. You lucky fellows! I've only got one. You know a transfer or a reinstatement will also help swell the membership of our council, so let's get them in now.

HERE AND THERE

Imagine Joe Foy eating an ice cream cone! No fooling, I've seen it with my own eyes. Who is this little tonsorial artist who rides around in a chauffeur driven car? 'Tis none other than our barber friend, Tony Cirone, the up and coming bowler and sponsor. Me thinks Tony's trying to keep up with his running mate, Nuncio Raimondi, and his new maroon Studebaker.

Have just heard that "Big Feet" Bob Shawfrank pulled a fast one on the boys and has joined his fellow sufferers in matrimony. The ceremony was performed on June 22 with Brother Tony Ficht officiating as best man. The couple spent their honeymoon at Eagle River, Wis. Congratulations, Bob and Florence.

A little news about one of the old timers. Past Grand Knight John Janninck and family spent their vacation riding in air conditioned busses visiting friends in Detroit, Pontiac and Royal Oak where they attended Mass celebrated by the Rev. Chas. E. Coughlin at the Shrine of the Little Flower.

Joe Deisenroth is spending his vacation around his new greenhouse. Hope it's cool there, Joe. George Lindenschmidt is using his vacation time fixing his garage up. Going to win that Chevrolet, George? Mr. and Mrs. Anthony Ficht are leaving for the Smoky Mountains, Tennessee, about Aug. 15. "Lucky people." Don't forget to drop a card to yours truly, Frank Mootz, Keeler and Cortland street. Spa. 9497. More next week.

Cold water should be used for soaking dishes in which egg, milk, sugar, or starch have been cooked.

Madonna 'Daisy' Won't Tell Party When or Where's

(And from the directions he gives us we're just as glad.—Ed.

2-4 Fri. . . . . 4624 Emerald Ave.

Wasn't the heat terrible? It dried up so much of the ink in last week's column that we hardly recognized it when we laid our innocent peepers on it. In fact if you took out everything between the parenthesis, there'd be nothing left but the weather report. We're going to send his nibs a pinking shears to kill the monotony of it all.

(In our day we've been accused of cutting just about everything as ever was, but today we had to go ask the blonde across the hall what a "pinking" was and why the special shears. If what we were told is true, this fellow Donegan is hiding a past that's not too bright. If somebody—postal authorities, please skip —will give us anything less than ten years we'd like to run it down.—Ed.)

Didn't we get a nice headline though? Somehow it puts us in mind of a quotation from Shakespeare's "Romeo and Juliet" or was it Abbot and Costello? Quote: "Foolish names are like their faces—always seen in public places." Unquote. (We may be stinky, but we're modest—or is that WHY we're modest?) (That's what WE call taking the words out of our mouth—but what do you think of this week's model? Don't answer that!—ED.)

RESULTS (OH, YEAH?—ED.)

Is what we got when we slipped 'em the old blank, blank business about the summer dance. Marty Morrison dripped apologies so badly we hadda put the 'phone in the dishpan an' dodge every time he started a new sentence.

"I thought I gave ya everything on tha dance, dope," walls Marty.

"Ya didn't" we hisses, "an' besides that, comma is in the wrong place."

"Didn't I tell ya the bids were two bucks, and only a buck fifty if ya get it in before the sixteenth?" asks M.

"No!" we screeches.

"An' didn't I tell ya Joe McInerny's orchestra wuz goin' to play—an' that ginger ale, ice and glasses with free fingerprints, would only cost six-bits?" orates Marty.

"No-o-o-o!" we no-ed.

"You are a big fibber," says the Morrison, "'cause we just told you. When you die you will go where ice machines are an absolute necessity." Watinell are you going to do with a guy like that?

He is springing a new one this year. The ducats which cost two rockers at the door will only cost one and a half if you settle up before the night of the dance. It is a good selling point and with higher cost of living and taxes, that half a buck will buy you a good cigarette.

("Tickets," he says, not mentioning any names, "are two bucks at the door, $1.50 if you order them before the 16th; Joe McInerny's orchestra will play." Now all he has to tell us is when and where it is gonig to be. Oh, well, maybe his past is catching up with him. Gee, I wish I could.—Ed.)

NO DOPE

There is no news on the softball team. Last week after a tough battle in which two of the boys twisted their ankles and another broke a shoestring, the team won on a forfeit. Last Tuesday night we played Quigley, and last night (Thursday, Aug. 7) Leo's team was the opponents. Winning either game will put the team into the finals and a crack at the title. We are pretty sure they will—What?—We what?—Well, howinell can we give you the scores when the games were not even played when this was written. What do you think we are? Don't answer that

NEXT MEETING

Believe it or not, will be held on Friday evening, Aug. 22, at Madonna clubhouse. To each member present before the opening of the meeting will be given a book of ten free passes to the Century of Progress.

Several important things will be taken up at this meeting; first, we gotta take up the rugs and beat them, and then—

Here's new for Madonna golf hounds. On Sunday, Aug. 24, Steve Golden, West Kenwood's prominent interior decorator, will hold a tournament at Glen Eagles Country Club (some day we're gona remember where we heard that). Cost $3.00.

La Rabida Hears News from Brother Knight in Uncle Sam's Forces

2-4 Tues. . . . . 6236 Princeton Ave.

We received a letter from Bro. Pat. H. Skerrett from Camp Roberts, Calif., last week and hand it on to you now:

"Hello, Fellows. I thought you would like to hear what becomes of a chap when he is inducted into the Army, and while he is there.

"They sent us out to sunny California where the sun is hot and the nights are cold. We have to sleep with two blankets on and during the day it is about 120 in the shade. We are just hitting the hay good when the old bugle blows, 'we can't get him up,' and no wonder it can't get us up as it is only four-forty in the morning!

"After eating we go out to drill, and after we drill a while we take physical exercise and then go on a four-mile hike, then back for instruction on the guns. Afterwards we are ready to eat again.

"In the afternoon we go out on the range and do a little shooting; we have rifle, pistol, hand grenade and machine gun practice. I still can shoot pretty good. There are fifteen of the boys from Chicago, and we all left camp last night to pay a visit to the town of Pasa Robles which is fifteen miles away. We made some of the town's high spots and it reminded me of the old days in Chicago.

"These are the high lights, and if any of the fellows are coming out this way on their vacation I would like to have them stop in and say hello. Wishing you all the best of luck, I am, Pvt. Pat. H. Skerrett."

Drop Pat a line, he'll be glad to hear from you.

VACATION NEWS

Well, your scribe did not catch the fish he went to North Woods for, so no fish dinner. G.K. John Farrell reports it is very hot up at Sister Lakes, and Owen Duncan kept his head under water when they went swimming so he wouldn't get his shiny spot burned.

Your scribe would like to hear from J. Conway and J. Cleary who are in the Army down South.

Next meeting Tuesday night, August 12, 8:30 o'clock sharp.

Genoa Hard at Work on Success of Golf Tournament and Dinner Aug. 17

1-3 Mon. . . 7439 Cottage Grove Ave.

A special meeting of Genoa Council was called by Grand Knight Robert Standler last Monday in order to push to success the Annual Golf Day scheduled for August 17 at Glen Eagles Country Club. Reports from the various committees seemed quite optimistic and without doubt this occasion augurs well to be the largest social event in the history of Genoa Council.

P.G.K. James F. Riley, Jr., and D.G.K. William Hanney, co-chairmen of the Ticket Committee, have been working diligently on the disposition of tickets. Their thought however is that the tickets should be distributed by the members receiving them. Publicize the event and tell your friends and neighbors what past Golf Days have been. Remember this Golf Day, August 17, is about a month prior to all our previous events and many will plan on it being after Labor Day. We therefore ask that you make your tickets tell the story and bring forcibly home the fact that the date is August 17, Sunday.

In the last issue of the Columbian, your scribe made a mistake in the price. The correct price is $2.50 per person for golf, locker, entertainment, refreshments and dinner together with dancing in the evening and only $1.50 for the golf alone or the evening dinner, entertainment and dancing. It is hoped though that each member will come to spend the entire day. Make this your big day of the year.

LADIES INVITED

Remember, as in previous years, the women are welcome both for the golf and for the rest of the entertainment. If they do not care to play golf and wish to play cards in the afternoon they may do so. Every member is earnestly requested to bring his wife or sweetheart as the case may be.

The following men have been placed on the Ticket Committee: D.G.K. William Hanney and P.G.K. James F. Riley, Jr., co-chairmen, the members being Bros. Frank Thompson, Bill Condon, Gerald Getty, Clem Hand, Wm. Morrissey, Jack Sweeney, Carleton Williams and Major Earl V. Cates.

The Prize Committee is composed of Marty O'Brien and Frank Gorey, co-chairmen, Bros. Mike Cullen, Ed Carroll, Frank Thompson, Jack McSherry, Mike Reardon, Tom McFadden, Dick Yelm. The Reception Committee is composed of P.G.K.s Harry Dorigan, Thomas W. Moore, Thomas F. Reilly, Frank McGillen and James F. Riley, Jr.

The Arrangements Committee is headed by Chancellor Leo Schiavone, Leroy McMahon, John Powers and Ben O'Neill. The Ground Committee is headed by Lecturer James Hynan, John McQuillen, Phil Jordan and Bill Santino. The Publicity Committee is under the direction of Advocate and Scribe Francis X. Poynton and Tom Murphy.

The Refreshment Committee, which is usually considered a most important adjunct of any successful affair of this kind is headed by James Meehan, Tom Ryan, Tom McSweeney and Ed McCann.

The officers of Genoa Council were the guests of Mr. and Mrs. Michael F. Mulcahy last Saturday at their summer home at Beverly Shores. A most delightful and entertaining day was enjoyed by all. The officers take this opportunity to express again their satisfaction and pleasure for the splendid day spent with their host and hostess.

Hughes Prepares for Happy Crowd at Golf Outing

1-3 Tuesday.....4711 W. Madison St.

The torrid temperatures of the last part of July and even the first days of this month have made it pretty tough going, but near the lake cooling breezes have helped, and also out west of the city limits it has been refreshingly pleasant. In fact, even last Sunday at St. Andrew's Golf Club, we are told, it was most comfortable. And this Sunday, August 10, Hughes Council sponsors its Ladies' Day Golf Tournament at St. Andrew's, with the two 18-hole courses available for play.

The fairways are in excellent condition, the greens in prime shape, and those of you who have played St. Andrew's before know it to be a sporty course with many interesting holes. Chairman Tom McDonnell is counting on the 100 per cent cooperation of his entire Golf comittee—and it is a large one—to bring out a fine group, both ladies and gentlemen, and there will be mementoes for the fair sex. As previously published, $1.50 covers the entire day of golf and refreshments. Play 36 holes if you like. There will be a chicken and/or steak dinner in the evening, $1.25 per plate. Thus for less than three bucks you can have a glorious day at one of the district's best golf courses. Come early and play as long as you wish. There will be other divertisements for those who do not care to play golf. See you at St. Andrew's next Sunday. Drive out North Avenue (Route 64), just following the signs to the club gate.

REQUIESCAT IN PACE

Regret to chronicle the passing of Mrs. Angelina LaRocca, mother of Bro. P. J. (Red) LaRocca, sister of P. G. K. Dr. Louis Postilion and Bro. Joe Postilion. A goodly delegation attended the wake at the late residence, 1718 Taft Ave., Berkeley, Ill., on last Friday. The funeral was held on Saturday morning Aug. 2. May her soul rest in peace.

COUNCIL ITEMS

The Dorothy O'Brien-Rollie Howlett nuptials at Lady of Sorrows Church on July 26 was a very happy occasion and the young couple had a delightful wedding trip, with Rollie promising to be back in the Hughes softball line-up very soon. How about that, Dottie?

The Mabelle Sauer-Frank Linskey wedding on Saturday last at Queen of Angels, nuptial Mass at 10 a. m., was very elaborate, with a superb reception in the Edgewater Beach hotel later in the day, and a number of Hughesites were in attendance, notably Bro. and Mrs. Elmo Ward, the G. K. and First Lady of Hughes, G. K. and Mrs. George N. Daly, Treas. and Mrs. Charles A. O'Malley, et al.

A Requiem Mass was sung on Saturday, August 2, for the late Mrs. Grace Postilion, spouse of the P. G. K., in St. Mel's Church. August 3 was the third anniversary of her passing.

Monday, August 4, was the wedding anniversary of Bro. and Mrs. Elmo L. Ward and it is said that the occasion was fittingly commemorated. On August 5, Bro. and Mrs. Al Korbel celebrated their wedding anniversary—and we are not saying which anniversary it was for either couple, merely felicitations to these happy young people.

Asst. Warden Bernard (Mickey) Dailey, the proud pappy, is a fullfledged bluecoat—a fine broth of a lad he is, too, in his policeman's uniform, and you better have just the right inflection when you address Officer Dailey.

Past Lecturer Joe Ryan is a better than a one-good-deed-a-day man. Recently Joe stopped his car, got out and assisted three blind people across a busy thoroughfare, then his companion asked if that action could be credited on Joe's boy scout card. Joe does a lot of fine things without any fanfare.

This is an ardent wish that Mrs. Blanche Lavery, sister of Bros. Tom and Mickey Dailey, will be entirely recovered from her illness by the time this reaches print.

LAST MEETING

G. K. George N. Daly conducted a snappy session on Tuesday, Aug. 5, and committees reported fully on current activities. The G. K. also emphasized that the officers should return the card sent to them covering the special meeting of Aug. 12. Committee chairmen are urged to be present for this meeting. A definite reply is essential so that proper arrangements may be made to accommodate those who do attend. In case when you read this you have not used the reply card sent to you to indicate whether or not you will attend the Special Officers' meeting on Aug. 12, please telephone or communicate by other means with G. K. George Daly, 625 S. Crawford, at once.

G. K. Daly has released additional appointments, notably Fourth Degree Committee, Elmo L. Ward, chairman; Blood Donor Committee, Arthur Carroll, chairman; Membership Committee, Martin Heneghan and James Bina, co-chairmen. More appointments, additional to those previously published, will be announced later.

HUGHES SOFTBALL CHAMPS

Hughes Council cinched the championship of the Far West Division in the K. of C. Softball League last week as a wedding gift to Mgr. Frank Linskey. The boys knocked off their stout rivals, Barry, 9 to 5, and then when Carroll forfeited, the boys scraped up a team of old-timers and whipped Carroll in a rollicking contest with G. K. Daly doing the hurling.

Mgr. O'Malley is not given to boasting, but hopes to see Hughes stay on top while the team makes a formidable bid to retain the Citywide Championship won last year. Hughes' outfield has drawn plaudits from others besides the manager, for Joe Garvey, Bob Bergeron and Dan Brown are as good a combination as one could ask. Dan Brown, the center fielder, has been playing bang-up ball. Formerly star of an outstanding Lane Tech nine some years ago, he is displaying the same qualities which won him leadership then—exemplary team spirit, the old ginger, a pat on the back for his fellow players, plenty of punch at the plate and starring defensively. In the Carroll game he accumulated three hits and knocked a double and triple in the pinches against LaFayette. It may be that Dan is inspired by his vivacious wife, Georgia, who is a rabid fan and knows what it is all about.

When out motoring, make it a practice to stop for gasoline at Bro. Martin Cordon's service station, Harlem and Division, southeast corner. Or there is Bro. P. (Red) LaRocca, who has a super-service station at 5707 St. Charles Road, Berkley, Ill., so when you are out touring on the west side of the city be sure to pay them a call.

Damen Softball Squad Hopes to Push Winning Streak Past Final Game

1-3 Thursday.....6 No. Hamlin Ave.

The Damen softball team under the able guidance of acting manager Wm. Crowley, has won the last four games and has not tasted defeat in the final round of play. The final game of the season will be played next Thursday against St. Francis, the division champions.

That long awaited Council golf tournament is soon to become a reality. The date has been selected (first Sunday after Labor Day), the only stumbling block remaining is the site, but that is only secondary and will be taken care of shortly (we hope).

Due to a slight error the next Council meeting was reported to be Aug. 14. That, brothers, is a grave mistake, the correct date is Aug. 21. So please change your plans or you will find yourself a guest at St. Francis Council's meeting.

Parke Brown reports he can still use a few more members in the Blood Donors Group. Anyone interested should phone Haymarket 4112 for full instructions.

Our worthy G. K. John Caulfield has returned from his Hollywood vacation and is all set to put his slogan to work—"A bigger and better Damen Council in 1941."

Council condolence is hereby given to Bro. Wm. Butler, Sr., in the loss of his beloved wife, and to Wm. Butler, Jr., in the loss of a devoted mother who passed away to her eternal reward last week. Funeral from McMahon's Chapel to Resurrection Church, thence to Calvary. We also wish to report the death of an aunt of Frank Mastro's who passed away last week. May their souls rest in peace.

We are sorry to hear that John Gorman's mother is very ill at St. Ann's Hospital. Hope she recovers real soon.

John T. McEnery and John Coffey, two of Damen's greatest Past Grand Knights, are still confined to their respective homes. Why not pay them a cheerful visit.

Pinta Members Agree That Charity Ball Is Best News in Months

1-3 Thurs. . . St. Mary's, Riverdale

Many members of Pinta Council have noticed in The Columbian that the Chicago Chapter Charity Balls are to be resumed. This event has always been a treat to the wives and sweethearts of K. of C. members. In fact, they were the first ones to notice that the Charity Ball was going to be held this year. I know a certain party who has already made the necessary arrangements with the seamstress.

Brothers, it would be wise to start now on plans to attend this great event. Better look now and make sure that the Soup and Fish still fits.

FLASH

Our worthy Grand Knight, Stanley Prymas and his wife observed their twentieth wedding anniversary on Saturday, Aug. 2. Bro. Prymas and a few Pinta members gathered at his home to celebrate the occasion. Those present were P.G.K. Dave Denham, our chaplain, Father Wieler, Bros. Joe Cole, John Zmahar and Peter Kern.

Bro. Kern made the evening very enjoyable with his voice and mastery of the keyboard. Mrs. Prymas sang a number of selections which were heartily approved by the gathering. Congratulations, Mr. and Mrs. Prymas. The highlight of the evening was buffet lunch served by Mrs. Prymas. Bro. Denham, who has been a bachelor while his wife is visiting relatives on the west coast, found the chicken very delicious as did the others who were present.

Those brothers who are interested in lending a hand to St. Mary's Festival and chicken dinner on Aug. 24, are asked to appear at the meeting on arrangements next Monday, Aug. 11. Their suggestions and support would be greatly appreciated by Father Wieler.

Bro. Tony Stepenski motored to Burlington, Wis., last Sunday with his mother and sisters, to visit the monastery of St. Francis of Assisi. Who has caught some fish? I could smell them the last time I drove near Bro. Perry's home.

Feehan Sets Date of Council Golf Tourney Sept. 6 and 7 at Barry

2-4 Tuesday.....Hamlin and Madison

The "Dog Days" are upon us and with them comes an alarming scarcity of news. It is downright cruel to keep from us all that information about where you are going or whence you have come. If you are acquainted with the wanderings of any of our brothers, just give us a buzz at Mans. 3631—we like to keep track of everybody.

SEPTEMBER 6-7

Has definitely been decided as the time for Feehan's final tournament. The fee of $3.50 will entitle you to play golf on both Saturday and Sunday, and cover your lodging Saturday night. This also includes refreshments and prizes. Your only additional expense will be for your meals, which can be taken where and as you please. Chairman Augie Tamburrino is attempting to gather an imposing array of prizes. While substantial, the array thus far, is by no means imposing. Do not be bashful, just step up and lay your prizes on the line.

The place—Barry Country Club at Twin Lakes. Most of the members, we are sure, have played this course during this or previous years, but for the benefit of those who have not had the opportunity, we will say that no more sporty, no prettier nor more interesting course can be found in the district. This tournament is for members of Feehan Council and their friends (for men only), and we are anticipating a very large turnout.

Things have been quiet in the match-play tournament. Frank McQuillan informs us though, that our putting Mons. Fogarty in the semi-finals was slightly premature, since said Fogarty must beat Bro. Frank first, in order to achieve that exalted position. Our finalist has been chosen. Joe Collins beat Walter Brouder in a hotly contested match last Sunday, and gets to play for the championship trophy. The other finalist will be determined when Joe Malley hooks up with the Gus Tamburrino-Ed Butler winner, and that victor meets the winner of the Fogarty-McQuillan duel.

BOWLING

The Bowling League for 1941-2 has been cut to ten teams, each team to have six men. When the two extra teams were broken up, the men were assigned to other teams in such a manner as to provide a better balance to the league as a whole. That is, the weak teams were strengthened so that team averages are approximately equal. This should make for a closer competition and increased interest, according to league prexy, Len McSteen, and Sec. Augie Tamburrino. A captains' meeting was slated for this week to draw up rules, etc. We will give you the lo down on this later on.

Latest proud papa in the Council Bro. Ed Imhof, Ed, Jr., having presen his calling card some three weeks a He and his mother are doing excellent and our congratulations to all.

BIRTHDAY GREETINGS—To Br Dick Finegan, Patrick Teal, Herm Becker, Thos. B. Rafferty, Roy J. M Clevey and Tony Fasano, who celebr this week.

PRESENTING—The remainder of Barbecue list. These members each s a book of tickets: John J. Long, G Lyon, Jr., Jos. Malley, J. J. Collins, McQuillan, L. McSteen, B. F. Markows Leo Miller, E. O'Callaghan, M. Knowl F. Reynolds, Ed Riley, David Ryan, Ryan, J. F. Schoemer, E. Spiegel, Th Toomey, Jas. Tunney, Wm. Barrett, Edler, H. Crotty, Wm. Kliesner, Bashe, Walter Curran, J. J. Willia R. J. Wingfield and A. Tamburrino.

Illinois Will Close Summer Season with Golf Tourney Aug. 2

1-3 Mon. . . . . 64 E. Lake

Entering what might be termed final month of summer, a strong remind of which is the ever-increasing tempo the crickets in the backyards, you reminded that your day of celebration a little less than two weeks off. That to say, the annual golf tournament w be held at Woodridge Golf and Coun Club Thursday, Aug. 21.

We are hoping that by this time y have made most of the arrangemen necessary for your appearance out the that you will arrange to play with ot members of the council or wtih yo friends. The size of your score will me nothing more than a talking point on t 19th hole plus your winning one of t many prizes. You know, we are s hoping to break 100. The last time were out the first nine resulted in a the second nine was a surprise a earned us 47. So—in spite of the f that we are suffering from lack of pra tice, we still have hope.

We will arrange transportation for ar one who desires to give us sufficie notice. What with all of this beastly weather we have been living throu Aug. 21 is bound to be pleasantly cool.

COUNCIL NOTES

The mother of Grand Knight Mar is quite ill at the Elmhurst Hospital. McGregor was visited by the gra knight—the doctor continues to be c fined to his home and is, as a matter fact, a sick man.

Brother Harry Dean is expected b from his vacation shortly, at which ti he will plunge into the business of be chairman of the prize committee.

The more we think of Woodridge course the more we like it. We will member the cool, shaded greens and s eral holes lined on either side by trees. Plenty of room for fans who not care to play to follow the bes golfers. And oh, we have a great m good golfers.

Those whom we look up to as effici along such lines are Harry Baby, Cherry, Joe Geilen, Eugene Kissane, R. Martin, Sr., A. R. Martin, Jr., J. McParland, Harold F. North, O'Grady, Myles Phillips, Ferd Rap Bill Savage, Ed Sinnott, Rev. Willi T. Slattery, P. J. Sullivan, Ben Theis Austin Torney and Jim Upington. Oth there are who are, no doubt, in the sa class but with whose records we are familiar. As our Japanese friends wo say, "Excuse it, please."

Let us give the new grand knigh good start by making this affair Aug. a real success.

Setters Golf Tourney Arrangements Now Completed for Sept. 7

2-4 Thursday . . . 4711 W. Madison St.

Grand Knight Roy P. Bedore of Father Setters Council has just announced the completion of all arrangements for the accommodation of the record attendance expected at the organization's golf tourney, scheduled for Sunday, Sept. 7, at St. Andrew's Golf Club.

An unusually fine assortment of prizes has been attained and the mysterious details of the famous Setters handicap system have been perfected so as to give all who participate in the play ample opportunity to cart home some of the plunder. In the championship flight actual scores will count toward the grand prizes to be presented the council and guest champions and runners-up, while in what might be called the duffer flight the handicap will sort of equalize matters and give us all our chance.

Word has just come in from the chef at the club announcing that the turkey dinner to be served in the evening will surpass everything in that line since the days of the Pilgrim fathers. It seems that the market is already being scoured for choice gobblers and the usual items that accompany such epicurean splurges, the thought being that the lads are sure to be in just the proper mood to do ample justice to a dinner like this after their day's romp in the open.

The grand knight and his trusty lieutenants have also given much thought and attention to the wayside stands which will be set up along the fairways at advantageous points. At these cozy little spots the boys will have a chance to set down their bags of clubs, have a bit of refreshment, stretch out on the grass for a while and tell some tall stories about what a whale of a game they are shooting, maybe join in a little song and then proceed on their march over hill and dale.

Now that we've got you in the proper mood, we would ask that you 'phone the grand knight at Kedzie 1719 or Financial Secretary Tom Lavin at Columbus 5802 and give an estimate of how many members and guests you will have in your party. This will really help the committee out tremendously as it will enable us to make sure we have enough of everything to go 'round.

There is, of course, the matter of the price of tickets, and we're happy to repeat that the fee has been kept down to a less-than-cost basis. The sum of $2.50 covers everything, or, if you don't play golf, you're welcome to come out for the fun and the dinner in the evening for $1.50.

CONDOLENCES

The members of Father Setters Council extend to Brother William Fitzgerald our most sincere sympathy on the occasion of the death of his beloved mother, who passed away recently. Bro. Fitzgerald has a host of friends among the council members, all of whom were grieved to learn of his mother's death. Special prayers will be offered for the repose of her soul at the next meeting.

University Members Leave for Mayslake Retreat This Evening

2-4 Tues. . . . St. Ignatius Auditorium

While you are reading this a great many members of University Council are attending the retreat at Mayslake. It's still not too late to join them. Pack up now and go out any time Saturday. You will be very welcome. Mayslake Retreat House is located at Hinsdale, Ill. For complete details and reservations call Father Oliver, Harrison 2110.

GOLF TOURNAMENT

Last Saturday University Council had another perfect golf tournament. Co-chairmen Bob Sullivan and Jim Malone and their committee of Bud Brown, Len McGraw and John Curtin are to be congratulated on their very successful performance.

Bob Eiden was the first to tee off at about 8:30 a. m., and Jim and Peg Dolan closed the square dancing at 12:30 a. m. Between times Mr. John J. De Fontaine (we call him "Mister" because we see him so seldom) brought in an 82 for low gross and was crowned champion. John Moore, the golfing member of the Moore family, was second among the members.

In addition to the champion it was pleasing to have with us Brothers Nesbit, a recent transfer; Charlie Boyle and John Baker, and particularly pleasing to meet their wives and guests.

John T. Sheehy, chancellor of Daniel Dowling Council, played golf, but if we must reveal it, was better at story-telling and square dancing.

Our own chancellor, Martin Jeffers, turned in a blistering 109 and left Mrs. Jeffers sitting under the trees all day.

For your current scribe's money, the best time of the day was under the trees, and we know that those who attended will long remember that period between 5 and 8 o'clock, so pleasantly and, for some, profitably spent in the shade of those trees.

SOFTBALL

We've been doing a lot of talking about that softball team and here's your chance to see it in action. Come out to Legion Park Sunday, Aug. 10, at 12 noon. Then and there you'll see our battling if somewhat aged heroes contesting Marquette Council in a regular league game for the K. C. championship of Rogers Park. Legion Park is at Peterson Road and the Sanitary District Canal and can be reached by bus, street car, automobile, horseback or boat.

COUNCIL NOTES

The next meeting of the council will be held on the fourth Tuesday, Aug. 26, at our clubroom.

The regular scribe, F. J. Rooney, is back in town because we caught him on Clark St. today, but apparently doesn't feel up to resuming his duties.

The Raymond M. Hayes are back.

Newman's Softballers Break Rule—But No Bats—and Win Game

1-3 Thurs. . . . St. Mary's Hall, Evanston

Some shows are held over by popular request, but the only reason we can imagine for our sideshow staying on is the almost miraculous job we have accomplished in jabbing our ball team to victory with this persuasive pen. Yes, the 12-inchers won a ball game, but it took more than words to do the trick, for with the bases loaded the worthy scribe came to bat in the last inning and brought home the winning run on third base.

In the four games won yours truly was holding down first sack, and we do mean holding it down. The slow pitch aggregation hasn't been faring as well, so whatever we have said in the past still goes for them. However they have been playing good-will tours, the latest being out at Father Duffin's parish picnic in Desplaines last Sunday.

NEWMANEWS

Louis A. Bisson announces the engagement of his daughter, Clemence, to Vincent A. Meter of Wilmette and, we believe, a member of Ouilmette Council. Doc Keefer has moved his eye hospital down to street level at same address on Davis St., so we know old number 158 hasn't been ejected even though rejected. A local organ of news would do well to have The Columbian editor on its staff to cut out such minor items as have been appearing about "Bones" Nillessen "nigger fishing" with worms but without results. Our guess is that, like Pete Pennachin, the best place to spend vacation time is right here at home so as to be on hand when this very newsy little epistle arrives.

Brousing through sports news of our town we see that Bob Reitz is to play in the all-star softball game at Boltwood Park under the lights on Friday (tonight), Aug. 8. Also that the Evanston U.S.O. drive for funds went over the top and Newman can be proud of sharing the glory.

If the rewrite man at the head office of this publication only knew how deadly serious and important is the fact that John J. Corcoran emerged victorious in his annual golf match at Newman tourney last week he would never have let it pass without mention. Could it be that the vanquished Edw. T. Arnold has gotten to the boys downtown and killed all comment? [Not for the two bits he offered us. No sir!—Ed.] If that is the case it was a rather useless gesture because we know that Father Mokenhaupt will let no opportunity go past without letting the world know of John's prowess on the links.

Developments on the bowling front entailed an endeavor to move the place of sport, but other spots to date have been unable to supply the time, so it begins to look like Tuesday night at Main St. again with an estimated 16 teams in attendance. Another meeting will be held shortly to discuss the second annual boxing bouts to be held later in the fall.

Our oldtimers we are honoring this week include Charlie Eiden and Frank Nilles, who were elected vice-president and sargeant-at-arms respectively in the newly organized Fourth Degree Social Club of Newman Council. Paddy Driscoll is now in charge of the beach guards in Chicago for the summer season. "Hank" Miller caught a ball game the other evening, so we can expect to see "Nigger" Nargle pitching some night soon.

Our column may have been on the last page last week but we did notice that Newman made the first page and the membership honor roll for the third consecutive year. Brother Dalton of membership has his work and goal already set for him this year, but is as powerless as your scribe without those helping leads.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

CARROLL ADOPTS PLAN FOR VISITS TO SICK

Meet August 19. . . . 6 North Hamlin Ave.

In grateful appreciation to those sick and ailing members of Charles Carroll of Carrollton Council, we dedicate this week's column of the Columbian, in recognition of the invaluable cooperation that they have so gallantly extended during the many years of service for Charity, Unity and Fraternity. Their record of knighthood has, indeed, been marked with outstanding achievements. They are—Charter Member John B. Clark, Charter Member John H. Maney and M. B. Cummins, men of equal character and admiration.

As a source of inspiration, the comparatively younger members could certainly take a lesson in contributing generously toward the success of future activities and affairs of the council. As a part of Charles Carroll's platform for "fuller-activity" in the coming year, a "back to health" project is being planned so that "if Mohammed doesn't go to the Mountain, the Mountain will have to come to him," in other words we will bring the council to the sickbed through the medium of an activating committee.

Naturally, the success of this unusual feature, depends largely on the entire man-power of the council. With a handful of supporting members transplanting this idea, it can be a success. The personal participation of scores of our members may be stimulated in making the plan succeed and thus making a crowning achievement in Carroll's annals.

True enough, many of us have failed to see our obligations to sick and ailing members. Not that we have been neglectful but, perhaps our intentions exceeded our activity. With the summer months, naturally, it is much harder to get around for a score of reasons, but in the future we hope to be more considerate. Not knowing a sick person, personally, is no excuse. Visit with him and you'll know him soon enough. We are all knights of the Order and "we are our brother's keeper."

As another functioning part of our proposed plan for the sick a more complete list of our sick members is expected to be made known to the membership without delay. Here is where the entire man-power of our council can be of invaluable service—by reporting, as soon as it happens, any illness or death in the council. You can perform many acts of charity, if you would only look around you—and be "reporter" conscious!

THANKS, JACK!

One of the first members to come to the aid of your new Lecturer was none other than our own Jack "Swede" Lawlor. His suggestions were well received and certainly worthy of consideration. Let's have more of them! After all, fellows, this is your council.

Our next regular meeting will be held at our regular suite of rooms in the Midwest A. C., Tuesday evening, August 19th., when plans for the coming year will be unveiled for the approval of the members. Appointments to the standing committees in the 5-Point Plan of Progress will be made by Grand Knight Jim Crosby and careful selection of other committees, too, before long.

BOWLING ACTIVITY

After a very interesting and well-attended meeting of Carroll's bowlers, last Tuesday evening, the league efforts in the coming season are expected to reach all-time records and achievement. Only a few details yet remain before the complete schedule is drawn up.

Here are the "champs" bowling in the 1941-42 Intra-Council Bowling league of Carroll Council. Look them over—Dr. George W. Andrew, Edward F. Aubin, David J. Burke, Jr., Edward L. Baker, Joseph J. Byrne, Joseph J. Bradley, Otto Baumgartner, Ancil N. Barton, James J. Crosby, Harold T. Crosby, Eugene Conley, Michael E. Cosgrove, Alfred A. Camparini, James E. Hanley, Daniel G. Loftus, George J. Hunt, William H. Lang, Charles J. Murphy, Timothy J. Murphy, Michael P. Martin, Joseph T. Moreau, Joseph M. Mate, James B. McNamara, Stanley N. Olejnik, Michael J. O'Connell Timothy M. Ryan, Daniel J. Ryan, Sr., Vincent Ryan, Charles G. Rauh, Joseph J. Schuck, Matthew F. Shea, Kenneth L. Torgeson, Frank A. Griffith, Jr., John Ford, John H. McCann, Ralph Boldt, Fred Cote, Lambert Porod, John Wurbia, Edmund Ryan, Vic Gorny, Thorton Whelan, Robert Dunne, F. A. Griffith, Sr., George Ahlert, Walter Kirby, Thomas P. Ryan, Joseph Fleming, Neil O'Connell, Stanley Stegowski, Robert E. Dean, Patrick M. Kusack, Peter J. Dowdall, and Thomas Quinan.

Officers of the league are President, Edward L. Baker; Vice-President, Timothy Ryan; and Secretary-Treasurer, Joseph J. Bradley. Scene of bowling will be at Cinderella bowling alleys, 5612 West Madison street, Friday evenings, at 9 o'clock. To add to the game, the surroundings have been remodeled and made more comfortable.

Thanks to Marty Landthaler for his interest in writing to some of the "boys in the Service." They certainly appreciate a word or two from the membership. So that every member may make himself available in writing a line or two to the boys, the next issue will carry the names and addresses of every Carrollite on duty in the Army, Navy, Marines or Air Corps.

Chicago Heights Has Much Praise for Fine Work of Bro. Ed Lux

2-4 Mon. . . . . 1527 Otto Boulevard

You all know we have almost an entire new staff of officers, with the exception of one. This particular brother has held this office for the past ten years or more and is very efficient and conscientious in all his dealings. In fact, no sacrifice has been too great for him to make. Although he does not live in Chicago Heights any more, but in Chicago, he has not missed over two or three meetings in all of this time. Our council is very fortunate in having Bro. Edward J. Lux for financial secretary.

At our next meeting, Aug. 11, a very important subject—the social events for the coming year—will be openly discussed. According to advance information, every brother who attends will be asked to express his ideas for suitable entertainment. So, brothers, let each and every one make a special effort to be there and show our newly-elected officers that we are with them. After all, it will be to our advantage to be present at this meeting.

On July 26 Bro. Emil Weishaar's daughter, Eileen, became the bride of Edward Weggerson at St. Ann's Church. The marriage was read by the bride's brother, Father Brendan Weishaar, who came from New Mexico for the occasion. Don't you think, Brother Emil, that your new son-in-law is a good prospect for the Knights of Columbus?

If Bro. Doc Towle took his prayers as serious as he takes his golf he wouldn't be distracted during services by a workingman leaving early on Sunday morning.

Marquette Gives All Fair Warning Not to Miss Aug. 21 Meeting

1-3 Thurs. . . . . 1928 Devon Ave.

If you missed the meeting last Thursday, Aug. 7, you have only yourself to blame, because our worthy lecturer, John L. Henrick, had refreshments that were fit for a king. You had better not miss our other meeting this month, on Aug. 21, when Lecturer Henrick promises to again satisfy the hearts and stomachs of our members.

Bro. Tom Carroll wants our members who hope to bowl in our council league this fall to make their wish known to him. You may phone our very enthusiastic bowling manager at his home by calling Ravenswood 5647 any evening after 7 o'clock.

Warden Walter Pettis and Bro. Bob Bagley, with their wives, spent last weekend at Joliet, Ill. Next Sunday is the second Sunday of the month and all you good Holy Name men better be at the 8 o'clock mass in your respective churches. All of our council members are pulling hard for our brother member, Sgt. Tom Meagher, who has taken a promotional examination for police lieutenant. Good luck, Tom.

Bros. Tom Carroll and Harry Hofherr are passing out cigars. Each reports that his baby is coming along fine, and we sincerely hope that the mothers are in good health. We would like to know how our popular district deputy, Ed O'Connor, is feeling, as well as our brothers, Joseph C. Smith, John Hyland and Jim Grimes.

We also would like to hear from our boys in the training camps. How about a letter? Two of our star softball players, Thomas J. Murray and Gordon Kearns, left last Tuesday for the army camp. We say "au revoir" and hope they and our other members will be back pretty soon. It is our opinion that the war has taken a turn for the best and "Herr Hitler" is now on the down-grade. No doubt Manager Carl Cronin and his first assistant, Harry Warner, will miss Murray and Kearns when they play St. Cyr Council.

DUES

Brothers, no one likes to be asking for money. Likewise, I don't enjoy writing about it, but the fact is that there are many of our brothers who are very much in arrears in council dues. The council needs this money to carry on. It is not fair to those who are always paid up to date that they should carry the burden and expenses of our council.

The council has been very lenient with quite a few of its members and these men had better contact Joseph Sacheck at Kedzie 0701 and let him know just when they will remit or they will find themselves suspended. Your loved ones will then be the sufferers. Please take care of this. Won't you call the financial secretary tonight at Kedzie 0701?

Tonti Golf Meet at Rob Roy Club on Sunday, Sept. 7

1-3 Thurs. . . . . 4221 Irving Park Blvd.

Tonti's golf tournament will be held Sunday, Sept. 7, at Rob Roy golf course. Athletic Chairman Ray Demski says there will be plenty of refreshments and prizes. Teeing-off will start at 10 a. m., and you are requested to bring along your party. Reasonable fee. More details will follow in later issues. But in the meantime reserve the date, Sunday, Sept. 7. Tonti golf tournament at Rob Roy.

COUNCIL APPOINTMENTS

Grand Knight Louis T. Buettner announces the appointment of Rev. J. J. O'Hearn, pastor of St. Edward's Church, as chaplain of our council. Father O'Hearn has served in this capacity previously and is well known to the membership. At this time we avail ourselves of the opportunity of welcoming the new chaplain and of expressing sincere thanks and appreciation to our retiring chaplain, Rev. Stanislaus Ryzner of St. Wenceslaus. We realize that during the past two years the council had repeatedly imposed upon Father Ryzner, but "Father Stanley," as he is known to us, always kindly obliged. Father Stanley attended all wakes and recited the Rosary for those of our brothers who passed into the great beyond. He celebrated our Easter communion mass and gave spiritual aid and advice whenever called upon. When attending the council's meetings his talks were ever inspiring. May God bless you, Father Ryzner.

A letter was received by the grand knight from our state deputy, Leo Flynn, stressing a drive for new members. The slogan adopted is "A first degree in every council before Columbus Day." It is a long time since our council put on a first degree. This point cannot be emphasized too strongly. Our goal should be: Every member secure at least one new member. Our membership chairman, Joseph Szpekowski, is hard at work with his committee, but he needs your cooperation. If you have a prospect and cannot convince him to enroll, give his name to Bro. Szpekowski and he will endeavor to accomplish the feat.

Speaking of membership, let me remind you that the bowling league is being organized. Chancellor Alois Zelazny, president of the house bowling league, has issued the call for bowlers. We bowl on Tuesday evenings at Goldammer's alleys, Milwaukee Ave. and Pulaski Road, at 9 o'clock, beginning early in September. Last year we had 8 teams and now are striving for 10. Just think, every Tuesday evening throughout the long winter months you have 40 to 50 "Tontiknights" assembled together in this great sport. You need not be an expert bowler; the only requirement is that you be a member of Tonti Council. Perhaps that new prospective member you have in mind needs just this incentive to become one of us. So please, bowlers, send in your name at once to DGK Andy Eichhorn, our bowling secretary, 3803 N. Oakley Blvd.

A letter was received from Bro. Julius Kroll, who served his preliminary training at Camp Roberts, Calif. He is to be transferred soon and hopes to get near home. Bro. Kroll sends regards to all the members.

HOW COME, WALTER?

What is the idea, Walter, of breaking in the new Oldsmobile, riding up and down the alley in the vicinity of Pulaski Rd. and Lawrence Ave.? Aren't our streets safe enough, and why was it necessary to be convoyed by a giant red truck? We're referring to our pinochle king, Walter Spatz, who is renowned for the "Merkle play" of pinochle last year, namely, losing his trump ace on the last trick and taking a ride on a 400 bid by 1.

Arch. McHale Defeats St. Rita in Vigorous Scuffle: Score 11-

1-3 Tues. . . . 150 W. Sixty-ninth S

With bats resounding with vigor, o mighty sluggers crushed the highly r spected St. Rita boys by a score of to 6, which atoned for an earlier defe by them. Our boys were keyed up a slammed out four home runs, featuri D. Usher with two and one each to Carey and J. Andrews.

If our information is correct, this gam was very important as it assured us place in the 1941 K. of C. softball fina for the championship.

Due to not notifying us at all on Ju 31, that neighboring team from Engl wood Council was obliged to forfeit game to us. Inasmuch as our team a rooters were out in full force, we had game between the Shannigans and Hoo which developed into a pitchers' batt between Tom Flood and Jack O'Conn with Tom getting the nod by the sco of 5 to 4.

HERE AND THERE

Bro. Bill Usher, who is in the army Fort Belvoir, Va., sends his best regar to the members of McHale. . . . Bro. Ja Usher received his 1-A classification a expects to leave in the next group. . . Bro. Dwight McKay spends his week ends with his family at Stevensville, Mic . . . Bro. Jack Anton will be found the Usher summer home at Eagle Lak Wis., these pleasant week-ends. . . . Br Jim O'Connor is now away somewhe on his vacation. . . . Glad to see B Carey, Sr., at the softball game the oth evening. . . . By the way, we forgot report that Bro. Bill Carey, Jr., was ma ried last April. . . . Congratulations Financial Secretary Earle Edgewort who recently was elected junior vic commander of Armour Post of the Ame ican Legion. . . . Frank Kirkhoff, To Flood, Chas. Wooding and PGK Bill Mu were seen loafing around Hamilton Pa last Sunday.

BLOOD DONORS

Last Monday at 9 a. m. Bro. Hub Jar phoned one of our past grand knights a advised him that his wife was serious ill at Mercy Hospital and required a bloo transfusion of type four. The GK, Jo Kelly, was notified and the result w that within ten minutes, or by 9:10 a. m all arrangements were made for t transfusion. The donor was PGK To Mulroy.

Shrewbridge Field Selected for K. of C. Softball Tourney

ight Games from September 15 Through 18 Will Decide 1941 Champion

By John E. Miner

Shrewbridge Field, 74th and Aber-en streets, site of the 1940 K. of C. ftball League playoffs, was voted ain last Friday to be the favorite ot for the 1941 championship bat-es. Delegate action also fixed the tes for the K. C. title rounds as ptember 15, 16, 17 and 18.

All games in the Monday through ursday schedule will be under the hts, an innovation sponsored last ason by President Joseph E. Mc-eal, and one that proved popular ough to demand repeating again is year.

According to McGreal, three games e to be played on each of the four enings, the first tilt is scheduled at 30 with the others following at the ur intervals so that the last game ll get underway not later than 30 each evening.

General admission for each eve-ng's contests is priced at thirty nts for adults and fifteen cents for ldren. Box seat accommodations listed at forty-five cents.

Runner-up Contests Pending

Although all of the divisional mpionships have now been de-ed, a number of crucial games are l necessary to determine the run-up in several of the different sec-ns. Since the first and second ce winners in each section will go the finals, a complete roster of championship entries will not be wn until these playoffs are com-ted. As soon as these games are yed—it is expected that all play-will be held during the next ten 's—drawings will be held to deter-te the opposing teams and their e in the tournament schedule.

n the South Shore Division, Neri qualify for the finals by defeat-Santa Maria in two postponed nes to be played this week. A vic-over Hughes in the Far West or will toss Barry into a tie with Fayette for a chance at the title on the north side, Brownson, quette, University and De Soto e several postponed matches to ose of in order to determine the nd place divisional leader.

ivisional champions already as-d of a chance to compete in the l rounds are St. Cyr, North; St. ncis, West; Hughes, Far West; XIII, Central; Auburn Park, chwest, and St. James, South re. The second place team in e sections having completed their dules are: Auburn Park, South-, and Bishop Ketteler, West.

metime within the next few s, but at least several days be-the finals, all team managers are d to file a list of the players ible to represent their council in tournament. Only persons com-ng in twenty-five per cent of the larly scheduled games during the on are eligible and a maximum r of fifteen players is all that lowed for any one team.

Begin Drive for Council Support on Charity Ball

Chapter Delegates Get Reservation Orders on Columbus Day Benefit Party

First step in promotion of the ticket sales for the Chapter-sponsored Charity Ball in benefit of the local National Catholic Community Service unit was taken last week following the regular meeting of Chapter Delegates when pledges, for ticket and patron reservations, were distributed to the attending Grand Knights and council officers.

The affair, which is to be held at the Palmer House here next October 11, Columbus Day eve, will mark the first such local Columbus Day observance since 1937 when a similar dance program attracted more than 1,500 couples.

A considerably larger attendance is expected at this year's affair in the light of the extreme popularity of its objective—the establishment of a fund to provide furniture and fixtures for the soldiers and sailors recreation center soon to be opened at 1122 South Wabash avenue by the Chicago unit of the N.C.C.S.

Solicit Full Council Support

Supervision of the Charity Ball arrangements are under the direction of General Chairman Henry J. Lynch and the members of the Knights of Columbus N.C.C.S. committee as recently appointed by State Deputy Leo M. Flynn.

Edward J. Molyneux, chairman of the N.C.C.S. group, outlined the party program to the Chapter delegates last week and explained that members of his committee will soon begin the round of council visits to solicit a full

K. C. NATIONAL BOWLING ASSOCIATION APPOINTS J. J. THOMPSON TO BOARD

Richard J. Herdlein, of Buffalo, newly elected President of the Knights of Columbus National Bowling Association, recognizing the splendid entry of Chicago's South Side Councils in the annual tournaments and especially the support of Father Perez Council, has named Bro. James J. Thompson of Perez to fill the unexpired term of Bro. James E. McCann, who recently resigned as a Director of the National Association.

Bro. McCann, likewise a member of Father Perez, was re-elected by the capatins of teams entered at the Indianapolis and Utica tournaments for a three-year term. However, since Bro. McCann was elected as a Chicago Director he felt that in view of his recent transfer to Detroit where he holds a responsible position with the Metropolitan Life Insurance Co., that it was only proper that he make way for another Chicagoan on the board.

Bro. Thompson has always been interested in the Perez Bowling League as well as a regular supporter of the National Bowling Tournament and is expected to carry on the good work heretofore put forth by Brother McCann.

Archbishop Mooney to Give Sermon at K. C. Convention

Fifty-ninth Annual Conclave of Supreme Office Will Open Tuesday With Pontifical High Mass

The Most Reverend Edward Mooney, Archbishop of Detroit, will deliver the sermon at the Pontifical Mass opening the fifty-ninth annual Supreme Council Meeting and Convention of the Knights of Columbus at Atlantic City, Tuesday, August 19. The mass will be celebrated in Our Lady Star of the Sea Church by the Most Reverend Bartholomew J. Eustace, Bishop of Camden, and will be followed by the formal opening of the convention at the Hotel Chelsea. Other sessions will continue through Thursday.

Official representatives of the 160 councils in the Illinois state jurisdiction, one of the largest insurance jurisdictions in the entire Order, will be State Deputy Leo M. Flynn, Past State Deputy Judge John F. Bolton, Supreme Director Michael J. Howlett and eight elected delegates.

Delegates representing the Chicago councils will include Robert W. Du Mais of Fort Dearborn Council, John J. Corcoran of Newman and Thomas F. Brown of Damen. Five delegates, A. Edward Komes, James J. Jobst, Joseph A. Malandrone, Thomas Ryan and Thomas L. Maher, who are from the down-state councils, will also be among the Illinois contingent.

Procession to Church

Registration of delegtaes will begin Sunday afternoon and continue throughout the next day. Following the two-day registration period, delegates will assemble in the famous Atlantic City boardwalk Tuesday morning for a procession to the church. They will be escorted by the Junior Cadets Corps of the J. Willis Gale Post, V. F. W.

First real business of the delegates will be undertaken at the afternoon session Tuesday when the nomination and selection of officers will be made. In addition to the selection of the several Supreme officers, five Supreme directors are to be elected to the fifteen man board this year.

Broadcast States Dinner

On Tuesday evening the States dinner at the Hotel Chelsea will be followed by the convention ball, under the auspices of the New Jersey State Council. Speakers at the dinner, which will be broadcast at 9 o'clock, Central Daylight Time, over the Blue Network of the National Broadcasting Company, include Paul V. McNutt, Federal Security Administrator, and Supreme Knight Francis P. Matthews.

Sir Knight John Pane-Gasser, Knight Commander of the Holy Sepulchre and a member of St. Francis Xavier Council here, will be the featured soloist at the States dinner broadcast and also at the Solemn Mass Tuesday morning.

A luncheon for visitng women will be given by the Catholic Daughters of America on Wednesday, and in the evening a musical Ice Review will be staged in Convention Hall. The closing day of the convention will be devoted to a final session of the Supreme Council and to sight-seeing and entertainments.

CYO Boxers Will Give Share of Sept. 17 Bout Receipts to Local USO

"The C.Y.O. for the U.S.O." is the theme of the eleventh annual Catholic Youth Organization amateur boxing show to be held September 17 in Soldier Field, featuring the champions of Hawaii versus the undefeated Chicago C.Y.O. team.

William Larkin, Executive Director of the C.Y.O., announced this week that part of the proceeds of the championship bouts will be donated to the United Service Organizations fund to swell Chicago's quota to provide recreational facilities for America's rapidly expanding armed forces.

Tom O'Connell, boxing director of the C.Y.O., voiced the sentiment of the C.Y.O. boxers now working out daily at the C.Y.O. Center with regard to the U.S.O.:

"All of our boys are happy to be a part in aiding in the great work of our organization and the U.S.O. because many of them feel that they will be benefiting by the work of the U.S.O. when it comes their turn to answer the call of Uncle Sam."

Tickets for the Hawaiian bouts are already on sale at the C.Y.O. Center, 31 East Congress street, and early ticket requests indicate that more than 40,000 fans will be present that night to watch Hawaii attempt to avenge last year's 8-3 defeat and stop the C.Y.O. boxers for the first time in their ten year history.

20,000 VISITORS SEE MODEL HOME SPONSORED BY LA GRANGE PARISH

At 6:35 p. m. on Wednesday, August 6, the ticker at the Mount Vernon House of 1941 in La Grange Park, Ill., recorded the 20,000th visitor. It is hard to say who was more pleased, the women on the house committee or Mrs. Frank O. Rettig, of 247 Bertram Road, Riverside, Ill., when she was advised that hers was the 20,000th paid admission, and she was presented wtih a bottle of cologne and received special congratulations from Mrs. F. P. Boehler, chairman of the women's committee, and Mrs. J. J. Fraher, one of the co-chairmen for the week.

Mrs. Rettig, though now living in Riverside, was born in La Grange and attended La Grange township high school.

The Mount Vernon House of 1941 is located at 345 North Malden avenue in La Grange Park, and is just one block from highway 34 and easily reached from highway 45. The Stone avenue station of the Burlington railroad is within walking distance and the highways and streets are well marked for the direction of traffic.

and whole-hearted support for the project.

Card Social on Party Program

One innovation that is expected to increase the popularity of this year's Charity Ball is the inclusion of a card social along with the regular features of the dance program. Card games will be offered in the giant Exposition Hall adjoining the Grand Ballroom where the dance program is to be presented.

Admission to both party features will be at one dollar the person with patrons' reservations at five dollars a couple.

Oak Park Tournament Proves Good Fellows Enjoy Being Together

2-4 Monday.....641 S. Scoville

The golfing world would not be startled by publications of the various scores turned in at Oak Park Council's golf tournament on last Sunday, but just the same those who were fortunate enough to be out at Maywood will long remember a perfect golf date

Rev. Father Borchardt took the boys with his fine 82, a good score anytime. Phil Gearen came through with an 85, also not considered bad. The other scores ranged all of the way to 130. The judges found that Milt Frigon's game had some technical improvements possible and awarded him the prize for that score.

As usual the dinner was very good, accompanied by some of the very entertaining features that make such events notable. Bro. Joe McDonald showed how a parachute jumper lands in a high wind. He eats off the mantle this week.

A special match following the dinner between Stiel, Kallal, Hansen, et al., resulted in some very unusual developments, including a broken club and a discussion over golf rules.

Bowling is the next sport up for consideration and there is to be a meeting of the bowling captains on next Monday night, August 11. Arrangements for the next bowling season will be taken up at this meeting.

A picnic committee meeting will also be called Monday night. All members are asked to attend.

Another esteemed old timer of the west side passed away when Mr. Madigan, father of Leo and Walter of Oak Park Council, died on Saturday after a long illness. Mr. Madigan was buried from Ascension Church. Our deepest sympathy to the bereaved in their loss.

We learn that Bro. Pete Donlan has been roaming up to St. Paul again. We learn that he just returned from a visit to his son, Bro. Peter of the Christian Brothers, Superior of Cretin High School. We can't say that we blame him for Cretin is a marvelous school, and Bro. Peter a wonderful host.

Roy Maloney and his wife took a little trip recently to see their son, who is in the army, at his location down in Louisiana. Roy reports he is getting along fine. Bro. Bob Carraher's son is at Camp Grant and comes in occasionally over week-ends

Bill Bosley will be back from his vacation in the Smoky Mountains by the time this is out. Last we saw of him he was rarin' to go. Jim Baker told us at the golf tournament that he was headed for Olympia Fields the following day. We would like to hear how he fared.

Bro. DuChateau has prepared a tentative program covering the period up to the end of the year. He asks all who are interested to offer suggestions because by hearing from the members he can better give them what they want. Next meeting will be a modified quiz program, with embellishments.

Have you sent in your third quarter's dues and assessments yet?

Student Group Seeks Many Converts in 1942

Rochester, N. Y.—The Catholic Students' Mission Crusade is out to convert 150,000 persons to the Church in the coming year. Following the 12th annual C.S.M.C. convention here, plans were laid for every member of the organization to make one convert in the next 12 months.

Other features of the year's C. S. M. C. program will include studies in Latin-America relations, efforts to develop more mission vocations, work for interracial amity, continued support of the Catholic University of Peking, Catechetical work, and rural life projects.

A new national administration for veterans' units made up of former student members, is being established to maintain graduates' interest in mission problems.

Brownson Ladies Welcome at Golf Outing August 23

2-4 Fri. . . . . 4754 N. Western Ave.

G. K. Wm. J. O'Neill announced at the last meeting that Bro. James O'Byrne would be athletic chairman for the coming year and Jimmy showed that he had previous knowledge of this honor by stating that all arrangements have been made for the outing for the ladies at Rob Roy Country Club on Saturday, August 23. He asked the members to not only bring their ladies, but their friends, and their friends' ladies. For those who play golf the price is $2.50, which includes a steak dinner and refreshments. For those not playing golf the fee is $1.50. The refreshments will be served beneath the shade of the old apple tree and all that is necessary for the success of this party is a large turnout.

To enable Bro. O'Byrne and his committee to arrange for the dinners and the awards those planning to attend are urged to call Jim at Diversey 8766, or G. K. O'Neill at Edgewater 3398, not later than Wednesday, Aug. 20, for reservations. It is imperative that you do this if you plan on being present. The Rob Roy C. C. is located on McDonald Road between the River Road and Rand Road. Watch for the big signs directing you to the course.

BOWLING

The weather may be too hot for most of us to be thinking of bowling but not so of our Council's League President William Erwin and Secretary Frank Papke. They have been busy during the past few weeks laying plans for the coming season and plan to have a bigger and better league in Bro. Al. Long's newly decorated Monte Carlo alleys, 2265 Lincoln Ave. For those who have bowled in our league no urging is necessary to have them join up early, but for those who have not had the pleasure we urge them to get in touch with Bro. Erwin or Papke at once. The league will start about Sept. 16, and will bowl every Tuesday night.

R. I. P.

The splendid meeting held last Friday evening was greatly dampened by the announcement of the death of one of our members and also of the deaths in the families of three other members.

On Monday, Aug. 11, the Angel of Death called Bro. Edwin V. Burke to his eternal reward. Bro. Burke was a well known radio announcer over Station WCFL and due to his hours on the air was not able to be at our meetings.

During the past week the mother of Bro. Joseph H. Rill, one of our new members, met with a fatal accident. Hugh McGurty, a former member of Brownson Council and a brother of Bro. Eugene McGurty, was also called to his eternal reward. A sister of Mrs. John J. Brennan, wife of P. G. K. John Brennan, also died during the past week.

To the families of these deceased, Brownson offers its most sincere sympathy. May their souls rest in peace.

GOLF

P. G. K. Frank Kohler may make some believe that he didn't play any golf on his recent honeymoon but he couldn't convince P. G. K.'s Casey and Lannon after watching him at the Rob Roy C. C. last Sunday. If four weeks of married life can improve Frank's game as much as it did last Sunday, P. G. K. Ed. Kane better look out in September, when the championship tournament will be held, or Brownson will have a new golf champion!

St. Rita's Bowlers to Hold Season's First Meeting Mon. Night

1-3 Thurs. . . 6048 S. Fairfield Ave.

Perhaps the recent heat wave will make this "lead" seem a bit premature (and for all we know a new one may be upon us by the time this stunt hits print) but anyway John "Dutch" Lehner, secretary of St. Rita Council's bowling league wishes us to announce that the first bowling meeting of the 1941-42 season will be held at the clubhouse next Monday night, Aug. 18.

Representatives of sponsors, captains of last year's teams and all members intending to bowl this year are urged to attend in order that "Dutch" and the league president, Doc. Hoffman, will meet no delay in making arrangements for this season. If you would like to bowl and will be unable to attend the meeting please contact the secretary at 6242 S. Fairfield Ave., Rep. 0285.

Despite the absence of Tom Gaynor, Sr. and Tom Jr., the remodeling of the Western Recreation where we have bowled for the last several seasons is going along without a hitch. The Gaynors, father and son, are both undergoing treatment at Mayo's clinic at Rochester, Minn. Johnny Gaynor informs us that the alleys this year are sure to satisfy the most discriminating kegler.

As we have contracted for sixteen alleys this year instead of fourteen it will mean that our league membership will be increased by ten men. New bowlers should submit their names to John Lehner immediately so that they won't be shut out. Don't forget next Monday night.

CONDOLENCE

Six members of St. Rita served as pall-bearers at funeral services last Friday for Bro. John Hohnnert. They were John Schmidt, John Devlin, Frank Karbowski, Ted Lee, Bruno Fracassi and Joe Shanahan. A large group of members attended the wake after our regular meeting a week ago last night.

ON AND OFF THE SICK LIST

"Jumping Joe" Zavrel is well on the road to recovery. His broken leg is mending nicely. . . . John E. O'Brien is recuperating from a six week illness. . . . John Dunn is now confined to his home at 6130 Richmond and would appreciate a visit. . . . John Lehner repeated his Honolulu act of a few years ago recently when he fell from a two-story building. The kid is back at work however with nothing worse than a tapped midriff to show for the fall.

THINGUMBOBS

Our Fourth Degree organization, the 2034 Club, will hold its annual picnic Sunday, Sept. 21, at the Log Cabin. Admission is $1 per family—which includes refreshments and entertainment. Connie O'Sullivan is chairman. Keep the date in mind.

In the absence of Doc. Kehl, who was called to active duty for a short while as an officer in the Army medical corps, John McGowan is making arrangements for increasing our blood donor list in the near future. Watch this space for the date when you may get your blood typed.

Friends of the late Rev. John A. Harris, O.S.A., former principal of St. Rita High School, will be pleased to learn that an athletic field in the Bronx, N. Y., has been named after him. Father Harris died June 8, 1937, in St. Nicholas Tolentine parish there.

Don't forget the golf tournament and dinner-dance to be held about the middle of September.

Sherman Has Surprise Features for Meeting Next Tuesday Evening

1-3 Tues. . . . . 4300 W. North Ave.

Don't fail to attend the next regular meeting, Tuesday, August 19, as our new Lecturer, Frank Veysey, has promised us something special in the line of refreshments (and boy I'll say it's something). Brother Veysey believes the attendance will be increased so much that he has asked Brother Frank Kennedy to assist him in his various duties and between them they promise big things for us in the future.

To show that our Lecturer is on the job, he is designating the first meeting in September, Tuesday the 2nd, as "All Bowlers' Night." All past, present and future bowlers are requested to attend. All other members of the council are to come up and play host to the bowlers and partake of the refreshments.

HERE AND THERE

Our good friend and league leader, Eddie Geary, left for the East last Saturday, to work in our nation's capitol for awhile. Here's hoping it won't be for long. Good men are scarce Uncle Ed. so come back soon. Our always smiling plump and red faced Inside Guard, Tom Tierney, reports that Bill Hanrahan, "the wild man at Aurora" and also head usher at Our Lady of Angels' Church, is trying to locate Bernie Janco, one of his ushers who has not shown up for the past six weeks. Wonder who is going to drive the new 1941 Dodge that Joe St. Pierre just purchased or is Joe getting in Tony Cirone's class.

If you fellows have a little spare time and want to spend a pleasant hour or two, drop over and see John Dottenwhy and hear all about his trip out West.

Al Doppke spent his vacation in Wisconsin fishing, but Al says the worst part of fishing is the fish. Better luck next time, Al.

Hear that Matt Ellgass has been running back and forth to Powers Lake the last two weeks. Isn't that a little far to go for new members Matt, or has it been worth while?

Just received cards from Al Gerlach and Ralph Vinyard, no stamps on them though. Al says Uncle Sam has enough money and besides he has to pay for that new Chevrolet. How do you fellows get all those new cars? The boys have just returned from Lookout Mountain, Tenn. southern accent and all.

Terry Clark is spending his vacation in Chicago with his children visiting Navy Pier, the circus and window shopping in the Loop.

If you all miss Harry Kohl for awhile the reason is that Harry is vacationing in the North Woods, fishing and resting up.

Eddie Holterhoff is using his time off fixing up his home and grounds. Well, as Al and Ralph say, see you all Tuesday.

Fr. O'Connor Puts Spotlight on Its Donor Chairmar

1-3 Thurs. . . . . 4660 N. Kedzie Ave

In our effort to pay tribute to th men whose work in behalf of the coun cil goes unheralded, this week we tak time out to tell you about the activitie of the chairman of our Blood Dono Group.

Past Grand Knight Bill King ha held down nearly every office in th Council at one time or another. H always has has a knack for doin things just a little better then neces sary. As recording secretary he intro duced the idea of submitting the min utes of the regular meetings on nea typewritten sheets. As deputy gran knight he took active part in all th degree work of the council. As gran knight he devoted day and night to F O'Connor Council. But now, after h has run the council chairs, and is en titled to sit back and take things ju a little easier, he has taken upon hin self a job that subjects him to call a any hour of the day or night.

As chairman of the Council Blood Do nor Group, a group which he personall organized, he is performing, in ou estimation, one of the greatest work of charity conceivable. Just ask an of the members, who have been unfo tunate enough to need the services o a blood donor for themselves or the family what they think of Bill Kin These folks just can't sing his praise high enough. For Bill not only fin the type of blood needed and arrang for a member of that type to give th transfusion, he gives a majority of th transfusions himself. To date, Bill h given more transfusions than the en tire volunteer group, which now num bers some seventy members. So ha off to Bill King, a man who gives h life's blood to insure the welfare, goo health and security of his brother mem bers and their families.

GOLF TOURNAMENT

Co-Chairmen, Father Rausch an Dick Navin, announce that Fr. O'Con nor's annual Cup tournament will no be held in August as originally planne A survey has convinced them that would be more advisable to wait for th cooler days of September when mos members will be afforded the oppor tunity of playing in the tourney.

At present most of the members ar away on vacation, and they feel tha everyone who wishes to do so, shou be given an opportunity to win one o the coveted trophies. In the meantim they request that the winners of th trophies last year return them to Dic Navin at 3115 Montrose Ave. As yo know, the cups must be won thre years in succession to gain permanen possession.

KNIGHT LIFE

They tell us that Gumshoe Messett still wondering how we found out abou his trading his fishing equipment fo Bratwurst sausage. After hearing th we're doing a little wondering ou selves. We're wondering just wha makes old Gumshoe think that he's detective. . . . Fr. O'Connor's softba squad ended the season just as every one expected they would. They droppe a closely contested tussle to Unive sity Council. The boys still claim tha a blind man sent Eddie Wilson hom with the tying run while the catch was standing on home plate with th ball. Your scribe missed the contes as he just couldn't stand to see the boy go down in defeat again. The tea closed the season with a perfect re ord. Twelve defeats in twelve start May they rest in peace. . . . Some gu just won't give up. Eddie Zaleski still sending that green stuff to a bun of guys who were beaten months ag . . . Your scribe was given a taste what he will encounter in a few week when he witnessed a would-be softba player attempt a slide into third ba last Sunday. The W.B.S.P. round second and lit out for third in the fine U. S. Army tank formation. A when I say formation don't think I fooling. It really did look like mo than one tank coming down the bas line.

Someone told Jack McGuire that Pa Mercer liked scrambled eggs. Upon hea ing this Jack wasted no time in seein that Paul got what he wanted, all ov the front of his trousers. All this takin place in an egg throwing contest. We think the record for long distan sitting is now held by Tommy Gaugha When Tom gets on the slippers an plants the dogs up near the fire yo just can't disturb him. We have r ports that he sometimes spends the en tire night that way. . . . Speaking Tom brings to mind something about trade to be negotiated between Tom family and that of Maurey O'Brien.

Milk is the sole food of the newbo infant, and continues to be a main pa of his diet throughout childhood, b cause of its importance in growth.

O'CONNELL SCORES BIG SUCCESS WITH PICNIC

2-4 Tues. . . . . Hill and Franklin

Main attraction of last Sunday's picnic was the muscle-rendering baseball game, married men vs. single men, in which the married men were victorious by a large score. The results were reported by loud speaker system throughout the grove, and as I sat at my table taking notes I recorded the following:

Mrs. Dom. Faraci, Miss Irene Kane, Miss Rosalie Galiardo, Mrs. John Stubing, Miss Marge Riggio, Miss Lenora Niggliozo, Mrs. J. F. Henrichs, Mrs. Barbara Cozza, Mrs. John Spatafora, Mrs. Joseph Storniello, Miss Ann Lasciandrella, Mrs. Frank Ranieri, Josephine Tantillo, Mrs. Sam LaScalla, Mrs. Vic Bonano, Mrs. Joseph Marino, Mrs. Frank Mauro, Mrs. Victor Scimeca, Mrs. Dominic Spatafora and Miss Anna Bono, were all presented with two pound jars of coffee.

The race for girls, 6 years and under, was captured by Grace Fontana, with Dolores LaScola running second. Boys 6 years and under—1st prize to Ben Nathan, Jr., while second place was filled by Victor Spatafora. Girls 6 to 10 years—Frances Mauro, 1st, Marylin Meiers, 2nd. Boys, 6 to 10—Vic LaPorte, Jr., 1st place and Thomas Meyenberg, 2nd. Girls, 10-14, won by Frances Tamborella, 2nd, Rita Klein. Boys, 10 to 14—Robert Meier, 1st, John Cassata, 2nd.

Girls, 14 to 18—Marge Reggio, 1st, Angelina Mauro, 2nd. Boys, 14 to 18—Anthony DeLarenzo, 1st, Jack Stubing, 2nd. Single ladies race—1st, won by Dolly Fotos, 2nd by Marian Erkenswick. Single men—1st prize, John Loftus, 2nd, Coke Loftus. Married ladies—Mrs. Carmella Schmidt, 1st, Mrs. Grace Poleromo, 2nd. Married men—Joseph Calomea, 1st, 2nd, Victor LaPorte (lecturer). Fat men's race—1st, John Cassata, 2nd, Joseph Fontana. Fat ladies—(there were no fat ladies at the picnic).

We were honored by a visit from Grand Knight Joseph Maggiorio of St. Cyr Council and his family, as well as by Rev. John Lauretti, pastor of St. Dominic's church. We were favored with vocal selections by Mrs. Tontillo and Mrs. Callomea.

Congratulations to those who celebrated their birthdays, Sunday, Aug. 10: Miss Viveritto and Mrs. Spatafora. Highlight of the day: Our Grand Knight Bro. Edward Gauna in a huddle with four past grand knights, Bros. Ben Nathan, Jos. Meier, John Stubing and Tim Clifford.

Move Over, Please

Frankly we don't know if it's because of the supposition that we'll fit into one of the new income tax brackets, or if it's just a result of a general tension from wondering what the government may do with us next, that we've been paying an inordinate amount of attention to what is going on in Washington.

During the last several months we've been poking through the mad-cap antics of Congress and of other national bodies, looking for a nice, neat problem over which we could work up a prolonged worry without the fear of waking up some morning to find that the object of our mal-dictions was lodged on our side as a fellow compatriot.

At last we think we've got something that is deep, and that bears every indication of longevity. In the first place, we have it—in the phraseology of our foreign correspondents—"on reliable authority" that the object of our pet worry is absolute in its genuineness. We know this because we saw similar accounts of the same subject in the *Chicago Times*, and in the *Chicago Tribune*. And when two such Titans of the press can agree on the same subject, we know there can't be room for error.

We know that the subject of our solicitude is destined for extreme old age because it is a problem that can only be solved by the operations of the body politic in our capitol city.

What's bothering us isn't anything so general as the international situation—we can leave that to far more practiced worriers—ours is the problem of location as it exists in Washington. It seems that there are too many people in Washington for the number of places there are to put them.

Miss Marcia Winn, in a special dispatch to the *Chicago Tribune* on August 12, cites a few statistics in the rising difficulty of living in our nation's capitol. Says Miss Winn:

"Washington contained 64,000 government workers in 1930. In May, 1940, it contained 137,294. In May, 1941, it contained 183,875. Since May, more have been coming at the rate of 3,000 a week.

"These figures do not include anyone in the military service. The military figure is a confidential, closely guarded quantity, last estimated at 9,870. Its ranks are increasing daily."

From all of this overcrowding there it is apparent that there is naturally created a great source of crime and of ill health. Sex crimes are no longer novel and thefts are a common occurrence. The daily scramble for lunch and dinner, comprised at best of a sandwich bolted on the way through the revolving door, plus nights of poor rest in overcrowded rooms must eventually result in a nervous fatigue that will wreck even the strongest physique.

A reasonably astute answer to all this it seems can be found in the simple sleight of hand gesture of moving Mohammed to the mountain. Chicago, typical of a score of other leading cities across the nation, has a myriad of empty office buildings or buildings so nearly empty that it would take no particular effort to accommodate almost any number of the now elbow-jostled Washington agencies. There is enough apartment and hotel facilities here to comfortably and reasonably accommodate literally an army of workers.

Decentralization of the overcrowded Washington center would put many huge buildings all over the country back on the black side of their ledgers and turn them into sound tax-paying organizations. Such a move would lessen—even if by present standards only by an infinitesimal bit—the tax load that is to be borne by the rank-and-file citizen who must now also be charged for the inefficiency that the overtaxed national city must surely breed.

The increased buying power that would be represented in those cities lucky enough to accommodate some of the removed bureaucracies would also go far to relieve the worries of many a small business man now faced with smaller markets and rising costs.

If one-third of our nation is "ill-housed, ill-fed and ill-clad" we feel pretty confident that nearly one-third of that problem is open to a fairly easy solution.

ST. CYR FOURTHS HAVE PICNIC PLANS ALL SET

1-3 Mon. . . . . 1609 N. Halsted St.

Just one more week and the first annual Cyrfour Picnic and outing will be upon us. On Sunday, August 24, hundreds of St. Cyr men, their families and friends will celebrate at St. Paul Woods, Lincoln Avenue and Dempster Road, in Morton Grove, Illinois. There will be dancing, refreshments, entertainment and prizes, and the tickets are selling for only 25 cents.

This picnic is being sponsored by the Cyrfour and this is the first such attempt. Heretofore an early fall dance was held. However, in running a picinc an opportunity will be given to the children as well as the grownups, to participate in a St. Cyr event. Saro LaRusso and Frank Angelo are in charge of games and races; Anthony Scarpinato, chairman of refreshments; Frank Lopes is taking care of the prizes and together with the rest of the Cyrfours acting as one large committee, a splendid affair is in the offing for all those who are out at St. Paul Woods on Sunday, August 24.

There are those who do not have any means of transportation. For further particulars as to how you can get out there watch the next issue of The Columbian.

BOWLERS' MEETING

A bowlers' meeting was held last Monday night at Eli Bates' house. A good number of brothers were in attendance to take part in the choosing of teams. President Sam Rannochio, and Secretary Cosmo Coniglio, stated earlier this summer that sixteen teams would bowl in this year's tournament. The way the enrollment is at present, there is quite a bit of assurance that on the opening night, eighty men will be all set to shatter their previous averages.

Many new faces will be among this year's bowlers, with almost all of last year's men right in there ready to do justice to the Monte Carlo alleys. Each session will cost the brothers $1.25, the excess being returned in the form of prizes. There is room for more bowlers, so if you wish to bowl, get in touch either with Rynie or Coko, and they will make room for you.

St. Cyr played its last softball game a week ago Thursday, and are now preparing for the championship rounds. Due to a conflict, the score of last week's game will not be given until the next issue of The Columbian. But we have one assurance. The boys are right in there and soon after Labor Day will make their championship bid, by meeting the various district champs. This year all games will be played under lights, which will give many of you an opportunity to see our champions in action.

CYR-IOUSLY SPEAKING

You've heard of the Gar-Cliff Orioles before. A great majority of these boys from the near north side, have in the last few years, come into St. Cyr council, almost as a body. Their regular meeting night was Mondays. However, this was in conflict with our regular St. Cyr meetings. The boys didn't want this because they were loyal St. Cyr men, and also loyal Gar-Cliff Orioles. There was only one thing to do and that was to change their meeting night.

Thus on Monday nights, as we cast our eyes around the council chambers, we see many of the boys. They've pulled for St. Cyr, have brought in many new members, are body and soul for council activities. Now the boys are running a dance, and we of St. Cyr can show how we feel about them by giving them our wholehearted support. A slap on the back, words of cheer and praise are all great things, but it doesn't make a successful dance or build an organization.

Brother Sam Leto is this year's chairman of the affair which is to be held at the Lion's Ballroom, a place familiar to everyone of you who read this column. The night is September 13, and music is to be furnished by Sammy Sebastian and his Black Kats, with tickets selling for 40 cents. If you see some of the boys, don't wait until they ask you to buy a ticket. Ask them for some, and brother, you won't regret being a friend of the Gar-Cliff Orioles. Saturday night, September 13, is the night of their big affair.

Again amongst us last Monday night, was Brother Anthony Cancilla, one of the most active men in council activities. Tony had been laid up with a severe illness since the latter part of April, and things just didn't seem the same without him around. But he's back with us, hale, hearty, and the same old Tony that we knew before he took to bed. Welcome back, and here's to you for lots of good health.

We wish to express our sympathy to Brother Sam Leto, for the loss of his beloved brother, who was laid to rest last Tuesday. A man not yet fifty, we mourn the loss of the beloved one. May his soul rest in peace.

Stooping and reaching into deep cupboards can be avoided by the use of sliding shelves that bring out equipment as they are pulled forward.

Perhaps the first great work that the Knights of Columbus engaged in, aside from its home protection and local benefactions, was the endowment of a Chair of American History in the Catholic University at Washington, D. C. A fund of $500,000 was collected by the Order and turned over to His Eminence, Cardinal Gibbons, on April 18, 1904.

—John J. Edgebrook.

Following the San Francisco earthquake horror, an appeal was sent to the local council of the Knights of Columbus for relief funds. In an incredibly short time $100,000 was made available for relief at San Francisco.

Champions of the Knights of Columbus Baseball League in 1908 *was the strong team from Calumet Council. On the famous squad were M. F. Croake, P. W. Barrett, H. H. Rafferty, P. H. McLaughlin, W. Gibbons, J. Malloy, M. D. Dolan, D. Gibbons, W. L. Bush, G. J. Fitzgerald, C. J. Glennon and "Jakey" Atz, mascot. Batteries were M. F. Croake and W. Gibbons, pitchers, and G. Mooney at the plate. J. E. Byrnes was Grand Knight of Calumet at that time.*

Several Chicago Councils of the Knights of Columbus provided entertainment for the soldiers stationed at Camp Grant during the last war. Commodore Barry Council, with Charles Chambers and their famous minstrel troupe, visited the camp on Sunday, May 4, 1918. Fort Dearborn Council, under the direction of Mr. Ted Ryan, sent down a similar aggregation on December 9, 1917, and their justly famous Irish Minstrels on December 8, 1918, one year later. The latter performance proved an innovation. The novelty of the individual numbers, and the able manner in which they were rendered made a stupendous hit with the audience which had crowded into every available bit of space in the main hall.

On July 20, 1919, Mr. M. Hurley of Charles Carroll Council promoted a variety show, which was a gratifying success and redounded to the credit of both Mr. Hurley and the galaxy of semi-professional talent that featured his program.

Attendants at Council dances in 1919 *danced to the tunes of "I'm Always Chasing Rainbows," and "Smiles," "Dardanella," "Hindustan," "Japanese Sandman" and "I Love You Sunday."*

Smart guys were flooring the opposition with the snappy comeback of "I'll say she does," taken from the most persistent favorite jazz tune of the year, "I'll Say She Does."

If it's before the 1st of July, the male guests may enjoy a Bronxe or Scotch highball while discussing the Prohibition Law. Remember?

In the storm that caused death and destruction in Corpus Christi, Texas, in the autumn of 1919, the Knights of Columbus were among the first to send relief funds.

Religious work sponsored by the K. of C.'s at Fort Sheridan during the summer of 1919 and continuing until long after the war was over was in charge of Sr. Chaplain George T. McCarthy and Chaplain M. J. Heeney.

Chaplain McCarthy was twice wounded while in France and during his service at Fort Sheridan won the admiration of all who knew him for his untiring efforts in behalf of the service men. Amongst other activities Chaplain McCarthy organized the Joan of Arc Battalion and association of Catholic ladies, for special work at the hospital. Weekly dances, receptions and lunches were given at the K. of C. Building with the assistance of these ladies.

Every Sunday the ladies of the Battalion served breakfast to the communicants and many others who desired to partake of the good things offered. Food was supplied by the Knights of Columbus while the ladies did the serving. More than 500 men were served every Sunday morning.

—Peter McCarty, Santa Maria.

In the spring of 1913 much serious damage was caused by floods in Ohio and Indiana. Immediately on receiving intelligence of the damage, agents were sent to the flooded district to take charge of relief work. The Board of Directors of the Order appropriated $10,000 for the sufferers, and afterwards increased the sum to $18,000. The councils of the Order contributed over $20,000 in response to the appeal of the needy there.

DOWLING PREPARES FOR BUSY SEASON

2-4 Tues. . . . . 3625 So. Hoyne Ave.

Our council is all steamed up for the new year. Our Grand Knight has given instructions to our Lecturer to prepare his program and to give our members plenty of entertainment and to promote real activity for the coming year. Our Grand Knight is very confident that with the cooperation of his fellow officers he is sure we will go places.

He again is appealing to the members to attend meetings and to take advantage of the benefits that are given by the Lecturer in the way of entertainment.

We also have another committee of great importance but for which the chairman last year did not receive the full support of the members, that is the membership committee. Your Grand Knight is soliciting your cooperation for the new chairman and it is his thought that we could increase our roster at least by 200 for the year. You will receive mail from the chairman in the near future and any assistance will be appreciated by all your officers.

Another grand committee is the Blood Donors Committee. We have been a little lax in getting our members typed. Brothers, this committee is very important and is very worthy, as most of the councils have a roster of 100 or better and we have only 31 or about 3 per cent of our membership. If you are willing to help this chairman turn in your name and he will make the necessary arrangements.

The next committee is the sick and visiting. You will remember that this committee was handled very nicely by our chairman but the brothers should help him out by paying a visit to our sick and give him the confidence of a brother knight.

NOTES

I see Brother Crescent O'Connor, our popular attorney, is back from his vacation and doing business as regular.

We could form a Grandpa Club among our members. I will have to talk to Trustee Pransky and Tom Connelly and a few more of these Glamour Grandpas.

P.G.K. Bill Furlong is back in the harness again and giving his full support to our officers. Thanks, Bill.

The 12th Ward Dem. Club is holding its Charity Picnic on next Sunday, Aug. 17, at National Grove Forest Preserve, 28th St. and Des Plaines Ave. Our Bro. Knight Frank Zintak and Ald. Hartnett are chairmen and our hard-working Recorder Tom Gallagher is secretary. They extend a cordial invitation to our members to attend.

Miss Lucille Dorothy Lorden, the daughter of our popular member Harry J., will be united in the Holy Bonds of Matrimony to Mr. Robert E. Skillen on Saturday at 10 a. m. in Our Lady of Good Council Church, 3532 S. Hermitage Ave. A reception will take place at 8 p. m. at the Hotel Wedgewood. We extend our best wishes to this couple and hope they have many years of happiness in wedded life.

Well, Geo. Spencer can do a little razzing with Lorden as you know Harry kind of put George over the coals a short time back.

Well, brothers, I will have to apologize for our short column but I am on my vacation up in Colon, Mich., and took time out to have a column this week and I am not in a position to give you more until next issue.

I would appreciate a little cooperation from the members by giving me some news items. Mail to R. F. Kelly, Room 900, 910 S. Michigan Ave.

Columbus to Start Busy Council Year at August 26 Meeting

4 Tues. . . . . 6932 N. Clark St.

After several years as a successful scribe, John Hayes has asked for relief. You deserve it, John, but we will all miss your friendly chatter. As long as I have been in the Council, I have looked forward to reading your column every Friday. Doctor Schuler and Ed Roche, who were Grand Knights of the Council while you were Scribe, I am sure, appreciate your faithful efforts, as do all members of the Council.

Your new Scribe will attempt to carry on, but his column will be conducted like the late Harvey T. Woodruff's "In the Wake of the News." In each issue he used to shout "Help! Help!" for aid from his contributors. So please telephone or write your tid bits to the Grand Knight or your new Scribe, L. C. Dollahan, 1839 Estes Ave.

There will be only one meeting in August as per custom during the summer months. It will be August 26 and the first meeting at which our new Grand Knight will preside since his installation. We would like a good crowd to start him off right on his year of activity.

CONDOLENCE

Last Monday night many of the brothers attended the wake of P.G.K. John A. Boland who died last week at the age of 86 years. Because of his advanced age he has not been active in the Council's affairs for some time. He was the first Grand Knight of our Council. The entire membership offers its sympathy to the bereaved family. May his soul rest in peace.

COUNCIL ACTIVITY

Several members attended Grand Knight Al Irving's house Monday for a business meeting and to discuss plans for the ensuing year. Al has many excellent ideas for the good of the Council, and all he needs is a little help from the members to put them into execution. The meeting turned from business to social when Mrs. Irving graciously set before us a sumptuous repast and Al opened can after can of the amber fluid. He over-estimated a little bit the capacity of the group, but a few of us did our best to uphold the reputation.

Trustee Doctor Schuler was among the group at Al Irving's house, having just returned from a vacation automobile trip through the South, visiting among other places, New Orleans and Miami. Doc does not want to be stamped in the usual pattern, so he goes South in the summer time and North (North Chicago) in the winter time.

Harold Borchardt and Trustee Ed Kelly looked like they had been spending a lot of time on the golf course or the beach. Ed Roche also made his appearance after a vacation spent on his farm in McHenry County. I am told that Ed lived the quiet life of a rustic gentleman for three weeks, except for one night, when he broke the slot machine at a certain spot in McHenry. Saw Enos Hamer at church Sunday, home from his vacation at Bailey's Harbor, Wisconsin.

Our worthy Chancellor, Albert Weimeskirch, went fishing away up in the Upper Peninsula and brought home 35 fish by actual count. Most every family in his neighborhood had fish for supper the night of his homecoming. Your Scribe had one and it was excellent.

St. Jerome's Holy Name Society is having a golf tournament at Sportsmen's Club, Dundee road, 2 miles west of Waukegan Road, on August 27, 1941. The tee-off is at 12 noon and the dinner about 6 p. m. Father Charles Burke who was our guest at our last meeting, is the spiritual director of the Society. You are cordially invited to attend this affair. Get in touch with Ed Roche for reservations.

Loyola Hyde Pk. Urges Attendance at Meets as New Season Begins

2-4 Thurs. . . . 7435 Cottage Grove

Before introducing our scribe, Geo. Bermingham, let us thank our new Deputy Grand Knight Bentley J. Baker who pinch-hit for the scribe during the last few weeks while I was in the east.

Now that I'm back on the job, fellows, let's have news, good news, bad news, news of marriages, news of our brothers going to camp, at camp, vacation news, sport news, sick and wake news, promotion news, news of job opportunities, other council visits and other neighboring council news. Let's co-operate with the newscaster to make our column interesting. Your scribe is at your disposal at 6514 Dorchester. Ride over and drop your notes in the mail box, mail it, or phone Dorchester 4909. Give, fellows, give!

ATTEND MEETINGS

Your new officers request your cooperation in making a success of the council's coming events and the best way to do this is by attending meetings. Suppose you were the officers elected. How would you like to officiate at meetings graced by empty chairs?

We don't mean that we are having this sort of trouble because everyone knows our new Grand Knight, Jack McGuire, is very popular and if you ask me we should have a year of the most interesting and best attended meetings that we have had in years. Jack is an organizer. He has picked a staff of fellows who will co-operate. He has a lecturer who is a real entertainer, so come up to the meetings and encourage the lad.

Bar-B-Q. News: Art Borgeau will enjoy the next night ball game because he was such a good barbecue ticket salesman. His efforts were rewarded with the free ticket presentation recently.

U. S. O.

We might be a little early in advising you to plan your party of friends to attend the Charity Ball which has been revived this year. It will be a Columbus celebration being held at the Palmer House. The funds from the ball will provide a place of entertainment for the soldier, sailor and marine visiting our city. Our own P. G. K., Richard L. Judge, is an officer on the U. S. O. K. C. committee.

WANTED AT MEETINGS: Herb Buckle, Art Borgeau, Dave Murphy, Gene Sullivan, Gene Mooney, Clyde McGinnes, Jim Cavanaugh, John Kleutch, Caesar Masini, Max Steinhouser, P. G. K. Walter Kelleher, Andy Walsh, Dr. Heinz, Carlo Jiamaria, Jim Cowhey, Jack Barrett, Danny Brennan, Marty Wallen, Mike Corilett and a lot more brothers we could mention.

OUR FOURTH DEGREE Club again asks the third degree members who wish to avail themselves of the time payment plan to prepare for the next fourth degree initiation to register their intention with Bernard Thompson by phoning him at Vin. 5469 or Ste. 3103.

VACATIONEERS: Bro. and Mrs. Bernie Rupp just got back from the Smoky Mountain district. Jack Flanagan is vacationing as well as John Martin, who found a fishing spot in Wisconin. P. G. K. Arch Hermanns is vacationing in beautiful Yellowstone Park. Jack Barrett is also vacationing.

SICK AND WAKE: No news on this has reached me this week; however, fellows, we now have a "sick and wake" chain phone system. So please let your Deputy Grand Knight know at once and also your Grand Knight and scribe so they can note same and get the fellows out. Phone D. G. K. Bentley J. Baker, Abe. 3095 or Vir. 2313, Grand Knight Jack McGuire at Dor. 1485, or the scribe at Dor. 4909.

Garcia Moreno Asks More Teamwork for New Council Growth

2-4 Tuesday..155th St. & Lexington Ave.

The study and effort put forth by many members of our Council over these period of years have made possible the fine growth of Garcia Mareno Council. This accomplishment did not come by chance discovery of a secret formula. It is the results of much effort, and a combination of many ideas contributed by members.

Attempts have been made to imitate the program of our Order. To imitate one must adopt some of the other organization's ideas, methods or characteristics. It is very difficult to imitate an organization whose scope of operation covers so many important features as ours. In fact, it is impossible to do so successfully. Charity, Unity, Fraternity and Patriotism are the four marks of our Order that will be the four symbols to urge our Catholic men to join our ranks.

Our ranks will never thin out when we have a Chaplain whose love for his Order and Council always leaves us with the inspiration to carry on, no matter how heavy the load. Our Chaplain Rev. Ign. Renklewski is an outstanding Knight of Columbus whose work for the Order is known to all. We are indeed fortunate to have his service for another year and we only hope that we prove worthy of his efforts.

Our Chaplain wants our Council to grow. He has often told us that we can derive a lot of personal satisfaction from having had a part in developing our Council, and encourage the Catholic men to join our ranks. We have the responsibility of maintaining a Council which will merit Catholic approval for the years to come. This responsibility should be a source of genuine pleasure to us. We all know it takes cooperation to be victorious in any game and our work for the Order and Council will not progress as efficiently if it has a grandstand player among its crew. We should all be a part of a cooperative machine, working as one for the benefit of all. If we heed to the words of our Chaplain our Council will grow and prosper. Let us show him we are with him.

THIS WEEK'S WASH

To John Begnoche and wife our sincere congratulations on the recent celebration of your 10th wedding anniversary. To Bill Sawicki we extend our congratulations on the new arrival of a future K. of C. Mother and baby doing fine. The sons of D. G. K. Joseph Dehnert and Walter Goletz underwent a tonsil operation. They both are O.K. now. Andy Curzydel, they say, had his head in bandages. How come, Andy, we have no report on you? Received a report last Saturday that Charles Moran was on the sick list for a week. We hope your stay on that list will be a short one, Charley.

Saw Jack O'Hara at church Sunday, looking grand. D. F. MacDonald and family are enjoying a vacation in Canada. The picnic committee is on the job and is working hard to have a successful picnic. Did you receive your book of picnic tickets? If we missed you, we are sorry, kindly contact Romeo Begnoche. We want every member to honor his Council with at least one book sold. Don't forget the kiddies. Joe Reardon and Chas. Wisell are looking for prizes or money to provide a large program for the young and old. Give them some help. The scribe's thanks to Mrs. John Mech for news furnished.

We are very sorry to report the death, last week, of the wife of Wm. Voss, Sr., and mother of Wm. Voss, Jr. The Councill extends its deepest sympathy to these two brothers in the loss of one so dear. May her soul rest in peace.

Trouble soon pines away and dies if neglected.

Ketteler Enjoys Father and Sons' Meeting Program

2-4 Mon. . . . . 3437 Ogden Ave.

In spite of the inclement weather a large representation of Brothers and their sons attended the Annual Father and Sons night of Bishop Ketteler Council. A short business meeting preceded the unique program arranged by Lecturer Tom Bogan. Movies, and the personal appearances of Lou Topps and Jimmy, the wonder monkey, and Walter Matz, the clown appealed to all present. It goes without saying that the fathers enjoyed themselves as much as the sons.

On the previous day Bishop Ketteler Council had held its Annual Picnic at Bergman's Grove. The success of the affair can be attributed to the hard work of the Committee, to the very generous donors of the prizes, and to the Brothers who attended. Brother Ray Schaber was the lucky person to win the Nesco Roaster and Mrs. Alice Schuessler, wife of the manager of Lawndale Hall won the Mix-master.

The wandering cameraman, whom we shall allow to remain incognito, was observed taking some very candid and unposed shots. An enjoyable and surprising evening is in store for the Brothers at some future meeting when the movies will be shown. P. G. K. Bill Kelly is insisting already that he was framed—maybe he was and, then again, maybe he wasn't; maybe other Brothers were framed—and maybe they weren't. We shall see what we shall see. An unexpected delegation from Russianovich—P.G.K. Bill Kellyovich, Dr. Kvasnikowicz, and Stanley Kasparovich appeared. Did you bring home the baconovich, boys?

FIRST DEGREE BY COLUMBUS DAY

An early degree class is the hope of Bishop Ketteler officers. P.G.K. Barney Czerwinski has accepted the Membership Committee Chairmanship and will call his committee for a meeting very shortly. We know that the members will give their support to Brother Czerwinski and that the membership of Bishop Ketteler Council will increase in proportion to the effort expended.

BOWLERS ATTENTION! A meeting will be held Friday, August 16, at Lawndale Hall, to arrange for the coming season. All Brothers who wish to bowl are urged to attend this meeting as the season opens early in September and that isn't such a long way off. Have you seen Major Recreation Alleys lately? Orchids to the Majcher Brothers, owners, and to G.K. Eddie Oakes, manager for the splendid job of renovating. The Scribe hopes that the alleys have been softened up on the port side. At any rate, Brothers, many enjoyable evenings are in store for those who bowl during the coming season.

CONGRATULATIONS to our softball team! By their outstanding play throughout the season they compiled the grand record of twelve victories in fifteen games. They are thus assured of second place in the section and have a possibility of gaining a tie for first place. One of the plays to be remembered in the Ketteler Hall of Fame was "Flash" Wenckowski scoring from second base on a sacrifice fly. . . . Yes, Brothers, he did. He has not yet told anyone the name of the liniment he uses either.

THE L.G.A. CLUB apparently doesn't think our Softball team is so hot for they have issued a challenge for a game and said challenge has been accepted. The place—Columbus Park (Austin Blvd. and the Garfield Park "L") the time—Monday, August 18. After the game the players and spectators will go to P.G.K. Sam White's basement, 1137 S. Mason Av., for refreshments. Sam has stated that the Council team is in for a drubbing, and we will look for many Brothers to attend: All are invited.

COUNCIL ITEMS

Brother Alexander Nowicki and Bernice Kubistol were united in the solemn bonds of wedlock at St. Mary's Church on Saturday, August 2. We wish the newlyweds every blessing and many years of happy wedded life. Brother Nowicki is the nephew of Brother Frank Karolczak.

We were very pleased to hear that two of our sick members are rapidly recovering. Brother John Musialowicz has returned to his home from St. Bernard's hospital and Brother Stanley Swartz has recovered almost fully. Best wishes and we hope that good health will be yours for many years to come.

Our Financial Secretary has asked that dues be mailed to him at his home—the address; Frank Estis, 1925 S. Troy St.

P. S.—No news is not good news, Brothers. Let's hear from you—the telephone is Lawndale 6662.

PRIZE HOUSEKEEPER

Wives of many Knights complain with the opening of the outdoor sporting season of being golf widows, but Bro. Frank P. Boehler of La Grange says the shoe is on the other foot in his home. The reason for Frank's complaint is that his charming wife was selected as general chairman of the Mount Vernon House committee, a project sponsored by St. Francis Xavier parish in that western suburb. Frank invites Ketteler Council members to visit the Mount Vernon House, which is located at 345 Malden Ave. in La Grange Park, and Frank adds, with emphasis, that if he should not be at the House to greet his friends he is sure his wife will be.

Weber Solicits Full Council Support for Enlarged Donor Unit

1-3 Mon. . . . 4758 S. Pulaski Road

A scribe writing a column for Weber Council could not go on for very long without mentioning the Blood Donors group. It seems strange that every brother is not a member of a group that is 100 per cent charitable and humanitarian. Personally I think that a good talk on the subject at some future meeting would enlighten many of the brother knights into realizing the importance of such a group.

At the last meeting a very short talk and explanation by Bro. James Swientek brought seven new members to the group. Just think what a little campaign could do.

Anyone wishing to correspond with Bro. Casey Paulinski may do so by writing to him at the following address: Private Casey Paulinski, S. & A. Battery, 2nd Bn., 108th F. A., Indian Town, Gap, Penn.

Brother Eugene Nawrocki has returned from a very enjoyable vacation. A card letting us know where you were would be fine. Brother J. Czapelski and the Mrs. are vacationing somewhere in Wisconsin. Hope they have a swell time.

I think that Bro. Frank Wegrzyn should be given the title of No. 1 vacationer. Frank was out for a couple of weeks on a Wisconsin farm, now he is planning to go out after some big fish. Come back behind the old mahogany for a while and then sneak out west for another vacation. "Man, o man, wotta life."

Remember Sept. 20th? That's the night of the baseball dance. Tickets can be purchased from any member of the team for the price of 40c. On the following day, Sept. 21st, is that terrific golf tournament at Southmoor. Tickets $2.50.

THE OBSERVER

Some of the Weber golfers have taken the tournament to heart and can be seen very often on the Southmoor course. Those super turf-diggers, P. G. K. J. Martynowicz, Budget Chairman F. Wegrzyn, Treas. L. Dobrowolski, and Rec. F. Kubiak, should know the course by the time the date of the tournament rolls around.

While takin' a stroll the other day, Bro. John Wojcik was suddenly hit by a bicycle driven by a fair maiden. Down went John, and down went the young lady. Bro. John lost a straw hat and the bike suffered a broken wheel. The big surprise came when the young lady, upon picking herself up, looked at Bro. John and remarked, "Now who's going to pay for the bike?" I wonder who did? How about it, John?

Ending the column for the day, I'm warning all to be on your best behavior 'cause Bro. Johnny Tzros, chairman of the Catholic Action Committee, is busy making arrangements for us to receive Holy Communion in a body very soon. Fine work Bro. Tzros. A little time out for spiritual advice will do us all some good.

Thanks for the news, and for those who do not know, the phone is LAF. 5822 and the address 4343 S. Drake Ave.

Eight Catholic Nurses Killed in Bombing

Manchester.—Eight young Catholic women were buried alive here when bombs destroyed a preliminary hospital training school only a fortnight after the women had begun their training. . . . London.—Anxiety as to the status of English clerical students attending the English College of St. Bede in Rome was voiced at least four months before the Nazis invaded Poland, it has been revealed. As a result the students and their English instructors left the Eternal City a month before Italy joined the conflict. . . . Liverpool.—Six churches, three of them under the guidance of Benedictine priests, were damaged in recent raids here. One of the Benedictine churches, St. Mary's, the mother-church of Liverpool, rich with memories of nearly two and one-half centuries, is in ruins.

University Starts Push for Charity Ball Cooperation

2-4 Tues. . . . . St. Ignatius Auditorium

On Saturday, October 11, the Chicago Chapter Columbus Day Charity Ball will be held at the Palmer House. This event will be in benefit of the National Catholic Community Service which is providing for army and navy men in the city. The price has been set at $1 per person, so that it will be possible for every member to attend. Further details will be given at the next meeting of the Council, Tuesday, August 26.

At the end of this column our softball fans and students of psychology will find the annual complaint of our former scribe. He will probably lay University's defeat at the hands of Marquette in the final game last Sunday to the fact that he wasn't in the game. The score, 9 to 7, was the result of a murderous assault of the Marquette hitters in the final inning, so we are told. A large crowd turned out for the game. Jim Futter took charge of the scorekeeping and Frank Weitecamp and Mr. and Mrs. John Rohe were among those seen at the game. University won seven games and lost five this year and the team looks forward to another successful season in 1942.

BOWLING

The Howard Bowl, 1777 Howard Street, will be the home of the Council's league this year. Opening night Friday, September 19. The same officers who handle matters so efficiently last year will again be in charge. Arrangements can be made for an eight or a twelve league team, and the officers hope that everyone interested will be out at the start. For further information call President Ed Doyle at Ravenswood 8244 or Secretary Tom Dasse at Hollycourt 4344.

JAMES E. MOYLAN

Our Brother James E. Moylan died on Wednesday, August 8, after a lengthy illness. A very large group of University members attended the vigil on Friday night and the funeral Mass at Our Lady of Mercy Church on Saturday.

VACATION NOTES: P.G.K. Quigley expects to take his family to their new north woods retreat in Wisconsin this week end.

Brother J. Thomas Moore is giving the go-by to Paddock Lake this week end. Well wishers who want to see him will have to journey on to Waupaca where he will be holding forth.

MORE FROM MOORE

"Dear Scribe: I am reliably informed that you are still a scribe of University Council and there is a matter of interest to all the members that I think should be published at the earliest possible moment in the Columbian. And here's the item—

About four years ago Mr. Timothy J. Murtaugh, who at that time was in charge of the softball team, put your orator in as a catcher and pinch hitter. It goes without saying that I was very successful, as two years ago I was unanimous choice of University Council for manager.

After I resigned as manager, Mr. Philip Ryan took over the position and sought me out as a catcher. I served ably under Mr. Ryan and hit about 650. Late in the season Mr. Ryan for some personal reason of his own fired me.

University Council never gave me a softball suit, a shirt, a bat, or a pair of shoes. I furnished my own. All this leads up to the fateful year of 1941. Mr. James Kane is appointed manager of the softball team by our esteemed Grand Knight, Mr. Timothy J. Murtaugh. (Note: How he has risen in the past four years to the office of Grand Knight from a lowly softball man.) I want to be on record now as having no quarrel with Mr. Kane. I have always liked Jim and still do.

However, Mr. Kane went on a vacation from his arduous labors in the County Building and put Mr. Martin Clarke Jeffers in as manager of the team in absentia. Martin started off with a bang. He fired himself as first baseman and put in John (I am good! Moore) and John played a wonderful game, at first. Mr. Jeffers, of course, fired me as catcher and put in such players as Jerry Conway. Mr. Jeffers may have felt that they were faster than I was on the bases, but I think he was wrong and so do many other members.

Mr. Kane came back from his vacation. Mr. Jeffers fired John Moore as the first baseman and shifted him to third. John played a wonderful game at third base just like he had at first, but the final of all came when I received no invitation either from Mr. Kane or from Mr. Jeffers to play last Thursday night, August 7. I felt very bad and brooded to myself at Scotty's round table how my old friend, Martin Jeffers, had double crossed me. Later on in the night I got the score from John and what do you think I found out—that Martin Jeffers had fired himself as first baseman and took over my job as catcher.

I think the members of University Council should give this some serious thought as Martin Jeffers is getting prominent in our Order and I do not think that a man of his caliber should be allowed to get ahead in an organization devoted primarily to fraternal pursuits.—Tom Moore."

Phil Sheridan's Staff Inducted Last Meeting by D.D. Jos. T. O'Neill

1-3 Thurs. . . . . 446 N. Parkside

Under the leadership of G.K. Edw. Bachner, and with the excellent staff of officers supporting him, there is every reason to believe that this will be a banner year for Phil Sheridan Council. The newly-elected officers were installed at the last meeting by D.D. Joseph T. O'Neill.

If any of you Brothers are called to serve on any committee for the next year, don't be bashful. Rather, give the best in you as it is for the good of all that we cooperate.

Our worthy Grand Knight was recently presented with another grandchild, the son of his daughter Marie. Congratulations to the entire family. We also understand that Paul Bachner has finally won his battle with Dan Cupid.

Make plans now to attend the Columbus Day Charity Ball sponsored by the Chicago Chapter, K. of C., in benefit of the United Service Organization. It is to be held at the Palmer House on Oct. 11.

Until we hear further about our bowlers or other fall program plans, we will finish up this column. Many important and interesting items will soon be in line for publicity.

ST. PAT'S PERFECTS BUSY FALL PROGRAM

1-3 Tues. . . . . 6 N. Hamlin Ave.

Installation of officers took place at our last meeting D.D. John McKeown, ably assisted by P.G.K. John Bannen of Hughes Council officiated. A rising vote of thanks was given to the D.D. and assistant for the dignity and dispatch with which they performed the induction.

Bro. Bannen spoke briefly on the importance of full cooperation due to the officers by the members of the Council, especially in the matter of obtaining new members. Remember brothers, the officers have pledged themselves to perform certain duties but without the full backing of the rank and file of the membership they can accomplish little. Bring in that new member! We made the honor roll last year but there is still room on top.

APPOINTMENTS

In his first official act of the new year G.K. Tom Cregan made the following appointments: Chaplain, Rev. Father Francis Ryan; Assistant Chaplains, Rev. Father Kane, Rev. Father King and Rev. Father Ignatius Alboiez; Lecturer, P.G.K. John O'Shaughnessy; Financial Secretary, John T. McAuliffe; Athletic Director, James De Wolve; Scribe, James F. McAuliffe; Membership Chairman, James Hartford and ALL members of the Council; Honorary Chairman, P.D.G.K., Jos. Gentile; Co-Chairmen, Joseph DeFrank, Chas. Basile, Richard Flood, P.G.K. Chas. E. Patterson, Harry Piovosi, Cornelius Murphy, Roy DeFrank; Blood Donors Group-Chairman, D.G.K. Wm. O'Connell.

Sick and Visiting Committee-Chairman, D.G.K. Wm. O'Connell; Co-Chairman, P.G.K. Jos Gentile; Council Publicity Chairman Joseph T. Piekosz; Finance Committee, all active, P.G.K.s; Council Program, P.G.K. Francis P. Revil; Catholic Action Chairman, Joseph DeFrank; Insurance Committee Chairman, P.F.S. Ray Hughes; Co-Chairmen, Cornelius Murphy, P.D.G.K. Jos. Gentile; Wake Committee Chairman, P.G.K. Chas. E. Patterson. John Egan, Geo. Burns, Wm. Finn, Fred Fitz, Chas. McFarland, Jos. Gentile, P.G.K. John O'Shaughnessy.

SPECIAL NOTICE

Bro. John McAuliffe has been appointed financial secretary for the coming year. John earnestly requests that all members cooperate with him by prompt payment of their dues and assessments so that he may keep the finances of the Council in good order. As successor to Bro. George Altier, John will have to do some mighty hard work to equal the fine record established by George. A hard job well done George. The new financial secretary can be reached at 5051 W. Congress St., Tel. Col. 2609.

While our worthy D.G.K. Wm. O'Connell is enjoying a vacation Bro. Joseph DeFrank will be acting chairman of the Blood Donors Group. All calls for donors can be filled by calling Joe at Armitage 0078. Bro. O'Connell leaves August 10 for a two weeks' tour down east, stopping at Niagara Falls and Boston. A long way for cod fish, Bill.

A new scribe has also been appointed and in order to fill the shoes of his predecessor, Bro. Roy DeFrank he will need the help of the members to produce a good column. Send along all items of interest to Jim McAuliffe, 5440 N. Luna Ave., Tel. Avenue 9453.

COUNCIL NOTES

Bro. Jim Ragona is touring sunny California. Dick Flood just returned from a trip through Colorado—some hills, eh Dick. Mrs. John Nolan and Della Altier are vacationing in Pensacola, Fla. Sol Giunta's family is up at St. Joseph, Mich. Joe De Frank just returned from two weeks on the golf courses. How's the score, Joe? Gene Petramala is back after a visit to his sister in La Junta, Colo.

Ray Hughes is back home after ten days in the hospital. John McLaughlin out in Little Company of Mary Hospital had a transfusion last week. Recorder John Egan responded to the call. Nice, going, John. Bro. Chas. McFarland, Jr., will be laid up at his home, 3724 W. Ferdinand, for three weeks due to injuries suffered in auto accident up in Coldwater, Mich. Charlie has a dislocated hip and other minor injuries so if your in the neighborhood Charlie will be glad to see you. John Carroll has had several transfusions but is now on the road to recovery. Mike Demma who was present at last meeting reports amputation of joint of little finger. John Morgan, one of our stellar softball players sprained his ankle and will be laid up for three weeks. Bro. Mike Fio Rito was home several days with an eye infection.

Ridge Has 'Hopping' Good Time at Picnic, Especially McGlinn

1 Tues. . . . . 8219 S. Halsted St.

Well, one more monthly outing is in the past. Ridge members and their friends motored to Momence last Sunday and had a wonderful time—lunch, drinks, horse shoes, fishing, and softball games (the men versus the women—the women could argue better, so you know who won). There was one casualty—Speedy McGlinn's shin collided with a bat. It was his own fault—he wouldn't listen when he was told the lady in the brown dress didn't like him. She really swung a mean bat, going all the way around like a Babe Ruth, then letting go of the bat to connect with Speedy's shin. (She was really sorry, though. Speedy, didn't she put on the ice pack and tell you many stories?)

"Lucky" Burke made expenses as usual—yours truly being one of the contributors. Ernie Johnson was Horseshoe King, making his youngster bend over to pick up the shoes. (You can't take down that bulge that way, Ernie.) G.K. Hallett was seen "snapping pictures" all over the picnic grounds, and you can bet one of them will be "doodles."

Among the distinguished guests were P.K. Tom Mulroy of McHale and his wife and Hank Kohlman of Englewood and his family. The Ed Hyland family tried in from Dewey Lake to spend the day with the gang and everyone vouched for having a grand time. Sorry all of you weren't there to enjoy this frolic. Now—Maybe we will have another one in September.

The other Charley Proctor's Softball team took the measure of Dick Philips' four-time champions of the Edison League last week—score 5-3. (Look out for those Ridge Lads, Dick, they may be the silk shirting council of the K. C.'s, but they can get tough.)

Next meeting Tuesday, August 19. Have you contacted your new prospective member yet?

Have you been typed for the blood donors? Join up in this work of Catholic action and Charity. Don't delay, your blood may save a life.

Setters Golf Tourney at St. Andrew's Club Planned for Sept. 7

2-4 Thurs. . . . . 4711 W. Madison St.

According to a special communique hot off the wire from the headquarters of Father Time, there are just twenty-two more days until Father Setters Council presents its great annual classic, the Golf Tournament, at Saint Andrews Golf Club, on Sunday, September 7.

Right on the heels of this announcement comes another bit of flash news, this time from the old Weather Man himself, who has, on the special petition of Grand Knight Roy P. Bedore, arranged to present the assembled sportsmen with an ideal, sun-shiny day, with just enough gentle breezes stirring to cool your brow as you blast your way around the sporty Number Two Course at the club.

So, with both time and the elements in your favor, all you need do is grab your telephone and call either Grand Knight Bedore on Kedzie 1719 or Financial Secretary Tom Lavin on Columbus 5802 and state the number of lads you'll have in your party.

HERE'S THE DOPE

In case you haven't been reading your mail lately, we'll repeat the particulars concerning the Tournament. Play will start about 10:30 and your first eighteen holes count as your tournament round. After that, you're welcome to play as much additional golf as you choose.

As you make your way around the course you'll be welcomed at various wayside inns, as they might be termed, where you'll find facilities for rest, refreshment and good-fellowship among a congenial crowd of your Brother Knights and friends. In the evening, there'll be a full course turkey dinner, a modest amount of speech-making and the distribution of prizes. The awards will be presented to the Council champion, the guest champ and to the runners-up and there'll be many more prizes for us duffers whose scores will be computed on a handicap basis.

As we have hinted previously, this Tournament is purely a good-time affair, so the fee has been kept down to a figure which is actually less than cost. You see, all we want you to do is get your pals together and come out for a day's fun in the open. The sum of $2.50 covers everything, or, if you don't play golf, you're welcome to attend the dinner and the other attractions of the party for the modest figure of $1.50.

CONDOLENCES

The members of Father Setters Council extend most sincere sympathy to Bro. Tom Donahue and to the members of his family on the occasion of the death of his beloved mother who passed away recently. The funeral took place on July 9 at Mount Carmel, following Requiem Mass at Holy Ghost Church. Special prayers were offered for the repose of the soul of Mrs. Donahue at last night's meeting.

AUBURN PK. COMPLETES ITS SOFTBALL SCHEDULE

2-4 Thurs. . . . . 7740 S. Emerald

As we informed the membership in a recent issue, the fifth and last softball game with our neighbors from 69th and Wentworth Ave., McHale Council, was played on Thursday evening, Aug. 7, at our home field, 77th St. and Yale Ave. Due to the air-tight pitching of Bro. Leo Wemple of McHale, our team secured only two hits and came out on the short end of a three to nothing score in a most thrilling game.

During the season's play we lost three games and each one to McHale. The stakes of this game were refreshments and sandwiches to be dispensed at our Clubhouse after the ball game, the losing team to stand the expense, so Auburn Park had to entertain the victors. A very large turnout of players from both teams as well as many of the rooters headed for 7740 Emerald Ave. and a very enjoyable time was had. Brothers Paul Byrne and Tom Cole are to be complimented for the very fine manner in which they took care of the needs of every one, and we are sure the members from McHale Council had a very pleasant evening.

The results of this game did not have any bearing on the final standing of the teams as prior to this game our team landed in first place in the Southwest Division and McHale gets second honors. We understand both teams are to represent the Division in the playoffs, which will be held some time during the month of September at Shewbridge Field under the lights. The details and full particulars of the playoffs will be made in this column later.

We wish to congratulate Bro. Leo Karevia, the manager of McHale's fine team as well as his splendid aggregation, and hope they go a long way in the final play.

IN MEMORIAM

It is our sad duty to report the passing from this life of one of our Council members of many year standing, Bro. Thomas J. Earley who was called to his eternal reward on Sunday evening, Aug. 3. He had been in excellent health and was returning home with his family from the beach when he became suddenly ill and passed away. The membership attended the wake on Wednesday evening at Walter Quinlan funeral parlors and offered up prayers for the repose of his soul. We extend to his bereaved wife and his small children our deepest sympathy. May his soul rest in peace.

GOLF TOURNEY

On next Sunday the members of the freight traffic department of the Rock Island railroad will journey out to the Indian Wood County Club located at 95th St. and Western Ave. (Sauk Trail) to participate in their first golf tournament. The rates for the entire day are $2.00 per person, and includes golf, dinner, and use of the club swimming pool. Our chancellor, Jimmie Sheil, is anxious to have a representation from Auburn Park Council and extends an invitation to join in this tournament. Many fine prizes and a splendid day is assured. Give Jim a ring at Triangle 8608 if you desire to make a reservation.

Have a report that the family of our Grand Knight, Harry J. Cox, are all vacationing at Delevan, Wis., but Harry, due to his many duties in defense work is remaining in Chicago and spending week-ends at the lake. As he puts it "he is living alone and doesn't like it." Understand that Bro. Walter Dunmore and his family have just returned to Chicago after a sojourn in Indiana. Bro. Jimmie McLellan is also using the railroads to see the country on his vacation.

Bro. John Coughlin, our deputy grand knight, is again going to the Rockies on his vacation. He made his first visit last year to a so-called dude ranch and liked it so well he is going back for another year. He should earn his spurs on this trip.

Any of you who contemplate doing anything exciting during these hot summer days should give us the details and keep this column interesting. With the lack of activity during the summer the job of writing an article each week is quite some racket.

San Salvador Plans Special Meeting for Picnic Aides Aug. 25

2-4 Mon. . . . . 24 East 114 Place

The next big council event will transpire at our next meeting, August 25. The men who so willingly spent their efforts in behalf of the Council on July 27 will reap the reward by having a night set aside for their benefit.

It should be the duty of the membership to turn out in full force to show their appreciation for the swell job that the workers did on our picnic. Those of you who could not offer your services at the picnic can show your feelings by turning out en masse at our next meeting. Let use see Ed Galloy, Ernest Bedell and others who so nobly assisted us in our endeavors at this Night of Nights.

The tentative reports of the automobile and picnic chairmen were read at the last meeting. From all indications the success of the affair will be well repaid in a financial way. There are still some of the auto books out and it behooves every one to see to it that same is returned whether sold or not so that a complete and accurate report can be returned at the next meeting. The results of the financial success of our picnic will be shown in the near future by what the "Home Ass'n" will do to improve the conditions of our clubhouse. They have your interests in mind and will spend their endeavors toward obtaining the goal they have been striving for.

The meeting of August 11 was well attended considering the heat. Those of you who missed it, are doomed to a big disappointment by not hearing our new Chaplain, Father Exler. For your information he will be in attendance at each meeting to discuss with you the present day situation relating to the church.

HERE AND THERE

From the cards received at the clubhouse we see that Bro. Vince Gustalli is vacationing in Wisconsin, Jock Smith is now in the employ of Uncle Sam at Fort Bragg. Let us hear from you Jack as to your welfare from time to time. We are interested in the boys from the council who are in the service of Uncle Sam. Joe Long is also vacationing and Geo. Mason our Canteen keeper will welcome any of the big fish you may send to the clubhouse. Maybe Francis J. McMahon is on tour as he has missed a few meetings recently. One of the men or rather a couple we would like to see at the next meeting, are Bros. Frank Matkey and Tony Lusonis.

Buff Marcolini has assured me that we will have a 20 team Parish Bowling League this fall. That makes an increase of 8 teams over last year.

AMERICUS MEETS TUES. FOR 'AUGUST' SESSION

2-4 Tues. . . . . 3350 W. Jackson Bl.

The August meeting of Americus draws near, the date Tuesday, August 26, at 8:30 P. M. (and I do mean 8.30). Matters of importance are in the making. Get in on the ground floor, attendance at the meeting may be mean something in your young life. The answer can only be had by being there.

Just learned the location of another member in the service of our Country Bob Moore, so take a little time and drop him a line I know it will be appreciated. Address, Private Robert Moore, Service Co. 36 Inf., Arm. 3rd Armored Division Camp Polk La.

SOFTBALL

The Soft Ball season has "came and went" as far as Americus is concerned. Our best wishes to St. Francis and Bishop Ketteler and hope they play the final game in the finals. In our last game the boys bowed to Ketteler 8 to 4. Johnny Keenan kept up his good work driving in 3 of the 4 runs made. To him, Manager Joe McGuire, Concannon, Costello, Fortier, Hogan, Howlett, Kennedy, Leahy, Scallon, Singer, Frank Welsh and those who filled in when needed, Clark, P.G.K. Joyce, Koop, O'Rourke, Quinlan and others. Thanks for your efforts. We know each of you played hard while you were in there, it was when you weren't that hurt. We hope for better luck next year.

From North Carolina we can hear the mutter of Jack Welsh (Quote) I knew they would miss my .111 batting average. (Unquote). In one department we excelled, we had by far the most beautiful group of feminine rooters in the league, to them and to our male rooters (some of them were pretty too) we appreciate your being there.

SNOOPER SCOOPS

Report comes that Officer Frank Flynn has been riding a bicycle around Twin Lakes. Is he practicing to be a Motor Cycle Cop or is he dodging the Gypsies. Note of well wishing comes from Bob Kennedy (long time no see) Thanks Bob. Brings back memories of a trip to Union City, Ohio, some twenty years ago, to get the correct date we will have to consult John Hassett of the Lockwood Ave. Hassetts. He knows. I am the little man who wasn't there.

A hurry up and get well to Lillian Taylor a sister of the four little Taylors at St. Anthony's Hospital. Bet lots of girls envy her, Robert Taylor visits her every day.

Vacationists coming and going—George Piggott genial secretary to Bailiff Al Horan, returns after spending his resting time at Long Beach, Ind. Polk streets gets back to normal with P.D.G.K. Tom Gannon returning from his sojourn near Antioch, and the Old Col. Ed Aylward sneaking out to get some root beer (or was it) after returning with the family from Bangs' Lake. Pete Callan hopping off to the North Woods for a few weeks of fishing and resting. Speaking of blessed events what would you call the first pay day after your vacation.

The animals from Missouri are here. Did Father Sheltinga bring them? We do not know, but we do know that they are to be used in a donkey ball game to be played Saturday, Aug. 23, at St. Philips Field, Van Buren St. and Kedzie Ave. The kickoff will be at 7:30 p. m. The question is, who will ride them? Rumor has it that it will be members of Americus. I do not know about them riding donkeys, but have seen some of the boys ride the goat and they were pretty good. There will also be a softball game between two all-star teams, the pick of Chicago. So it should be a good place to spend a pleasant evening. The affair is sponsored by the Holy Name Society of Our Lady of Sorrows church, of which our worthy chaplain is spiritual director and many of our members belong.

It has always been considered an honor to play in the Rose Bowl, Cotton Bowl, Orange Bowl, etc., but some of our members play in the Olive Bowl every Friday night and think nothing of it. Their secret will rest with me until the Limburger smells sweet. I ain't talking.

DON'T FORGET—Meeting night, to pay your dues, September 23rd. The Chapter Ball Oct. 11 at the Palmer House for the U.S.O. To buy a treasury bond. Christmas is coming. To put out the cat and last but not least, get that new member.

Chicago Hts. Suggests Turning Your Dial to K. C. Program Tuesday

2-4 Mon. . . . . 1527 Otto Blvd.

As noted in the August 8th issue of The Columbian, our National Convention will be held at Atlantic City August 17th through August 19h. This convention will be of great importance and will be attended by a large number of delegates and celebrities, led of course by our Supreme Knight, Francis P. Matthews. Part of the program may be heard over nationwide hook-up of the NBC system. So turn your dials to WLS at 9:00 p. m. Tuesday evening, August 19, and enjoy a talk that will be worth while listening to.

At the last meeting of the Chicago Chapter it was requested that the USO drive for funds be given every support and consideration possible. This is a very worthy cause and inasmuch as our council is not actively engaged in this drive we can still do our part through other channels.

GOOD AND BAD NEWS

Bro. Smiling John Piacenti promised to be at our next meeting with a pocket full of cigars (DeNobile) to pass around. These are grand smokes, if you can take it.

It is quite a bad state of affairs for Bro. Dionne who is so hard on mail trucks that Uncle Sam had to put him on his feet.

Bro. Chuck Kirgis and family are enjoying their vacation at Delavan, Wis. We can look forward to the fish tale of the big one that got away.

Bro. Geo. "Bud" Ruff is giving such good service at his gas station that he is unable to attend our meetings.

Bro. Robert Gaseor is confined to St. James Hospital following an operation. Latest reports are that he is doing fine. Drop up and pay him a visit, Brothers.

Hen. Shields Report Many Reservations in for Tourney Next Sun.

Sept. 10-24 . . 446 N. Parkside Ave.

At this writing, more than thirty of our members have made reservations for the annual golf tournament to be held next Sunday, Aug. 17, at the Glendale Golf and Country Club, Lake St. Highway and Glen Ellyn road.

This number means that sixty or so guests (the ladies were invited, you remember, for cards and exchange of useful information) will sit down to dinner in the clubhouse, which advance showing indicates a healty interest in the coming tournament. During this week additioal reservations are expected and we hope those who plan to attend have made known their intentions as early as possible, stating the number of golfers and diners they will have in their party. For last minute reservations phone William Phalen, Merrimac, 7477; Roy Cummins, Columbus 0100; William Welsh, Ardmore 6994; James Ford, Mansfield 4140, or Frank Daley, Mansfield 8970.

Tee-off time begins at 10 a. m. and continues until 1 p. m., which should afford sufficient time for all golfers to complete their rounds.

To reach Glendale, drive went on Lake St. Highway until Glen Ellyn road is reached about two miles east of Bloomingdale, turn left and south and proceed to the Glendale clubhouse.

Cost of this glorious outing is $3 for the golfers, which includes greens fees, lockers, dinner, etc., and $1.50 for the lady card players, which includes dinner, etc., for them also.

Sunday, Aug. 17, at 10 a. m., Glendale Country Club. FORE!

THE MONEY MAN

The unwilling subject of this week's biography concerns that rotund (some might call him plump) gentleman who is always cheerful, always smiling, graced with the gift of being able to discern the humorous side of things, and, therefore, we present to your our efficient dues and assessment man, Financial Secretary Joseph J. Hannon.

Joe began his fraternal career many year ago by joining Damen Council. Discovering a great number of former friends and schoolmates in Hennepin-Shields Council, he transferred in 1930, and not long after, during the time of G. K. William Orth, he was elected to the office of treasurer, and the excellence of his performance of the duties of this office led to his selection as successor to the late John J. Nolan in the office of financial secretary. The statements of dues and assessments, tempered by a knowledge of present conditions, have been going to members on schedule, justifying his selection as financial secretary.

Joe is another one of the group which calls the parish of St. Charles their home, but unlike others who left, he has chosen to remain in the parish.

The B. V. M.'s of St. Charles whacked his fingers (that's his story) in the process of acquiring education, but it must have helped, as he continued his scholarly career at St. Ignatius and St. Patrick's to a successful graduation.

Leaving school he found employment at the Lanzit Corporation, a manufacturer of shipping containers. John M. Smythe offered advancement, but after a short time, opportunity beckoned again at the Lanzit Corp., so he returned and is now a man to be reckoned with in the sales department.

Joe did his part in the first world war by serving in the navy from 1918 until 1919, and while we always try to be charitable, we doubt that at the present time he knows port from stabboard.

In addition to the K. of C., Bro. Hannon belongs to the American Legion, the Elks Lodge of Oak Park and the Holy Name Society of St. Charles parish, where he is a regular monthly communicant.

His wife, Mildred, and two boys who are following in their father's footteps at St. Ignatius complete the picture of a happy family in residence at 2221 W. 13th street.

Done by our hand, with only kind intentions and best wishes for the future, we leave you now with our good friend, Joseph J. Hannon.

THE SOUNDING BOARD

P. G. K. Frank Daley visited the Butler summer home over the last week and plans to start a ten-day vacation the middle of this week, reserving the rest until September, when he hopes it will be cooler.

Strange as it may seem, by the time of the next regular meeting of the council on Sept. 10, the bowling season will be just around the corner. Thoughts of bowling right now is like the idea of lake bathing in winter.

Newman Sees Members Mainly Occupied with Annual Vacation Trips

1-3 Thur. . . . . St. Mary's Hall

Bro. Joe Flinn and Doctor Keefer asked me to "scribe" this week as Joe got permission from his wife to take a trip to Northern Minnesota and Doctor Keefer is very busy in his new office opposite Wieboldt's.

My column this week will be mostly about Newman Council Brothers—How they are spending their vacations, their habits, etc.

Doctor G. J. Fitzgerald sprained his ankle near Green Bay, Wisconsin, while visiting his sons who are spending the summer at St. Norbert's Camp.

Bro. Ray (Chink) Beelan has been acting as an Indian guide for the past two weeks at Waubee Lake, Wisconsin.

District Deputy James Corcoran, John Vose, Joe Mahony, Tom Sullivan and Charlie Steigelman took a trip to New Haven last Sunday in Bro. Bill Reifenberg's beautiful cabin motor launch that is docked at the Wilmette Harbor. (Your scribe would like to write more about the D.D. on this trip.)

Bro. Joe Jans, the champion Bishop Sheil ticket seller, hung up a new record last Thursday. He ate thirty-one ears of corn at one meal.

Bro. Stanley Myers will never qualify as an airplane pilot. He got awful sick last week on a ferris wheel at Morton Grove.

If you have any fish you would like to keep for a few days in a refrigerator bring them to Hebson's Emporium, southeast corner of Church and Keeler, Skokie, Ill.

Bro. Bill Miller received permission to visit a friend Saturday night as did Alec Zera and Willard Uttenreuther.

Bro. Mart Corcoran is plastering Dinty Moore's new addition to his home. He also got the Larry Dupre mansion in Glen View.

Bro. Matt Bernardy and family have returned from a three weeks' vacation to the Rockies.

Bro. Joe Corrado has returned to Evanston after spending his vacation in San Francisco.

Bro. Red Fitzgerald intends to spend the greater part of his vacation visiting friends in Skokie, Ill.

Bro. Joseph Reichmann was married to Mary Alice Brundage last Saturday morning at St. Mary's Church by the Very Rev. Msgr. Frederick Hillenbrand.

Bro. Charlie Cobb, the big grocery and meat man from Waukegan, was visiting several brothers in Evanston last Thursday.

SOFTBALL

Our softball team played the Des Plaines Holy Name team at Boltwood Field last Monday night. Though your scribe doesn't know the score, I presume Newman met defeat.

Some of the old-time softball players would like to play Newman some Sunday morning providing the regular Newman players would put up a guarantee and play for something interesting. The brothers challenging are: Joe Flinn, Mar and John Corcoran, Bill Miller, Joe Mahony, Bones Nellessen, Tom Stark, Vincent Ratcliffe, Otto Menke, Tim Jans Tom Sullivan, Edw. Arnold and Larry Dupre—Slow ball pitching.

New uniforms will be of no advantage If this challenge is accepted just nam your poison and present it, along with th date and name of the field, to Bro. Jo Flinn.

St. Paul's New Staff Takes Over Council Affairs Like Veterans

1-3 Tues. . . . . 6713 Olmstead Ave

The first official meeting of the coun cil under its new leadership was ver short and sweet. Some of the highlight of the meeting were the appointment Bill Krein to the chairmanship of th council bowlers and the announcement our fall golf tournament. The appoint ment of Wm. Krein as bowling chairma is, undoubtedly, an excellent choice. Bi is well known to the members and espe cially to the bowlers where he has bee an active participant for the past sev eral years. As a result of this selectio we expect to see a large number of th "old timers" such as Tony Zillner, And Krein, H. S., Happ and others on th alleys in their old form to show the boy how it used to be done in the "good ol days."

The selection of Henry Blim as chair man of the golf committee should als prove to be a move in the right direc tion. Relieving the "champ" of that de tail should make it possible for him t concentrate more on his game. Henr has many golfing friends who will mak the necessary "approach" to the othe members so that it will be an easy mat ter to secure an excellent turn-out. N that Henry needs his friends to put over for him—he does very well all h himself—but the point is that he has th friends and acquaintances who will len a hand and thereby make this fall tour nament an assured success. The date ha not been set but we hope to have com plete details about this soon.

WE HEAR THAT

Dr. John Lally, whom we reported las week as being on the sick list, is th proud papa of a darling baby girl. Wm. (Bill) Brunkhorst, secretary of th council bowlers, is reported very ill. W hope Bill that you will soon be out agai with us and that your illness is just short setback from which you will forg ahead to better health. . . G. K. Ger Sass is "just after" celebrating his tent wedding anniversary. He was presente with a tin medal for reaching this mile stone of connubial bliss even though could not be truly said that he was pater magna familius. However, Gene young yet and I suppose we should giv him time.

P. G. K. Joe Guenther has given u golf. Yes, sir! We heard him say " I never play this ½!"$*?! old man's gam again, it will be soon enough." . . . C course the top row hieroglyphics, wit the shift depressed, don't spell out ju what Joe said, but then you all know Jo And right now we want to publicly invit Joe to our next golf game so that h will reconsider his rash, very rash, re marks and not have that inferiority com plex about playing with men of his ow social status.

We know that we don't rate playing i a foursome of past grand knights of th Clark, Guenther, Blim class but we've a ways been told it was good policy t try to break in on that higher strat where we could really see and learn fro the erudite. Anyway, if we are to b deprived of the pleasure, we say, "it wa nice knowing youse guys."

e Soto Throngs Enjoy Great Day at Annual Picnic

Friday.....Clark and Belmont

h! those cool mountain breezes and vacation days! But all good things t come to an end and so I will have shelve those joyful fleeting memories another year and assume the colossal gnment bestowed on me by our nd Knight, that is, filling the size teen brogans of my predecessor, and of DeSoto scribes, Charley McCarter. fore being initiated into the mys- us duties of scribe, I wish to thank K. ECHOS OF THE PICNIC

d Sol evidently remembered DeSoto's picnic for last Sunday he cooperated ddily by showing some 1,200 De ans, their families and friends with hine, making the day one which long be remembered.

OUR SYMPATHY

DeSoto Council extends its most sincere sympathy to the family of Bro. James J. Sullivan who passed this life on Friday, August 8. On Monday morning Requiem High Mass was celebrated for the repose of his soul at St. Gertrude Church and thence buriel at Calvary. Bro. Sullivan was an uncle of P. G. K. Ed Sullivan and Bros. Jim and Frank Sullivan.

He is well remembered by DeSotoans as a faithful old-timer in the Council, who spent many happy and joyous years in our midst. May his soul rest in peace.

DESOTO ITEMS

Bro. Joe Peitges, DeSoto's dashing mail-carrier, spent several days in the hospital last week as a result of being overcome by the heat. The rest and pretty nurses helped Joe back to recovery in time to enjoy the picnic.

Received word that Bro. Jack Donnelly has been confined to his home the past week suffering from an abscessed ear. We all wish Jack a speedy recovery and hope to have him back with us soon.

MALE CHORUS—On Tuesday evening, August 12, DeSoto's Male Chorus and the Catholic Casino Chorus were feted at a joint songfest and party at the Svithoid Club. This was the first meeting of the chorus under the leadership of its new president, Frank Kennedy. The zest and enthusiasm with which the members of the chorus entered into the affair indicate another season of successful accomplishments.

VACATIONS—Received word from Emil Voss and family who are making an extensive tour of the West Coast accompanied by his daughter Mrs. Mary Weldin. He sends his regards to DeSoto and wishes that we could join him in enjoying the fine weather they are having on the coast.

Ed. Kohnke, his wife Frances, and family are vacationing at MacGregor, Minn., and are catching a lot of fish, so he says. Understand Doc Mertes and wife Marion are polishing up their golf and resting in the North Woods of Wisconsin.

SOFTBALL—Manager Art "Cigar Lighter" Booz informs us that DeSoto's Major softball team has a very good chance of finishing in second place in the North division of the K. C. softball league, thereby assuring them of a place in the final playoffs for the city title. Keep up the old pepper, fellows, and you will be up there at the finish.

McHale's Outdoor Meet Acclaimed Best Party in the Council's History

1-3 Tuesday.....150 W. 69th St.

Another great McHale event has passed into history. Our 1941 outdoor meeting and ladies' night which was held at Ryan's Woods a week ago Tuesday is now a thing of the past but will not be forgotten for a long time by the two hundred or more who were there.

Many of those there who had not missed any of our previous parties at Ryan's Woods proclaimed this year's the best of all.

The affair got under way about seven o'clock with a softball game between the so-called old timers and the Council regular team. The old timers chose the oldest of their team, P. G. K. Jerry Sheehan, to do the pitching for them, and, fellows, you should have seen the game he hurled. I heard that he allowed but one hit and that was a home run by some player who was accused of being a ringer.

The game was hard fought and very close, it being called by Umpire Bro. Pete Holm at the end of the fifteenth inning, due to darkness. The score was not worth keeping so I cannot tell you what it was.

After the game the festivities started inside the shelter house under the direction of the committee chairman, Jack Anton and his entire committee, which consisted of many of our new members.

And right now I want to say that our entire Council owes Jack and his committee our thanks for the wonderful party they gave us.

There were many visitors from other Councils present among them McHale's great friend, our State Deputy Bro. Leo Flynn and Mrs. Flynn.

Bro. Pat O'Connor brought out that famous guitar of his and certainly did his bit to make the party the success it was.

McHALE 3—AUBURN PARK 0

Brothers, I feel sorry for those who were unable to witness the game a week ago last night that produced the above mentioned score. It was without doubt the best game of the season.

I could name many players of both teams who contributed spectacular plays but they were overshadowed, in my opinion, by the great pitching of Bro. Leo Wemple, who allowed Auburn Park, our section winner, the small total of two singles, both hitters being erased off first base immediately by lighting fast double plays. All in all only 22 batters faced Leo.

We were really not to be denied that game for splendid coordination and spirit prevailed on our team throughout. It was witnessed by at least fifty or sixty McHale rooters, among them being P. G. K.'s Sheehan, Mulroy, Mugg and Perona.

There was a side interest attached to this game as the players of both teams agreed that the losing team should pay for the refreshments after the game. So, it was up to Auburn Park to do the honors, and, boys, they did, they had plenty of sandwiches and stuff to wash them down. The party was attended not only by the players but by other members of both Auburn Park and McHale. Among our members present were G. K. John Kelly, D. G. K. Tom Garvin, P. G. K. Barney Perona, P. G. K. Tom Mulroy and P. G. K. Bill Mugg.

The regular season or schedule of the games is now over. Our team finished with the fine total of 11 won and 4 lost. This gives us the runner-up to Auburn Park and places us in the champoinship finals which will be played in September. The entire membership of our Council, I am sure, joins with me in congratulating the manager of our team, Bro. Leo Kareiva, for the splendid job he has done.

At this time our team wishes to thank our various opponents for the fine sportsmanship displayed by them all season.

HERE AND THERE——Bro. George Perona and Miss Anna Buletty were married last Saturday at St. Sabina's Church . . . D. G. K. Tom Garvin reports that Bro. Steve O'Brien will be released from the Woodlawn hospital this week . . . It is reported that Bro. Steve Owens is slowly but surely recovering from the accident he had last winter.

St. Augustine's Golf Tourney Scheduled Is for Sunday, Sept. 7th

1-3 Mon. . . . . 5209 S. Justine St.

The Golf Tournament is finally definite. The place is Kinsman's, 143rd and Parker Road. The date, Sunday, Sept. 7. The price, $1.25 for all day golf, play as often as you like. An eight course steak dinner will be served in the evening. Price of the dinner is $1.00. Total for all day golf, dinner and participation in the prize list, $2.25. If you can't make the golf during the day, come out in the evening for dinner, or if you can't stay for dinner at least come out and play golf. We can assure all a good time.

If anyone hasn't transportation facilities, call Boul. 7312 and we will see that you are taken care of. The golf course can be reached by taking the Southwest Highway (No. 7) to 143rd St., then west 3 miles. Incidentally, dinner will absolutely not be served to anyone without a reservation. So get your reservations in early by calling Jim Burke at Boul. 7312. Also don't forget that we are accepting prizes of all kinds. Anything you can dig up will be gratefully accepted, so get busy and let's make a real success of this tournament and show our new Grand Knight that we are all backing him 100 per cent.

It is with deep regret that we learn of the death of the father of Bro. Joseph Graffy. The council wishes to express its sincere sympathy to Bro. Graffy and the immediate family of the deceased. May his soul rest in peace.

We hear that our Financial Secretary, Al Labuhn and family have just returned from a two weeks' vacation in Wautoma, Wis. Golfing, swimming and just bumming around, Al says.

The Charlie Subr's have also just returned from a two week trip in Minnesota. Charlie sent in a postcard with a picture of a fish so big, it was being hauled in a truck. Can't fool us Charlie, they don't come that big. Wonder how these lucky stiffs get vacations anyway. Seems as though they haven't heard of the defense program.

Word also reaches this column that Sir Stork paid a visit to Bro. Peter Wolff and his lovely wife, and left a beautiful baby girl. Congratulations.

Just to keep your memory refreshed, don't forget the Dollar Party at the Shelter House, on Saturday evening, Sept. 13. The proceeds will go toward a fund to purchase a room in the new wing of the Mayslake Retreat House.

About this time of year we start thinking of bowling. How about getting started for next season, Steve?

Don't forget the regular meeting Monday, Aug. 18. Henry Reiger, our Lecturer, has something special in store as he does at every meeting. See you Monday.

Tonti's Bowling Teams Organzie for New Season

1-3 Thurs. . . 4221 Irving Pk. Blvd.

Your attention, please. Tonti Council's Bowling League is now lining up. Don't wait to be "drafted," but send in yuor name immediately to D.G.K. Andy Eichhorn, 3803 N. Oakley Blvd. Andy's our Bowling Secretary. Experience is not essential, and every member of Tonti Council is eligible to join. You crack bowlers need fear no lack of competition, as last season's standings can prove. Therefore your support and cooperation are urgently solicited.

Ray Demski, Chairman of Athletics, has all plans completed for our Golf Tournament to be held at Rob Roy Country Club on McDonald Road between Wolf and Elmhurst Roads. You are cordially invited, and bring all your friends along. The fee is $1.65, including golf, refreshments and prizes. Remember the date, Sunday, Sept. 7. Teeing off at 10:00 o'clock a. m.

Brother Peter Hadje, 4524 Kasson Ave., is on the sick list. Why not cheer him up a bit by paying him a visit? Bro. John J. Jarotkiewicz sustained an injury to his left forefinger, which required two stitches. Fortunately, it isn't his bowling finger, eh, Jack?

Our Inside Guard, "Pop" Manczak is taking life easy vacationing with his son Ed, around Lake Michigan in the vicinity of Sault Ste. Marie. The families of D.G.K. Andy Eichhorn, Warden George Schordje, and Outside Guard Frank Miller have been enjoying themselves at that popular summer resort, Pell Lake, Wis. Have you heard about our Lecturer Ray Ruszkowski, burning the seat of his best Sunday pants, demonstrating to his son, one of his accomplishments as "Open Air Chef" (roasting weiners).

"A First and Second Degree in Tonti Council before Columbus Day," is the slogan of our Membership Committee. How are you progressing in this movement? You are proud to be a member of Tonti council. Why not extend this privilege to another? No doubt you have an acquaintance with whom you would like a closer association. Ask him to become a Brother Knight of Columbus. Don't leave it all up to the Membership Committee but cooperate with them in realizing the fulfillment of their slogan.

Speaking of Columbus Day, are you planning to attend the K. of C. Charity Ball to be held at the Palmer House, Saturday, October 11. Proceeds from this affair are to be turned over to the National Catholic Community Service to furnish the Service Center at 1122 S. Wabash Ave. This building will be equipped for the entertainment of the Soldiers, Sailors and Marines visiting Chicago. Many of you are perhaps anxiously awaiting the opportunity of donating to the USO. The USO Drive is over, and all money sent to the Headquarters, to be distributed among smaller communities in the South and Southwest. Larger cities, like Chicago, must make heir own provisions, and our Catholic Leader, His Excellency Samuel A. Stritch, Archbishop of Chicago, ever alert for the welfare of the Catholic Boy, has established homes in Highwood and Waukegan for the boys from Ft. Sheridan and the Great Lakes, and now is providing the House, here in Chicago.

The K. of C. were highly honored by being singled out to raise funds to enable the N.C.C.S. to equip this building with the necessary furnishings, etc. The admission to the Charity Ball is $1.00 for General Admission, or the Patron Ticket is $5, which includes two tickets to the Ball and your name on the program. If you do not care to dance, other forms of entertainment are being provided. Send in your donations to P.G.K. John Smith, Chairman of this Committee, and help Tonti Council reach its quota.

Meeting Thursday, August 21st. Have you been attending our new streamlined meetings, starting at 8:30 p. m. sharp, and winding up at 10:00? And besides this, our Lecturer is continuing his "Mystery Surprises." Last week it was Pie ala Mode and Orangeade. Next meeting, let's fill the hall and surprise the Lecturer!

BLUE IS. POSTPONES GOLF MEET TO SEPT.

1-3 Tuesday.....Gregory and New St.

The August golf tournament has been postponed because of a conflict of dates. Rather than have our members crowded on the course we postponed our tourney to Sept. 28 (we hope) when we won't have to stand around at every tee and wait for other competitors to go by.

The future meetings of Blue Island Council will start at 8 p. m. and G. K. Hansen says "no foolin'." Cannot say what is on the program but there will be something of interest that is sure.

The Council received a very nice letter of thanks from Prvt. Eddie Watrobka who is at Ft. Knox. Bro. Ed reports that he enjoys our gift, the Columbian, and letters from the members. Say, brother knights, let us try something and see how it works. Get the name of a member in the service, his address and make it your duty to write to him at least twice a month. What do you say? Call Fin. Sec. Paetsch and he will supply a name if you haven't any particular member in mind. Remember it is a service you can do at home while "he" is away. I'll check up with Paul and see how many take this suggestion seriously. Bro. Geo. Groskopf is a granddad. Congrats, Geo.! You have a long way until you catch up to Carl though. (Whose talking?—Ed.)

The golf clubs found at our last golf day belonged to the left hander, Stan Rosanes. The clubs were for a right hand person. Figure it out. Not even a cigar, John! Seems a long time since we saw Bros. Phelan, John Bridgeman, Roy Cain or Syl Collver at any of our meetings. The Council does business at the same old stand.

Funny how things quiet down in the summer. Garcia Mareno representatives have not been around lately to eat. Understand Bro. Joe Arnold left for camp last week. At all the "send off days" B. I. Council is represented by P. G. K. Gaboriault, clerk of the board, who sees all the lads off. Saves the G. K. an early rising.

The scribe has two phones now, 1922 (office, no plug), residence 2866. See where Bro. John McNulty is now operating from his new office (shall we do it, Hal, or pay for an ad). Bro. McNulty is in the real estate business also. It will pop out any minute now. The sage from Greenwood Ave. was in Madison, Wis., last week or two. The other member of that duo was in Springfield at the Legion State convention. The lucky "Don Kollaway" winners were Pat Dohrman, Frank Caul and Tom Parsons.

The hard working Frenchman, Bro. Lou Quellette, is enjoying a well earned vacation in St. Paul. To my critic out in the northwest side of Chicago, and incidentally, the only reader to let me know the column is read, I say, hello and soon you will be out among us, eh! Don't forget to stop and see Hein Rack when you are out riding some Thursday or Sunday afternoon.

Did you fellows know that Vernon St. may be the scene of a double wedding? If I am wrong, some one on Birdsall St. better watch out. Who lives on Vernon St.? Why the Donavons and Phillips. Whoa, enuf said. September is the month.

Chicago's Golf Date at White Pines Club Set for August 27th

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council selected August 27 as the date for the annual Council Golf Tournament. That will be one week from this coming Wednesday. The council trophy, with a flock of names on it, will be up for competition limited to council members but there will also be a flock of nice prizes contributed by various council members to be played for by our members and their friends.

The entry fee will cover all such expenses as locker, green fees, and the sumptuous dinner that will bring this annual event to a close. Following the custom of other years, arrangements will be made for members who plan to attend only the dinner.

White Pines (two courses) is about midway between Grand Avenue and Irving Park Road just west of York Road. We will have some information in next issue on the train service provided by the Milwaukee Road. Home-bound traffic will have to be by auto as the St. Paul train crews seem to go to bed early. Prospective participants might do well to contact Richard Murphy at Central 9011 or Nick Reuland at Austin 7171.

THE AUGUST MEETING

A delightfully cool evening was provided for Chicago Council's August meeting Tuesday. This was fortunate as there was plenty to occupy the time.

The date for the annual golf tournament was set. The fact BOWLING would be in full swing inside of another month was also laid before us by Brother Al Franz. The chairman of the HONEYMOON committee, Brother Sam Mercurio, reported on his trip to the west coast with his bride, including his visits with Brother Leo Gorski, now the typist for his company at Fort Casey.

Recorder Dick Cole also reported under the Order of Honeymoons, he having been liberated from bachelorhood recently. (We missed Dick after the meeting so other details must wait.) Brother George Beemsterboer, whose bi-weekly trips from Pullman to Waukegan culminated in the wedding a few months ago, was also in attendance and we wish he would come oftener.

N. C. C. S.

Brother Richard J. Murphy, appointed by Grand Knight Lynch to serve as chairman of Chicago Council's participation in the Order's work for National Catholic Community Service, reported on the Chapter Ball (October 11) which will raise a fund to take care of Catholic soldier welfare in Chicago area. More about this next week.

True to his promise, Lecturer Charley Schroeder had as a visitor, a representative of the advertising department of the Burlington Road. A Kodachrome movie of Glacier National Park and of the Colorado region was presented by this gentleman. Needless to say, the movie was gorgeous and the scenes well selected.

NEXT MEETING

Lecturer Schroeder announced that our first meeting in September will be "Ladies' Night" and a special program would be provided to do honor to P. G. K. Henry L. Phoenix. Further than that, no details just now.

Nearly two dozen applications await the decision of the applicants to present themselves to the doctor. We would suggest action by the sponsors. They have had the satisfaction of presenting these applications after considerable "sales talk." Why let the matter drop now? Why not see it through so that the applicants may soon become full-fledged Knights? We could arrange for an initiation some time in October.

CONDOLENCE: Chicago Council extends to Brother James E. Boland (of Anna Maria, Florida), sincere sympathy on the death of his brother, John, one of Chicago's pioneer plastering contractors who passed away last week at the age of 86. May his soul rest in peace.

Feehan Reservations for Golf Week-End at Twin Lakes Mounting

2-4 Tues. . . . . Hamlin and Madison St.

There is no action to report on the Championship bracket of the match-play tourney, but a few consolation matches have been played. Bill Collins beat Ed Imhof to enter the semi-finals, where he will meet Jimmy Collins. Bud Schoemer defeated Pop Edler in their semi-final to enter the consolation finals.

Reservations are coming in for the Sept. 6-7 Golf Roundup at Twin Lakes. All members have received an illustrated plugger from Chairman Augie Tamburrino, which explains better than words the possibilities for fun and enjoyment which the week-end offers. Just the thing to properly wind up a good summer. It's a bargain, too, at $3.50, plus meals. In the event that you may not have acquainted yourself with the details, we'll repeat the offer. The above fee includes golf privileges on both Saturday and Sunday, lodging on Saturday night, refreshments and prizes. The additional recreation of swimming, boating and horseback riding will be available also. Meals can be taken when and where you please. Friends of members are welcome and will be accommodated for the same fee.

It will be necessary to make your reservations in advance. Call Augie Tamburrino at Ave. 5641 (nights), or Mohawk 6166 (daytime), and tell him how many.

CONGRATS DEPT.

Doff your skimmers to Bro. Eddie Zachar, who became the proud papa of a boy on July 30. Mrs. Zachar, after a rather bad time, is now, happily, well on her way to recovery.

And sing a song of praise for Bro. Em Gorman, who chinned himself a rung higher on the ladder of success. Em has been appointed agent for the Railway Express at North Chicago.

THE BOWLING LEAGUE has been cut to ten six-man teams of approximately equal strength. The lineups haven't been definitely fixed as yet, but will be presented here when the final switching has been done and sponsors have been assigned. The league is set to open on Sept. 11 and will continue on each Thursday night at 8:30 p. m. at the Windy City Alleys.

IT MUST BE THE HEAT

That's responsible for the awful thing that happened to G.K. Jim Collins the other eve. It was really sweltering, so he decided a cool drink might help a little. Being a humanitarian, he thought to share his idea with his fellows and accordingly he rode over to the Fogarty domicile, which he found to be deserted. Nothing daunted, he proceeded to the abode of the Lemon King, where two stealthy figures lurked in the shadows.

Approaching cautiously, he recognized the peculiar outlines of the brothers-in-law, Fogarty and the Lemon King. They seemed to be panicked and a few more steps disclosed the reason for their fright—they had been caught red-handed sucking ice-cream cones. Apparently they had prepared for just such a contingency, for together they brazened it out. They admitted it—even gloated over the fact—and refused, despite sincere and persuasive arguments by their discoverer, to see the light of reason, repent and do the thing right. Instead, they presently dispatched a small boy to the corner store for another round of the same, causing the G.K. to leave, alone and dejected, pondering the dastardly effects of heat and sun upon the human organism. We're sure it's only temporary.

Bro. Ed Lopina is on a furlough for a few days. Wishes to be remembered to all the boys and adds that he is now receiving his mail at Camp Forrest in Tennessee, having recently been transferred from a camp in Louisiana.

Nazareth Folks to Enjoy Picnic Date Sunday at Drella's

2-4 Tues. . . . . 17 W. Harris, La Grange

With that annual golf tournament over let's take a look backwards at the happenings of the day. We did predict that the day would be a live one and for once we were right. What we lacked in numbers or golfing skill we certainly made up in spirit. Your Scribe put in an appearance late in the afternoon just in time to meet the great legal light Tony Zeigweid garbed a la Tarzan coming in from his round of the links. What a physique!

Also as predicted there were several spirited contests. Doc Russell took Tony Ziegweid in handy fashion. Doc was so confident he even let Tony keep the score. Another spirited contest developed between P.G.K. Foley and Phil Watkins. We understand that John let Phil inveigle him into making bets on each hole. When they returned to the club house we endeavored to find out who won but could not get anything definite, however, Phil was just plain taciturn, while John had that self-satisfied smile on his handsome pan.

Of course we must mention that nineteenth hole. Seems like all the boys put in their best licks there. Ben Martin should have had a white coat and apron on in order to look the part he played. There were prizes galore and we must mention the donators, Joe Eichen of Westmont, Fairview Grocery, Lukes' Food Mart, Joe Mrkvicka and Jim Daniels all of Downers Grove, and the popular Mr. Loftus of the well-known Nickelodeon West of Hinsdale. The dinner was certainly a first class meal served in fine style. The steak was delicious even though some people insisted on calling it chicken. However the "parley voo froggy" who put his elbow in the Schibe's coffee cup and spilled the contents all over his shirt front should be banished from the country until he can learn how to conduct himself in polite company. Bob Lester called for the Scribe to take him to the golf course just as dinner was being served. We were at the dessert stage which consisted of luscious blueberry pie, a concoction for which Mrs. Scribe is famous. There sat Lester eyeing that pie like a seven year old. He was fairly drooling, and being unable to stand it any longer he finally brust out: "Gee that pie looks delicious, wonder if I could have a piece?" Can you imagine that? Wonder why some people don't learn manners. Desn't Mrs. Lester ever feed the guy?

PICNIC SUNDAY, AUG. 17

Now about that picnic. Next Sunday is the day. Aug. 17th is the date. You are going to be there aren't you? This is the one big day of the year for the families of the council. There will be games and contests for all, young and old. As an added attraction this year we have secured the services of a professional clown for the kids. There will be refreshments galore, ice cream, soft drinks and we will again have the delicious baked ham cooked by that peerless chef, George Wimmer, of Downers Grove. As prizes we have two oil changes from Jim Daniels' Service Station, a merchandise certificate from Gertrude Dickson hat shop, five passes from the Don Theater, two gallons of oil from Joe Mrkvicka service station all in Downers Grove, five passes from the Westmont Theater, two gallons paint from the Hockaday Paint Co., Chicago, five dollars in cash from Brother Bill Galvin, manager of the Suburban Ice & Fuel Co., as well as many other things. All in all this promises to be a gala event. Don't miss it. The place Drella's home on Highland Ave. north of Ogden in Downers Grove. Come early and stay late and bring the family with you.

If anyone hasn't transportation please get in touch with one of the officers of the council and you will be taken care of. Lest we forget it the big feature of the day will be that ball game. An all-star East vs. West game that has got to be a classic.

As we were composing these lines we regretfully received word that Mrs. Kartje wife of Brother Chris Kartje of Brookfield passed away last Monday. Please remember her in your prayers.

BARRY'S NEXT MEETIN TO BE 'ATHLETIC NIGH

1-3 Tues. . . . . 2856 Washington B

As this is the last issue of The lumbian before the next meeting Aug. 19, we want to take this m of letting you know what your co has planned for this meeting. night will be known as "Ath Night," and there will be a sp match between the old bowling s of Barry and the rising stars.

This promises to be a very inte ing match, inasmuch as the old s still feel that they are just as goo they ever were, and fully believe will win. Who knows, maybe will. If this date is a hot nigh SURE to be present. We are sure will not regret it. The entire sof team will also be present to be hon for the wonderful work they did ing the season.

This is also the night that W Crowe will be formally presented the trophy that he won in the B tournament, and Barry Council also be presented with its troph the same time. Bro. Mahoney make a report on the ticket sales the dance, and Bro. Bill Kennelly give us all the latest dope on dance and how things are shaping Remember the date, TUESDAY, 19. BE THERE.

CONDOLENCE

Our sincerest sympathies are off to Thos. Kearns and family, w mother, Nora Kearns, passed away cently.

I call this to the attention of our members for the reason that we have many business men in our membership and because said act enacts severe penalties for violation namely fine of $25.00 to $100.00 or thirty days in jail. Thus for instance if you operate a place of business we will say under name and title of "Woodlawn Sport Shop"—it would be necessary for those operating said business to file the required affdavit as set forth above.

HERE AND THERE: Bro. Basil Giaretta has been spending a combination business and pleasure trip in the East. Post cards were received from him marked Altantic City and New York. Bro. St. Francis Finds All in Readiness for Big Picnic on August 24

2-4 Thurs. . . 4715 W. Madison St.

One more week remains, brother members, before the big picnic, Aug. 24. Have you made plans to attend? Of course, you're going. And you're going to take the whole family with you. If you don't attend, you are really going to miss a day chock fill of fun.

All you have to do is have your wife prepare a basket lunch, pile the wife and kids into the jalopy and drive out to Wicker Park Grove in East Chicago, Ind. For those who haven't a jalopy, a bus is being chartered at a buck a head. Children under sixteen get a free ride.

Golf, swimming, "bocche," games for the kids; in fact, entertainment for all is on tap. Charlie Principe is organizing an old timers' sofeball team, and has challenged the council team. If Charlie's team wins, we ought to let them represent us in the K. of C. city finals. (Are you lisetnin', Joe Consoli?)

Refreshments free to every member and his family. Four hundred feet of moving pictures will be taken throughout the day. If you have any musical instruments stored away, shake off the mothballs and take them along with you (the instruments, we mean). If you have any beer cans, take them also.

And now we'll tell you how to get out there. To the motorists: Take any street south to 95th street, east to Indianapolis boulevard, then south to the grove. Signs along the way will direct you. No chance of getting lost.

If you'rs going to ride the bus, you'll have one of four convenient places to board it. The bus will stop first at Roosevelt and Kedzie at 8:30 a. m. The second is at Roosevelt and Western at 8:40; the third at Ashland at 8:50; and the fourth stop at Haltsed at nine o'clock. Bro. Lou Belpedio will be on the bus to direct things. We'd like to urge you to be ready for the bus in plenty of time. Do not delay it any more than is necessary.

NOTES

The national Knights of Columbus convention at Atlantic City will get under way next Tuesday night with the songbird of our colncil, Sir Knight John Pane-Gasser, leading the assembly in the rendition of the "Star Spangled Banner." The proceedings will be broadcast over a national hook-up. Grand Knight Baptiste Mele will represent the council at the three-day convention. . . . P. G. K. John Blase Meccia has informed ye scribe with a card from Whitehall, Mich., that his "bachelor" days are over. Bet you a stick of gum he enjoyed being a "bachelor." . . . If you run a party, get in touch with Ned Locascio for potato chips and soft drinks. Ned is purveyor of Famous potato chips, Dr. Davis and Virginia Dare products and Kayo chocolate drink.

SPORTS

The last game of the regular season resulted in an 8 to 8 tie with Damen Council. Darkness prevented the continuance of the game. The final standings will show that our softball team finished first in its division and will participate in the city finals about two weeks hence. Plan to come out to these games and spur the team to a championship. They can win it with your support. More dope on the finals next week.

The officers of the bowling league are working hard in making up the teams for the coming season. The first night of bowling will be Sept. 8 at Jackson and Dearborn. Please be present if you are interested in participating during the coming season.

Carroll to Start Year With 'Bang' Tuesday, Aug. 19

Next Meeting Aug. 19, 6 N. Hamlin Ave.

FLASH! . . . THIS IS YOUR COLUMBIAN SCRIBE REPORTING FOR CARROLL COUNCIL . . . (despite the fact that the thermometers are soaring and the blistering hot weather has seared most activity to a stand-still, arrangements have been made for our next meeting). THE FIRST MEETING OF THE NEW FISCAL YEAR FOR CHARLES CARROLL OF CARROLLTON COUNCIL WILL BE HELD NEXT TUESDAY EVENING, AUGUST 19, MIDWEST ATHLETIC CLUB, 6 NORTH HAMLIN AVENUE, 8 O'CLOCK (promptly, we hope)!

As a part of the evening's program, tickets to the eighth annual all-star game in soldiers' field the night of August 28, will be presented at the meeting. Come up and enjoy an evening full of pleasure and grand association with your Brother Knights. This being the first meeting of a new year might bring with it the source of new energy and "re-pep" among the membership for "fuller-activity" in the coming year.

An appealing and star-spangled program of activities for the coming year is being outlined for your enjoyment. A printed program will be mailed to every member so that he may have reference to it from time to time. In this way, it is hoped, that the members may not meet with even the slightest disappointment because they may have forgotten "an important date to keep" with their fellow members or did not "encircle the date on their calendar."

WEDDING BELLS

James P. Hall, member of General Sherman Council, K. of C., and popular with Carroll's intra-council bowling league for many years will wed the lovely Miss Florence G. Crosby, who has been seen at many K. of C. social functions and Carroll affairs. The religious rites will take place at the Presentation church, tomorrow, Saturday, August 16, at the eleven o'clock mass.

Officiating at the ceremony will be the Reverend Shanahan from the Rockford Diocese, a relative of the groom. In the wedding party will be Orchestra Leader Charles T. Montgomery and Thomas P. Ryan, both of Carroll Council. A bachelor party was planned by Joseph V. Barry of Hennepin-Shields Council, Past Grand Knight Joseph J. Byrne and David O'Neill from Carroll. The honeymoon will be an extensive tour through California, Canada and Old Mexico. Congratulations and best wishes to the bride and groom.

MEMORIAM

Carroll is saddened by the loss of another of its members, John J. Coyne, late of 121 South Austin Blvd., who was buried August 6. A delegation of Carrollites attended the wake at Ahern's funeral home. The officers and members offer their sympathy to the bereaved family in their loss of our dear friend and Brother John.

Mrs. Margaret Maloney Ford died early Saturday in her home at 429 South Humphrey Ave., Oak Park, after a short illness. Surviving her are three sons, Joseph B., village assessor of Oak Park; Thomas, and the Rev. Cornelius P. Ford, S. J., of Cincinnati, and two daughters, Marguerite and Mrs. Coleta Cronin. Funeral services were held at St. Catherine of Siena church in Oak Park. Burial was in Mount Carmel cemetery. The members are asked to remember Mrs. Ford in their prayers.

Major H. Baker, Illinois National Guardsman and son of Dr. H. Baker of Oak Park, was killed in an automobile crash at Camp Forrest, Tuliahoma, Tenn. This came as a shock to the many members who have known Dr. Baker and our heartfelt sympathy is extended to the family.

INTRA-COUNCIL BOWLERS

Your bowling league officers have been hard at work arranging the final details for the official opening of the season—Friday evening, September 12, at 9 o'clock, Cinderella alleys, 5612 W. Madison street.

Among the first to sign their reservations for the coming season are Dr. George W. Andrew, Edward L. Baker, P.G.K. Joseph J. Byrne, Joseph J. Bradley, G. K. James J. Crosby, Eugene Conley, Michael E. Cosgrove, George J. Hunt, Charles J. Murphy, Timothy J. Murphy, Joseph J. Shuck, Michael P. Martin, Joseph T. Moreau, James B. McNamara, William E. McNamara, Daniel J. Ryan, Timothy M. Ryan, C. Vincent Ryan, Matthew F. Shea, William S. Condon, Fred Cote, Frank A. Griffith, Sr., James D. Burke, Edward F. Aubin, Alfred A. Camparini, Daniel G. Loftus, Joseph M. Mate, John H. McCann and Walter Kirby.

Word has not been received as yet from David J. Burke, Otto Baumgartner, Ancil N. Barton, William H. Lang, Stanley N. Olejnik, Michael J. O'Connell, Stanley Stegowski, Frank Griffith, Jr., Ralph Boldt, Thomas Donnelly, John Ford, Lambert Porod, John Wurbia, Vic Gorny, Robert Dunne, George Ahlert, Richard Egan, Joseph J. Fleming, Neil O'Connell, Thomas P. Ryan, Robert E. Dean, Patrick M. Kusack and Peter J. Dowdall. Before the complete schedule of teams is drawn up, the league should hear from these members, if they intend to bowl in the league. Please communicate with your league officers at the earliest possible moment so that no further delay is made and the season opens on schedule.

SEE YOU ALL NEXT TUESDAY EVENING AT THE MEETING, FELLOWS!

Ravenswood to Start New Year of Activity at Wednesday's Meet

1-3 Wed. . . . . 1521 Wilson Ave.

Ye Scribe almost missed a beat. Had he done so there would have been no column for Ravenswooders. As it is there is very little time, so this writing will turn in to little more than a reminder for the Aug. 20 meeting. This meeting is really the beginning of our new G.K.'s term of office, although you might say that it began last meeting, but still in all, that is only a matter of opinion.

Ravenswood knights should make an especial effort to come to this meeting. There will be many items of business G.K. Citti will want to bring before the Council and the greater the percentage of attendance the more clearly will he know our wishes and desires concerning our Council. Many members should make an attempt to be at the next meeting with a signed application in hand. We must get an early start on our membership drive this year and there is no better time than the Aug. 20 meeting.

Don't you think that this coming Wednesday would be kind of a nice time to start an old home day, so to speak? Why not each member call up at least one Ravenswood Knight that hasn't been a regular attendant at meetings this past year and personally invite him to attend this next get together. Many an old-timer has been staying away because he thinks no one cares whether he attends or not. Surely that is not a true assumption. Call up one of your old K.C. brothers and let him know that G.K. Michael Citti, his fellow officers and all the regulars are anxious to see him.

Don't forget that vacation card to W. Mann, 1528 Berteau.

South Division K. of C. Bowling Delegates Meet to Organize New League

A final meeting preparatory to the full organization of the South Division Knights of Columbus Bowling League will be held Monday evening, Aug. 18, at the Highlands Recreation Alleys, 1310 W. 79th St. All representatives of South Side councils wishing to join the league are urged to attend the session.

Chief business of the meeting will be the election of officers and the adoption of a set of rules and regulations for the conduct of the league during the 1941-42 season. League play will be conducted under a handicap system to insure an even chance for all teams.

The following councils have already signed up for the season: Archbishop Quigley, Santa Maria, Father Perez, Englewood, Archbishop McHale, St. Augustine, Bishop Ketteler, Blue Island, St. James and Archbishop Weber. This leaves room for two more teams. Promises have been received from enough councils to fill out this league of twelve teams.

West Side Bowlers Meet Monday Evening

The West Side Knights of Columbus Bowling League will hold its first meeting of the 1941-42 season at 8:30 next Monday evening, August 18, at the Cascade Bowling Center, 3825 W. Madison St. Bro. L. Franz, league president, urges all council delegates to attend.

Marquette Will Honor Softball Players at Next Thursday's Meeting

1-3 Thurs. . . . . 1928 Devon Ave.

Next Thursday, the 21st, is the third Thursday of the month, which means the meeting night of Marquette Council. Won't you please be present as our worthy Lecturer, John L. Henrick, has promised something special for this meeting in the way of honoring our ball players.

These splendid fellows of Marquette's team, competing in the North Division of the K. of C. Softball League, have represented our Council splendidly in this endeavor. Manager Carl Cronin and co-Manager Harry Warner, and all the boys, are to be congratulated. We know this attention to duty for our council has been at a sacrifice to them, and the will to win has always been with them for with only one game left to play with De Soto Council our team has lost only two games.

Beating St. Cyr on their own grounds last week, by a score of 8 to 4, was quite an accomplishment, and last Sunday, playing off a previously tied game with University Council, our boys of "Old Marquette" were on the winning side with a 9 to 7 score.

BOWLING

At this meeting wont you please let Bro. Tom Carroll know of your wishes regarding our council bowling league. Bro. Carroll is anxious to arrange his schedule and needs your cooperation. How about joining? You need not be a star bowler to enjoy this sport.

A card from Canada has been received from Trustee Roy J. Egan, who is having a nice vacation with his wife and family. Also a card from Bro. Tom Loftus advising he is enjoying the city of Denver with his wife and son Dick.

Bro. Winan C. Buettgen is the new chairman of our membership committee, and from him our council expects results. A wise selection was his appointment by G.K. Hesse. Bro. Buettgen, being head usher at St. Henry's Church, is very well known to all the parishioners. He is a man with much ability and energy and we who know him feel he will get action on this committee.

The appointment of Bro. John L. Henrick as Lecturer will bear fruit. Members on the entertainment committee should give John a little cooperation and Marquette Council will prosper. We congratulate these men and wish them good luck in their new duties. Likewise do we congratulate our splendid Warden, Walter Pettis, on his acceptance of the chairmanship of the Catholic Action Committee.

DUES: Deadline for those delinquent members is Thursday. You may straighten your dues matter at this meeting by remitting to the Financial Secretary, Jos. A. Sacheck. You may phone him at Kedzie 0701.

ANGLO-CZECHO-SLOVAK BODY MEETS

Chicago.—The first public meeting of the Anglo-Czecho-Slovak committee was held in London, where a message from H. Em. Cardinal Arthur Hinsley was read, it was revealed here by the Czecho-Slovak national council. "The defense of national life and liberty" the prelate asserted, "is the sacred cause for which your people are suffering and fighting. God will defend the right." The meeting was dedicated to the memory of the late Cardinal Karl Kaspar.

Leo Nine Blasts Way to Section Title and Finals

1-3 Tuesday.....820 W. Garfield Blvd.

Our hats are off to the softball team and to Manager Peterson and his assistant John McCool. On Thursday, August 7, Madonna was taken into camp to the tune of 11 to 3. It was a bang-up game replete with thrills and with Madonna fighting every inch of the way, however, our boys were in championship form and could not be denied. The division championship is now ours and we await combat with the other sectional leaders and the bringing home of the bacon to Leo. Watch for the announcement of the semi-finals and let's be out to cheer our team to victory.

PLAN NEW GAINS

While Mike Higgins, our scribe with his family, is out west on a vacation, the writer will pinch-hit for this week and next. The membership like the weekly write-ups Mike has been giving them and upon his return he will be all ready to report the activities of a busy Fall and Winter season.

During the extreme heat that we have been having it is difficult to plan a program but that is just what your Grand Knight and officers are doing so that no time will be lost once we pass the first of September. Past Grand Knight Wagner left an imposing record to shoot at, namely, the coveted honor roll position as reported in the Columbian, Columbia, and the news sheets as well as scoring with the four leaders in the Blood Donor movement.

An intensive campaign for new members, reinstated and readmitted brothers will be started the first of September as our new State Deputy Leo Flynn has requested a First Degree before Columbus Day. Dr. Gallagher and his associates are out to duplicate their fine work of last year and will try to double the number of members now signed up a Blood Donors. Make plans now to be at the next meeting of the Council on Tuesday, September 2, when your new officers hope to get off to a flying start.

U. S. O.—N. C. C. S.

The initials U. S. O. represent the way in which the Order is going to cover itself with glory for the work it does for the man in uniform. As stated in previous issues the Chicago area is in high gear and Past Grand Knight John Ruberry is section chairman of a group of six Councils. The Order is to have an important part in the care, operation and management of a recreational center that will be opened on south Wabash Ave. and to obtain our share of the expense the Chicago Chapter is reviving the famous Chapter Ball at the Palmer House on Columbus Day.

Each Council will be asked to accept a quota but all will be interested in exceeding the least that will be expected of us for this worthy cause. Bro. Ruberry will explain our participation in detail at the next meeting and we urge all to be on hand to get all the facts.

P. D. G. K. Bill Cullina will be the Council's representative in everything concerning the U. S. O. and the N. C. C. S. and will work closely with Bro. Ruberry to make Leo's part in this great defense work a shining chapter in our glorious history. Bill is picking his helpers now. Let him know that you want to help. We are confident that Sgt. Bill will handle things for Leo the way they should be handled.

DOTS AND DASHES

Cards from Bill O'Shea, Joe Eichten, Chas. Joyce and Deputy Grand Knight Doody. All having a fine time and wish you were with them . . . Don't forget the Ed. Casey benefit and get your ticket now . . . Recorder Jack Fanning was home the other day and looks fine. Hopes to be back with the boys soon. All will be glad when Jack is back at the old stand giving a hand in his well known way. Wiss miss his activity. P. G. K. Ed. Nugent is carrying on for him until he returns . . . Bro. Eugene O'Brien of South Park Ave. is in St. Joseph's hospital and will appreciate a visit from the boys . . . Arthur Goodman came back from his vacation and said the country was alright but there was not enough of shade . . . Visit the clubhouse, it is cool there and Houseman Tom Noonan is anxious to serve your every need. Bring your friends and visitors. They will appreciate it.

Quigley Plans for Transportation to Picnic Completed

1-3 Tuesday.....1035 W. 31st St.

G. K. Leo J. Gawrych and general picnic chairman Kasper Knasiak have appointed the committee leaders that will supervise the activities at the Council's annual basket picnic on August 31 at Sunset Park, Archer Ave., at 136th St.

Every Quigley member is urged to serve on one of the various committees. Ample members on each committee will enable each committee worker to spend but a few hours at his job and then joint his family and friends in this grand and glorious outing. Inform one of the following committee chairmen that your services can be counted on for a few hours in promoting a successful August 31st picnic.

Transportation—Joseph Urbanek; Finance—John J. Jankowski; Prizes—Walter Sherman; Events—Walter Gudny; Special Features—Anthony Kralak; Police—John Barry; Refreshments—A. Berny; Soft Drinks—John Golden; Publicity—C. Kamin; Parking—John Jackowiak; First Aid—Dr. Pierzynski; Booths—Stephen Safranski and Ben Bailey.

Transportation arrangements have been completed and any member, family and friends not driving a car will have the complete facilities of the Chicago Motor Coach Co. at their disposal. Buses will leave from the Quigley clubhouse, 1035 W. 31st St. at eleven a. m., and every half hour thereafter. The last bus will positively leave at one p. m. Returning buses will leave the grove at 6:30 p. m. and every half hour thereafter. Fares for the round trip: Ages 12 and over, 50c; under 12 years of age, 25c. There is no charge for admittance to the picnic grove.

There is hardly need to expatiate on the facilities and splendid equipment of Sunset Park. There will be features for both young and old—races, dancing, special attractions; a baseball game between Quigley and St. Mary's C.Y.O.; a baesball game between a team of Quigley members over fifty and a team known as the Quigley Heavyweights, each member being over 200 pounds.

GOLF TOURNAMENT

On Sept. 21 the Quadrangle, Quigley's Fourth Degree Unit, will sponsor its annual golf tournament and outing at Cedar Lake, Ind. All arrangements are in charge of Dr. Bukowski and tickets for golf and dinner can be secured from the "Doc" or any Fourth Degree member. A gift will be presented to every member attending and special attractions throughout the day will keep everyone handily engaged.

COUNCIL NOTES

PGK Hoberg of Commercial Council is showing the real fraternal spirit by his constant attendance at the meetings of his adopted Hughes.

Nick Mulroe and Tom McDonnell are nursing sore muscles after getting into the Hughes-Lafayette softball game. By the way, on Aug. 21 there will be a game between the softball team and the old-timers in Columbus Park. Everybody welcome. Report to George Daly, Jr.

PGK Enright and family spent the week-end at Twin Lakes. The families of a couple of PGK's, Kennedy and O'Brien, had a Lake Michigan five-day cruise last week. Fin. Sec. Dan Harper pitched hay during his vacation on a farm near Burlington, Wis.

Keep busy on applications. The GK read his first application at his first meeting, that of Robert Gregg, sponsored by Elmo Ward, then followed with the application of John McKeown, Jr., sponsored by his dad, DD and PGK John H. McKeown. Bro. Louis Lepore handed in reinstatement of W. Porto. Let's all get busy.

Presentation Church picnic on Sunday, Aug. 17, at Altenheim Grove, 7824 W. Madison St., in Forest Park. Games, dancing, refreshments, etc.

Bro. William Kane is a proud papa, for on last Monday, Aug. 11, at 6:14 p. m. in St. Ann's Hospital, Mrs. Kane presented Bill with a lovely 6½-pound baby daughter. Mother and baby are reported doing well. Sincerest congratulations and best wishes.

Missionary Spirit Is Urged by Bishops

Rochester, N. Y.—Only through the enlightened and generous interest of American Catholics can the Church keep a foothold on "the frontiers of faith" in foreign mission work, the most Rev. Edward Mooney, Archbishop of Detroit declared here on June 28.

"All over war-torn Europe today mission help—in men and means—is under a blackout," he told 12,000 persons gathered in Redwing Stadium for a Pontifical field Mass, highlight of the convention of the Catholic Students Mission Crusade.

Fifty persons were overcome by the heat of over 90 degrees and more than 100 others sought treatment.

"There is a call for mission work all around us in our own country, where millions lack the influence of a Christion home, a Catholic school or an organized parish," the Archbishop asserted.

"There is a call for mission work, especially in pagan lands."

Archbishop Francis J. Spellman of New York, who was presiding prelate of the Mass, said at the afternoon convention of the Missionary Union of the clergy, of which he is president:

"Our simple purpose is to foster love for missions in the hearts of priests and to stimulate them with zeal for the mission cause."

"Our missionaries cannot labor alone," the Right Rev. Monsignor Thomas J. McDonnell of New York, national director of the Society for the Prpagation of the Faith, was another speaker.

The Rev. Aloysius F. Coogan of New York, national secretary, reported that the missionary union had gained 1,978 members since June, 1939.

London.—Several pictures of the Sacred Heart and of St. Therese were found in the clothing of a 20-year-old German pilot whose body was washed ashore. His identfication disclosed that his name was F. L. G. Heinzdahmer.

ST. JAMES' SOFTBALL TEAM LEADS DIVISION

2-4 Mon. . . . . 64th and University

With his face wreathed in smiles, Manager Michael Connolly of the softball team told the attending members last Monday night that the team had clinched the championship for the South Shore Division and that it was all set for the finals, September 15-16-17-18 at Shrewbridge Field. Golf Chairman Chris Davis was well pleased with the attendance and the manner in which the members took the movie instructions on how to play golf, shown through the courtesy of A. G. Spalding, also the movie on U. S. Army on Wheels. Thanks to Chris Davis for an enjoyable evening.

ATTENTION BOWLERS: Chairman Paul Sink of 6852 Prairie Ave. announces that a meeting of the bowlers of the council will be held in the American Legion alleys at 76th and Cottage Grove Ave., on Wednesday, August 20, and requests all who want to bowl to get in touch with him before that date.

AROUND THE CHAMBER

The Judge Landis of St. James, Athletic Commissioner Ed. Enright was at the meeting wearing a coat, that's how cool the chambers were. So Dr. John O'Brien is out to beat Larry Duby and Peter Wehle! He was seen in the hotel lobby handing out applications to several prospective members. I wonder if he gave one to his brother. Visiting brother Knights were Joe Sullivan, John Hand and Michael Murphy from Calumet Council and also Brother Michael Morierity, a new transfer from Omaha Council.

Grand Knight John McKean appointed Brothers Clarence Phillips, Frank Maher and Jerry Laughlin to the Columbus Day Ball Committee sponsored by the Chicago Chapter, the proceeds will go to furnishing the new U. S. O. quarters at 11th and Wabash Ave.

Lecturer Peter J. Wehle says that the council will entertain the family next meeting night, so, St. James Council has a date with the ladies and children on Monday, August 25, at 8:15 p. m. sharp. A short business meeting will be held and then the program for the evening will be taken over and presented by the D. G. K. Thomas J. Groark and Brother Joe McGivern.

D. G. K. Thomas Groark reports that all sick members are well again. D. G. K. Groark wishes that a good many more members would get over whatever sickness they think they have and come out to the meetings. There is no reasonable excuse for a member to stay away unless they are sick or working and don't forget the little lady would like to visit with the wives of the members so why not bring the whole family up to the next meeting, August 25.

Well, here are those members who brought in the applications, are YOU one of them. Brother Larry Duby sponsors Mr. Walter George Meier. G. K. John McKean sponsors Mr. Mark F. Hanley. Lecturer Peter J. Wehle sponsors four candidates and wins the celluloid ash tray this week. He has the applications of Messrs. Ambrose J. Noonan, Joseph B. Thomas, John J. Hayes and Lawrence C. Wigahl.

BLABBER MOUTH REPORT

The McKenna brothers, Recorder Dan and Bro. Jim and their wives have just returned from a trip to Atlantic City. Bro. Dick Ryan and the missus are touring the United States. P. G. K. Prindeville and his wife, are in California. Bros. Ray and Frank Steffens are vacationing in the Colorado Rockies. I wonder where Bro. Clarence Phillips and his wife are? He missed the meeting last night. Brother Charles West was missed at the Notre Dame Retreat but was not forgotten, for a prayer for his speedy recovery was said at mass by the fourteen hundred in attendance.

Bro. Thomas Kelly of 6414 Cottage Grove Ave., the president of the Irish Club, was seated in his regular spot next to Chancellor Dr. C. J. Strobel, and reports that he has had an exceptional fine month of furniture business. Have seen nothing of the Roseland Tooth Carpenter since the Night in Cuba party. How about coming up to the next meeting, Dr. Berning, and bring the lady. Bro. Hugh Duffin has been busy nights dispatching passenger cars for the heavy travel going to the cool Rockies, and Bro. McBride in pounding out rail tickets nights at the Englewood Union Station for the west (that's me).

The scribe is still welcoming any telephone calls and cards so write the Blabber Mouth at 6345 Stewart Ave., or telephone Normal 4624 up to 3:00 p. m. and Englewood 0646 after 4:00 p. m. The name is John B. McBride.

Hildebrand to Gather for Month's Meeting on Thursday, Aug. 21

1-3 Thursday.....5711 W. Chicago Ave.

Will see you Thursday evening, the 21st . . . Only session during August . . . Vacation days are speeding to an end, and into the fray of fraternal activities once again . . . Undismayed at our seeming failure to regain some lost ground in membership, we enter upon the new year with vim and vigor, determined to more than fulfill our promises . . . And best of all a fall and winter program of socials will enhance the fraternal benefits of our membership, giving concrete evidence of our dependence on each other for life's best returns . . . Elmer Brewer reports a gain of five pounds since taking up residence in his new home in North Lake Village . . . Our friend Walter Brooks has left us off his calling list these many months . . . Who remembers when Tom Nugent was the star center fielder on our championship baseball team? . . . Paul Brosnahan is still "profing" at St. Philips . . . Those hardware items you need can be secured at Joe Axtman's . . . Another who has discovered the fountain of youth is John Hamilton who runs one of Uncle Sam's postoffices . . . George Lennon, Sr., is about to embark on his annual pursuit of touring the south and southeast . . . Ray McGuire sends word that his new Indiana home is just what he desires, and is happy in his new location . . . Mike Ronayne can name at least four flowers of the back yard variety since his sojourn into suburban Glen Ellyn . . . Happy to report that Mrs. Gene O'Donahue is on the road to recovery after a serious operation.

Federal School Aid Rapped by Senator

Boston.—Opposition to Federal aid to education and a recommendation that schools of the country avoid such assistance were voiced by Senator Robert A. Taft of Ohio, here recently in an address at the convention of the National Education Association. The N. E. A. has consistently advocated Federal aid for education.

Senator Taft declared that "Federal control of education, eliminaing self-government, would abandon one of the real safeguards of freedom in the United States." Reviewing arguments for Federal aid, Senator Taft said "if analyzed correctly and carried to their logical conclusion, they would justify Federal control of everything, and the complete elimination of local government."

Referring to the view that there is an inequality in the education given youth in various States because of differing wealth, Senator Taft deprecated the amount of money spent per child as "quite the infallible guide the writers on education seem to regard it." If the government, he said "is going to guarantee equality in education, why not guarantee equality in economic condition?" he asked. "If carried to its logical conclusion, the Federal government would have to distribute largess to every poor State and take it from others."

"I doubt if there is a single State which cannot afford a minimum basic education for its children," the Senator added. "Some of those which would be most assisted under the General Education Bill are maintaining expensive State universities and spending some of their money on professional athletics."

7,000 in PEACE MASS IN DUBUQUE

Dubuque, Ia.—Nearly 7,000 persons attended a Field Mass celebrated by Archbishop Francis J. L. Beckman of Dubuque in the Loras College stadium here and joined in a plea to the Sacred Heart for peace. The Rev. Dr. Edward Lodge Curran of Brooklyn preached the sermon.

Washington Starts New Program with Much Enthusiasm

1-3 Tues. . . . . 503 Main St.

Despite the thermometer being in the upper nineties and the ventilating system not working to full satisfaction, every brother present at the meeting held on Tuesday of last week remained until the close of the prayer, near midnight.

The attendance broke all records since 1939. The large number of brothers present were attracted by the novel program and letter prepared by your new lecturer, Bro. Eugene Belden. The program, in the form of "get it off your chest," caused every brother to take the floor without hesitancy in order to give expression to his ideas and opinions concerning council activities and future programs.

It was an occasion long to be remembered. While at no time was there a dull moment, the principal feature of the evening was the stirring address and appeal put forth by our own chaplain, Rev. Father Martin Muzik, in which he placed the responsibility for Washington Council's future success on each and every member.

With the large number of members present, all groups were represented. Charter members of nearly thirty-two years' affiliation were Past Grand Knight John McFall and Ed. Cogley. It was inspiring to have members of only a few months offer valuable suggestions along with promises to render every assistance possible to help in building Washington Council.

Bro. McFall was well repaid for his attendance, he being the winner of a special gift provided by Lecturer Belden, a new fall hat donated by Bros. Joseph and Conrad Strutzel of Strutzel's Haberdashery.

Bro. Tom Hennessey, one of our pioneer members, but not being in attendance as often as he would like on account of his work extending into the night, was present. His explanation of how he worked as chairman of the membership committee should be enlightening for our present chairman of that committee. All present enjoyed listening to PGK Cogley reporting our progress in a number of ways. On a percentage basis we are tenth in standing for our success in the sale of barbecue tickets. In the retreat movement we are ninth and leading fifty-three other councils.

BRO. ROTINI DIES

On Sunday, July 27, Bro. John Rotoni of 1410 N. 32nd Ave., Melrose Park, passed into eternity after several months' illness. His wake and funeral were attended by a delegation of Washington Council.

Death has also again visited the family of Bro. John Hunter. His brother, Earl, very favorably known in the western suburbs, died on July 5 after a heart attack of only a few minutes' duration.

Our membership was shocked on Tuesday of last week on learning of the death of Mrs. Rosalie Herman Harrold. This young lady, the only daughter of our late charter member and for many years council treasurer, Wm. E. Herman, was taken from this life while while in apparent good health. She was a bride of only ten days, having been married in St. James Church on Saturday, July 26.

To the relatives of the departed, the sympathy of our members is extended. To our members we extend a request that the deceased be remembered in your prayers and other good works.

NEWS

PGK Edw. Markham left Maywood on Friday of last week to report for service in the Marines. Bro. Markham saw service in World War No. 1 and now holds a captain's commission. May we soon have him and all our other boys now in service returned to civil life.

BOWLING—Bro. Geo. Baynes, chairman of the bowling committee, is now receiving applications for places on the several teams which we are planning to enter in a local league. Regardless of what your average is, we have a place for you. Before you forget, telephone Bro. Baynes, Maywood 5058, and tell him you are ready.

In accordance with instructions from the Supreme Officers, your financial secretary, Bro. Robert Lovejoy, will be at his home, 7656 Wilcox St., Forest Park, every Friday from 6 to 9 p. m. to receive payment of financial obligations. He cannot accept payment at any time outside of meeting nights other than Fridays. All brothers are requested to remember this announcement.

Grand Knight John Joseph Ryan and family have returned looking very much refreshed after spending two weeks with relatives in Boston and other Eastern towns.

DATES TO REMEMBER — Sunday, Aug. 31, quarterly communion. The time and place will be announced later.

Tuesday, Sept. 2, regular meeting. Grand Knight Ryan has promised a report on the question of our meeting place.

Tuesday, Sept. 16, roll call night. Lecturer Brother Belden and his committee are hard at work.

Friday, Oct. 10, Washington Council retreat at Mayslake.

Saturday, Oct. 11, Chicago Chapter charity ball at the Palmer House.

HURRY! HURRY! Your scribe shall endeavor to keep this column interesting. He solicits your support. Pick up the telephone, tell us what you have been doing and where you spent your vacation. How is your golf game? What do you know about your brother knight? Our membership is scattered, and just because you know something, don't think everyone knows it. Cooperate! Telephone Maywood 6616. Illinois Golfers Tee Off at Woodridge in Final Tourney Thurs.

1-3 Mon. . . . . 64 E. Lake St.

The big moment of the summer is the council's annual golf tournament, on Thursday, Aug. 21, at Woodridge Golf and Country Club, Lisle, Ill. Doesn't that bring back pleasant memories of the great tournament which was held there some five years ago? Country atmosphere, many tree-lined golf holes, shady lawns around the clubhouse, benches, tables, lunch room, dining room and a warm welcome from your council and the management of the club. Golf and dinner, $2; dinner alone, $1.25; golf only, $1.25.

A generous number of prizes will be distributed. Your golf score under a handicap or blind boggy system. Since we are paying out exactly what we are charging, prizes from council members will be much appreciated. Contact the chairman of the prize committee, Harry W. Dean, 5100 Woodlawn (Midway 6979), who is back from an extended vacation in Wisconsin feeling rather chipper. Harry it was who individually sold 15 books in our recent barbecue efforts. However, we do hope that he will confine his persuasiveness of this occasion to the members of the council.

For transportation to and from the golf course refer to the chairman, James I. Upington, 4403 West End Ave., Superior 4687. No obligation. He will be happy to hear from you.

FOOD FOR THOUGHT

Did you ever stop to think how little advantage we take of the few passing years that are left for the average one of us? We complain about world conditions and the cussedness of so many of us humans who are prone to accept our frailties, and yet many of our weaknesses are not matters of serious import, nothing which would ordinarily give great offense to a thoughtful person or, we hope, to a merciful God, and yet we brood senselessly. We misinterpret words and actions of our fellow men, then we fail to take advantage of plowing under these great monsters, jealousy, suspicion and selfishness.

Why not come out to the golf tournament Aug. 21? You don't have to play golf, you don't have to eat; come out and play cards on a table under the trees, come out and greet your fellow members and their friends, sit in at the distribution of prizes, come and go as you please, but come in any event.

At the next meeting the question of attending the night baseball game at Comiskey Park will be taken up together with other important matters. We do not know how the many night games will fit into our program, but it will be fitting and proper for the members to spend an enjoyable evening and do honor to the traveling secretary, Joseph T. Barry, member of our council.

COUNCIL ITEMS

Our country town correspondent informs us that the charming Loraine Stukel, daughter of Steve Stukel, is now the wife of Charles Jirezk. They were married at St. Frances of Rome Church Aug. 2 and after a honeymoon will return to Chicago.

We regret to announce the death of Bro. Phillip J. Clark, who died Saturday and was buried from his home, 4940 Jackson Blvd., Monday morning last. Surviving him are his widow and four children. He was well known in electrical circles, being attached to that department in the city hall for a great many years, where he was recognized as an expert in that particular line. Our sympathy goes to his bereaved family.

"AMERICA FIRST"

In the Illinois Council writeup of Aug. 1 (page 8) Scribe Murphy listed a few pertinent thoughts on the activities of the "America First" committee. Because all loyal Americans, sincerely concerned with the well-being of our nation, but have opinions on the course of national affairs today, and because this is a free nation where the individul can form his own ideas on the right and wrong of national policy, Mr. Murphy's well-presented arguments were bound to elicit an answering statement.

The "case for the opposition" is, therefore, today presented by Bro. Wilfred A. Cody, also of Illinois Council, whose article follows:

Funds are contributed to "America First" voluntarily *from all parts of the country* (Maine to Florida and Seattle to southern California).

Over 70 per cent of the amount of money contributed comes in amounts of $1 and less. For every $100 donated there are at least 70 contributors, usually more.

The books of America First are closed simply because some contributors, large and small alike, do not want to expose themselves or their companies to the smear campaigns of interventionists. Some, because of their official position or business position, cannot make public their contributions. No anonymous contributions are accepted. Donors must give credentials or a signed statement by a known law firm or official vouching for the loyal citizenship of the donor and for his opposition to Naziism, Communism, etc.

America First has from the beginning favored a strong, invulnerable defense. Lindbergh has stated this in his earliest speeches, has warned about the strength of Germany and stressed the need for our building up our air force to combat such strength, has repeatedly said that America can build a strong hemisphere defense that Hitler or any other aggressor, or any combination of aggressors, could not imperil. The defense effort does not necessitate war. Members of the U. S. Army and members of America First disagree as to what proper defense is; no one disagrees as to the urgent need for it. America First strengthens our *defense* by condemning an *aggressive war*.

America First stands for national unity. But national unity in itself means nothing. Unity for what? is the question. *America First wants unity for defense and for democracy.* It does not favor unity for nothing, unity that can lead to blind support of a dictator, unity that says "follow" without specifying what you are to follow. It does not favor unity for an aggressive war.

Eighty per cent of the people of the whole nation—as is shown in numerous straw polls from Washington to New York City and in the Gallup poll and the Hutchins poll—are united in their opposition to entering this war. It is the vocal minority of 20 per cent who are doing the fifth column work in this country, who are trying to lead this nation into war against the will of the majority, who are disrupting the declared unity that America already has.

The President and the people are pledged to keep out of war. National unity now means strong defense, democracy, and no war. It is the interventionists who are the fifth columnists in America today, along with Nazis and Communists and Union Now advocates, who admit their disloyalty to the U. S. Constitution.

Aquinas Appoints New Chairmen to Organize Season's Full Program

1-3 Tues. . . . 5441 S. Ashland Ave.

At our last meeting G. K. James Sweeney announced the appointment of five new chairmen to promote the order's new five point program.

Those appointed were: Chairman on religious activity, P. G. K. Dr. E. Bialecke; chairman of membership committee, Pat Renehan; publicity chairman, Frank H. Keane; social activity chairman, Wm. J. Golden, and insurance chairman, P. G. K. Leo Clifford. The members are expected to give these new chairmen the support they need to make this program a success.

In September the usual two meetings a month will take place. G. K. Sweeney promises every meting will start at 8:30 and after each meeting Lecturer Wm. Golden promises to have something new and different in the way of entertainment.

Just a reminder that the bowling season will get under way the latter part of September. All those interested should get in touch with Bowling Chairman Dr. Bialecke at Eng. 2627.

Madonna Mutter's Boy Has the Dope —We Do Mean 'We'

2-4 Fri. . . . . 4624 Emerald Ave.

One of the old boys of the Council gives us a ring the other night an' says "Whoinell is doin' Madonna's column, a half wit?" So we tell 'em he's nearly right, one-half writes it—an' the other half publishes it. (Take a gander at the masthead — page 4 Daisy, and see who you got mad on you now.—Ed.). To prove our case, we submit the following—for three weeks previous to last week's copy, all we could print about the summer dance was that it would be held at Glen Eagles County Club on Aug. 16.

So, figuring you had a bellyful of that, we omitted it in the recapitulation anent the orchestra, ducats, etc. But, with insidious intent, and diabolical cunning, the voice of Randolph St. attempts to besmirch our effort at honest journalism—what a way to write, hm, hm, hm!

AT ANY RATE

Tomorrow night is THE night when Madonna cuts the rug at Glen Eagles Country Club, 127th and Bell Rd. The ducats are two apiece, or if you settle up by tonight, a dollar and a half. Set ups will cost fifty cents. No charge for chairs, tables, or ash trays.

THE SOFT BALL

Team wound up its schedule with a win and a loss making a total of ten games won and three lost, which places the boys in second place in the Central Division. In a very close game with Quigley, the boys nosed them out by one run for a 5 to 4 score. And in the final game with Leo, the team was soundly drubbed 11 to 3.

Taking into consideration the fact that our team was practically all new timber this year we think that its managers Jim Casey and Jack Barry have done a marvelous job. While they still have a chance to do things in the city finals, the boys should be content to rest on their laurels and wait for next year.

TURNING NOW

From softball to our other national sport we offer the agenda of Madonna's Mighty Maple Maulers—in more modest terms, our bowling league. Pres. Jim McGrath, Sec'y Frank Jackson and Treas. Ed Lee have just completed the details for the coming season.

The Lucky Strike bowling alleys, 69th and Halsted, have been selected as the locale. The time, 9 p. m., is the same, but the week-night has been shifted from Wednesday to Monday.

It is contemplated operating a full eight team league this year, and it will also be open to non-members, in addition its been hinted that shirts for the teams will be on hand. Trousers, of course, are your own outlook.

For further information, stick your nose in at the Clubhouse, or phone Sec'y Frank Jackson, Bou. 3510 after 7 p. m.

NEXT FRIDAY

August 22nd, the Council will convene after a period of inactivity. With the Fall activities coming up, there should be plenty of discussion. The time, 8:15 p. m., the place, Madonna Clubhouse, 4624 Emerald Ave.

We might add, that beginning with this meeting of August 22nd, and continuing on each Friday night during the year, Fin. Sec'y John Pollick will be at the Clubhouse from 8 to 9 p. m. for the convenience of the members.

MADONNA'S MOANING

That some of the eminent gentry have deserted us, for the none on their vacations. Among them are Wally O'Keefe, Frank Jackson and Forrest Bordelon. (who is grabbing a second one, just like we are).

And it was nice to hear from old-timers like Roman Michalak, John O'Connor, Clarence Cole and Bill Hurley. Now that Friday nite is with us again, the boys should pay us a visit once in a while.

We see also in last week's hash that his nibs, the Editor, impugns our past, and to him, secret life with the dope on the pinking shears. Of course, its none of our business, but wouldn't you think a guy could ring up the little helpmate at home, rather than dash across the hall to ask some blonde babe? Thank goodness our past—and present—is unblemished as the new fallen snow. We got our info from a male tailor, swarthy, short and squinty.

But here's the payoff. Right next to Madonna's column, we find this perfectly beautiful gem of editorial housewifely advice. We quote: "Cold water should be used for soaking dishes in which egg, milk, sugar or starch have been cooked." We unquote. We might add that it's damgood stuff to soak heads in. (You can sail boats in it too, Daisy. We'll take your word gullible as is our wont, on the noggin dipping part.—Ed.)

Oh, daddy, let's hear you alibi that—without the aid of the blonde. (What's the restrictions for?—Ed.)

R. I. P.

We deeply regret announcing the sudden death of Bro. Bill Kilbride's father who was fatally injured in a train accident. Please remember him in your prayers.

German Bishops Protest Oppression of Church in Published Statement

Berne.—Oppressive measures adopted against the Catholic Church in Germany are protested and the faithful are called upon to remain staunch in their faith, in a statement drawn up and published by the Archbishops and Bishops of that country, it has become known here. There is no text of the statement available here, but reliable reports have brought the gist of what the German Bishops have said.

(It is customary for the Archbishops and Bishops of Germany to meet at Fulda each June on the feast of St. Boniface. Frequently, and especially in time of great stress the meetings are followed by the issuance of joint pastoral letters.

(Following the 1940 meeting, DNB, the official Nazi news agency, sponsored a report that the German Bishops had adopted resolutions favorable to Hitler; that they would appear later in a pastoral letter, but that the pastoral would not be issued until after the war. The DNB gave no source for its statements.

(A canvass of all available sources by the N. C. W. C. News Service at the time of this report brought out the general opinion that the report as sponsored by DNB was to be regarded as "spurious."

(The News Service was told that all persons participating in the Fulda meeting were at the time pledged to the strictest secrecy, and that absolutely no public announcement had been made on the decisions reached. The N. C. W. C. News Service also informed that the Holy Father had addressed to that Fulda meeting, the first at which the Austrian Bishops joined with their German brethren, a letter which precluded entirely any such resolution as DNB said was adopted.

(A speaker on the Vatican City radio station took occasion at that time to warn against the story being circulated by DNB. He said, last September, that "up to the present no communication from any reliable or official source has been published concerning the German Bishops' meeting.")

Reports reaching here indicate that the Bishops in Germany have succeeded in giving public expression to conclusions arrived at Fulda. It is said the statement has been read in at least some churches; that it draws attention to restrictions put upon the work of the Church; that it points out dangers confronting the Church today, and that it even asserts that the very existence of Christianity in Germany is at stake. At the same time, the Bishops, it is reported point to the sacrifices Catholics in Germany have made in these times, how ecclesiastical properties have been given over as shelters for soldiers, and how Catholics, loyal to their country, have gladly borne the burdens the emergency has brought. Nevertheless, the Bishops point out, sacrifices have their limits, particularly when the compromising of faith is involved.

The German Bishops, word of their statement says, lament the loss of the Catholic schools and indicate that the Nazi authorities are preceding against the Catholic kindergartens. They call upon their people to cherish their Catholic Faith and to sanctify their homes.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

DEARBORN'S SWIMMERS TAKE TOURNEY HONORS

3rd Thurs. . . . 820 W. Garfield Blvd.

About 400 people crowed Mark White Square last Friday night to see the diving and swimming show sponsored by the Chicago Park District. Lecturer Pat McCarthy, under whose direction the contest was conducted, pronounced it a big success and some of the Knights who attended Friday night said that they wished that they had been on hand to see the Thursday night contest. It was a two hour show and every minute of it was enjoyable.

The K. Of C. team, made up of Dearborn Knights, took the honors of the meet. Walter Coswell and Randy Herman were given special awards for their diving and swimming ability. Congratulations, boys, we're wishing you continued success in future competition.

CONGRATULATIONS

We have a long list of well-wishing to get over, and we'll get under way by wishing Bro. Joe Newman and his bride, the former Louise Naber, all the health, happiness and success that can be showered upon them. They were married June 28, at St. John's Church at a solemn Nuptial Mass, by Bishop O'Brien. Father St. John, Pastor, celebrated the Mass and was assisted by Fr. Quinn, who is Joe's cousin, and Fr. Mao. Bill Saurlin was the best man and the bride's sister was the maid of honor.

Congratulations are also extended to Bro. and Mrs. Francis Rochford, (son of former D.G.K. Martin Rochford) who were married on July 26, and went to Milwaukee for their honeymoon. We wish them loads of happiness and success.

Srgt. and Bro. Joe Healy comes in for his share of best wishes due to the fact that he has recently been promoted to the Bureau of Motion Picture Censorship. Joe succeeds Harry Costello who retired.

Next Sunday, Aug. 17, marks the 100 anniversary of the arrival of the Frett family at Johnsburg, Ill., and for that reason Bro. Ed. Frett and all his family are having a reunion at Burton's Bridge, near Wauconda, Ill. Congratulations to you and your family, Ed.

Bro. and Mrs. Frank Hubert announce a brand new baby girl, so new we can't even tell you her name. Mrs. Hubert and daughter are at Little Company of Mary hospital and are feeling fine. Our best wishes to the three of you.

NEWS ABOUT KNIGHTS

Senator and Bro. Richard J. Daly is right on the job in Springfield. Word has reached us that he has introduced House Bill No. 177 which protects the civil service rights of those employes who are inducted into the selective service.

Bro. Jerry O'Sullivan tells us that he spent a week of his vacation at Commodore Barry Country Club at Twin Lakes, Wis. Jerry came back feeling fine after what he called a wonderful trip and visit. He says the accommodations furnished up there by our Bro. Knights are of the best, that the food is excellent, and any time spent there pays big dividends. Any of Dearborn's men who have not as yet taken their vacation and have no place in particular to go, might find this trip of Jerry's well worth looking into.

We regret to announce that Bro. John Healy, a member of Dearborn for some 25 years or more, and his wife were in an automobile accident last week and seriously injured. They are both in Little Company of Mary hospital and we hope they soon recover.

P.G.K. Bob Du Mais leaves Sunday for the convention. Tony De Beck is on vacation in Wisconsin and he may send us some of those big fish they get up there. Bro. Wm. Fitzgerald is in the hospital at Bryn Mawr and Pulaski Sts. and would enjoy seeing some of his friends.

John Engeln has to buy a new hat because his old one won't fit him now that he has become a grandfather. Congratulations, John. Bro. McGonigle's wife is in the Hinsdale Hospital, and we hope she recovers quickly. One transfusion last week was given by Bro. Bill Gaynor at the Illinois Research Hospital.

Dearborn's team finished in fourth place with 7 wins and 8 losses. We'll do much better next year, says Manager Logan.

Neri's Final Summer Meeting Takes Place Next Tues. Evening

1-3 Tues. . . . . 7515 Yates Ave.

On next Tuesday evening, Aug. 19, we hold our only August meeting. We go on our regular schedule in September (the first and third Tuesdays of the month). Grand Knight Bill O'Neill and his committee have been working hard on the schedule and Lecturer Bill Blake promises a splendid program of events that will satisfy everyone.

The softball team has been playing fine ball. At the beginning of the season it looked doubtful if Neri would be able to put a team on the field. They are now tied for second place with the powerful Santa Maria team. This week, on Wednesday, Santa Maria and Neri play at Trumbull Park and Thursday at 75th and the Lake against St. James, the leaders. Come on out and help Manager Henry J. Doolin put over a winner.

Fin. Sec. Doolin reports that delinquent members should pay their dues as soon as possible as the Trustees meet very soon now. Harry F. Bitter, our esteemed Treasurer, just returned from a trip east covering New York, Baltimore, Philadelphia and Washington. His son is an ensign in the Navy, stationed in New York.

Grand Knight Bill O'Neill, Jack Quigley and Morrison Hickey spent last weekend at the retreat in Notre Dame.

Very sorry indeed to report the death of Bro. William R. Donellan. He had been a member of the Order for 29 years, transferring from Calumet Council to Neri in 1920. May God rest his soul.

On account of many other duties, our scribe Hugh Sanaghan had to give up writing our weekly column. It is too bad for Hugh has done a splendid job. The new scribe is John J. Brassell who resides at 7603 Saginaw Ave., and his telephone number is Regent 7303. Jack is assistant editor of the Daily Calumet and is very active in civic affairs. Be sure and call him if you have any news.

Pinta Gives Complete List of Appointments Made at Last Meeting

1-3 Thurs. .. . . St. Mary's Church

For the information of brothers who were not present at the last meeting, a complete report of appointments are hereby presented:

Membership: Chairman, G. K. Stanley Prymas; E. Carrarini, S. Burda and J. Zmahar. Lapsation: Chairman, J. Cole; Tony Bubula, Pete Opyt, Herman Horn. Sick and Visiting: D. G. K. A. Stepenski is chairman. His committee will be made known in the very near future. Catholic Action: Chaplain, Rev. Fr. Weiler. Publicity: Tom Kinney.

Council Program: Chairman, Joe Cole; Ed Keyl, R. Edwards, C. Burda and F. Kleinz. Fourth Degree: Fin. Sec. Dan Perry. Advisory: P. G. K.'s W. A. Reich, J. Berschinski and D. Denham. U. S. O.: Chairman, P. G. K. J. Berschinski, P. G. K. W. A Reich, A. Stepenski, J. Zmahar and F. Pietsch. Sports: Chairman, A. Bubula; J. Cole, F. Burda and B. Christeck.

Brothers, you will notice that the appointments have been made from the active membership. We have a definite goal to reach. In the past we have not been very successful. The element needed for success is co-operation. To sacrifice a little time for the interests of our order is a great step toward promoting Catholic Action.

HERE AND THERE

Bro. A. Bubula attended the Young Ladies Sodality dance last week and spent an enjoyable evening. Bro. J. Zmahar is quite an amateur photographer. Last Monday he was showing samples of his skill. Bro. A. Stepenski was hoping that Bro. A. Reich had forgotten about the roaster and pan from installation night. He was going to rub the roaster after putting in some beef. The magic, however, wore off before he had a chance to try it.

Bro. Joe Stepenski is stationed at Camp Grant for the present. His address is not known, for he is expecting to be transferred very soon. Bro. Stanley Burda is not feeling very well and would appreciate a visit from some of the brothers. Has any brother heard from Bro. Emil Velkovrh lately? He was stationed at Camp San Luis Obispo, Calif., and looking forward to maneuvers in Washington when last heard from.

CALUMET TO PICNIC SUN. AT JACKSON PK.

2-4 Mon. . . . . 6646 Stony Island

This is our last chance to try to tell you what you will miss if you don't attend our picnic Sunday. For one thing you can't spend a cent. Everything is free and we haven't anything to sell. Free ice cream to the kiddies. We are even going to have, for the benefit of the children who get there early, Jim Shinners read the Sunday comics. Calumet's own clown, who did such a fine job last year, will be back again making everyone laugh.

Every member will have a free chance to take home a gift from the council. There'll be electric shavers, Kay Woodie pipes, oil changes for your car, free laundry and groceries. These will be given away—no charge of any kind—all you have to do is come over.

No one will have to worry about sitting in dirty chairs or having dust flying around all day. The park is very clean and you know the grass is always in fine shape. The chairman of the picnic, George Harrington, has gone through a lot of trouble planning all of the day's events. We don't see how anyone could go wrong. Now don't forget. The picnic is in Jackson Park, picnic spot No. 2, right next to the motor boat clubhouse. Remember where they used to have the concerts? That's where it is located.

NOTES

Attention, Hollywood: Warn Robert Taylor to watch out for his job. Jim Higgins and the wife left today to spend three weeks out there. Have a good time, folks. We received a box of California oranges from Bro. George Martin. The box is in the clubrooms so come on up and get a few. We also received a snappy postcard from D.D., P. G. K. Wilf Byrne from Wisconsin. The Drain twins left for the East. Your scribe spotted P. G. K. Joe Cusick and Mike Cleary having a good time with their families over at South Shore Country Club the other night.

You probably read in the papers of the Police School in Springfield for the State Highway force. Well, the dean of the school, who did such a fine job is our P. G. K. Walker Butler. Good work, Walker. If any of you members are driving along 95th St. at Indiana, stop in and buy some gas from Bro. Joe Skibinski.

We regret to announce the death of Mrs. Margaret Lynch, the mother of John J. Lynch. We received a report that Arch Mahoney has been living on chicken out at Hines. Don't get too fat Arch and don't go into the kitchen telling the cook how to make coffee.

BOWLING: We have been very fortunate in obtaining Bill McNichols as our new bowling chairman. Willie will have a hard time filling in D. G. K. Joe O'Connor's shoes, but we know he can. We are using twelve alleys this year so we can use about ten new men. You new members should join in and get in the swing of it.

I almost forgot to mention the "beauty contest" winners at our last meeting. Jeanette Shinners won first place, Cl followed by Winifred Byrne. Ge Harrington and Tilly Scully tied for place.

EXCAVATORS ATTENTION

The chairman of the golf comm P. G. K. Jim Grant, tells us that t met's first tournament of the year w held August 23, at Glen Eagles Co Club, 123rd (McCarthy Road), at Road. Cussing starts at 1:30 p. m. ages are $1.25 for golf and $1.25 for ner. $2.50 for the day is all you have to drop down. That's not c ing the putts you miss.

The ladies will be enjoying thems by playing cards while the boys ar placing the turf. Dinner will be s at 8:00 p. m. followed by dancing. in your reservations immediately s will know how many to expect.

The members of the card club wi thank the new ice boy, Bob Hardy.

Fast Teams Mark Entries in K. of C. Softball Tourney

Hughes Will Defend Title in the League Playoffs Here September 15-18

By John E. Miner

When the 1941 K. of C. Softball League Championship playoffs are held on September 15, 16, 17 and 18 at Shrewbridge Field, 74th and Aberdeen streets here, an array of strength to rival the blitz forces of Europe will go into action in quest of the city-wide K. of C. championship crown. Twelve teams, six of them champions of their divisions, will show their merit in each evening's contest in what is expected to be one of the finest playoffs in league history.

All games will be played under the modern lighting system of Shrewbridge Field, reputed to be the best equipped in Chicagoland. Games will begin at 7:30 o'clock on each of the four evenings.

Ten Entries in Finals

The softball finals represent the only competitive athletic actively sponsored in the Chicago area by the Knights of Columbus. All Councils, regardless of their entry in this tournament, are invited to patronize them. Three games will be presented each night for the nominal sum of thirty cents for adults and fifteen cents for children; box seats are available at forty-five cents each.

Team entries in the playoff season are the first and second place winner from each of the six divisions of the city. The North will be represented by St. Cyr and De Soto; West, St. Francis and Bishop Ketteler; Far West, Hughes and Barry or Lafayette; Central, Leo and Madonna; Southwest, Auburn Park and Archbishop McHale and South Shore, St. James and Santa Maria or St. Philip

Americus and St. Francis Meet in "Donkey" Softball Contest Tomorrow Night

Members of the Americus and St. Francis Xavier Council's softball squads will clash in a "Donkey" ball game tomorrow evening at St. Phil's Field, Van Buren and Kedzie. The novel match is being sponsored by the Holy Name Society of Our Lady of Sorrows Church.

Both the council squads just missed placing in the divisional tournament of the Knights of Columbus Softball League and, except for any unknown qualifications in horsemanship, should be evenly matched for the Saturday evening contest.

In addition to the Donkey ball game a regulation softball game will be staged between two star girl teams, the Bireley's and the Nonpareil Ice Cream Girls. Both these teams competed for the city championship last year and are among the top-notch squads in their field.

The first game will start at 7:30 p. m. Admission for adults is at twenty-five cents and children fifteen cents.

See New Efforts on Charity Ball With Sept. Meets

Ticket Distributions to Councils Will Be Completed by This Week-end

With the first Council meetings of September, the fall season of Order activity will begin here and promotion of the Chapter-sponsored Charity Ball it is expected will get underway in earnest.

Tickets for the Columbus Day observance which is to be held at the Palmer House on Saturday evening, October 11, were distributed to most councils this week. Early reservations already indicate that the "double feature" party program, offering a full evening of dancing in the Grand Ballroom and an equally popular card social in the Exposition Hall, has found particular favor with the general membership.

Also a reason for the general interest in the party is the fact that its proceeds are to be donated to the Archdiocesan unit of the National Catholic Community Service and used to provide furniture and equipment for the soldiers and sailors recreation center at 1122 S. Wabash Ave.

Party Chairman Henry J. Lynch and the members of the local Knights of Columbus N.C.C.S. unit as recently appointed by State Deputy Leo M. Flynn, will soon begin a round of council visits in promotion of the Charity Ball. It is hoped that more than 1,500 couples, the attendance at the last such party in 1937, will be on hand for the October 11 celebration this year.

Convention Delegates Hear Plea to Back Aid to Russia

Justice Murphy and Security Administrator McNutt Ask Knights to Fight Nazi Menace

Fifteen hundred delegates representing 419,000 members of the Knights of Columbus met Tuesday and Wednesday of this week at Atlantic City, New Jersey for the 59th annual convention of the Order and heard national and ecclesiastical leaders point the way of Knights of Columbus aid in the furtherance of the nation's social and military programs.

Convention proceedings opened Tuesday morning following a Pontifical Mass celebrated by the Most Rev. B. J. Eustace, bishop of Camden in Our Lady Star of the Sea Church. The Most Rev. Edward Mooney, archbishop of Detroit, preached the sermon.

Justice Murphy at State's Dinner

Tuesday evening the 1,500 delegates and supreme officers heard Supreme Court Justice Frank Murphy, Federal Security Administrator Paul V. McNutt and Supreme Knight Francis P. Matthews outline the Order's part in current national affairs. The addresses, delivered at the State's Dinner, chief social gathering of the convention, were carried to Knights from coast-to-coast in a nation-wide broadcast over the N.B.C. system.

Justice Murphy told the Knights of Columbus that all Catholics and other Christians should join in aiding Russia during the war with Germany. "Naziism," he asserted, "constitutes a greater menace to the church and democracy than does Communism and helping Russia now doesn't mean embracing her political and economic doctrines."

The jurist said it was abundantly clear that "under Nazi rule no religion would remain free," and that "any concessions thus far made to religious bodies have been made solely for reasons of convenience and opportunism."

Paul V. McNutt, federal security administrator, spoke of the German conquests as "evil forces loosened upon the world from which no nation and no people are safe." He pictured Americans as "rudely awakened and heroically responding to the danger."

Reports Show Order Progress

Election of supreme officers and directors was not scheduled to be completed until late Wednesday afternoon —to late to be reported in this Columbian edition.

Earlier reports, delivered by the various officers indicated considerable progress in all lines of Order activity during the past twelve months. Nine new subordinate councils were instituted during the year, according to Joseph F. Lamb, Supreme Secretary.

"A total of 2,478 subordinate councils are now affiliated with the Order," Lamb reported, "these have a total enrollment of 414,952, of whom 218,068 are insurance members and 196,884 are in the associate class, 1,940 members received the honors of the Fourth Degree during the past year, to bring the total current membership of that unit to 12,400.

We Celebrate a Birthday

With today's issue, The Columbian realizes thirty-five years of continuous publication as the official newspaper for the Knights of Columbus of Chicago.

Eighteen hundred and twenty editions ago, on August 25, 1906, this paper, with the approval of State Deputy Lewis E. Sauter, first began its existence as the weekly news organ of the membership in this jurisdiction. During its first few years, and because the paper trod ground where similar ventures had previously failed, Columbian successes were meager but its management had the consolation, that if progress was slow it nevertheless was forward and though successes were small no greater measures were needed to gauge the severity of its errors.

Following the formative years, when finally even the most pessimistic observer of Columbian progress was convinced that the paper had a real chance of survival, a period of steady growth began. A most important step and one that did much to strengthen The Columbian's position and to assure its future progress was taken through the intelligent action of the local membership when early in 1908, State Depnty James Maher, in conference with the District Deputies and Grand Knights of the jurisdiction, unanimously elected The Columbian as the official publication of the Order in Cook county. By making The Columbian the single official organ in the county, and by prescribing rules for its conduct, the paper was given a standing it could not otherwise obtain.

It seems hardly necessary to point out the value of such a publication, especially in view of results which have been achieved. Whether we are right in the assumption or not, we believe that The Columbian was largely responsible, after the able committees, for the immense success of such projects as our barbecues, the several and separate Chapter affairs, the various athletic enterprises of the Order, the Fourth Degree

Expect Crowd of 200,000 at Public Holy Hour in Soldier Field Sept. 16

The greatest Catholic demonstration in Chicagoland in 15 years will take place Sunday evening, September 14, when more than 200,000 Catholic men, women and children unite in a pageant of prayer and patriotism.

The occasion will be the public Holy Hour which will be held at Soldier Field under the sponsorship of the Archdiocesan Union of Holy Name Societies, the official men's organization for Catholic Action in Chicago.

An impressive altar set against a towering 40 ft. background will help transform Soldier Field into a mighty outdoor cathedral for the ceremonies, at which His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, will preside.

An hour-long patriotic program will begin at 7:00 p. m. and the religious Holy Holy will follow immediately. Outstanding among the features of the Holy Hour will be a public prayer offered by 200,000 Catholics in attendance for the intention of His Holiness, Pope Pius XII. This act will culminate a crusade of prayer for the Holy Father by the Holy Name societies of the Chicago Archiocese.

months ended June 30, 1941, was $6,808,000. From October, 1940, to June 30, 1941, the total amount of insurance written on the new five system certificate forms was $7,702,000.

Lamb's report also revealed that the Order "has paid to members and beneficiaries more than a million dollars a year for each of the sixty years of its existence. In 1940 the Order paid $4,284,752.86 in benefits. The total amount paid by members as assessments and contributions for the Benefit Reserve Fund was $3,745,481.60. The total income of the Order from investments was $2,035,000.06; the balance in the Benefit Reserve Fund Dec. 31, 1940, was $51,275,837.13, an increase of $1,578,743.68 over the balance on Dec. 31, 1939."

Knights of Columbus Are Strong Force in Catholic Education

From the report of the Supreme Secretary, Aug. 17, 1941.

The Knights of Columbus scholarships at the Catholic University of America, as set forth in the terms of the Foundation, are designed chiefly to train exceptional young men in graduate courses in the arts and sciences, with particular reference to preparing Catholic University graduates to teach in universities throughout the country. As is well known, comparatively few Catholics are found on the faculties of state universities or of secular colleges generally, and one of the objectives of the institution of these scholarships was to train Catholic leaders to take their places on the faculties of secular institutions where the Catholic point of view may be presented and defended. These scholarships are also designed to train Catholic leaders in other lines of activity, and especially as men of affairs to take their place in the public life of the nation.

Scholarship vacancies are filled annually after competitive examination. Any unmarried Catholic young man who is about to graduate, or who is a graduate of a recognized college, is eligible to compete, although preference is given to members of the Knights of Columbus and to their sons, and some attention is also paid to geographical considerations.

A survey was made recently by the Catholic University of America of the Knights of Columbus scholarship students. One hundred and ten of the former students have taken up teaching or academic administration of some kind. Of this number, twenty-eight are on the faculty of the Catholic University of America, sixty-three on the faculty of other Catholic institutions, and nineteen are in secular education. Two former scholarship students are now serving as presidents of Catholic colleges. The remainder of the Knights of Columbus Fellows have entered various other avocations, including such branches as government service, law, medicine, business, and research. Eight of the Fellows have entered the priesthood.

CORRESPONDENCE SCHOOL

The Correspondence School for members and their families is now completing its eighteenth year of service.

This school is maintained as a fraternal service, and is not in competition with the commercial type of correspondence school operated primarily for profit. Tuition fees are on a cost basis, and enrollment is limited to members and their families. The Order, so far as is known, is the only fraternal society conducting a correspondence school in the interest of its own members.

The method of instruction used by the Educational Bureau in carrying on its home study work brings positive results. Each course of study is carefully planned and organized with special reference to the needs of adult students. Each lesson contains full directions for study, including reference to textbooks by chapter and page, supplementary suggestions, and finally a lesson report covering questions designed to test the student's understanding of the ground that he has covered. After preparing his lesson reports in full, the student mails them to the Supreme Office, where they are corrected and marked by competent instructors. The instructor not only corrects the lesson report, but makes appropriate comments and the report is then returned to the student. Each individual lesson report submitted to the office is handled in this manner and returned to the student, on an average within forty-eight hours. The student is at all times in touch with the instructor, and is permitted to ask as many questions as he cares to in connection with his course of study.

The proper selection of courses for correspondence study is of vital importance. After years of experimentation and trial the Educational Bureau offers one hundred and eight courses, which, it is believed, can be satisfactorily handled and adequately covered in a correspondence school. Some courses, by the very nature of the subject matter, for example, chemistry or dentistry, should not be attempted by correspondence school methods; other courses lend themselves well to correspondence instruction, and in arranging the courses of study, we have kept this fact constantly in mind.

New courses are added from time to time when it has been demonstrated that they may be successfully given by correspondence instruction, and when the demand is sufficient to justify the preparation of a new course of study.

St. Rita Bowlers Set Sept. 12 as 'Der Tag' for 1941-42 Tourney

1-3 Thursday.....6048 S. Fairfield Ave.

Well, the first bowling meeting of the season last Monday was no different than the keglers' initial session of other years. For more than two hours the boys expounded pro and con on rule after rule, quoting paragraph such and such and line so and so, but after the smoke had cleared everything was copesetic.

From what we were able to get out of the wrangling (which was interspersed with raps of a bottle gavel, first in the hands of Doc. Hoffman and later Chip Kucharski) the outlook for the 1941-42 season looks something like this:

The clang of the foul-line bells will officially open our efforts on the drives at the Western Recreation at 9:30 p. m., Friday, Sept. 12. We will bowl every Friday thereafter at that time excepting the Fridays after Christmas and New Year, and Good Friday. Sixteen teams will roll, meeting each other twice, for a total of 90 games over 30 nights.

Rules as to handicaps, eligibility, distribution of prize money and other matters are practically the same as in other years. Some few minor changes will be made known to all bowlers by the league secretary, John Lehner. All members wishing to bowl, who as yet have not registered, should get in touch with John at 6242 S. Fairfield Ave., Rep. 0285. Another meeting of the league will be held before the season opens.

THINGUMBOBS

Through the efforts of Lecturer Harold Hilbert, our meeting last night was highlighted with a motion picture starring Bobby Jones.

Chairman Connie O'Sullivan began formulating plans this week for the 2034 Club's annual picnic which will be held Sunday, Sept. 21, at the Log Cabin. Admission is $1 per family—which includes refreshments and entertainment.

Chairman of Athletics Bruno Fracassi informs us that the last golf tournament of the season will be held Sept. 28 at Kinsmans Country Club. Whether a dinner dance will be held in conjunction with the tournament has not been decided.

With Summer just about over why not put forth a little effort in our membership drive. Membership Chairman Jack Devlin (our new recording secretary) urges all members to do their part in bringing new life into St. Rita Council.

As you can see the column is none too long this week. You can remedy the situation. Please send all items for the column to the scribe at 7951 S. Hermitage Ave.

Half Hundred Jesuits Sent to Mission Posts During Summer Months

Fifty American Jesuits were sent to mission posts in various parts of the world this summer. The number is not the largest the American Jesuits have sent in one year, but it is impressive in view of the unsettled state of the world and the great difficulty of obtaining transportation, especially to the Orient.

Of these 50, 34 were destined for China, India, the Philippines, Alaska, Jamaica and British Honduras. The remaining 16 will work among the Indians of the northwest and the Negroes.

Due to the taking over by the United States Government of passenger ships for war service, Superiors faced an almost impossible task of obtaining passage for the 19 men assigned to posts in the Orient. The difficulty, however, seems finally to have been overcome and passage has been secured for 11 men to the Philippines, 5 to India, and 3 to China. Two more men will sail for China in September, but these are veteran missionaries returning to their posts and are not included in the total list of departures. The American Jesuits have 619 men on the mission field.

This year is the four hundredth anniversary of the departure of Francis Xavier for the Indies, and although the world has made many advances in ocean transportation since then, many missionaries today are experiencing some of the same difficulties he experienced in obtaining passage to posts in the Far East. Still greater, however, are the obstacles in the way of sending men to the Near East, the war in the Mediterranean having closed the only available route.

This year, as last year, the American Jesuits were unable to send any new men to their mission in Baghdad, Iraq. Ceylon was the only foreign mission of the American Jesuits which did not receive new recruits this year.

K. C. Activity for the Youth of Rome

From the report of the Supreme Secretary, Joseph F. Lamb, Aug. 17, 1941:

The work of the Knights of Columbus in Rome has not been interrupted by war conditions. This work is financed by the Endowment Fund contributed by members of the Order in response to action taken by the Supreme Council twenty years ago. The activities for the youth of Rome are conducted at the Oratory of St. Peter, Benedict XV Playground, Pope Pius XI Playground, Valle Guilia Playground, and the Tiber River Bathing Pavilion, representing a capital investment of approximately half a million dollars.

The interest on bonds of the City of Rome and the City of Milan for the past year has been paid in lire at the rate of exchange fixed by the Italian Government.

His Holiness Pope Pius XII, when Cardinal Secretary of State to the late Pope Pius XI, at the dedication of the Tiber River Bathing Pavilion, on May 27, 1934, was most generous in the following commendation of the Order for this work:

"The example of the generosity of the Knights of Columbus as modern knights, conscious of the needs of modern times, is an eloquent manifestation of rare Catholic activity by which they overcome the distance which separates America from Europe to affirm in the unity of active charity the unity of Faith which binds them to those who glory in their benefits. And these latter will ever keep alive their heartfelt gratitude, especially the youth of Rome, center of the universal Paternity of Peter, the Common Father, Prince of the Pastors spread through the world, placed by Heaven as Custodian of all heirship—both the faithful and the wanderers of the Fold of Christ."

Knights of Columbus activities in Rome are supervised by the Director of Italian Welfare Work, Ing. Enrico P. Galeazzi, Consulting Architect of the Vatican.

From the statement of income and disbursements of the Italian Welfare Fund it will be noted that the total income during the year amounted to $73,352.10 from interest. The total disbursements were $96,308.55, of which amount $77,927.75 was paid to the Director at Rome. Included herewith are statements accounting for the Fund.

The balance in the Italian Welfare Fund on July 1, 1940, was $1,119,,670.70, while on June 30, 1941, the balance was $1,096,714.25. Of this amount $14,714.25 was cash in the custody of the Supreme Treasurer on deposit with banks, while $1,202,000.00 (par value) was invested in bonds, against which a reserve for replacement in the amount of $110,000 has been set aside. In addition to these assets there was on deposit in Rome, Italy, lire 909,335.50 ($45,926.06 at exchange rate of 19.80) as at May 31, 1941.

Interest of $1,320,000 on $22,000 Republic of Chile 6 per cent bonds was defaulted during the year.

Knights of Columbus Canadian Army Huts

(From the report of Joseph F. Lamb, Supreme Secretary, August 17, 1941.)

In September, 1939, immediately after Canada declared war on the Nazi Government of Germany, our beloved Brother, the late Colonel Claude Brown, K.C.S.G., O.B.E., a member of the Board of Directors of the Knights of Columbus, in behalf of Canadian Knighthood, placed the Order in Canada at the service of the Canadian Government. The Knights of Columbus Canadian Army Huts was organized, and was immediately recognized by the Hierarchy and Government of Canada as a welfare agency for work among the members of the Canadian Active Service Force, serving men of all creeds and races impartially in Canada and overseas, and carrying on the humanitarian work of supplying, so far as possible, a service needed and appreciated, with the everybody-welcome sign extended to all men of the armed forces.

In accepting the mandate for carrying on the work, the Order in Canada has felt that it is but administering a public trust. The Knights of Columbus in Canada raised more than a quarter of a million dollars at the beginning of the work, and early in the present year participated with five other Government-recognized welfare organizations in a successful joint campaign for funds for continuation of the work. Altogether, more than a million dollars has been made available for Knights of Columbus War Services in Canada, Newfoundland, and overseas. All supplies sent overseas are for free distribution, and include prayer books (in English and French), rosaries, magazines, cigarettes, tobacco, chocolate bars, gum, canned soups, fruit juices, coffee, tea, writing paper and envelopes, playing cards, song sheets, gramophones, records, portable radios, and athletic equipment of all kinds. Among the activities are promotion of shows, encouragement of athletic events, arranging sightseeing tours, and giving special attention to Communion Breakfasts and other activities committed to the Chaplain services.

Knights of Columbus Canadian Army Huts are located in camps across the continent from Victoria and Vancouver, in British Columbia, to St. John's, Newfoundland, and in England. In the various seaports, visiting sailors of the merchant fleets are also served by the Knights, and concerts, minstrel shows, dances, and other forms of entertainment are participated in by the men and women of all branches of the service.

Supreme Director Brother Francis Fauteux is Vice-President and has been Acting President of the organization in Canada since May, 1940. Brother F. Walter Slade, Past State Deputy of British Columbia, is in charge of the work overseas, while the work in camps in Canada and Newfoundland is in charge of Supreme Director Philip Phelan, State Deputy of Ontario, who is Secretary of the organization. All Chaplain Services are under the supervision of Lt.-Col. Most Reverend C. L. Nelligan, D.D., Bishop of Pembroke and Principal Chaplain, R.C.

Colonel Claude Brown, President of the Knights of Columbus Canadian Army Huts, arrived in England with his fellow workers, in May, 1940, and gave personal direction to the welfare work overseas until overwork brought on a fatal illness in May of this year. An officer in the armed forces of his country overseas in the World War, our valiant soldier-Brother gave the last full measure of devotion to his country, making his sacrifice for the winning of the war, and in defense of those sacred principles for which the people of the British Empire continue to fight and to die.

Right Reason Must Guide Rebuilding of Social Order

New York.—A warning that the great wave of social consciousness, which illustrates "the intellectual revolution that Americans have gone through," will destroy us "if not guided by right reason," was sounded by the Rev. Thomas Smith Sullivan in his address on the Catholic Hour. The Catholic Hour is broadcast over the Red network of the National Broadcasting Co. through station WEAF here and is produced by the National Council of Catholic Men.

"You cannot build a new social order or save one without sacrifice, and the average man will make sacrifices only for what his conscience tells him to be true," the speaker said in explaining that reason must guide the new social consciousness, according to NCWC.

Since the outbreak of the present war, the tide against the old individualism "has become a flood." The order of the day has become social consciousness. "Refugee writers from Europe who once seduced us with the charms of paganism, now stump the country for democracy and plead for aid in conscience's cause. . . . Pacifists preach war; old-time liberals cry shrilly for a more powerful state."

"This moral fervor is all to the good," the speaker said. "It is cleansing the human soul of the cynicism which poisoned our civilization and gave groups the belief that democracy was decadent. It justifies the hope that a more human social order will arise from the chaos of the present war."

In demanding that right reason rule this social consciousness, Father Sullivan insisted that "misguided moral fervor in man will bring himself and countless others to ruin. This is nowhere more evident than in the case of the totalitarian rulers. . . . Only when we see in them possible allies are we willing to look upon them as human beings whose social consciousness has been misguided.

"The verdict of history may be more lenient. Not even the Bolsheviks have been able to dispense altogether with conscience. Marx's dialectical materialism may be their substitute for Providence, but the hard, dull, and often perilous labor by which revolutions are made is not for the self-indulgent or for the power-hungry alone. . . ."

Admitting the one basic truth in Communism and Socialism, that man is a social animal, the speaker asserted that "two centuries of individualism have been unable to destroy the social instinct in the human heart."

LOYOLA SPONSORS NEW CHICAGO CHILD CENTER

A new child guidance center has been opened by Loyola University in the Pioneer building to make more accessible the service that Loyola psychologists have been providing for some few children in the past few years. The center will be staffed in part by members of the department of psychology at Loyola, supplemented by donated services of several clinical psychologists not members of the teaching faculty at Loyola.

Hughes to Start Fall Activities at Sept. 2 Meeting

3 Tues. . . . 4711 W. Madison St.

The next meeting, Tuesday, Sept. 2, ll be a decidedly important session. ne G. K., other officers and committ- chairmen got ready for a big sea- n with a special officers' meeting on esday, Aug. 12. G. K. George N. dy conducted this session in busi- sslike manner and all were delighted th a visit from State Deputy Leo ynn, a firm friend of Hughes, an af- ble administrator who has endeared nself to all of Hughes Council's mem- rs. ST. FRANCIS PICNIC ALL SET FOR SUNDAY

2-4 Thurs. . . . 4715 W. Madison St.

All is in readiness for the big picnic Sunday at Wicker Park Grove, East Chicago, Indiana. All council members and their families are invited and a grand time is assured. Refreshments free. Softball, swimming, golfing, bocche and contests of skill will give everyone a chance to participate in some way or another. Just bring your basket lunch.

If you drive out take any street south to 95th, east to Indianapolis Blvd., then directly south to the grove. If you haven't got a car, a bus is being chartered for your convenience. The bus will be at Roosevelt and Kedzie at 8:30; Roosevelt and Western at 8:40; Roosevelt and Ashland at 8:50; and at Roosevelt and Halsted at nine o'clock. Please be at your respective corners in plenty of time.

COMMITTEES

With summer fading away, two important committees will start to function. We now present the names of two that work hand in hand; membership and lapsation. The first brings the members in the front door and the second keeps them from going out.

Here are the membership committee members: D.G.K. Salvatore Cirratano, chairman; Alphonse Furlan, co-chairman; A. Sette, S. Defily, A. Rossi, A. Fatigati, J. Cutrera, P. Candice, J. Losurdo, F. Ponza, D. Belgio, T. Scarpelli, J. Varchetti, G. Neri, E. Belmonte, P. Mazza, W. Barber, C. Speziale, J. DeLeo, F. Fesi, O. Furlan, J. Azara, R. DeLeonardis, J. Caporelli, F. Folinazzo, J. Franco, J. Masse, D. Meccia, L. Rossi, F. Talarico, A. Debartolo and E. Marinelli.

Alex Coletta, chairman of the lapsation committee, has divided it into sections. On the west side are: T. Salvo, J. Consalvo, N. Damore and J. Pane-Gasser. The east side will be patroled by C. DiGiovanni, J. Durante, F. Pasquale and J. Scelso, Jr. The south side will be manned by A. Raciti, J. Gironda and J. Cascio. On the north side J. Mauro, L. Antagnoli and J. Callahan will take charge.

Members of both commitees will soon receive cards asking them to attend special meetings. It is very important that these committees begin the season bright and early.

The blood donor chairman for this year is P.G.K. Joseph Defily. You may reach him at any time by calling Mansfield 4371.

ST. FRANCIS-TISTICS

If you're a member in good standing for two years and would like to become a Fourth Degree member next February, but can't afford the 25 bucks, the Franfours have solved your troubles. They have initiated a bank system whereby you can deposit with Alex Coletta any loose change you may have in your pocket at every meeting. In this way you'll have almost all or the entire amount paid up by February.

Bro. Joseph Compagnaro's daughter is convalescing in St. Ann's hospital where she was operated on for appendicitis. We're glad to hear she's coming along so well. . . . Bro. Joe Caporelli spent his vacation in Upper Michigan where he led the life of Riley. . . . Aside to Joe Schiavone from all the boys: Thanks for the cigars. . . . Rocco is the latest brother to be inducted in the army. . . . Bro. John Belmonte, medico, was recently promoted to the rank of captain in the U. S. Army.

An eight pound boy, Raymond Joseph, was born last week to Bro. and Mrs. George McGoldrick. The "compari" and "commare" will be Mr. and Mrs. Peter Mazza. . . . The council's sympathies are extended to Bro. James Iaselli on the recent death of his mother-in-law, Mrs. Mary Zaccardo. . . . May her soul rest in peace.

Officers and past presidents of the bowling league are requested to attend a meeting Monday evening, Aug. 25, at the home of Sal Cirrintano, 333 N. Pine. Many important things in connection with the coming season are to be discussed. The season begins September 8 at the Jackson-Dearborn Recreation.

Tomorrow night, Saturday, the softball team will meet Americus council at Phillip Stadium in a softball game on donkeys. Be on hand to see this unusual spectacle. You'll be able to distinguish the players from the animals by the size of their ears.

Sherman's Membership Drive Receives First Attention of Council

1-3 Tues. . . . . 4300 W. North Ave.

The officers' meeting was held Tuesday, Aug. 12, and the council activities were tentatively planned. Grand Knight Bert Welker asked all of the officers to secure at least one new member for him by the second meeting in Sept. Let's go boys and surprise Bert by getting them. Remember a transfer or a reinstatement also counts.

Good news fellows, our Chaplain Father Sesterhenn left St. Elizabeth's Hospital last Friday, after a long siege there. He is contemplating convalescing out west in Pot Latch, Idaho, for a few weeks. Father's carnival was very well attended by our members, some of them being Grand Knight Welker and family, Frank Jenson, Leslie Janco, and girl friend, Marie, Mr. and Mrs. Joe Deisenroth, Tom Kear, Joe Krautsider, five members of the scribe's family, and of course, the guy that was taking all the dough in, Bill Heitz.

No wonder this fellow Ken Buckley has been kinda scarce for a while. Just found out there's a new arrival at his home, namely, Donna Lee. Am sorry to report that the mother of P. G. K. John Barth is seriously ill. Your prayers are urged for a speedy recovery. P. G. K. Al Loiselle's son, Al, Jr., has been inducted in the army. Come back soon, Al, and get in on some of Dad's fun in Sherman Council.

Frank Leis, the new secretary of our bowling league, is mailing out cards to all the bowlers and he requests that you return them promptly. Any new men wishing to bowl please contact Bro. Matt Ellgass at Bel. 6019, or Frank Leis at Buc. 8840, as there are a few vacancies. As you all know, bowling starts Thursday, Sept. 4, 9 p. m., Lions Alleys, same time and place as last year. I guess you fellows don't see, hear, or know of any news for publication in this column or possibly you don't want it printed. If you do, kindly get in touch with Frank Mootz at Keeler and Cortland or call Spa. 9497. Will be waiting to hear from you.

Word was just received that Frank Grady's father-in-law, John Kerrigan, passed away. He was waked at De Vriendt's Funeral Home, 2708 N. Western Ave. Funeral was Wednesday, at 9:30 from Our Lady of Grace Church, where high Mass was celebrated. Burial was at All Saints. The officers and members of the council express their sincere sympathy to the family in their bereavement.

classes and perhaps most important of all, the annual council membership campaigns.

Certainly few of these country-wide projects could have been presented to the individual councils for support, nor could they have attained their final degree of co-ordinated co-operation were it not for the unifying and the broad promotional aspects of Columbian effort.

Thirty-five years is an inordinately long time in the life span of any business enterprise. In so long a period, it is not surprising, that for whatever the reason and however just the cause, some expressions of dissatisfaction may occasionally have been leveled at The Columbian. The very strictly margined field of endeavor which the paper's limited facilities—both financial and editorial—imposed, could not but allow for the frequent occasion of error. Consequently when an improper date or an erroneous name is given, or a proof has not been carefully read or corrected, it is easy to understand as the result of various handicaps.

These mistakes—it can truthfully be said to the credit of the paper's managements—were never long undiscovered or left uncorrected. Neither has any possible extension of service, within the abilities of the paper to perform, ever gone unprobed, nor has any effort ever been spared to see that in all things, The Columbian truly reflected the high ideals and purposes of the Order and its membership.

Whatever degree of success The Columbian efforts have attained during the past thirty-five years much is certainly due to the loyal co-operation and constant support of the various Order officers and of the general membership here. Especially is this true of the three-score council scribes who each week prepare the separate articles that fill every Columbian edition. To these hard-pressed members of the Fourth Estate, the entire Columbian staff stands deeply indebted for only in the general acceptance or rejection of their efforts can Columbian progress really be measured.

Birthdays present not only the occasion to review things past but offer a perspective of things to come. The Columbian has, through the generous assistance of the many state and council offices and by the favor of the entire local membership, enjoyed thirty-five years of constant growth marked by no single defection of its founding principles. With the continued support of the entire membership, the paper's future can now be viewed with even greater expectation than at any time in its past and with this loyal support as its bulwark The Columbian promises its every reader, that no effort will ever be spared to see that the paper measures up to the dignity and the merit of what the official organ of the Knights of Columbus in the state of Illinois ought to be.

London.—German authorities in Holland have forbidden any further publication of Ons Noorden, a Catholic daily published in Groningen, Holland. The Catholic Press association, which consisted of nearly all the Catholic journalists in Holland, has been suppressed. The Catholic paper, Volkskrant, the official daily of the Catholic Labor associations, has protested strongly against the fact that the Nazi officials want all the journalists to be government officials.

Ouilmette Bowlers Are Ready to Start Season on Thursday, Sept. 4th

2-4 Mon. . . . . 1215 Wilmette Ave.

The initial meeting of bowlers held at the home of Bro. Norbert Miller, president of the bowling league, last Monday night was attended by more than thirty members. President Miller conducted, with the assistance of Bro. Phil Hillinger, secretary, and Bro. Frank Ortegal, treasurer.

The opening night this season will be Sept. 4, which is approximately two weeks away. All members wishing to bowl who have not yet contacted any of the league officers are urged to do so immediately as the Executive Committee will meet to arrange the various teams Thursday evening, August 21. The meeting will be called to order at the home of Bowling Secretary Phil Hillinger, 1715 Elmwood Ave., Wilmette, telephone Wilmette 337. All members who have not yet registered please call this number immediately.

At the Monday night meeting, Pres. Norbert Miller read the names of some sixty-two members definitely applying for places in the league and in addition a list of ten or twelve members in the doubtful class. In addition to these, the officers of the league would withdraw from active participation and bowl as substitutes only.

Due to the increase in the number of applicants, numerous plans were proposed for handling the overflow. The most popular solution, subsequently adopted, was to have ten six man teams, with five men bowling regularly and the sixth man dropping out every six weeks. Under this plan each man in the team will bowl five times and rest once out of every six weeks.

The full individual handicap system was adopted whereby each man receives a handicap equal to the difference between his average and 190 instead of the partial handicap system used last year.

The sixth man who drops out may substitute on another team but cannot act as a substitute bowling against his own team. Each bowler must pay his $1.25 on each bowling night and may not fall behind more than one week. Another new rule aimed at the habitual tardy boys, unanimously adopted, is that no bowler coming in after the third frame is completed will be able to participate in that particular game.

This rule is not optional with the opposing captain as the man is automatically disqualified for that game. He may participate in the remaining games, however, as the rule is not intended as a penalty but merely to avoid the delay and confusion caused by late arrivals attempting to catch up with the rest of the team.

The rate has been changed to $1.25 per night as indicated above, but the rest of the rules are substantially the same. If you are a "little man who wasn't there," please contact one of the league officers or your scribe for any further information.

P.G.K. "Doc" Genster was heard to state that he would like to be a buck private or "yard bird" or something, and he doesn't "wanna be a captain." Here's an opportunity for an "I Wanna Be a Captain" boy to step forward.

The council offers its condolences to Bro. John Witten, whose brother passed to his reward last week.

The next regular council meeting is scheduled for Monday, Sept. 8, same time and place. Phone any news to your scribe at Wilmette 5685.

St. Paul Members Will View Unusual Movies at Meeting Sept. 2nd

1-3 Tues. . . . . 6713 Olmsted Ave.

We had a long talk the other evening with Lecturer Joe McDowell, and we gather from his conversation that he is all steamed up and raring to go on the program which was outlined in this column a while back. It seems that Joe is an old pal of Fr. Wm. Westover of the Passionist Order which accounts for his ability to induce the good Father to give a showing of the pictures and to orate or discuss his experience in the field of missionary work in China.

Those of us who might call themselves "old-timers" in this neck of the woods will remember the time when seventeen of the Passionist Fathers left Chicago for that very eventful trip, many of whom will never return but whose memory and sacrifice will live long in the annals of the history of that order.

If you are interested in learning of the thrills and exciting experiences of this group of missionary fathers and to see the pictures depicting some of the places and events of their experiences you should not fail to attend the Sept. 2nd meeting.

P.G.K. Henry Blim, chairman of the golf committee, tells us that in the days when he was grand knight of the Council he always received the wholehearted and unflinching support of the entire membership and that he feels that the members will do again as in days of yore and support this fall tournament 100%. Plans are being made and will be ready for announcement in the next issue. In the meantime make a mental note of this Council affair and reserve Sunday, Sept. 14 (tentative date), to be with the boys once again.

WE HEAR THAT

Chancellor, Geo. Ellwanger's vacation was cut short by the illness of his son Dick. George says that the boy is on the road to recovery, which we are happy to hear, but not to ask him about the big ones that he and his son-in-law "Duke" Bilodeal left in the lake. Financial Secretary, Vic Parozinski is planning a trip to Florida early in September. Frank Loftus has difficulties at times in getting around the kitchen table at home; he's looking for a good carpenter to cut the edges off. Some of the brothers said "something" about another brother being short of a license. We didn't get it quite straight whether it was a license for a car, or somethin'. Or whether this brot talked to a short man about a dog o dog about a license or a short about a man license or what? Will borther having difficlty get me strai so that we can talk to the serge about it and maybe get him in g graces with whom he has fallen out

Oak Park Committees Making Final Plans for Picnic, Sept. 7

2-4 Mon. . . . . 641 S. Scoville A

The next big event in the Counc list is the picnic. This will be held Maywood Grove in the Forest Preserve Sunday, September 7. To get there can drive out Lake Street to the gravel road to the west of the Despla River. Turn right and a few hundred ahead of you lies the beautiful grove.

The date is not far away and we you to call the attention of all of friends to this affair. If you have tended Oak Park Council picnics in past you are well aware of the loads fun that you can have. Baseball, ra and all of the other regular picnic acti ties are on the list of events.

A picnic is best enjoyed if you br your lunch basket well stocked with of the things that you like but should eat. Out in the open air, invigora by the active exertion your stom takes on a new lease of life and the bidden foods go down with perfect ea

Most of the people will take th lunches but for those who find it imp sible to give themselves this additio enjoyment we will have our special sh order cooks on duty to take your ord and fill them. Regular hot dogs, with without, are generally the specialty.

After the above you can't fail to ha the desire to get out. Try this real in the woods, among the finest of all country's national playgrounds, y children safe from the worry of speed automobiles, and yet close to home. Do miss, and do tell your friends. The co mittee are working hard to make this biggest picnic in the history of the Cou cil. Give them a hand. A full list committees will be published next we

Brother Fred Bonk has just return from a vacation trip to Michigan. F says he dropped off a few more yea Watch out or the draft board will ca you. Several of the Brothers have ask us as to the whereabouts of Andy (A drew J.) Pusateri, but we were at a l to answer. Then the Ascension News last Sunday told the story.

In our account of the golf tourname we did not give credit to the prime mo ers of the event, i.e., the very effici committee composed of O. L. McGl H. F. Du Chateau, Chuck Collins, T Stiel, Grand Knight Joseph P. Cagn and the scorekeeper, Bob Carraher. T we hope will correct our omission.

EARBORN QUOTA PLAN OR CATHOLIC ACTION

3 Thurs. . . . . 820 W. Garfield Blvd.

One of the many ways that we can actice Catholic Action appeared in an ticle in Our Sunday Visitor, written Clarence McAuliffe, S.J., and we pass on to you because we thought it a actice well worth trying.

Are there not some of us who have ends with whom we are well acquaint- who do not have any faith at all or , and admit it, rather luke-warm in one that they profess? If we have ends, or even relatives, in such circum- nces, isn't there some way we can them interested enough in our religion **them to go to a priest and tell him** t they want to take a few lessons and l what it is about? There are several rs, one by good example, another by fessing your faith openly to him, and l another, as Father McAuliffe states is article, by inviting him to a Catho- service, either Mass or Benediction. s act puts your non-Catholic friend in al contact with the Church. He will understand everything that is going but it will set his mind to thinking ut what he had seen and it is very sible that he will go again if asked.

e possibly would be a bit hesitant it asking some Protestants to go to of our services because we would that if he accepted our invitation, would be justified in asking us to nd one of his services, which, as olics, we are forbidden to do. The ex- ation of this is that the Protestant f is that one religion is as good as an- r and that there is no serious of- e on his part if he takes part in an- r church service. If his friendship rds you means very much, he will ily see your point, and will not argue matter with you.

try to recall the names of some of non-Catholic friends and see if you not chance an invitation to Mass or diction. Possibly that invitation will elcomed and you will wonder why did not extend it long ago.

Washington Names Proper Committees to Start Programs

1-3 Tues. . . . . 503 Main St.

The following committees for the ensuing year were appointed last week by Grand Knight John Ryan:

MEMBERSHIP: Arthur Geiser, 812 N. 16th Ave., Melrose Park, Chairman. Assisting Art will be: George Kastelnick, Ed Murphy, P. Russo, H. Gerhardt and Jos. Zanoni.

ENTERTAINMENT: Bro. Eugene Belden, Lecturer, Chairman. Assisting Bro. Belden will be H. P. Littlefield, W. Stolte, George Wareham, Frank Ullrich, Conrad Strutzel and Bert Cochran.

CATHOLIC ACTION: Brother John Morrison, Chairman. Assisting John will be Brothers E. Marchand and John Hoff.

SICK AND VISITING: Bro. Jos. Bosco, Chairman, 19 S. 17th Ave., Maywood, and J. A. Welsh, John Wyand and D. Sanservino, D.G.K. Should any Brother Knights know of any member of the council who is sick or in distress, be sure and contact any of the above Brothers.

LAPSATION: Bro. E. D. O'Morrow, Chairman, 1236 13th Ave., Maywood. Assisting Brother Ed will be Brothers Leo Day, R. L. Lovejoy, Jos. Lorenzo, E. M. O'Donnell, P.G.K. Dan McCarthy.

BOWLING: Bro. George Baynes, 1910 S. 2nd Ave., Maywood 5058. More will appear later regarding this Committee.

FOURTH DEGREE: Brother Carmine B. Munziato, 109 N. 22nd Ave., Melrose Park. Any Brother Knight of Washington Council, who is a Third degree member in good standing for two years, is eligible to join in the Fourth Degree. Bro. Munziato will furnish any Brother with complete information.

CONTACT COMMITTEE: P.G.K. Wm. T. Collins, Jr., Chairman. Brother Knights, this Committee without any doubt, is second in importance only to Membership. To the Brother Knights named below, is given the task of contacting each and every member of Washington Council either by phone or mail, notifying them of any activity in which our council may be engaged. All we ask is, when you are contacted, to respond whole-heartedly to the request made. The membership list has been made up into sections, and the following Brother Knights have been appointed captains of the various districts:

D.G.K. Sanservino, John Morrison, E. Belden, Conrad Strutzel, Robt. McCormick, Gilbert Hansen, Lewis Kastelnick, Edw. Murphy, Edw. O'Morrow, George Wareham, P.G.K. J. H. Carey, Jos. Bosco, Jos. Lorenzo, Francis Carey, A. Geiser, John Hoff, E. Marchand, J. J. McAuliffe and Frank Ullrick.

GOLF

So many requests have been received for Washington Council to sponsor a golf tournament, that your Lecturer is now planning an outing for early September. If any of you Brother Knights are interested, get in touch with Lecturer Eugene Belden, Maywood 6798, and make known your willingness to participate.

BOWLING: According to Bro. George Baynes, it looks as though Washington Council will sponsor two or more teams this year. Any Brothers who would like to bowl, call George at Maywood 5058.

WELL LIST: We are happy to report that Brother P.G.K. Pat O'Donnell is again back at work. Pat, although not completely recovered, seems to be getting along nicely and has promised to be at the next council meeting. Brother McCann, whom we reported as being so seriously ill for some time, is also on our well list and back to work.

BEG YOUR PARDON: Due to an oversight in our last issue, Ye Scribe neglected to mention the elegant eats furnished by our Lecturer at the last meeting. Brother Gene says not to tell anyone, but this was only a forerunner of what is to come.

DATES TO REMEMBER: Sunday, August 31st, Quarterly Communion. Council Meeting, Tuesday, Sept. 2.

La Rabida Loses an Old-Time Member in Death of Wm. Ehrler

2-4 Tues. . . . . 6236 Princeton Ave.

Bro. William G. Ehrler, a member of La Rabida Council for twenty-five years, passed away June 4, at the family residence, 10020 S. Hoyne Ave. The funeral was held on Saturday, June 7, from his late residence to St. Barnabas Church, where Solemn Requiem High Mass was celebrated. Burial was at Mt. Olivet Cemetery.

Bro. Ehrler was a Fourth Degree member of the council and for many years was one of its most active sons. He held only one position during his life, having been employed by Swift & Company at the local Stock Yards for forty-five years.

Bro. Ehrler is survived by his widow, Ella Ehrler, and three sons, two of whom are in the army. The officers and members of La Rabida Council extend to the bereaved family their sincere sympathy, and pray that God will have mercy on his soul.

NO MEETING: Due to the fact that only one meeting of the council is being held during the month of August and that on the second Tuesday of the month, there will be no meeting Tuesday, Aug. 26. The next meeting will be held on Sept. 9.

Bro. Basil Giaretta, our worthy chancellor, is now at home after spending a week in Holy Cross Hospital as the result of a streptococcic throat infection. Let us hope and pray that he will soon be able to resume his daily chores.

O'Connor Finds Lack of News Is Problem That Troubled Solomon

1-3 Thurs. . . . . 4660 N. Kedzie

Solomon once said "there is nothing new under the sun" and it is not difficult to agree with him from the angle of a Scribe in the good old summer time. At such a time one gets to musing, and without fear of living in the past, it is inspirational to recall some of the glory that was ours. Names, dates and deeds of the past are ressurrected by memory.

It seems but yesterday that our Scribe was Bob Laughlin, who was enthusiasm personified. And what a facile pen he wielded! The spirit of clean, keen competition is recalled and typified by Charley Needham, of loving memory. There was never a dull moment at the bowling alley when Charley was present.

SOFTBALL: No finer group of gentlemanly and fraternal athletes was ever assembled on one team than can be found on the Father O'Connor softball team. The loss of a game never occasions the loss of temper and the fraternal spirit is exemplified by the regular attendance of the members of the team at most council activities.

BOWLING: President Ed Cummings, of the Bowling League, anticipates a most successful year. The keglers will be at the old stand at Monte Cristo Alleys and it is expected the largest delegation in history will represent the council in the National Tournament at Cleveland, Ohio.

Barry Gets Ready for Annual Twin Lakes 'Round-up'

1-3 Tues. . . . . 2856 Washington Bl.

The Barry Round-Up held annually at Twin Lakes is the golf tournament of the year for the members of the Council. The Round-Up in the past has been a happy combination of Saturday night fun and Saturday and Sunday golf. This year's event will be held on the week-end of September 13 and 14.

Details of the Tournament have not as yet been thoroughly worked out, but Chairman of Athletics Johnny Chase is meeting with the members of his committee some time durnig the week to complete their plans. We are looking forward to a big time and hope that all the members of the Council will avail themselves of the opportunity of joining in the fun.

HUGHES 3—BARRY 2

Our Softball Team again suffered defeat by a very slim margin. If memory serves me correctly, in losing four games out of five to Hughes, Barry has gotten in a grand total of four runs less than Hughes. It was an ironic situation that brought up Pitcher Joe Schmidt with two out, three on, and the score three to two. Joe nailed one but Garvey, the League's outstanding left fielder, made a nice catch and forced Barry to play two more games to get into the final round.

We play Lafayette Thursday and if we win we will be tied for second place, which will necessitate a play-off, probably Thursday, August 28, on a neutral field. An effort will be made to have this information for meeting night.

BARRY BOWLING LEAGUE

The gate for the 1941-42 bowling season has been raised and we are off to a flying start, as several of our sponsors have sent in their approvals for sponsoring a team in our league again this year. Ed. Dunne of Kedzie Coals; Senator Thos. E. Keane, Jr., Edward Kaindl, Recorder of Deeds Wm. C. Smith of Smith Funeral Home, and the United Air Lines have all sent in their checks and we want to thank these men and firms for the wonderful sporting spirit they display.

We are adding two more teams this year, so we need two more sponsors along with ten more bowlers. If there are any brothers who would like to bowl in this League, if they will get in touch with Phil Cullen at the club house or send their name to the secretary of the Bowling League, we will see that you are taken care of. One of our scouts reports that some former stars have been signed up in the persons of Frank (Yip) Byrne, Marty Boyle, Joe LeFevre, John Lavezzorio, Andy (Heads Up) Greeley, John Wall of Oldsmobile Speed Fame, and several others. Our first night on in the third Thursday of September, at 9:00 p. m. and at the same place, the Cascade Alleys, 3821 W. Madison St.

We see that two of our bowlers are sure covering a lot of ground on their vacations. John Chase (The Lone Eagle) was up in northern Wisconsin with wife and family looking over the different Indian Reservations, and Ed. Kurtz writes in from San Diego, Calif., of the swell time he is having.

THIRTY-SIXTH ANNUAL DANCE

During the past week all members have received their tickets for our thirty-sixth anniversary dance and party which is to be held at the Madison Athletic Club, 4711 West Madison Street, November 8. This is the first affair of its kind sponsored by this Council in quite some time and we solicit the support and cooperation of all members in making this dance once of the biggest social successes of the year.

Each member can do his part by disposing of his tickets and making returns to Phil Cullen, Financial Secretary, at the earliest possible date. We have already received returns from Brothers Thomas J. Ahern and William J. Sheridan and Paul Branks. This is what we call getting off to a flying start and we sincerely hope that the rest of the members will follow their splendid example.

We are having an advertisers program printed in connection with this dance and we urge the members to secure as many ads as possible. If you have any prospects call the Club House and a member of the committee will be glad to assist you.

PERSONALS

It has been reported that "Silent Bill" Fisherkeller is acting as official host and greeter at Andy Sharkey's restaurant.

A bitter feud has developed between the president of the House Bowling League and the automobile magnate on Fifth Avenue, over the personnel of said magnate's team for this coming season.

Petey Orofino sends a card from Eestes Park, Colorado, saying he and his family are enjoying a nice vacation and wants to thank the "Once to you Boys" for making this possible. Petey also asks that they get in trim for some nice winter sessions, as next year he wants to go to Hawaii.

Bill Dunn, our treasurer, has just returned from a pleasure jaunt to California. He had a nice easy trip, making a round trip of 4600 miles in an even six days—not bad traveling for a little guy.

One of our most prominent brothers, who was supposed to be vacationing in Northern Wisconsin, was seen doing the La Conga at the Tower Inn. Possibly he blew back for that Saturday night date.

Joe McGrail the big promoter and John U. Foley, the ex-baritone, paid an unexpected but most pleasant visit to our clubhouse last week.

Brother Shirley (Jim) Conley has been making boasts to a few of the members that if he does not sell a hundred tickets to the dance and one hundred dollars worth of ads, he will (pop) for the entire membership of the council. Go ahead Jim, make your boast good we would rather have the ads and ticket money than to see you lose your bets even if we are a little doubtful.

P. G. K. George Bamber, chairman of the Blood Donor Group, announces that Frank Malone gave a blood transfusion to Sister Daniel of Scranton, Penn., who was stricken while visiting relatives here. Sister Daniel is at the Loretto Hospital.

Our heartfelt condolences are offered to the family of Patrick McWeeney who died August 11. Many of the members were well acquainted with Marie and Agnes (Mohrhauser), who appeared in a number of Barry's shows.

Weber Urges Larger Meeting Attendances for Fall Programs

1-3 Mon. . . . . 4758 S. Pulaski Road

After last Monday's meeting I think it's about time to remind some of you brothers that Weber Council holds its meetings on the first and third Monday of every month. Although quite a few brothers were present, I don't think there is enough cause to see so many absent. It's true that some of you are working nights and cannot get down, but what about those that are not? Our GK, Joseph Nowakowski, has promised that the meetings would be short and snappy and he is keeping his word.

Being a young council, Weber needs your support and cooperation. I'm sure that if you brothers who lag in attendance would put your mind to it we will have at least 85 per cent present at meetings. When we do get that 85 per cent attendance, you can be sure that Weber Council will really go places. Another good reason for perfect attendance is that our lecturer, Dr. J. Dziubski, has some hot ideas for the coming year. Be a real knight and support your council.

Three cheers and a million thanks to Harrisburg Council of Pennsylvania. The reason for this outburst of joy is the wonderful way in which Harrisburg greeted our brother, Private Casey Paulinski, when he paid them a visit from camp about 25 miles from Harrisburg. Bro. Casey writes that he has never seen such a display of brotherly spirit before. Private Casey's letter was an inspiration to us all.

Bro. Joseph Zapotoczny and wife are vacationing in the wonderlands of Wisconsin. Lucky guy! I'll bet he's having a good time too.

Lecturer Dr. J. Dziubski, who is still out on his western tour, has sent a card saying hello to all brothers of Weber Council. I just heard that our lecturer is making this trip with a couple dozen rolls of kodachrome film. Maybe we will be able to take that trip at some future meeting through the courtesy of Doc Dziubski. Here's a little item for you camera hounds. There is a rumor that the lecturer is planning to have a photo exhibit open to all brothers of Weber Council. Get your cameras clicking because there are going to be prizes for the best pictures.

Just a reminder about the baseball dance on Sept. 20 at Hamlin Hall and the Weber Fours golf tournament on Sept. 21 at the Southmoor Country Club.

THE OBSERVER

Last Sunday on the way back from a picnic friends had Bro. Julius Wojcik so puzzled that he almost lost his way home.

DGK S. Jas. sporting a brand new car, had his chauffeur pick him up from the last meeting.

GK Joseph Nowakowski, who is the past financial secretary, was seen for the first time since the beginning of Weber Council paying his dues instead of collecting them.

Carroll Bowlers Burned Out, but Locate New Site

Next Meeting Sept. 2, 6 N. Hamlin Ave.

The spectacular 5-11 West Side fire causing an estimated damage of nearly $125,000 to the Austin Merchants' building at Central avenue and Madison street, completely demolished the Cinderella Bowling Alleys located on the second floor of that building. According to owners of the building, reconstruction would take approximately six months. Any chances of our teams bowling at these alleys this season have crumbled.

The officers of the intra-council bowling league met at the scene of the fire last Friday evening and immediately determined their next move, feeling, of course, the league was uppermost in their mind and that a cancellation of activity for the season would bring widespread disapproval. A complete combing of the various alleys in the vicinity was made. Anything that looked at least encouraging would be short of a miracle, but, nevertheless, "taking the bull by the horns," Joe Bradley, Tim Ryan, Eddie Baker and yours truly spent practically the entire evening being turned down with disappointment after disappointment until we finally approached the Madison-Kedzie Arcade alleys at 3127 W. Madison street, where Manager Bill Ott, realizing a brother knight was in distress, was anxious to do the very best under the circumstances—offered us Thursday evenings at 9:30 with full sanction of the league, Well, after being politely turned down most of the evening, we hadn't expected anything better here, but to be extended an offer like this was too much to hope for. A temporary option by our league was immediately taken, awaiting, of course, the final vote of the members at the coming regular meeting.

COLUMBUS DAY BALL

Reservation orders for the Chicago Chapter-sponsored Knights of Columbus Charity Ball and Columbus Day observance are now in the hands of the council committee charged with handling the promotion of the ticket sales. The occasion for observing Columbus Day this year has been set aside for the benefit of the local National Catholic Community Service unit for the soldiers and sailors who visit our city.

The affair, which is to be held at the Palmer House on Saturday evening, October 11, will provide the necessary funds from which furniture and fixtures will equip the army and navy recreation center soon to be dedicated at 1122 S. Wabash avenue by the Chicago unit of the N. C. C. S.

HEN.-SHIELDS SCORES BIG TOURNEY SUCCESS

Sept. 10-24 . . . . . 446 N. Parkside Ave.

Glendale Country Club was the scene of an enthusiastic gathering last Sunday at the annual council golf party. At the end of the day, when the scores were added and subtracted, it was found that Bill Cronin was first, Roy Winterhalter second, Johnny Furlong third, Jimmie Ford and Ed Harding tied for fourth and D. Moore next. All received suitable awards for their Sunday endeavors.

It might have been called PGKs' day as Frank Hayes, Pete Murphy, Frank Daley, Tom Butler, Bill Welsh, Bill Orth, Jack Shealy and Charley Costello, Jr., were all present swinging their clubs or their elbows with right good vim and vigor.

For dinner Lecturer Bill Phalen, to whom credit goes for the exceptional success of the party, counted ninety-seven at the boards. All the golfers participated in the awards and the ladies, who spent the afternoon shuffling cards, were suitably remembered.

Following dinner the crowd went into community singing with solos rendered by Al O'Donnell, Bill Cronin, Jim Ford and Mary Cummins, assisted by Maynard Cummins at the piano. Mrs. King received a ladies' bag and Joe Murphy, Ray Foley's father-in-law, a radio.

Lecturer Phalen wishes to thank Charley Costello, Jr., William Orth, Jack Shealy, Mike Hussey, Frank Hayes, Ray Foley and Gene Daudelin for their donations to the party and he also wishes to express his appreciation and thanks to all who cooperated so generously in making the day a success.

BOWLING

At the next meeting of the council, on Sept. 10, Lecturer Bill Phalen has designated the entertainment program of the evening as "Bowlers' Night" and invited all bowlers, past, present and future, to attend. President Jimmie Ford of the bowling league has encountered difficulties greater than any president has faced before. He has a perfectly good bowling league and no alleys. The Cinderella Bowling Alleys, where the league was scheduled to bowl this season, were damaged by the severe fire and it is not known at present when the alleys will be renovated and ready for use. However, Jimmie is industriously investigating possible places and you may be sure everything will be all right.

THE SOUNDING BOARD

The first ladies' night for the season is now scheduled for the meeting of Sept. 17. Jim Oakey, Jr., son of PGK Oakey, has been sent to Camp Grant Aug. 8. Frank Hayes, Jr., was sent to Macon, Ga., to begin his two and a half year army service.

Jimmie Ford was instructed to be home from meeting at 10 p. m. but the Senate added amendments and changed the time.

Dr. Frank Sauer announces the arrival of his third grandchild, a boy, born to his eldest daughter in Cincinnati on July 28. Frank Nelan dropped by to pay dues but couldn't stay for the meeting. Next time, Frank, stick around and get acquainted.

Any member wishing to bowl in the council league this season 'phone Jim Ford at State 1133. Frank McNerney concluded his vacation at Tabor Farm on the 17th. We understand he is still working on his first 100 golf score.

Frank and Winnie were at sea last week. For a great many it might be said that we have been "at sea" for quite some time. G'bye.

St. Augustine's Main Topic Is Golf Outing Planned for Sept. 7

1-3 Mon. . . . . 5209 S. Justine St.

Golf still continues to be our main item of interest this week. The Council tourney on Sunday, Sept. 7, at Kinsman's golf course, 143rd and Parker road, 3 miles west of the Southwest Highway on 143rd St. is the high light. All day golf for $1.25 and dinner in the evening for $1.00. Reservations for dinner must be made in advance by calling Boul. 7312.

Don't forget the ladies on this day. Bring them with you. They're all welcome. The Clubhouse at the golf course provides a spacious lounge room where the women can enjoy themselves while the men golf; that is providing the women don't play golf themselves.

With the date of our golf tournament only two weeks away, we still find ourselves looking for golfing prizes. Get something, anything will be accepted by the committee. Go to your neighborhood bakery, grocery or drug store; they'll be glad to donate a prize. A little advertising now and then goes a long way.

Steve Sefcik, secretary of our Council bowling league, announces that a meeting will be held at the clubhouse on Sunday afternoon, Aug. 24, at 3 p. m. The purpose of this meeting is to arrange plans and select teams for the coming season.

The league is restricted to eight teams and members who bowled last year are given preference in the selection of the teams. However there may be some vacancies to be filled. If any member would like to fill any of these vacancies, he must attend this meeting. **All members who bowled last year** must also attend if they intend to bowl, otherwise it will be understood that they wish to drop out.

The next important date on our social calendar is the Dollar Dance and Party at Ryan's Woods Shelter House on Saturday evening, September 13. Tickets are $1.00 per person and can be obtained from chairman P.G.K. Dr. Kuchler. The cost of the tickets will cover all the evening's expenses, including dancing and refreshments.

Invite your friends and neighbors. Everyone is guaranteed a good time and you can't beat the price. The proceeds from this dance will be added to a fund to purchase a room for the Council in the new wing of the Mayslake Retreat House.

Willie Mack is going to open a novelty store in addition to the Coal, Ice and Moving business. He took home enough prizes in the past two weeks from St. John's carnival to fill a dime store.

Wonder why our members in the army and navy never have any news for ye scribe? Joe Ossowski, Francis Callahan and Nic Thielmann, how about just a postcard.

Speaking of Corp. Joe Ossowski reminds us of the crack he made at the last meeting about army men getting up earlier in the morning than any other members. He didn't reckon however with the presence of Elmer Weingart, a member of the dawn patrol. You've got to get up a day ahead of time to beat the "Hi-Yo Silver" boys.

Brownson Asks Full Co-operation of Members on Charity Ball Project

2-4 Fri. . . . . 4754 N. Western Ave.

In order that we as Knights of Columbus may help in seeing to it that the welfare of the Catholic men in military service is carried out the Chicago Chapter has arranged for a Charity Ball to be held on Saturday, Oct. 11, at the Palmer House. The proceeds of this affair will go to the establishing of a fund to provide furniture and recreation for soldiers and sailors in a recreation hall to be opened soon at 1122 S. Wabash by the Chicago unit of the National Catholic Community Service.

Now, we as Brownson members have a definite part in this activity in that we are expected to get 4 per cent of our membership for Patrons at $5.00 each, This entitles patron to two tickets as well as mention in programs and 25 per cent of our membership for $1.00 tickets, the sum mentioned entitles you admittance to all halls of entertainment.

Your Grand Knight Bill O'Neill has appointed as Military Committee Chairmen, Tom Casey, Tim Doody, Frank Kohler, Ed Kane, Tony Miller and Ben Bucano. Let's all get behind the fine affair and do our part to make it a success. Tickets and patron cards will be available at next meeting.

DOG-GONE DAYS!

These August days are dog days for your scribe when it comes to writing this column. With only one council meeting this month and no officers' meetings that we know of, one has to be a Houdini to try to pick news out of the air.

We sometimes wonder if the scribe is supposed to call up all the members looking for something to write about or if the members are supposed to call him. I do wish someone would put me straight along this line. But so as not to disappoint our out-of-town members who are, no doubt, anxious to know what is going on in their council, we'll do the best we can.

Tomorrow, Saturday, Aug. 23, is the day that Brownson will entertain the ladies at the Rob Roy Country Club, with golf for those who wish to play, and cards for those who don't go in for the ancient Scottish game. To complete the day the clubhouse will be turned over to our gang and a steak dinner will be served and the awards distributed. This outing should not be confused with the tournament for the council championship, which will be held in September. More about this later.

We do believe that we now have every known profession in our council. Among the candidates in our last class was Dr. Erwin L. Ewald, a dentist, with offices at 3001 Southport Ave. We have heard that he is a very good one, too, and since we have also heard that he is quite a bowler, we take this opportunity of asking him to join our council bowling league.

Chan. Frank Papke, a very good friend of the doctor, has been spending the past week getting in a lot of golf. Maybe Frank is out for the championship this year.

Wisconsin Tightens Law On Obscene Literature

Racine, Wis.—Under a law which has received the signature of Governor Julius P. Heil, sale of possession of obscene literature becomes a felony instead of a misdemeanor in the State of Wisconsin. The previous statute was called too mild by local authorities since it provided small fines or short jail sentences only for sale of such literature. Fines for either sale or possession now range from $100 to $5,000 and imprisonment will be from three months to five years.

Christ Comes to High Point

While we are proud of our total of 22 million Catholics in the United States we must not overlook the fact that there still remain vast areas where the inquiry "What day is Christmas" may receive the answer "Santa Claus' birthday." This and other startling facts were revealed by the Rev. Bernardine Watson S.A., who began an apostolate among the negroes of High Point, North Carolina, some ten months ago.

"There are but a handful of Catholics in my parish," stated Father Watson, "although there are 12,000 colored people in the district. Of the latter thousands have no knowledge of the Catholic religion, nor, in fact, any idea whatsoever of a Divine Creator."

It is not surprising therefore to learn that the first Mass in High Point was celebrated in a funeral parlor on the feast of Christ the King, 1940. Later on a little shack was rented; Mass was offered in one of the rooms while the other two were used as a mission shop, from which old clothes, secured from the north, were distributed to the negroes. Now a small church and rectory are being erected and Father Watson hopes to have these completed by the end of October so that the Saviour may be really enthorned in High Point on the feast of Christ the King.

Forty per cent of all money collected by the Society for the Propagation of the Faith is used to supoprt Home Missions, such as High Point.

DE SOTO LAUNCHES NEW MEMBER DRIVE

2-4 Fri. . . . . Clark and Belmont

With the summer vacation season gradually drawing to a close and the majority of us back at the old grind, anxiously looking forward to De Soto's first fall meeting in September, our officers are hard at work planning a fall and winter program. The plans have not as yet been completed, but we expect to have the full details within the next few weeks.

CHARITY BALL

The next important undertaking of our Order is a Charity Ball and Card Social sponsored by the Chicago Chapter. This affair will be held in the Grand Ballroom and Exposition Hall of the Palmer House on Saturday evening, October 11. The proceeds of the party will be donated to the local National Catholic Community Service unit for the purpose of furnishing the building recently leased by Archbishop Stritch at 1122 S. Wabash Ave., to be used as a clubhouse for service men on leave in Chicago.

Our worthy State Deputy Leo M. Flynn has called upon each and every council in the Chicago district to give the Chicago Chapter its wholehearted support in making this evening at the Palmer House an outstanding success.

De Soto Council has been requested to furnish 50 patrons and to dispose of 300 tickets to this affair. G.K. Gene Scanlan has appointed a committee headed by Warden Joe Cella to promote this worthwhile undertaking.

LAUNCH MEMBERS DRIVE

Our Grand Knight has received word from State Deputy Leo M. Flynn requesting that De Soto hold a First and Second Degree in October. Chancellor C. J. Strehlow, Chairman of the Membership Committee states that this will require immediate action on the part of each member of the Council. Now that the picnic, vacations, and hot weather are things of the past, he suggests a strong "BACK TO DE SOTO" movement. As a forerunner for this membership drive Candy sends us the twelve good reasons which the Supreme Council advances as an answer to the question so often put to we Knights, "Why should a Catholic gentleman join your Order?"—the first six reasons follow:

1. As a practical Catholic you know the need of Catholic Action for God and Country.
2. Membership in the Knights of Columbus is an asset in your religion.
3. It is good to associate in fraternal fellowship in an organization that has a proved and tested program of Catholic Action, doing things.
4. The Lay Apostolate of organized Catholic Manhood is the crying need of today and the necessity of tomorrow. It calls you.
5. Membership is an aid in spiritual, mental and physical growth. It builds.
6. It is a protection, guard and guarantee for yourself, and, if married, your wife and child.

You of course, know many more practical reasons, why your prospective member should join DE SOTO. Watch next weeks column for the remaining six reasons. Present them to your prospects. Remember new members are the life blood of any organization.

BOWLERS! ATTENTION!

Shine up the old bowling ball, buy a new pair of shoe laces and have the Mrs. darn that big hole in those sweat sox, for President Harry Dohm announces that De Soto will launch its 1941-42 bowling season on Tuesday evening, September 16, at 9:00 P. M., at the modern air-conditioned Marigold Arcade, 817 W. Grace Street.

All bowlers and team sponsors who have not as yet advised Harvey of their intentions, kindly do so at once so that he may have all arrangements completed by September 16. Any members who have not bowled with De Soto in the past and desire to join the league this season may reach Harvey Dohm at 1311 Hood St. or telephone Sheldrake 1180.

MAYSLAKE RETREAT

Brother Joe Merki, chairman of the Mayslake Retreat Committee, wishes to remind all members of the Council that he is still soliciting contributions to the fund being raised for the erection of a new wing on the Mayslake Retreat House. Any brothers wishing to participate in this worthy undertaking may address their contributions to Mr. Joseph Merki, 175 W. Jackson Blvd.

Joe also requests that all brothers plan to join De Soto's Mayslake Retreat Class on October 17, 18, and 19.

While still wrestling with the accounting problems that linger on after a picnic, Lecturer and Picnic Chairman Irv Schultz has taken time out to send a note to this Department expressing his heartfelt thanks to all who joined in making the picnic a grand success. Irv states that he deeply appreciates this fine cooperation and that he will do his utmost to reciprocate during the coming year.

One of this columns operatives informs us that Cupid is still in our midst. His latest victim being Miss Agnes Marie Sitter, daughter of Brother Mathew J. Sitter, one of De Soto's representatives in the printing field. Miss Sitter will be joined in marriage with Mr. John Joseph Simon at a Solemn Nuptial High Mass at St. Michael's Church on Saturday, August 30, at 10:00 o'clock. We understand that Mr. Simon is well known to many of De Soto's members residing in St. Michael's Parish. We think we have a prospect here Matt, get out that application you have in your drawer, and sign him up.

War news has nothing on Brother Hank Nierman. Chicago's daily newspapers last week, devoted considerable space in publicly recognizing and commending him on his great work in behalf of the picnic recently given for the orphans and the aged.

The officers of the Baldric and Sword Club met within the past week to formulate plans for the coming season. One of the many subjects discussed at the meeting was De Soto's next Fourth Degree Class. President Jin Kennedy invites any brother eligible to take this degree, and if interested in doing so to contact him, Brother Fred Gebhardt, chairman of the Fourth Degree, committee, or any officer of the Council.

Neri's Softball Squad Will Meet in Decisive Matches During Week

1-3 Tues. . . . . 7515 Yates Ave.

The council softball team played two splendid games last week. They lost a thriller to a strong Santa Maria team 6 to 4 at Trumbull Park on Tuesday night. On Thursday night they met the champions of the division at 75th street and the lake, and on account of darkness the game was called at the end of the seventh inning with score tied 5 to 5.

On Tuesday, this week, the team plays Auburn Park at 80th and Vincennes avenue. This team is the champion of the Southwest Division. Then on Thursday evening Santa Maria is met in the game that is to determine which team goes to the finals which are to be played at Shewbridge Field in September. On the following Thursday a return game is to be played at 75th street and the lake with the strong Auburn Park team.

In last week's article the names of the following members were left out by mistake: Francis P. Shea, J. Ted Pehler, Ray J. Kenney, J. Henry Wilson, Paul J. Doyle, Henry J. Zegers and Jay Reynolds, who attended the novena at Notre Dame the preceding week-end. This surely was a splendid showing from our council.

Just had a card from Joe Huston from Washington, D. C. We have missed Joe's smiling countenance and advice since last May when he was called to the capital to take a very important position as chief examiner in the Bituminous Coal Division. Good luck, Joe.

Also had a phone call from past D. G. K. Jim O'Neill. Jim left our midst about seven years ago and has had many important assignments with the Forestry Division of the government. He is now located in Harrisburg, Ill.

Many of the members took long trips on their vacations, and we would like to hear from them. I am sure the council members would like to know how the other half of the world lives.

St. Cyr Fourths Plan Gay Picnic for Council Sun.

1-3 Monday. . . . . 1609 N. Halsted St.

The stage is all set for the biggest event ever sponsored by the Fourth Degree Club of St. Cyr Council. Sunday, Aug. 24, hundreds of St. Cyr men, their families and friends, will congregate at St. Paul Woods, Lincoln Ave. and Dempster Road, where merriment under an open sky will prevail for the day.

There will be races and games, this feature of the program conducted by veterans Saro LaRusso and Frank Angelo; dancing in the open air pavilion to the music of Bro. Frank Lopes and his fine musicians; refreshments to quench your thirst, and prizes galore. But probably the most important feature of the day will be the softball game between Marco DeStefano's all-stars and St. Cyr's north side champs. This in itself would warrant your attendance.

The picnic is open to all St. Cyr members and friends with tickets selling for a quarter entitling those entering the grove to refreshment tickets for the children. Most of you will get there via your own automobile. However, those who do not have any means of transportation will be well taken care of. Two trucks will be furnished by the Cyrfours.

Truck number one will be ready for passengers promptly at 9 o'clock at the corner of Halsted and Clybourn, and ready for departure at 9:30 o'clock. Truck number two will be at the corner of Western and Milwaukee and ready for departure at 9:30. Your scribe has stressed the above so that no conflict can later arise as to the time for departure of the trucks.

Those of you who will travel by auto can drive via Milwaukee Ave. and turn right on Dempster Road, following St. Cyr picnic signs to grove, or take any northbound through street to Lincoln Ave. and follow signs to grove. If you are riding the trolley take any northbound car on Lincoln Ave. to the end of the line where a truck will be ready to pick up passengers every half hour, until 12 noon.

A good time is in store for all who attend. The summer season is gradually coming to an end and this may be your last opportunity to give the children a day in the country. Bro. Joe Lucania, who is chairman of the affair, expects a big turnout. Let us have a record smashing attendance.

CYRIOUSLY SPEAKING

Mrs. Anthony Scarpinato, who has been ill for some time, is now at home and rapidly recovering from her long illness. Here's to you, Mrs. Scarpinato, for loads of good health.

The ever ambitious Gar-Cliff Orioles, who are running a big gala dance in September, following a pattern of progress, have recently formed a Blood Donors Group. We must congratulate the Gar-Cliff Orioles for the splendid work and wish them loads of success in their new venture.

On October 12, Columbus Day, the Knights of Columbus in the Chicago Jurisdiction will hold a ball at the Palmer House, the proceeds to be used to outfit the recreation center for soldiers, sailors and marines at 1123 S. Wabash Ave. The tickets are selling for $1.00, and a patron, listing, which entitles one to two tickets is selling for $5.00. Bro. Frank Lopes, who, incidentally, is playing a bigger role in Council activities every day, has been appointed chairman of this activity for St. Cyr Council.

Bro. Vincent LaRocco, in conjunction with one of the finest floral men in this town of ours, has opened a floral shop on Trumbull and Chicago Ave., known a the Fowler-LaRocco Floral Shop. Specializing in weddings, funerals, congratulatory flowers, corsages, and all othe types of floral work. Bro. LaRocco wi undoubtedly give you satisfaction at price within your reach. If you are i need of flowers call Nevada 1682 an your order will be promptly delivere to any part of the city.

Bros. John Divita and Joe Cannizz are both on the casualty list this wee . . . Bro. John at home convalescing fro a recent illness, and Bro. Joe with fractured finger . . . Both are comin along in splendid shape . . . Congratu lations to Bro. Natale Lima, who boast a new addition to the family in th form of a beautiful baby girl . . . Con gratulations to the proud mother an dad . . . And lest we forget . . . Th bowling season is well-nigh upon us . . Plans are almost completed . . . Secre tary Cosmo Coniglio has asked your scrit to inform all captains, via this colum that there will be a captains bowle meeting this coming Monday night Eli Bates house . . . Do not fail to present.

CONDOLENCES

Mrs. Borski related to Bro. John Purtell and Bro. Chester Kiestelecki passed away last Friday at Billings Hospital. Many blood transfusions were given her, among the volunteers were many of our members, namely, Jack Purtell, Chester Kiestelecki and Tom Gallagher. Chester gave two transfusions. We extend our sincere sympathy to her family and pray for the repose of her soul.

The mother of Bro. Mike Dore of 2556 S. Western Ave. was buried a few weeks ago and we regret very much that it was not made known to our officers as Mike is a very popular member and if it were known I am sure we would have a proper representation at the wake. We are sorry and extend our sympathy to Mike and his family and pray for the repose of her soul.

Illinois Members to See Sox in Nite Game for Sept. 5 Program

1-3 Mon. . . . . 64 E. Lake St.

And so, as we go to press, the August council meeting is history and the golf tournament right on the corner waiting for us.

Prizes have begun to flow in, headed by those of Harry W. Dean, Joseph A. O'Leary, William E. Flemming, Joseph H. Geilen, Elmer D. Martin and John T. Lillis. A complete list of donors will be given in the next issue.

Now for some "whys."

Why is it that the great city of Chicago has never enforced the ordinance which prohibits the sweeping of sidewalks into the streets?

Why isn't the law prohibiting scattering of papers and other refuse enforced?

Why is it that while we have perhaps 100,000 of our citizens who suffer from hay fever, Chicago has never made a serious effort to rid the city of weeds which carry most of the pollen?

Why is it that the abominable use of automobile horns has not been more strictly dealt with?

These are not criticisms of any particular city administration. To our knowledge these things have been overlooked for more than forty years. A notice to newsboys and storekeepers would at once do away with much of these violations. Some administration would become very popular if it would order its police department to enforce these ordinances.

COUNCIL EVENTS

We are all ready to greet Joe Barry's White Sox Friday evening, Sept. 5, at the night game as a tribute to Joe Barry (a member of the council for many many years, as was the former owner, Louis Comiskey) and also to our Bro. Jimmy Dykes. So if you haven't arranged through us for your reservation, we will be glad to do so for you.

Bro. Edward P. Hanisch is leaving for his vacation and Dr. Adolph E. Schneider reports being so busy he cannot attend the golf game. Our good chaplain, Father Zephirin Belanger, is also out of town for a well-earned rest. Simon F. Casey seems to be making a sort of permanent vacation of it in what is commonly referred to as vacation land, Wisconsin.

The last meeting of the council, held Monday evening, was rather sparsely attended. We believe many of the members overlooked the note in our letter sent out principally about the golf tournament. However, at the last meeting a resolution was passed whereby the council members were to attend the next and final night game at Comiskey Park, Friday, Sept. 5.

The council has willingly consented to pay a part of the price of a box seat, the total amount of which customarily is $1.65 with tax. So, if you have $1, and we know you have, arrange now to attend this ball game in a group and give a great big hand to Joe Barry, member of our council, and Jimmy Dykes and others who are members of the order. A number of box seats will be reserved for your convenience.

We were glad of the opportunity afforded our good recorder, W. A. Coty, in answering your scribe's comments in our column under date of Aug. 1. It was thoughtful of the management of The Columbian and entirely proper that that should be done. Personally, we were not satisfied with his response. We thought that it was too general and more in keeping with the offerings of our good friends who fail to recognize the kind and character of some of the company with which they travel.

When the American Firsters get the support of all the disloyal element in our country then they must not be surprised if suspicion attaches to their whole program. They say they want our country to prepare to defend itself, but most of their actions are in an opposite direction. However, we are quite willing to grant the sincerity of the great majority of them.

Gar. Moreno Picnic Committee Has All Plans Set for Sunday

2-4 Tues., 155th St. and Lexington Ave.

This Sunday, Aug. 24, is the date of our annual picnic. We hope our entire membership will be on hand, and that above all have the children there. Francis De Mayo picnic chairman, and G. K. John Mech ask that the members cooperate with all committee chairmen to the end that all will have a very enjoyable time. For those who have no transportation here is the bus schedule. Busses leave from station at 154th St. and Park Ave. at 1 p. m., 3 p. m., 5 p. m. and 7 p. m. The last bus is for those who want to come out for the dancing. Busses will leave picnic grove for home at 6 p. m., 8 p. m., 10:30 p. m. and midnight. John Pagaria will be in charge of the busses.

Here is the route of the busses in case you want it to pick up along the route. Leave Safe Way Bus station west on 154th St. to Page Ave., north on Page Ave. to 147th St., west on 147th St. to Western Ave., then Brennan Highway to grove. The fare charge on the bus will be 10 cents for adults each way; children under 12 accompanied by parents free. Children not accompanied by adults will not be allowed on the bus. We cannot be responsible for these children.

The auto route out of Harvey to picnic grove is as follows: West on 159th St. to Keane Ave., then south on Keans Ave. direct to grove. There will be a general cashier on the grounds, and all must purchase tickets there for refreshments and beverages. These tickets will be honored at most of the booths. The games and races will provide entertainment for all and Joseph Reardon and Chas. Wisell are in charge. Simon Ryan and his committee will be in charge of the popular beverage booth. Joe Dehnert at the corn game. G.K. J. Mech at the refreshment booth with Felix Dask and wife, Hilgendorf and Obernessor house of mystery. We hope each member sold his book of tickets. Make your returns to Romeo Begnoche at the picnic. Free admission to picnic grounds. See you there Sunday.

BIT-O'-NEWS

Close to fifty members were present at bowlers night, at our last meeting. The election for bowling league officers took place with the following elected: President, Victor Walenga; Vice-Pres., Henry Hilgendorf; Sec'y-Treas., Leo J. White. Lecturer Henry Stein topped the evening with some very enjoyable refreshments. Sick committee reported that Joe Mech, Jr., Andy Curzydel and Chas. Moran are off of the sick list.

The important big job of membership chairman goes to John Begnoche. We know John will do a real job of it. News of other appointments will be in the next issue. To Brother M. Toharz, our congratulations on the recent arrival of a fine baby girl. May the new addition prove a source of joy to you and the wife.

It is our sad duty to report the death of the beloved mother of Louis, Alex and Frank Cerekewecki of Posen, Ill. We sympathize deeply with the bereaved family in their sad loss and pray that they may be given strength to bear the burden. May her soul rest in peace. John Binette is confined at Ingall Hospital. Taken sick suddenly, John was operated on, and we are happy to report he is coming along in great shape. Louis Beaupre and family are on a two weeks' vacation at the lakes in Michigan. Brick Walliser and wife are enjoying their vacation at Hot Springs, Ark. Mrs. A. Biggerstaff was reported on the sick list, but latest reports are that she is again on the mend. Our sympathy is extended to Mrs. Henry Hilgendorf in the recent death of her cousin, Dr. Gallegos. The deceased was a member of Pinta Council. From Okoboji, Iowa, comes a card from Lary Cairns, who is on his vacation. He said there is bigger fish up there than in Harvey on Tuesday night. Si Rayon, take note: All bowlers who plan to bowl this season, phone 862 J.

Dancing at picnic from 8 p. m. to midnight. See you there.

McHale Will Announce Committee Appointees at September Meeting

1-3 Tues. . . . . 150 W. 69th St.

Nothing of interest to our members has happened during the past week. No meeting, no softball games, no weddings, so, gee, it's been a dull week so far as our council is concerned. But things are going to happen in the near future, for instance our

NEXT MEETING

Will be held on Tuesday, Sept. 2, and at that meeting G. K. John Kelly will announce the various appointments he intends to make. He will also announce the make-up of the standing committees for the year. Several important reports are to be read, so, brothers, it looks like a very important meeting. Don't miss it.

BOWLING

It won't be long now before our council league starts its season. Sept. 8 is the date, I believe. D. G. K. Tom Garvin, president of the league this year, would like to see a twelve team league, therefore he urges all the bowlers of the past to report again and to bring along others so that they may join the league.

JUST NEWS: Bro. Oliver Collins, located at Camp Forrest, says he was sorry to miss our big night at Ryan's Woods. The general wouldn't let him get off. . . . P. G. K. Tom Mulroy attended Ridge Council's picnic. . . . D. G. K. Tom Garvin is away on the second leg of his vacation. . . . Dolor Massey has just returned from his vacation.

Madonna Summer Party Draws Many Familiar Patrons

2-4 Fri.....4624 S. Emerald Ave.

It's over for another year. You said it! The summer dance. And, as usual, it was the customary howling success; otherwise we don't know. And also, as usual, a good many of the familiar faces were absent (funny, isn't it, how that always seems to be the case?). We did spot Raleigh and Jo Kean, George and Gert Noonan, Bill and Helen Slavin, Vin and Laura Donegan, George and Lucille McMahon, Dr. and Mrs. Frank Fiore, Jerry and Marie Finnegan, Mr. and Mrs. Ed Kean and Mr. and Mrs. Eddie Griffin.

A LITTLE LATER ON

Mr. and Mrs. Jim Powers showed up, as did "Judge" Houlihan, Hank Ryan, Jim Quinlivan, Dr. Frank Smith, Del Kean, Joe Du Bray, Joe Flood, Tom Carmody, Ed Goeing, Ed Barry, Larry McGetrick and Bob Fitzgerald. There were probably more of the crowd, especially the newer members, that we missed, but it was all in good clean fun. Special praise should be heaped on DGK Marty Morrison, who was responsible for the whole works, likewise on FS John Pollick, who was a martyr, serving as ticket man all evening.

CUFF NOTES

Wally O'Keefe having a perfectly lovely time with Virginia Dare (how they could dance!), and the Gay gal, gayer than ever.

George Noonan must be getting old. He couldn't take the fast stepping that Wally and Marty could. (We wouldn't even attempt it.)

And did you notice Veloz and Yolanda Finnegan? After finishing their present tour they plan on going South—probably to Auburn Park.

Nearly all of the bunch getting "mugged," and some of 'em feeling pretty self-conscious about it. Evidently missed the numbers across their chest.

How is it that Hank Ryan and Jim Quinlivan always manage to find such stunning gals? Not that the boys are like Brenda and Cobina, but we can remember when Jim was so bashful he wouldn't even dance. Maybe they're like Two-Hours-to-Fix-a-Clock Morrison, huh? Let's see, next dance is Thanksgiving Eve.

ACCORDING TO

the latest we have received on the softball team the lads wound up in second place in the division and will enter the finals in September. These games will be night games and will be played under the lights at Shewbridge Field, 74th and Morgan Sts. We'll slip ya more as it comes.

And there's no further stuff on the council bowling league. Apparently all is going according to schedule and with Secretary Frank Jackson on his vacation, you can't expect any more from us.

Friday, Aug. 22, is meeting night at Madonna and probably the largest item on the agenda will be discussion of the coming carnival. We received a card today (Monday) advising of a general meeting in regard to the affair, so next week we should be able to give you the works.

Oi oi oi, vot a haddock ve got! Just thinking of the fall setup! September, the 25-year veterans' night; October, ladies' night and maybe a Hallowe'en party; November, Thanksgiving Eve dance, and December, New Year's Eve.

Our congrats are offered to Miss Vera Prosser who became Mrs. Michael Latchford on Aug. 13. Of course, Mike is really the one to be congratulated, 'cause now he has someone to keep that bow tie of his summer formal in proper condition.

AN EXPLANATION

is in order to all those who questioned us at the dance about the meaning of the Voice's reference to page 4 of last week's issue. Everyone thought he meant "move over" (we wouldn't put it past him to get his editorials read in that way).

"Masthead" is newspaper parlance for the name and description of a publication, which allows it to go through the U. S. mails. If you will look at the "masthead" of this sheet, without getting seasick, you will note that it reads "Columbian" in large black letters. Just below it in Neon lights you will find the startling statement: "H. F. Du Chateau, Editor and Manager."

Further down you'll read (if you're still with us) that it is published every Friday by the Columbian Publishing Co., Arthur T. Bermingham, Pres.; John J. Donoghue, Secy.

Our hairsplitting editor intimates that in addition to himself we will now have the president and secretary on our neck, And, of course, our knees are knocking so loudly the neighbors are raising hades about the riveting machine. And, of course, we're scared to death.

St. James to Entertain Families at Meeting Next Monday Night

2-4 Mon. . . 64th & University Ave.

As I told you last week, Monday night, Aug. 25, will be Family Night, so a little reminder that your wife and children are invited. Those ladies who wish to learn how Lecturer Peter J. Wehle, the chairman in charge of Family Night, makes that delicious coffee will have a chance to learn his formula on this night.

As the Family Night's meeting will be short and sweet, one of the important reports of the meeting will be the plans our council will take in the coming Columbus Day Ball. The committee of this affair for the council is Clarence J. Phillips, Frank Maher and Jerry Laughlin.

Membership Chairman Robert E. Lee is quite pleased with the results of his advertising campaign in this column and asks that the members continue their efforts to the council will be again rated as a star council next year. Those who have already turned in applications are Grand Knight John McKean, one; Larry Duby, one, and Lecturer Peter J. Wehle with four. There is still plenty of room left in the column for the names of those other members who bring in the signed application.

Now that we are the champions of the South Shore Division and are going into the finals Sept. 15, 16, 17 and 18, I believe we could have a good crowd from St. James at the games which will be held in Shewbridge Field at 74th and Aberdeen streets.

BOWLING Chairman Paul Sink says that it is not too late to join one of the teams and wants the boys to speak to him Monday night about this winter sport. If there is any other indoor winter sport which the members would be interested in they are requested to speak to Athletic Commissioner Ed Enright about same.

Deputy Grand Knight Groark reports this week that Charlie West is still not as strong as he was in past years but is getting around in good shape again. If you know of any brother who is sick you are requested to get in touch with the D. G. K. at his home or office, telephones Stewart 7899 and Wabash 0460.

BLABBERMOUTH REPORTS

Received a card from Bros. Ray and Frank Steffens, the inside guards, who are in Denver, Colo. Dr. John O'Brien, the eye doc on 63rd street just east of Halsted street, has received his questionnaire for the draft. Oh! Oh! No, Dr. C. J. Strobel cannot repair the "I" in a typewriter, but up in his office at 6315 Halsted street he sits you in a chair, turns out lights and turns them on again, tells you to read the last line and then whirls some more gadgets in front of you, tells you to cut out reading under poor lights and then says to come back in three days and get your glasses and keep wearing them until your eyes are corrected. I KNOW, he just did it to me, heck.

Dr. Gregory Stroble and his wife have returned to Chi, arriving last Saturday. That Ivory Saver is not the boss, for I never received a card from him. Which reminds me that they will be up to the meeting Monday night for the family gathering of the council. Have you ever heard of PAUL BUNYAN, the giant northwoodsman? Well his brother and our brother knight, Maurice M. Bunyan, and his wife, will be at the Family Night. Understand that Attendance Chairman William Devaney has sent road maps to Bros. Hauch and McGuire living in Homewood, Ill., so they can find their way in.

WE KNOW THEM BY: Treasurer Martin Quinn and his big cigar, Joe Ferraro and his stogies, Inside Guard Pat Duffy's white hair and pleasant greeting, Warden Michael McGuire's laugh, District Deputy Pat Noonan's grin, Lecturer Peter Wehle's "Give me a hand," Past Grand Knight Peter O'Connell's "I'm ready to work," Trustees James Reilly and Frank X. Strobel with their chairs in a corner.

Americus Will Start Season's Program at Meeting Tuesday

2-4 Tuesday . . . . 3350 W. Jackson Blvd.

Let this be a warning to you, and it is the only warning or notice you will get. The regular meeting of Americus Council will be held Tuesday, Aug. 26, at 3350 Jackson Blvd. The meeting will be called to order at 8:30 p. m. Matters of importance will be discussed and the lecturer, PGK Ned Kelly, will start on his new ideas for the coming year. It may be to your advantage to be there.

In answer to our request to all the brothers in the service to let us know their reaction to Army life and what we at home might be able to do to make that stay more comfortable, I submit the following:

FROM PRIVATE JOHN J. MOONEY

"Dear George: Brotherly greetings from a member long absent from the council chambers. Believe me, when I say this Army occupies all my time. At the late hour of 5:30 a. m. someone cheerfully shouts 'Hit the line!' All too gleefully we hop out, stumble around in the early morning darkness, dressing on the run and finally stagger out for reveille and roll call. In the Army as well as every other place getting up is the worst part of the job.

"The food here at good old Camp Forrest is very good; we seldom have any cause to complain. Uncle Sam takes care of our food and clothing, but he isn't too soft or fancy either. If the members at home want to do something for the boys, have them get the little woman to mix up a batch of those choice cookies or candies, and I assure you not only Brother Private of Americus will be happy but his whole platoon will enjoy them. This is only my idea. You will probably get more from the other members in the service.

"As far as military equipment is concerned, we are well fixed. Our regiment, the 122nd Field Artillery, has recently been re-equipped with huge six-wheeled trucks. They are busy now hauling the infantry to Arkansas for maneuvers which start Aug. 17. They will return in a few days to haul us and our 75s to the scene. Watch for us in the newspapers. I will try and keep you informed from the field.

"So, until then may every good thing be yours and may the spirit of real fraternity, such as prevails in this man's army, be yours and all my fellow members of Americus.

"Sincerely,
"Private John J. Mooney,
"Batttery F, 122nd Field Artillery, Camp Forrest, Tenn."

So there is No. 1, ladies. Have you a little cookie in your home? If so think for a moment of the pleasure that the cookies or candy would give the boys and then, too, think of your figure. So think of a private and give him a sweet. If you can help in this worthy cause call Kedzie 9482 and we can make arrangements for the boys to get them.

During the past week we learned that Frank Sattler has been moved to the base hospital at Shelby, Miss. W received letters from Bob Moore ar Welsh. More about these later.

B. Martin Holleran has a home for summer at Long Beach, Michigan he has been vacationing with his . He has as his neighbors, Alder-William Rowan and his family.

Ms Josephine McManus, the sister of John McManus and a former class-of ours, was married last Saturday. M. Minnie McNulty, the wife of Bro. McNulty and mother of Bros. John rank McNulty, who has been seri-ill is reported as being slightly . We are all hoping for her speedy ery.

September we go back to our regu-hedule of two meetings per month e first and third Thursday.

s. James Nash and Walter Cain say they like fishing so well that they are starting to save their pennies for a trip to Minnesota's famed lakes. By the time this reaches you we will be on our way to Saugatuck for a vacation after teaching school all summer. So long 'til later.

Famous Belgian Youth Group Still Aids Poor

Washington, D. C. — Though the Jocists (Young Christian Workers), Belgium's world-famous youth organization, have been compelled to suspend their old activities in behalf of the Christian youth movement, they still carry on by succoring the poor, the hungry and the unfortunate during their country's "darkest hours," it is reported here by the Rev. Felix Morlion, O.P., a Belgian priest en route to South America.

Father Morlion, founder of C. I. P. (Center of Information Pro Deo) keeps in close touch with events in European countries.

Jocism, Father Morlion, says, has taken on a new form. There are no more Jocists meetings, no Jocists publications, and no more of the Jocist press campaigns which were famous round the world.

"Jocism has abandoned all external manifestations of its work," Father Morlion explains, "but when one in Belgium sees a small group going about collecting milk for mothers and children, gathering potatoes for the needy poor, or going from door to door announcing the time and place of church services (information which no longer can be printed in Belgium), one knows that the Jocists still exist and are active. One knows, too that Canon Cardyn, the founder of the Jocists, is in their midst, breathing life into the movement and finding ways of helping souls in Belgium's darkest days."

With the defeat of France, Father Morlion said, the Germans discovered that the Jocists were quietly but effectively doing a remarkable work for the repatrition of their fellow Belgians. The Jocists, he asserted, were doing things the Germans never could have accomplished, and rather than inferfere with this self-sacrificing work of the Belgian youths they availed themselves of it.

Thus it was, Father Morlion said, that thousands upon thousands of Jocists put themselves to the task of serving the poor. They sought out missing members and reunited many families. They housed and fed thousands in their center in Midi-Brussels railway station. They obtained clothes for the needy, guided people to their homes and helped them to start again in their damaged houses.

Vichy Reports Gains for Catholic Press

Vichy.—"Compagnons," the new organ of the Compagnons de France, and "Vaillance," addressed particularly to Catholic youth, each have a circulation in the neighborhood of 100,000. The Catholic press generally is progressing and, with less stringent restrictions on paper and other supplies, undoubtedly will keep pace with other publications.

In addition to "La Croix," the Catholic daily, formerly of Paris, but now published at Limoges, there are some 30 monthlies and weeklies being published under Catholic auspices and having a central headquarters at Lyons.

IRISH ADULT SCHOOL IS BEING HELD IN CHICAGO

The first and only Irish adult school in this city opened for a ten weeks' session under the direction of the Rev. Vincent Scheltinga, O.S.M., pastor of Our Lady of Sorrows church. Irish men and women are studying public reading, correct writing, and proper speaking. Two competent Irishmen, born and reared in the Old Country, but still pursuing an advanced course in American universities, are in charge of the sessions. A nominal tuition fee is asked, although all persons who wish to attend the classes but are not able to pay are urged to enroll.

Leo Asks Service Men Use Council Assistance Plan

1-3 Tues. . . . 820 W. Garfield Blvd.

In April of this year the council adopted a resolution touching on those of our membership that would join the armed forces during the emergency. It seems appropriate at this time to remind all that this resolution is in effect and those entitled to its benefits should apply without delay.

The main features of it were as follows: "That Leo Council grant to all of its members upon their selection, examination and induction into the armed forces, suspension of the requirement of paying associate dues for the period of their service and that the recipient of this privilege make application to the financial secretary who, after certifying the correctness of the claim, will acquaint the member with the conditions and give to each a traveling card showing the member to be in good standing in the associate class up to and including the date of his projected discharge.

"The financial secretary, together with the treasurer and the trustees, form a special board for the purpose of making the necessary bookkeeping transfers as well as the preparation of reports of the amount expended by the granting of this privilege in each and every case and to report to the council from time to time as to the number availing themselves of this right."

An important feature was that this grant did not apply to the insurance assessments which the member or his family would be expected to continue. If you are eligible and have not applied do so at once, or if you know of some one who should be granted the privilege and has neglected to do so, let us hear from you.

DOTS AND DASHES

We are told that this period is the greatest vacation time in the entire year as it is the windup, and it would seem from the number of members who have gone various places that it is true. . . . Our first regular council meeting of the fall season will be on Tuesday, Sept. 2. Many items of importance will be discussed. You will have an opportunity to see the new officers in action and get acquainted with Lecturer John Vaughn, who promises to make all of the meetings interesting. . . . The softball team is holding weekly practice so as to be in form when the finals start under the lights at Shewbridge Field, 74th and Aberdeen, next month.

In response to many requests, the final date on the Casey benefit has been extended so that there is still time to send in your buck to Bill Cullina or give it to Tom Noonan at the club. . . . Extensive decorations have made the halls in the building very attractive and are available for rentals. Dr. Gallagher and Mike Redden, representing the building association, are to be commended for the efficient and business-like administration of the affairs of the building and the attraction of desirable tenants and rentals. Caretaker Bro. Pat Sullivan, who succeeded the venerable and lovable Ralph Brown, is doing a fine job. Ralph is enjoying his retirement with his grandchildren down in Peru, Ind. . . . Bro. Frank Frawley was a welcome week-end guest coming from Springfield, Ill. He was on his way to Gene Walsh's summer home at Williams Bay, Wis. . . . What would Powers Lake be without Tom Mulkeen and John Vaughn? . . . Bro. Aaron Cunningham has that look these days. Wedding bells will ring soon. . . . Bro. Paul Tack was around the other day with his new car. It's a beauty. . . . Now that the weather is more pleasant, plan to come to the club often. You are always welcome.

BRITISH HIGH COURT EXONERATES LEOPOLD

London.—The king's bench division of the British high court completely exonerated King Leopold of Belgium for his surrender to Nazi Germany in May, 1940. The vindication of the often-maligned Catholic monarch took the peculiar form of an out-of-court settlement of a libel suit brought against the "London Daily Mirror" by Sir Roger Keyes, Britain's adviser to King Leopold before the latter's surrender. Sir Roger insisted that Leopold had no course other than to surrender, was then vigorously denounced by the "Mirror," but brought suit and finally cleared Leopold's name.

CHAPLAINS' AID FUND GETS GIFT FROM K. OF C.

New York.—State Deputy Hugh A. Doyle of the Knights of Columbus, announced that at its annual meeting, held at Saratoga Springs, New York State Council voted a gift of $5,000 to the Most Rev. John F. O'Hara, C.S.C., Military Delegate, to further the work of the Chaplains' Aid Association, whose headquarters are at 401 West 59th street, this city.

Through the Military Ordinariate, the association supplies Army and Navy chaplains with Mass kits, prayer books, medals, rosaries, scapulars and other articles of devotion.

Quigley Ball Team to Meet St. Mary's at Aug. 31 Picnic

1-3 Tues. . . . . 1035 W. 31st St.

In a battle for neighborhood supremacy, Quigley's ball team will engage St. Mary's C. Y. O. at the annual picnic on August 31 at Sunset Park. The two teams have twice previously met and have won one each and therefore the coming game will be the rubber game. The winning team will be handsomely awarded as also the losing team, but to a lesser degree.

In another picnic feature a team of Quigleyites averaging over the age of 50 years, will meet a team of Quigleyites, each topping the scale at 200 pounds.

BUSES! BUSES!

Buses will leave from in front of the Quigley clubhouse on August 31 at 11 a. m.; 12 noon, and 1 p. m. Charge for a round trip to the grove at Sunset Park and back to the Quigley clubhouse is—adults, 50c; children twelve and under, 25c. Buses will return to Chicago beginning at six in the evening. REMEMBER THERE IS NO ADMITTANCE CHARGE TO THE GROVE.

RETREAT

The council will conduct its annual retreat at Mayslake on Oct. 3-4-5. The "Forty Golden Hours" are very inspirational and the spiritual and physical benefits to be derived are numerous. The group will leave Friday, Oct. 3, and return in plenty of time for work the following Monday.

GOLF TOURNAMENT will be sponsored on Sept. 21 at Cedar Lake, Ind., by the Quadrangle Club. Golfing, dinner, prizes, refreshments, dancing, entertainment and music are but a few of the highlights. Tickets are now procurable from the Chairman, Dr. Bukowski, or from a Fourth Degree Knight.

WEDDING anniversaries will be celebrated this coming week when Mr. and Mrs. John Gawrych celebrate their 20th year of wedded bliss on August 30, and Mr. and Mrs. Wm. Lenz celebrate their twelfth year of matrimonial happiness.

Bro. Dave Tierney, wife and family accompanied by Mrs. Kasper Knasiak, left for Stone Lake Wis., on Aug. 20, to spend a few weeks vacationing.

The council extends its sympathies to August Parchem, whose mother passed away on Aug. 19. Sir Knight John Parchem was a grandson of the deceased.

Feehan Reservations for Golf Tournament Should Be Made Now

2-4 Tues. . . . . Hamlin and Madison

The Golf Round-up at Twin Lakes, Sept. 6-7, continues to hog the Council spotlight. Plans are taking their final shape and the set-up really looks inviting. Reservations are trickling in when they should be pouring in though, and this is a situation which calls for action. We know of many members who have decided to go but have failed to notify the golf chairman, Augie Tamburrino (Mohawk 6166, or, at night, Avenue 5641). It is necessary that he know in advance the approximate total, so pick up that phone now and tend to this matter.

The prize list continues to grow, the following being among the donors to date: Earl Grondy, Pat Quinn, James J. Collins, Ben Wingfield, Augie Tamburrino and John Dooley. This is an open corporation—anyone may join. A golden opportunity to achieve immortality and get your name in The Columbian.

The Match-Play championship will probably be settled at the Round-up. Augie Tamburrino beat Joe Malley in 21 holes and must play the F. McQuillan-T. Fogarty winner for the right to meet Joe Collins, the other finalist. For the past three weeks, Bro. McQuillan has been attempting to get Mons. Fogarty cornered on the links, but at this writing the artful dodger is still at liberty. In the consolation bracket, Bud Schoemer meets the Bill Collins-Jim Collins winner for the trophy.

The decision of the officers of the Bowling League to cut the league to ten teams has been shelved temporarily, due to the disapproval of the idea by several members. The officers, naturally enough, want a smooth-working, close-knit, well-organized league. To get this they must have 100 per cent attendance on bolwing nights. It was to accomplish this end that the number of teams was reduced.

The proponents of a twelve-team circuit claim that once bowling has begun sufficient men will turn out to round out the twelve teams. This is one of those things that can't be proved, however, and, as stated above, the officers are anxious to have this proposition cut and dried in advance. The crux of the entire problem is the unwillingness of some twelve or fifteen league members to lift the receiver off their phone and notify the league secretary or their last year's captain of their intentions for 1941-42. It must be known definitely which members intend to bowl regularly and which occasionally or as "sixth men" on the various teams.

What all of this leads up to is simply this: A final (you may read that again) meeting of the bowling league will be held on next Tuesday evening, Aug. 26, at the Mid-West. EVERY MEMBER WHO INTENDS TO BOWL MUST BE PRESENT OR BE REPRESENTED. If you can't make it, call Augie at Mohawk 6166 or Avenue 5641 and say whether you intend bowling regularly or otherwise.

FASHION NOTE: Chancellor Frank Reynolds had to work overtime last meeting night. So he came to the meeting still wearing his uniform. His entrance was the signal for a flock of raucous cries of "Make mine vanilla" and "Where did you leave the broom?" All very undignified, no doubt.

BIRTHDAY CONGRATULATIONS: To Bro. George L. Munch, who celebrates another one this week.

Loyola-H. P. Welcomes Returning Vacationers at Last Week's Meeting

2-4 Thurs. . . . 7435 Cottage Grove

With vacations ending, the boys are coming back to meetings. George Porter, whom we haven't seen in some time, and John Hungeling, back from the east, were present. We also had some interesting neighbors in the persons of D.D. Ed Molyneux, Bob Stadler, Grand Knight of Genoa Council, and the popular Grand Knight of San Salvador Council, Joseph DuBois. Our own Bill Leeland was back and Miles Barrett, who was celebrating his 76th birthday, was also present. Congratulations, Bro. Barrett.

P.G.K. Charles Lawler gave a nice talk and another big event of the evening was Father Gerald Scanlan's talk on the "The Assumption." Fr. Scanlan's remarks are always well remembered and very welcome. Pat Costigan did well in speaking in behalf of "Lo-Hy-Pa," our new Fourth Degree Club.

In fact, the whole idea of "Information Please" was a success. The crowd that gathered was so inspiring to Grand Knight McGuire that he feels confident of a good year ahead. Our new Lecturer did his part "just swell."

NEXT MEETING: Thursday, Aug. 28, will be a combination of a Fourth Degree meeting and a bowler's meeting. See you next Thursday. Note! Officers' meeting will be held earlier the same night.

BOWLING

All members interested in bowling, please attend the special meeting at our regular meeting hall on August 28. For advance information call Grand Knight McGuire at Dorchester 1485.

BASEBALL: Our Loyola-Hyde Park Juniors are now leading the league. They beat the Torpedoes 6 to 0 behind the three hit pitching of Ed Ulreich. Watch them gather momentum.

STORK NEWS: Our financial secretary has just reasons to feel proud these days. On August 1, his wife presented him with a bouncing baby boy. We hope they are all doing well. Congratulations are also in order for Dr. Heinz, whose wife presented him with a little son recently.

WANTED: News is wanted by your scribe, George V. Birmingham, who now resides at 6514 Dorchester Ave. The phone number is Dorchester 4909. Let's fill these weekly columns with interesting news.

Calumet to Hold Golf Tourney at Glen Eagles Sat.

2-4 Mon. . . . . 6646 Stony Island

After a year's rest Calumet's Excavators Club will shine up their clubs, the ground hogs will have a rest from digging holes, and Calumet's annual golf tournament will be in full swing. Yes sir, men, Saturday is the day that you can forget all your office worries, miss a putt and yell "darn." The chairman of the golf committee, P. G. K. Jim Grant, tells us that just about everyone will be sure of bringing home a prize. Which just goes to prove that everyone doesn't have to be a par shooter to be able to bring home the bacon. For the benefit of you men who can't make the golf game we hope to meet all of you at the nineteenth hole. With the prices as low as they are you just can't go wrong, $1.25 for golf and $1.25 for dinner.

While the men are out on the course the ladies will be entertained in the clubhouse by playing cards. Everyone that can't be out in time for the golf is invited to be present for the dinner. A very fine menu has been prepared and immediately after dinner everyone can loosen their belts and have a good time dancing. So don't forget now folks, August 23rd, that's this Saturday, at Glen Eagles Country Club, 123rd (McCarthy Road) at Bell Road.

COUNCIL NOTES

We received a letter from Arch Mahoney, who is still out at the Hines Hospital, telling us that he has got them making coffee his way now. Good work, Arch. Received a card from P. G. K. Wilf Byrne who is now looking over Lake Superior. Bro. Ray Pausback sends us a card saying that he is going on an extended tour with Horace Heidt's Band as travel manager. Best of luck, Ray. Bro. Daniel Riordan has just recovered from a serious operation. Bro. Tom Dillon is in Little Co. of Mary Hospital.

PICNIC A HUGE SUCCESS

Ye old scribe is typing out this column nursing a sore arm and a good charlie horse. The highlight of the picnic was the ball game. The old-timers' team with stars such as Lamb, Cox, McNichols, Walsh, LaMasney, Ruscio, Purcell, Davis, Nolan, and LaFontaine beat the regulars 12 to 0. The only excuse that was offered was by (the umpire) Bro. Walter Popjoy who said that his glasses steamed up and he couldn't see. The pitching of our Worthy Chaplain Father Terrence was in the Feller style but the old-timers just seemed to hit everything that came over.

The chairman and the officers wish to thank all the members and their friends who donated gifts. We also wish to thank all the members and their friends who were present to make this picnic so successful. Praise for all the work done to make this picnic the success that it was goes also to Brothers Harrington, Scully, Popjoy, Byrne, Shinners and Cirillo.

The races were won by Frances Wagner, Patricia Ryan, Rita Egan, Bob Nolan, Betty Wagner, Patricia Purcell, George Murphy, Schoolboy Cotter and F. O. B. Pellegrini. The married couples' race was won by Mr. and Mrs. Oran Cox. Mrs. Cox and Miss Sherry won the ladies' three leg race. Bro. Litzen won a brush set, Mrs. Reid won tickets to a show house, James Calvano won a tie, Mr. Burke won 6 qts. of oil, the baseball announcer, Folory, won a carving set, Mrs. McGuire won an oil change and a grease job, Virginia Taucheck won tickets to a theatre, Mr. Miceli won a Kay Woodie pipe, and Leonard Sautier won the first prize, the radio. We are sure that everyone that attended the picnic went home well satisfied that they had spent a worthwhile day.

The membership chairman, P. G. K. Birmingham, has been working very lately and tells us members are coming in right along. Bro. Earl Fisher has a new member and Bro. Joe Kale, now a state policeman, promises us at least of his fellow workers. The next class be in October so all of you brothers busy and bring in a candidate.

Bowling chairman, Bill McNichols, us that our new alleys will be completed in two weeks. We are going to twelve teams this year so we can use few more men. We want to make other plea to you new members to us in bowling. All of the activity of council is planned for your entertainment and you as a member should take in it. Send in a postcard giving name, address and your average. If have never bowled before so much better. We will give you some good instructions and you will have a lot fun while you are learning.

St. Joseph Bowlers Discuss Best Place and Time for Pla

1-3 Thurs. . . 57th St. & Archer A

Although there was a meeting Aug. 7, your correspondent just co not get any news written in time last week. However, there was very much news as the meeting not largely attended.

Considerable discussion was ente into regarding the proposed bowl league, and a lack of response to cards sent out indicated that the p posed Monday night was not suita and it was therefore dropped. Ho ever, many members felt that the p gram of last year, of having Sun afternoon for bowling, was of pro interest and there is no reason why should not continue in the same w Why not come up to the next meet and say a word or two on the subje

There was to be no second meet during the month of August, but th was to be an officers' meeting Thu day, Aug. 21. The next regular me ing will be on Sept. 4.

G. K. Lloyd announced the follow appointments: Chaplain, Father Ste Bernas of St. Blase parish; Catholic tivities, Bro. A. Imrisek; Financial S retary, Br. W. Maxa, and your D. G. was again given the scribe's job which there is often plenty of comm but too little co-operation and a lot difficulty in finding news. We endea to have a newsy St. Joseph's colu each week despite these difficulties, if no one else will relieve us, we continue the arduous task for anot year. If any of you have news, ple phone it to the Grand Knight or self. It will be appreciated.

A second opportunity arose for blood donors' group to fulfill the p pose for which it was organized. So seven or eight brothers offered th services, and of these Bro. Leo K nedy (mayor of Summit) was chosen give the required transfusion. The tient, though not a member of our der, is a well known local man and friend of many of our members. It not known at present if further tra fusions will be required, but it is kno that other members of the council ready and willing if needed.

Tre recent aluminum drive of wh Bro. Leo Kennedy was chairman and which the writer helped a little, w the active co-operation of the Scouts, brought in a total weight of pounds. This was a creditable showi when compared with other small tow

Any active member of the coun who in the future is drafted into country's service is asked to ple notify G. K. Lloyd before the date his scheduled departure.

San Salvador Invites Good Turnout Monday to Honor Picnic Aides

2-4 Mon. . . . . 24 E. 114th Place

Next meeting Aug. 25 is when we show our gratitude for the ardent and untiring efforts of the regular workers at our recent picnic. I know the regular attendants at our Council meetings will be there, but let us see some of the others, namely, Bill Cassidy, Joe Cassidy, Ken Millikan, Phil Thullen, Jim Bourke, John Udelhofer, Frank Matkey, the Bretz family and all the others too numerous to mention. Your attendance will warrant these same workers to offer their services at some of our future functions.

At the last meeting your grand knight enumerated the various committee appointments for the ensuing year. The list will be published in a future issue of The Columbian and if your name appears please signify your willingness to do your part.

Your trustees are on the lapsation committee and are in the process of completing the audit for the fiscal year ending June 30. Are your dues up-to-date, and if not please see that beaming countenance of our genial fin. sec'y who is at your service every Monday and Friday evening from 7 to 9:30 p. m.

MEMBERSHIP

The time is now ripe to increase the folds of our Council. With the defense program in full swing and the employment situation in better condition than ever it behooves each and everyone of you to solicit the younger generation toward membership in our progressive and active Council. Your membership chairman is that hard-working sports activities chairman, "Buff" Marcolini. "Buff" has asked for the job so let us start the ball rolling to see who will bring in the first application.

Oscar Hines is planning numerous events for the coming season among them, Irish nite, Italian and German nites. If any of you have any helpful hints to offer in the way of entertainment, please contact the lecturer who will gladly accept your help.

Bros. Matt Thullen and Bill Kleusken are constant visitors at the softball games being played at Shrewbridge Fields, 74th and Aberdeen. They will gladly accept the company of any of the brothers who are interested. Maybe the loyal supporter of the White Sox Brien Finnerty will respond. Speaking of the White Sox maybe our Past Chaplain Father Chiminello can induce his friend Joe DiMaggio to attend our meeting of the 25th. Don't be surprised brothers if you see him there.

Our 20 team bowling league is gradually attaining full speed as the season is only about one month away. Get in touch with the captains of the various parishes to see if you are included in this group.

Drop your notes for the scribe with Geo. Mason our canteen keeper.

Nazareth Picnickers Vote Outing One of Best in Long Series

2-4 Tuesday.....17 W. Harris, La Grange

Well, the picnic is over and what a picnic it was. One of the best Nazareth has ever held. Your scribe made it his business to circulate among the crowd and found everybody happy and smiling and enjoying the day to the fullest. One outstanding feature was the way the people mixed. First you would see certain people in one group and shortly afterward you would find some of that group mixed in with another group somewhere else. This went far to make the picnic the huge success it was.

We had a clown for the benefit of the youngsters and those kids just followed that man all over the grounds. He certainly did his job in tip-top shape. There were so many contests the crowd was kept on the move all day long. The egg tossing contest was a wow. Those eggs were certainly handled with care. They had to be. They were raw.

Barnyard golf was an attraction for some, while others indulged in a few rounds of badminton. The tug of war was won by the east side, drat it! Well, they should have won it, they chose a sloping spot and took the down hill side. Not only that but they had 19 women and children pulling with them.

Having reached this spot in the day's activities, what about the little world series? Yah, you east siders, what about it? For weeks we had been afraid that the east side would not show up but what a team they put on the field. All the flower of young manhood from Riverside, Brookfield and points east. All those young fellows, Pete Johnson, Ed. Bessler, the Trost boys among others were in their line-up.

At the outset it looked hopeless for the westenders. At the end of the sixth the east led six to four and were going strong. Then came that fateful seventh. The westend grandpaws tucked their whiskers inside their vests and started swinging from the heels. Wow! What an inning. When the third man was finally out seven runs had scored. That made the score ten to seven in favor of the west. At the end of the ninth score was tied. In the twelfth the west pushed over the winning marker to cop the championship. Final score, West twelve, East eleven. Never mind the hits and errors, the score card was not big enough to keep track of everything.

We must mention the umpiring. This as usual was one of the features of the game. We did not get a squawk from one side, without subsequently getting a squawk from the other just by way of making it even. The Rev. Fr. Stokes of Westmont umpired on the bases. We cannot figure out yet what he had on those boys but we did not here a single squawk on base decisions.

We were glad to see P. C. Trost, Sr., on hand, also Frank Niemec who is up from Florida temporarily. Cliff Boivin did his best to help the east side team win and while he was not successful there he did win the honors in the fat man's race. The F. S. Polivka family benefited by winning a juicy baked ham. Mr. and Mrs. Emil Polivka were present as were Mr. and Mrs. Ben Martin and family. Congratulations to Ben on that birthday last Monday. Met Mrs. Hank Mayerowicz and a charming young person she is, too.

Ed. Bessler is on vacation. Going to take the family traveling downstate around Springfield. Bob Lester is also on vacation as is your scrivener, doing nothing but loafing. Bob dropped in on ye scribe last Monday morning about nine a. m. just as he was eating breakfast. We had a cup of coffee and two sweet rolls on the plate before us and darned if that hungry waif didn't sit himself down, pour himself a cup of coffee and appropriate one of those rolls. Hereafter when we sit down to eat we are going to lock the doors and pull down the shades. Well, that's that. We will now adjourn to that deck chair out in the shade of the trees, loll back and snooze. Work, you slaves. That goes for you too, Mr. Editor. (Be careful, young fellow, or we'll go after BOTH rolls!—Ed.)

Columbus Asks Large Attendance at Meeting Next Tuesday Evening

2-4 Tues. . . . . 6932 N. Clark St.

Don't forget our next meeting on August 26. G.K. Al Irving is returning from his vacation at Sturgeon's Bay, Wisconsin, in order to preside.

A week ago Wednesday evening the trustees, financial secretary, treasurer and deputy grand knight met at G.K. Irving's house with our State Deputy Leo J. Flynn and our District Deputy Marco De Stefano. The Council's affairs and its future plans were discussed. It was a pleasure to meet Mr. Flynn and to get the benefit of his suggestions. He has many demands on his time and we are grateful to him for spending the evening with us. We thank our District Deputy too, as usual, Marco is always eager to help whenever he can.

Our Council has made steady progress for the past several years in every way except in membership. Our charitable activities which we carry on thru our Catholic Action Committee, our financial status, and our social activities show marked improvement each year. But the fact remains that for many years we have been losing more members thru death, transfers and nonpayment of dues than we have gained. This is an unhealthy trend which must stop if the Council is to continue to thrive. Try to do your part by bringing in one application.

The reason for our improved financial status is the team work of Trustee Schuler, Financial Secretary Coffee and Treasurer Sextro. The latter is comparatively new in the treasurer's job, and he has taken hold with vigor and understanding. The Council is fortunate in having a young man of his business ability and energy in this important position.

Don't forget St. Jerome's Holy Name Society Golf Tournament at Sportsmen's Club on August 27. A great many Columbus Council men will be there, so join the parade. Our genial P.G.K. Ed Roche is vice-president of the Society and will be glad to book your reservations.

Ketteler Bowlers Meet Tonight to Organize League

2-4 Mon. . . . . 3437 Ogden Ave.

A second meeting of the bowlers will be held Friday, August 22, at Lawndale Hall to settle the last details of organization for the coming season. The League will be open at 8:30 p. m. on Thursday, September 4, at Major Recreation alleys. Bowlers who wish to join are urged to state their intentions to one of the officers of the bowling league as soon as possible. The officers of the League have adopted a fixed policy of accepting only those bowlers who personally state their intentions of bowling to one of the officers.

If you wish to bowl for the coming year get in touch with Brother Sliva or Brother Stanley Korbas by mail, by phone, or in person, if you cannot attend the meeting Friday. If you are a new bowler, please state your average. The list of bowlers is rapidly approaching the eightieth mark and those who apply after that will have to wait for an opening. A last warning! Bowlers from last season who have not signed up will not be carried over into this season, nor will anyone who has not corresponded with one of the officers.

Brother Ed. Wenckowski announces that Bishop Ketteler will sponsor a Major team in the South Side Major League. Anyone interested in bowling on this council team is asked to notify him. Bowling will be on Monday evenings.

SOFTBALL VICTORS

The L.G.A. Club softball team is again the Council Champion for another year. Behind the superlative twirling of P.G.K. Sam White, G.K. Ed Oakes and P.G.K. Tom Bogan, the boys fielded in marvelous fashion. They covered the field like a blanket and did they run? Don't ask. The final score was very close and, as there was no official scorer, shall we say umpteen to umpteen? In a final analysis it can be stated that it was a waist-line decision. After the game, participants and spectators attended a very short business meeting in P.G.K. Sam White's basement and then devoted the remainder of the time to less strenuous pursuits than softball.

Brother Ray Shaber announces that a meeting of the Picnic Committee will be held on Monday, August 25, at Lawndale Hall and requests that all Committee members be present. In connection with the picnic it has been called to the attention of the scribe that our medical examiner, Dr. Ursich contributed forty-two prizes for the games. Thank you very much, Doctor.

COUNCIL ITEMS

P.G.K. Bill Kelly, who has been appointed Chairman of the Lapsation Committee, is hard at work on a plan to restore the A.A.L. members to full standing in the Order. Bill asks that any member who is called upon to assist him to do so willingly and to the best of his ability.

Brother Fred J. Houdek, a member of Bishop Ketteler Council for many years, was called to his eternal reward on Wednesday, August 13. Solemn requiem mass was celebrated in St. Gabriel's Church with interment in Mount Carmel cemetery. To his wife and children we express our sympathy in their bereavement.

St. Pat's Will Support Columbus Ball Benefit Sponsored by Chapter

1-3 Tuesday.....6 N. Hamlin Ave.

The Chicago Chapter announces that a Columbus Day charity ball in benefit of the local unit of the National Catholic Community Service will be held in the grand ballroom of the Palmer House on Saturday, Oct. 11.

As the objective of the National Catholic Community Service is the establishment of a fund to provide and maintain a recreation center at 1122 S. Wabash Ave. for the use of visiting soldiers and sailors, the cause is indeed worthy and deserving of our full support. Plan now to attend for while enjoying yourselves you are giving many pleasant hours to the boys in our country's service. Tickets are one dollar per person.

APPEAL FOR DONORS

D. G. K. Wm. O'Connell, as chairman of the Blood Donors Group, asks again for volunteers. Bill states that he is lacking certain types which hinder him in filling all calls for transfusions. Charity being the highest and foremost ideal of the Oder, what is more fitting than a Knight of Clumbus becoming a member of this group?

A few minutes of your time may save a fellow man's life. So drop into Loretto Hospital, located at Central and Lexington Aves., and ask to be typed for St. Patrick's Blood Donor Group.

At our last meeting three applications were submitted to Grand Knight Tom Cregan. He was well pleased at this auspicious start of the membership drive. The entire Council having been appointed to the membership committee, it behooves each and every one of us to get behind Chairman Jim Hartford and bring in those new members.

St. Pat's, as all other successful organizations, needs a constant influx of new members in order to maintain a program which will be of interest. More members means better attendance at the meetings which in turn will produce more and various activities within the Council.

Bro. Rox Latelle, president of the bowling league, requests that all members interested in bowling in the coming season get in touch with him at Haymarket 5321. Rox expects a big year, so come on you keglers.

COUNCIL NEWS

Wedding bells will ring Saturday, Sept. 13, when Bro. John Morgan and Miss Margaret Walsh will be joined in holy bonds of matrimony at 10:00 o'clock Mass at Our Lady of Sorrows Church, Albany and Jackson.

Ray De Frank and family just returned from a pleasant stay in South Haven, Mich. Among the brothers present at the last meeting were Walter Carbonel and Owen Melvin. Glad to see you, boys. Owen, an old time active member, promises faithful attendance at all future meetings.

Owing to the fact that this is vacation season there is a scarcity of news so send along all items to your scribe. Tel. Ave. 9453.

Auburn Park to Have Another Summer Outing on September 12

2-4 Thurs. . . . 7740 Emerald Ave.

Inasmuch as our previous summer party was such a success it has been decided to reserve another date for the Shelter House at Ryan Woods, Forest Preserve, just east of Western Ave. and north of 87th St., for Friday evening, Sept. 12. This party will operate on the same basis as the previous affair. Tickets have been printed and will be mailed to each member for distribution. The prices are $1.00 for men and 50c for lady guests, or $1.50 per couple. This will include dancing, refreshments and entertainment.

Again our Worthy Warden, Brother Cornelius Houtsma, will act as chairman of the affair, assisted by the Council officers and softball team under the leadership of Brothers Paul Byrne and Tom Cole. The proceeds of this affair will be another contribution to our Education Fund for additional scholarships for the youngsters in our community.

SPORTS

BOWLING: Deputy Grand Knight John Coughlin recently reported he was making a checkup of the various bowling alleys on the south side in order to seoure a definite date and time for the newly organized bowling league. As previously announced, approximately thirty members have agreed to bowl and with a few additional names and a definite location we will be all set to go.

SOFT BALL: The playing schedule has been completed so far as the league is concerned, and the boys are keeping in shape by playing practice games before the finals. Just had a report that they played our goodneighbors from 69th and Wentworth Ave., McHale Council, and evened up another score taking them into camp to the tune of 19 to 7, making it three wins and three defeats in the season's play. It's too bad D.D. J. J. Sheehan wasn't on the mound for McHale all season. Boy was he duck soup. Are you still duckin' there, Jerry. Anyway the boys had a lot of fun.

It's either the heat, the winning of the Division title in the softball league or his girl friend Miss Foster, but Brother Tom Cole is reported as being slightly off schedule or going around in circles. Tom has a sister, Mrs. Elizabeth Duncan, and in writing her recently while on a vacation addressed her at Sister Lakes as Mrs. Elizabeth Cole. Better be careful Tom!

U. S. O.

Another opportunity for those of you who have contributed to the U. S. O. campaign in the interest of our boys in service, and to those who have not yet obligated themselves, is present in supporting the Chicago Chapter Charity Ball on Saturday evening, October 11 at the Palmer House. The tickets for this big event are the same as usual $1.00 per person and receipts are to go toward furnishing the U. S. O. Community Center right here in Chicago. Let's get behind Leo Flynn who is actively engaged in supporting this endeavor, and when the tickets are distributed, whether you attend yourself or not, buy them and give them to your friends. We want Auburn Park behind this movement one hundred percent.

Setters Prepares Top Flight Golf Bill for Sept. 7th

2-4 Thurs. . . . 4711 W. Madison St.

The following appointive officers were named by Grand Knight Roy P. Bedore of Father Setters Council at the last meeting, held on Thursday evening, August 14:

Chaplain, Rev. Timothy Sullivan; Lecturer, Past Grand Knight Edward J. Lavin; Financial Secretary, Thomas A. Lavin; Delegates to Chicago Chapter, Emil Fik, Henry Iding and Edward M. Fitzgerald.

Organist, Ed Kouba; Chairman, Catholic Action Committee, Steve Campbell; President, Fourth Degree Club, J. Edmund Dwyer; Athletic Committee Chairman, John Brady; Scribe, W. J. Coughlin; Chairman, U.S.O. Committee, Frank Prior.

In making these appointments, the Grand Knight pointed out that the full slate of officers for the coming year is now complete and the council is, therefore, ready to swing into what promises to be its year of greatest activity and progress. All officials, both elective and appointive, are eminently qualified to fulfill the duties of their respective posts in a particularly effective manner and, with the wholehearted cooperation of all the members, the realization of the Grand Knight's prophesy appears to be a virtual certainty.

GOLF TOURNEY SEPT. 7

Just a scant two weeks remain now until Father Setters Council will present its great annual Golf Tournament on Sunday, September 7, at Saint Andrew's Golf Club. Some two hundred members and guests are expected.

Tournament play will start about ten-thirty and continue all day. After the first eighteen holes, which will count in the official scoring, members and guests are entitled to play as much additional golf as may be desired. Prizes will be awarded in the championship flight on actual scores and, in addition, there will be numerous prizes to be distributed on the handicap basis.

Refreshments will be served along the fairways and in the clubhouse and, in the evening, members and guests will sit down to a full course turkey dinner.

Fees for the day's outing have been kept down to a minimum: $2.50 includes everything. Those who do not care to play golf are cordially invited to attend the dinner in the evening. For them, the fee is $1.50.

Reservations should be placed as soon as possible with the Grand Knight, Lecturer or Financial Secretary.

Genoa's Golf Tourney Happy Remembrance to Congenial Friends

1-3 Monday....7439 Cottage Grove Ave.

Genoa Council celebrated in great style the annual golf day at Glen Eagles Country Club last Sunday afternoon and evening. Once again, the attendance was all that was anticipated and each and every one attending thoroughly enjoyed the day.

The golf course was in excellent shape and many of the members and their guests showed their prowess with their clubs and the little white pill. The winners were many. The enjoyment was general. Dr. Malloy won the first prize for members with P. G. K. James Riley and John Peth running a close second and third. The individual low gross for guests was won by Mr. Van Derken with James McKeague running a very close second. The first general prize was won by G. K. Robert Stadler. There were approximately one hundred prizes in all given to the members and the guests.

Although those getting the better scores all won prizes the enjoyment of the day was shared by all in attendance. When you looked around and saw such experts as P. G. K. Tom Riley, Harry Do... This column is being written under very adverse conditions. Hecklers in the persons of Andy Phillips, his Mrs. and the Scribe's Mrs. are all putting their two cents in. The mail man was not very good to the column this week and the lads are certainly not giving us very much to write about either. All are on their good behavior. I don't understand but there has not been any word from the boys on the Southside for a very long time. Maybe the spark plug has moved.

The golf Pow-Wow will be held at the Glen Eagles Golf Club on the 28th of September. Make your date with the rest of your foursome now and be in attendance. Don't forget the Ham and Bacon Booth and the Bowlers' Booth at the Legion Week celebration.

If you fellas want to have anything to read in next week's Columbian you had better be sure and get the information to the Scribe. Jiggers on this noise of sitting here for about two hours on Monday wondering what to put in that will be of interest to all. It is your column as well as mine so get busy and dig! Dan O'Connell Mourns Passing of Old-Time Member, Anth. Genaro

2-4 Tues. . . . . 1100 N. Franklin St.

It is very sorry I am at this writing to report the death of our good friend and Brother Anthony Genaro who passed away during the past week. He was waked at the Salerno Funeral Home, 813 W. Taylor St., and buried last week Wednesday, Aug. 20. The council has sustained a great loss indeed, and to the bereaved family, we extend our heartfelt sympathy.

Bro. Frank Tantillo recently suffered an infection in the hand, but is doing very nicely now.

Bro. Nick De Maggio was unable to attend last meeting due to the illness of his mother, who suffered a broken leg. Bro. De Maggio had to make a trip all the way to Louisiana to see his mother. And we hope that she is now improving rapidly.

Our Financial Secretary, Bro. Jos. H. Meier has been watching that bird with the long legs flying around his house, as soon as it lights he promises to let me know, so I can tell you all about it. Good Luck.

Bro. Frank Marino who pitched for the Macon Peaches, and made such a wonderful showing (won 11, lost 1), has just been signed by Wm. Wrigley to pitch for the Cubs. Frank my boy, we're all proud of you, and hope you can win eleven for the Cubs this year.

Our Chaplain Rev. Paul Schlinn is reported in much better health now, and though he was not able to attend our last meeting because he is making preparations for his Annual Picnic, his assistant our co-chaplain the Rev. Jerome Walsh attended and distributed all the complimentary tickets the brothers asked for, after the meeting. The picnic is to be held August 26. A chicken dinner will be served at a nominal charge, and there will be dancing, refreshments and many forms of entertainment. The picnic will be held in the Parish Garden, 1107 N. Orleans St. Everyone is invited.

Did you know Brothers that Daniel O'Connell Council has the youngest Grand Knight in the State. G.K. Edward Gauna, age 33?

Did you know we have 23 applications, 3 transfers, and 3 reinstatements to Daniel O'Connell Council since July 1, and that your Grand Knight was responsible for at least 15 of the applications and five of the six remaining transfers, and reinstatements—some record eh!

In the name of O'Connell's officers and members, I wish to publicly thank Mr. Zip Campione, Mr. Owens of Chapel Ice Cream Co., and Mr. Borst of the West Lin Distributing Co. for the splended support they gave Daniel O'Connell's Picnic, August 10.

Bro. Jos. C. Meier and family are touring the East and will be away for a two week vacation. Bro. and Mrs. J. F. Hendricks will sojourn at Forest Lake, Wis. for a week or so.

For all the members of Daniel O'Connell I herewith extend our thanks for the dandy key rings with the K. of C. emblem, which our Grand Knight, Bro. Edward Gauna presented to the members at the last meeting.

Bro. Henry Meier has been appointed chairman of our Christmas Cheer Fund this year. Bro. Meier has been a particularly active member especially in O'Connells Blood Donors Group having but recently given a transfusion.

For a detailed list of last meeting applications see the official Bulletin on page 15.

Newman Has Several Members Eligible for Getting Into the News

1-3 Thurs.....St. Mary's Hall, Evanston

I just returned from the St. Francis Hospital after visiting Bro. Charles Steigelman, who was injured in an automobile accident in Port Washington, Wis. Bro. Charlie's knee was cut and a couple of ribs fractured. He expects to be home by the time this issue reaches you.

Bro. Chas Segneri has been transferred to Blue Island, Ill., We hope we don't lose Bro. Charlie to Blue Island Council. Past Grand Knight John Corcoran and family are attending the K. of C. national convention at Atlantic City. Bro. Lee Smith is building a new home in Morton Grove. He will be a neighbor of Bros. Nippers Hebson and Jack Cervenka.

Bros. John Nangle, Ray Kelly, Tom Hayes and Scoop Borre keep their weight down by playing tennis every Sunday morning at the high school tennis court just off Church St., opposite Tom Zicco's barber shop.

Newman Council's bowling league will again bowl at the Main Recreation bowling alleys. They have decided to have six-man teams and will start bowling at 8:30 p. m. Opening night will be announced later. They have also decided to stage a boxing show at a later date at the St. George's gym.

Past Grand Knights Bisson, Atchison and Muldoon are trustees of the newly-formed Newman Council Fourth Degree Club.

Our grand knight, Walter Gehant, returned to town Saturday morning after visiting Yellowstone Park.

Bro. Roy Decker is a little stoop-shouldered these days, and it isn't from carrying mail. It's due to all the slaps on the back he received after pitching a no hit, no run game for the Hayes Motor baseball team of La Grange. Roy was pitching in a regular Midwest League game and was in rare form. The owner of the Hayes Motor team is also a member of Newman Council, none other than Brother Thomas L. Hayes, formerly of Ridge Ave.

Bro. Joe Flinn has purchased a two-flat building at 1502 Washington St. Tom Sullivan helped move his furniture there. Probably Joe will do likewise sometime in the future.

SOFTBALL

Bro. Cliff Dalton has answered the oldtimers' challenge in behalf of his slowball aggregation and has agreed to meet the oldtimers Sunday morning at 11 o'clock at Boltwood Field. Bros. Mart Corcoran and Joe Flinn have summoned the following brothers to be on hand: Roland Nilles, Edw. Arnold, Willard Uttenreuther, Nippers Hebson, Jack Krejci, Bill Miller, John Corcoran, Larry Dupre, Tom Stark, Tim Jans, Otto Menke, Bones Nellessen, Ken Lawson and a couple of subs.

We were sorry to hear of the death of Mrs. Barbara Witty, mother of Bro. Peter Witty, and Mr. Colin McNair, father of Bro. James McNair. May their souls rest in peace.

TO TRAIN MORE NURSING TEACHERS

Washington.—The Catholic university school of nursing education is expanding its facilities to train an additional number of teachers of nursing next term in connection with the defense emergency.

Ticking sewed on the inner sides of the corners of feather pillow coverings reinforces them.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Nuns Rewarded for Service to Patient After 50 Years

Buffalo.—Recognition was paid to the care given patients of the Buffalo Hospital of the Sisters of Charity nearly 50 years ago when the hospital received a check recently for $300 from a San Francisco woman. The donor, who asked to remain anonymous, first wrote hospital officials asking the name of the person or persons to whom a bequest should be made in a will, but later decided to give the money during her lifetime. She wrote:

"As the receipt by the hospital of even a small bequest that would be made in my will would have to be measured by the lifetime of others, I have decided to send you the enclosed check at this time.

"Please accept it as a memorial to the Sisters, Doctors Mynter, Ingraham, McAvoy and the other doctors, who cared for the patients in the years 1892 and 1893."

Perusal of hospital records for 1892-93 by Sister Hortense, superintendent of the hospital, failed to reveal a patient having the same name as the donor, but a patient having a similar surname was enrolled at that time.

CHICAGO GOLFERS WILL TEE OFF WEDNESDAY

2-4 Tues. . . . . 64 E. Lake St.

Chairman Bill Brogan returned early this week from a nice restful vacation only to discover that things had happened during his absence. One thing in particular — CHICAGO COUNCIL'S ANNUAL GOLF TOURNAMENT—is set for Wednesday, August 27—this coming week; which means you will have to act immediately if you intend to take part.

The place—WHITE PINES GOLF CLUB, York Road, midway between Grand Avenue and Irving Park Road. The date—next Wednesday, August 27. The fee—$2.25 for everything including the dinner. Non-players are invited to the dinner as in other years, at a moderate fee. The BIG PRIZE, of course, is the Chicago Council trophy which has several names on it, including one that appears twice. A three-times-winner gets the cup—and it's a honey.

Of course, most of us will go by automobile and when you make your reservation not later than Monday with the Chairman Brogan (Randolph 5360), you ought to indicate whether you have any space to spare in your car or whether you are hoping for a seat in somebody else's car. Also, those who are going out only for the dinner should make reservations.

And if you are going out on the train —why, there is the Chicago, Milwaukee, St. Paul and Pacific (Frank Casey's "Milwaukee Road") with suburban service to the town of Bensenville. Frank marked trains leaving the Union Station at 12:25 p. m., 12:30, 3:40, 4:10, 5:13, 5:17, 5:25, 5:52, and 6:25 p. m. The run is about thirty minutes and the one-way fare is 36c. There is no economy about buying a 65c round-trip ticket unless you are checking out in time for the 5:10 and 7:06 p. m. (Bensenville—daylite time)—or put up for the night in Bensenville.

Now, another little detail. The chairman would welcome a few donations of prizes—like in previous years. And thanks in advance to the donors.

IN MEMORIAM

An illustrious name this week is added to Chicago Council's roster of departed brothers; a name which carries historic significance for local knights, as well as high esteem in the memory of men of affairs in Chicago.

Raymond Cardona, one of the two remaining of the "Original 23," the first group of Catholic gentlemen to be inducted into Knighthood west of the Alleghanies, was summoned to his eternal reward on August 16.

Brother Cardona was born in Washington, D. C., on July 8, 1867. His father was the noted sculptor, Joseph Cardona, whose carvings include a number of marble busts of prominent men, including several of our presidents.

As a boy of fourteen, Brother Cardona came to Chicago, finding work and attending night schools to extend his education. Later he obtained a position with the Wendell State Bank (Ogden and Madison Street) advancing steadily to posts of responsibility and finally succeeding Mr. Wendell as the president of the institution. He went on to be president of the old Reliance State Bank for a number of years util he retired a few years ago.

The records do not indicate that Raymond Cardona ever held office in Chicago Council but up to about ten years ago he was quite active and was one of the Council's first group of honorary members. Since the death of his wife about fifteen years ago, Brother Cardona spent much time in travel.

Quite a number of our members attended the wake at Hursen's chapel, Michigan and 18th streets, on Monday evening, including our Reverend Chaplain, Father Fleming, P.G.K. Henry Phoenix, Financial Secretary Nicholas Reuland, Lecturer Charles Schroeder, Warden P.J.V. McKian (who was a fellow member of the old Illinois Club with Brother Cardona), Harry Gerardin, D.G.K. Will Brogan.

The funeral Mass at old St. Mary's on Wednesday morning was attended by a great number of old friends who then accompanied the remains to Calvary.

To his surviving sisters, Mrs. Teresa Hennessy and Carlotta Cardona, and to his daughter, Mrs. William E. Seifried, Chicago Council extends sincere sympathy in their hour of sorrow; and we unite with them in our prayers for the eternal repose of his soul. May he rest in peace.

NOTE

Thomas A. Mullen (now residing in Boston) still carries the banner of Knighthood for that hardy band of twenty-three. And in the list of Charter members, in addition to Brother Mullen we note Harry J. Baby of Illinois Council, still active in the jewelry business, golf trophies, medals and such; and Thomas J. Smith, now of University Council, via Illinois.

(We should have noted last week that John A. Boland, whose death was mentioned, was one of a group who went from Chicago Council to become charter members of Marquette.)

PHOENIX NIGHT: Our first meeting in September (Sept. 9) is set as "PHOENIX NIGHT" for the setting up of a few nice bouquets in honor of our new P.G.K. G.K. Henry J. Lynch attending the National Convention, and Lecturer Charles Schroeder announce that it will be a "LADIES' NIGHT" and there will be much festivity. Reserve the date.

University Council Well Represented at Recent Irish Affairs

2-4 Tues. . . . . St. Ignatius Auditorium

As is usual at any Irish gathering, University Council was well represented at the Irish Day celebration of "Our Ladies' Day in Harvest" at Harms Park on August 15.

Bro. Ed Dwyer was Financial Secretary and conducted the contest for the choosing of the queen in a very creditable manner. Brother Emmet McHugh was a member of the executive committee and had a hand in the Queen Contest. It was at their insistence that G. K. Tim Murtaugh assisted as a judge, not of the beauty contest but of the applause machine that recorded the votes of the large crowd.

Other members noticed at the park were Judge John V. McCormick on the speakers' platform, James O'Brien and Thomas Ferriter.

During the course of the next ten days members will receive copies of the University Council program for the period from September 1, 1941, to July 1, 1942. It is arranged in a convenient bill-fold size so that you may have it always with you. Additional copies may be obtained for distribution to prospective members.

The University Council bowling season starts Friday, September 19, at 9 p. m. sharp. The place chosen by the members of last year's bowling league is the beautiful new "Howard Bowl" located at 1777 Howard Avenue. The Clark Street cars are within ½ block and the elevated lines and bus lines are within a short block. Free parking facilities are provided directly across Howard Street.

The bowling league which has been gaining in membership and skill for the last five years last year had eight teams. This year the league can, if the demand is great enough, be expanded to twelve teams. If you haven't reserved your place yet be sure and do so. New entries for the league will be accepted up to September 5, when the number of teams must be determined. Teams will be picked on Friday, September 12, and will be posted at the Howard Bowl on Wednesday, September 17.

RETREAT: For those who were unable to attend the retreat with the Council on August 9, another opportunity will be afforded. Father Oliver, a University Council member, advised the Council that P.G.K. Fred Rondeau is leading a class to Mayslake from St. Ita's Parish on October 3d, and it was decided to make the day a joint affair with Fred Rondeau as chairman of the University group. For details call Fred Rondeau at State 8866.

AUGUST MEETING: Don't forget the date of our only meeting this month—Tuesday, August 26.

Englewood Tries New Method of Notifying Members About Meets

2-4 Mon. . . . . 150 W. 69th St.

Due to various and sundry reasons such as high humidity, high temperature and rain, only a few members attended the last meeting, however, there were ten officers present. All those who attended spent a very enjoyable evening, listening to the great plans of our G. K. Dick Phillips and our Lecturer Jack Lyons.

One thing that should enlarge the attendance at every meeting, is a new system of sending out cards a few days beforehand informing the members of the date and program of events. Lecturer Jack Lyons has gone to great lengths to line up a series of entertaining speakers and motion pictures which should prove both interesting and educational. He also plans to have the social half of each meeting conducted by a Past Grand Knight, who will be called upon to enlighten us about the intricacies of various professions and businesses.

This will give us the inside dope, as to how the barristers lead the lambs to the slaughter and the utility magnates keep our meters humming. Of course there will always be refreshments at every meeting. In order to show our appreciation of the efforts expended in our behalf we should all try to attend meetings regularly. With the coming of cool weather we will all be looking for a place to go and Englewood is the place.

Athletic Chairman Joe Hannapel will appreciate it if any members who might be interested in an inter-council bowling league, will get in touch with him immediately, so that he may arrange for alleys and see how many teams can be made up.

Via the Grapevine Route: It is with great pleasure that we note P. G. K. John S. Ryan is recovering rapidly from his recent illness and is now at home. . . . Miss Marjorie Delaplane, daughter of D. G. K. Harry A. Delaplane, entered the Concent of the Dominican Order at Adrian, Michigan, August 15th. . . . G. K. Dick Phillips became a grandfather for the second time when his daughter, Evelyn Corchane, gave birth to an eight-pound baby girl on August 11 at Englewood Hospital. Mother and daughter are doing fine. . . . Mr. Corchane, by the way, is to become a member of Eng Council soon.

September Features at La Grange Model Home Dedicated to Workers

The fact that the workers of America enjoy the highest standard of living in the world inspired the executive committee of the Mount Vernon House of 1941 to dedicate the month of September, beginning as it does on Labor Day, to the working man and his family as a tribute to the contribution made by the many millions of workers to our American home and way of life. The sponsors of the project, the men and women of St. Francis Xavier parish of La Grange will be pleased to act as hosts in showing this beautiful six-room colonial dwelling to the wage earners and their families from the metropolitan area.

The location of the Mount Vernon House of 1941 is 345 North Malden avenue, one block north of Ogden avenue (U. S. 34) and a short walk from the Stone avenue station of the Burlington railway. A competent staff of receptionists is on duty daily between the hours of 10:00 a. m. and 9:00 p. m.

30,000 Visitors

On Thursday, August 21, Miss Margaret Profitt, 3607 Highland avenue, Berwyn, was recorded as the 30,000th visitor and was presented with a gift and a season pass.

A distinguished visitor on the same day was the Reverend Father Paul (Werr), O.F.M. Cap., of Wellsburg, Virginia, chaplain in the Home of the Knights of St. George. Father Werr was accompanied by his sisters, the Misses Mary and Julia Werr, 2108 Seminary avenue, Chicago.

The Mount Vernon House of 1941 is a completely furnished American colonial home, exhibiting new standards in efficiency and economy and revealing new refinements in the artistic use of color and form.

Father O'Connor Names "Jim" Carney, Roy Bedore as Directors of Recreation Center

James B. Carney, the man behind the man at the helm, who during the last twenty-one years as secretary to the Chicago Chapter, devoted more time and energy to the various Knights of Columbus activities as sponsored in the Chicago area than perhaps any other single individual, this week was drafted for the important job of director at the National Catholic Community Service Center at 1122 S. Wabash Ave.

Carney's appointment came from Father Wm. A. O'Connor, archdiocesan head of the local N.C.C.S. organization late last week. The appointment also included the selection of Grand Knight Roy P. Bedore of Father Setters Council as assistant director.

Both men began their duties at the new center Monday morning and although the full facilities of the unit will not be completely installed until late September when the formal opening and dedication will take place, soldiers and sailors are already making use of the large reading and recreation room as they are now equipped.

CHI. CHAPTER WILL ELECT OFFICERS ON WEDNESDAY

Members of the governing board of the Chicago Chapter will convene next Wednesday evening, September 3, at the Elk's Club, 57 W. Monroe Street, for the annual election of chapter officers.

President Jacob A. Mueller today urged all delegates to make special efforts to be present. In addition to the selection of the 1941-42 Chapter leaders, several important phases of the Charity Ball campaign will also be outlined at the meeting.

Business proceedings are scheduled to begin promptly at 8:15 p. m.

De Soto Battles Hughes in K. C. Softball Opener

Three Games a Night Will Mark Softball Playoffs in Bouts for the City Title

By Johnny Miner

De Soto Council's mighty bat-men will plod grimly into the spotlight on the evening of September 15 to make their stand against the Hughes Council aggregation of champions in the opening tilt of the 1941 Knights of Columbus Softball finals. The zero hour is set for 7:30 and the action is to be unleashed at Shewbridge Fields, 74th and Aberdeen streets.

The opening match—first of three scheduled for that evening—will bring Hughes, the 1940 champions and winners of the current far-western divisional bouts up against an inspired squad from De Soto, second place winners in the North Division. Other games that night will pit LaFayette McHale (8:30 scheduled time) and St. Cyr against Madonna (9:30 scheduled time) in a card that promises no less than 180 thrill packed minutes.

Host of Religious, Lay Leaders Expected For Public Holy Hour Here

One thousand priests, 50 monsignori and more than 500 government, business and labor officials from the city, state and nation will be among the special guests who will attend the Holy Name Holy Hour at Soldier Field on September 14th.

Representative delegations from each of the 430 Catholic parishes in the six counties of the Chicago Archdiocese are expected to swell the attendance at this giant pageant of prayer and patriotism to more than 200,000 people.

The Rt. Rev. Msgr. Daniel F. Byrnes, pastor of Visitation parish and general chairman of the Holy Hour, predicted that the affair would be the largest Catholic demonstration that Chicagoland has seen since the International Eucharistic Congress held here in 1926.

Twenty-eight outstanding Catholic lay organizations for both men and women have pledged their cooperation and attendance at the Holy Hour which is being sponsored by the Archdiocesan Union of Holy Name societies, the official Catholic Action for men of the Chicago Archiocese.

One of the outstanding features of the Holy Hour will be a public prayer for the intention of His Holiness, Pope Pius XII. This prayer will climax a crusade of prayer for the Holy Father now being carried on by the 200,000 members of the local Holy Name societies.

As a result of the Holy Hour, a spiritual bouquet of Masses, Rosaries and Communions will be offered by Chicago's 1,500,000 Catholics for Pope Pius XII and his untiring efforts for peace among all nations.

Supreme Convention—

(Continued from page 1)

Knights that theirs was not merely a fraternal organization but a militant body engaged in the work of keeping alive to lay members the teachings and doctrines of Christ.

He urged the knights to "continue to build your program of corporate cooperation in the work of the Church through the promotion of Catholic education and charity." There is no work more constructive today than "adult education on topics touching Catholic life and action or sponsorship of projects that will keep our young people close to the Church."

"God is getting to be a person whose acquaintance even some Catholics are reluctant to admit except for a short time on Sunday morning," remarked the Archbishop. "The man whose knowledge of things Catholic is not proportionate to his general education, his professional standing or his position in business or society does not meet the test of practical Catholicity. Lack of knowledge about Divine teachings is the potential source of the indifferentism and religious vagueness that may be the ruin of America. But this lack of knowledge can be easily remedied, the Archbishop said, in recommending that the knights further among members a regular program of Catholic study.

"Another test of practical Catholicity is the sustaining and strengthening of our spiritual life through frequent use of the sacraments. . . . If membership in the Knights of Columbus brings men to the Communion table more frequently than before, then, indeed, is this society developing practical Catholicity."

The third test, confidence in the Church, the Archbishop said, "constitutes almost a sixth sense that makes the individual soul a particularly responsive instrument in the hands of God working through His Church. . . . It is the first objective in outside attacks on the Church, and the first Catholic quality of soul to suffer when men of faith lose themselves in the pursuit of particular aims or the satisfaction of personal feelings."

Emphasizing the quality of obedience, the speaker praised the knights for displaying confidence in the Church in the World war of 1914-18 and asserted that a similar opportunity of the same degree is open to members of the order today to show their faith while doing memorable public service.

N. C. C. S. Benefit—

(Continued from page 1)

It is for the complete furnishing of this Catholic social center that the proceeds of the Chapter-sponsored Columbus Day Charity Ball are to be used. Some furniture has already been installed—on deferred payment Carney explained—but much more is needed.

The center when completely equipped will accommodate more than two hundred service men at one time. Four pool tables, ping-pong, and similar game facilities are to be set up in the basement quarters, along with shower stalls and other conveniences. A large reading room is to be equipped with comfortable chairs and divans as well as desks and tables for writing. These accommodations will occupy the main half of the first floor area. A second game room, easily converted into a lecture or dance hall is also located on the main floor.

Second floor space is given over almost entirely to the soldiers' "canteen" where hot lunches, sandwiches, candy and cigarettes will be served.

Party Reservations Increase

The appointment of two prominent Knights of Columbus to head the N.C.C.S. unit here should give extra impetus to the successful promotion of the Chapter party now being planned in benefit of the center.

Reservations for the party which will be held in the two largest ballrooms of the Palmer House on Saturday evening, October 11, are even now being entered in ever increasing numbers. Patrons' reservations, which include listing in the official program, are priced at $5.00 the couple and general admission tickets are at one dollar a person. Quantities of both have now been distributed to the separate councils for distribution to the membership.

Special features of the party program will include dancing in the Grand Ballroom and a card service in the large Exposition Hall.

Brownson Golf Party Voted Highlight of Summer's Activities

2-4 Fri. . . . . 4754 N. Western Ave.

Under perfect weather conditions, a blue sky, bright sun and a light breeze, Brownson's second annual golf party for the ladies held last Saturday at the Rob Roy C. C., was a huge success.

To Athletic Chairman Bro. James O'Byrne and his committee consisting of Bros. Tom Phillips, John Paulus, Ed. Showalter, and to G. K. Wm. O'Neill goes a lot of credit for the manner in which they conducted the party and for the wonderful array of prizes, of which everyone present received at least one. The committee had expected a larger turnout but the spirit manifested by those present more than made up for their disappointment.

The so-called golfers of the council were delighted to see that we now have a real golfer amongst us in the person of Bro. K. Walliser, one of our new members, who turned in a score of 72—only 7 over par. The closest to Bro. Walliser was the recent newlywed, P. G. K. Frank Kohler, with 91. Maybe Mrs. Kohler who kept score had something to do with Frank's score!

P. G. K. Ed. Kane, one of the early arrivals, showed the younger members up by playing 33 holes and still found time to argue politics with Tom Phillips. Bro. Al. "Tiny" Long found his greatest trouble was standing too close to the ball after he hit it. P. G. K. Tom Casey felt pretty low because the Mrs. who was in Cleveland, Ohio, was not with him. The Mesdames Schmitt, Sinke and Paulus spent the afternoon playing cards while husbands, Bro. Andy Schmitt, Joe Sinke and John Paulus found out that they are not quite as good golfers as they are bowlers.

Mrs. Walliser was one of the few ladies to venture out on the course and for her efforts took the first prize for the fair sex. Joe Dvoratchek's bowling hook was also working with his golf ball and he had Warden Tony Miller running all over the place. John "Cowboy" Papke left the Mrs. to play the slot machines while he tried to show the boys how they play golf out west.

Anne Witow assured all the bowlers that she would see to it that they would be sure and get their right coats at the Monte Carlo alleys this winter. Dr. Erwin Ewald and the Mrs. looking to see if any one had toothaches beside headaches. Chan. Frank Papke showed the wife that all the golf she let him play on his vacation did some good. John "I Wish I Could Get Tan" Leech and Miss Grace Marshall finally decided on an alarm clock for their prize. We wonder why?

Bro. Stanley Karas, another of the early arrivals, went back in the evening to get the big fruit and vegetable merchant of Fullerton Ave., Bro. Alex. Ciesinski, who closed the store early to be present at the dinner. Mike Schornack had a hard time convincing Miss Dolores Schaeffer that he is as good a golfer as he is a softball player. A former member, John Flanagan, had such a good time that he wants to become a member again. And how could the committee get all the scores if it wasn't for Bro. Tim Doody.

Tonti Council was represented by Bro. G. Jankowski, St. Paul of the Cross by Bros. P. J. Vandenberg and H. Bleim, and Lafayette Council by Jack Dix, L. Jankowski and R. Kowalski. Bro. Dix extended an invitation to all Brownson's golfers to attend Lafayette's golf tournament at Northbrook C. C. on Sunday, Sept. 7. He also challenged Brownson to play for the Lafayette-Brownson trophy. G. K. O'Neill accepted the challenge and will pick four golfers that he thinks may bring the cup to Brownson for the first time. Bro. Phillips was still able to dance with the Mrs. after playing all day. Bro. and Mrs. Clarence Houston came out after the dinner. We hope we haven't missed anybody. If we did it is not intentional.

VACATIONS

D. G. K. Tom Rudd is combining a business trip to the west coast by taking in the national parks out that way. D. D. G. K. Douglas Lans is driving the Mrs. down to the scene of their childhood, New Orleans.

Dowling Pledges Full Assistance on Chapter Ball

2-4 Tues. . . . . 3625 So. Hoyne

Our council at the request of our Grand Knight will organize a committee to promote the sale of tickets for the Charity Ball sponsored by the Chicago Chapter to be held on Saturday evening, October 11th, at the Palmer House. Dancing will be held in the main ballroom and a card social in the exposition hall. This ball is held in conjunction with the observance of Columbus Day.

Every member of our council should participate in this affair as the purpose is a most worthy one. Proceeds will be donated to the Archdiocesan Unit of the National Catholic Community Service to be used to provide furniture and equipment for our sailors and soldiers at the recreation center at 1122 South Wabash avenue.

State Deputy Leo Flynn and Chairman Henry J. Lynch are soliciting our help and our Grand Knight has assured them that we would exert every effort to give them our wholehearted support. The tickets for this ball will be in the hands of our officers at our next meeting and if you wish to cooperate take a few tickets and try to dispose of them.

NEXT MEETING SEPT. 9

After the summer meetings of only one session a month we will go back to our regular meeting schedule of the second and fourth Tuesdays. Our next meeting will be Sept. 9 and at this meeting G. K. Barker will make his committee appointments for the year.

If you would like to serve on a committee your G. K. would appreciate your declaration.

It is his plan to make your meetings very interesting and through his lecturer he will give you entertainment and from time to time have guest speakers that will talk on current events. Starting with our next meeting make a resolution to attend at least one meeting a month and thereby give your officers the support they are entitled to.

MEMBERSHIP

Our chairman of membership has started our drive for new members and will appreciate any help you can give. You will receive some applications and it is the desire of your G. C. to try and get at least one per member. During the warm months we have not pushed on this committee but now that the weather is getting cooler the field should be ripe for that extra drive.

BOWLING

Our bowling president, HARRY LORDEN, will call a special meeting of the bowling league in the near future and expects all that intend to bowl to be present. If you did not bowl last year and desire to join up, turn in your name and average and the league officers will give you first chance at any vacancies. If interested phone Harry, LAF. 3649, in the evening. Our league will bowl at Marzana's, 63rd and Spaulding avenue.

G. K. Frank Barker is back from his vacation. I understand he was up in Wisconsin, but he kept his location a secret.

Martin Cody and wife, J. W. Cody and wife, Fred Dieterick and family spent a week in Niles, Mich., and I am informed they had a grand vacation, fishing, boating and golfing. The party returned Saturday. Mart Cody and wife and M. Jones have a cottage up in the nor woods.

If you know of any member in service, drop him a line as they like hear from friends and it gives them couragement to know we are think about them.

Our recorder, Tom Gallagher, has b very busy for the past month as he secretary to the 12th Ward Democr organization and they had their pic last week. Tom was the main spark p The affair was successful and Tom is be congratulated.

Our Fourth Degree Patriotic Club resume its regular meetings starting the month of September at the St Yards Inn.

Our "G" man Jim Riley just retur from his vacation. He was visiting Central Illinois.

I met our old timer, Gus Schuller, other day and he promised me he wo try to make a meeting. He is now v the Caterpillar Co., selling tractors.

Remember our next meeting is Tu day, Sept. 9, at St. Maurice's Hall.

Aquinas Will Support Chapter Charity Ball Planned for Oct. 11th

1-3 Tues. . . . . 5441 S. Ashland Ave.

The Charity Ball which is being sponsored by the Chicago Chapter for the benefit of the National Catholic Community Service, took the spotlight at Aquinas this week. On the committee which will strive to make this affair a success is P.G.K. Leo J. Clifford, Wm. Golden, Stephen Wyka and Frank Keane. G.K. James Sweeney, at a district meeting held at Leo Clubhouse, promised District Chairman John Rueberry of Leo Council that Aquinas was prepared to give this affair its fullest support.

Bro. John Barsley was inducted into the service about two weeks ago. He was given a grand sendoff at a party given in his honor the night before he left. His address is: Fourth Squad School, Chanute Field, Rantoul, Ill. Bros. Thos. Harney and Francis Fitzpatrick have been transferred to Camp Forrest, Tenn.

The bowling season will open Friday, Oct. 3, at Visitation. All those interested in bowling should contact Chairman Dr. E. P. Bialecke at Eng. 2627 before Sept. 15. Bowler P.G.K. John Lenihan last week became the father of a seven and half pound baby girl.

On behalf of the officers and members of the Council, I want to take this opportunity to express our deep sympathy to the family of Bro. Raymond Ryan who passed away last Saturday. May he rest in peace.

Setters Golf Tourney Bids Cheery Welcom to All: It's Sept.

2-4 Thurs.....4711 W. Madison

Another flash communique has dropped, hot off the wire, on the desk Grand Knight Roy P. Bedore of Fat Setters Council. The message is in nature of a reminder from the field he quarters of Father Time, generalissim the March of Events, calling the att tion of all and sundry that there are eight days intervening between now the day of the greatest golf tournam ever presented by Father Setters Cour

This later reference to the shindi no mere flaunting of adjectives, fo happy combination of circumstances shaped up to make the affair a knockout of a party, and no foolin'. begin with, that great maestro of s cessful enterprises, PGK Edward Lavin, is back in harness again, this t as lecturer of the council and, by vir of his office, chairman of the entertainment committee. He and the gra knight are old masters at the game working together as a team, with enthusiastic support of all the l they're really going to turn out a pa that will demolish all standing reco for successful affairs.

HERE'S THE DOPE

While the particulars of the tournament have been sketchily outlined previous dispatches, we're again set forth the details just so you'll have th all before you.

Now, in a preceding paragraph spoke of a happy combination of circumstances, and we're still developing t theme. You see, the two ol' maest Roy and Eddie, have a confidential p from the weather man that Sunday, S 7, the day of the tournament, is going be just right for a day's romp in open; it'll be about 70 degrees on open fairway, with a moderate bre and exactly the right amount of sun keep things cheerful without scorch your bald pate, if you have one.

The fairways will be in tip-top con tion so all you'll have to do is stay them. The greens will be like your ing room carpet and if you miss any e putts you'll have to just chalk it up fate or evil spirits or something.

As we have heretofore intimated i veiled sort of way, the committee have refreshment stands set up al the course. At these recreation cen you can stop, cool off, relax and excha a few yarns about your game, etc. Me while, there'll be another similar st in the clubhouse, just adjoining shower room, so you can convenien partake of external as well as inter refreshments.

In the evening a turkey dinner will served and at the conclusion of the b quet prizes will be awarded to the da sharpshooters. Every golfer, good, and indifferent, will have an even cha to get in on the plunder as a number the awards will be distributed on handicap basis.

RESERVATIONS, PLEASE!

In order that the committee may range for the proper accommodation all, you are urged to 'phone the gr knight (Kedzie 1719), the lecturer (Columbus 9232), or Financial Secretary Lavin (Columbus 5802), advising many you'll have in your party. In connection we might mention that fee of $2.50 includes everything, or you don't play golf, we'd like to have come on out in the evening for the ner. The fee for the dinner only is $1

Now, as you finish reading this literary gem, let us suggest you get on the phone and place your reservations then plan on being out at St. Andrew Golf Club on Sunday, Sept. 7, any t after 10:30 a. m. when official tournam play starts.

St. Andrew's is located at the junc of North Ave. and W. Chicago Rd., twelve miles west of Elmhurst. If don't want to be bothered driving a out there, you can take the Aurora-Elg directly to the club.

SIDELINES

Eddie Oakes says there will be an- golf tournament in September. Full ls will be given out at the next ing.

strict Deputy Phil Nilles attended the me convention at Atlantic City. He he had an enjoyable trip.

ry to hear that Bill Ahern's son and daughter-in-law are seriously injured as the result of an automobile accident. We all hope and pray they will recover rapidly.

Bro. Joe Koscak smashed his finger while at work but it is healing rapidly.

Tony Jablonski sends greetings to all from the Wisconsin Dells. You should see his picture on the postcard!

Stanley Kasperski has been appointed council chairman of the charity ball which will be held on Oct. 11 at the Palmer House.

At last DGK Ralph Slaski is putting on weight. He says that Esther swings a meant skillet.

Emmett ("Professor") Holland, the regular scribbler of these lines, is away on a much needed vacation. As most of us know, the "Prof" teaches at St. Mel High School, and while he is an excellent scribe, they say he is a much better "schoolmarm."

Don't wait till next meeting to pay your dues, because something may interfere with your attendance that night. Mail them to Financial Secretary Frank Estis, 1925 S. Troy St., and your insurance will be kept in full benefit.

Well, that's all except that I hope you enjoy the Labor Day holiday and some time in the next few days you will see your Catholic friend who does not belong to the order and have him sign an application. Membership Chairman Barney Czerwinski says that he expects to have enough applicants lined up to exemplify the first degree in about a month.

Columbus Will Meet This Tuesday in Only Session During Month

2-4 Tues. . . . . 6932 N. Clark St.

Our last meeting was in July and many of the brothers are vacationing, so it is rather difficult to fill our column this week. I have some sympathy for the columnist who has to grind out his daily bit for the press; he has recognized ability, while I make no such claim. This is another way of saying that I want the membership to help me write this column. Any points of interest or suggestions that occur to you during the week would make interesting reading here. Please telephone them in to L. C. Dollahan, State 7522. Please?

Our next meeting will be Aug. 26. G. K. Al Irving is returning from his vacation to preside, and will announce his appointments to the various committees.

TRIVIA

Our former chaplain, Rev. John Hayes, has been transferred from St. Jerome's to Precious Blood Parish. We regret his going but wish him Godspeed on his new mission.

As announced in a former issue, Father Mockenhaupt from St. Gregory's will be our new chaplain. Father Mockenhaupt promises to be a regular attendant at our meetings. With our chaplain and Grand Knight from St. Gregory's, perhaps we will be getting some applications from that parish. Rumor hath it that Father Charles Burke, recently assigned to St. Jerome's, may transfer to our council. We would welcome him with open arms.

I received a card during the week from G. K. Al Irving from Door County, Wisconsin. Ed Kelly enjoyed his vacation at Lake Delavan, Wisconsin. Tony Swazdral is visiting friends in New York City.

Walter Nietschmann has promised to break par at the St. Jerome's Holy Name Society golf tournament on Aug. 27 at Sportsmen's Course.

Ed Roche, Al Weimeskirch, Ed Holden, Dr. Schuler, Judge Griffin, Harold Borchardt, the brothers Fitzgerald, Enos Hamer and your scribe are some of the other Columbus Council men who will be competing for the grand prizes that day.

AUBURN PARK BOOKS BUSY FALL SCHEDULE

2-4 Thurs. . . . . 7740 Emerald Ave.

At the meeting on last Thursday night, which was the only Council meeting to be held during the month of August, our Grand Knight Harry J. Cox called upon our Deputy Grand Knight John Coughlin to handle the council meeting. This was the first time Brother Coughlin handled the gavel, and he did so in a most creditable manner, and while he was heckled somewhat by the membership through the course of the meeting he carried on most nobly.

Effective with September we will revert to two regular meetings a month on the second and fourth Thursday, the next meeting being held on Thursday evening, September 11, to start the fall and winter season.

BOWLING ACTIVITIES

John Coughlin, Chairman of the Bowling Committee stated the committee was endeavoring to make arrangements with the Highland Recreation Alleys, 79th St. just west of Racine Ave., for a reservation for a night for our newly organized bowling league. He will report later as to complete details. It was suggested at the last meeting that each of the members who contemplate bowling post a guarantee with the Bowling League Treasurer of $5.00 per person in advance, so as to take care of their expenses should they be unable to be present any evening for bowling. A necessary form will be drawn up along this line and mailed. In this manner the council will not be held liable for any expense incurred.

A meeting will be called right after Labor Day of all those who signified a willingness to bowl and full details will be outlined. There is still room for any more of the members who care to participate in this winter pastime. Let's support this movement for Auburn Park.

SUMMER FROLIC AT THE SHELTER

A reservation has been made with the Commissioners of Cook County for the evening of September 12 for the Shelter House located in the Forest Preserve just north of 87th St. and about a block east of Western Ave., for another frolic. It being decided that the party held here during June was such a big hit with the membership that another date be reserved before the fall season.

Tickets have been mailed to the membership, each member receiving two tickets and you are asked to dispose of these among your friends and purchase your tickets at the door the night of the party. The prices are: Ladies 50c and gentlemen $1.00 or $1.50 per couple. There will be cards, dancing and refreshments as well as attractive gifts.

After the party in June there were some complaints that some of the guests had difficulty in locating this shelter in the Forest Preserves. Should you drive on this occasion go to 87th and Western Ave., turn right into the Forest Preserve and park your car and you will find a stairway that will lead you right down the hill to the door. Or if you prefer turn off Western Ave. at 85th St. to the east about two blocks and park your car at the end of the ball field at the north end of the Forest Preserve. This house is located just east of the ski slide, north of 87th St. at the foot of the hill. Hope everyone keeps these directions in mind and has no difficulty locating the scene of activity. Let's have a banner turnout. It has been decided to reward the members of the softball team for their efforts in behalf of the council during the playing season with the receipts of this affair.

SICK AND WAKE REPORT

During the past week the mother of Brother Arthur Ryan, an active member of our council, was called to her Eternal Reward, and while the notice was short a delegation of members attended the wake at James Quinlan's Chapel at 79th and Halsted Sts., accompanied by our Chaplain, Rev. Father Devereaux, who offered up prayers for the repose of her soul. We extend to Brother Ryan and the bereaved members of his family our deepest sympathy. May Her Soul Rest in Peace.

N. Y. DE PAUL MEMBERS SPEND $13,654 ON POOR

New York. — Expenditures totaling moer than $13,654 for poor relief in the quarter ending July 1 were reported at the general meeting of the St. Vincent de Paul Particular council held following a Communion Mass at the Lady chapel of St. Patrick's Cathedral. The council care for 735 families and spent $4.706 to maintain the convalescent home at Spring Valley, N. Y.

Catholic Education

During the next few days and for the next few weeks thereafter, Catholic schools, colleges and other educational institutions will open their doors to over three million students. A study of this figure will define the faith of the average Catholic parent of this country and tell of his recognition of the moral obligation to protect the faith that is his child's most valuable heritage.

Last week, our Archbishop, His Excellency the Most Rev. Samuel A. Stritch, in a message addressed to every parishioner in this archdiocese, extolled the virtues of Catholic education and reminded all Catholic parents that the law of the Church insists on a Catholic school where one is available as they are—and with incomparable excellence—here in Chicago.

It happens, Archbishop Stritch said, "that some parents, forgetful of their responsibility, blind to their dignity, actually do try to rear their Catholic children with the aid of the secular school. To these parents we appeal and beg them to take thought with themselves and to understand that they must give an account to God for the souls of their children. Let them in the spirit of true Catholic parenthood be true to their children and supplement good Christian home training with Catholic school education! We beg them not to be confused by much that is written by superficial minds about education. We know that there are myopic minds which limit the purpose of the school to preparation for life here on earth. Indeed we give to preparation for living here a great emphasis in our schools for it is in this life that the child must merit through Christ eternal salvation but we do not limit the scope of our schools to this world any more than we limit the function of parenthood to the mere propagation of the race on earth. In the wisdom of the Cross of Christ let Catholic parents even at a sacrifice choose Catholic schools for their children!"

That America, and especially our own city, is well equipped with exemplary Catholic institutions is a truth that leaves little excuse for the Catholic parent who fails to take advantage of their opportunity. The fall of proud kingdoms abroad is echoed by the closing doors of the Catholic schools there for the war-monger at the head of the conquering horde knows well that if he is to defeat and subject he must rule God out of the mind of his citizens and instill instead the mis-begotten dogma of his own creed.

Catholic parents should be the first to realize that by denying their child the right to Catholic education they are setting in motion the trickle of materialism that if grown to full strength would eventually result in a flood tide that would wipe away the very foundations of the nation we love so well, for no country without God can long endure nor can any individual denying God, hope to live.

REPORT 1,000 PRIESTS DIE IN PRISON IN NAZI OCCUPATION OF POLAND

London.—Three hundred priests have been shot and about 1,000 have died in prison during the Nazi occupation of Poland, it is stated here by the Polish Ministry of Information.

The Polish Ministry of Information says that altogether about 2,700 priests have been imprisoned and that the 1,400 now left in prison are in concentration camps at Dachau, Oranienburg, Oswiecim and the stone quarries of Austria.

The Germans are using the shortage of clergy as a pretext for closing churches, the report says. Three churches have been closed recently in Lodz, but services are allowed on Sunday mornings between 7 and 11. No collections may be taken and the priests are obliged to wear lay dress.

The same source says the Bishop of Lodz, the Most Rev. Wlodzimierz Jasinski, and his Auxiliary, the Most Rev. Kazimierz Romczak, together with five canons of the chapter have been arrested. The arrests were so sudden that no Vicar General has been appointed.

Damen Golf Tourney or 'Day in Country' Ready for Sept. 7th

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The golf committee, after months of diligent study, presents "One Day in the Country," a sure-fire playlet in three acts with numerous scenes and guaranteed to satisfy both young and old. The entire performance will take place Sunday, Sept. 7, at the White Pines Country Club located on Grand Ave. one-half mile west of York Road. Lacking only the players, they sincerely hope will be present in large numbers to make this affair a huge social success, we present a preview of the day's activities.

Act I—The golf course, where Damenites, ladies and guests will vie for champion honors and special prizes.

Act II—The clubhouse lawn and orchard, where cards, barnyard golf and a softball game will be hotly contested events for prizes. Who is Damen's horseshoe champion? Oh yeah!! Come out and prove it, brother.

Act III—The dining room, where a delicious country fried chicken dinner will be served followed by distribution of prizes to the lucky winners. Dancing, entertainment and special refreshments.

The entire cost per person will be $1.50 for golf and $1.25 for dinner. No reservations are necessary. Just drive out early and enjoy a day with Mother Nature. You can pack a picnic basket and dine in the open if you so desire. The ladies are invited to participate in the events of the day and all present will receive a gift as a remembrance of the occasion.

President Ray McJohn reports that the council league will bowl this season on the first eight alleys on the second floor of the Cascade Bowling Center, 3825 W. Madison St. Firing will begin the first Tuesday in October at 8:30 p. m. All members wishing to join the "merry men" are requested to attend the special bowlers' meeting to be held in September.

The council extends its sympathies to Bro. "Bud" Kerwin whose sister passed away last week. Also Bro. Jack Lee, whose aunt, Mrs. Doyle, was buried last Friday. May their souls and all the souls of the faithful departed rest in peace.

News Bits: Among the "boys in khaki" is a new recruit, Bro. Joe Creighton. Best of luck, Joe.

Bro. Henry Foster traveled all the way from his Michigan summer retreat to be present at the last council. Nice goin', Henry. Hope to see you again soon.

Bro. William Bergman was also present at the meeting. Good to see you up and around again, Bill.

Bro. John Gorman's mother has been seriously ill at St. Ann's Hospital but latest reports indicate a complete recovery soon.

Fr. O'Connor Launches Membership Drive in Hope of New Record

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Our new membership chairman, "Tex" Williams, is planning a membership drive which he hopes will surpass all previous records of the council. With his enthusiasm and the cooperation offered him at the last meeting, we believe that he will accomplish his goal. He will delve into further detail on this at the next meeting, so a large turnout is anticipated.

Walter Kelly applied for a pair of Uncle Sam's wings and has been accepted. He will start training the early part of September. Walter has been one of the most active and well liked members of the council. For the past several years he has held many offices and has been capably handling the job of scribe besides (your new scribe wishes he were still handling it). He will be missed during the next three years. Lots of luck and happy landings, Walter.

SOFTBALL: Well, well, look at this. Our boys wound up the season with a win. "Battlin' " McGuire pitched and hit his team to victory over a clever fielding St. Paul of the Cross team.

BOWLING: With plans all set and applications coming in fast, President Ed Cummings urges all who wish to join the league to do so soon or he may find the league filled up. You do not have to be a star bowler to join, so why not go in for the fun and healthful recreation offered.

SNOOPS AND SCOOPS

Paul McGuire, we understand, took unto himself a wife. This happened Aug. 16. When, where and who the young lady is we will have to find out later. We hope Paul will supply the info at the next meeting. Fr. Phalen attended our last meeting and enjoyed it very much. After listening to some stories told by Gus Smith and a few others, he announced that he would gladly hear confessions right after the meeting for anyone whose conscience bothered him.

Dick Navin and Walter Kelly took a short vacation in Minnesota, and being air-minded, they flew home. Bill King's absence was conspicuous at the meeting. He is enjoying a vacation away from Chicagoland. Our chaplain, Father Rausch, will be back soon to tell us about his trip through the west. Many of the younger members in our council are holding offices; among them are Bros. Bill McCarthy, Ed Wilson, Tex Williams, Harry Browne and Jack McGuire. We should have lots of activity from this new energy.

HELP: It takes but a few minutes to read these notes, but it takes hours to write them. Any information will be greatly appreciated. I'll be seeing you at the next meeting. You will find me sitting under a big sign marked "Information, Please."

Farmer's Son Called To War; Nuns Help Harvest His Hay Crop

London.—Franciscan Missionaries of Mary at Cold Ash, Berkshire, harvested the hay crop in the convent grounds.

Then they offered their services to a local farmer whose son has been called away to war. Their offer was gratefully accepted, and the nuns are loading the trucks and driving the harvest to the hay ricks.

IADONNA TO SPONSOR CARNIVAL SEPT. 12-21

1 Fri.....4624 Emerald Ave.

(We can slip you the dirt now, Mert. donna's mammoth, mystifying, mean- ring, mouthy carnival opens on Friday, pt. 12, in Gilhooly's grove at 47th and dsted Sts. Tom Carmody and Eddie an have been working diligently for e past couple of weeks ironing out vels, shirts and other details concern- r the stupendous affair.

Basically, it'll be laid out according to nventional carnival plans, with a couple silver-plated, 18-karat ideas which the ys are tenderly nurturing. One pro- ies for a canopy over the game depart- nt, where you can meet Aunt Maggie d the kids under bench number twelve. y should we care?

ANOTHER

l be a miniature track with ponies d should throw adults into a spasm delight). Rides will be free on the pay- nt of five cents per ride for the midget ses' oil and water changes. Smack the middle of this miniature Mardi as will be a style show, and the crown- of a queen of something or other m either didn't give out with this or didn't catch it right). In any event will find that Madonna can also serve dog sandwiches (that, we know, is leep one).

he co-chairmen also advise that they sick and tired of the monotonous ac- n of the ferris wheel and merry-go- nd. The boys are going to reverse m this year by turning them on their es. This will prevent lordosis of the e, besides providing a thrill for the rs. Concessioner Johnny Doolin has mised to slip in the latest swing music the merry-go-round. The latest, we eve, is the Battle Hymn of the Re- blic-ans—"Where Are Those Jobs We re Promised?"

ll we gotta say is that you'd better w up at Gilhooly's grove between t. 12 and 21 if you want some fun and ps, we almost forgot something im- tant. Ve vant voikers! Ve vant voik- s! Ve vant voikers! (That Tipperary ng gets the better of us now and n.)

COMIN' UP

the softball finals under the lights at wbridge Field, 74th and Morgan Sts, rting, we believe, on Sept. 15 and con- ing to the exhausted end. The games uld be hooperdos. Madonna's contin- t will enter the fray as second-place n in the section, and we have our ers, toes and eyes crossed, just in e.

you'll give a gander to the sports ion of this week's Columbian (H. F. Chateau, Editor and Manager), you'll bably see the lineup—we hope.

ight after the carnival the bowling ue will burgeon forth in all its glory adhesive tape. Its officers—James Mirath, Frank Jackson and Ed Lee— all full of pep (we fooled you!) and ility, crunching on vitamin B-1½ or tever it is that makes good bowlers er.

NEXT MEETING

u been moved up a week on account the carnival, hence we will convene next Friday night, Sept. 5, at 8:15 ock. No doubt the carnival will oc- y the prominent spot in the proceed- s. [Have you fellows noticed, too, that little Mutter's Man hasn't missed a dle when or where lately? We bet ty is glad.—Ed.]

OUR CONGRATS

to Bro. Ed Barry and Miss Eileen Grady announced their engagement just re- ly. (This is official, Ed). It begins to look like all our eligible bachelors are be- ing ineligible.

nd to Art Regal, who just cracked a bottle of champagne on his new home in Auburn Park. No wonder we haven't seen him around lately. Our star salesman is going to have to talk fast next spring to keep the weeds out of the lawn.

[This would have been a nice place to put a "congrat" to The Columbian, only local paper that gives a darn about all the Knights of Columbus (even including Donegan) on its 35th birthday last week. After hiding all week for fear the mail- man would bring a couple more "bucks" —those of unhappy memory—we didn't even get a comic valentine from our little friend. Our feelings aren't hurt but we wonder if the Bard of Emerald Avenue is reforming or if he is just afraid of what we've uncovered in our search through his past. We won't tell Daisy, at least not yet.—Ed.]

We regret to announce the death of the mother of Bro. Joe Buckley, an oldtime Madonna knight and prominent south side realtor. Please remember her in your prayers.

La Rabida Mourns at Passing of Veteran Member J. Gibbons

2-4 Tues. . . . . 6236 Princeton Ave.

Brother Jarlath Gibbons, for thirty years an active member of La Rabida, passed to his eternal reward after a long illness at his home on August 14. G. K. John Farrell led a large delegation to Con Kelly's chapel, where our last re- spects were paid to our departed brother. Funeral services were held on Monday, Aug. 18, at St. Bernard's Church. Burial was at Calvary Cemetery.

Bro. Gibbons, who was a Fourth Degree member, was for many years an active member of the council. However, for the past eight years, due to failing health, his attendance was somewhat curtailed. He is survived by his wife, Anna Gibbons. The officers and members express their sympathy to her in her hour of sorrow.

BOWLERS, ATTENTION!

With Labor Day and the end of sum- mer close at hand, we look forward to our indoor fall and winter entertainment. To this end Bro. Harry Dion, who is chairman of the council's bowling league, is desirous of learning the names of all those who intend to bowl this season. Bro. Dion reports that he is already as- sured of four teams and is looking for- ward to a splendid season. The council will again bowl at Legion Alleys, 76th St. and Cottage Grove Ave., and should you desire to take part in this activity, please phone Bro. Dion at Radcliffe 3456.

HERE AND THERE

Bro. Basil Giaretta is reported recov- ered from his recent illness and is back at his daily occupation. Bro. Walter Dion is the proud daddy of a baby girl born at Lewis Memorial Hospital on Aug. 22. Mother and baby are doing nicely, Daddy? Well, I guess he will recover, too!

SOFTBALL FINALS: The softball finals this year will again be held at Shewbridge Field, 74th and Aberdeen Sts., on the evenings of Sept. 15, 16, 17 and 18. This will afford the membership a splen- did opportunity to see softball at its best. Some of the outstanding softball players in Chicago will participate in these games. Three games will be played each evening. Make arrangements to be present for at least one evening's session. Admission is 30c.

CALUMET GOLF MEET EARNS HIGH RATING

2-4 Mon. . . . . 6648 Stony Island

Everyone that attended the golf tour- nament hopes that the next one will not be far off. Everyone had the time of their lives. From nine in the morn- ing to the wee hours of the night things moved along fast and after the broken clubs were picked up, the lost balls forgotten, and the moaning stopped, the short pencil winners were: low gross first prize, to Jack Walsh; second low gross, P.G.K. Jim Grant, and third low gross to the man who got out there early and played the wrong course, Jim Shinners.

First low net prize went to the man with the caddy, Bernard Gartland. Sec- ond low net prize went to the man with the typewriter, Joe Lamb (honest it did). Third low net went to Al Munno and fourth low net went to digger J. McDowell. Bob Murphy had low gross for the guests followed by Joe Chief. Low net prize for the guests went to Jim Calvano. By the way, it was the third time Calvano ever played so it just goes to show, you don't have to be Hogan or Snead to win prizes at our tournaments. The woman's prize was won by Mrs. Gartland who shot a very nice game.

After the golf was over the turkey was served. The dinner was so good that the orchestra played five num- bers before anyone could get up and dance. We certainly have to compli- ment Jim Grant on the orchestra he ar- ranged. G.K. Ty Hyland and the wife showed everyone how to waltz, Joe Kale and the wife showed everyone how to rhumba, and our financial sec- retary Walter Popjoy showed everyone how to do a dance that was the first time we ever saw anything like it and I'm safe to say the last time. All in all a very good time was had by all. Make it your business not to miss the next one.

CHAPTER CHARITY BALL

Calumet has pledged itself to take a leading part in the promotion of the Chapter-sponsored Charity Ball to be held on Columbus Day eve, Saturday, October 11, at the Palmer House in ben- efit of the local N.C.C.S. soldier and sailor's recreation center at 1122 S. Wabash Ave. The center, opened unof- ficially Monday morning, is under the direction of Fr. O'Connor and his staff and is intended as a place where sol- diers and sailors, on leave or passing through Chicago, may spend their time in a clean and wholesome atmosphere.

The Knights of Columbus have taken the leading part in establishing these centers all over the nation. Here in Chicago, all council effort will be united in promotion of the Charity Ball, the proceeds of which will provide funds for furnishings and fixtures nec- essary for the proper operation of the social center. Calumet members are asked to wholeheartedly subscribe to Patron's tickets for the party at $5.00 the couple or to general admission tickets at $1.00 the person. The Pa- tron's tickets include special listing in all of the Ball's promotional literature.

FROM FAR AND NEAR

We just received a letter from Bro. Mariano V. del Rosario well known to our bowlers of a few years ago. He is now located at Iloilo, Philippine Islands and sends his regards to all of his old friends.

Another report has been received from P.G.K. Wilf. Byrne from Ephraim, Wis., where he is vacationing with his family. He reports that he sighted Brother Norm Beamish up there sur- rounded by a bevy of beautiful girls.

P.G.K. Bill Birmingham will be leav- ing our midst for a couple months while making a business trip to the west coast. No doubt he will find time to drop off at Tucson for a visit with his family.

Brothers Bill Hearne and Joe Pavesich have been spending most of the summer out at Tom Walsh's West- gate Valley Country Club. Bro. Joe Bamberger of So. Wabash Ave., sends his cordial greetings to the officers and members.

Bro. John Tierney and the wife are attending the Supreme Convention at Atlantic City. They say they are hav- ing a good time and wish we could all be with them. We saw Bro. Pete Shan- non walking pretty fast down in the loop today and he loked very well. We received a letter from Bro. Flynn from Westford, Conn. Any of you brothers who are out near the Little Company of Mary Hospital stop in at room 402 and say hello to Bro. Thomas J. Dillon.

We now know that it wasn't at all necessary for Columbus to break the shell in order to make an egg stand on its end. All one has to do is to shake the egg vigorously until the yolk is broken and the egg will stand on its end perfectly balanced.

St. Rita Registers 16 Teams in Council Bowling Tournament

1-3 Thurs.....6048 S. Fairfield Ave.

John Lehner, chairman of our bowling league and last year's individual champ, reports that more than 40 members have already registered for the 1941-42 season. As that figure represents more than half of the sixteen teams which will roll this year, you can see that you had better submit your name to John immediately if you want to do your bit on the drives.

As in previous years, we will roll at Western Recreation at 63rd St. and Western Ave. The season will open at 9:30 p. m. Friday, Sept. 12. We will bowl every Friday thereafter at that time excepting the Fridays after Christmas and New Year, and Good Friday. The sixteen teams will meet each other twice for a total of 90 games over 30 nights.

According to present plans, rules as to handicaps, eligibility, distribution of prize money and other matters will be practically the same as in other years. Some few minor changes will be made to members of the league at the keglers' next meeting, which has been tentatively set for a week from this Monday, Sept. 8. Be sure and attend.

All members wishing to bowl, who as yet have not registered, should get in touch with Secretary Lehner at 6242 S. Fairfield Ave., Rep. 0285.

DON'T FORGET

The 2034 Club's annual picnic, to be held Sunday, Sept. 21, at the Log Cabin, Pioneer Grove, at 107th St., just a quarter mile west of Kean Ave. Admission is $1 per family, which includes refreshments and entertainment. Connie O'Sullivan is chairman of the outing. He and John McGowan, president of our fourth degree organization, plan on visiting the grove some time next week in conjunction with their preparations for the picnic.

Our last golf tournament of the season to be held Sunday, Sept. 28, at Kinsman's Country Club. Don't let this chilly spell lead you to put away your clubs for the year; the weatherman reports late September weather should be fine for the old Scotch game. Chairman of Athletics Bruno Fracassi urges all members to give him their support in making the tournament the finest of the season.

THINGUMBOBS

Our next regular meeting will be held Sept. 4. Lecturer Harold Hilbert plans a fine program for the evening. . . . Have you brought in a new member since you have been associated with St. Rita Council? Why not? . . . Tickets for the charity ball to be held at the Palmer House on Saturday evening, Oct. 11, may be obtained from GK Ted Lee.

[Harold Hilbert, ace stoker salesman, you may note, is not only a good St. Rita member but a good Columbian advertiser—which is important, too. If you're in the stoker market, be Columbian "ad-vised." Need we say more? Thanks.—ED.]

McHale to Summarize Coming Activities at Meeting Next Tuesday

1-3 Tues. . . . . 150 W. 69th St.

As stated in this column last week, our next meeting will be Tuesday evening, Sept. 2. G. K. Kelly would like to see a large number of our members in attendance, for at this meeting he will make several announcements concerning his program for the coming year.

Perhaps it's a little early to mention Columbus Day, but I thought you should know that P. G. K. Tom Mulroy is chairman of our council's U. S. O. committee, and as such will be in charge of the tickets for this year's Chicago Chapter Charity Ball and card party which will be held at the Palmer House, Saturday, Oct. 11.

There is a special reason why our members should support this undertaking. It is because the proceeds are to be donated to the archdiocese unit of the National Catholic Community Service and used to provide furniture and equipment for the soldiers' and sailors' recreation center at 1122 S. Wabash avenue.

Make up your mind to go to this great party and buy your tickets from Tom.

HERE AND THERE: Bro. Fred Berta and daughter, Margaret, are spending their vacation in Colorado. . . . Bro. Frank Mulroy and Miss Eileen Boland were married last Saturday morning at St. Theodore's Church. . . . I have been asked a number of times to state the name of the company of G. K. John Kelly. It's the Commonwealth Appliance Co., dealers in washing machines, electric refrigerators, etc.

Social Encyclicals Lauded by Angelican Prelate in Broadcast

In the first of four talks with which the B.B.C. is marking the golden jubilee of the encyclical Rerum Novarum and the tenth anniversary of Quadragesimo Anno, the Archbishop of York (Angelican) spoke of "these two great pronouncements for which all Christians should be grateful."

The Archbishop surveyed Christian teaching on the nature, rights and duties of property, and gave this statement of his conception of "the fundamental elements in the Christian tradition of social doctrine":

"(1) Property is necessary to fullness of personal life, and this is its justification; (2) But the life of every individual is within the fellowship of the community, so that property divorced from all social function or service forfeits that justification; (3) The mere lending of money should not be a means of acquiring control over another man or his activities, and the interest payable, if any, should be proportioned to the service rendered, not to the relative strength and weakness of the parties to the transaction; (4) Commerce should be an exchange at fair prices for the benefit of both parties and of the community generally—not a rivalry in which each seeks to buy cheap and sell dear."

Oak Park Committees Assure Picnic Will Be Outstanding Hit

2-4 Mon. . . . . 641 S. Scoville

There is considerable activity around Stiel's Tailor Shop these days while the boss takes time out to discuss the picnic. Tom is the dynamo behind this affair and all of the committees are working hard to cooperate with him.

If you have sold your picnic tickets, please send the proceeds to Joe Kamin at 11 W. Harrison St. (Suburban Tire and Battery Shop). Joe is there until 8:30 in the evenings so you have an opportunity to stroll over with the returns.

The date of the picnic, lest we forget, is Sunday, Sept. 7. The place is Maywood Grove, north of Lake St. just west of the river. This will be the biggest picnic in the history of the council. The committees for the affair are as follows: Ticket—J. Ensweiler, Tom Steil, L. Monohan, R. Rogers, Joe Kamin; Refreshment—John Kallal, P. M. Smith, Jr., John Koehler; Special Entertainment—Andy Pusateri, Dennis Crowley, Joe Cagney, Jack Tighe, John Cox, John Gearen, Jr., W. Gearen, Tom Graham, F. Ertel; Cards—Milt Frigon, Wm. Schaefer, Louis Eisenstein, Art Broenen, Lee O'Donnell.

Races—Ed Faltysek, Ed Breen, Joe O'Neill. Bob Carraher; Arrangements—Fred Hansen, Eugene L. Williams, James Wade; Reception—Fred Bonk, John Brennan, J. J. Maloney, John Moore, Peter Donlan; Lunch—Mrs. Bosley, Mrs. Baker, Mrs. Cox, Mrs. Koehler; Ball Game—O. L. McGinn, Ed. Bonk, Wm. Mor, Vic McDonald, F. Blair; Booths—Fr Holub, John Burns, L. Mullane Bohling; Umpires—Michael Ryan and thur Gedney; Publicity—T. McCarthy, Ericksen, W. Bosley, J. Doane.

Past Grand Knight Dennis J. Crow is proudly proclaiming to the world t he is Grandpa Crowley. In the far city of Denver, Colo., his daughter, M Ed Coughlin, gave birth to a baby on the 21st of August. To the pr parents we give our congratulations w the best of wishes for the youngster, and to the grandpa and grandma we j say, "We're happy with you."

The bowling league held its meeting Monday night and elected the follow officers: President, LeRoy O'Donn vice-president, Tom Steil; secretary, J Koehler; treasurer, Andrew J. Pusat Bowling will commence the week of S 14. The league will bowl at the cl house during the coming season. Th will be a very important meeting of the members who are interested in bo ing on next Thursday evening, Sept. at 8:15 in the clubhouse.

There was an announcement a cou of weeks ago of a Communion Sunday be held on the fifth Sunday of this mon However, due to the holiday arrangem it was found impractical to have a re lar Communion Sunday crowd so it v postponed until a later date.

Ravenswood to Start the Fall Season With Enthusiasm on Sept. 3

1-3 Wed. . . . . 1521 Wilson Ave.

Last Wednesday's meeting finished out the summer season, during which only one monthly meeting was held. The next regular meeting will be Wednesday evening, Sept. 3. Get the fall season at Ravenswood started right by joining the gang for a get-together at our club rooms.

During the past month the financial officers and the trustees completed the audit of our books. Trustee Farrow and Fin. Secy. Matt Blesius reported on the condition of the council. Although we have made very fine progress in money matters, we still haven't obtained the membership increase we hoped for.

Through hard work and careful supervision, our officers of the past few years have helped to build a sound financial foundation upon which a strong council could be built. Now it is up to us, the rank and file of Ravenswood knights, to build the structure upon the existing foundation.

This coming season our bowlers will again roll with Lourdes Holy Name Society. On the basis of the last two successful seasons that we have enjoyed with the Lourdes bowlers, all of our members who join in the fun this year are assured of a good time. All those interested are invited to contact Chairman Rogers, either at the next meeting or by telephoning him at Longbeach 0305. Naturally, Bro. Rogers hopes to have an increase in numbers over last year. Your scribe will make an effort to get a lot of dope from him for the next column. So far all that can be told is that the Clark-Wilson alleys will be used. Monday evening will again be the bowlers night out.

P. G. K. Morgan gave us a little talk on the K. of C.'s part in the N. C. C. S. drive for the U. S. O. He told of the plans for renewing the K. of C. Charity Ball, proceeds of which will go to the N. C. C. S. The ball will be held Saturday evening, Oct. 11, at the Palmer House. He asked that as many Ravenswooders as possible attend. He also hopes that many of us will be patrons of the affair. Why not get in touch with Charlie Morgan and make plans to attend? Bro. Morgan is also in charge of De Soto, Columbus, University, Chicago and Illinois Councils' drive. Dick Kenney is assisting Charlie in our council.

There's still talk of another golf tournament. But has the present champ, P. G. K. Morgan, had his name engraved on the cup yet? Better hurry or he may lose the cup before his name is put down for mortality. Treas. Bill Egert writes from Hayward, Wis., that he is having no luck with the fish and wishes he was back with the Hoylers.

Marquette Anxious to Bring Attendance for Next Meeting Up

1-3 Thurs. . . . . Devon and Ridge

Next Thursday, Sept. 4, is the date of our next meeting. This will be the start of the fall season and G. K. Hesse would like to see many of the so-called absent members in attendance. Our last meeting had a good turnout and Lecturer Henricks satisfied those present with fine refreshments and a movie thrown in for good measure.

Bro. Tom Carroll, manager of our council bowling league, hopes to hear this week-end from those members who wish to participate in this grand sport. You may call Tom any evening at Rav. 5647.

Warden Pettis and Bro. Robert Bagley, with their wives, will leave for San Francisco on Sept. 6. This covers their vacation and they will motor in Bro. Bagley's new Buick. They plan to be gone three weeks. We hope they enjoy themselves.

A card from the Wisconsin Dells advises Doc and Mrs. Ed Meyer are away for a few days' vacation.

Bro. Pat O'Donnell was in Springfield, Ill., recently as a delegate to the American Legion convention. Past Lecturer Tom Loftus has returned from Denver, where, with his wife and son, he spent his vacation. Tom says he is in excellent condition from mountain climbing and horseback riding. With a great deal of happiness we hear that Bro. James R. Grimes has fully recovered from his recent illness and is back at work.

"The C. Y. O. for the U. S. O." is the theme of the eleventh annual Catholic Youth Organization amateur boxing show to be held Sept. 17 in Soldier Field, featuring the champions of Hawaii versus the undefeated Chicago C. Y. O. team. William Larkin, executive director of the C. Y. O., announced this week that part of the proceeds of the championship bouts will be donated to the United Service Organization's fund to swell Chicago's quota to provide recreational facilities for America's rapidly expanding armed forces.

Tom O'Connell, boxing director of the C. Y. O., voiced the sentiment of the C. Y. O. boxers now working out daily at the C. Y. O. center with regard to the U. S. O.: "All of our boys are happy to be a part in aiding in the great work of our organization and the U. S. O. because many of them feel that they will be benefiting by the work of the U. S. O. when it comes their turn to answer the call of Uncle Sam."

Tickets for the Hawaiian bouts are already on sale at the C. Y. O. Center, 31 E. Congress St., and early ticket requests indicate that more than 40,000 fans will be present that night to watch Hawaii attempt to avenge last year's 8-3 defeat and stop the C. Y. O. boxers for the first time in their ten year history.

The ice on the river at Phidalephia was so thick in 1780 that on Feb. 22 of that year an ox was roasted on its surface with no danger to the crowd which had assembled to view the proceedings.

Quigley Invites Chicago Knights to Aug. 31 Picnic

1-3 Tues. . . . . 1035 W. 31st St.

HELLO KNIGHTS: On this coming Sunday, Aug. 31, Arch. Quigley Council will sponsor its annual picnic and outing at Sunset Park, Lemont, Ill. (Route 4-A).

If you drive, follow Route 4-A direct to the grove. Plenty of parking space. Or take the bus from in front of the Quigley Clubhouse, 1035 W. 31st St., two blocks west of Halsted St. Buses will leave for Sunset Park at 11 a.m.—noon—and 1 p. m. Returning at night from the grove beginning at six and every hour thereafter.

Fifty-two acres of beautiful, shady woods, completely enclosed by a 7-foot wire fence. The grove is a block off the highway, allowing for full freedom and safety. Bring the children and turn them loose. Refreshing air, free of dirt and smoke. Beautiful scenery, rolling hills and farms. You are right out in the country.

Bring basket lunches, there are plenty of tables—if you don't care to bring your own basket, provisions have been made to have hot sandwiches, ice cream, coffee, milk, etc. Large dance hall with an excellent floor. We guarantee A-1 music.

Public drinking fountains. Clean, sanitary lavatories. Good baseball diamond. Attendance awards. Swings for children. Horseshoe courts. Races and contests for every age with a beautiful assortment of prizes will all be yours.

How much! Admittance is free. Buses will cost 50c for adults and 25c for children for the round trip.

You will be sorry if you miss this trip. Come early, invite your friends and relatives. You must see this place to appreciate it. Meet your old friends, greet new ones. Attend Quigley's greatest get-together.

To ALL KNIGHTS OF CHICAGO: A cordial invitation is extended to you to attend Quigley's annual outing on August 31. Special provisions have been made for you. Come on out and enjoy yourself.

Ouilmette's Scribe in Another Pin-Slayers' Special Star Edition

2-4 Mon. . . . . 1215 Wilmette Ave.

Brother Norbert Miller, chairman of the bowling league, announces that the bowling teams have all been selected and captains appointed at a meeting called for that purpose by himself as chairman, and attended by Bro. Phil Hillinger, secretary, and Bro. Frank Ortegal, treasurer.

For the purpose of identification, until the sponsors have been definitely determined, each team has been given a number. Contrary to a general opinion, every captain and each and every member on the teams is requested to be sure to be present on the opening night, as all six men on each team will bowl on that night.

At the first meeting of the bowlers there was some discussion as to the order in which the sixth man would drop out, and several suggestions were made that the captains be the first ones to drop out, but this has been changed, at least for the first night, in order that each bowler will have an average from the very first night.

Another change in plans was necessary, in order that play would terminate at a reasonable hour. Bowling will begin at eight o'clock p. m. on opening night, instead of at nine, which wil be the regular starting time thereafter.

Since the next regular meeting will not be called to order before the opening night, Bro. Norbert Miller, chairman of the league, is using this method of informing all interested members of the personnel of their teams, as well as giving them an idea of what they will have to shoot at to come out on top. The following will be the teams for the 1941-42 bowling season:

No. 1—John Froelich, Captain; Fred Genster, Larry Schaefer, Pete Engels, Norbert Miller and Don Pearson.

No. 2—Peter Thalman, Captain; Paul Weiler, Mike Loutsch, Howard Kieffer, J. Versino and John Selzer.

No. 3—Ray Meier, Captain; Frank Meier, George E. White, Joe Schmitz, Joe Bleser and Art Thalman.

No. 4—Martin Braun, Captain; John Witten, Bob Braun, J. Holzheimer, Doc Phillips and Ed Bauer.

No. 5—Frank Schopen, Captain; Tom Troy, Art Meier, Tony Ludovice, Fred Ludovice and John Ludovice.

No. 6—Joe Lechner, Captain; A. Menghinelli, Tom O'Rourke, Al Schneider, Harry Sieren and Eddy May.

No. 7—Harold Steffens, Captain; J. Reding, Paul Bleser, Ed Hoffman, J. Zuetschel and Bob Steffens.

No. 8—Dick Murray, Captain; H. Schaefgen, Leo Gallo, Bud Steffens, Clarence Braun and John Bell.

No. 9—Andy Schwall, Captain; G. Mattioni, N. J. Miller, Jim Hoffman, J. Meyer and Frank Ortegel.

No. 10—Dick Miller, Captain; Ed Bleser, Edmund Schneider, G. H. White, Joe Hoffman and John Schneider.

We'll be see'in you all at Bleser's Bowling Alleys, NEXT THURSDAY NIGHT, at eight p. m. sharp, for a grand time. Let's make this the biggest opening night in the history of the league and this season the most enjoyable, the most interesting, and the best attended of all.

Newman Members Given Reports at Their Last Meeting

1-3 Thurs. . . . . St. Mary's Hall

The last meeting of Newman Council was held Thursday night at St. Mary's Hall. The meeting was very well attended. Later we were entertained by a piano magician furnished through the courtesy of Herman Reichardt. After the entertainment we adjourned to the refectory where, through the courtesy of Bro. Joe Schaefer, we were served hot sandwiches and all the accessories.

Bro. Ed Atchison, one of the delegates to the Chicago Chapter, reported that at their last meeting they elected Bros. Joe Giannini, Geo. Schmidt, and Wm. Hosnacki life members of the Chicago Chapter in recognition of faithful service rendered.

Bro. Joe Schaefer gave a report on the newly formed Blood Donors Group of Newman Council. This is truly a charitable group, and in the near future Bro. Joe expects to have at least 90 per cent of Newman's brothers typed.

Bro. Dennis O'Mahoney reported that Newman's Glee Club would again see action as soon as Professor Gregory Konold returned from California.

Bro. Clifford Dalton reported on the slow ball pitching softball team and reported he and the other nine men were real hot.

Bro. Edw. Coursey reported on the recent golf tournament and said 70 brothers played golf and 93 attended dinner in the evening. It was a complete success. Bro. Sackrider (whom all were glad to see) drove in from Techny and pleaded with the brothers to save their old clothes and drop him a line and he would have some one pick them up. These clothes are made over at Techny and sent to their different missions.

A telegram was read from our delegate to the National Convention; John J. Corcoran. Brother John sent greetings from Atlanta City.

After a few words from Capt. Ed. Mersch, Bernard Nellessen, Tim and Joe Jans, John Vose, Mart Corcoran, Slim Manning and Joe Flinn the meeting was adjourned to the third Thursday in September.

It is now Monday, 9 p. m. and your scribe is going to adjourn to Boltwood Field to see for himself what kind of a softball team Newman really has and how they will act against the Holy Name team from Des Plaines.

Brothers, it is now 10:45 p. m. and I am home again. The final score was Des Plaines Holy Name 12, Newman 6. There were many brothers on hand rooting for Newman but to no avail. Des Plaines scored six runs in the first inning off the pitching of Bro. Dalton.

Bro. Geo. Hebson sprained an ankle trying to catch a fly ball in left field. Roger Kilby fell down running to first base. Bro. Sackrider is trying to arrange a game with the men at Techny and Clifford's team some Sunday afternoon.

AROUND TOWN

Bro. Jack Kinsella took Bro. Chas. Steigelman for a ride to Grass Lake last Friday. Bro. Charlie is recuperating nicely from the accident he had recently.

Bro. Tom McIllwee and family are vacationing in Wisconsin.

Bro. DeServi and parents intend to leave Saturday for a month's vacation in California.

Bro. Ray Watson has been named for a Carnegie medal due to his bravery and thoughtfulness at a recent automobile collision near Antioch.

Bro. John Doyle's son-in-law, Bro. Luby, attended the last meeting but where was his father-in-law?

Bro. Joe Jans and Charlie Byrnes are interested in the soft ball game between Fort Sheridan and the Great Lakes team at Boltwood Field, Monday night, Sept. 8, at 9 p. m. This game is being sponsored by the Evanston Post of the American Legion. It will be known as "Military Night." Features of the evening will be the bands from Fort Sheridan, three drum and bugle corps, majorettes (oh boy). What a show for 25 cents. Procure your tickets from Joe Jans or Charlie Byrnes. They both have phones.

Now, my good friends, with the approval of the above items by our Past Grand Knight Louis A. Bisson, I will sign over to Bro. George Hebson, who will be your scribe for the next several weeks. I enjoyed being your scribe for the past four weeks but not as much as I did watching some of the members trying to play ball tonight. So long, folks.

Weber Bowlers Will Start 1941-42 Wars in Next Few Weeks

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Only a couple of weeks more and the 1941-42 Bowling season will be officially in full swing. From what I have heard the chairman is working hard to put the bowling league over, but how in thunderation can he do it alone? Where are you so-called athletes? The bowling league not only offers you a chance to get a little exercise, but it also is a big boost for our council. We want a large membership; well, why be asleep on the job? A good bunch of bowlers certainly will spread the name of Weber Council far and wide. If your name is not among the bowlers as yet see to it that it gets there within the next week or so.

Brother John Trzos has informed me that Sunday, September 14, will be Holy Communion Day for the Weber Knights. Here's looking forward to seeing a 100 per cent attendance from the Brother Knights and our Sir Knights in full regalia.

ACTIVITIES

Just a line to let you know that it looks like the baseball dance will be a whoopedoo. Reserve the night of September 20 for this affair. Tickets 40c from any member of the team. The place is the Hamlin Hall at 57th and Hamlin Ave.

On September 21 we have that whizbang Golf Tournament sponsored by the Weber Fours. If you're looking f a lot of fun and thrill-packed excit ment be at the Southmoor Country Cl on that day. Tickets, $2.50, inclu everything but the club itself. I ha pened to pick up a little item whic think will cause many of you golf to stop and think. We shall see, here goes.

"WHAT ABOUT THE CADDIE?"

"As you finished with him yesterd afternoon—did he say to himself th is a real man—a man I want to like—a clean winner—or a good los

"And did you ever think of aski the lad about himself—his home—people—what he expected to do—a how you could help him? Do you e drive him home and get acquaint with him? And it may be that wh he is forty he'll look back and s there was the man who got me star right—and that will be the great golf trophy you ever won."

FINANCIAL SECRETARY John W tel would like to see some of y Brothers, but not alone. He's more terested in your dues.

Well, what's the idea leaving stranded without any news? O de where is thy sting? This can't go forever. Someone once said "My Kin dom for a horse," but the Wel scribe says "How about some news 4343 S. Drake Ave., Laf. 5822.

St. Paul Has Varied and Good Program Planned for Sept. 2

1-3 Tues. . . . . 6713 Olmsted Ave.

This is the last announcement concerning the meeting next Tuesday, Sept. 2. And we hope that it will suffice to bring you to the first fall meeting of the year. First of all, the speaker of the evening, Fr. Wm. Westoven, is outstanding in the field of his endeavors. He speaks from practical experiences and the knowledge of the peoples and places depicted in the movies that he will exhibit. You may never have the opportunity to hear him again or to see pictures with such Catholic interest. So why not make it a date for next Tuesday, Sept. 2. In so doing let's all give our new lecturer, Joe McDowell, a swell sendoff.

We fully anticipated having the final dope on the fall golf tournament for this week's column but we are sorry to have to report that final arrangements will not be made until after this memo will be on its way to the printers. This is another reason why you should attend the meeting next Tuesday, as it will be announced at that time and you can indicate to the tournament committee, chairmaned by P. G. K. Henry Blim, that you will attend this fall golf outing "with bells on." We think that the committee is hashing up something new, which is the reason for the delayed announcement of the details.

Wm. Brunkhorst, who is now up and about and quite able to speak for himself again, phoned to say that I had better get something in the column about the council bowlers. What, with being sick abed, etc., he was a little slow in making any announcements about getting the bowlers together. We know Bill and we also know the council keglers. It's like we told Bill: "Why, you needn't worry; you just know those boys will be up there on any night you say is the opener." Of course, Bill is fretting over the loss of a few of our regular members to the defense program, or should we say selective draft.

Well, the long and short of it all is that Bill asked me to tell you fellows to come up to the next meeting, Sept. 2, and then and there he will get the ball a'rollin' for the start of the season, which, tentatively, he has set for Thursday evening, Sept. 11, at Schneider's Hall in Edison Park, the scene of the bowlers' trials and tribulations, joys and sorrows, for the past several years. Now, we don't mean to slight the chairman of the committee, Wm. Krien, who has had old man trouble on his heels in an unfortunate accident. But Bill Krien will be on the job next Tuesday and outline the plans for the bowlers.

Both these men are "Bill" to the boys, and what Bill Brunkhorst is doing is to pinch-bowl for Bill Krien, and all in all it means the same from either one of them; that is a plea for the bowlers to come to the meeting and sign up so that the committee can really get to work on their problems. Can you do less under the circumstances? If you cannot possibly come to the meeting, then phone Brunkhorst at Newc. 4282 or Krien at P. R. 619R and register.

Well, as I see it, that makes three good reasons why you should attend the first September meeting, which will be the day after Labor Day—next Tuesday. You just can't afford not to hear Fr. William (Bill) Westhoven and see his China pictures; neither should you disappoint P. G. K. Henry Blim, chairman of the golfing committee, and the two Bills—Krien and Brunkhorst—chairman and secretary, respectively, of the council bowlers. Adios! until next Tuesday.

Barry 'Round-Up' Holds Center of Council Interest

1-3 Tues. . . 2856 Washington Blvd.

As we mentioned in this column last week, the Barry Round-Up, the annual affair at the Commodore Barry Country Club, will be held on Saturday and Sunday, Sept. 13-14. This is the last affair of the season, and being so, should end it in a blaze of glory. Remember there will be two days of fun and golf, and at this event the club tries to decide a council champion. I can speak with more or less authority on the merits of the golf course, having played some of the more difficult courses in the Chicagoland area, and I can truthfully say that this course will bring out the best that is in you or your score will look like a duffer's. This course may look easy, but I assure you that it is tricky and calls for some real skill in order to bring in a satisfactory score. Now don't forget, folks, Saturday and Sunday, Sept. 13 and 14.

BOWLERS' OPENER

The following is the story and highlights of the special match held at the Barry clubhouse last Tuesday, Aug. 19, after our regular meeting. First of all, a record crowd was out for the meeting in spite of the weather. The match was made up of the Barry Majors, who played the Barry Champions. The Barry Majors were made up of the following: 150-166. Frank Soldat; 155-202, Frank Lane; 139-178, Frank Kucera; 172-174, Joe Burke; 204-212, Bones Boyle. Total, 820-932. These players were pitted against the Barry Champions, made up of: 147-136, Joe Kurtz; 141-146, Dan Keating; 138-122, Dom. Masciola; 127-141, Ed Kurtz; 171-195, Chas. Svoma. Total, 724-740.

Chas. Svoma and Dan Keating, substituting for Council League champions, and while the council champions were honorably beaten, it probably was due to the large gallery which turned out to see the two-game match. The gallery was stationed along seats provided by our congenial John Love, all over alley No. 1 and throughout the back stage.

While I am not apologizing for the losers and know that they are better than the score indicates, I am sure that everybody learned a few pointers for our well recognized bowlers who have written much history for Barry Council. A pleasant smile was visible on the face of our athletic chairman, Johnny Chase, as well as on our bowling league president, Joe Minich, as a sure promise to him for his sixteen-team league. Of course, Bones Boyle's smile was clear around the back of his ears and we are justly proud of him for the swell job he has done managing the softball team, as well as for his bowling prowess.

Congratulations are in order to our new lecturer for the splendid arrangements for the evening, along with the generous assistance of Johnny Chase and Joe Minich, aided by the delicious hot beef sandwiches and amber fluid. Anyone taking in the affair will surely arrange to be at all future meetings. Come up, brothers; more good times are coming.

Our P.G.K. Mike Cunningham presented the championship golf trophies to the council and Grand Knight Barney Cunningham then in turn presented to Walter Crowe the Barry state championship trophy which he won competing against a really tough field. I sat watching these proceedings, and as Watler sat on the right of our Grand Knight, I was able to watch him closely, and truly, folks, he is a true champion. He just sat there and smiled in his friendly way and you just couldn't help liking him just looking at him.

We are very proud of Walter's accomplishment, but he said that—though he would like to—he couldn't guarantee to make this an annual affair. Manager Bones Boyle reported on softball and then introduced individually the members comprising his team known as Barry Squad. This ended the softball season, and for your information Lafayette beat us eight to seven. Hughes, the champions, and Lafayette, the runnerup, will represent the far west division in the championship finals. Our congratulations and best wishes to them.

36TH ANNIVERSARY DANCE

If you should enter the clubhouse any time now and see our Bill Kennelly running around as though he was training for a marathon, and several other members doing likewise, they are just getting ready for the greatest affair Barry has ever seen, THE 36TH ANNIVERSARY DANCE.

You have never seen such interest evinced nor such action as is carried on by the members of the various committees, and they are eccomplishing a lot, too. Since last week we have received ticket returns from Bros. Andy Greeley, Bill Kennelly, George Kells, Rocco Tarsitano, and Jim McNamara. We sincerely hope all the rest of the brothers will dispose of their tickets and make prompt returns to Financial Secretary Phil Cullen.

Now a word on the program. We are happy to report that seven ads are already in our hands, and about twenty more are promised; Shirly Conley is starting to deliver the goods. We would advise members that the rates for the ad program are set for $10 for a full page. Five dollars for a half page and $2.50 for a quarter page. The two inside front page covers and the two inside back page covers will be $15 per page. Back page cover $20. First come, first served.

There will also be a patrons' listing at $1, of which we are sure of a great response. You can phone your ad to the clubhouse, Nevada 0304, ar any one of the committee, who will do the cantacting if you have a lead. It's a big job made easy if all of you will give a hand.

BARRY ITEMS

Just received word that Bro. Johnny Tamburrino has gone up north for a rest. He says he will be in Green Bay until Sunday, Baraboo on Monday and then back to work. Have a swell time, John, you have done a lot of good constructive work for us and we know it has taken a lot of time and thought.

The athletic committee was empowered to enter a team in the West Side K. of C. League.

Bro. Mark Melancon made an appearance after a lengthy absence. Mark has been working on a night shift for some time.

Bro. Joe Crowley handed in an application at the meeting. LET'S GO on these applications; don't let the summer lull get you down. Bring your prospects and candidates down to the clubhouse. Show them they are really going to get something for their money. The clubhouse facilities are always available to the members. Where can you get what Barry has to offer its members at as low a price as your year's dues amount to. Bowling, pool, billiards, ping pong, badminton, etc. USE YOUR CLUBHOUSE.

It has just come to our ears that another of our members has also won a championship in the golf field. Bro. John (Robby) Robinson won the "B" Class championship in the finals at the Glen Eagles Country Club and will be awarded the trophy the sixth of September at the club's annual dinner dance.

Nazareth Extols Virtues of Good Old Vacation Time

2-4 Tues. . 17 W. Harris St., La Grange

Vacation! O, man! Ain't it swell to lie in bed every morning until you get good and darn ready to get up, all the time chortling with glee at the poor, down-trodden slaves of this industrial age of ours who are about their business at various places, The Western Electric and 188 W. Randolph St., for example. The foregoing are the thoughts of a certain indolent scribe these mornings. As we lie here daydreaming we hear a door open and cautiously peeking out of one partially open eye we discern the brunette head of Mrs. Scribe framed therein, and we hear that voice we know so well:

"Well, are you going to stay there all day. When do you suppose I am going to straighten out this room? Come on, out with you." The voice with the smile wins, so out we get, and after becoming fully awakened we realize that this is the day we get that article out for the Columbian. Shucks, we're going to start a movement to get two weeks vacation for scribes. With pay, of course. On second thought, we will include editors, too. (If you mean the editor's vacation, you won't have any more; if you mean his pay, you'll owe somebody something, and we ain't fooling!—Ed.)

Had occasion to call our G. K. on the phone the other evening on a matter of business. Mrs. G. K. answered the phone, and when we asked for the G. K., the replay came back: "He's up a tree." Of course, we could not resist the comeback: "What, again?" Sure enough, he was up a tree; he was picking peaches from that flourishing peach tree in the back yard. We hereby serve notice that we have first "dibs" on a peach pie.

LAST MEETING

Our last meeting was a live one as usual. Glad to see Stanley Hegberg on hand. Hadn't seen him for some time. Come oftener, Stan. Our Chaplain, Fr. O'Shea, was present also. We are always glad to see him at meetings. We realize that it is somewhat difficult for him to attend all meetings due to the fact that he has charge of the Novena services at St. Joseph Parish, Downers Grove, on Tuesday evening. Brothers Warner and White are still confined to hospitals and are doing as well as can be expected, although both are pretty sick men yet.

Ed. Bessler, who has done such sterling work in the field of blood donors, has again accepted the chairmanship of this committee. Father O'Shea gave us a fine and inspiring talk on the benefits of Catholic education at our last meeting, urging all who could possibly do so, even at a sacrifice, to send their children to Catholic institutions of higher learning. We think this is a timely topic and commend it to your earnest consideration now that the young people are about ready to return to school.

At this meeting also we accepted the transfer of A. R. Buller of Hollywood to our council. He is the father of Neil Buller who is well known in our bowling circles. Another subject which came before us was the purchase of missals and rosaries for our brothers who are now serving our country in several camps throughout the country. This matter entails some expense and the subject will be up for final decision at our next meeting.

In connection with those in the service we are advised that Brother Fred Deutschman's address is Headquarters, 11th C.A. Camp, Camp Callan, San Diego, Calif. R. J. Gits, Jr., son of Brother R. J. Gits of Riverside, is also in service. The address given us is Battery "B" 55 F A T N G B N Camp Roberts, Calif. These boys are a long way from home, so drop them a line. It will be appreciated. Incidentally when you do, why not enclose a couple of postage stamps? The cost to you is negligible but it means a lot to them.

The bowlers are getting underway for the coming season. It appears at this time that we are in for the biggest and most successful bowling season we have ever seen. The west end reports ten teams lined up. Haven't heard from the east end yet but feel sure that they, too, will come thru with a banner year.

We cannot close this week's stint without extending to the Columbian and its staff the sincere congratulations of the officers and members of Nazareth council on the occasion of the 35th anniversary of this estimable publication. May it continue to grow and spread the word of Columbianism farther and farther. (Thank you, sirs. Our success can only be a reflection of your own so more power to you, too!—Ed.)

Chicago Heights Urges Better Attendance at All Council Meetings

2-4 Mon. . . . . 1527 Otto Blvd.

In the last issue of The Columbian your scribe commented on the small attendance at our meetings. Several of our brothers informed me that the place where our meetings are held is not agreeable. Well, brothers, the place to discuss this is at our meetings. If my memory serves me right, action was taken on this some time ago and it was voted to remain where we are.

Staying away from our meetings and doings will not get us a place of our own. This is not a pleasant subject to write about, but The Columbian is about the best means we have of informing some of our members what your officers have to contend with.

SYMPATHY

The sincere sympathy of the council is extended to Bro. Anthony Weishaar, whose brother passed away last week. We pray that God will grant him eternal rest.

Latest reports from Father Anderson are that he is improving but is still confined to a Chicago hospital. Father Houran is acting assistant during his absence.

CHICAGO HEIGHTS LIFE

Past Grand Knight Joe Dionne has been traveling to Steger quite regularly and it is rumored that he is rather serious.

Walter McMurray spent Saturday at the races buying oats for the horses. Did it Whirlaway?

Bro. Arsene Kempen, the congenial barber, has moved back to our fair city and again will be a regular at our meetings. Frank Herbst took such a hefty swing at a golf ball that he sprained his back. Better stick to fishing, Frank.

Oscar Fox caught so many fish at White Lake on his vacation that none were left for your scribe except a few small ones. Tip me off next time. Vernon "Legs" Einhorn, who was laid up with an injured shoulder, is again back to work. Hard to keep a good man down.

Your scribe and council would be pleased to have some news from our brothers who are in service.

Pinta's Schedule for Coming Months Bound to Please All Members

1-3 Thurs.....St. Mary's, Riverdale

Having missed the deadline last week and with an increase in news we will probably make this column the longest in our council's history. Here goes. Make a note, brothers, not to miss any of the meetings from now until Christmas, for a program so full of activities has been planned that you'll be missing plenty—and I mean plenty.

Bro. Dan Perry, our financial secretary, can obtain moving pictures which will be shown by Bro. Bruno Christeck at our meetings in September; for October, a hard-times party is planned; November, a turkey contest; December, Christmas party. In addition to these we have the charity ball to look forward to on Saturday, Oct. 11. Now, brothers, it's up to you to make these events a success by your attendance and support. More details later.

Bro. A. Stepenski wishes to make the following announcement: The sick and visiting committee is manned by Bros. John Zmahar, Joe Cole, Dave Denham, Al Lemecke and Pete Opyt. And to obtain an increase in membership of the blood donors' group the following were placed in charge: Bros. Dan Perry, Joe Berschinski, James Kaftan and Ed Price.

PINTA PATTER

Bro. Ray and Mrs. Schaefer, with their son and daughter, left Aug. 18 for two weeks' vacation in Langdon, N. D., visiting Bro. Ray's aunt.

Bro. Fred Giltmier, your secret is out! We know now why you drive to work so often lately. Who is the blonde passenger?

Bro. Cole, what did the Lone Ranger do last week? You should have asked him to help you eat chicken instead of trying to eat it all yourself.

Bro. Bubula, since when do you consider knitting a sport? Why don't you try the boys on hopscotch and jacks first?

Bro. John Zmahar braved the briney deep by taking a boat trip to Milwaukee, where he was met by a delegation of his countrymen who gathered to hear him speak on matters of universal importance.

I think Bro. Chuck Giltmier will start rooting for the Cubs again. He was pretty disappointed with the Sox last Sunday.

Congratulations to Bro. Paul Christeck whose wife presented him with a future K. C. Mother and son are doing well. When can we expect the cigahs, Paul? Then to Bro. Ray Schaefer, whose daughter, Musette, gave birth to a baby girl, making Ray a "grandpop" again.

We deeply regret announcing the death of Bro. Gallegas, who passed away a few weeks ago. The officers and members offer their sympathy to the bereaved family in its loss.

Father Wieler wishes to thank the brothers of Pinta Council who assisted in making the chicken dinner and festival such a grand success. Father Byrnes, pastor of St. Catherine of Genoa Church, announces the second annual card and bunco party at the Shoreland Hotel, 55th and the lake, on Oct. 24 at 8:30 p. m. See you all at the next meeting.

HEN.-SHIELDS CITES VITAL WORK OF USO

Sept. 10-24.....446 N. Parkside Ave.

Back in 1917 and 1918, when we were all full of war fervor and patriotically responding to the war slogans of "On to Berlin" and "Hock the Kaiser," buying Liberty bonds and hanging stars in our windows, some hundred and fifty or more—nearly one-third of our council membership—responded to their country's call, either by invitation, with greetings or independent action.

That time is not too far distant for those of us who remain to have forgotten the dismal lack of opportunities for agreeable diversions in our leisure moments, which were not too frequent. Money was scarce, camps were far from home and usually located near some small town in which the entertainment features were soon exhausted.

Those were actual wartimes, however, and the situation was accepted for what it was. Our men and money, in spite of all obstacles, swung the tide of war to ultimate victory.

Today the scene is much the same but the situation is different. The nation is not openly at war; however, thousands of our boys are being conscripted and sent to army camps far from home, to undergo the rigors of intensive training for the grim business of war. Home ties are preserved by the sometimes thin thread of letters so eagerly welcomed, as we, too, welcomed them some twenty-odd years ago. Remember?

The morale of our conscript boys must be maintained and fostered. They cannot help but compare their lot to the stay-at-homes who are profiting by and sometimes obstructing the defense program, and to let them acquire the feeling that we were unconcerned in their welfare would be unforgivable.

The United Service Organization has been established to provide amusement and recreation for the conscript on leave. The National Catholic Community Service is participating in this program, and Knights of Columbus are invited to attend the Chicago Chapter-sponsored Charity Ball at the Palmer House Oct. 11, the proceeds of which will be donated to the NCCS and used to provide furniture and equipment for the service men's recreation center at 1122 S. Wabash Ave. We feel honored that the K. of C. should be the organization selected to assist in this project and we hope our members will respond generously.

P.G.K. Jack Shealy is West Side Chairman for the organization, assisted by P.G.K.'s Butler, Daley and Welsh.

THOMAS B. FINN

The death of Thomas B. Finn, council member for many years, occurred August 18, and funeral was held Thursday, the 21st, at St. Catherine's church with burial in Mt. Carmel. Pallbearers were council members, G.K. Roy Cummins, Ray Foley, Roy Winterhalter, Mike Hussey, Frank Daley and Jack Shealy. Assisting in the funeral services were Charles Costello, Jr., William Phalen, Tom Butler, William Orth, William Welsh, Pete Murphy, James Pesek and Frank Hayes. Brother Finn, as far as could be ascertained, had no relatives, so in your charity, kindly remember him in your prayers that his soul may rest in peace.

THE SOUNDING BOARD

P.G.K. Frank Daley rounded up eighty-eight players and one hundred and six eaters for St. Catherine's Holy Name Golf party at the Maywood Country Club last week, and about fifteen members of our bunch were noticed continuing their practice shots of the previous Sunday.

Charles Costello, Sr., is vacationing in the Smokies of North Carolina; Bill Conney has returned from Tabor Farm, browned by exposure to golf and bragging about his scores.

John Henry Mokate of 411 S. Sacramento Ave., after his recent illness is about ready to resume his usual rounds of activity. Welcome back, Johnny.

The bowlers can now rest easy. Prompt and diligent action on the part of President Jimmy Ford and Tim Fleming found an opening at the Cascade Alleys, Madison and Hamlin, and the league will bowl on Alleys 25 to 32 on Tuesday evenings at 9:30 p. m. AMERICUS SCHEDULES BIG DOINGS FOR FALL

2-4 Tues.....3350 W. Jackson Blvd.

You can do what you want about it, but you can't get away from it. Labor Day is Monday. All the dough you had saved up for your summer vacation is gone and now you can start to worry about buying Christmas presents, but don't let it get you down. A lot of things will happen before Dec. 25. For instance:

At our meeting Tuesday, Sept. 9, we will have a showing of the American League baseball pictures. These pictures were taken during the past year together with shots of the stars in the years gone by. We will also have some baseball notables in person. This part of the meeting will be open to non-members; why not grab that young fellow in the neighborhood and bring him along? Maybe we can get him interested in our order. The business part of the meeting will be over by 9:30 p. m., so have him come up at that time.

On Sept. 23 we expect a big turnout; it will be a big night, so keep that date open. Details on this will come later.

Outside of our own council doings, we have the Chapter Ball to be held at the Palmer House Saturday, Oct. 11, for the benefit of the U.S.O. Tickets for this affair will be available at the council meetings and every brother should make an effort to attend. You don't dance? So what? It will be worth the price of admission to see the show, renew old acquaintances and watch the rug cutters perform.

Another date to keep in mind is the Holy Name holy hour to be held in Soldier Field Sunday, Sept. 14, at 7 p. m. This is a chance for the Catholic men of Chicago to show their strength and Knights of Columbus in particular should be there in goodly numbers.

We have just learned that the mother of Bro. Jack Courtney passed away last week. To Jack and his family we offer our deepest sympathy. Our condolence also to the family of James Calkins, who was called to his great reward Aug. 22. He was the father of Father Lawrence and brother of Fathers Edward, Thomas, Frank and Hugh Calkins of the Servite Order.

From far off California comes word from Bro. Al. Bissonette. Before going to the far West he was one of our most faithful members. He sent in a change of address. Our hope is, Al, if you must stay out there, that you have a little place all your own, say about a thousand-acre ranch and a forty-room house. Let us hear from you more often.

A hurry-up-and-get-well to Mary Lyons, wife of Bro. John Lyons of the Chicago police force. She has been convalescing in the Swedish Covenant Hospital. Also to the children of Bro. James McMahon who, we hear, have been on the sick list.

According to that book by Webster, the definition of the word "skull cap" is (1) a tight covering for the crown of teh head; (2) a plant of scutellaria whose matured calyx has the appearance of a helmet. So we are asking Bro. George Peluso: Just what did you have on your head that night at the wake?

The donkey ball game was a great success. St. Philip's Stadium was well filled and a good time was had by all. The features of the game were many. Sometimes the players rode the donkeys and vice-versa. Bro. Ambrose Quinlan had his ups and downs but when astride his favorite steed looked like a cavalry general pointing the way to victory. Johnny Keenan was a hero when he made a home run on his donkey. And then there was the young lady who had to leave the grounds because she was afraid her Willie was going to get hurt. Americus and St. Francis also played a five-inning regular softball game. It ended in a tie. Bro. Jay O'Rourke did the best work for Americus. And we thank Bro. George Hart for his good work. He was the other umpire.

Santa Maria Bowlers Get Ready to Start New Council Tourney

2-4 Thurs.....9020 Commercial

So far the bowling league committee is planning on twelve teams for the coming tourney which is to be sponsored by our council. As last year, the tourney will roll at the Cheltenham bowling alleys, 79th St. and Exchange Ave. The exact time reserved for the teams and the starting date will be announced soon.

Both GK Joe Komar and PGK Al Schott are counting on all the members to help put over this growing and most successful activity. Last year's tourney was loads of fun and well worth while, as any of the contenders will tell you. There was much good sport and fraternalism and the players welcomed the opportunity to meet their brothers in an activity outside the council chambers.

Each player pays for his own games and there is a small fee in addition which is pooled, for awards are made at the end of the season. Bro. Al Schott wishes any interested players or persons interested in sponsoring a team would get in touch with him at either his store at 79th and Clyde or at his home. Don't delay as Bro. Schott must know how many he can count on.

That's all the news for this time. Our bags are all packed and we're off for a vacation. We'll see you after Labor Day.

Washington to Resume Regular Fall Schedule Next Tuesday Evening

1-3 Tues. . . . . 503 Main St.

On next Tuesday evening our fall and winter schedule will get under way and inasmuch as this will be the day after Labor Day a large attendance is anticipated.

There will be many festivities ahead, least of which should be a bang-up class of new members and a few ladies' nights. If you want more than your money's worth just cooperate with your new Lecturer, Gene Beldin. Incidentally he advises that some member at the next and subsequent meetings will go home to the little woman quite happy.

BOWLING: Dame Rumor has it that Oak Park Council has invaded this area and will place eight council teams on Brother Joe Bosco's Alleys each Thursday evening. George Baynes, our genial bowling chairman, has made arrangements to enter a snappy quintet in Bosco's Major League and now he wants four more teams from the council to engage in mortal combat with the invading hordes from the largest village in the world.

He assures your scribe that Washington's keglers should not be impressed with the size of this blitzkrieg for it is known far and wide that what we lack in size we more than offset in class. Call George at Maywood 5058 if you care to bowl in this classic.

WARNING TO COMMITTEE CHAIRMEN: Art Geiser, Gene Beldin, John Morrison, Ed O'Morrow, George "Seven Pin" Baynes, Barney Nunziato and Bill Collins better have some snappy committee reports ready for this and all subsequent meetings. They were selected to head their respective committees because your officers felt they were the best qualified for that particular spot. We cannot let the mistakes of 1940 impair or retard our progress in 1941 and it is the wish of the officers and members that they delegate a member of their committee to make the report in the event that they will be unable to attend each meeting.

During the coming year your officers have decided to continue the excellent practice of receiving Holy Communion in a body on the fifth Sunday of every month containing five Sundays as they are convinced that this fine public display of Catholic Action has actually brought us new members. John Morrison, the head of our Catholic Action committee, advises that our members in Melrose Park, will act as our hosts at our Lady of Mt. Carmel Church, 1105 N. 23rd Ave., on Sunday, August 31, at the 8 o'clock Mass. He feels that we should turn out in goodly numbers on this occasion in appreciation of this invitation and also in order that we might in this way show our appreciation of the untiring work of their venerable pastor, Fr. Franch.

NEWS FLASH: Fr. Murray, the very capable assistant pastor at St. James Church, has promised us a visit in the near future. We hope that this will be the beginning of many pleasant calls.

COMING EVENTS: August 31—Quarterly Communion (see above). September 2—First meeting in September. Council Golf Tournament to be announced soon. Patron Night will be held at the October 7 meeting. Memorial exercises to be held at the November 4 meeting and our own Retreat will be held at Mayslake on October 10-12.

University Keglers Asked to Apply Now For Bowling League

2-4 Tues.....St. Ignatius Auditorium

Members of University Council received this week their annual invitation to participate in the council bowling league. Edmund W. Doyle, president, and Thomas Dasse, secretary, are offering a marvelous opportunity this year for a league of up to twelve teams in brand-new alleys at the Howard Bowl, 1777 Howard St. The Bowl, which is equipped with new Brunswick-Balke alleys and new pins, is air-conditioned, semi-soundproofed and fluorescent lighted.

The league is A.B.C. sanctioned and, as a handicap system is used, every bowler, beginner or expert, is guaranteed real competitive sport as well as a chance to participate in the $500 prize money. The season will open on Friday, Sept. 19, but applications must be in by Sept. 1 so that the number of teams may be fixed and the team membership posted.

The Columbian deadline prevents an account this week of the enthusiastic August meeting held on Tuesday. However, the preview (even to long-winded arguments from the floor) was held last week in the form of an officers' meeting. The program for the year was proposed by GK Tim Murtaugh and a financial budget for the year was outlined for presentation to the membership.

VACATIONS

While information of the vacation activities of certain brothers has seeped through to the scribe, the members named have been mentioned so often in this column that we'll spare the details. Sufficient to say that the membership has scattered to the North, East, South and West, by plane, train, car and boat. All are coming back brown or burned.

The sad feature of the summer is that many members (judging by those present at the aforementioned officers' meeting), instead of coming back with their sylph-like figures of long ago, are pushing around distended torsos—to put it delicately. We respectfully suggest that the grand knight give an assistant to Lecturer Curtin whose title and function shall be that of vacation supervisor.

Many Strong Teams in Fray

One of the strongest teams in the tournament this year is that powerhouse gang representing St. James Council as managed by Mike Connolly who piloted the 1939 Calumet squad to the championship. They have a colorful team headed by a quintet of 200 pounders including Charley Merigold, ace pitcher of the league for a decade and Chuck McKenna, John McSweeney, John Doll and Joe Schneider, sluggers de luxe with batting averages twice their respective averdupois.

Clyde Bech and Jimmy Bird make the left side of the infield a tower of strength while the three Connolly brothers, Mike, Jim and Joe, together with the veteran Charley Velk, Gordy Thornton, Joe McGreal and Ed Enright round out a dream team. Manager Connolly employs the Rockne system with frequent substitutions marking each game. The season record for this squad was 14 wins and 1 defeat.

The Southwest Division is represented by Auburn Park Council, who this season makes its debut in the finals. Manager Paul Byrne has assembled a brilliant fielding team whose timely hitting has also been a factor in winning many a close game for the novice contenders. Mike Gorman, left-handed pitcher, has pitched brilliant ball limiting the opponents to an average of five hits per game. The infield consists of Patterson, first base, the slugger of the outfit; Sheely or Kuhnert at second base; Rechenbacher at short and Ray Rydell at third. The outfield, composed of Murphy, Jack, Reilly, Fulton, Byrne, Fox and Bill Reilley is the best defensive outer-garden in the league. Kissane and Walsh alternate as catchers.

The second place team from the West Division, represented by Bishop Ketteler Council, boasts an enviable record and should be a threat to capture championship honors. The brunt of the batting power is carried by Hank Tomera, Ed Wenckowski and 40-year-old Julius Bodkin. John Shaughnessy, pitcher, holds the opponents to a low number of runs per game while his mates pile up a score for him.

The Far-West Division sends at its second place representative a fighting outfit from Lafayette. Manager Art Mix attributes the success of his team to Capt. Pieharski who stars defensively at shortstop and to the hitting of Loveny, Targosy, Hart and Sobolewski. The veteran Paul Royah twirls in exceptional style to baffle opposing hitters.

Manager and delegates are again requested to send their eligibility lists to the secreary. At the league meeting of September 5th player passes for the finals will be issued. There will be no meeting this week.

K. C. North Division Bowlers Set Sept. 22 for League Opening

A meeting of the North Division Majors was held at the Bowling Lanes, Broadway and Foster, the new home of the league, last Tuesday evening, and plans were made for the coming season. A tentative date of Monday, Sept. 22, 9 p. m. was set for the opening.

The Councils represented at the meeting were DeSoto, Father O'Connor, Daniel O'Connell, Lafayette, Brounson and St. Paul of the Cross. Ouilmette and Newman signified their intentions to participate, showing a 100 per cent carryover from last year.

The league consisted of eight teams last year, but the officers are hoping for a larger circuit this year, and Tonti, Gen. Sherman, Ravenswood, Columbus, St. Cyr, Marquette and University Councils are cordially invited to join, and realize on the worthwhile competition, good fellowship and publicity that goes hand in hand with membership in the league.

A final meeting is to be held Monday Sept. 8, at 8:30 p. m., at the Bowling Lanes and all councils interested are invited to be present.

The officers of the league are: Wm. O'Neill, pres. (Brounson); Geo. Hebson, vice pres. (Newman); treasurer, Ray Gleason (St. Paul) and Emil Baumhart, secretary (Lafayette).

St. Augustine Starts New G.K. Off on Right Foot at Last Meeting

1-3 Mon. . . . . 5209 S. Justine St.

The last regular meeting was typical of St. Augustine Council. The business end was run off in fine fashion and with G. K. George Copps conducting his first regular meeting, getting a genuine "going over" by all in attendance. George learned a lot that he didn't know about Roberts' Rules of Order.

Quite a debate took place between P. G. K. Mike Heinen and Nic Shaefer on the affirmative and P. G. K. A. Meyers and Frank Hecht on the negative. At one time it looked like they were coming to blows, when Uncles called Nic "Curly." It all wound up harmoniously, nevertheless. George Copps spent more time in the telephone booth than he did behind the gavel during the meeting. Make those "union calls" during the day, George. Ted Nichols is sporting a new fad in specs. Rubber bands around the ears. His new collection of briars lent a pleasant aroma to the atmosphere for a change.

After the meeting Lecturer Henry Rieger served beer and sandwiches. Very tasty and hit the spot. Between sandwiches, Marty Nicolei mentioned to Jake Leitzen that Chicago needed an other major league team besides the Sox. This made Jake steam and he demanded to know what was the matter with the Cubs. Jake naturally would be a Cub fan after holding down left field for the North Side police team. But then they even lost to the South Side, or didn't they, Jake? This argument reminded us of the time when a White Sox pass was awarded at a council meeting. Jake got it and traded it for a Cub bleacher seat.

Bas Glenday tells us that Charlie Yore is now a member of the Subway police. Charlie is one fellow who won't get stoop shouldered from walking through the tunnel. We hear that Bro. Walter Krull and family are vacationing in the Black Hills and touring the northwest. Pretty soft. John Gerhardt of Newark, N. J., and a brother of Red, our fireman, sends in the first bowling item of the season, which is apparently under way. Bro. Gerhardt contributed a 623 series to help Bishop Wigger Council defeat Newark Council, 2923 to 2793.

Charlie Subr recently had a house warming in his new home at 63rd place and Albany. We wish you abundant success in your new abode, Charlie.

COUNCIL ITEMS

Congratulations to Trustee Ed Feulner and wife on the birth of a future knight on Aug. 8.

To Nic Schaefer, Jr., and Millie, on the arrival of an heir in the person of a baby boy on Aug. 15. Congratulations, to grandpa, too.

To Bro. John Paha who on July 19 took unto himself a "frau," lovely Pauline Cerobsky, at St. Cyril's Church. To these members and their wives, many happy returns and don't forget the cigars.

DOLLAR DANCE: Just a reminder that on Saturday, Sept. 13, you are invited to the shelter house in Ryan's Woods, where dancing, refreshments, etc., will be the order of the day, or shall we say night? Tickets are $1 and may be had from any officer or purchased at the shelter house that evening.

GOLF: Next Sunday, Sept. 7, at Kinsman's 143rd and Parker road. All day golf is $1.25. Dinner in the evening, $1. The ladies are invited and everyone will be guaranted a good time. Dinner reservations must be made no later than Wednesday, Sept. 3, by calling Boul. 7312 or the clubhouse. This is essential as no dinner will be served without a reservation. Anything you can procure that can be donated as a prize will be gratefully accepted. Let's have a little co-operation. Credit for donating the first prizes goes jointly to Bros. Ted Kloeckner and Lefty Heinen. They are usually the first in line for any council affair.

San Salvador Picnic Workers Enjoy Night Held in Their Honor

2-4 Mon. . . . . 24 E. 114th Place

The boys who returned from active duty at the front had nothing on our workers at the picnic. They had their nite at the meeting of Aug. 25. Ed Galloy, Ernest Bedell and Rudy Schmidl were there to enjoy the spread prepared by our lecturer, Oscar Hines.

DI MAGGIO NITE

Last Sunday evening the illustrious baseball luminary and also brother knight from San Francisco, paid our Past Chaplain, Father Chimenello, a visit. It was like a fiesta, as the crowd turned out in huge numbers due to the advance publicity notices.

Our past chaplain was more than pleased with the splendid response. Due to a change in the baseball schedule Joe DiMaggio had to make the trip last Sunday evening instead of the scheduled trip of Monday. Our congratulations also go to this grand K. of C. and baseball star.

SPORT SHOTS

Word has come to your scribe that our grand knight and his brother have gone in for swimming instructions. A week ago Geo. Mason paid them a visit at their summer cottage and was induced to take a dip. George informed the brothers that he was not very adept as to swimming in deep water. A few moments later when Joe and Charlie had their backs turned Geo. made one of the nicest swan dives ever saw. Was your face red, Char

DE SOTO ITEMS

Our very efficient recorder, Frank Freiden and family, are enjoying the cool breezes at Menasha, Wis.

While vacationing with his family Trustee Jerry Horn was taken ill and forced to return home. Jerry spent the balance of his vacation in St. Francis Hospital in Evanston, where he experienced a rapid recovery under the careful attention of Nurse Annamae De Caluwe, daughter of Brother Joe De Caluwe.

Art Booz returned from Minocqua, Wisconsin, just long enough to assist Harvey Dohm and his cohorts arrange the bowling teams for the opening session on September 16th. Art and the Mrs., according to last reports, are now somewhere in Michigan. Hurry home, Art, we have that softball championship to win.

By the way, Harvey Dohn would like to hear from the bowlers who have not as yet returned their cards. The league opens on Sept. 16th, so there's not much time left.

Received a card from Dr. and Mrs. Ed Kalvelage, who send their regards to all De Sotoans from Los Angeles, California, where they are enjoying their vacation.

De Soto is proud of its sprinters, Charley McCarter and Candy Strehlow. Charley won the married men's race last week at St. Celestine's Holy Name picnic in Elmwood Park, where De Soto and St. Celestine's softball teams entertained the crowd with a swell ball game.

A small matter of wearing spikes disqualified Charley, who was very disappointed, until he learned that the 5 gal. container given as first prize was filled with motor oil, instead of what he had anticipated.

Candy Strehlow showed flashes of his old speed in winning the fat men's race at a picnic he attended and he is now considering offering his services to the softball team as a pinch-runner. After being presented with two bottles of bourbon colored fluid as first prize, Candy stole away from the crowd lest he be asked to share his prize with the picnickers. However, his visions of a fine Christmas supply of refreshments soon vanished, when he more closely examined the labels and found they described the contents as hair shampoo.

Gene Schuler, soldier son of Brother George Schuler, last week surprised his family by flying home and enjoying a three day visit with them.

Feehan Stresses Value of Early Interest in Member Campaign

2-4 Tues. . . . . Hamlin and Madison.

The coming Labor Day denotes the end of the summer lull. September sees the renewal of vigorous council activity and your officers have already begun to plan a schedule of attractive and interesting meetings. Regular meetings begin on Sept. 9, and will be held each second and fourth Tuesday thereafter. Plan NOW to show your appreciation of their labors by the regularity of your attendance.

NOW is likewise the time to go to work on that prospective member of yours. Get him in at the start of the year while the action is hot and heavy, make it interesting for him, and he will be more likely to become really active in council affairs —the type of member we want and need. Membership chairman, Bob Wingfield, is anxious to make a good record this year. Let's give the lad a little co-operation.

ROUND-UP

Reservations are coming in at a satisfactory rate for our big final golf tournament at Twin Lakes, Sept. 6-7. The idea is so attractive though that we can't see for the life of us why every member interested in golf doesn't take advantage of it. Two days of golf on an excellent course, Saturday night's lodging, prizes and refreshments—all for $3.50. If you haven't made your reservations yet—do it now. Call Chairman Augie Tamburrino at Mohawk 6166 or, in the evening, at Ave. 5641.

Looks as though the Match-play finalists are going to have a gallery. Because of the inability of the contestants to get together before hand and have it out, it now appears that the final matches in both the championship and consolation brackets will be played during the round-up. There will be no extra charge for this added attraction.

Feehan council extends its condolences to Bro. Robert Mullins and the members of his family in the recent death of his mother. Several members paid their respects in a body on last Thursday evening.

It is with deep regret that we learn of the recent illness of Bro. Ken Waindle. Kenny has been in West Suburban Hospital recuperating from a hernia operation, which will, of course, preclude his bowling this year. The Feehan Majors will miss you, Ken, and the whole council hopes for your speedy and complete recovery.

BIRTHDAY GREETINGS: To Bros. Tim Fitzgerald, Ed McQuillan, Henry E. Dalton, G.K. Jim Collins, Walter Curran, Tom DeSimone and Ed Kelly.

URGE TONTI BOWLERS TO REGISTER PROMPTLY

1-3 Thurs.....4221 Irving Park Blvd.

Those contemplating bowling in Tonti House Bowling League must register with the secretary, DGK Andy Eichhorn, before the deadline Friday, Sept. 5. This is final, as the bowling opening date is Tuesday, Sept. 9. Teams must be arranged, properly handicapped, and captains chosen, so that the league can begin on schedule. Hurry, if you haven't submitted your entry yet.

The council's golf meet will be held Sunday, Sept. 7, at Rob Roy Golf Club. Fee for those playing golf will be $1.65, including refreshments. There will be a prize for each foursome. For those who would like to attend just to spend the day and perhaps play some cards the fee will be $1, and this includes refreshments. Prizes will be awarded to the card players also. Bring along your friends and make it an enjoyable event. Chairman Ray Demski announces that those who would like transportation should contact him by phone, Juniper 6834, or drop him a line at 3711 N. Central Park Ave., and proper arrangements will be made.

Lecturer Ray Ruszkowski will have a meeting of his committee Sept. 11 at 4719 N. Harding Ave. At this meeting a program will be worked out setting out the council's activities and entertainment for the ensuing year. All members are invited, and your suggestions and cooperation will be of great assistance. However, the best encouragement any lecturer can receive is your attendance at meetings, as it is futile to provide entertainment and surprises and find so many vacant seats.

Now that the vacations are more or less over and the weather man promises cooler weather, there can be no alibis. It is your council, not the officers' alone; suppose you were an officer, would you enjoy presiding over a half-filled council chamber? GK Louis T. Buettner worked hard for the council and when he was elected grand knight we all pledged our cooperation and support, so let's not fail him, but urge him to go forward triumphantly towards making Tonti the best council north of Madison St. The next council meeting is THURSDAY, SEPT. 4.

TONTI NEWS

At the last meeting two oldtimers were present—August Totzke (how about you, Joe Totzke?) and H. Zieske, who, although he has very little time to himself because of his duties at the Alexian Brothers' Hospital, gave us an interesting short talk on why he enjoys membership in Tonti Council. How about some of you other brothers paying the council an occasional visit when duty permits?

After the last meeting several Tonti members, accompanied by the grand knight, dropped over to St. Wenceslaus' carnival and, upon inquiry as to the reason the amber fluid was not cold, were informed by Bro. Joseph Tadda that all the ice was being utilized by one of the side show attractions, where a woman was frozen nightly in a cake of ice.

We are again appealing to the membership to enroll in the blood donors' group. This great work of K. of C. charity cannot be overemphasized. Keep in mind the K. of C. charity ball at the Palmer House Saturday, Oct. 11. What an ideal night to take out your wife and sweetheart! The admission is $1, but if you desire to be a patron, the price is $5, which includes two tickets and your name on the program. If you don't care to dance, there will be other forms of entertainment. The proceeds will go to the N.C.S.S. Chairman John Smith will be glad to supply you with tickets.

Congratulations to Mr. and Mrs. Stanley Cwik, who became the proud parents of a future knight. Baby and mother doing fine, while daddy is preparing to teach him the hook he uses in bowling.

A letter was received from Bro. Frank J. Tomczak who, with his wife, is vacationing out in Sisseton, S. D., visiting their daughter.

PGK Gene Raith is vacationing in Cleveland, his old stomping ground, while PGK J. Robert Anderson is in Atlantic City, N. J., mingling with the delegates to the Supreme convention.

Bro. Stanley Paszynski, pinochle champ of the Fortonti Club, is motoring through the West with the ambition of driving a golf ball from the top of Pike's Peak. GK Buettner is spending his vacation rooting for the White Sox.

Gen. Sherman Begins Active Fall Term at Meeting This Tuesday

1-3 Tues. . . . . 4306 North Ave.

Don't forget Tuesday night's (Sept. 2) meeting at Lions building, 8:30 p. m. Come up and help the bowlers celebrate and receive the free gift which our lecturer, Vesey, has promised. The officers of the bowling league would like to see a large turnout, so let's all be there.

Three applications were read off at the last meeting, two being secured by Matt Ellgass, chairman of membership committee, and one by Bro. Bernie Janco. Let's get going on this drive, fellows.

The reason Joe Foy missed last meeting was that Joe's wife had a meeting with the stork, who left a potential member for Sherman—a big, bouncing baby boy. Congratulations, Joe. Glad to hear that P. G. K. John Janninck is back working days again. It means another old timer at the meetings. Speaking of old timers, what about Bro. Dwyer, age 75; Bro. Lang, age 67; Bro. Moran, age 70, and Bro. Maschek, age 73? Sure is something to see you fellows at every meeting. How about you young fellows taking notice? The brawny blacksmith, Jim Minardi, from Lafayette Council, was a visitor at our last meeting.

WEDDING BELLS

Gertrude, daughter of Bro. Jack Brock, will be married Sept. 6 at Our Lady of Angels' Church. Bro. Otto Stark will also trot down the aisle at St. Philomena's Sept. 6. See if the wife won't let you make some of the meetings, Otto. Hear that Jack Hogan also will make the big sacrifice some time in September. Don't let it keep you away, Jack. We will be without the services of Outside Guard Fred Savaglio at next meeting, as Fred has a meeting with Mrs. Savaglio to celebrate their 25th wedding anniversary. Congratulations and good luck to you all.

VACATIONS

Henry Janninck has just returned from Omaha and is figuring on finishing his vacation in Canada. Bill Hall thinks he will spend his vacation at home. Why the new car, Bill? Bernie Janco is leaving for a Wisconsin vacation. Say hello to Charlie Koscal when you see him up there. One of our teeth yankers is figuring on doing a different kind of yanking in a Wisconsin lake. Keep your line tight, Doc Serr.

Next meeting of Sherman 4 Club will be held at Father Mike's Holy Name clubrooms, Taylor and Wolcott, Sept. 24. Things of various importance will be brought up, so a large attendance is necessary.

It is with deep regret that I report the death of one of Sherman's oldtime members, Bro. Patrick Moriarity. Members of Sherman attended the wake conducted by Father Pellicore of Holy Rosary Church Sunday night at the chapel. The officers and members of Sherman Council extend their sympathy. "Requiescat in pace."

ILLINOIS TO SEE SOX NIGHT GAME SEPT. 5

1-3 Mon. . . . . 64 E. Lake St.

The thing of moment is the night game at Comiskey Park, September 5 to which all members of the Council are invited. Reservations are being made for box seats. Council, by resolution passed at its last meeting, agreed to expend 65c—you're to pay $1.00. This is extended to one guest which you may bring along. It will be necessary, however, that you make reservations through us.

The Grand Knight has asked Daniel F. Murphy to make reservations. If you will write him at 77 West Washington Street or telephone him at Randolph 1675 your reservations will be arranged. Members and their guests will meet at Lido Restaurant, 2nd floor, 84 W. Washington, at 6:30 o'clock, September 5 for a modest repast but please let us have your reservations early. Write or call. We have never witnessed a night game but we are told that it is a thrilling experience. The Council has gone very far in this matter and we hope you will take advantage of it.

ILLINOIS NEWS

We hope you have noted that we have not talked new membership to you for ages, but with the sharp tinge of Fall occasionally noticed in the air it it none too soon to say that YOUR COUNCIL NEEDS NEW MEMBERS. The Grand Knight has already procured one application.

THE ANNUAL GOLF tournament is history. It was a pleasant affair, just fairly well attended. The day was ideal. Most of our games, according to reports, were off color. The food served was approved by everyone and the spirit was in keeping with the occasion. The Grand Knight did not play golf but acted as general supervisor, assistant handicapper and keeper of the seals of the prizes.

Speaking of prizes, we are further encouraged by the response from many of our stalwart members. These came in the form of cash and merchandise from the following brothers: Harry Dean, Joe O'Leary, Bill Fleming, Joe Geilen, John Lillis, Ed Sinnott, Pat Sullivan, Jim McParland, John Roche (permament guest of John Lillis), Grand Knight Martin and from the Chicago White Sox.

On behalf of the Council, gentlemen, accept our thanks.

Bill Fleming, at the last moment, had to cancel his reservation—ditto for W. A. Coty. The following members won prizes: G.K. Martin, Brothers Murphy, Butler, Upington, Lillis, Dean, Garreau, Sullivan, Sinnott, Geilen, Bricksen and McParland. In addition several of the guests were in the money.

FLASH—Professor Jim Cherry just telephoned us for reservations for himself, his wife and two sons for the night game at Comiskey. So please let us have your reservations otherwise you will have to sit alone. The professor just returned from a vacation in Utah in which his family joined.

See you on Friday evening at the ball game and, if you care to join us and we hope you will, see you at the Lido before going.

Garcia Moreno Hopes to Start Their Bowling Sept. 18 with 8 Teams

2-4 Tues. . 155st and Lexington Ave.

Attention bowlers! The league officers are at work trying to muster forty men to form our council league. Up to Sunday, Aug. 24, we have only seventeen bowlers signed up. It is impossible to contact each bowler personally. The defense program has cut into our ranks and some of our bowlers, due to working conditions, cannot bowl this season; others have left our league to bowl in other leagues. So all in all, we must gather quite a few bowlers from outside our council if we are going to have an eight team league.

We would like to start our league Thursday evening, Sept. 18. We might be able to do it, if we get the cooperation of those who plan to bowl this season. All our league officers have telephones, so kindly let them hear from you. They are: Victor Walenga, president; Henry Hilgendorf, vice-president; Leo J. White, sec'y.

In the next week or so we would like to hear from the following bowlers: Paul Grady, Bill Lemons, T. Mikenas, Paul Milash, John Obernessor, John Rossmon, Ed Ring, R. P. Seibelt, R. J. Seibelt, W. Sheehan, Al Cerekwecki, Louis and Alex Cerekwecki, Marion Gurzynski, C. Wissell, Matt Walenga, Rich Walenga, Simon Ryan, Marty McGee, Cy Delenty, Cy Katity and Bill Sawicki. If there are any bowlers in Posen let's hear from them. We want our bowlers to realize that this is a tough year to get eight teams. So in the next few weeks we ask all who plan to bowl to turn in their names.

A report on the concessions offered by the Redd-Bo bowling lanes is as follows: We must guarantee 40 men at 20 cents a line. One turkey, our choice for Thanksgiving or Christmas. Sweepstakes at end of season, we pay pin boys, or we can take foul judge, they pay his salary. So in one way the alley owners offer but little. We have no report at this writing from the league president as to the concessions offered at Roberts' Alleys. So you bowlers have a fair report of the doings so far.

Bit-o'-News

From Ford Lake Fountain, Michigan, comes a card from Louis Beaupre, who with his family are enjoying their vacation. The Five Point Program appointments have been made by G. K. John Mech. Chaplain Rev. Ign. Renklewski. Catholic Activity, Charles Wisell; Council Program, Henry Setin; Insurance, Louis Beaupre; Membership, John Begnoche, and Publicity, Leo J. White. Other appointment, Defense Bonds, Chairman, P.G.K. James Mann.

The donkey ball game at Ascension parish was a riot of fun and the following members are to be congratulated on their game: Clyde White, Jack Za, Frank Walenga, Tom Rogers, Matt Daley and Johnnie O'Boyle. On the side lines the scribe found Henry Hilgendorf and wife, John Kerkhoven, John Reardon and Cy Delanty.

Nick Arden and wife are enjoying their vacation in Michigan. To Mrs. Louis Beaupre our congratulations on the recent celebration of another birthday. Sick committee phone number 2750W. D.G.K. Joseph Dehnert is the chairman.

The picnic is over and as the scribe didn't arrive until evening he can't make much of a report. From San Salvador Council we found P.G.K. Charles DuBois, Brothers Mason and Griffin. Many of our members were absent, and then, to top it all, it had to rain. To all the workers we owe a vote of thanks for their long hours and hard work. G.K. John Mech and picnic chairman Francis DeMayo extend their thanks to all who in any way helped to make the picnic a success. Vic Walenga celebrated another birthday. Congratulations, Vic.

St. James Starts Its Drive for Large 4th Degree Class in Feb.

2-4 Mon. . . . . Hayes Hotel

Only five months more and the exemplification of the Fourth Degree rolls around, so what does President Ambrose J. Burke do but come up to me and says "The Fourth Degree Club can use some new members, how am I going to get them?" Well, brothers, I dried his tears and told him not to worry as I believe we would have a nice class from St. James Council. "How are you going to do it?" said the coalman. Well, first of all I'll tell them that they must be a member in good standing for at least two years and have twenty-five bucks in their jeans and a signed application in their hand to give their sponsor.

"Twenty-five smackers is a lot of money for a brother to kick out at one time," he says. Why not let the candidate pay it in installments to Bro. Henry A. Steffens, the treasurer of the Fourth Degree Club, and he will put it in the sock and save it for the future Fourth Degree member. Now you third degree members ask, "What am I going to get for my dough?" You'll be surprised—a ticket to the swellest banquet, a Fourth Degree pin, and a sword and scabbard, and the privilege of taking the Patriotic Degree with a fine group of Brother Knights.

MEMBERSHIP: Chairman Robert E. Lee reports that the Columbus Day-Leo Flynn class is well under way. The following candidates and their sponsors are on the list for the complimentary dinner before the degree: Mr. Walter George Meyer out of Bro. Larry Duby, Mr. Mark F. Hanley by G. K. John McKean, Messrs. Ambrose J. Noonan, Joseph B. Thomas, John J. Hayes, Lawrence C. Wigahl, all by Lecturer Peter Wehle, Mr. Alex. McKenna by Recorder Dan McKenna, Walter Kilgallon by Ray and Frank Steffens, and Mr. Ralph Gaking by Membership Chairman Robert E. Lee. You can still get on the list as reinstatements and transfers will be eligible for the free meal.

SPORTS LINEUP

SOFTBALL FINALS open Sept. 15, but we don't play until the second night, Sept. 16, the winner of Lafayette-McHale game will play St. James, on Sept. 17, and we will play the winners of the other divisions for the championship on Sept. 18—we hope!

BOWLING: Chairman Paul Sink of 6852 Prairie Ave. states that arrangements are made to bowl Wednesday evenings at 9:00 p. m. sharp, starting Sept. 3, and he wants the four teams to be on hand at 8:30 p. m. so there will be no delay.

GOLF: Chairman Chris Davis states Sept. 28 at 11 a. m. is the time of our next tourney. There will be prizes worth more than a sawbuck; all it will cost is $1.50 with dinner optional but your reservations must be made through Chris. Call him at State 9300, Extension 289.

CHICAGO CHAPTER: The Columbus Day Ball Committee, Bros. Phillips, Mayer and Jerry Laughlin state that at next meeting free tickets to the ball will be given away to the members.

THE CHORAL AND DRAMATICS committee entertained the members and their wives and ladies last Monday night after the Communion Sunday movies were shown and ice cream and cake was served. Committee will meet after next council meeting.

BLABBER MOUTH REPORTS

G. K. John McKean was seen polishing his clubs for the coming tournament of pivot replacers and fairways and rough trampers. D. G. K. Tom Groark and budget chairman and president of the Fourth Degree Club, Ambrose J. Burke, are shopping for a Hole-in-One driver so they can keep out of the sand traps. Outside Guard Henry Woodmaster having just recovered from a recent illness has not decided whether he will play or travel with his pals and act as their Honest Score Keeper.

Lecturer Peter Wehle, chairman for the Hallowe'en party, says to be ready for a hilarious time on the night of October 27. Also it is whispered around the chamber that Peter Wehle had to have a state policeman escort him to the Irish picnic.

Loyola-H. P. Joins with Local Knights to Aid Charity Ball

2-4 Thurs. . . . . 7435 Cottage Grove

With the opening of the fall season of council activities, Loyola-Hyde Park Council is glad to announce that it will take an active part in supporting the Chapter-sponsored Charity Ball. This ball, in benefit of the N.C.C.S. and will provide funds for the furniture at the recreational quarters for our young men in service now opened at 1122 S. Wabash.

Richard L. Judge and Bernard Thompson, our fellow members, were appointed to aid in this drive. Speakers from the Chicago Chapter will soon be heard at council meetings urging all Chicago K. C.'s to cooperate in this huge affair. Tickets will be available on Sept. 12. They are priced at only $1.00 per person, with patrons' fee at $5.00 which includes two tickets and your name engraved on the official program. Plan your party now and attend, with your council members, this Columbus celebration on October 11.

OMISSION: Scribes do make mistakes and we did. Unintentionally the mention of the very fine speech delivered by Bernard Thompson on the "Lo-Hy-Pa" was omitted from last week's column. His inspiring talk on the Fourth Degree was widely applauded. We hope now that all Third Degree members are aware of our time-payment plan of joining the Fourth Degree and will avail themselves soon of the privilege.

STORK NEWS: Mr. Stork dropped off a fine baby girl at the home of Mr. and Mrs. Ray Ryan. Congratulations to you both from your council members and your scribe personally.

SPORTS

BOWLING: Chairman Art Jacobs requests all bowlers to register their intentions immediately, so that there will be no disappointments when the final schedule is drawn up. Alleys cannot be procured at the last minute, so please cooperate by phoning Bro. Jacobs at Radcliffe 8053 right now. Results of the last bowling meeting will be published next week.

BASEBALL: The Juniors finally were beaten. Sacred Heart caught up to them to the tune of 5 to 4. Owles, the Sacred Heart pitcher, allowed only four hits. B. Ossier connected for a homer for Sacred Heart. Joe Mannix got two of the Juniors' hits. Our team is still the best in my opinion and it can prove it by beating the Midlothians at Hamilton Park, 74th and Normal. The game starts at 1:30 sharp, next Sunday, and we hope many boosters will be present to help get those two needed wins for the league championship.

WANTED: More members at the next meeting, Sept. 12, at 7435 Cottage Grove Ave., second floor, rear hall. Bring along those signed applications. Let's have a night of Knights.

THANKS for the response to our call for news. Our address is 6514 Dorchester Ave., the telephone number is Chester 4909. Let's make the col your column.

SPECIAL—BOWLING: Any member who intends to bowl must notify one of the officers or your scribe, Dan Boyd, not later than Wednesday, Sept. 3. There will be only eight teams this year, and it's first come, first served.

Neri's Softball Squad Drops Finals Playoff to Santa Maria Team

1-3 Tues.....7515 Yates Ave.

The council's softball team finally was put out of the running for a chance to participate in the finals which are to be held at Shrewbridge Field for four nights starting Sept. 15. They went down to defeat by the score of 8 to 1 before a powerful Santa Maria team. The team was without the services of its star pitcher, Johnny Miner, and of Ray Duffy, who was ill, and Johnny Matz, who was vacationing. This is no alibi as John Cullen's fighting team from Santa Maria could have taken the Yanks that night. We wish Santa Maria good luck in the finals.

Another athletic activity in the council starts in a few weeks and that is bowling. We have again entered a team in St. Bride's Holy Name League and will bowl Thursday nights at 9 o'clock at the Cheltenham alleys, 79th and Escanaba. Any member wishing to bowl, please contact Henry J. Doolin as soon as possible.

Mr. and Mrs. George O'Donnell are enjoying a trip to Yellowstone Park. Mr. and Mrs. Jack Quigley are on a trip to northern Wisconsin. Jim O'Connor just got back from vacationing in his country home in Iowa. Lots and lots of other members also enjoyed vacation trips but no information is available just now.

R. I. P.

Very sorry indeed to report the death of John Shea, father of our member, Francis P. Shea. The late Mr. Shea was buried from St. Bride's Church on Tuesday of this week. All the council members extend to Bro. Shea their condolences.

Phil Sheridan Names Committee Appointees to Manage Activities

1-3 Thurs. . . . . 446 N. Parkside Ave.

G.K. Edw. F. Bachner, at the last meeting, appointed the following members to committees: Membership—Frank Weaver, chairman, Paul Bachner, Thos. Grillo, Clarence Jackson, Roy Dara and John Dunn. Entertainment—Joseph Broderick, chairman, J. T. McKenna, Ray St. Aubin, M. F. Bachner, Aug. Flashing, Hubert Kampp, James Finnigan, Harold Hinchey and John W. Dews.

Athletics—Geo. Newhart, chairman, Robert Reynolds, Clarence Jackson, Harold Hinchey and Thos. Meany. Lapsation—Aug. Flashing, chairman, George Newhart, Ray St. Aubin, Frank O'Neil and John McKean. Sick Committee—John Gleason, chairman, Thos. Mahoney and Frank O'Neil. Publicity—Jas. T. McKenna, chairman, Wm. Clark and Edw. F. Bachner, Jr.

All of the above appointments have been accepted and work has been started to make the fall and winter seasons ahead both educational and entertaining. In addition to the committee appointments, G.K. Bachner made the following officer appointments: Joseph Broderick, lecturer; Aug. Flashing, financial secretary, and James T. McKenna, scribe (address is 2906 N. Mango Ave., Chicago).

Bowling: We will again have a team entered in the West Side Major League. The names of the members on the team are not yet available. Remember—it's all-out for next meeting. Please furnish news items of interest to your scribe at the above address.

WHERE IT IS REALLY HOT

It may be the heat, or it may be the humidity about which we complain, but if we were in India our complaints would be more justifiable.

"With the mercury at 108 degrees," writes the Superioress of Holy Family Hospital, Patna, "anything that will help the babies is needed. The heat takes a heavy toll of them. When, at times, a full chorus sounds forth from the nursery, we forgive them even though they are no rival for the Metropolitan."

It is easy to understand the good Sister's joy therefore when it became possible to enlarge the nursery for the tiny inmates of the hospital. "We are hoping," she states, "that in their larger quarters they will find it a little cooler and a good deal more comfortable. Besides, by doing 'a little extending' here and there, we have provided a ward for men and a few more beds for the women. In addition, we have several Santal girls in training and three nuns from a native community."—(Society for the Propagation of the Faith.)

Hildebrand Bowlers Elect Officers After Sept. 4 Council Meet

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Our next regular meeting will be held Thursday, Sept. 4. The council chambers have been redecorated. Why not resolve to attend at least one meeting a month.

BOWLING

Council bowling league will open Tuesday evening, Sept. 16, at 8 p. m., St. Philip Gymnasium, located at Jackson Blvd. and Kedzie Ave. The alleys have been thoroughly renovated. The bowlers will hold a special meeting after the council meeting of Sept. 4. League officers will be elected, teams arranged and schedule completed. Kindly arrange to attend so that the league can start off with a bang.

Post cards received from the following who are enjoying their vacations: PGK Francis Murphy reports from New York City and DGK Bernard M. Grothouse has arrived at San Francisco, Calif.

The Fifteen Minute Club has resumed its sessions after the meetings. Advocate George F. Brewer is master of ceremonies. The council fixed charges accrue: yes, during the summer months. If you are in arrears, kindly make an early remittance. Only 120 days until Christmas.

Church Returns to Catacombs in Poland

Lisbon.—The Church, which came out of the catacombs in the early centuries, has once more been forced under ground in some parts of German-occupied Poland, it is revealed by the Center of Information Pro Deo, which gleaned this information from Polish refugees reaching here. In the dead quiet after midnight in certain parts of Poland where the German authorities have forbidden the celebration of Mass, Catholics gather in basements and even in the caves, as did the early Christians, to participate in the Divine Sacrifice.

Despite the everlasting vigil of the police, the few priests allowed to remain gather their flocks and with the minimum essentials, sometimes crude imitation vessels, offer the Eternal Gift By their magnificent display of courage and devotion to their people, the refugees say, the priests in Poland are not only bolstering the morale of the Catholics, but are looked upon as natural leaders by Protestants and Jews.

In the exercises of Christian charity, the clergymen in Poland are making real and successful efforts to aid Jews in that country. Priests, it is revealed, pass food, medicines, and clothing to those banished to the dreaded ghetto areas and have sheltered hunted Jews.

Intellectual leaders among the Poles —and this group embraces a large number of priests—have been taken away from their fellow countrymen by the military, the refugees claim. Many are dead; others are in concentration camps. In order not to stir up too much opposition among Catholics, the Germans have permitted some of the Catholic priests to remain at their posts and these are the men who, with the harassed parishioners, are exemplifying the heroic deeds of the stalwart early Christians.

The wife or dependent of a draftee cannot be evicted from her home for inability to pay rent (provided it does not exceed $80 a month) except through a special leave of court. Likewise, if a man has paid up his premiums on life insurance not exceeding $5,000, it cannot be forfeited for non-payment during his draft period.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

REFUGEES DESCRIBE FOOD SHORTAGE IN UNOCCUPIED FRANCE

Lisbon.—The food situation in unoccupied France is indescribably tragic, according to refugees arriving here. Marseille, with 35,000 refugees crowding the hotels and boarding houses, is feeling the shortage worst.

Those who are suffering most, the refugees say, are the middle classes, who refuse to accept charity. They told of having to stand in line for two hours to buy a rabbit's head and one hour to buy a single egg. Cats, they say sell for 35 francs and horse meat lines are a block long. Artichokes and turnips are declared to be the staples. In small towns, it is reported, it is necessary to get the permission of the mayor to buy a suit of clothes.

But in spite of these conditions, refugees say, there are many manifestations of the religious solidarity of the French people. Whole villages, they report, formerly separated from the church have returned to the practice of their religion.

Refugees who have passed through Switzerland report the food situation there is quite the contrary.

DEARBORN KNIGHT TO HEAD N.C.C.S. CENTER

1-3 Thurs. . . 820 W. Garfield Blvd.

Dearborn salutes Bro. Jim Carney upon his new appointment as Field Director of the Chicago territory for the National Catholic Community Service at 1122 S. Wabash avenue. For the past 21 years Jim has been secretary of the Chicago Chapter. Dearborn is proud to have numbered within her ranks one who is, and has been for many years, a very efficient and capable knight. It will be necessary for Jim to give up his work in the Chicago Chapter in order to devote his time to his new duties.

Please accept the congratulations of every member of Dearborn, Jim, and we know that although the responsibilities in your new endeavor may be great, with your ability, personality and drive, everyone concerned can feel that the job will be done well. We give you a salute upon achieving this high office and a toast for your continued success.

CHICAGO CHAPTER

On Oct. 11 the Chicago Chapter will sponsor a charity ball at the Palmer House in order to raise funds to furnish the soldiers' recreation center at 1122 S. Wabash avenue. According to all reports, this party promises to be a very fine affair; there will be dancing in the Grand Ballroom and a card social in the Exhibition hall.

Those of us who cannot serve our Uncle in his forces, can at least help those who are giving their time and efforts to the cause by attending this Charity Ball. What better place could we put our small donation than for a benefit to help our Catholic soldiers who come to our city, unknown by anyone here and not knowing where in this large city he can secure safety and comfort. Such a place as planned for them will seem like heaven in a desert. Deorborn will be well represented there, because we think that every Dearbornite realizes what a great responsibility the Knights of Columbus of Chicago have taken upon their shoulders in fulfilling their promises. Get in touch with Bro. Chas. Read, 5936 Lowe avenue, Eng. 5746, and tell him you want some tickets and he will forward them to you.

APPOINTMENTS

The following appointments were made by G. K. Devereaux for the coming year: Assistant Warden, Frank Werr; Council Program Chairman, Oscar Heilmann; Catholic Action, A. Wilhelm; Condolence chairman, Jim Kittrick; Sick and Visiting Committee, D. G. K. Downes, chairman, assisted by Bros. Gray, Hoffman, Brazill and McGuire.

BRO. FRED BEYER and all his family attended a dinner Sunday, Aug. 10, at Father McTigue's parish, Santa Maria del Popolo, in Mundelein, Ill. While there, Fred's son, Walter, was the happy recipient of a $25 award.

ON AUG. 14 the Franciscan Order professed a number of young men, and among them was Father Donald Werr, son of Assistant Warden Frank Werr. The profession took place at Tuetopolis, Ill., and Fr. Werr has now gone to Cleveland for three years of theology. We hope and pray that God will grant him an abundance of grace to fulfill his priestly duties.

D. G. K. John Downes' daughter was operated upon last week and we hope by this time she is well on the road to recovery. Bro. L. J. Warzinski reports that his son is home from the hospital, recovering from a strep infection.

We were sorry to hear that Mrs. Joe Nix is ill, and this probably accounts for the absence of Joe at the meeting. Bro. Dave Kerwin's mother is very ill and we pray that she recovers quickly.

A few of the Dearborn members attended a dance and Mardi Gras sponsored by Madonna Council at Glen Eagles Country Club and report having a fine time.

FLASH

Lecturer Pat McCarthy says we have to get ready for the biggest and busiest season Dearborn has seen in many years when his program gets under way. He promises to have a number of athletic champions at our meetings, singers, speakers, movies and what have you, all for the entertainment of Dearborn members and their friends.

The following brothers will be sorry to hear that they missed out on the $20 trappers' award last meeting: Geo. Bingen, Theo. Goetz, Al Brenmer, Jos. Timko and Louis Bieler. The ante was raised, therefore, and next meeting you will be able to trap 525. G. K. Devereaux, D. G. K. Downes, Bros. Fred Beyer, Geo. Albert and Manzetti exhibited enough skill to win the evening's special awards

Don't forget that there will be a meeting on the first Thursday in September, which will be Sept. 4.

Bowlers get in touch with Bro. John Logan at Normal 5256 if you want to bowl with the Dearborn team this coming season. He is getting the teams lined up now, so don't be left out.

Chicago to Honor P.G.K. Phoenix at Sept. 9 Meeting

2-4 Tues. . . . . 64 E. Lake St.

On the evening of Tuesday, September 9, Chicago Council No. 132, will do honor to our most recent Past Grand Knight, Henry L. Phoenix, whose record, extending back a number of years to just plain membership, simply scintilates with achievements of high order and self-sacrifice.

The occasion will be honored by the presence of State Deputy Leo M. Flynn and State Secretary Ray Gleason and a great gathering of Knights of high standing from all sections. And the LADIES will also be present. This is going to be a big night for our Past Grand Knight.

Lecturer Charles Schroeder is preparing for an evening that will be unusual, interesting, novel and entertaining. He had to let the Scribe in on the secret but the Scribe won't even whisper a single detail. Grand Knight Henry J. Lynch also knows all about it—but he won't tell either.

Just put your faith in the announcement: that this is to be an evening the likes of which you have never before experienced. Come—and bring the ladies—do honor to Henry Phoenix—and be convinced.

INITIATION?

Do not forget what we had to say last week about rounding up those applicants whose papers are on file and awaiting the visit of the prospect to the physician and such little details. We have enough of these applications on hand, approved in part, for a nice class for the first meeting in October. Remember that as sponsors you do not "rate" until your candidate has actually been inducted into the council.

CHARITY BALL: Keep in mind the Chicago Chapter Charity Ball (October 11), the proceeds of which will be donated to the Archdiocesan unit of the National Catholic Community Service for the purpose of equipping the recreation center for soldiers and sailors at 1122 S. Wabash Ave. Chicago Council's chairman is Henry Phoenix and the Chapter Chairman is our own Grand Knight Henry J. Lynch. Chicago Council should go strong for them.

CONDOLENCE

John T. Vallee, father of P.G.K. Vincent N. Vallee, was called to his eternal reward last Sunday after a brief illness. Mr. Vallee was born at St. Genevieve, Missouri, seventy-seven years ago, coming to Chicago at the age of twenty-one, spending a short period in the grocery trade before establishing his pie company which, after a number of successful years, he disposed of to a merger and entered the coffee business in which he built up a considerable patronage before retiring.

Mr. Vallee became a member of Chicago Council in 1907 and was a member of our first Honorary Degree class a few years ago. He was a daily communicant and a practical exponent of Catholic Action. During the years when the present Bishop Hoban was Chaplain at the Parental School, Mr. Vallee put in many Sundays instructing the boys there in the Catechism. He was the father of seven sons (one of whom is deceased) and two daughters and was a great-grandfather.

To P.G.K. Vincent Vallee and his brothers and sisters, Chicago Council extends a message of sincere sympathy in their bereavement and we unite with them in prayers for the repose of his soul. May he rest in peace.

THE TOURNAMENT

As you know, the Golf Tournament had to be postponed. Further news awaits the decision of Chairman Bill Brogan after consultation with the council officers.

BOWLING—Discussion at our next meeting, September 9th. Be sure to attend.

MHROTD: In other words, Happy Birthday to The Columbian. We read that announcement in last week's issue about this 35th anniversary. And best wishes to Editor DuChateau.

O'Connell Notes Win Long Distance Record of This Week's Mail

2-4 Tues. . . . . 1100 N. Franklin

These few notes are coming to you from your Scribe who is vacationing at Forest Lake, Wisc.

Remember that our financial secretary was watching that long-legged bird flying around his house, and that he soon expected it to land? Well, it landed and brought Bro. and Mrs. Joseph H. Meier a bouncing eight-pound baby girl. That makes number two on the feminine side. Both Mrs. Meier and daughter Jean are doing fine. We're all very glad and hope we'll be seeing her soon.

Our official score, bulletin-board style, remains 23 apps., 3 trans., and 3 reinstates, but it's hard to say how many new applications our dynamic Grand Knight, Bro. Edward Gauna, has rounded up since the last meeting. Unless I miss my guess we're in store for at least six or seven more at the next meeting, which incidentally, will be held Tuesday, Sept. 9.

At this time we hope to have a record crowd, so that our dance committee may be rounded out and also that the official audit figures may be heard by as many as possible. I don't want to pass too lightly over the dance, which according to latest reports will be held on the first Saturday in February (Feb. 7).

The hall foremost in consideration is Forester Hall on Dearborn St. near The ambition of our G. K. is to $1,000.00, which he claims will not be a dream, but a reality, if only members will cooperate with the of and the committee.

You might say, Why worry about it that's almost six months away? why not worry about it now and the job so much easier later on, we can devote more time to enter ment, prizes, refreshments, and gen take it easy doing those last m chores. Let's start the ball rolling i diately.

I guess I'll have to sign off for because I have no more informatio you at this time. If anything of i tance happens get in touch with me day night. (I'll be home then) or day night, and I'll see to it that it in next week's issue.

Councils Prepare Fall Programs to Aid Charity Ball

Columbus Day Benefit Expected to Enlist Full Support of Every Local Unit

That the early fall programs of the ty-five councils in Cook County are ng built around the Chapter-spon- ed Charity Ball to be held at the lmer House here, on Columbus Day e, Saturday, October 11, is borne t by the numbers of party reserva- ns that are daily being booked at Chapter offices.

Benefit of N.C.C.S. Center

Prime mover in the enlistment of mber interest for the affair, it is t, is the cause to which the pro- ds are to be donated—the pro- ion of furniture and equipment for National Catholic Community vice Center now operating at 1122 th Wabash avenue as a recreation ter for the men serving in the na- n's armed forces.

Ever since the recent U.S.O. drive, cago citizens, but Knights of Co- bus in particular, because of their standing record for similar serv- in World War I, have been called n to assist in maintaining the ale of the country's new citizen y. Catholic response to the pub- appeal has led all others in almost ry instance with Knights of Co- bus assistance generally predom- tory.

State Deputy Urges Support

rder leaders here, as explained by te Deputy Leo M. Flynn, "now o upon the successful promotion of Columbus Day Benefit Ball as one e opportunity of bringing into ality the Order's devotion to God country."

Knights of Columbus all over the on," Flynn said, "are giving val- e assistance to both the church the nation in this emergency and members in Chicago are being ed upon, as the citizenry of the on's largest Catholic capital, to yeoman service to every aspect e emergency program. Certainly ndred per cent support for the fit party is little enough to ex- from every local council."

Tickets Now Available

Merry entertainment according to plans of Organization Chairmen ry J. Lynch and Edward J. Moly- ax, will include both a full dance ram and a card social. Two of largest halls in the Palmer House to be pressed into service to ac- modate the expected fifteen hun- e couples; the Grand Ballroom is the locale of the dancing pro- ll be set up to accommodate those a while the giant Exposition Hall ested in participating in the card .

General reservations may now be d with the individual council rs or directly at the Chapter at e ollar a person. Patron's tickets, ich it is hoped a great majority e membership will avail itself, riced at five dollars the couple will also include listings on the ficial program as well as in future issu of The Columbian.

Plenty of Action Promised in K. C. Softball Finals

Opening Game, September 15 to Pit Defending Champs Against De Soto Squad

By Johnny Miner

Beginning with the opening game on Monday, Sept. 15, at 7:30 o'clock, action a-plenty will be presented at Shewbridge Field when for four successive nights the contenders for the K. of C. softball crown will fight for the championship of the city. All teams seem now to be evenly matched; it would be folly to predict the winner in any of the first, second or preceding contests.

Activity will commence at 7:30 each night with three contests being scheduled each evening. Admission is 30 cents for adults and 15 cents for children. Box seats will sell for 45 cents.

The schedule is as follows:

Monday, Sept. 15

Hughes (Far West) vs. De Soto (North) at 7:30 p. m.

LaFayette (Far West) vs. McHale (Southwest) at 8:30 p. m.

St. Cyr (North) vs. Madonna (Central) at 9:30 p. m.

Tuesday, Sept. 16

Ketteler (West) vs. Santa Maria (South Shore) at 7:30 p. m.

Leo (Central) vs. winner game No. 1 at 8:30 p. m.

Hawaii Leather Pushers Arrive Tuesday for C.Y.O. Benefit Bouts Sept. 17

Hawaii's amateur boxing champions will be hailed at the Northwestern station Tuesday morning, 9:15 a. m., when their train pulls into Chicago to complete their 4,000 mile trek across the Pacific to battle Chicago's CYO in Soldier Field Wednesday night, Sept. 17.

Civic and religious leaders headed by His Excellency, Bishop Sheil, founder of the CYO, several thousand fight fans, troops of girl scouts, boy scouts, sea scouts and the CYO band will comprise a small portion of the welcoming committee that will be on hand to greet the brown bombers of the islands when they arrive in the Windy City in their second attempt to snatch boxing laurels from the local Catholic Youth Organization.

Hawaii Beaten Last Year

Last year's effort in rain drenched Soldier Field ended disasterously for the invaders, 8-3, but new faces will be featured on the Hawaiian squad when it alights from the train Tuesday to receive the welcome of the nation's second largest city.

Thomas F. O'Connell, director of boxing at the CYO, was on hand to greet the Hawaiian delegation of ten boxers and five officials, when they docked in San Francisco Wednesday.

Following the arrival of the team Tuesday morning they will be escorted by motorcycle police to city hall where Mayor Kelly will present them with the keys to the city. They will then be escorted through the loop

Archbishop [illegible] Public Prayer [illegible] Early Peace

Urges Chicago's 1,5[illegible] Catholics to Join in Holy Hour Services at So[illegible]ld September 14

Archbishop Samuel A. Stritch in an official letter this week to the clergy and 1,500,000 Catholics in the Chicago archdioceses pleaded for prayers for the intention of Pope Pius XII "for the early coming of a just peace among men."

He urged his flock to join together in a "great solemn public prayer and act of reparation for the sins of man" by attending the Holy Name Holy Hour at Soldier Field on the night of Sept. 14.

"Our intention at this Holy Hour will not be in any sense an expression of political sentiment or a leaning towards certain groups in our country, but a true, honest petition addressed to God for a just peace, a peace which the sword cannot impose, a peace which will recognize human rights, a peace which will put to naught social systems in contradiction with Christian truth," the Archbishop said.

Expect Attendance of 200,000

More than 200,000 Catholics from the six counties of the archdiocese are expected to attend the Holy Hour which is being sponsored by the Archdiocesan Union of Holy Name Societies.

This massive pageant of prayer and patriotism will culminate a crusade for prayer by the 200,000 men of the Holy Name Societies for "an early and just peace among men" as advocated by Pope Pius XII in his five-point plan for world peace.

A patriotic program starting at 7 p. m. will precede the solemn Holy Hour. During this part of the affair, 12 Catholic High School bands will play patriotic music and carry out precision formations. As a climax to their drill work, the bands will form the words "Holy Name" and a living cross while playing the Holy Name hymn, "Holy God We Praise Thy Name."

Bands participating are: St. Mary Training School, De La Salle, De Paul, Fenwick, St. Ignatius, St. Rita, Leo Loyola, St. Mel, Mt. Carmel, St. Philip and St. Augustine.

The sixty-five piece Cathedral Symphony Orchestra under the baton of the Rev. Edwin V. Hoover and the Cathedral Choristers directed by the Rev. Emmett Regan will present a preliminary concert of sacred music before the Holy Hour proper.

Cable Spiritual Bouquet to Pope

Twenty-three hundred ushers from 250 parishes in the archdiocese are being drilled and trained to handle the expected overflow crowd of 200,000 who will attend the Holy Hour. The ushers are under the direction of James O'Keeffe.

A spiritual bouquet consisting of an expected 5,500,000 communions, 6 million Masses and 5 million rosaries will be cabled to the Holy Father at the Vatican City on the night of the Holy Hour. A parchment scroll containing the tabulated results of the spiritual

MEMORIAL MASS TO BE OFFERED THURSDAY FOR LATE MASTER McMAHON

Supreme Master Timothy P. Galvin, representing the Supreme Assembly, Fourth Degree of the Knights of Columbus, has arranged for the celebration of a Solemn Requiem High Mass on Thursday, Sept. 18, at St. Peter's Church, Polk and Clark streets, for the late lamented Joseph A. McMahon, Master of the Fourth Degree, Knights of Columbus, District of Northern Illinois, Marquette Province. The Mass will be offered at 12 o'clock noon.

Eighth Master of the Fourth Degree for the Northern District of Illinois, the late Master McMahon presided over but two of the annual Fourth Degree exemplifications before his death last May. However, both his classes, the 1940 Cardinal Mundelein Memorial Class and especially the Archbishop Samuel A. Stritch Testimonial Class of last February, will rank among the most brilliant exemplifications of the thirty-eight year history of the Fourth Degree in Illinois.

Frank S. Estis to Air Appeal for Literature Monday Over WGN

Frank S. Estis, "the man with the little black bag," and chairman of the Chicago Chapter Catholic literature committee, will take his appeal for old reading matter to the nation Monday morning in a radio broadcast over the Mutual system emanating from station WGN here.

Estis will be heard at 11:15 Monday morning in the debut broadcast of the "This Is Life" program, contemplated as a weekly feature that will spotlight unusual people and events as they exist in everyday life.

Began Work in 1921

In being invited to open the broadcast series, recognition is being paid to Mr. Estis for his efforts during the last twenty years in behalf of the "shut-ins" and the "down-and-outers." His work of distributing old reading material to hospitals and public institutions about Chicago began as a hobby in 1921 but has now become an all-time job.

Today, he says, more than 40,000 pieces of literature are distributed by himself and the members of his committee each week. A total of 24 million old periodicals, books and pamphlets he estimates have been sent out since he began the job twenty years ago.

Most of the material Mr. Estis distributes is mailed to him at his home at 1925 S. Troy St. here. Others he picks up in a regular schedule that carries him from one end of Chicago to the other.

bouquet will be presented to Archbishop Stritch as part of the Holy Hour ceremonies. This parchment will then be sent to Pope Pius XII.

The tickets to the Holy Hour will be distributed free of charge on three consecutive Sundays in all Catholic churches throughout the archdoicese.

During the benediction, at the climax of the religious services, the entire Soldier Field will be blacked out except for lights playing upon the altar which will be located at the north end of the field in front of the Administration building.

At the benediction, 3,000 altar boys, dressed in cassocks and surplices, will form a living cross in reverence for the exposition of the Blessed Sacrament.

Setters "Super-Par" Golf Tournament Set for Sunday Morning

2-4 Thurs. . . . . 4711 W. Madison St.

It's just a matter of hours, now, until ten-thirty next Sunday morning, Sept. 7, when the Golf Tournament sponsored by Father Setters Council will get under way. Shortly after that hour, the members and their guests will begin to tee off on the Number Two Course at Saint Andrew's Golf Club, in keen competition for the numerous prizes which will go to the winners in the various divisions.

As the lads make their way around, over hill and dale, they will pause from time to time at chummy little wayside stands where refreshments will be served and where various impromptu entertainment and shenanigans will take place.

At the conclusion of the first round of eighteen holes, the boys will turn their scorecards in to the two official Masters of the Handicap, G.K. Roy P. Bedore and P.G.K. Edward J. Lavin, who will compute the results and determine the various prizewinners. Meanwhile, the sportsmen are welcome to as much additional golf as they can squeeze in before nightfall.

In the evening, everyone will gather in the clubhouse for a turkey dinner, a few brief speeches and the distribution of the awards.

RESERVATIONS, PLEASE

The Committee, naturally, must let the Management at the Club know what accommodations are needed and hence must ask that you place your reservations immediately. To do so, all we ask is that you 'phone either G.K. Roy P. Bedore (Kedzie 1719), or P.G.K. Edward J. Lavin (Columbus 9232) or Financial Secretary, Tom Lavin (Columbus 5802) and advise how many you'll have in your party. (Tickets, $2.50 for everything or $1.50 for the dinner only.)

RESEARCH FOR BOOKS ON POPES LED AUTHOR TO BECOME CATHOLIC

A Chicago woman whose book will be published this month by Bruce Company, Milwaukee, became a Catholic through writing and research.

She is Mrs. Lillian Browne-Olf, author of "Their Name Is Pius." The volume deals with the lives of Popes named Pius. The volume is the result of two and a half years of research at the Vatican library and in various other European sources.

Mrs. Browne-Olf, when only a child, heard a lecturer who attacked the Catholic Church. Out of this grew a curiosity that made Mrs. Browne-Olf study Catholic history. Historical fact, together with travel, disclosed the truth and she began to study the Church more thoroughly. In 1929 and again in 1930 she had au audience with Pope Pius XI.

One day while in San Paolo fuori le Mura, looking up the medallions of the Popes, she made a decision to undertake the life of Pius XI.

Once she had begun the book, she found herself looking at the world through the Papal eyes—insofar as it was possible for a non-Catholic layman to do. Her book was published under the title, "Pius XI: Apostle of Peace" and enjoyed a remarkable acceptance among both Catholics and non-Catholics.

Her approach was to create an interest in the personality behind the Pope.

"Their Name Is Pius," she pictures the characters of Pius VI, VII, IX, X, XI.

TONTI GOLFERS READY FOR SUNDAY'S OUTING

1-3 Thurs. . . . . 4221 Irving Park Blvd.

The next big council event will transpire Sunday, September 7, at Rob Roy Golf Club on McDonald Rd., between Wolf and Elmhurst Rds. This is the day of Tonti Council's golf meet. Plenty of prizes for the golf and card players. The fee is $1.65, including refreshments if you play golf, otherwise it is $1.00. Come out and spend an enjoyable day with your brother knights and friends. If you have no means of transportation, call Chairman Ray Demski at Juniped 6834 and you will be accommodated.

The U. S. O. Committee, with P.G.K. John Smith as chairman, is now supplied with tickets for the K. of C. Charity Ball to be held at the Palmer House Saturday, October 11. Other members comprising this committee are: P.G.K. J. Robert Anderson, P.G.K. John Olsta, Edward Ciessau and Joseph Wiedemann. An illustration of the zealous preparation for the Charity Ball was displayed last week when P.G.K. John Smith, his wife, and P.G.K. Charles Ruszkowski with his wife, stopped in at McHenry, Illinois, while on their way to McCullom Lake.

It seems a dance was in progress, and the two couples stopped in to brush up a bit on their stepping. Presently an old fashioned waltz contest was announced, and we are proud to say that P.G.K. Charles Ruszkowski with Mrs. Smith as his partner, reached the finals. With such enthusiasm, all our brothers should be imbued for the Charity Ball, as the proceeds go towards the N.C.S.S. fund for recreation for the boys in the service while visiting Chicago. Price, $1.00 per person. If you desire to be a patron, the cost is $5.00 and includes two tickets and your name on the official program. Do not delay, as the time is growing ever shorter.

BOWLING ENTRIES

If you have not sent in your entry blank for bowling, please do so at once. The league starts Tuesday, September 9, at the Milford Alleys, Milwaukee Ave. and Pulaski Rd., at 9 p. m. You need not be an expert bowler. This is one activity which means a great deal to the council. It creates a very intimate spirit of friendliness among the membership, and at the same time is a clean competitive sport, where although you may get plenty of ribbing, nevertheless you enjoy and welcome it.

With the slogan "First and Second Degree in Tonti Council before Columbus Day" constantly before us, we turn our minds to our quota of 10 per cent based on the membership as per July 1, 1941. This point cannot be stressed too much. You no doubt have received the letter mailed to all members by our Grand Knight, Louis T. Buettner. Enclosed therein was an application. Now, this application was not sent you to be placed among your souvenirs, but was sent for your convenience in asking some Catholic genteleman to enjoy the privilege of being a member of Tonti Council. Every member to secure at least one new member should be our goal. There is no doubt but that among your acquaintances or family there is a prospect for K. of C. membership. And with your cooperatoin and persuasion fulfillment of our slogan will be realized.

The Scribe feels a little disappointed because last week it was announced that Bro. Stanley Paszynski, pinochle champ of the Fortonti Club who was motoring through the west, promised to make good one of his dreams. that of driving a golf ball off Pike's Peak, has failed to realize his aspiration. Upon more detailed questioning, Bro. Paszynski attributed his failure to an attack of "acrophobia" (altitude fever), so all you boys who wagered that the ball would not be found for at least a year can cancel your expectations of finding the ball on your next trip west.

Don't forget the Fortonti Party to be held Friday, September 26, at Stellas Hall, located at Belmont and Kostner Ave. From reliable sources we heard that the prizes are worth your while.

With things back to normal after Labor Day we are looking forward to seeing you regularly at the meetings, and don't forget the Lecturer's meeting, September 11, at 4719 N. Harding Ave., at 8:30 p. m. All members invited as are also your suggestions, co-operation and criticism, if any.

Priest Urges U. S. to Make Red Demands

New York—Russia should be induced to make some guarantees that she will eliminate at least "the most flagrant persecutory abuses" with regard to religion before American assistance to the Soviets in their present war with Germany be extended, declares the Rev. John LaFarge, S.J., Associate Editor of "America," in a recent issue of that magazine, which is published here weekly by the Jesuit Fathers.

In the Russo-Nazi war, he points out, is "the battle of two revolutions, not merely two nations," and yet, he adds, "one of these combatants, Soviet Russia, looks to some sort of help from the United States." "Are we to be such shortsighted creatures," he asks, "as to deal with a revolution, in extending this aid, precisely as we would with a mere nation?" "If we are thus short-sighted," he says, "and make this mistake, we shall find the revolution will return to plague our doorstep."

He cites four guarantees that the United States should demand of Soviet Russia in exchange for American aid "in order to show at least some semblance of religious freedom in Russia." The four guarantees urged by Father LaFarge are:

Permitting the instruction of youth in the religion of their parents by parents themselves and teachers of respective religious bodies; cessation of anti-religious propaganda, "which is now carried on as a major activity of the Soviet government," and freedom to speak and write in favor of religion; release of Catholic and non-Catholic clergy and laity from concentration camps; and permission for the reopening of Catholic churches and for public use of them.

Pointing out that the anti-religious activities of the Soviets have been an essential part of the Russian revolution, Father LaFarge says "any real break with religious persecution in Moscow means a break with the revolutionary movement as such." "It means a choice of purely national existence as compared to party existence," he adds.

Illinois Plans Fall Programs to Insure Meetings of Interest

1-3 Mon. . . . . 64 E. Lake St.

This—is—September. And so your Grand Knight is busy getting a program for the year which will be entertaining, instructive, and elevating. All of this in conjunction with the lecturer of the council—John Spaulding Robb.

As you read this, the council members with their friends will have assembled at Comiskey Park to witness the final night game of the year between the Sox and the St. Louis Browns.

Your scribe is striving, we would say, valiantly, for thoughts that would be of interest to the average council member, which is not always an easy matter. The last time we set our personal thoughts down, in the issue of August 1, we discovered, not to our surprise exactly, that at least three members disagreed with us.

Well, we had some suspicion that thoughts of a scribe in hot weather would not necessarily meet with universal approval. Our aim is, as long as we continue as scribe, to give the news of the council (which is some times difficult to get) and to relate the news in as interesting a fashion as our ability would permit.

In connection with our article of August 1 we were flattered in receiving a letter from a member of Englewood Council, a man of the highest standing professionally, commending us for our frankness. In that letter was a statement which we quote from memory: "The average person spends a whole life time trying to conceal his innermost thoughts from even his closest friends." How true these words are.

The next meeting of the Council will be Monday, September 15, at De Paul Hall, 64 E. Lake St. I am sure the Grand Knight and the Lecturer will have an attractive program for that first fall meeting.

SOUVENIR CARDS GIVEN SOLDIER COMMUNICANTS

Mitchell Field, N. Y.—Each soldier who receives Holy Communion in the Catholic chapel at this air corps station will be given a souvenir card showing the date and the chaplain's name, which may be sent to his family or, if kept on the person of the soldier, "will serve an invaluable purpose in case of accident," it has been announced by the Rev. Paul Giegerich, chaplain at the field. The cards bear a cross and the flag of the United States, with the inscription "For God and Country."

Better Students

A report from an American university shows that students who are working their way through the university are, as a rule, considerably better students than those who are having all cost of their education paid by their parents. That's natural. When a young man is stoking furnaces and waiting on table in order to get through college, he's a whole lot less apt to take the whole thing as a pleasant, unimportant loafing period than the chap whose dad pays all the bills.

A college education means something to the self-supporting student. And it's apt to do something for him, too—which is more than you can say for the other student.

UNIVERSITY COMPLETE PLANS FOR GREAT YEA

2-4 Tues. . .. St. Ignatius Auditori

G. K. Murtaugh, in his usual co petent executive fashion, outlined program and organization of the cou for the coming year at our meeting Tuesday, August 26. A small but ent siastic group attended the meeting, va tions still keeping away a number of regulars. A pocket-size copy of year's program will be sent out soon all members, but for your guidance, September events are as follows:

Tuesday, Sept. 9, open meeting. L turer's Night.

Friday, Sept. 19, league bowling op at Howard Bowl, 1777 Howard Ave. Doyle, Pres.; Tom Dasse, Secy.

Sunday, Sept. 21, last softball at gion Park, staging a grudge fight betw the Kane and Ryan teams.

Tuesday, Sept. 23, business meeti refreshments, cards.

The rest of the year will be as in esting, so we look for many of our o and younger brothers to set aside dates for all University affairs.

APPOINTMENTS

The scribe's sketchy notes of last we meeting reveal the following appoi ments as committee chairmen—additi and corrections will be listed next we

D. G. K. James Brown, Members and Lapsation, with Michael Brown co-chairman; Retreat, Fred Rondeau Bart. CATHOLIC SCOUTS AID ARMY, NAVY CHAPLAI

Boy Scouts in 4,000 Catholic Tro and Packs are making their contri tion to the welfare of our defe forces by collecting current Cathe reading matter for the soldiers d sailors. The plan was worked out co-operation with Most Rev. John O'Hara, C.S.C., Military Delegate.

Many troops are also undertaking their handicrat programs to make religious articles which are needed army and navy chaplains. Individ troops have been asked to "adopt" or more military chaplains, and asc tain their needs in missal stands, c dlesticks, credence shelves, porta collapsible altars and other articles.

Neri Member Receives Civic Appointment in New Defense Measure

1-3 Tues. . . . . 7515 Yates Ave.

St. Philip Neri Council has been honored with the appointment of Past Grand Knight John P. Quigley as a member of the Defense Week committee for the South Shore District. It is part of Mayor Edward J. Kelly's program to unite all of the city forces in war-time preparedness.

This is the second distinction bestowed upon Bro. Quigley by the city of Chicago. He was chairman for South Shore District of the Aluminum Week, which was another contribution of the city in aiding the federal government.

Bro. Quigley, who owns a real estate business bearing his name, also is interested in another civic project which is redounding benefit not only to South Shore but to St. Philip Neri Council as well. He is currently president of the South Shore Community Council, which is composed of various civic organizations. The function of the council is to map out plans for the betterment of the district.

Incidentally, South Shore Council was originated by another Knight of Columbus, Ald. Thomas J. Daley of the Seventh Ward, who is a member of Santa Maria Council. Like Bro. Quigley, Bro. Daley has conducted himself well while in office and is a credit to the Knights of Columbus. He has obtained many improvements for the Seventh Ward in which territory St. Philip Neri Council is located. Bros. Quigley and Daley make a fine team.

SOUTH SHOREITIS: Do you have trouble with your telephone or have you any suggestions for the betterment of the service? Then see Bro. Allan Franklin Stephanson, who is in charge of South Side traffic. Why not a "Telephone Night"? Bro. Stephanson can show films on the recent inauguration of the dial service. Bro. Stephanson, who is past lecturer of the council and past president of Woodlawn Lions, is capable of presenting an interesting as well as an entertaining night.

Like all hayfever victims, Bro. Johnny Miner is having his troubles.

Sepaking of troubles, Bro. J. M. O'Connor is having his, too. He wrenched his back while swinging a golf club. That was two weeks ago.

Bro. John Rooney finds that the best spot to read a paper at home is the front porch.

Steel may be made so hard that it will scratch glass or so soft that it can be scratched with a needle.

CHICAGO, SEPTEMBER 5, 1941 — 100

Support for the Foreign Missions

His Excellency, The Most Rev. Samuel A. Stritch, Archbishop of Chicago, will this Sunday, in a message to the clergy and to the 1,500,000 parishioners of the Chicago Archdoicese, direct attention to the pressing need for our unlimited support to the foreign missions.

In his letter Archbishop Stritch explains that, "In these days when all over the world men have turned from their peaceful pursuits to the works of war and destruction and many nations are pitiful victims of war's tragedies, our thoughts instinctively turn to Our Holy Father, the Pope, the Shepherd of Christendom, and we offer to him our filial devotion and for him our fervent prayers.

"Now one of the great important responsibilities of Our Holy Father is to watch and tend the Foreign Missions. As the Vicar of Christ he must see to the preaching of the Gospel in infidel lands. Only yesterday the Church had much reason for consolation from the increasing progress made by the missionaries in these lands. Foreign Mission Seminaries sprang up in many places and the missionaries were on the increase; devoted sisterhoods went out across the seas to establish schools and hospitals and institutions of charity for the poor of the foreign missions parts; mission aid societies were making ever more alert the conscience of Catholics everywhere towards mission support; more than seven hundred and fifty thousand converts a year were reported to the Central Foreign Mission Office of the Church; native priests and bishops were beginning to take over certain developed areas; it looked like we were entering on the foreign missions an era comparable to the periods in which Europe and Asia reached out and accepted the Gospel of Christ.

"What a change has come to pass in the foreign missions fields! The world war has stopped the flow of alms from many countries to the missions; it has cut off the supply of missionaries and pious religious; even in many mission posts the achievements of yesterday are in grave jeopardy. And the foreign missions turn to the Pope with outstretched hands asking for help. It is not difficult to picture for ourselves the sorrow of the Holy Father when he finds his purse empty and himself unable to provide fully for the teaching of the Gospel in pagan lands. Although in his great gentility of soul he has not voiced the anguish which torments him in his charity.

"We understand that practically the only people, which by God's gift still have an alms to give him for the missions, are the peoples of this western hemisphere. In our great filial devotion to the Vicar of Christ these days we need no appeals to spur us on to give more generously for the missions, for we are anxious to do this charity and lighten some little bit the burden of our Chief Shepherd. All that we ask is the opportunity. Frankly I am proud that my priests and people last year gave very generous alms for the Missions of the Church and I know that this year, since economic conditions for them are better, that the offerings for the Missions will be the most generous in the history of a generous Catholic people.

"Pope Pius XI once called The Society for the Propagation of the Faith "the arm of the Pope in the Support of the Missions." This Pope who will be known in history as the Pope of the Missions begged Catholics everywhere to enroll themselves in this great Mission Society. In our Archdiocese once a year early in September in all our parishes, memberships in The Society for the Propagation of the Faith are solicited on an appointed Sunday for Home and Foreign Missions. Thousands of our good people in other years have enrolled themselves in this Society. Still as we look over the membership list there are many other thousands who until this time have not become members. The membership offering is only a small alms which in these days most every Catholic can afford. This year we wish to increase the memberships in this Society, so richly endowed with Indulgences and Spiritual Favors by the Holy See. Indeed we ask all our people to keep in mind the urgent need of the Missions, to recall that this need is a challenge to our charity and to enroll themselves in The Society for the Propagation of the Faith on the appointed Sunday in September."

Now among the many projects in the field of Catholic Action that are recommended to the Knights of Columbus, none should strike closer to home than that which stems from the same principle that emanated from the heart of Columbus when he set sail to seek an unknown world to spread the word of God. As Knights of Columbus we can in a small way demonstrate this same devotion to the spread of the Faith by our loyal enrollment, on Sunday, September 14, in the Society for the Propagation of the Faith as endorsed by Archbishop Stritch.

Nazareth Takes Verse Way of Lamenting the Passing of Vacation

2-4 Tues.....17 W. Harris, La Grange

Labor Day, O Labor Day,
We're sorry to see you here,
Because we know when you're around,
The end of vacation is near.

Cute. Don't you think so? Neither do we, so just skip it. Well, all good things must end, so here we are again after two weeks of taking life easy. Drat it! Only fifty weeks more to the next vacation.

Well what has happened since we went into temporary retirement? Looking around we can find nothing startling. Things seem to be the same as ever. Nothing happens even when the scribe is on vacation. Maybe at our next meeting (Sept. 9) we will be able to renew some contacts and find out what has been going on.

Now that the summer is over we hope some of the boys will resume the practice of attending meetings. Some we have not seen for too long are Phil Bellerive, Tommy Bird, Neil Buller, Jim Caterina, Bill Galvin, Jack Feeney, Bob Gibbons, Frank Kraman, Ben Martin, Bill Murrin, Walter Rosemeyer and several others we can't think of right now. At our next meeting we will vote on the purchase of missals for those of our council who are now in camp. You should be on hand to express your opinion on this worthwhile subject.

We regret to announce that Clifford Boivin, Sr., father of Bro. Cliff Boivin, Berwyn, recently died from the effects of injuries sustained when he was struck by an automobile. Please remember him in your prayers.

DUES-R-DUE

Here it is September and that should remind all of us that it is near the beginning of another quarter in our fiscal year, meaning, of course, dues. How do you stand? Please check up and make sure you are not in arrears. Financial Secretary Polivka says that it is always open season for paying dues. He'll take your money any time.

Anybody got any house painting to do? See DGK Leo Kritz. He is certainly doing a mean job of painting on his home in Downers Grove. In order to get the job done quicker he was recently seen with a paint brush in each hand. Neat trick if you can do it. We hear that Mrs. Himpler, wife of PGK Himpler, won a contest at a recent picnic held by the Hawthorne Rod and Gun Club. Seems like they had a row of dummies set up for the girls to throw rolling pins at and Mrs. Himpler aimed so unerringly she knocked the hat off every dummy she aimed at. Looks like our lecturer made a wise decision when he barred this contest from our recent picnic. Why encourage a thing like that? At this same picnic, our scouts advise us, PGK Himpler acted as umpire of a ball game. Nothing strange about that is there? But hold everything. This game was between two girls' teams. Yoo hoo! Casanova himself.

Understand our lecturer has in his possession a girl's coat, rose colored with a velvet color, which was found on the grounds after our recent picnic. If this coat belongs to your youngster be at the next meeting and the lecturer will turn it over to you.

Got a card from Anton Ziegweid, mailed from Detroit, Mich. Tony and Mrs. Ziegweid were on a Great Lakes cruise on the S. S. North American. Tony said he was enjoying the trip and not a bit seasick. The old seadog!

Bowlers, attention. Have you signed up for the season yet? Better get going. Teams are now being organized and will be under way soon. You west enders wishing to bowl this year, get in touch with Leo Kriz; east enders, contact Pete Johnson.

he handsome young gentleman om we place under the microscope examination and comment is our ently elected Chancellor, James ncis Woodward, a recent newcomer our ranks, entering the realm of C. fraternalism in May 1940.

is schooling began in St. Thomas uinas and from there continued ough St. Mel's High School and De l University and at the present time is a parishioner of St Thomas.

s a practical Catholic and typifying present day trend of young men ards increased interest in the acties of the Church and Catholic Ac-n, Jimmie has been president of the Thomas Aquinas Young Peoples b, a director in the Catholic Men's b and also active in the St. Thomas uinas Dramatic Club.

t present, James is connected with advertising department of R. H. nelley & Co. However, the most imtant event to take place in Brother mmy's life, as he will eventually disver, will occur next Saturday morn- Sept. 6, when Miss Laurene Marret Mary Mullen will become Mrs. mes Woodward in St. Sylvester's rch.

t this point we might offer some ice on the care, feeding and educa- of wives, but the subjects will be h more highly interesting if found at first hand. Anyway, why should give away hard earned knowledge. read, we wish to offer our heartiest ratulations and best wishes to the ure Mr. and Mrs. James F. Woodds, and that the enjoyment of a long and happy married life be theirs.

We do hope, Jim, that in your treaty of peace with the pretty and charming young lady, you expressly stipulate the second and fourth Wednesdays of each month are your nights to attend meetings of your council. Good luck and good fortune attend you both.

THE SOUNDING BOARD

The financial reports on the monetary condition of the council may be somewhat confusing to the uninitiated, but you can't deny that Jim Grace doesn't take his job seriously.

St. Paul's Golfers to Play at Rob Roy Club on Saturday, Sept. 20

1-3 Tues.....6713 Olmsted Ave.

The golf committee had a meeting last week during which it was decided to try an innovation in council golfing tournaments. That is to have the Fall tournament this year on a Saturday instead of Sunday. So accordingly, arrangements have been made to play at Rob Roy Country Club on Saturday Sept. 20. This will be an all day golfing date with dinner in the evening. So come early and bring your friends. The committee also plans on having prizes that should please the ladies so that while we will not have them with us for the tournament, you can bring something home that will be valuable and a surprise to the frau.

This will be the last out-of-doors get-together for the season and it is hoped that all of you golfers will keep your clubs in active service until at least after that date. As this is the first tournament under the chairmanship of P. G. K. Henry Blim, we hope that you will give the same support to this event that you have in other council doings and thereby give Henry the encouragement desired to go after the Spring tournament in top form. Anyway, what we would like to see is the backing given to our P.G.K. that he informs us, he has been accustomed to during the years he was the "lead man" of the council.

The meeting of Sept. 16 will be celebrated as "home-coming night" in honor of our P.G.K. and State Secretary Ray Gleason. This is to be one of the biggest evenings on the program of Lecturer Joe McDowell. Several members of the committee for this evening have told us of the arrangements being made to really do signal honor to our First Grand Knight and we take it, from what has been said, that the committee will go to town on this occasion.

It is hoped to bring out many of those old timers who shared the trials and tribulations during the formative stage in the creation of St. Paul of the Cross council and its period of infancy when there was plenty pep and enthusiasm which not only laid the foundations but built the edifice which has become known, in K. of C. circles, as the greatest little council in this district. To hear the boys tell of "the good old days" they did things in a big way. But they were soon to suffer "growing pains," "strained muscles" and "pulled tendons" when the dark and gloomy years after prosperity suddenly came upon them.

During all of these trying years, Ray has given freely of his time, advice and guidance to the council officers and particularly to the succeeding grand knights which, I am sure, has resulted in our council withstanding the scorching of adversity and is now well on the way to resume its place and progress in a manner that will astound even its own membership.

The faith which Ray has always had for the future of St. Paul of the Cross Council has been transmitted to all who know him and they too become imbued with fervor which can mean nothing if it doesn't augur well for the success of a council which, while not the largest in this district, is admittedly the best. We think, under the circumstances that all the members of the council, without exception, should not fail to attend the meeting of Sept. 16. Please mark your calendar accordingly.

It is claimed by some that buying gasoline before dawn gets you five gallons more in the hundred, because later in the day the heat of the sun expands the gas that you buy.

Leo Nine Rounds Out Champ Form for Softball War

1-3 Tues. . . . . 820 W. Garfield

If practice makes perfect, the Fighting Irish of Leo should be in first class condition when they take the field on Tuesday, Sept. 16, at 8:30 p. m. Leo plays the winner of the first game, which will be played on Monday, Sept. 15, when Hughes and De Soto do battle. Hughes Council are the defending champions. Both teams are very good and the game will be a hard fought one. "Hughes or De Soto, it makes no difference to the Fighting Irish of Leo; we'll take whoever wins the first game." The above statement by Leo's famous coach, Bro. John McCool.

Brothers, as these softball playoffs are to be held at Shewbridge Field, 74th and Aberdeen, it is a duty for all members of Leo Council to come out and help cheer our team to final victory. Our team is one of the best in the K. of C. League, and as such should have the support of the council. All of these games are well worth the price of admission.

Congratulations to Bro. George Wall of Perez Council on his election as president of Chicago Chapter, and to Bro. Robert DuMais of Fort Dearborn on his election as secretary of Chicago Chapter. The south side will surely have to go to town now on the sale of tickets for the Charity Ball.

Leo Council is out to do its best for the affair. Both regular and patron tickets may be had at the clubhouse. So, brothers, let's all answer the call of Grand Knight Breen and give District Chairman Bro. John Ruberry our fullest support.

The Columbus Day Charity Mill this year is for the new Catholic Community Service Center at 1122 S. Wabash avenue. Although the full facilities of the unit are not completely installed as yet, it is well worth seeing. Drop in, brothers, and look it over. I'm sure if you do, you will sell more than your share of tickets. Congratulations to Bro. James B. Carney, Fort Dearborn, as director of the new recreation center for service men.

HERE AND THERE

Bro. Bill Dempsey, president of Leo Fourths, spent his vacation at Atlantic City and Tabor Town. Bro. Jack Fanning dropped in at the clubhouse again last week. Come again and often, Jack. Bro. Christ O'Shea was a blood donor last week. Good work, Christ. Chancellor John Kelly and Mrs. Kelly are away on their vacation. Treasurer James D. Foley's daughter was married recently.

Leo Fourths: The next regular meeting of Leo Fourths will take place Monday, Sept. 8, at Leo clubhouse. All Fourth Degree members are requested to attend this meeting as the election of officers will be held.

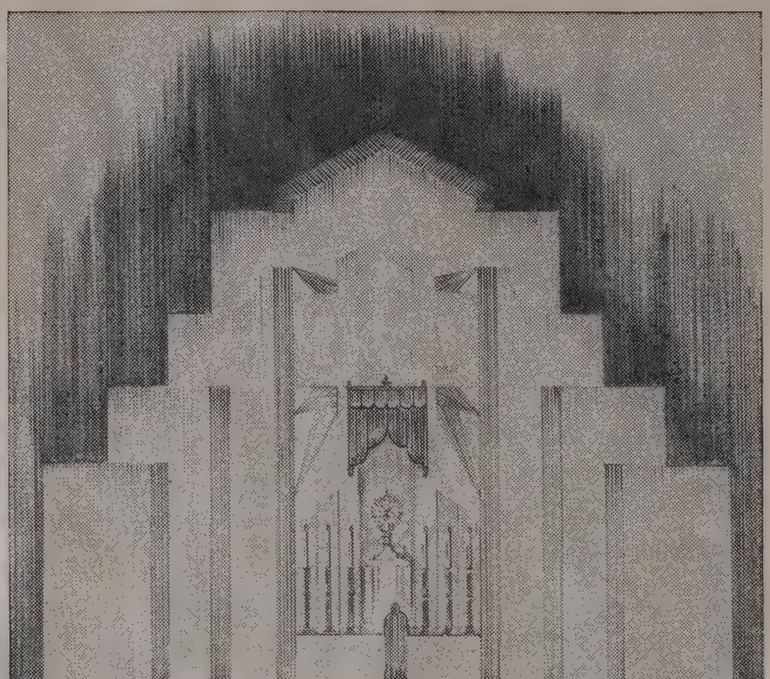
Flash: Next regular meeting of Leo Council on Sept. 16 has been postponed until a later date, so that the council may give its full support to our softball team, who play the first game in the finals on that date. Lecturer Vaughn promises that if the boys bring home the bacon we will have a real bang-up Leo celebration for them.

Dues: Our financial secretary, P. Joseph McNamara, is at the clubhouse every Tuesday and Friday to take care of all brothers who care to pay their dues.

Although the letter "e" is used most frequently, it is said to be more unfortunate than any other letter of the alphabet because "it is always out of cash, forever in debt, never out of danger, and in hell all of the time. Nevertheless, it has its bright side, for it is never in war and always in peace. It is the beginning of existence, the commencement of ease, and the end of trouble. Without it there would be no meat, no life, and no heaven. It is the center of honesty, makes love perfect, and without it there would be no editors, no printers, no news and no announcers.

A bird in the hand won't do you any good unless you visit the K. C. Softball finals Sept. 15-18 at Shewbridge Field.

Artist's Sketch of Holy Name Holy Hour Altar



When the Holy Name Holy Hour transforms Soldier Field into a mighty outdoor cathedral on the night of September 14, this altar will be the focal point of interest. Designed by McCarthy, Smith & Eppig, architects, the impressive altar, set against a towering 40 ft. backdrop, will be illuminated in color as will its flanking screens. More than 200,000 Catholics of the Archdiocese of Chicago are expected to attend the Holy Hour.

Jersey K. C.'s Provide Rosary Prayer Rings to Catholic Men in Army

Catholic young men serving in the United States Army will soon receive new type Rosary Prayer Rings especially created for Army use by two Catholic chaplains.

The new Rosary Prayer Rings, measuring about one inch over all, are made of brass and are flat. Advantages, as explained by Army chaplains are threefold: They will not break, they can easily be carried in a soldier's pocket without taking up too much room or becoming entangled, and a hole in the top permits them to be worn around the neck.

The Prayer Ring may be used by the soldier placing it on his finger, saying the Lord's Prayer on the Crucifix and ten Hail Marys on the Garland of Roses while turning the Prayer Ring.

Co-inventors are the Reverend Fathers Captain John D. Duggan, of Buffalo, N. Y., Chaplain of the 1229th Reception Center; and Major George Crone, of Chatham, N. J., Division Chaplain, 44th Division. Both Chaplains are stationed at Fort Dix, New Jersey.

The Rosary Prayer Rings will soon be distributed to soldiers throughout the nation by Chaplains attached to the various Army units. They are being provided by the Jersey State Council, Knights of Columbus.

At the annual meeting of the Eugenics Research Association in New York, Dr. Ira Wile reported that insanity is four times higher among divorced persons than among the general population.

Soldiers Have Rare Experience in Oldest Shrine in America

Providence.—Private Edward Coderre, former champion heavyweight boxer of Rhode Island and now champion of the 43rd Division, and Edouard G. Heroux, also of this state and that division, are good Catholics. Members of Battery D, 103rd Field Artillery, now stationed at Camp Blanding, Florida, went off, the other week-end, on a side trip to St. Augustine, and on Sunday morning looked around for a Catholic church where they might attend Mass.

Not only did they find a church, but God rewarded them for their constancy in their duties by ordaining that it should be St. Augustine's, the oldest parish in the country, and that they should have the opportunity of meeting and talking with Most Rev. Joseph P. Hurley, D. D., Bishop of St. Augustine.

Writes Private Heroux: "A lady directed us to the Shrine where the first Mass was said in 1565, and added that we were lucky. She said Bishop Hurley says Mass there once a year, and that was the day. Arriving there a few minutes early, we started to visit the beautiful statues and relics. Then we bought each a prayer book and a chain and cross. Coming out of the little chapel, Bishop Hurley saw us and started to walk up to us. He stopped and said, 'I am very glad to see at least two soldiers are here to attend Mass.'

"He introduced himself, then we did the same. We asked him if we could have our pictures taken with him. He said, 'Yes, but you'll have to hurry.' We had our prayer books and chain and crosses blessed by him. We like the ceremony very much."

Metal Content of Some Vatican Coins Changed In Keeping with Treat

Vatican City.—Changes recently effected in the metal content of certain of the coins of Vatican City were made in keeping with an agreement between the Holy See and Italy.

One of the general conventions entered into in connection with the Lateran pact is that there shall be full conformity between the coinage of the Holy See and that of Italy. In keeping with its policy of using only material available within the country, Italy changed the metallic content of certain of its coins. Adhering to its convention with Italy, Vatican City has changed the content of four coins which previously were made of nickel. The new metal is called "acmonital," and has been described as an alloy of steel and aluminum.

The five other pieces of Vatican City coinage—one gold, two silver and two copper—remain unchanged.

SWISS CATHOLICS REMAIN FAITHFUL TO THEIR PRESS

Geneva.—According to the 1940 report of the Pressverein, Swiss Catholics are remaining faithful to their press. The S.K.K., which serves the Catholic press here, has proved to be indispensable as a source of authentic news from the Christian and Catholic standpoint, K.I.P.A., the Swiss Catholic international press agency, partly supported by the Pressverein, is providing international news which it would be difficult for editors to do without and particularly at this time.

The Bishops of Switzerland recommend the Pressverein to the generosity of the faithful and urge fidelity to the Catholic press.

MEMBER DATES

We understand that DeSoto's dashing bachelor, P. G. K. Peter N. Kandel, his mother and sister Mae left on a tour of the Great Lakes region. Incidentally, Bro. Kandel promised this column an "exclusive" on any news should he ever decide to join the benedicts. Not having heard from him at this writing, I believe I am safe in stating that his status has not changed.

On August 24 a husky young fellow, who might well be considered a prospect for the 1963 College All-Star football team, made his appearance in the Al. Konitzer household, when Al's charming wife, Barbara, presented him with a 9-lb. bouncing baby boy, who, from the latest reports, is heavyweight champ of the nursery at St. Joseph's Hospital. Both Aloysius George, Jr., and his mother are doing fine.

Just received word that Bro. Pat Doyle, who for many years entertained DeSoto with his Irish wit and humor, is now enjoying an extended visit at Alexian Brothers resort, Signal Mountain, Tennessee. Now that you have a lot of spare time, Pat, how about scribbling off a few lines to DeSoto now and then?

Our financial secretaries, Bros. Dick Erbash and Mike Behles, Sr., announce a decided decline in the payment of dues during the vacation months. They request that the members give this important item of Council business their immediate attention so that it will not be necessary to inaugurate the suspension system.

I am informed that during the past week Bro. Bill Jackson submitted to a blood transfusion at the Grant Hospital. The patient was in a very serious condition and after giving his blood Bro. Jackson stood nobly by awaiting a further call. Good work, Bill.

Last week Bro. Ed. Sullivan came to the realization that he is not the gay young blade he was 25 years ago. Bro. Ed. attempted to lift the front end of a hearse and the only thing that gave was his back, consequently he was laid up several days recuperating from the injury.

Ravenswood to Spend Much Energy on Drive to Expand Membership

1-3 Wed. . . . . 1521 Wilson Ave.

G.K. Michael Citti is formulating plans for a concerted drive on the part of Ravenswood Council to gain new members. He hopes that every Ravenswood member will attend one of the regular business meetings in the near future and make a personal report to him on any prospective members he may have in mind. He will give all possible aid in carrying out a plan for bringing those prospects into the council.

If each member were to turn in the name of only one Catholic man that the membership committee could help him with, Ravenswood would surely gain a number of new members. Many young Catholic men are waiting only for an invitation to join the Knights of Columbus. Why not be the one to carry the message?

Bros. Adler, Fletcher, Labich, Fortmann, Engel, Shilling and Art Bresnahan were among those at the last meeting. Ye scribe hadn't seen any of them for some time and noticed they were busy visiting with all the council brothers. Young Joe and Lawrence Grady attended with their father, our popular "old reliable" Joseph Grady. Since your writer has contacts with the Grady family, he can't add so readily "nice to see them again after such a long absence."

It's nice to see them all right, but we wish Joe would get back from that New York trip. But Joe isn't the only Ravenswooder back east! There was a card in the box the other day that had been mailed in Atlantic City. It came from George Schaeffer, and stated that he was having a fine time. We grew a little envious reading about that ocean swimming.

Time is short and deadline is near all because scribe and family took a little auto ride that blossomed into a trip to Iowa and trip tired scribe so he neglected notes. A most happy Labor Day to all of you—as of last Monday.

Barry's 'Round-Up' Offers Fine List of Entertainment

1-3 Tues. . . . . 2856 Washington Blvd.

This is the last word on the Barry Round-up, so pay close attention. Make your reservations NOW with Mike Cunningham at 2856 Washington Blvd. The faster they come in, the better the party.

Our golf course is the best there is—better this year than ever before. Prizes will be plentiful and well distributed to dubs, par-golfers and non-golfers. (If you want a little advertising, send in a prize.) Distribution of prizes to take place at the Red Barn at 6 p. m., Sunday evening.

Foursomes—If you can't line up with someone to play with, come up and we will take care of you. Entertainment—Gathering at the "Old Red Barn," Saturday evening. Special—If you cannot come up Saturday to get in that practice round of golf, come up Saturday evening for the fun. Be sure to be on hand early Sunday to get your golf in.

Cost—Golf, Saturday and Sunday, lodging Saturday night, $3. Lodging and golf on Sunday, $2.50. Golf only on Sunday, $1.50. Lodging only on Saturday (no golf), $1.50.

36TH ANNIVERSARY PARTY

Lecturer Bill Kennelly reports that things are shaping up nicely for our big party on Nov. 8 and urges all the boys to get busy and sell their tickets and to make returns for them as quickly as possible. Bill says he has heard one of the boys has 29 ads he is anxious to turn over to the committee. Believe me, the committee is mighty anxious to see this brother. (Jim Shirley, Conley, please note.)

FRONT PAGE NEWS

Last Thursday Tom Hoskins was the recipient of a censored letter from Plymouth, England (his birthplace), indicating that his cousin was killed in a recent air-raid on that historic seaport. He and his wife were trapped in the cellar of their house. His badly mangled body was not located until the following day. His wife, however, was extricated several hours previously, having sustained minor injuries. The communication goes on to state that Plymouth is now a shambles—a city of devastation, carnage and ruin.

CONDOLENCE

We regret to learn that Miss Josephine Fitzgerald, aunt of our brothers, Bill and Jerry Dunn, passed away on Aug. 28 after an illness of several months. Miss Fitzgerald was long a staunch supporter of our West Side Basketball team and every Sunday in the seasons past was on hand to cheer our boys. To her family and host of friends we extend our deepest sympathy. May her soul rest in peace.

It is also our sad duty to report the death of Mrs. Julia Walsh, mother of Brother John B. Walsh, who passed away on Aug. 26. To the bereaved family we extend our heartfelt sympathy. May her soul rest in peace.

PERSONALS

Did you ever hear the story of the man who complained to the bartender about the weakness of his drink, only to find out he himself failed to put the liquor in the gingerale. Ask Larry Westphal, he knows all about it.

Andy and Mrs. Try celebrated their thirtieth wedding anniversary on Saturday, August 30, and Andy celebrated his (?) birthday on Sunday, August 31. We sincerely hope the Trys will have many happy returns of these days.

We understand the three musketeers—Dan Hernon, Bill Radke and Andy Greeley—are vacationing up at the Lakes. We hope Dan and Andy can prevail upon Bill to control his appetite so he won't lose his sylph-like figure.

We understand the cream-puff boys have been failing to get their regular table out at the Tower Inn and that they are mighty put out about the whole thing, especially the lad escorting the young lady who consumes quart after quart of milk.

We have just heard that Bro. Ed Eckles has been operated on at Hines Hospital and that he is coming along very nicely.

BARRY BOWLING LEAGUE

Last Thursday night the officers of the Barry Bowling League met at the clubhouse and drew up a schedule for 1941-42. The league will bowl at the Cascade Alleys, 3825 W. Madison street, every Thursday night at 9 p. m. and will start the season on Thursday, Sept. 18, bowling for thirty weeks with a sixteen-team league.

With the two additional teams there are openings for several more bowlers, so any of the members desiring to shoot in the league this year are asked to turn their names into the clubhouse or else try and attend the next league meeting at the clubhouse, Thursday, Sept. 11, at 8 p. m. At this meeting the teams will be picked and all other details for starting the league on Sept. 18 will be settled.

A double postal card with return answer is being sent to all the bowlers and prospective bowlers and the brothers are asked to answer the questions and return it to the clubhouse as soon as possible. We have a scoop on the coming National K. of C. Bowling Tournament which will be held in Cleveland, O., and have got Saturday and Sunday, Apr. 18 and 19, for the squads from Barry. Our good friend, John Chase (the Lone Eagle), chairman of the athletic committee, has some wonderful things planned for the bowlers, and this information we will pass on to you very soon. So shine up the ball and the shoes and get ready for Sept. 18.

La Rabida Invites All to Start Season Right by Attending Next Meet

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, Sept. 9. This meeting will open the fall activities of the council and no doubt our worthy Lecturer, Dr. William Latchford, will be on hand to give us a full and complete report of his fall social calendar.

Let's have a large attendance on this night, brothers, and thus show our interest in our council officers and the things which they are undertaking for our benefit.

BOWLING: May I again call your attention to the fact that if you are interested in bowling with the council, to please get in touch with Bro. Harry Dion without delay. It looks at the present writing that bowling will be a popular activity of the council this year. So let me caution you not to wait too long and then be disappointed.

SOFTBALL: Arrangements are now being completed for the finals of the K. of C. Softball League to be held at Shewbridge Field, 74th and Aberdeen Sts., Sept. 15, 16, 17 and 18. Three games will be played each evening starting at 7:30 o'clock. I am sure that La Rabida Council will do its part to make this sporting event successful, even though it was not our good fortune to have a team entered in the league this year.

Wise is the man who laughs at the pointless jokes of his wife.

Ketteler Reminds Members of Holy Hour on Sept. 14

2-4 Mon. . . . . 3437 Ogden Ave.

A regular council meeting will be held on Monday, Sept. 8. Our Worthy Lecturer, P. G. K. Tom Bogan, has arranged a program of interest to all members. A large number of slabs of bacon will be distributed to those who attend. Now that the vacation season has drawn to a close, we shall look for a large gathering of brothers at this and future meetings.

CATHOLIC ACTION: We would like to call the attention of all brothers to the Holy Name Holy Hour to be observed at 7 p. m. on Sunday, Sept. 14, at Soldier Field. While the council will not participate as a group, the officers hope that every brother will be present as a member of his parish Holy Name Society. In these troubled times it is well to remember the dependence of man on God and, in consequence, to support His hierarchy in their plans for prayer for our own welfare.

BOWLING

By the time this copy is in your hands, the 16 teams of Bishop Ketteler Council shall have opened the bowling season. The officers of the league have been very busy with the work of organization and have accomplished their task in noteworthy fashion. We know that all bowlers appreciate the earnest manner with which the officers have approached the problems that necessarily arise in a league as large as ours and offer their thanks. By the way, how did the pins fall? We hope you weren't railroaded too often. Any 300 games yet?

VACATIONS: Brother Frank Dobes and his wife send greetings from Duluth, Minn. Frank has toured Wisconsin, western Michigan and Minnesota and is still going strong. We wish you an enjoyable trip, Frank.

When Ed. Wenck visited Sayner, Wis., a large delegation of the town's citizens met him at the train and "blew him off." Ed says fishing was poor, but he did see two suckers caught one evening, or were they goldfish, Ed? He met two brothers, Jerry Creegan of Leo Council and Bill Miller of Brownson. Bill, formerly of Chicago, is now manager of the Sears Roebuck store in Kenosha, Wis. Did you get all the rest you wanted, Ed?

DEATH: Brother Frank C. Zeglar, an active member of the council for many years, passed away suddenly last week. The officers and members of the council wish to express their sincere sympathy to his wife and children on their bereavement.

In passing, the scribe wishes to express his thanks to our Worthy Lecturer, P. G. K. Tom Bogan, and to our Worthy Recorder, Joe Sargent, for their very kind assistance in the past months for keeping the council news going.

Americus Will Show New Baseball Movie at Tuesday's Meeting

2-4 Tues. . . . . 3350 W. Jackson Blvd.

It was Tuesday Aug. 26 at 9:30 P. M. when George Foster Jr. sat back in his favorite chair on the back porch, lit a good cigar, puffed serenely and blew smoke rings at the ceiling. At that same moment the Lecturer of Americus Council, P.G.K. Kelly, was looking for Geo. at the meeting to give him the council Kush Keg gift. Well we warned him in this column, about being at the meetings. He could have bought the wife a new fall hat. Better have him come to the meetings "Barb." You have to be present to receive the present as the only exceptions are those Brothers training, in the service of our country, and those whose address is out of town (and we don't mean Berwyn, Wildwood or Beverly Hills).

Better be on hand at the next meeting, Tuesday Sept. 9. (It will also start at 8:30) as we will also have the American League Base Ball Pictures together with some Big League notables. You can bring along some eligible man or men for the showing of these pictures; they will start about 9:30 P. M. The Lecturer will probably have some refreshments on hand.

IN THE LIMELIGHT

The names of Americus members have been prominent in the Newspapers and on the Radio, bringing further honors to the Council and themselves. P.G.K. Michael J. Howlett was re-elected Supreme Director of our Order. Trustee John E. O'Brien elected Commander of the Cornwall Post of the American Legion. Bro. John Mooney elected Delegate to the National Legion Convention. Bro. Matt Klasen called to Washington,for a while, to help run the Government.

When a radio announcer at the White Sox Park wanted to get some vital statistics, on base ball, he had to call upon one of our members. Bro. John Phillips. (He will be at the next meeting.) Brother Pete Hayes submitted the yearly audit report to the Chicago Chapter, as only he can. He has been doing it for many years. We have learned that at least four of our Brothers, John E. O'Brien, John Mooney, John Joyce and Vern Collins, attended the State Legion Convention at Springfield. Some say there were eight there, but we don't know whether this was a morning or evening count.

Understand Bob Ryan has been laid up with an infected nose. If he would stick it in at a meeting once in a while maybe it would get better. Bob Taylor was in a bad auto accident, the other fellow's fault, got twelve stitches in his left arm, which was lucky—he is a right hand dunker. Ralph Dinges back, after visiting the scenes of his childhood around West Brooklyn, Ohio and Sublette, (all in the State of Illinois). We hope you had a good time Ralph. Wonder why they are calling P.G.K. Jim McSweeney, Brother Dionne? See where Bro. Tom Nolan Manager of Bonds Marison St. is back after his vacation. It would be cheaper for Inside Guard Sport Daddy Forty Nickel Corso to buy a portable phonograph. He would need only one record. Daddy. Manager Joe McGuire of the Soft Ball Team arrived at the Buffet Supper Friday Night about the time they sing that part of the ditty "The Farmer in the Dell" you know, "The Cheese stands alone" because that's all there was.

BOWLING get together Friday Sept. 12th, 8:30 P. M. at St. Phillips Gym. 3141 Jackson Boul. The League will be formed, officers elected and players selected for the different teams at this time. If you intend to bowl this year get your name in and meet the boys that evening.

The Ball and Chain just gave the order, (quote) We are going to the Chapter Ball Oct. 11th, at the Palmer House, they are going to play all kinds of cards there. (unquote) One time she made up our mind the way we wanted it. Just think Brothers, you can enjoy a variety of card games, dancing, entertainment and Perfect Companionship all on tap at the same time at the same place. See any of our U. S. O. Committee, Bros. Tom Gannon, Leo Joyce or Phil Koop for tickets or Patrons cards.

A few things we would love to see. A full house at the Chapter Ball. Chevrons on some of our Boys in the Army. Overflow crowd at our meetings. A flock of applications all signed up. Some Old Timers out Bowling. Corso with a Mustachio. The whole dang World at Peace.

Don't forget: Meeting. Sept. 9th. Bowling, Sept 12th; Holy Name Holy Hour, Sept. 14th; Meeting, Sept 23rd; Chapter Ball, Oct. 11th.

Columbus Meeting Tuesday Beginning of Regular Fall Schedule

2-4 Tues. . . . . 6932 N. Clark St.

During the month of September we will revert to our policy of two meetings a month on the second and fourth Tuesdays. At our last meeting on August 26, Grand Knight Al Irving made the following committee appointments:

Chaplain—Rev. Robert Mockenhaupt, 1630 Gregory St., Long. 1588; Catholic Action Chairman—Walter Neitschmann, 1943 Estes Ave.; Council Program Chairman—Dr. R. C. Schuler, 1615 Greenleaf Ave., Bri. 8194; Insurance Chairman—F. W. J. Sextro, 1217 Lunt Ave.; Publicity Chairman—L. Claude Dollahan, 1839 Estes Ave., She. 4381, and membership chairman Ed. L. Roche, 1704 Estes Ave., Rog. Pk. 7875.

ANNUAL CARD PARTY

Dr. Schuler is already making plans for our annual charity card party which will be held in November. We have to make a lot of money this year, because in addition to our regular charitable activities we have pledged $100 to the Mayslake Building Fund for the new retreat house. Two of our most loyal Columbus Council men, Art Shay and Walter Neitschmann, are on the finance committee for the retreat house. In fact, Art Shay is the chairman of that committee.

Incidentally although it is early to mention it, we want the largest class we have ever had, when we make our annual pilgrimage to Mayslake in December. For if our plans are executed we will make the presentation of $100 at that time.

Instead of waiting until a few weeks before the party to begin soliciting prizes, selling tickets, etc., Dr. Schuler wants us to start working now. His plan is to have individuals give parties in their homes for their friends in order to raise money in advance for prizes and expenses. The individual parties will serve the added purpose of advertising our party. If your guests are outside the Council it will acquaint them with what we are doing and they are reasonably sure to come to the affair in November.

COUNCIL ITEMS

Many Columbus Council men were at St. Jerome's Holy Name Society Golf Tournament on August 27. Fred R. Sextro finished just out of the money. His card of 86 was the fourth low, while the three ahead of him finished 81, 82, and 84. Fred shot par on the first nine. The man I really expected to win though was Bro. Art McGivern who must have had an off day. This spring Art shot a 78 in the rain at the Electrical Association tournament at French Lick to win the first prize.

Bill Slattery, who is well known for the important roles he has taken in Loyola Community Theatre plays was at the tournament. I understand Bill was formerly a member of our Council. We would like to have him back.

Grand Knight Al Irving is looking for patrons for the Charity Ball, October 11, at the Palmer House. He would like to know how many are going to attend.

At our last meeting Brother Edmund Michel, formerly of Paris, France, and New Orleans, La., was our guest. Mr. Michel is an inventor of national renown. Two of his patents are the skilsaw and the larmloc. Mr. Michel now lives in Chicago and may apply to transfer to our Council.

After our last meeting had adjourned there was a session of the Literary and Inside Straight Club. It was the first opportunity your scribe had of getting acquainted with the talents of Fred W. Sextro which are many.

September 14th at Soldier's Field is the Holy Name Society Holy Hour, which will undoubtedly be well supported by Knights of Columbus. All Columbus men are invited to join the Holy Name branch of St. Jerome's church and go down in a body. Announcements will be made later in this column of the time and place of meeting.

St. Francis Bowlers to Open Season Next Monday Night at 9:00

2-4 Thurs. . . . . 4711 W. Madison St.

Now that the softball season is practically over, bowling will take the spotlight come next Monday night. The season will get under way at 9 p. m. at the newly erected Jackson-Dearborn Recreation. All bowlers are reminded that it is imperative to be present at the opening session.

Here is the complete list of the ten teams and their sponsors:

Izzo Undertakers: N. Masse, Doc Vincenti, J. Consoli, P. Bruno and Doc Nigro.

Ald. Pacelli: F. Pasquale, A. Russo, N. Pintozzi, C. Criola and A. Arra.

Marks Motors: F. Arito, J. DeSalvo, D. Laurino, A. Vacca and P. Mazza.

Guigliano Florist: A. Frusolone, A. Guigliano, G. Lucca, M. Puccino and J. Pauletto.

Dot Pies: J. Casparelli, A. Caruso, S. Randazzo, J. Christ and N. DeMore.

Bacigalupo Undertakers: C. Principe, F. Ferrara, S. Cirrintano, T. DeMore and J. Defily.

Orlando's Buffet: L. Merisso, V. Belmonte, B. Mele, M. Mele and J. Caruso.

Paterno Pizzeria: T. Salvo, J. Scelso, C. Speziale, J. Gallo and J. Mauro.

Senate Electrics: A. Vitallo, L. Belpedio, P. Merisso, S. Defily and W. Iacullo.

Coletta Undertakers: J. Durante, J. Schiavone, Curbes, A. Raciti and L. Gregorio.

If your name is not in this list and you would like to bowl, be sure to be present. You might be placed on some team if there are any vacancies.

Next Wednesday evening, Sept. 17, St. Francis' softball team will participate in the city finals. The game is scheduled to start at 8:30 p. m., at Shewbridge Field, 74th and Aberdeen Sts. Admission is only 30 cents. Come out there and help the boys bring home the bacon this year. Last year, you recall, we took third place, and there is no reason why we can't step up two notches come next Thursday night about 11 o'clock.

The kick-off on the membership drive took place at a meeting last week of the membership committee. The committee is anxious to have a large first and second degree class by Columbus Day. This can be accomplished with the cooperation of all the members. The Century Club is calling us again. Can we let the call go unheard? The answer is NO.

All right, then, bring in those applications at the next meeting, Sept. 11.

Another activity that deserves our full support is the Charity Ball, Saturday, Oct. 11, at the Palmer House. This ball is being sponsored by the Chicago Chapter to raise sufficient funds to completely furnish the National Catholic Community Service Center at 1122 S. Wabash Ave. Tickets to the ball are priced at $1 and can be procured at the next meeting. For more information, see Trustee Anthony Raciti.

DOTS AND DASHES

We hear that Bro. John Callahan is in the army now. But that's all we know, so far. As soon as we get more dope, we'll let you in on it. . . . Bro. Dominic Belgio became the daddy of a baby boy the day after our picnic. Congratulations and don't forget the cigars. . . . Our best wishes to Bros. Jim Carney and Roy Bedore, who were appointed director and assistant director of the National Catholic Community Service Center.

Your prayers are requested for the repose of the souls of Pasquale Di Pasquale, father of Sir Knights Terry and Frank; and Doctor A. L. Vincenti, mother-in-law.

All members are invited to attend the Holy Name Holy Hour at Soldier Field Sept. 14. This affair, a huge demonstration of prayer and patriotism, is being sponsored by the Archdiocesan Union of the Holy Name Society.

Auburn Park Enlists Large Retreat Class for Trip to Mayslake

2-4 Thurs. . . . . 7740 Emerald Av

At the close of our Retreat at Mayslake, Illinois, last September, Retreat Chairman, Richard J. Knight made another reservation for the members of Auburn Park Council for the week-end beginning September 19. We are to leave 78th and Halsted St. not later than 6:3 p. m. This reservation also was made for the Holy Name Society of St. Leo parish, and since then the Holy Name branch of St. Carthage has been added.

We have been contacted by Rev. Father Oliver. O.F.M., of the Franciscan Retreat movement in Chicago, as to how many reservations we will have over this week end, and it is now necessary to ascertain how many members will make the Retreat.

Retreatants report at Mayslake at p. m. on Friday evening for dinner, after which the Retreat gets under way. The last service is Mass early on Monday morning to enable you to get back to work on time Monday. All members who wish to make this Retreat and lack means of transportation should gather at the corner of 78th and Halsted St. shortly after 6 o'clock on Friday evening and cars will be available. Get your name into Bro. Dick Knight if you want to make a reservation. We had a fairly good class last year and desire to double this number this year.

SEPTEMBER 12TH PARTY

Don't overlook the fact that you have already received tickets to be disposed of for the big party at the Shelter House located in the Forest Preserve, on Friday evening, September 12. Prices are $1.00 for the men and 50c for the ladies and no other expense involved for a very enjoyable evening. This party is sponsored in order to show our appreciation to the members of the softball team for their efforts in getting first place in the division of the K. of C. League. There will be dancing, refreshments, entertainment and cards if you so desire. Get out there early on Friday evening and you will be assured of a very enjoyable party. Remember the location, north of 87th St., just about a block east of Western Ave. at the foot of the hill.

SOFTBALL FINALS

Have a report from Bro. Tom Cole, our League Delegate, that the K. of C. Softball Finals will get under way at Shewbridge Field, 74th and Aberdeen Sts. Monday evening, September 15, with three games on the card for that evening. The schedule of teams participating has not been completed as some have games to play, but by referring to Page 12 of the Columbian you will find complete details.

Our team will represent the Southwest Division along with McHale Council, and we hope for a large turnout of the membership on each evening while these games are in proergss. Prices are, general admission 30c, 15c for children and box seats 45c per person.

COMING EVENTS—Thursday, September 11—Council meeting.

Friday, September 12—Party at the Shelter House.

Sunday, September 14—Holy Name Society Holy Hour, Soldiers Field.

Monday, September 15—Softball playoffs. Shewbridge Field.

Tuesday, Wednesday, Thursday—Softball semi-finals.

Friday, Saturday, Sunday, September 19, 20, 21st—Mayslake Retreat.

Thursday evening, September 25—Second council meeting in September.

Chicago enjoys the privilege of having had nine presidents nominated there: Lincoln, Grant, Garfield; Cleveland, Harrison, Theodore Roosevelt, Taft, Harding, and Franklin D. Roosevelt.

Also, patron tickets are on sale for those who want them, and this will also be taken care of through Charley or by making arrangements with GK Devereaux.

NEWS ABOUT KNIGHTS

A few weeks ago we had Bro. Tony De Beck in Wisconsin on his vacation, but now learn that it was Tony Wilhelm, and Tony De Beck is at this time vacationing in Washington, D. C., and Boston. Too many Tonys.

Bro. Bob Du Mais, who has not made this column for some time, reports that the convention at Atlantic City was a huge success. At the convention the state of Illinois was cited as one of the leading states in the country in its blood donor work. Also, we are proud to report that Bob was given special mention at the convention for his untiring efforts to make this work the great success it has been.

Dearborn continued to keep up its good work this past week by sending two of its members to hospitals for transfusions. They were Bros. Charles Read, who gave one at Mercy Hospital, and Bill Henneman, at St. Bernard's.

CONGRATULATIONS — Bro. Bernard John Feilen, otherwise known as "Barney," son of our financial secretary, is to take unto himslef a wife whose name, until the 20th of September, is Miss Edna Mary Weston. The wedding will take place in Nativity of Our Lord Church at 37th and Union Ave., at a nuptial high mass at 10 o'clock. Please accept our congratulations, Barney, and may we wish for the both of you the best of health, happiness and success.

BOWLERS who wish to smash the maples with Fort Dearborn team this coming season should get in touch with Bro. John Logan at Normal 5256.

Feehan's Program of New Activities Will Get Underway Tues.

2-4 Tues. . . . . Hamlin and Madison

The new year begins for Feehan Council with next Tuesday night's meeting. Your presence is what is required to make council meetings an interesting and joyful experience and to promote council morale (morale being the topic of the day, we thought we would slip a piece of it in here. Well, what do you know? It fits). If you enjoy kibitzing, come on up and deal yourself a hand. You'll have plenty of company. What we are trying to say is this: get to the first meeting; acquire the habit and by next summer you will have some happy recollections.

ROND-UP

Last call for the big Feehan Council first annual golf round-up. We can still accommodate any late-comers. Just find your way up to Barry's Retreat at Twin Lakes, Wis., and sign up for golf on Saturday and Sunday and Saturday night's lodging at the bargain fee of $3.50. A goodly crowd is assured by the number of reservations already on hand, so the affair is a guaranteed success. We will give you the lowdown next week.

And we will also announce the winner and new champion of the Feehan Council Match-Play Tournament. With Lady Luck still swinging his sticks, Turk Fogarty squeezed out a victory over the Frank McQuillan traveling circus and golf club in another hotly contested battle. This puts him in the semi-finals, where he will meet Augie Tamburrino, the winner to play Joe Collins for the championship cup. In the consolation bracket, Bud Scheener will meet the Jim Collins —Bill Collins victor.

BOWLING

Now that the tumult and shouting have abated, and the smoke is clearing away, we are able to discern twelve separate and distinct six-man teams on the bowling horizon. Bro. John Blais came steaming in with a complete team and several others brought in new candidates, which swelled the total to the above figure. So we break the tape with some provision against the shortages and occasional three-man teams which tended to gum things up in the past. Thursdays at 8:30 at Windy City alleys, and the season starts the 11th.

PERSONALS

Interesting, aren't they?

BIRTHDAY GREETINGS: To Bros. Jack O'Callaghan, Daniel P. Guinea, B. F. Markowski, Daniel C. Donohue, Howie Edler and John Farrell Powers, who celebrate this week.

Acording to the American Hebrew there are about five hundred colored Jews in New York City. They have their own synagogue at Lenox avenue and 128th street, Manhattan. They also have their own cemetery in addition to a flourishing fraternal organization known as the Royal Order of Ethiopian Jews.

Attend the K. C. Softball finals at Shewbridge Field, Sept. 15-18.

Fr. O'Connor Lays Out Groundwork for Banner Year

1-3 Thurs. . . . 4660 N. Kedzie Ave.

In the firm belief that this year will be our banner year our Grand Knight (Bill) Cunningham is making arrangements to have a committee meeting every Friday. Everyone is invited and the officers and committeemen are requested to attend. Bill's whole heart and soul are wrapped up in Father O'Connor Council and he deserves a helping hand.

GOOD NEWS

WHILE we cannot come right out with the news as it is not official yet, we do understand that Our Past Grand Knight Bill King is slated to take over the treasurer's office at the Chicago chapter. You can't exactly blame the Chicago chapter for their choice as we all think that Bill King is just about tops in Knighthood besides being a regular all around fellow. Confidentially, your Scribe is sort of a hero worshipper when it comes to Bill's extemporaneous speeches at the Council chambers.

BOWLING—There are a few more openings left for those who would like to bowl with us this year. We are bowling at Monte-Christo alleys again but this year under much improved conditions. The boys have resurfaced the alleys, lengthened the runways and lowered the grandstand so that you can watch the bowlers from in back of the seats.

OUR GOLF COMMITTEE has been working overtime trying to decide which course our Council will hold its tournament on. There are several well known courses around Chicago that are vying for the Father O'Connor tournament and our golf chairman, Brother Dick Navin is just waiting for the best offer.

The date set for the big tee-off is September 21st. After the tournament there will be a big trophy dinner served at the course. The various trophies will be awarded at this dinner.

BITS OF NEWS

After all the nice things we said about Walter Kelly and the carefully prepared (going-away) speech that was orated by our able Brother Gus Smith we find that Walter has been temporarily placed in the new post office building in the aviation department. Do you suppose that that is the way they break the rookies in? By first giving them a fast ride in one of our modern elevators and then if they can take it they transfer them to the parachute jump at Riverview. From there, if they can still stomach it, they are sent to one of our training camps. Anyway Walter we are glad to have you with us and hope that your new job will not interfere with your activities in the Council while you are stationed in Chicago.

Attention, Bill Sullivan: Your membership chairman has a member all lined up to come into the Council whose reputation is known far and wide as a slugging softball player. Do we need him, Bill? Your Scribe has been on a vacation the last two weeks, but take it from him his regular job is a vacation compared to swinging a paint brush the way he has been doing around the house. If anybody so much as mentions the word paint to him his good old left arm starts swinging up and down, back and forth. Thank goodness the vacation is over today and he can go back to his office and rest up.

St. Joseph Donors Act During Week to Save Life of Youth

1-3 Thurs. . . . 57th and Archer, Summit

We heard since last week that Bro. Earl Hood was the second to make a blood donation to Wilbur Velze of Summit and we feel sure that both Earl and Bro. Leo Kennedy feel a great degree of satisfaction in their charitable gesture. Once again in the past week has our council been called to exemplify that type of charity so pre-eminent in the work of our Order. The occasion was for a young local boy, member of a well known family, who met with a serious accident requiring an immediate transfusion.

Bro. Hugo Spadoni spent considerable time rounding up the men with the type required, and Bros. Joe Panzer, Ed Kirk, Jr., and one other member made a trip to the hospital at 8 a. m. It was found that they were not required until 1 p. m. and they returned home. Bro. Spadoni then called up a few members and obtained Bro. Tony Tomlonovich, who was the one chosen for the transfusion.

Thus, on the honor roll are inscribed the names of Mayor Bro. Leo Kennedy, Earl Flood and Tony Tomlonovich. To those men, Bros. Joe Panzer, Ed Kirk, Jr., and others, is due much honor even though their services were not at the time needed.

For men to be ready and come from their work or their homes to perhaps save a life is a thing that makes being a member of the Knights of Columbus something to be proud of. It is true charity when we can carry out those principles so well illustrated in the parable of the Good Samaritan by being ready to aid people in our own community and emphasizing that spirit of cooperation which makes us feel proud of being citizens of the community.

REGULAR MEETINGS

Now that the vacation season is about over, we will revert back to our regular schedule of two meetings a month, and the first meeting of September was to be held last night (Thursday, Sept. 4). Your correspondent will probably be the most gratified at this, as we can sometimes make up a column after a meeting, whereas the news from members themselves wouldn't fill a paragraph.

We hear that our good friend, Bro. Wendel Jeno, is about to take that step he has mentioned to us a time or two and will take unto himself a wife on Saturday, Sept. 6. The young lady is from Chicago and is Miss Helen Wasko. We have not had the pleasure of knowing the lady, but we can assure her that her choice is good, as we know Wendel to be a man of sterling worth. We wish both Wendel and his future wife every happiness and we hope he won't be kept away from meetings quite as much once he gets settled down.

The Archdiocesan Holy Name Society is looking for every Catholic man who is able to be at Soldier Field on Sunday, Sept. 14, at 7 p. m. for the Holy Hour. Having been present at these gatherings before, we can assure you of one of the greatest spiritual thrills that can come to any Catholic by being one of those present on this occasion. Admission is free and tickets can be had from your own Holy Name members on Sunday next.

O'Connell to Resume Regular Schedule of Meetings Next Tues.

2-4 Tues. . . . . 1100 N. Franklin St.

Mrs. Joseph Stornello is again reported in ill health, but we sincerely hope she'll be up and around soon again. Our sympathy to Bro. Al Baldassano who suffered the loss of his grandmother during the past week.

G. K. Bro. Eduard Gauria was reported on his vacation. As yet I haven't any report of where he is, but we hope he's having a good time.

P. G. K. Bro. Joseph C. Meier, Mrs. Meier and their daughter have just returned from a two-week vacation tour which took them all through the eastern states and up into Canada. I heard many interesting stories from him, the most interesting, however, was the story of what the Knights of Columbus meant to him on his journey. I, too, have had several such experiences, and you don't know what it means to meet a brother knight in a strange city unless you yourself have gone through such an experience. Our thanks here to Bro. J. Carney of the George Washington Hotel, New York City, for the courtesies and kindnesses extended our P. G. K. Bro. Joseph C. Meier and his family on their recent trip to that state.

Very glad to hear that the St. Joseph's picnic held Aug. 26 was such a success. We hope our chaplain, Rev. Paul Schlimm, will tell us all about it at the next meeting.

Speaking of meetings, Daniel O'Connell Council goes back on the regular two meetings a month schedule now, so that our next meeting will be Sept. 9 and the following on Sept. 21. Same schedule as before, namely, 2nd and 4th Tuesdays.

The official bulletin board still reads: Applications, 23; reinstatements, 3; transfers, 3.

A bird in the hand won't do you any good unless you visit the K. C. Softball finals Sept. 15-18 at Shewbridge Field.

CALUMET URGES 'ALL OUT' MEMBER DRIVE

2-4 Mon. . . . . 6648 Stony Island

The chairman of the membership committee, P.G.K. Bill Birmingham, has very earnestly taken over his new job and tells us that the new members are coming in right along. But no matter how well new members come in, a council can never be satisfied, because more and more new members have to be added to keep the heart of the council acting.

The membership committee is by far the most important one in the council because if this one doesn't function there just isn't any council. You members must be made to realize that if we go along with just the members that we have we will all soon get old and gray and there will be no young blood to take over where we leave off.
